The Assistant City Manager reported that Mrs. James Smith complained about health hazards caused by storage of vehicles at Monteath's Storage Lot behind her house. Mr. Johnson, Chief Building Inspector, was instructed to investigate this complaint. Mr. Johnson reported that he had inspected the Monteath's Storage Lot and found the lot to be both clean and in good shape.

Mrs. Smith also complained about a tree which had been cut down and placed in an alley behind her house, only a portion of which had been removed and that other large parts of the tree still remained. Mr. Bud McHone, Superintendent of Sanitation, advised that he had removed the remaining parts of the tree on Friday, May 11, 1973.

In regard to Mr. Carl Johnson's request for information relative to the installation of additional cable television throughout the City of Asheville, particularly in the Hillcrest area, Mr. Robert J. Robinson, Corporation Counsel, reported that he had reviewed the franchise with Thoms Cablevision and that Thoms Cablevision was to offer service in the City of Asheville wherever practicable.

Mr. Thoms, President of Thoms Cablevision reading from a prepared statement said that there had been no requests for cablevision in the Hillcrest area. However, his company would make a survey of the requests and if 20% of the residents agree to purchase the service they will provide this service.

Mr. Thoms also read a progress report to Council on the status of the cablevision to date. He said with the addition of Channel 36, which they hope to have in the near future, there will be an added incentive for people to purchase cablevision and he looked for improvement in the future growth of the service.

PROCLAMATIONS - INSURANCE WOMANS WEEK AND BOARD OF REALTORS WEEK - MAY 20 - 26

Mayor Wood proclaimed the week of May 20 - 26 as Insurance Womans Week and Board of Realtors Week.

Councilman Colton moved to increase the budget by $92,132 and requested that the money be used in the four areas recommended, making a total of $168,017. This motion was seconded by Councilman Hoyle and unanimously adopted.

7. COMPREHENSIVE CHILD DEVELOPMENT PROGRAM

The Model Cities Commission had recommended $60,000 for this project and a phase out date of June 30, 1973.

In the absence of a motion to adjust the budget the Commission's recommendation was accepted in anticipation of Appalachian Regional Commission funds being sought by the Department of Social Services and the Buncombe County Child Development Council for the continuation of this project.

8. SUMMER LUNCH PROGRAM

The Model Cities Commission had recommended $15,098 for this project.

In the absence of a motion to adjust the budget for this project, the Commission's recommendation was accepted.

9. SANITATION PARTICIPATION

The Model Cities Commission had recommended $22,769 for this project, and a phase out date of June 30, 1973.

Based on comments presented to the Council at previous meetings and acknowledging the fact that more garbage collections are needed during the summer months. Councilman Morris moved to increase the budget by $24,000 which would pay salaries of employees to continue the twice a week garbage pick up during the months of July, August, and September, thus making a total of $46,769 for this project. This motion was seconded by Councilman Dailey and carried unanimously.

10. RELOCATION

The Model Cities Commission had recommended $12,000 for this project.

In the absence of a motion to adjust the budget the Commission's recommendation was accepted.

11. MODEL NEIGHBORHOOD RECREATION

The Model Cities Commission had recommended $30,000 for this project.

Ray Kisiah, Director of Parks and Recreation Department made a presentation requesting an additional $33,996 to support the following activities:

1. Subsidize Hilltop Center	$10,067
2. Basketball Program	6,608
3. Baseball and Softball	17,870
4. Youth Coordinators	20,130
5. Football	9,321
Total	$63,996

2. HOUSING

The Model Cities Commission had recommended no funding for this project.

In the absence of a motion to adjust the budget the Commission's recommendation was accepted.

3. INNER CITY CHALLENGE

The Model Cities Commission had recommended $6,186 for this project.

In the absence of a motion to adjust the budget the Commission's recommendation was accepted.

4. BOY SCOUTS

The Model Cities Commission had recommended $3,450 for this project.

During Council's previous review of this project, the Executive Director of the Boy Scouts requested that $2,292 be added to this project for the purpose of equipment and materials.

It was agreed that the equipment and materials would be vital to the success of the program and Councilman Morris thus moved to increase the budget by $2,292 making a total of $5,942. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

5. TEACHER AIDE

The Model Cities Commission recommended $167,685 for this project to operate through June 30, 1974.

Based on information received from the Asheville City Schools there are presently 39 students in the program of which 5 will graduate in June. In order that the 34 students remaining may continue in the program an additional $18,000 is needed.

Councilman Colton made a motion to increase the budget by $18,000 thus making a total of $185,685 for the program. This motion was seconded by Councilman Hoyle and carried unanimously with the understanding that no new enrollees will be accepted into the program unless they could complete their training within the life of the program and that any surplus monies within the project could be used for teacher aides presently under the Career Opportunities Program.

6. AFTER SCHOOL CENTERS

The Model Cities Commission had recommended a funding level of $75,885 and a phase out date of August 30, 1973 for this project.

Based on a presentation by the Asheville City Schools at a previous meeting it was requested that the following activities be funded through June 30, 1974.

1)	Kindergarten (Newton School)	$33,327
2)	Physical Education Teacher (Hill St. School)	10,764
3)	5 Home School Coordinators	29,825
4)	4 Tutor Aides	18,216
	Total	$92,132

Tuesday - May 22, 1973 - 3:00 o'clock p. m.

Special Called Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., Ruben J. Dailey, J. W. Hoyle, Henry E. Colton, Eugene C. Ochsenreiter, Jr.

Mayor Wood said that Ken Michalove would serve as Acting City Clerk.

Ken Michalove read the notice of the special meeting as being "for the purpose of considering approving amendments to the Third Action Year Plan of the Asheville Model Cities Program, and no other subject or subjects will be considered at this meeting."

Mayor Wood said that the same ground rules as established in Thursdays meeting would apply.

11. MODEL NEIGHBORHOOD RECREATION

In the absence of a motion regarding the adjustment of this budget it was decided to determine the funding after considering the other projects.

12. CONSOLIDATED HEALTH

The Model Cities Commission had recommended $300,244 for this project.

There was considerable discussion about: 1) The ordinary services of the Health Department as compared to those services of the Consolidated Health Project; 2) The potential income from Medicare and Medicaid and other sources; 3) The necessity to retain a sufficient number nurses on the staff; 4) The need to retain the center away from the central health department offices; 5) The fact that the Health Project was considered the number one priority of the Model Neighborhood residents; 6) The advisibility of continuing with the present administrative staff rather than switching to a Coordinator; 7) The role of the Health Advocates; and 8) a continually stressed need by the Health Department of a budget allocation of $357,000.

This discussion primarily involved Dr. H. W. Stevens, Director of the Health Department; Bill Jones, Director of the Consolidated Health Project; Logan Delany and members of City Council.

Mayor Wood observed that the costs of having two nurses and continuing the Director and Assistant Director through June 30, 1974 would amount to about $25,000 and that if the total budget was increased to $325,000 the amount would be about half way between what the Health Department requested and what the Commission recommended.

The Mayor indicated that unless he heard to the contrary the Council would set the budget at $325,000 and would not deal with the staffing and program content at this time. There was no comment to the contrary.

The Mayor further asked Mr. Jones to prepare and submit a budget to the Council at their May 31, 1973 meeting showing how the $325,000 would be used and what the responsibilities of the various staff members would be.

After considerable discussion about the details and operational aspects of these programs the Council decided to defer action on this program at this time.

There being a number of other programs to consider which would involve lengthy discussion Mayor Wood adjourned the meeting, to meet again at a Special Meeting on Tuesday, May 22, 1973 at 3:00 o'clock p. m.

Richard D. Wood
MAYOR

William D. Malcuit
CITY CLERK

Mayor Wood observed that the Agency had requested an additional $17,444, an amount necessary to operate the program from July 1, 1973 through June 30, 1974. The combination of the two budget figures making a total of $24,000 which was the revised Third Action Year Budget request submitted to the Model Cities Commission.

Dr. Stevens, Director of the Buncombe County Health Department and Dr. Ed Lyda, Physician for the Comprehensive Family Planning Program, spoke of the merits of the program and relevant cost factors.

Dr. Stevens pointed out that the $17,444 represented the local cash match required to attract the federal portion of the costs of the program. The federal funding bringing in $9 for every $1 of local cash. He indicated that his budget request had already been submitted when he had word of Model Cities Commission recommendation and that now was really too late in the budget process to obtain that amount of money.

However, he said that if the $17,444 could be allocated this year that the local matching should not be a problem in the future and that he would request funds from the County in his budget next year. There was also an indication that funds would be sought from Madison County as well.

Councilman Ochsenreiter moved to increase the budget by $17,444 to a new total of $24,000. The motion was seconded by Councilman Bailey and carried unanimously. By this action the program was also extended from June 30, 1973 through June 30, 1974.

15. OPERATION UPWARD TRAINING

The Model Cities Commission had recommended $19,883 for this project.

In the absence of a motion to adjust the budget the Commission's recommendation was accepted.

16. EMPLOYMENT PROGRAM

The Model Cities Commission had recommended $263,329 for this project.

Mr. Delany pointed out that there was a $2,585 calculation error in the budget and the total funding should be reduced by that amount.

Mayor Wood asked whether the person to fill the position of grantsman was someone now on the staff.

Mr. Delany said no, but also added that the salary budgeted would be adjusted proportionately to when the person came on the staff.

Councilman Morris moved to reduce the budget by $2,585 to a new total of $260,744 as recommended by Mr. Delany. The motion was seconded by Vice-Mayor Marshall and carried unanimously.

17. PROGRAM ADMINISTRATION

The Model Cities Commission had recommended $175,827 for this project.

Mr. Delany said that the Deputy Director and an accountant clerk had resigned and he did not intend to replace them. He therefore requested that the budget be reduced by $23,715 which represents the saving by not filling these positions.

The Mayor also asked Mr. Jones to submit to the Model Cities Commission and the City Council by August 1, 1973 a status report of reimbursement payments from Medicare and Medicaid, as well as, a status report of his progress in obtaining funding for the project from other sources.

13. SENIOR OPPORTUNITES

The Model Cities Commission recommended $152,332 for this project.

Mayor Wood questioned Mr. Brewer about the costs of the Meals-On-Wheels Program. He said he had estimated the costs of the Meals-On-Wheels Program at an average of $4,292 per month.

The Mayor pointed out that the City could not continue the program after the proposed termination date, and that it would not be right to lead those now receiving meals to believe that it would be possible to continue the program. The Mayor therefore, suggested that the Meals-On-Wheels Program be scheduled to terminate January 1, 1974 and the project budget be decreased by $25,752 to a total of $126,580.

The Mayor indicated that his suggestion was predicated on the fact that the President had signed the Older Americans Act and that there was a Nutrition Program associated with that Act. He further stated that he had been advised that guidelines and funding of this program would be available by January of 1974.

Fred Brewer, Director of the Senior Opportunities Program, spoke of the need to continue the Meals-On-Wheels Program and responded to questions regarding staffing, delivery and preparation of meals.

Councilman Hoyle asked that the staff look into the possibility of preparing the meals at Herring or Livingston Street School as a method of reducing costs and as a possible savings to their idea of purchasing kitchen equipment for the Grove Street Center. He further asked the staff to check with Mrs. James with the Asheville City Schools about preparing the meals at South French Broad School since Mrs. James had mentioned to him she could handle the service.

Based on the Mayor's suggestion Councilman Colton moved to run the Meals-On-Wheels Program until January 1, 1974 and reduce the budget accordingly based on the average monthly expense. The motion was seconded by Councilman Hoyle and passed unanimously.

Councilman Morris asked for a calculation on the cost of an evening meal as compared to the afternoon meal now being served and Mayor Wood suggested that the staff look at some new systems of distribution and preparation of food.

By this action the program was reduced by $25,752 based on an average monthly expense of $4,292 for six months. This brought the total funding level to $126,580.

14. FAMILY PLANNING

The Model Cities Commission recommended a funding level of $6,556 for this project and a phase out date of June 30, 1973.

Mr. Delany observed that unless a conscious improvement effort was put forth, the Montford Area could become a real problem in years to come. Mr. Delany stated that the residents were not thinking of an elaborate facility like Livingston Street and an ideal lot for the construction of the facility was already owned by the City. He indicated that the lot was on the corner of Gay and Pearson and had been originally purchased for a Tot Lot.

A general discussion developed involving Mrs. Simmons, Mr. Delany, Mayor Wood and Mr. Kisiah. Items discussed were - source and amount of operating costs for a center in the future; the type of facility and intended programs; a tie-in with the Housing Authority in the area of day care; and the possibility of having senior citizens programs in the facility.

In response to a question Mrs. Simmons indicated that the residents wanted a nice place to go similar to that originally scheduled for Riverside Park that would be accessable, beyond that, as far as size and location, it would depend on the funds available and the most feasible location.

Mayor Wood said that he had been talking to Ray Wheeling, Executive Director of the Housing Authority, about Nasty Branch. Particularly since over the last few years there had been a great deal of discussion about what needed to be done but no special funding for relieving the situation.

Ray Wheeling then spoke of the need for the improvements in Nasty Branch and of his recent discussions with Mr. Delany and Ken Michalove when the Model Cities Commission had voted to use some reprogrammable funds for improvements.

Other items mentioned were: the fact that the problem is not just in the Urban Renewal Area but in the entire water shed feeding the Branch, that the City had done some work in the Branch recently; that work outside the area could not be counted as matching.

The Mayor indicated that since the above mentioned improvement projects would require additional information he would suggest, based on the assumption that HUD would approve, that the City Council budget $150,300 for "Community Development Projects - for planning and implementation of several projects now under consideration."

There were no remarks to the contrary and the $150,300 was earmarked for that purpose. Thus, deleting the $361,068 for Neighborhood Centers.

Mayor Wood called for a motion on the RESOLUTION APPROVING AMENDMENT TO THIRD ACTION YEAR PLAN OF THE ASHEVILLE MODEL CITIES PROGRAM.

Councilman Dailey moved that the Resolution be approved, seconded by Councilman Morris and adopted unanimously.

Mrs. Dicie Jackson asked that the Council assist in expediting the purchase of Livingston Street School and Mr. Carl Johnson asked Council to give some leadership in obtaining contract compliance on the various Model Cities Programs.

Mr. Johnson also asked how the $60,000 allocated to the Comprehensive Child Development Project.

Complete text of Resolution No. 73-49 will be found in Resolution Book No. 7 at page 26.

Adjournment

MAYOR Richard D. Wood Jr.

William J. Moore

CITY CLERK

Councilman Dailey moved to accept the recommendation to reduce the budget by $23,715 to a new total of $152,112. The motion was seconded by Councilman Hoyle and carried unanimously.

18. PROJECT EVALUATION

The Model Cities Commission had recommended $20,865 for this project and a phase out date of June 30, 1973.

Mr. Delany told Council that Miss Henry the Director of Evaluation would be transferred to the Citizen Participation budget as of July 1, 1973 and in effect would continue her evaluation responsibilities.

In reference to a question about the reduction in secretarial staff, Mr. Delany indicated that due to the level of funding there would have to be cooperation among the in-house programs to handle the secretarial responsibilities.

At this time the Citizen Participation Program was brought up and Mayor Wood asked Mr. Graves, Director of Citizen Participation about his attitude about replacing Citizen Participation Aides that might resign during the remaining months of the program.

Mr. Graves indicated that four Citizen Participation Aides were the minimum necessary and based on the training program he had developed he would have no hesitation about hiring replacements.

Councilman Morris moved to approve the Project Evaluation funding and Citizen Participation funding as recommended by the Model Cities Commission and that the employment of new personnel and personnel changes in the Employment Program, Program Administration, Project Evaluation and Citizen Participation shall be implemented subject to recommendations of the Model Cities Director and authorized by the City Manager.

The motion was seconded by Councilman Ochsenreiter and passed unanimously.

11. MODEL NEIGHBORHOOD RECREATION PROGRAM

Not having made a final decision about this previously members of Council, the audience and Mr. Delany raised questions about the various program components. The comments and remarks were generally around past program performance, The need for various items of equipment and uniforms; the need for umpires, referees and other personnel and the fact that much of the capital expense items (uniforms and equipment) would last several seasons.

Councilman Ochsenreiter moved to adopt the budget presented by the Director of Parks and Recreation thus raising the budget by $33,996 to a new total of $63,996.

The motion was seconded by Vice-Mayor Marshall and adopted unanimously.

Mayor Wood called for a summary of the additions and deletions and was informed that the additions amounted to $210,768 leaving $150,300 for additional programs.

Mayor Wood then asked Mr. Delany that in light of the additions made, what would be his recommendation. Mr. Delany responded by still indicating a need for Neighborhood Centers but in considering the money available that Council might consider the purchase of the Senior Opportunity Center Building or the Neighborhood Facility proposed by Mrs. Simmons for the Montford Area.

Councilman Morris moved to approve the Coca-Cola Bottling Company's request for water based on the City Manager's recommendation that the County build a reservoir to serve the area, on or before July 1, 1976, which reservoir shall have a minimum capacity of 1,500,000 gallons. This motion was seconded by Councilman Colton and carried unanimously.

Mayor Wood instructed the City Manager to keep Council informed on any actions taken by Council.

ORDINANCE NO. 774 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING, AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1973 AND ENDING JUNE 30, 1974.

3. Consideration was given to an ordinance levying, assessing, imposing, and defining the license and privilege taxes of the City of Asheville for the fiscal year beginning July 1, 1973 and ending June 30, 1974.

The City Manager read the ordinance.

Councilman Ochsenreiter moved for the adoption of the ordinance, which was seconded by Councilman Hoyle.

On a roll call vote of 6 - 0, Ordinance No. 774 passed on its first reading.

BIDS - NO. (1) DUMP TRUCK FOR PARKS AND RECREATION DEPARTMENT

4. Consideration was given to bids received May 22, 1973 for one (1) dump truck for the Parks and Recreation Department.

The City Manager read a memorandum from J. R. McMahan, Purchasing Agent, and Ray Kisiah, Parks and Recreation Director, who recommended the low bid of Asheville International Truck Sales, Inc. in the amount of $8,335.37.

The City Manager told Council that this piece of equipment was to be used in the Open Space Program which had been approved previously by Council for Revenue Sharing funds.

Councilman Dailey moved to accept the recommendation and award the bid to Asheville International Truck Sales in the amount of $8,335.37. This motion was seconded by Councilman Morris and unanimously adopted.

Bid Summary

Bid Request #171 - One (1) Cab and Chassis Truck with 4 yard dump body

Bidder	Bid
Matthews Motors Inc.	$ 9,433.01
Asheville International Truck Sales, Inc.	8,455.37
Appletree Chevrolet Company	9,014.89

Thursday - May 24, 1973 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Councilmen Ralph D. Morris, Jr., Ruben J. Dailey, J. W. Hoyle, Henry E. Colton, Eugene C. Ochsenreiter, Jr., Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Calvin W. Marshall

1. Approval of minutes of May 17, 1973 meeting.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, the minutes of the May 17, 1973 meeting were approved as submitted.

FURTHER CONSIDERATION OF APPLICATION FOR WATER SERVICE FOR COCA-COLA BOTTLING COMPANY

2. Consideration was given to an application for water service from the Coca-Cola Bottling Company to serve the new proposed Coca-Cola production facility to be located on Haywood Road in Arden, North Carolina.

Ernest J. Ward, Jr., City Manager, stated that he had met with representatives of the Coca-Cola Bottling Company and also with County Commissioner Chairman Curtis Ratcliff in hopes to work out an agreement to provide water service to this facility. He said that he was to receive a statement from Mr. Ratcliff before the Council meeting indicating what steps the County would take to help provide service to the new facility, but at this time he had not received the statement. Mr. Ward advised Council that Coca-Cola Bottling Company had revised their initial request of 880 gpm to 750 gpm or 360,000 gallons per day. Based on information received from meetings with various officials Mr. Ward recommended the approval of Coca-Cola Bottling Company's application for water service subject to the following:

1. That funds be provided by Buncombe County to construct a reservoir in the general area of the proposed Coca-Cola plant with a minimum capacity of 1,500,000 gallons to become a part of the City Water System. Said reservoir to be constructed and funds provided when deemed advisable by the Water Engineering Department.

A reservoir with a capacity of 4,000,000 to 5,000,000 gallons would be more desirable so that service could be provided to a larger area.

Mr. Bennett Warren, manager of production systems in Asheville for Coca-Cola Bottling Company said the reduction in water needed by the plant was possible because of a new type of bottle washer which would use less water by washing more bottles at one time. Mr. Warren also stated that the 750 gpm would carry them through 1982.

Mr. Gilstrap, Assistant to the President of the Asheville Bottling firm, told Council that it was his understanding after talking with Mr. Ratcliff that the county was willing to help serve the proposed facility.

Mr. Robert J. Robinson, Corporation Counsel, told Council that he had just talked with Mr. Ratcliff by telephone and that Mr. Ratcliff had not been able to contact the other commissioners and could not make a commitment to build a reservoir in the proposed area without further study. Mr. Robinson said he would prefer that Mr. Ratcliff be contacted for details of his position on the matter.

The City Manager reported he anticipated a deficit of $223,000, however, he could cut the deficit down to $179,000 but he would be eliminating the purchasing of several pieces of equipment that needed replacement. He said Mayor Wood had asked him to make a study of possibly increasing water rates outside the City in the Fairview, Bee Tree, South Buncombe, Enka, Candler and Johnson School area which are outside the jurisdiction of the Sullivan Act. Thus, prohibiting the charging of higher water rates in the County Water Districts than that charged in the City. He said from his study of increasing water rates in this area he anticipated added revenue of $298,957.37 for the Utility Budget. He also said he had hoped some agreement could have been made with the County Commissioners for them to maintain water lines in the County, but at this time no agreement had been reached.

Mayor Wood explained that the City Manager would have to submit a balanced budget by deleting needed capital outlay items or have some indication that additional revenue would be forthcoming. He also reported that the City Manager would have to present the budget by June 7, 1973.

Adjournment.

Herbert D. Wood Sr.
MAYOR

William S. Macaulay
CITY CLERK

APPLICATION FOR SIGN PERMIT - KAR KARE LOCATED AT 639 PATTON AVENUE

5. Consideration was given to an application from Kar Kare located at 639 Patton Avenue to erect a sign which would be placed within 200 feet of the Crosstown Expressway.

Mr. J. E. Johnson, Chief Building Inspector, reported that he had investigated the proposed location and the property is zoned Industrial which requires no setbacks. He said there was no restriction to sight visiability.

Councilman Colton moved to approve the application for a sign permit located at 639 Patton Avenue as proposed. This motion was seconded by Councilman Ochsenreiter and unanimously adopted.

RESOLUTION NO. 73-50 - RESOLUTION TO EXECUTE QUIT-CLAIM DEED

The City Manager presented a resolution for Council's consideration to execute a quit-claim deed to the Asheville Jaycees for a piece of property lying South of Block A of Sayles Village.

Mr. Jim White of the Asheville Jaycees told Council that this quit-claim deed was needed to close a deal for the Asheville Jaycee Housing, Inc. who is in the process of attempting to construct an apartment complex in the area.

Mr. Robert J. Robinson, Corporation Counsel told Council that the City had never accepted the area for public purposes but the owner is unwilling to accept the quit-claim deed unless the City executes it first.

Councilman Morris moved for the adoption of the Resolution to execute the quit-claim deed. This motion was seconded by Councilman Ochsenreiter and passed unanimously.

Complete text of Resolution No. 73-50 will be found in Resolution Book No. 7 at page 28.

REPORT OF CITY MANAGER ON HI-ALTA - DEAVERVIEW AREA WATER PROBLEMS

The City Manager reported to Council that tests had been made in the Hi-Alta Deaverview Area using fire truck pumpers to determine if a pump purchased from government surplus would be successful.

Mr. Jesse Jayne, Special Projects Superintendent reported that the tests had proven to be successful and he was in the process of obtaining property on which to construct a pump house. Mr. Jayne stated he was satisfied with the tests and the new pump would increase the flows in the area, and it would also relieve pressure on the Oak Hill pump.

WATER BUDGET - REPORT OF MAYOR AND CITY MANAGER

Mayor Wood reported that he had discussed with the City Manager earlier this week difficulties Mr. Ward was having balancing the water budget.

ORDINANCE NO. 774 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING, AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1973 AND ENDING JUNE 30, 1974.

3. Consideration was given to the second reading of Ordinance No. 774, an ordinance levying, assessing, imposing, and defining the license and privilege taxes of the City of Asheville for the fiscal year beginning July 1, 1973 and ending June 30, 1974.

Upon a roll call vote of 7 - 0, Ordinance No. 774 passed on its second reading.

RESOLUTION NO. 73-51 - RESOLUTION APPROVING AND ACCEPTING CONTRIBUTION FROM THE JUNIOR LEAGUE OF ASHEVILLE, INC. FOR THE CONSTRUCTION OF CHILDREN'S ZOO AT ASHEVILLE RECREATION PARK.

4. Consideration was given to a resolution approving and accepting contribution from the Junior League of Asheville, Inc. for the construction of a Children's Zoo at Asheville Recreation Park.

Ray Misiah, Director of the Parks and Recreation Department, reported to Council that the Junior League of Asheville Inc. had proposed to take on as a league project the construction of a Children's Zoo at the Asheville Recreation Park. He said the league had committed a sum of $25,000 toward the completion of the zoo and agreed to solicit other contribution from local businesses. He said the facility when completed would cost approximately $60,000 and the annual operation cost would be approximately $12,000 a year.

Frank DeSaix, Recreation Park Manager, using a model, described the facility that was being proposed.

Mrs. Charles Cummings, League President, said her group would continue their support after the zoo was completed.

The City Manager read the resolution.

Upon motion of Councilman Dailey, seconded by Councilman Ochsenreiter, Resolution No. 73-51 was unanimously adopted.

Mayor Wood instructed the City Clerk to send a copy of the resolution to Mrs. Cummings.

Complete text of Resolution No. 73-51 will be found in Resolution Book No. 7 at page 29.

RESOLUTION NO. 73-52 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AGREEMENT WITH BEVERLY-GRANT, INC. CONCERNING A WATER MAIN EXTENDING SOUTH ALONG CROWFIELDS DRIVE TO SERVE ADDITIONAL LIVING UNITS OF CROWFIELDS CONDOMINIUMS, LIMESTONE TOWNSHIP.

5. Consideration was given to a resolution authorizing the Mayor to enter into agreement with Beverly-Grant, Inc. concerning a water main extending south along Crowfields Drive to serve additional living units of Crowfields Condominiums, Limestone Township.

Thursday - May 31, 1973 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., Ruben J. Dailey, J. W. Hoyle, Henry E. Colton, Eugene C. Ochsenreiter, Jr., Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of regular meeting of May 24, 1973 and special meeting of May 22, 1973.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, the minutes of the regular meeting of May 24, 1973 and special meeting of May 22, 1973 were approved as submitted.

CONTINUATION OF PUBLIC HEARING - REVISING ZONING ORDINANCE

2. At 3:05 o'clock p. m. Mayor Wood reconvened the public hearing relative to the adoption of an ordinance amending and revising Ordinance No. 322, the Zoning Ordinance of the City of Asheville. He advised the public in attendance that this was a continuation from the May 17 meeting.

Mr. R. M. Martin, President of the Grove Park - Sunset Mountain Association, spoke in behalf of this association and said that his group was not opposed to the proposed revised ordinance as such but did oppose the R-2 classification for this area, which would allow the construction of apartments and condominiums. He said his group favored a more restrictive R-1 Classification which, in his opinion, would prevent a quality decline of the area. He presented petitions which he said were signed by almost all the residents of the area requesting that Council zone the area R-1.

Mr. Pete Fiestman, on behalf of the Home Builders Association of WNC, presented Council with a list of recommendations which he asked Council to consider in revising the ordinance. He briefly reviewed some of the points in question.

Mr. Harold Bennett, attorney for the Southern Railroad, pointed out several instances where railroads were completely ignored in the drafting of the ordinance, which he said if not corrected would virtually put the Southern Railroad out of business. Councilman Colton asked Mr. Bennett to submit in writing any suggestions that he would like to make which would correct the discriminations now being imposed on the railroad.

Council discussed other aspects of the revised ordinance with Planning Director Nick Kmecza, which concluded with Councilman Morris making the motion that the hearing be continued without further advertisement until the regular meeting of June 28, 1973. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

MODEL CITIES - CONSOLIDATED HEALTH PROJECT

Bill Jones, Executive Director of the Consolidated Health Project, submitted a revised budget for the Consolidated Health Program as it applies to the Model Cities Third Action Year Program, as requested by Council at the May 22nd meeting. He discussed various aspects of the budget and was requested by Mayor Wood to submit the revised budget to the Model Cities Commission for comment.

WATER BUDGET - REPORT BY CITY MANAGER

City Manager Ernest Ward advised Council that in preparing the annual budget for the Water Department it appeared that there would be a deficit of approximately $179,000 and he asked Council for some guidance as to the method they wished him to use in balancing this deficit. He said that he had already been instructed to study the possibility of increasing the water rates outside the districts covered under the Sullivan Act and had determined that a 50% hike in these areas would produce $298,957. He said that an increase in the industrial rates to Step 3, recommended in the rate study of Hazen and Sawyer would produce $28,785 and another $10,000 could be raised by increasing the rate of resale water to Biltmore Forest.

Following a discussion Councilman Ochsenreiter moved that the new water budget tentatively reflect an increase in the industrial rates as set forth in Step 3 of the Hazen and Sawyer recommendations. Councilman Colton seconded this motion and it was carried unanimously.

Councilman Colton then moved that the new budget presentation also include a 50% rate increase for all consumers outside the water districts covered by the Sullivan Act and further that the proposed 50% increase for all customers purchasing water for resale also be included. This motion was seconded by Vice-Mayor Marshall and was carried unanimously.

Mayor Wood in commenting on the proposed increases emphasized that this was not the final decision but only a guidance for the City Manager as to how he should proceed in preparing the Water Department Budget presentation.

COMMUNICATION FROM COUNTY COMMISSIONERS RELATIVE TO WATER SUPPLY FOR COCA COLA PLANT

Mayor Wood announced that he had just received a letter from Mr. Ratcliff, Chairman of the Buncombe County Commissioners, relative to the supplying of water to the proposed Coca Cola Plant. He said in essence it covered the assistance the County proposed to give to the Coca Cola Company regarding the water and sewer service to their new plant. He said the letter further stated that if the proposal was satisfactory to the City Council a resolution of intent would be presented at the next meeting of the Commission on June 5 covering the following points:

1. That the County would, by July 1, 1976, agree to construct some type of facility which would guarantee Coca Cola Company a minimum water flow of 750 gpm with a 50 lb. residual pressure.

2. That the County in order to insure this would build a minimum 1.5 million gallon reservoir or would work with the City to provide a larger reservoir which might better solve the area wide water service.

The City Manager read the resolution.

Mayor Wood requested that since his law firm represented Beverly-Grant, Inc. that the resolution be amended to authorize the Vice-Mayor to sign the agreement.

Councilman Colton moved for the adoption of the resolution with the modification that the Vice-Mayor be authorized to execute the agreement.

This motion was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 73-52 will be found in Resolution Book No. 7 at page 30.

RESOLUTION NO. 73-53 - RESOLUTION ACCEPTING OFFER OF DEDICATION OF STREETS SHOWN ON PLAT 7 PERSHING HEIGHTS.

6. Consideration was given to a resolution accepting offer of dedication of streets shown on Plat 7 of Pershing Heights.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, Resolution No. 73-53 was unanimously adopted.

Complete text of Resolution No. 73-53 will be found in Resolution Book No. 7 at page 31.

BIDS - TIRES, TUBES AND RECAPPING

7. Mayor Wood announced that the tabulation of the bids to supply tires, tubes and recapping to the City for the next 12 months had not been completed and therefore this scheduled agenda item would be rescheduled for next week.

RESOLUTION NO. 73-54 - RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ASHEVILLE AUTHORIZING THE PUBLICATION OF NOTICE OF A PUBLIC HEARING ON AN AMENDMENT TO URBAN RENEWAL PROJECT, EAST RIVERSIDE URBAN RENEWAL AREA, PROJECT NO. N C R-48, ASHEVILLE, NORTH CAROLINA

8. Consideration was given to a resolution of the City Council of the City of Asheville authorizing the publication of notice of a public hearing on an amendment to Urban Renewal Project, East Riverside Urban Renewal Area, Project No. NC R-48, Asheville, North Carolina.

The City Manager read the resolution which set the public hearing for June 21, 1973 at 3:00 o'clock p. m.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, Resolution No. 73-54 was unanimously adopted.

Complete text of Resolution No. 73-54 will be found in Resolution Book No. 7 at page 32.

Thursday - June 7, 1973 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., Ruben J. Dailey, J. W. Hoyle, Henry E. Colton, Eugene C. Ochsenreiter, Jr., Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of May 31, 1973 meeting.

Upon motion of Councilman Colton, seconded by Vice-Mayor Marshall, the minutes of the May 31, 1973 meeting were approved as submitted.

ORDINANCE NO. 774 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING, AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1973 AND ENDING JUNE 30, 1974.

2. Consideration was given to the third and final reading of Ordinance No. 774, an ordinance levying, assessing, imposing, and defining the license and privilege taxes of the City of Asheville for the fiscal year beginning July 1, 1973 and ending June 30, 1974.

Since Council was furnished with copies of the ordinance it was not read again in its entirety.

On a roll call vote of 7-0, Ordinance No. 774 passed on the third and final reading.

Complete text of Ordinance No. 774 will be found in Ordinance Book No. 6 at page 19.

BIDS - TIRES, TUBES AND RECAPPING FOR A PERIOD OF 12 MONTHS

3. Consideration was given to bids received on May 18, 1973 for tires, tubes, and recapping for the city's vehicles for a period of 12 months.

The City Manager read a memorandum from the Purchasing Agent and Superintendent of Motor Transport recommending the contracts be awarded to the low bidder for all items. He concurred in the recommendations. Councilman Hoyle moved that the recommendation be accepted and that the contracts be awarded to the low bidders in each category. Councilman Dailey seconded the motion and it carried unanimously.

The following is a summary of the low bids. The complete tabulation is on file in the office of the Purchasing Agent.

3. That the County would agree to pay the cost of materials only for both water and sewer lines from the point of connection to the Coca Cola property line, this cost not to exceed $157,000, and would not include the cost of fire hydrants, pumps, water meters, etc. The Coca Cola Company agreeing to pay the labor costs of the above installations.

The letter recommended that some form of tap on charge be worked out to reimburse the Coca Cola Company for other parties wishing to tap the lines.

Finally the letter stated that the County would be agreeable to transferring ownership of the reservoir and water lines to the City, provided that in the interim they did not find it necessary to establish there own water system and therefore might need the new facilities to live up to there guarantee to Coca Cola Company.

Council took exception to the latter provision relating to the ownership of the lines. It was the concensus of opinion that the title to the line should be in the name of the City of Asheville regardless of whether or not a second water system was developed in the South Buncombe area.

Councilman Ochsenreiter moved that the City indicate its intention to authorize the extension of water service to the Coca Cola Bottling Company site at its next meeting, in the event that the Buncombe County Commissioners adopt a resolution of intent at their June 5 meeting, in line with the provisions stated in their letter. Providing however, that the resolution of intent clearly states that the line presently to be installed would become the property of the City of Asheville regardless of whether or not a second water system is developed in the South Buncombe area. Councilman Hoyle seconded this motion and it was carried unanimously.

ERWIN COMPANY COMPLAINT ON BREVARD ROAD

The superintendent of the Erwin Company, who are constructing apartments on Brevard Road, asked Council for the City's assistance in eliminating the mud and dust problem on the streets adjacent to the construction site. He said the neighbors were complaining and it was causing considerable poor public relations for this firm. The water and sewer line installation by the City was blamed for the major portion of the trouble at the present time. It was felt that the use of the City's street sweepers and flushers would help to alleviate the problem. The City Manager was instructed to investigate and take appropriate action.

SANITATION DEPARTMENT COMPLAINT

Councilman Dailey reported that Mrs. Boyd at 54 Woodland Avenue had advised him that she had not been able to get her trash picked up after reporting it several times. The City Manager was instructed to look into the complaint.

Adjournment.

and facilities, he was recommending a tax rate of $1.40 or a decrease of $ .10 in comparison to 1972-73 rate of $1.50.

Mr. Ward advised Council that the budget should be available for public inspection at least twenty days prior to its adoption and should be adopted between July 1 and July 15, 1973. He reminded them of the required three readings and that changes could be made at any of the three readings. He also reminded them that the General Statutes 159-12 requires that the budget officer notify the public that the tentative budget was presented on June 7, 1973 and is available for public inspection in the office of the City Clerk. Further that a public hearing should be scheduled, at which time anyone wishing to be heard may appear.

Councilman Morris moved that the notice of the public hearing be published and it be held on June 14, 1973 at 3:00 o'clock p. m. in the City Council Chambers. Councilman Hoyle seconded this motion and it was unanimously adopted.

PUBLIC HEARING - 1973-74 BUDGET

2. A public hearing was held to discuss the 1973-74 Annual Budget.

Mayor Wood opened the public hearing at 3:03 o'clock p. m. and the City Manager read the affidavit of publication setting the time and date for the meeting.

W. G. Hutchinson, Co-Chairman of the committee to investigate the unrest in the city schools last year, said that he felt that organized recreation was the best preventive action that could be taken to prevent a similar outbreak from errupting again. He advocated full budget support for the Parks and Recreation Department.

Mrs. Sonya Fredrick, representing the League of Women Voters, spoke in support of the library budget particularly as it pertained to the 1973-74 book budget. Mrs. Fredrick also inquired about the landfill and was advised by Mayor Wood that $25,000 had been set aside in this budget which might be used in a city-county effort for a joint landfill operation.

W. R. McCarthy asked how the new tax assessment would affect the budget and was advised that the new assessment would not go into effect until next year.

After comments from several of the Councilmen in support of the budget, Mayor Wood closed the public hearing at 3:40 o'clock p. m.

Western Carolina Tractor Company	21,510.00

ORDINANCE NO. 777 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE APPROPRIATING REVENUE SHARING TRUST FUNDS

7. The City Manager advised Council that the $18,450 just authorized to purchase a highway striping machine was $950.00 over the $17,500 appropriated in the revenue sharing ordinance. Therefore, he said it would be necessary to amend Ordinance No. 733 in order to appropriate the additional $950.00.

Mayor Wood instructed the City Manager to present the ordinance, after which Councilman Ochsenreiter moved for the adoption and Councilman Morris seconded this motion.

On a roll call vote of 6 - 0, Ordinance No. 777 passed on the first reading.

Councilman Colton noting the urgency to proceed with the passage of the ordinance moved to suspend the rules and call for the second and third readings at this time. Councilman Hoyle seconded the motion and it carried unanimously.

Mayor Wood called for the roll call vote on the second reading which passed on a 6 - 0 vote. He then called for the third and final reading which also passed on a 6 - 0 vote.

Complete text of Ordinance No. 777 will be found in Ordinance Book No. 6 at page _____.

Council having been furnished copies of the ordinance it was not read again in its entirety.

On a roll call vote of 6 - 0, Ordinance No. 775 passed on the second reading.

Councilman Colton noted that it would be advisable to [illegible] the speed limits established for the annexed area before the June 18 annexation date and moved to suspend the rules and call for the third and final reading of Ordinance No. 775. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

On a roll call vote of 6 - 0, Ordinance No. 775 passed the third and final reading.

BIDS - RENTAL UNIFORM SERVICE

5. Consideration was given to bids received June 5, 1973 for rental uniform service for various departments of the City.

The City Manager read a memorandum from the Purchasing Agent recommending the acceptance of the low bid from Rental Uniform Service in the amount of $8,486.40. He also read a letter from the Carolina Uniform Rental Company, the second low bidder, who asked that they be allowed to show their garments to Council.

Mr. Edwin Pinner, representing the company, in making the presentation stated that he had been the vendor for the past four years and was offering a garment of much better quality for $500.00.a year more. He asked Council to consider his second low bid.

Mr. Melton, representing the low bidder, Rental Uniform Service, also showed the garments he would be supplying.

Councilman Dailey moved to accept the low bid of Rental Uniform Service in the amount of $8,486.40. This motion was seconded by Councilman Morris. In the discussion Councilman Hoyle stated that he favored the second low bid because he thought the garments would be warmer and of better quality.

Mayor Wood called for a vote on Councilman Dailey's motion and the motion was carried.

Bid Summary

Bid Request #174 - Rental Uniform Service for Various Departments of the City

Bidder	Bid
Carolina Uniform Rental	$ 9,301.20
Rental Uniform Service	8,486.40

Regular Meeting

Present: Vice-Mayor Calvin W. Marshall, Presiding, Councilmen Ralph D. Morris, Jr., Ruben J. Dailey, J. W. Hoyle, Henry E. Colton, Eugene C. Ochsenreiter, Jr. Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Richard A. Wood, Jr.

1. Approval of minutes of June 14, 1973 meeting.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, the minutes of the June 14, 1973 meeting were approved as submitted.

PUBLIC HEARING - AMENDMENT TO URBAN RENEWAL PROJECT, EAST RIVERSIDE URBAN RENEWAL AREA PROJECT NO. N C R-48 ASHEVILLE, NORTH CAROLINA

2. A public hearing was held to consider the approval of the amendment to the East Riverside Urban Renewal Area Project No. N C R-48, Asheville, North Carolina.

Vice-Mayor Marshall opened the public hearing at 3:04 o'clock p. m. and called on the City Manager to read the affidavit of publication setting the time and date for the hearing.

Mr. Will King, Director of Urban Renewal, using a well developed set of maps made the presentation to Council and the public in attendance. He described the original plan and the changes that would affect the land use, street alignment and the major clean up of Nasty Branch. He said that it would add about $6 million dollars to the project but due to the available credits the city's share would not be increased.

Ray Wheeling, Director of the Asheville Housing Authority, told Council that the paper work would be rushed through to the HUD office and that work would begin on the project as soon as federal approval was received.

Not receiving any objections to the plan, Vice-Mayor Marshall closed the public hearing at 3:34 o'clock p. m. He then requested the City [redacted] to present Resolution No. 73-63 - A Resolution of the City Council of the City of Asheville, North Carolina approving amendment No. 6 to the Loan and Grant Contract and Redevelopment Plan for East Riverside Urban Renewal Area Project No. N. C. R-48, Asheville, North Carolina.

Councilman Dailey moved for the adoption of the resolution, which was seconded by Councilman Hoyle and on a voice vote it carried unanimously.

Complete text of Resolution No. 73-63 will be found in Resolution Book No. 7 at page 42.

REPORT ON VIOLATIONS OF SUBDIVISION ORDINANCE

8. Mr. Kmecza, Planning Director, presented a report to Council on violations of the subdivision ordinance relative to the registering of final plats as required. He said his staff had researched the plats recorded for the last 14 months and twelve were found to be in violation of various requirements of the ordinance. It was pointed out that the improper recording of the plats raises some questions as to the validity of the legal ownership of the streets or the water and sewer lines.

In summary the report made several recommendations to avoid improper recording in the future.

Mayor Wood instructed the Corporation Counsel to review the report and make a recommendation to Council.

REQUEST FOR TAXICAB CERTIFICATES - CLOUD'S CAB COMPANY AND FRANK'S CAB COMPANY

The City Manager reported that he had received two requests for Certificates of Public Convenience and Necessity from Cloud's Cab Company and Frank's Cab Company doing business in the newly annexed Oteen area.

Mayor Wood instructed him to have the necessary investigations made and completed and scheduled public hearings, without advertisement, for the meeting of June 21, 1973.

REPORT ON WATER QUALITY STUDY

The City Manager advised Council that he had received a status report from O'Brien and Gere, Consulting Engineers, on the status of the engineering and planning activities related to the water quality facilities program implemented several months ago by City Council. He furnished each Councilman with a copy of the report and with Mayor Wood's permission he read the report in its entirety.

In summary the report gave the suggested schedule for the improvement program, a break down of the phases for the accomplishment of the work and revised budget for its completion. Mayor Wood thanked Mr. Ward for his report and accepted it as information.

Adjournment.

BIDS - ASTON PARK TENNIS COURTS

7. Consideration was given to bids received June 19, 1973 to furnish all labor, materials and to perform the work necessary to construct 6 tennis courts at Aston Park.

The City Manager read a memorandum from the Purchasing Agent advising that after only receiving one bid on a June 1 bid request, bids were re-advertised and taken again on June 19, 1973. Again only one bid was submitted by Van Sumner and Company in the amount of $38,168.00. The reputation of this company being known to be reliable, he and Mr. Kisiah, Director of Parks and Recreation, recommended the acceptance of the Van Sumner and Company bid.

Mr. Kisiah told Council that Van Sumner and Company were now building two courts at Weaver Park and he was satisfied that they were not only capable of doing the work but that he felt the bid price was in line.

Councilman Ochsenreiter moved that the contract to build the six (6) tennis courts at Aston Park be awarded to Van Sumner and Company in the amount of $38,168.00. Councilman Morris seconded the motion and it was carried unanimously.

Bid Summary

Bid Request #172 - Construct 6 tennis courts at Aston Park

Van Sumner and Company - $ 38,168.00

REZONING REQUEST - THE ERVIN COMPANY - LEICESTER HIGHWAY

8. Consideration was given to a recommendation of the Planning and Zoning Commission that Lot 300, Ward 6, Sheet 20 (located on Leicester Highway) be rezoned from RA-6 Residential District to Commercial.

The City Manager read a letter from the Planning and Zoning Commission recommending the rezoning.

Councilman Morris moved that the required public hearing on the matter be set for July 12, 1973. This motion was seconded by Councilman Hoyle and carried unanimously.

ORDINANCE NO. 776 - AN INTERIM APPROPRIATION ORDINANCE

3. Consideration was given to the second reading of Ordinance No. 766, an interim appropriation ordinance.

Vice-Mayor Marshall noted that Council had been furnished with copies of the ordinance and therefore it would not be re-read in its entirety.

Upon a roll call vote of 6 - 0, Ordinance No. 776 passed on the second reading.

ORDINANCE NO. 778 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET OF THE GENERAL FUND, DEBT SERVICE FUND, POWELL BILL FUND, MOTOR TRANSPORT FUND, UTILITIES FUND, AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1973-74.

4. Consideration was given to an ordinance adopting and appropriating the operating budget of the General Fund, Debt Service Fund, Powell Bill Fund, Motor Transport Fund, Utilities Fund, and fixing the tax rate of the City of Asheville for the fiscal year 1973-74.

The City Manager was requested to read the ordinance.

Councilman Colton in moving for its adoption noted that this was just the first of three readings and that the ordinance could be amended before the other two readings. Councilman Ochsenreiter seconded the motion, and on a roll call vote of 6-0, Ordinance No. 778 passed on the first reading.

RESOLUTION NO. 73-64 - A RESOLUTION AUTHORIZING THE ISSUANCE OF A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO CLOUD'S CAB COMPANY AND TO FRANK'S CAB COMPANY

5. Consideration was given to a resolution authorizing the issuance of a Certificate of Public Convenience and Necessity to Cloud's Cab Company and to Frank's Cab Company.

In accordance with the Code of Ordinances of the City of Asheville, a public hearing was held with respect to the issuance of certificates of Public Convenience and Necessity to Cloud's Cab Company and Frank's Cab Company to operate taxicabs in the City of Asheville.

The City Manager reported that the required investigations had been made by the Police Department on Mr. Bill Cloud and Mr. Frank A. Norton and that they had met all the requirements.

Vice-Mayor Marshall asked the City Manager to present the resolution which would authorize him to issue the certificates.

The motion to adopt the resolution was made by Councilman Morris, seconded by Councilman Ochsenreiter and was carried unanimously.

Complete text of Resolution No. 73-64 will be found in Resolution Book No. 7 at page 44.

Thursday, June 28, 1973 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., Ruben J. Dailey, Henry E. Colton, Eugene C. Ochsenreiter, Jr., Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman J. W. Hoyle

1. Approval of minutes of June 21, 1973 meeting.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, the minutes of the June 21, 1973 meeting were approved as submitted.

CONTINUATION OF PUBLIC HEARING - AMENDMENT TO ORDINANCE NO. 322 - ZONING ORDINANCE

2. The public hearing relative to the adoption of an ordinance amending and revising Ordinance No. 322, as amended, was continued from the May 31, 1973 meeting. Mayor Wood opened the public hearing at 3:03 o'clock p. m. and called on Nick Kmecza, Planning Director, to comment on the several changes and suggestions previously presented by the Legislative Committee of the Home Builders Association of Western North Carolina. Council, Mr. Kmecza, and Mr. Fiestmann, who represented the Home Builders Association, discussed in detail the several suggested changes. Other suggestions were made by Council including the reduction of the permit review period from 60 to 30 days and the inclusion of a statement, that on negative recommendations from the Planning and Zoning Commission for amendments to the ordinance, public hearings would not be scheduled unless the petitioner specifically requested such a hearing. The advertisement of the public hearing to be at the petitioners expense.

The floodway section of the ordinance came up for discussion. Mr. Harold Bennett, attorney for the Southern Railway, was the first to speak in opposition to this section. He questioned its legality and said that even though the tracks and road beds were exempted by state statute, the "uses prohibited" that were not exempted, would destroy the ability of the railroad to function. He said that the ordinance was far too restrictive and it was his opinion that if an industry wanted to build along a floodway they should be allowed to do so.

Mr. Duffy Reints, owner of the Burger Chef restaurants, one of which is located in Biltmore, also opposed the floodway section of the ordinance and said he thought Council should reject the whole ordinance.

Mr. Harmon Lee, owner of Carolina Fuel Company, located on Lyman Street, said he was concerned that his business would be in a non-conforming area and that if it should be destroyed in some manner he would not be able to rebuild.

Mrs. Sonya Fredrick, representing the League of Women Voters, said that her organization favored the floodway zoning and urged Council to pass the ordinance.

After a lengthy discussion, Mr. Kmecza was asked to look into the points made by both Council and those in attendance and to prepare recommendations. Mr. Robinson, the Corporation Counsel, was asked by Mayor Wood to investigate the legal aspects of the floodway section.

RESOLUTION NO. 73-66 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE HIGHWAY COMMISSION (MOFFITT ROAD)

9. Consideration was given to a resolution authorizing the Vice-Mayor to execute right of way encroachment agreement with the North Carolina State Highway Commission on Moffitt Road.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 73-66 was unanimously adopted.

Complete text of Resolution No. 73-66 will be found in Resolution Book No. 7 at page 47.

RESOLUTION NO. 73-67 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE HIGHWAY COMMISSION (ASHEVILLE AIRPORT ROAD AND FANNING BRIDGE ROAD)

10. Consideration was given to a resolution authorizing the Vice-Mayor to execute right of way encroachment agreement with the North Carolina State Highway Commission on Asheville Airport Road and Fanning Bridge Road.

The City Manager read the resolution.

Upon motion of Councilman Hoyle, seconded by Councilman Dailey, Resolution No. 73-67 was unanimously adopted.

Complete text of Resolution No. 73-67 will be found in Resolution Book No. 7 at page 48.

CLAIMS - B. H. GLYMPH AND WIFE AND FRANCIS J. MANLEY AND WIFE; AND GENERAL MEDICAL CORPORATION

The City Manager reported that on June 20, 1973 he had received two notices of claims for damages to property and merchandise at 15 Victoria Road. The first claim in the amount of $11,000 was made in the name of B. H. Glymph and wife and Francis J. Manley and wife for damages to the real property at 15 Victoria Road. The second claim in the name of General Medical Corporation was for $52,294.69 for damages to personal property and merchandise at 15 Victoria Road.

Vice-Mayor Marshall acknowledged receipt of the claims and instructed the City Manager to turn them over to the Corporation Counsel for disposition.

POLICE TASK FORCE

Carl Johnson, a member of the Model Cities Commission, make a request of Council that a task force responsible to the City Manager be appointed to look into the city's law enforcement. He told Council that the city's police force needed instruction on how to deal with minorities. He said he was sure there were ways to arrest a man without killing him. Vice-Mayor Marshall thanked him for his suggestion but no action was taken.

Adjournment.

Richard D. Woodard
MAYOR

Miriam D. Meares
CITY CLERK

about $176,000. He attributed the majority of the loss in 1973 to the extension of service to the West Asheville area.

Upon Councilman Ochsenreiter's request, Mr. Thoms agreed to furnish Council with a financial statement and Mayor Wood announced that further consideration of the petition would be scheduled for the meeting of July 5th.

RESOLUTION APPROVING AND ADOPTING BY-LAWS AND PROCEDURES OF THE ASHEVILLE MODEL CITIES COMMISSION

6. Consideration was given to a resolution approving and adopting by-laws and procedures of the Asheville Model Cities Commission.

In discussing the proposed by-laws with Logan Delany, Model Cities Director, it was pointed out that there were several inconsistencies between the proposed by-laws and the Model Cities ordinance. Also discussed was the need for broader categorical representation of appointed commissioners due to the fact that the present ordinance limits appointments to the following categories: Industry, Business, Education, Housing, Health and/or Medical Profession. Council felt that many capable citizens could serve on the commission if the categories were broadened. Mr. Delany was asked to take this point up with the Commission at the July meeting. Mr. Robinson, Corporation Counsel, was asked to review the by-laws for any inconsistencies with the ordinance. Action was postponed on the resolution until both assignments could be completed.

RESOLUTION NO. 73-68 - RESOLUTION AUTHORIZING THE MAYOR OF ASHEVILLE TO ENTER INTO A THIRD PARTY CONTRACT WITH THE METROPOLITAN PLANNING BOARD FOR THE CONTINUED PREPARATION OF THE ASHEVILLE REHABILITATION AND RENEWAL PROGRAM - HUD PROJECT NUMBER CPA-NC-04-19-1028

7. Consideration was given to a resolution authorizing the Mayor of Asheville to enter into a third party contract with the Metropolitan Planning Board for the continued preparation of the Asheville Rehabilitation and Renewal Program - HUD Project Number CPA-NC-04-19-1028.

Mr. Verl Emrick, Metropolitan Planning Staffer, explained to Council that the purpose of the contract was to fund the Planning Department so that a continuing program could be carried on to study the need for rehabilitation and renewal work in the City of Asheville.

Councilman Dailey moved for the adoption of the resolution, which was seconded by Councilman Ochsenreiter and was carried unanimously.

Complete text of Resolution No. 73-68 will be found in Resolution Book No. 7 at page 49.

CITY MANAGERS REPORT ON STATUS OF ASHEVILLE AIRPORT

The City Manager reported to Council that Mr. Joe Self, an FAA inspector, had recently made an inspection of the Asheville Airport relative to the necessary repairs to the ramp and taxiways. He said that the needed repairs indicated by Mr. Self would amount to about $800,000 of which the cities share would be approximately $200,000 and that the loss of the boarding fees caused by the recent federal legislation restricting the collection of such fees, would require the City to look for other sources for funding the repairs. He said that about $100,000 in boarding fees had already been collected but the remainder would have to come from other sources. He said that a meeting would be held sometime in July between the FAA,

Since it did not appear the Council could complete the discussion on the ordinance during the present session, Councilman Morris moved that the public hearing be continued without further advertisement until the meeting of July 19, 1973. Councilman Ochsenreiter seconded this motion and it was carried unanimously.

ORDINANCE NO. 776 - AN INTERIM APPROPRIATION ORDINANCE

3. Consideration was given to the third reading of Ordinance No. 776, an interim appropriation ordinance for the City of Asheville.

Mayor Wood announced that since Council had been previously furnished with copies of the ordinance it would not be read again in its entirety.

Upon a roll call vote of 6 - 0, Ordinance No. 776 passed on the third and final reading.

Complete text of Ordinance No. 776 will be found in Ordinance Book No. 6 at page 25 .

ORDINANCE NO. 778 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET OF THE GENERAL FUND, DEBT SERVICE FUND, POWELL BILL FUND, MOTOR TRANSPORT FUND, UTILITIES FUND, AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1973-74.

4. Consideration was given to the second reading of Ordinance No. 778, an ordinance adopting and appropriating the operating budget of the General Fund, Debt Service Fund, Powell Bill Fund, Motor Transport Fund, Utilities Fund, and fixing the tax rate of the City of Asheville for the fiscal year 1973-74.

Councilman Morris noted that in lieu of the recent legislature that required the discontinuance of the boarding fee at the Asheville Airport possible changes in the budget might be necessary in order to fund the needed repairs to the taxiways and ramp at the Airport. Further, he said, other budget changes might be forthcoming if the city-county water agreement was finalized as anticipated. Under the circumstances he proposed that the second reading of the budget ordinance be postponed until the July 5th meeting. Vice-Mayor Marshall seconded this motion and it was unanimously adopted.

REQUEST FOR RATE INCREASE BY THOMS CABLEVISION

5. Mr. Harold Thoms, President of Thoms Cablevision, before making his presentation for a monthly rate increase of his cablevision service in Asheville, told Council of his firm's response to a request for service to Hillcrest Apartments. He said that in a recent survey of 242 residents of the apartments only 5 were willing to sign up for the service. He said this was hardly sufficient to warrant the service.

Mr. Thoms then proceeded with his presentation for the monthly rate increase by reading a letter addressed to Council in which he listed the pressures of inflation, higher payrolls, taxes, equipment costs and other operating expenses as his reasons for seeking an increase at this time. He also cited several unanticipated FCC rulings that have affected profitable operation of the service. Attached to his letter was a schedule of the proposed rate increases. The monthly service charge increasing from $4.50 to $6.00.

In further discussion Mr. Thoms informed Council that his company had lost $791,000 from 1968 through 1972 and it appeared that the loss for 1973 would be

airlineofficials and city officials to work out priorities which would include the proposal of extending the runway. Mr. Ward said that any action should await written communications from the FAA. Mayor Wood asked the City Manager to keep the Council advised.

REQUEST FOR LICENSE TO OPERATE BILLIARD HALL

The City Manager reported to Council that he had received an application from Mrs. Lucille Reid, 1665 Haywood Road for a license to operate a billiard hall.

Mayor Wood instructed him to have the necessary investigative reports made and to report back to Council at its regular meeting on July 5, 1973.

CLAIM FOR DAMAGES - MRS. VIRGINIA YORK - 134 EAGLE STREET

The City Manager reported that he had received a claim for storm drain damage to a house that she owns at 134 Eagle Street.

Mayor Wood instructed him to turn the claim over to Mr. Robinson, Corporation Counsel, for investigation.

Adjournment.

RESOLUTION NO. 73-71 - RESOLUTION AUTHORIZING EXECUTION OF COOPERATION AGREEMENTS AND/OR THIRD PARTY CONTRACTS BETWEEN THE CITY OF ASHEVILLE AND DELEGATE AGENCIES CHARGED WITH THIRD ACTION YEAR OPERATIONS OF THE ASHEVILLE MODEL CITIES PROGRAM

3. Consideration was given to a resolution authorizing execution of cooperation agreements and/or third party contracts between the City of Asheville and delegate agencies charged with Third Action Year operations of the Asheville Model Cities Program.

The City Manager read the resolution.

Mayor Wood pointed out that this resolution would cover all Model Cities contracts for the Third Action Year except the Consolidated Health Program whose budget had not yet been revised.

Upon motion of Councilman Dailey, seconded by Councilman Hoyle, Resolution No. 73-71 was unanimously adopted.

Complete text of Resolution No. 73-71 will be found in Resolution Book No. 7 at page 52.

BILLIARD HALL APPLICATION - 1665 HAYWOOD ROAD

4. Consideration was given to the application of Mrs. Lucille Reid to operate a billiard hall at 1665 Haywood Road.

The City Manager reported that he had received the required investigative reports from the Police, Fire, Health and Public Safety Departments and that several deficiencies were noted by the inspectors. He recommended that Council either withhold approval of the application until necessary repairs were completed or to issue the application subject to the repairs being completed.

Councilman Morris moved that the issuance of the license be granted subject to the repairs listed by the several agencies being completed and that compliance with the conditions be determined by the Chief Building Inspector. Councilman Ochsenreiter seconded this motion and it was carried unanimously.

BIDS - CONSTRUCTION OF PROJECT A 6320.41 - C 6320.41 - 1973-74 STREET PAVING

5. Consideration was given to the approval of bids received June 29, 1973 for the construction of Project A 6320.41 - C 6320.41, 1973-74 Street Paving.

The City Manager read a memorandum from the Purchasing Agent who recommended accepting the low bid of $254,050.00 submitted by the Asheville Paving Company.

Councilman Hoyle moved that the low bid of Asheville Paving Company in the amount of $254,050.00 be accepted. This motion was seconded by Councilman Morris and the motion was carried. Mayor Wood instructed the City Clerk to let the minutes show that Councilman Colton had been excused prior to the consideration of these bids and was not present for voting. In his absence the vote was 4 - 0 in favor of accepting the low bid of Asheville Paving Company.

Thursday - July 5, 1973 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Councilman J. W. Hoyle, Ralph D. Morris, Jr., Ruben J. Dailey, Henry E. Colton, Eugene C. Ochsenreiter, Jr., Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Calvin W. Marshall

1. Approval of minutes of June 28, 1973 meeting.

Upon motion of Councilman Colton, seconded by Councilman Ochsenreiter, the minutes of the June 28, 1973 meeting were approved as submitted.

The first item on the scheduled agenda for this meeting was Council's consideration of the approval of a joint water agreement between the City of Asheville and Buncombe County. Mayor Wood called for the formal resolution with reference to this agreement, but was advised by the City Manager that it was not anticipated that the agreement would be approved by formal resolution and therefore it had not been prepared. Mayor Wood requested the Corporation Counsel to prepare the resolution and ruled that Council would defer action on this item and continue with the other business on the agenda.

The next item was the consideration of the second reading of Ordinance No. 778, an ordinance adopting and appropriating the operating budget for the City of Asheville. Since the approval of the joint water agreement would reflect certain changes in the utilities fund of the budget, Mayor Wood ruled that this item would also be deferred until after the water agreement resolution had been considered, and that Council would proceed to the next item on the agenda.

RESOLUTION NO. 73-69 - RESOLUTION APPROVING THE ASHEVILLE TRAFFIC OPERATIONS STUDY TO INCREASE CAPACITY AND SAFETY WITHIN THE CITY

2. Consideration was given to a resolution approving the Asheville Traffic Operations Study to increase capacity and safety within the City.

The City Manager read the resolution.

Mayor Wood explained that the resolution was an approval of a final plan for upgrading certain capacity and safety deficiencies of the city streets with the assistance of Federal Aid. He said it contained some 50 projects that could be accomplished in order of their priority as the 50% city's matching share became available.

Councilman Hoyle moved for the adoption of the resolution which was seconded by Councilman Dailey and carried unanimously.

Complete text of Resolution No. 73-69 will be found in Resolution Book No. 7 at page 50.

Councilman Morris said he would like to second this motion but felt all aspects of the budget should be discussed before making this decision. The motion failed for a lack of a second.

Councilman Colton in commenting on the Metropolitan Planning Commission budget said that he noted that in some instances the requested salary increases for this department exceeded the 5% being maintained throughout the other city departments. He said he had discussed the Planning Department budget with Mr. Kmecza, the Planning Director, and he would like to recommend in the form of a motion that the Metropolitan Planning and Zoning Board Budget, Code A 6090, listed on page 17 of the Annual Budget Estimate, be amended as follows:

Salaries and Wages	.02	$ 172,653
Professional Services	.04	37,000
Telephone and Telegraph	.11	4,000
Printing and Publishing	.12	4,000
Travel, Mtgs, Schools, etc.	.14	4,000
Maint. & Repair Equipment	.16	20,400
Departmental Supplies	.33	5,500
Dues and Subscriptions	.53	1,000
Insurance and Bonds	.54	1,400
Car Allowances	.57	2,400
Chgs. by other Depts.-Auto	.60	-0-
C. O. Equipment	.74	7,600
701 Project - Inspection fee		1,200
Sub Total		261,153
Surplus		(10,000)
Total		251,153

This motion was seconded by Councilman Morris and carried unanimously.

Mayor Wood noted that the salary increase requested for Mr. Brown, the librarian, exceeded the 5% maximum guidelines.

Councilman Morris moved that the budget be amended to reflect a change in the Library Budget, Code A 6800, Line item Salaries and Wages .02 from $260,356 to $259,531 and that the total library budget be changed from $454,941 to $454,116. Councilman Colton seconded this motion and it was carried unanimously.

Before proceeding, Mayor Wood asked that the water agreement resolution be presented for consideration.

RESOLUTION NO. 73-70 - RESOLUTION AUTHORIZING EXECUTION OF WATER AGREEMENTS BY AND BETWEEN THE CITY OF ASHEVILLE AND THE COUNTY OF BUNCOMBE AND CERTAIN WATER DISTRICTS WITHIN BUNCOMBE COUNTY.

The City Manager read the resolution.

All members of Council were familiar with the water agreement referred to in the resolution as they had been previously furnished copies.

Upon motion of Councilman Colton, seconded by Councilman Ochsenreiter, Resolution No. 73-70 was unanimously adopted.

Complete text of Resolution No. 73-70 will be found in Resolution Book No. 7 at page 51.

BIDS - BID REQUEST #177 - LAMINATED WALL BITUMINIZED FIBER WATER METER BOXES

6. Consideration was given to bids received July 3, 1973 for 1200 laminated wall bituminized fiber water meter boxes for the Water Department of the City of Asheville.

The City Manager reviewed the bids and read a memorandum from the Purchasing Agent who recommended accepting the low bid of Silverman Company in the amount of $6,366.00.

Councilman Morris moved that the low bid of Silverman Company in the amount of $6,366.00 be accepted. Councilman Hoyle seconded this motion and it was carried unanimously. Councilman Colton having returned to his seat voted on this item.

Bid Summary

Bid Request #177 - Laminated wall Bituminized Fiber Water Meter Boxes - approximately 1200

Bidder	Bid Price	
Southern Meter and Supply Company	$5.50 each -	$6,600.00

ORDINANCE NO. 778 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET OF THE GENERAL FUND, DEBT SERVICE FUND, POWELL BILL FUND, MOTOR TRANSPORT FUND, UTILITIES FUND, AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1973-74.

7. All other scheduled business having been completed except the joint water agreement resolution, which was still being prepared, Council proceeded with the discussion of recommended changes to the budget ordinance.

Councilman Ochsenreiter called Council's attention to two unanticipated expenses which he thought should be given consideration. He pointed out that the proposed increase in the dependent hospitalization insurance rate would about wipe out the 5% proposed raise for the average employee, and he felt the City should assist in this area. He also felt that the loss of the boarding fee at the Asheville Airport would necessitate appropriating additional funds for the required improvements at the airport. To cover the above items he moved that the proposed tax rate of $1.40 be increased to $1.43.

When asked by Councilman Morris for a review of the proposed airport improvement program, the City Manager advised that he had not received further communications from the FAA since his last report, but that it was his understanding that the improvements would cost approximately $800,000, of which the City would have to share some $200,000. He said the boarding fees already collected would account for about $100,000, but that another $100,000 would have to be appropriated from ad valorem funds. He said there may be some possibility of receiving additional financial assistance from the state, but at this time he could report nothing definite. When asked for his opinion on the necessity for increasing the tax rate from the proposed $1.40 to $1.43 he advised that he felt that it would be necessary in order to proceed with the airport improvements.

Councilman Ochsenreiter moved, that in order to provide funds for the unanticipated expense of providing assistance to employees faced with a rate increase in their dependent hospitalization insurance, as well as the need for funds for the necessary improvements to the airport, that the new tax rate be increased from $1.40 to $1.43.

In the discussion Mayor Wood said that he would like to make the observation that the proposed 3¢ increase would mean that the total city-county tax rate would only be reduced by 4¢, where the debt service for the City was reduced by 5¢. Councilman Morris seconded Councilman Ochsenreiter's motion and it was carried.

The City Manager requested a 10 minute recess before reporting on the effect Council's proposed changes would have on the overall budget.

COMPLAINT OF MRS. CLARK - HOMELAND PARK - STREET REPAIRS

Before the recess Council heard from Mrs. Clark, a resident of Homeland Park in the newly annexed area, who inquired when they could expect their streets to be repaired. She was advised by Mayor Wood that the streets in this area were private and until some action were taken to dedicate them to the City as public streets, the City could not repair them. He told her that he would have the City Manager take another look at the situation to see what could be done.

Mayor Wood recessed the meeting for 15 minutes at 4:15 o'clock p. m.

Council reconvened at 4:30 o'clock p. m.

The City Manager reported that the requested changes would reduce the Metropolitan Planning Board budget by $20,218, the Library Budget by $825 and the additional 3¢ tax would increase revenues by $98,700. This would give an overall total of $119,743. Adding this to the present contingency fund of $192,256, the new contingency fund would be increased to $311,999.

At the request of Council the City Manager read Ordinance No. 778, as amended.

Councilman Ochsenreiter moved that the budget ordinance be amended to reflect the adjustments proposed by Council. This motion was seconded by Councilman Morris and carried unanimously.

Mayor Wood called for the second reading of Ordinance No. 778, as amended.

On a roll call vote of 6-0, Ordinance No. 778 as amended passed on the second reading.

MAYOR

CITY CLERK

Adjournment

Richard D. Wood, Jr.

Miriam D. McKay

Mayor Wood then asked the City Manager to make his recommendations for amendments to the budget reflected by the water agreement just passed by Council. Mr. Ward made the following recommendations:

Page 60 - Account No. M-5710, Water Charges -- Revenues reduce to	$ 2,841,735
Page 60- Add Account No. M-5790; Buncombe County share of operations	$ 250,000
Page 60 - Add Account No. M-5791; Buncombe County Water Systems Improvement Fund	$ 80,000
Page 61 - Account No. M-7112, Administration increase to	$ 478,142
Page 61 - Account No. M-7113, Engineering reduce to	$ 71,599
Page 61 - Add Account No. M-7140, Water Systems Improvement Fund	$ 160,000

Mr. Ward said there was one other change that could be included in his recommendations even though it did not pertain to the utilities budget. He said it was a deletion of the revenue and expense of collecting the boarding fees at the Asheville Airport and the budget should be amended as follows:

Page 3- Account No. A-5421, Airport Boarding Fees -- Revenues delete	$ 23,629
Page 7 - Account No. A-7661, Aviation - Expenditures Boarding Fees delete	$ 23,629

Mr. Ward informed the Council that the amendment he proposed relative to the utilities fund would eliminate the need for the 50% water rate increases in the areas outside the County Water Districts, the resale water users and the industrial users. However, he advised that following the removal of the price freeze now in effect, Council should reconsider a rate increase for water being purchased for resale and the rate for industrial consumers.

Councilman Morris moved that the budget ordinance be amended as recommended by the City Manager. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Mayor Wood stated that he had discussed with Mr. Ward the possibility of using approximately $15,000 in Revenue Sharing Funds for the beautification of downtown Asheville. He asked Council for their consideration of this proposal.

Councilman Dailey moved that $15,000 be transferred from the Revenue Sharing Trust Fund for use in the improvement and beautification of downtown Asheville. This motion was seconded by Councilman Hoyle and carried unanimously.

Alan Lang, staff member of the Planning and Zoning Commission, read a letter to the Council recommending the rezoning. He presented other pertinent data supporting the recommendation. Council questioned Mr. Lang regarding the buffer zone between the Commercial and Residential Districts. He told them that adjoining lot 304, which had also been part of the original petition, had been withdrawn by the petitioner and this would serve as a buffer zone.

Mayor Wood closed the public hearing at 3:20 o'clock p. m. and requested the City Manager to read the ordinance.

Councilman Morris moved for the adoption of the ordinance which was seconded by Councilman Hoyle and on a roll call vote of 7 - 0, Ordinance No. 780 passed on the first reading.

RESOLUTION NO. 73-72 - RESOLUTION AUTHORIZING THE CITY MANAGER TO FILE AN APPLICATION IN THE APPROPRIATE STATE OFFICE FOR THE PURPOSE OF OBTAINING CERTAIN FEDERAL FINANCIAL ASSISTANCE UNDER THE DISASTER RELIEF ACT (PUBLIC LAW 606, 91st CONGRESS)

4. Consideration was given to a resolution authorizing the City Manager to file an application in the appropriate state office for the purpose of obtaining certain federal financial assistance under the Disaster Relief Act (Public Law 606, 91st Congress).

The City Manager explained before presenting the resolution that during the heavy rains of May 27 and 28 the City incurred considerable damage due to flooding. He said that federal assistance under the Disaster Relief Act, could be obtained in repairing this damage and that the resolution he was presenting would authorize him to apply for this assistance in the name of the City.

Councilman Colton moved for the adoption of the resolution, which was seconded by Councilman Ochsenreiter and carried unanimously.

Complete text of Resolution No. 73-72 will be found in Resolution Book No. 7 at page 57.

SCOREBOARDS - ASHEVILLE CIVIC CENTER

5. Consideration was given to a proposal from the American Sign and Indicator Corporation to manufacture and install scoreboards for the Asheville Civic Center.

Council was advised that providing scoreboards for the Civic Center was a necessary but rather expensive item that could be funded through advertising. Further they were advised that the American Sign and Indicator Corporation, manufacturer of the scoreboards was making a proposal that they be given the exclusive right for 90 days to solicit a sponsor who would furnish the scoreboards at no expense to the city. It was explained that this procedure was being followed in most cities in the U. S. who had completed or were in the process of completing Civic Centers.

Councilman Morris moved that the Mayor be authorized to sign the proposal that would tender to the American Sign and Indicator Company exclusive right for 90 days to solicit a sponsor to furnish the scoreboards for the Civic Center. Vice-Mayor Marshall seconded this motion and it carried unanimously.

Thursday - July 12, 1973 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen J. W. Hoyle, Ralph D. Morris, Jr., Ruben J. Dailey, Henry E. Colton, Eugene C. Ochsenreiter, Jr., Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of July 5, 1973 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, the minutes of the July 5, 1973 meeting were approved as submitted.

Mayor Wood announced that the scheduled item on the agenda relative to the petition from Thoms Cablevision to increase rates for CATV would be deferred until a future meeting at the request of Mr. Thoms.

PUBLIC HEARING - ADOPTION OF AMENDMENTS - N. C. STATE BUILDING CODE AND PLUMBING CODE

2. A public hearing was held to consider the adoption of amendments relating to the North Carolina State Building Code, Volume I, General Construction, 1967 Edition and Volume II, Plumbing, 1968 Edition.

Mayor Wood opened the public hearing at 3:02 o'clock p. m. and asked the City Manager to read the affidavit of publication setting the time and date for the hearing.

J. E. Johnson, Building Inspector, advised Council that the passage of this ordinance would update the City of Asheville's building and plumbing codes to coincide with similiar amendments made in the North Carolina State General Construction and Plumbing Codes.

Mayor Wood closed the public hearing at 3:06 o'clock p. m. and requested the City Manager to read the ordinance.

Councilman Morris moved for the adoption of the ordinance, which was seconded by Councilman Colton. On a roll call vote of 7 - 0, Ordinance No. 779 passed on the first reading.

PUBLIC HEARING - REZONING ERVIN COMPANY PROPERTY ON NEW LEICESTER HIGHWAY

3. A public hearing was held to consider the rezoning of Lot 300, Sheet 20, Ward 6, property of the Ervin Company, from RA-6 Residential District to Commercial.

Mayor Wood opened the public hearing at 3:09 o'clock p. m. and asked the City Manager to read the affidavit of publication which advertised the time and date for the public hearing.

GROUP DEVELOPMENT - CHARLOTTE STREET CONDOMINIUMS

The City Manager read a letter, addressed to Council, from the Planning and Zoning Commission recommending the approval of the site plan for the proposed construction of condominiums on Charlotte Street.

Councilman Ochsenreiter moved that a public hearing relative to the matter be set for August 2, 1973. This motion was seconded by Councilman Hoyle and carried unanimously.

CITY MANAGERS REPORT ON FAA RECOMMENDATIONS AT ASHEVILLE AIRPORT

The City Manager presented Council with copies of the report from the FAA relative to a recent inspection for needed improvements at the Asheville Airport. In reviewing this report he said that the major expenditure recommended for immediate consideration was the repaving of the taxiway and terminal apron. Also recommended was the purchase of a 500 pound dry chemical fire truck which he said was covered in the new budget. The repaving he said would cost about $800,000 of which the city's share would be approximately $200,000. Of this amount $107,886 has already been collected in boarding fees, and application has been made to the state for $112,000 to cover the additional cost. If this is not approved, Mr. Ward said, there would be sufficient money in the contingency fund to make up the city's share.

Mr. Ward recommended that a joint meeting between all concerned be set up to discuss the extension of the runway so that some decision could be reached on the installation of an ILS on the north end of the runway. Mayor Wood instructed him to set up this meeting at the earliest opportunity.

COMPLAINTS FROM RESIDENTS OF TACOMA PLACE AND TACOMA CIRCLE

Rabbi Friedman, speaking for himself and some neighbors from the Montford Section around Tacoma Circle area, pointed out three problems that were becoming increasingly more difficult to deal with in the neighborhood.

One problem being the nuisance of barking dogs which occurs late into the night and into the wee hours of the morning.

The second problem being that a number of children are permitted to stay up and on the streets beyond a reasonable hour.

The third problem being that children are congregating at Tacoma Circle and Tacoma Place engaging in indecent acts and causing a traffic hazard. Related to this is also the fact that cars are parking on the right hand side of the street and thus narrowing the thoroughfare.

Rabbi Friedman pointed out that a change in the make up of the neighborhood was taking place and there was a need for a continuing sense of responsibility for the neighborhood.

Rabbi Friedman indicated that he would continue to work through neighborhood groups in an effort to resolve these problems but he indicated an interest in any assistance that City Council could give.

ORDINANCE NO. 778 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET OF THE GENERAL FUND, DEBT SERVICE FUND, POWELL BILL FUND, MOTOR TRANSPORT FUND, UTILITIES FUND, AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1973-74.

6. Consideration was given to the third and final reading of Ordinance No. 778, an ordinance adopting and appropriating the operating budget of the General Fund, Debt Service Fund, Powell Bill Fund, Motor Transport Fund, Utilities Fund, and fixing the tax rate of the City of Asheville for the fiscal year 1973-74.

Rather than read the ordinance in its entirety, Mayor Wood pointed out that the final amended ordinance reflected a tax rate of $1.43 instead of the $1.40 as originally proposed. He said that this was broken down with the levy of $.30 for debt service and $1.13 for the general operating fund. This he said was assuming 94% collection of the assessed value of $350,000,000. The total withdrawal authorized from the revenue sharing fund was $886,692.00 which was to be incorporated into the general operating fund. Under the utilities fund certain amendments were made in the ordinance to reflect the agreement with the county in regard to the water system. A contribution of $250,000.00 per year was added to this fund by the County for general maintenance as well as a $80,000 contribution for improvements to the system.

Upon a roll call vote of 7 - 0, Ordinance No. 778 passed on the third and final reading.

Complete text of Ordinance No. 778 will be found in Ordinance Book No. 6 at page 27.

POWELL BALL AND J. W. PARRIS STATEMENT

Powell Ball, Chief of the Fire Department, and John W. Parris, President of the Faternal Order of Fire Fighters, thanked Council for their consideration in approving the budget and for adjusting the fire department work week from 63 to 56 hours.

RESOLUTION NO. 73-73 - RESOLUTION APPOINTING A MEMBER TO THE MODEL CITIES COMMISSION

Consideration was given to a resolution appointing Walter St. G. Gladding to the Model Cities Commission to replace Donald Lineberger who resigned.

The City Manager read the resolution.

Upon motion of Councilman Ochsenreieter, seconded by Councilman Colton, Resolution No. 73-73 was unanimously adopted.

Complete text of Resolution No. 73-73 will be found in Resolution Book No. 7 at page 58.

PERSONNEL DIRECTOR APPOINTMENT

The City Manager announced the appointment of Mike Smith as personnel director and introduced him to Council.

Thursday - July 19, 1973 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding: Vice-Mayor Calvin W. Marshall, Councilmen J. W. Hoyle, Ralph D. Morris, Jr., Ruben J. Dailey, Henry E. Colton, Eugene C. Ochsenreiter, Jr., Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of July 12, 1973 meeting.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Marshall, the minutes of the July 12, 1973 meeting were approved as submitted.

PUBLIC HEARING - AMENDING AND REVISING ZONING ORDINANCE NO. 322

2. The public hearing relative to the adoption of an ordinance amending Ordinance No. 322, known as "An Ordinance Providing For the Zoning of The City of Asheville" as amended, was continued from the July 5, 1973 meeting. Mayor Wood opened the public hearing at 3:03 o'clock p. m.

Robert J. Robinson, the Corporation Counsel, was asked to give Council his opinion as to their responsibility with respect to delineating a floodway zone and the passing of an ordinance restricting this area. Mr. Robinson advised them that, as he interpreted the state statutes, if Council did not undertake floodway zoning the state would do it for them and place the responsibility for enforcement on the City.

Mr. Robinson also pointed out that the Asheville Airport was not included under the jurisdiction section and suggested that it be excluded by reference. Commenting on the non-conforming use section Mr. Robinson said that he had researched the legality of this section and felt that this section could remain as written. He said he wanted Council to be aware of its presence of this section in the ordinance.

Mr. Duffy Reints, owner of Burger Chef in Biltmore, said he had come prepared to take issue with the floodway zoning but after hearing the decision of the Corporation Counsel he saw no reason to argue the point. He did feel that some compromise could be reached.

Mr. Glenn Kelley, representing Soughern Railroad, still argued that floodway zoning would hamper Southern Railroad's operation and requested that the matter be referred back to Planning and Zoning for more study in depth.

Mr. Bill Frue, an attorney representing a land developer, was concerned with the Section 30-3-4 relative to the interpretation of the time limitation on building permits. He felt this should be reviewed and either given a clearer meaning or parts deleted.

Mr. Russ Martin, representing Grove Park-Sunset Association, again appeared and requested a higher zoning classification for this area to prevent future deterioration.

Virgil Sturgil, a resident of the area, voiced concern about the number of dogs running loose and why the city ordinance about leashing dogs could not be better enforced or changed to allow more complete enforcement. He also mentioned a problem with mini-bikes.

Mayor Wood asked Mr. Ward to examine the traffic problems in particular and to look into the other matters discussed.

Adjournment.

Richard D. Wood Sr.
MAYOR

Miriam J. McCarty
CITY CLERK

The City Manager read the resolution.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Dailey, Resolution No. 73-74 was unanimously adopted.

RESOLUTION NO. 73-75- RESOLUTION APPROVING EXPENDITURE OF SUPPLEMENTAL FUNDS FOR MODEL NEIGHBORHOOD STREET DANCES AND KIDDIE MATINEES UNDER THE MODEL NEIGHBORHOOD RECREATION PROJECT OF THE THIRD ACTION YEAR COMPREHENSIVE CITY DEMONSTRATION PROGRAM

6. Consideration was given to a resolution approving expenditure of supplemental funds for Model Neighborhood Street Dances and Kiddie Matinees under the Model Neighborhood Recreation Project of the Third Action Year Comprehensive City Demonstration Program.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 73-75 was unanimously adopted.

Complete text of Resolution No. 73-75 will be found in Resolution Book 7 at page 62.

PETITION - REZONING OF 52 ALBEMARLE ROAD - JAMES W. DANIELS

The City Manager presented a petition from James W. Daniels to rezone Ward 2, Sheet 16, Lots 92 and 93 located at 52 Albemarle Road from RA-6 Residential to Neighborhood Trading Area.

In the absence of any objections from members of Council, Mayor Wood instructed the City Clerk to forward the petition to the Planning and Zoning Commission for recommendation.

APPOINTMENT OF MEMBER TO THE ASHEVILLE HOUSING AUTHORITY

Mayor Wood read a Certificate of Appointment appointing J. D. Jackson, Jr., 51 Griffing Boulevard as a member of the Asheville Housing Authority of the City of Asheville to serve for a term of five years, ending June 11, 1978.

REPORT ON COMPLAINTS FROM RESIDENTS OF TACOMA CIRCLE

In compliance with the request of Council at the July 12, 1973 meeting the City Manager reported that the Chief of Police and the City Traffic Engineer had made an investigation of the Tacoma Circle area and reported that the Community Services Division of the Police Department was concentrating in this area with reference to the problem of youth and the dog wardens were concentrating on picking up dogs in this area. Paul Dutcher, Traffic Engineer, reported that the area was adequately posted with stop signs and wrong way signs and one-way signs. He did not recommend that parking be removed on both sides of Tacoma Circle since this would place an undue hardship on the residents that do not have adequate off street parking.

Mr. Peter Mallett, owner of Pabst Blue Ribbon distributorship located on Swannanoa Creek Road, spoke against the floodway zoning.

A lengthy discussion followed on many sections of the entire ordinance and Mayor Wood closed the public hearing at 4:00 o'clock p. m.

At this time Mayor Wood and the Council reviewed page by page all the areas discussed in the several previous meetings. At the conclusion, Mr. Kmecza was instructed to rework these sections, conferring with Mr. Robinson and Mr. Johnson if necessary, and to advise the Council when this had been completed. Mayor Wood said that at this time he would schedule further consideration of the ordinance.

ORDINANCE NO. 779 - AN ORDINANCE AMENDING SECTION 8-1 OF CHAPTER 8, ARTICLE I OF THE CODE OF ORDINANCES, ENTITLED STATE BUILDING CODE ADOPTED; AND AMENDING SECTION 20-1 (a) OF CHAPTER 20 OF THE CODE OF ORDINANCES, ENTITLED PLUMBING CODE ADOPTED

3. Consideration was given to the second reading of Ordinance No. 779, an ordinance amending Section 8-1 of Chapter 8, Article I of the Code of Ordinances, entitled State Building Code adopted; and amending Section 20-1 (a) of Chapter 20 of the Code of Ordinances, entitled Plumbing Code adopted.

Council having been previously furnished copies of the ordinance, the oridnance was not re-read in its entirety.

On a roll call vote of 7 - 0, Ordinance No. 779 passed on its second reading.

Council having been previously furnished copies of the ordinance, the ordinance was not re-read in its entirety.

On a roll call vote of 7 - 0, Ordinance No. 780 passed on its second reading.

RESOLUTION NO. 73-74 - RESOLUTION AMENDING THE SENIOR OPPORTUNITIES PROJECT OF THE THIRD ACTION YEAR COMPREHENSIVE CITY DEMONSTRATION PROGRAM

5. Consideration was given to a resolution amending the Senior Opportunities Project of the Third Action Year Comprehensive City Demonstration Program.

Logan Delany, Director of the Model Cities Agency, advised Council that he had been informed by HUD that the relocation money for the Third Action Year in the amount of $12,000 was not needed and also that the Comprehensive Child Development Program, which expired on June 30, 1973, had an unexpended balance of $12,000. This makes available $24,000 for reprogramming of which $15,820 is recommended by the Model Cities Commission for additional staffing and transportation in the Senior Opportunities project and $3,500 for street dances and kiddie matinees in the Model Neighborhood Recreation project.

PUBLIC HEARING - SITE PLAN FOR CHARLOTTE STREET CONDOMINIUMS

2. The City Manager read a letter to Council from the Planning and Zoning Commission recommending the approval of the Charlotte Street Condominiums site plan, however, they also advised Council that there had been some minor changes since the first review. They suggested that the substitute plan be considered at the public hearing.

Mr. Robert J. Robinson, Corporation Counsel, advised Council that since these changes had not been given public notice he would advise that the public hearing be readvertised. He said that the applicant also made this request.

Councilman Morris moved that the public hearing be readvertised at the petitioners expense for August 23rd, 1973. This motion was seconded by Councilman Hoyle and carried unanimously.

ORDINANCE NO. 779 - AN ORDINANCE AMENDING SECTION 8-1 OF CHAPTER 8, ARTICLE I OF THE CODE OF ORDINANCES, ENTITLED STATE BUILDING CODE ADOPTED: AND AMENDING SECTION 20-1 (a) OF CHAPTER 20 OF THE CODE OF ORDINANCES, ENTITLED PLUMBING CODE ADOPTED

The City Manager presented a petition from George K. Peterson to rezone property on Beaverdam Road known as Ward 9, Sheet 6, Lots 28 and 28-1/2 and a triangle between Lot 28 and 29-3/4 from RA-6 to Neighborhood Trading Area.

In the absence of any objections from Council, Mayor Wood instructed the City Clerk to refer the petition to the Planning and Zoning Commission for study and recommendation.

CARROLL AVENUE BRIDGE REPORT

Mayor Wood asked for a status report on the progress being made to replace the Carroll Avenue Bridge, which had to be demolished after being damaged beyond repair by a piece of the Perry Alexander Construction equipment. The Assistant City Manager reported that Register and Cummings Engineers had been engaged to design a new structure and to furnish the city with a cost estimate for the replacement of the bridge. He said that after this work was completed the City would then be in a position to make a claim to the contractor for the cost of the reconstruction. At this time he said the best estimate of this cost was between $25,000 and $30,000. He said that no definite plans had been formulated to replace the bridge with ramps up from Valley Street.

Thursday, August 9, 1973

MAYOR WOOD ANNOUNCED THAT THE REGULARLY SCHEDULED COUNCIL MEETING WOULD NOT BE HELD ON AUGUST 9, 1973 DUE TO THE LACK OF AGENDA ITEMS SCHEDULED FOR THIS MEETING.

RESOLUTION NO. 73-85 - RESOLUTION OF NOTICE THAT THE COUNCIL WILL CONSIDER EXTENSION OF CORPORATE LIMITS OF THE CITY OF ASHEVILLE

4. Consideration was given to a resolution of notice that the Council will consider the extension of the corporate limits of the City of Asheville in the Emma area.

The City Manager read the resolution.

Henry Fisher, a local attorney and a property owner in the Emma area which is proposed for annexation, strongly opposed the move to annex this section. He said he was prepared to fight any action to proceed in this direction. He proposed that a larger meeting room be selected as he was convinced that at least 1,500 residents would be on hand at the public hearing to oppose the annexation.

Coleman Jones, a resident of the Emma section, also opposed the annexation and asked that the Council schedule the public hearing for a night time meeting since many of the residents work during the day and could not attend a 3:00 o'clock meeting. He also asked that a map of the area to be annexed be published in the paper.

Councilman Colton moved for the adoption of the resolution as presented. This motion was seconded by Councilman Ochsenreiter. Further action was delayed pending an investigation as to the advisability of changing the time and location for the meeting. It was finally decided that the special meeting would be held on September 20, 1973 at the French Broad Avenue High School, at 7:30 o'clock p.m., at which time the public hearing would be held to consider the extension of the corporate limits in the Emma section. Mayor Wood had this change written into the resolution and Councilman Colton accepted this as an amendment to his motion. On a voice vote Resolution No. 73-85 was carried unanimously.

Complete text of Resolution No. 73-85 will be found in Resolution Book No. 7 at Page 76.

SPECIAL MEETING OF CITY COUNCIL - SEPTEMBER 20, 1973

9. To conform with the resolutions previously passed setting the public hearings on the Emma and South Biltmore - Caribou Road annexations, Councilman Morris moved that in lieu of the regular Council meeting on September 20, 1973, that a special Council meeting be called to be held in the South French Broad High School, at 7:30 o'clock p.m. on September 20, 1973. This motion was seconded by Councilman Colton and carried unanimously.

BIDS - CIVIC CENTER EQUIPMENT

10. Consideration was given to bids received August 13, 1973 for floor cleaning machines and compactor for the Civic Center.

The City Manager read the recommendations of the Purchasing Agent and Civic Center Manager who recommended the acceptance of the low bid for each item except for item 1, the shampoo machine, and item 5, the scrubber machine. Both of these items did not meet the specifications. For item 1 he recommended the high bid of United Chemical and for item 5 he recommended a rebid with some changes in the specifications.

Councilman Morris moved that the recommendations of the Purchasing Agent and Civic Center Manager be accepted in each case. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

PROPOSED WATER RATES INCREASE FOR INDUSTRIAL AND RESALE USERS

The City Manager reported to Council that he had been advised by the League of Municipalities that under the Federal Price Regulations Phase 4, local governments were exempted relative to water charges. He said that Council could now consider raising the water rates for industrial and resale users.

Councilman Ochsenreiter moved that the City Manager prepare an ordinance for Council's consideration raising the water rates with reference to the industrial and resale users. This motion was seconded by Councilman Colton and carried unanimously.

CLAIM FOR DAMAGES - WILLIAM HENRY HAGGARD, JR.

The City Manager reported that he had received a notice of a claim for damages, $15,000 bodily injury and $4,300 property loss from the attorney for William Henry Haggard, Jr. He said the claim was in connection with an automobile accident in which a city vehicle was involved. Mayor Wood instructed him to refer the claim to the Corporation Counsel.

Adjournment.

ORDINANCE NO. 781 - AN ORDINANCE AMENDING SUBSECTION 1, SECTION 2-57 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

5. Consideration was given to the second reading of Ordinance No. 781, an ordinance amending Subsection 1, Section 2-57 of the Code of Ordinances of the City of Asheville relating to the membership of the Model Cities Commission.

On a roll call vote of 7 - 0, Ordinance No. 781 passed on its second reading.

Councilman Morris moved to suspend the rules and proceed with the third and final reading. Councilman Ochsenreiter seconded this motion and it was carried unanimously.

Mayor Wood asked the Assistant City Manager to read the ordinance.

On a roll call vote of 7 - 0, Ordinance No. 781 passed on its third and final reading.

Complete text of Ordinance No. 781 will be found in Ordinance Book No. 6 at page 34.

RESOLUTION NO. 73-90 - RESOLUTION ESTABLISHING INSPECTION FEES (NORTH CAROLINA STATE BUILDING CODE, VOLUME II, PLUMBING, 1968 EDITION, TOGETHER WITH 1973 EDITION ACCUMULATIVE SUPPLEMENT) UNDER ORDINANCE 779, SECTION 20-1 (a), ADOPTED 2 AUGUST 1973

6. Consideration was given to a resolution establishing inspection fees (North Carolina State Building Code, Volume II, Plumbing, 1968 Edition, together with 1973 Edition accumulative Supplement) under Ordinance 779, Section 20-1 (a) adopted 2 August, 1973.

The Assistant City Manager read the resolution.

Corporation Counsel, Robert J. Robinson, explained to Council that the City would be employing a plumbing inspector shortly, and this resolution would establish rates for plumbing inspections and it would be followed by an ordinance establishing rates in accordance with statutory procedures.

Upon motion of Councilman Hoyle, seconded by Councilman Colton, Resolution No. 73-90 was unanimously adopted.

Complete text of Resolution No. 73-90 will be found in Resolution Book No. 7 at page 85.

RESOLUTION NO. 73-91 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE ESTABLISHING INSPECTION FEES UNDER THE NORTH CAROLINA STATE BUILDING CODE, VOLUME II, PLUMBING, 1968 EDITION, TOGETHER WITH 1973 EDITION ACCUMULATIVE SUPPLEMENT ADOPTED BY ORDINANCE 779, AS SECTION 20-1 (a) OF THE CODE OF ORDINANCES ON 2 AUGUST 1973

7. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance establishing inspection fees under the North Carolina State Building Code, Volume II, Plumbing, 1968 Edition, together with 1973 Edition accumulative supplement adopted by Ordinance No. 779, as Section 20-1 (a) of the Code of Ordinances on 2 August 1973.

PUBLIC HEARING - CHARLOTTE STREET CONDOMINIUMS SITE PLAN

3. A public hearing was held to consider the approval of an amended site plan for the Charlotte Street Condominiums.

Mayor Wood opened the public hearing at 3:23 o'clock p. m.

The Assistant City Manager read the affidavit of publication setting the time and date for the public hearing.

Mr. Kmecza, Planning Director, reported that the Planning and Zoning Commission had reviewed the site plan for the Charlotte Street Condominiums on July 11, 1973 and recommended approval of the plan. However, Traber Associates, architects, submitted a plot plan showing minor changes and the Planning and Zoning Commission reviewed the amended site plan on August 1, 1973 and recommended approval of the amended plan.

Members of Council asked Mr. Kmecza if the site plan met requirements relative to providing recreational facilities for the condominiums.

Mr. Larry Traber, architect, told Council that no recreational facilities were provided for in the plan. He said that this development was intended particularly for elderly people and playgrounds would not be appropriate.

Mr. Bill Frue, an attorney representing the developer, stated that the green areas around the condominiums could be used for recreation areas if they were needed and the developer probably would not object to providing some recreational facilities.

After some discussion, Mayor Wood closed the public hearing at 3:38 o'clock p. m.

Councilman Ochsenreiter moved for the approval of the group development plan for the Charlotte Street Condominiums. This motion was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO. 73-88 - RESOLUTION APPROVING AND ADOPTING BY-LAWS AND PROCEDURES OF THE ASHEVILLE MODEL CITIES COMMISSION

4. Consideration was given to a resolution approving and adopting by-laws and procedures of the Asheville Model Cities Commission.

The Assistant City Manager read the resolution.

Mayor Wood noted that this resolution was brought before Council at last weeks meeting and on motion action was deferred until this time. He said one change was informally made at last weeks meeting by striking out a provision in the by-laws which would require that any recommendations coming to Council from the Model Cities Commission be scheduled at the next session of Council. This deletion was made in order not to put restrictions on the scheduling of items for the meetings.

Councilman Morris moved to approve the by-laws as recommended by the Model Cities Commission with the deletion of the last portion of the sentence in Article 9 of the by-laws relating to the scheduling of action by the City Council. This motion was seconded by Councilman Dailey and passed unanimously.

Complete text of Resolution No. 73-88 will be found in Resolution Book No. 7 at page 82.

SIGN PERMIT APPLICATION - CLYDE SAVINGS AND LOAN ASSOCIATION

10. Consideration was given to the approval of an application for a sign permit for Clyde Savings and Loan Association. This permit required Council's approval as it was within 200 feet of the right of way for the Crosstown Expressway.

A representative of the Clyde Savings and Loan Association told Council the sign to be erected was a duplication of the sign now in front of the building.

Councilman Colton moved to approve the application authorizing the Building Inspector to issue the permit for the sign. This motion was seconded by Councilman Hoyle and passed unanimously.

RESOLUTION NO. 73-94 - RESOLUTION APPOINTING VIRGINIA McELREATH TO THE ASHEVILLE-BUNCOMBE DRUG AND ALCOHOL ABUSE ADVISORY COMMISSION

11.Consideration was given to a resolution appointing Virginia McElreath to the Asheville-Buncombe Drug and Alcohol Abuse Advisory Commission.

The Assistant City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 73-94 passed unanimously.

Complete text of Resolution No. 73-94 will be found in Resolution Book No. 7 at page 90.

EQUAL RIGHTS DAY - AUGUST 26, 1973

Mrs. Florence Ryan presented Council with a request to proclaim August 26th, Equal Rights Day in commeration of the courageous women and men who fought for the Woman Sufferage Amendment to the U. S. Constitution which was ratified on August 26, 1920.

Councilman Dailey moved to proclaim August 26, 1973 as Equal Rights Day. This motion was seconded by Councilman Ochsenreiter and passed unanimously.

DAN MOSSELLER - 22 CHILES AVENUE

Mr. Dan Mosseller, owner of 22 Chiles Avneue, strongly opposed the ordinance to demolish the house at 22 Chiles Avenue. He said the house does not hurt or harm anyone and was not unfit for human habitation. He threatened bodily harm to anyone who attempted to demolish this house.

COMPLAINT - MRS. RUTH MILLS - HANOVER STREET

Mrs. Ruth Mills, 121 Hanover Street, told Council that Ralph King of 126 Hanover Street was running a trucking business at his home. She said that large trailers had been parked on the street and refrigerator units were left running for long periods of time making sleep almost impossible. Mrs. Mills said that Hanover Street was a narrow street and trucks parked on the street made traveling difficult.

The Assistant City Manager read the resolution.

Vice-Mayor Marshall moved for the adoption of the resolution setting September 13, 1973 as the public hearing date. This motion was seconded by Councilman Hoyle and unanimously adopted.

Complete text of Resolution No. 73-91 will be found in Resolution Book No. 7 at page 87.

RESOLUTION NO. 73-92 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE HEATING AND AIR CONDITIONING CONTRACT CHANGE ORDERS FOR THE LOWER EXHIBITION AREA OF THE CIVIC CENTER, MAIN LEVEL AND MUSEUM AREAS OF THE EXISTING AUDITORIUM

8. Consideration was given to a resolution authorizing Mayor to execute Heating and Air Conditioning Contract Change Orders for the lower exhibition area of the Civic Center, Main Level and Museum Areas of the existing auditorium.

The Assistant City Manager read the resolution and a letter of recommendation from Baber, Cort and Wood, architects, who recommended that City Council award contracts to Moser, Inc.

Upon motion of Councilman Morris, seconded by Councilman Dailey, Resolution No. 73-92 passed unanimously.

Complete text of Resolution No. 73-92 will be found in Resolution Book No. 7 at page 88.

RESOLUTION NO. 73-93 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RENEWAL OF LEASE FOR SPACE OCCUPIED BY PACK MEMORIAL PUBLIC LIBRARY

9. Consideration was given to a resolution authorizing Mayor to execute renewal of lease for space occupied by Pack Memorial Public Library.

The Assistant City Manager read the resolution.

Mayor Wood read a letter from the Library Board recommending the execution of the lease and explaining that the lease was only for a 3 year period and that if the decision to construct a new library were made it would take at least 3 years to complete.

Councilman Morris moved for the adoption of the resolution authorizing the Mayor to execute the lease and to insert the dates commencing September 1, 1973 and ending August 31, 1976. This motion was seconded by Councilman Hoyle and passed unanimously.

Complete text of Resolution No. 73-93 will be found in Resolution Book No. 7 at page 89.

REQUEST TO REPEAL ORDINANCE ON SUNDAY SALE OF BEER AND WINE

Mr. Ted Linn, local beer distributor, opened the discussion on the recent North Carolina Court of Appeals ruling that validated the City of Asheville's Sunday Beer Ordinance. He said he favored the repeal of the ordinance and that there were several other persons in attendance who would like to be heard.

The following persons spoke in favor of repealing the ordinance:

Mrs. Myrtle Stamey - Manager of the Seasons Restaurant
Mr. Bill Kimsey - Manager of the Discount Beverage Stores
Mr. D. C. Carter - Manager of the Ice Service Stores
Mr. Peter Mallett, Chairman of the Beer Wholesalers Association and a local beer distributor, presented copies of a petition to Council and read its contents. The petition was as follows:

294 Riverside Drive
Asheville, N. C. 28802

August 29, 1973

The Asheville City Council
City Building
Asheville, N. C.

Gentlemen:

The undersigned respectfully petitions the Council of the City of Asheville to rescind Section 4-1 of the Code of Oridnances.

After adoption of this rescindment, the City Ordinances will conform to the limitations imposed by the North Carolina Legislature which are as follows:

Hours of sale of beer and wine; license forfeiture.

It shall be unlawful for any person to sell beer or wine between the hours of 1:00 a. m. and 7:00 a. m., nor shall any beer or wine be consumed in any place where beer or wine is sold between the hours of 1:30 a. m. and 7:00 a. m. Provided, however, that during the period commencing on the last Sunday of October each year, these beverages may be sold until 2:00 a. m. and may be consumed on the licensed premises until 2:30 a. m. Subsequently, on Sundays, sales of these beverages may not resume until 1:00 p. m.

The time limitations prescribed above are taken directly from NCGS 18-A-33. The period from "the last Sunday of April each year and ending on the last Sunday of October each year" encompasses the period of daylight saving time.

Yours very truly,
/s Peter Mallett

CLAIMS - VIRGINIA W. YORK AND BERTHA L. SWAYNGIM

The City Manager presented a claim from Virginia W. York for damages to a dwelling and a claim from Bertha L. Swayngim for bodily injury resulting from a fall on Broadway.

Mayor Wood instructed the City Manager to refer the claims to the Corporation Counsel.

Thursday - September 6, 1973 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen J. W. Hoyle, Henry E. Colton, Ruben J. Dailey, Eugene C. Ochsenreiter, Jr., Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr.

1. Approval of minutes of August 30, 1973 meeting.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, the minutes of the August 30, 1973 meeting were approved as submitted.

ORDINANCE NO. 782- AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE HOUSES KNOWN AS 22 CHILES AVENUE, 81 CLINGMAN AVENUE, 34 MONROE PLACE, 192 MONTFORD AVENUE, 194 MONTFORD AVENUE AND 100½ WOODROW AVENUE

2. Consideration was given to the third and final reading of an ordinance directing the Housing Officer to demolish those houses known as 22 Chiles Avenue, 81 Clingman Avenue, 34 Monroe Place, 192 Montford Avenue, 194 Montofrd Avenue, and 100½ Woodrow Avenue.

The City Manager was requested to read the addresses of properties to be demolished and the owners of record.

On a roll call vote of 6 - 0, Ordinance No. 782 passed on its third and final reading.

Complete text of Ordinance No. 782 will be found in Ordinance Book No. 6 at page 35 .

ORDINANCE NO. 783 - AN ORDINANCE REPEALING SECTION 4-1 OF THE ASHEVILLE CODE OF ORDINANCES (ORDINANCE NO. 289) RELATING TO THE SALE OF BEER AND WINE ON SUNDAY

3. Consideration was given to an ordinance repealing Section 4-1 of the Asheville Code of Ordinances relating to the sale of beer and wine on Sunday.

The City Manager read the proposed ordinance.

Mr. Phil Celestin, President of Skyland Beer Distributors, speaking in behalf of the beer distributors, motel owners, and restaurant owners, presented a petition which he claimed contained approximately 13,000 signatures all indicating their favoring the sale of beer and wine on Sunday. It could not be determined if all the signers were residents of the City of Asheville.

Mr. Paul Justice, Pastor of Newbridge Baptist Church, spoke in opposition to the ordinance. He stated that he felt that 6 days of the week was sufficient time to purchase all the beer and wine needed for consumption by any individual.

Mr. Phil Sulterson, local beer distributor
Mr. Al Harazin, Manager of the Asheville Orioles Baseball Club
Mr. Tommy Arakas, owner of the Asheville Airport Restaurant
Mr. John Stephens, owner of Lum's Restaurant
Mr. Chris Moutos, owner of the Three Mountaineer Restaurant

Mr. E. R. McCarthy suggested to Council that a referendum be called to allow everyone to voice their opinion.

Mayor Wood asked Police Chief J. C. Hall for his comments. He presented statistics on the number of public drunks and driving drunks arrested for the period 1969 - 1973. This showed a decrease in the public drunks arrested and an increase in the number of driving drunk cases. Chief Hall said that most of the driving drunk cases were on Friday and Saturday nights. He further stated that it didn't make much sense to ban beer and wine sales and allow the consumption of stronger beverages.

Councilman Colton said that even though he was certain Council was only hearing one side of the question, he would make a motion that the Corporation Counsel be instructed to prepare an ordinance revoking the present ordinance, and that it be presented for Council's consideration at the next meeting. This motion was seconded by Councilman Morris and carried unanimously.

PETITION - WEST ASHEVILLE BUSINESS MEN'S CLUB

Mr. E. L. Dickson of Burton Street presented a petition to Council on behalf of the West Asheville Businessmen's Club, requesting that the area in the vicinity of Burton , Bryant, Downing, Fayetteville Streets and Mardell Circle be cleared of Junk Cars and condemned houses and that the right of way of the streets be cleared of trees and brush.

Mayor Wood instructed the City Manager to investigate and report back to Council.

HANOVER STREET - PARKING OF TRAILERS

Chief Building Inspector, J. E. Johnson, was asked for a report on the progress being made to eliminate the parking of trailers on the residential portion of Hanover Street and the use of residential property to carry on a business of repairing tractors. Mr. Johnson said that he was prepared to site Mr. Ralph King, owner of the property at 126 Hanover Street in violation of the Zoning Ordinance for conducting a business on a residential lot and that he was waiting for Council's instructions before issuing the notice for Mr. King to abate the violation.

Vice-Mayor Marshall moved to instruct the Building Inspector to issue the notice to Mr. King. This motion was seconded by Councilman Hoyle and carried unanimously.

Mayor Wood instructed the Corporation Counsel to prepare an ordinance that would control parking on residential streets. The City Manager was instructed to contact the Planning Department and request that they give their views in this regard.

Adjournment.

Richard W. Wood, Jr.
MAYOR

William S. Malcolm
CITY CLERK

Alan Lang, of the Planning Staff, said that he agreed with Mr. Johnson that the truck parking restriction could be more readily enforced under a traffic ordinance [redacted] zoning ordinance.

Chief J. C. Hall stated that he had many complaints of truck drivers parking their tractor-trailer rigs in front of their residence for extended periods of time. He felt that this practice should be controlled through an ordinance.

Mayor Wood requested that the Corporation Counsel work with J. E. Johnson and Chief Hall in preparing an ordinance for Council's consideration and to present it at the next meeting.

SPECIAL DEMOLITION CREW

The City Manager reported that in view of the number of houses being ordered for demolition a special crew was being formed in the Public Works Department to expedite this phase of the program.

PROGRESS REPORT ON PETITION FROM WEST ASHEVILLE PROGRESSIVE MEN'S CLUB

J. E. Johnson, Building Inspector, reported that as instructed he had investigated the petition of the West Asheville Progressive Men's Club requesting that the area in the vicinity of Bryant, Burton, Downing, Fayetteville Streets and Mardell Circle be cleared of junk cars and condemned houses and that the right of way of the streets be cleared of trees and brush. To date he said his office had removed a junk car and started demolition proceedings on seven houses. Mr. Ward assured Council that work would continue in this area.

RESOLUTION NO. 73-100 - RESOLUTION APPOINTING A MEMBER TO THE MODEL CITIES COMMISSION (John M. Hawn)

Consideration was given to a resolution appointing John M. Hawn to the Model Cities Commission to replace Fenton T. Erwin who has resigned.

The City Manager read the resolution.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, Resolution No. 73-100 passed unanimously.

Complete text of Resolution No. 73-100 will be found in Resolution Book No. 7 page 96.

Adjournment.

Richard D. Wood

MAYOR

William J. Macaulay

CITY CLERK

The following individuals spoke in opposition to the passage of the ordinance legalizing the sale of beer and wine on Sunday:

Lewis Jeffery - 27 Lyndale Avenue
Mrs. Sadie Swann
Hall Powell - 39 Brookcliff Drive
Bill Jenkins - Pastor of the Emma Baptist Church
Robert Harris
Bud Corbin
Ken Moltsby
John Hicks - 80 Sulphur Springs Road
Herbert McGlamery - 21 Brevard Road

Bill Horton, 49 Tampa Avenue, speaking in opposition stated that in the past few weeks he had contacted many residents and that he found 95% against repealing the ordinance now on the books. He asked Council to give every consideration before making their decision on the proposed ordinance.

Brand Clark, 59 Madeline Avenue, after speaking in opposition, asked Mayor Wood for permission to say a prayer before Council considered the ordinance. Mayor Wood advised him that it was not appropriate but if he wished to do this unofficially Council would not object.

There being no further discussion, Councilman Colton moved for the adoption of the ordinance. This was seconded by Councilman Dailey and on a roll call vote of 6 - 0, Ordinance No. 783 passed on the first reading. Mayor Wood scheduled the second reading for the next meeting.

BID - SURPLUS PROPERTY AT CITY AUDITORIUM

The City Manager read a memorandum from the Purchasing Agent advising him that bids were scheduled to be received on September 5, 1973 for previously declared surplus property at the City Auditorium. At this time no one submitted a bid and therefore the Director of Finance or the Civic Center Manager would have to dispose of the property at their discretion. Mr. Ward advised Council that he had instructed the Civic Center manager to contact the City Department Heads to determine if they could use any of the property. He said his second priority was the City Schools and that he was asking the contractor to set aside the old radiators and air conditioning equipment in view of rebidding these items.

TRUCK PARKING RESTRICTIONS ON RESIDENTIAL STREETS

The City Manager reported that as requested by Council at a previous meeting he had requested a recommendation from the Building Inspector and Planning Staff on the proper method of controlling truck parking in residential areas. He read a memorandum from J. E. Johnson, Building Inspector, which recommended that the control be put under a traffic ordinance regulated by the Police Department.

When asked to comment Mr. Johnson repeated his recommendation and when questioned as to why the Zoning Ordinance should not cover this situation he said that it was a matter of enforcement. He said the Police Department was in a more advantageous position to enforce a restriction of this kind.

Mayor Wood called on Mr. Kmecza, Planning Director, to describe the procedure followed by the Planning and Zoning Commission at the meeting. He said that the meeting was adjourned to the Daniels site and that after some discussion was continued inside the Daniels building. He said the press was present but he did not recall whether the public was encouraged to join the meeting.

Councilman Colton asked Mr. Kmecza what uses were permitted in a Neighborhood Trading Area. Mr. Kmecza read the permitted uses from the Zoning Ordinance. A discussion followed on the possibility of the present Daniels operation being a non-conforming use and the need for additional parking.

Mayor Wood closed the public hearing at 3:48 o'clock p. m. and requested the City Manager to read the ordinance.

Councilman Morris moved that the petition be referred back to Planning and Zoning Commission. He said he would like for Planning and Zoning to determine if the Daniels operation was non-conforming and thus the need for additional parking. He also thought that there should be some way to zone residential property for parking without changing the entire zoning category. This motion was seconded by Councilman Hoyle. Councilman Morris accepted an amendment by Councilman Colton, that any action taken in this matter be at a public meeting. Councilman Morris' motion was carried unanimously.

PUBLIC HEARING - ESTABLISHING PLUMBING INSPECTION FEES

ORDINANCE NO. 784 - AN ORDINANCE ESTABLISHING INSPECTION FEES UNDER THE NORTH CAROLINA STATE BUILDING CODE, VOLUME II, PLUMBING, 1968 EDITION, TOGETHER WITH 1973 EDITION ACCUMULATIVE SUPPLEMENT ADOPTED BY ORDINANCE 779 AS SECTION 20-1 (a) OF THE CODE OF ORDINANCES ON 2 AUGUST 1973

3. A public hearing was held to consider the passing of an ordinance establishing plumbing inspection fees.

Mayor Wood opened the public hearing at 3:52 o'clock p. m. and requested the City Manager to read the affidavit of publication setting the time and date for the hearing.

J. E. Johnson, Chief Building Inspector, called to Council's attention the recent adoption of Ordinance No. 779 providing for plumbing inspections in the City. He said that the passage of the ordinance now before them would establish the fees for carrying out the required inspections.

There was no further discussions and Mayor Wood closed the public hearing at 3:57 o'clock p. m. The City Manager was then requested to read the ordinance.

Councilman Ochsenreiter moved for the adoption of the ordinance which was seconded by Vice-Mayor Marshall. On a roll call vote of 7 - 0, Ordinance No. 784 passed on the first reading.

COUNCIL RECESSED

At this time, Mayor Wood recessed the Council meeting for five minutes.

Thursday, September 13, 1973 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Henry E. Colton, Ruben J. Dailey, Eugene C. Ochsenreiter, Jr., Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of September 6, 1973 meeting.

PUBLIC HEARING - REZONING OF PROPERTY ON ALBEMARLE ROAD

1. A public hearing was held to consider the rezoning of Lots 92-93, Sheet 16, Ward 2 to a point 20 feet from Albemarle Road, from RA-6 Residential District to Neighborhood Trading Area.

Mayor Wood opened the public hearing at 3:04 o'clock p. m. and requested the City Manager to read the affidavit of publication setting the time and date for the hearing.

Alan Lang, member of the Planning Staff was requested to read the memorandum from the Planning and Zoning Commission which recommended the zoning change.

Mr. Russ Martin speaking in behalf of the residents of the area presented a petition signed by approximately 24 different families in the area requesting that the rezoning be denied. He said that the petitioners did not object to the originally proposed 75 foot buffer zone but strongly objected to the recommended 20 foot.

Mrs. Ruth Chambers, a resident of Albemarle Road for 22 years, opposed the rezoning and cited the increase in traffic as undesirable. She further stated that she objected to the procedure followed by the Planning and Zoning Commission in moving the meeting to the Daniels site. She said that shortly after arriving there it started raining and that Mr. Daniels and members of the committee went inside the Daniels building to continue the meeting without inviting other interested persons to join them.

Mr. Fred Hunt, 44 Albemarle Road, spoke in opposition to the rezoning and also objected to the more or less closed meeting described by Mrs. Chambers.

Mr. James Daniels, the petitioner, spoke in favor of his petition and described his plan for the use of the property. He said he planned to use the alley as a means of access. He said he owned the property in fee simple and intended to use it strictly as a parking lot. He asked that Council consider a 5 foot buffer zone instead of the 20 foot buffer requested in the petition, as there was a natural terrain break at this point. He further stated that he had also purchased the property adjacent to the one in question and it was his intention to renovate the house on this property to be used as residential rental property.

Councilman Colton questioned Mr. Daniels on the future use of the rental property if it was rezoned. It was concluded that at some future time this could be converted into business property and not be entirely restricted by the 5 foot buffer zone on Albemarle Road.

Councilman Bailey then moved to suspend the rules and call for the third and final reading of the ordinance. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Before the final vote was taken Councilman Ochsenreiter made the following statement:

"Mr. Mayor, this may be a little bit out of order, but I couldn't vote in good conscience without expressing one or two points of view - a real small story - I happen to play golf on Sunday morning, and not too long ago going down the 5th fairway on the course I was playing, a car went by and as they went by, they rolled down the window and hollared at us "Why don't you hypocrites go to church?" It so happens that I am a Catholic and I had already been to church. I think that sometimes we miss the point of what a Christian really is. I know from first hand experience, without going into details, of taking my mother to cure centers, so I know the penalty of being an alcoholic, but theres no law that can control it whether its on Sunday - Rev. Grant - or Monday, Tuesday, Wednesday, Thursday, Friday, or Saturday. There's a man back there that just talked about what the law is, I believe it is within yourself. For those that believe as they do and most of us believe this, its a game of perseentages and you need to persist because thats not the only sin that we commit that we need to persist in. I think that if we've learned anything today we have learned to share our opinions and our hopes, and Don (Taylor), to you particularly, and to some others of you, I think that if this is the only decision that we could make that satisfies you that we are good or bad representatives, we are sicker than we think and not just in alcoholism."

On a roll call vote of 7-0, Ordinance No. 783 passed on the third and final reading.

REPORT - MODEL CITIES SANITATION PROJECT

13. The City Manager reported to Council that the contract on the Model Cities Sanitation Project is to terminate on September 30, 1973. However there are approximately twelve Model Neighborhood residents employed under this program and if the term of their employment would end October 2, 1973 and the contract would have to be extended through that date. The total cost of the project would be approximately $35,980.73 through October 2 leaving approximately $10,788.27 of surplus funds.

Mr. Ward recommended that Council authorize the extension of the project through October 2, 1973 and to offer all the employees working on the project an opportunity to be employed in the Sanitation Department, the effective date of their transfer to be October 3, 1973. He also recommended that any surplus funds be transferred to the Community Development Project for the Third Action Year.

Councilman Morris moved to accept the recommendation of the City Manager by terminating the Model Cities Sanitation Project on October 2, 1973 and to transfer any surplus funds into the Community Development Project fund. This motion was seconded by Councilman Hoyle and carried unanimously.

PETITION - RESIDENTS OF SALOLA AND CARRIER STREETS

The City Manager presented a petition from residents of Salola Street and Carrier Street requesting a four-way stop with flashing red light at the intersection of Salola and Carrier Streets and that a regular patrol by police both day and night in order to reduce the speeding along Salola Street. The City Manager reported that he had requested that an investigation be made by the Traffic Engineer to determine if there was a need for a four way stop and flasher installation. This investigation revealed that traffic volumes and accident experience did not warrant such an installation. However, faded stop signs were replaced and shrubs and trees trimmed to provide adequate sight distance at the intersection.

The City Manager read a memorandum from J. R. McMahan, Purchasing Agent, who recommended the low bid in all items except Item #4 and #6, as the low bidder in these items, Carolina Truck and Body, did not meet specifications and did not have the five percent (5%) bid bond. Therefore, the Purchasing Agent recommended the second low bidders of Asheville International Truck Sales for Item #4 and Matthews Motors for Item #6. Philip Cocke, Director of Public Works and W. A. Bostic, Superintendent of Streets concurred in these recommendations.

The City Manager advised that the total amount was within the amount budgeted for this equipment.

The City Manager reported that during the month of September, 1973, 82 junked cars were disposed of by the Public Safety Department. He said this made a total of 820 for the past 12 months ending August 31, 1973. He said that the back log of cars to be removed was down to about 30 at this time and he asked the public to advise the Public Safety Department if they knew of any junked cars that might have been overlooked.

FLOOD INSURANCE EXPLAINED BY OFFICIAL OF HUD

The City Manager introduced Mr. R. E. Mevers, a flood insurance specialist from the Department of Housing and Urban Development, who outlined to Council steps that would have to be taken in order for the community to qualify for Federal flood insurance. He furnished each Councilman with a packet of materials outlining the program. Mayor Wood instructed the City Clerk to transmit copies to the Planning Department.

The City Manager read memorandum's from the Purchasing Agent and the Water Maintenance Superintendent who recommended accepting the low bid for Item #1 in the amount of $17,911.70 submitted by Blue Ridge Tractor and Equipment Company, for (2) tractors with loaders and 10 ft. hoes. Both recommended the second low bid for item #2, in the amount of $11,057.05, submitted by Farm Equipment Company, as the equipment bid by the low bidder, Blue Ridge Tractor and Equipment Company, did not meet the specifications.

The third item, a compactor for the sanitary landfill, could not be considered as at the time of the bid opening only one bid was received. The Purchasing Agent advised that bids for this item would be readvertised.

Councilman Morris moved that on Item # 1 (two (2) tractors with 10 ft. back hoes) the contract be let to the low bidder, Blue Ridge Tractor and Equipment Company in the amount of $17,911.70. This motion was seconded by Counciman Ochsenreiter and was carried unanimously.

Councilman Ochsenreiter then moved that the contract for Item # 2 (one (1) tractor with 15 ft. hoe) be let to the second low bidder, Farm Equipment Company, in the amount of $11,057.05. This motion was seconded by Councilman Morris and was carried unanimously.

Bid Summary

Bidder	Item #1 (2) Tractors with 10 ft. hoe	Item #2 (1) Tractor with 15ft. hoe
Farm Equipment Co.	$ 18,498.80	$ 11,057.05
Arden Equipment Co.	20,291.68	12,220.00
Western Carolina Equipment Co.	20,436.84	12,208.38
Blue Ridge Tractor Company	17,911.70	9,264.85
Knoxville Ford Tractor Sales Co.	18,546.70	11,297.00

RESOLUTION NO. 73-108 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A LEASE AGREEMENT BETWEEN THE CITY OF ASHEVILLE AND THE OPPORTUNITY CORPORATION OF MADISON-BUNCOMBE COUNTIES FOR THE USE OF THE PROPERTY AND FACILITIES FORMERLY KNOWN AS THE LIVINGSTON STREET SCHOOL PROPERTY

5. Consideration was given to a resolution authorizing the Mayor to execute a lease agreement between the City of Asheville and the Opportunity Corporation of Madison-Buncombe Counties for the use of the property and facilities formerly known as the Livingston Street School property.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 73-108 was unanimously adopted.

Complete text of Resolution No. 73-108 will be found in Resolution Book No. 7 at page 109 .

PROCLAMATIONS - EMPLOY THE HANDICAPPED WEEK - WEEK OF OCTOBER 7, 1973
FIRE PREVENTION WEEK - OCTOBER 8th THRU 14th
NURSES WEEK - OCTOBER 8th THRU 15th

Mayor Wood proclaimed the week of October 7, 1973 as Employ the Handicapped Week, October 8th thru 14th as Fire Prevention Week, and October 8th thru 15th as Nurses Week.

PETITION TO CLOSE "OFFICE LOUNGE"

Mrs. L. A. Trumbo of 27 Maney Avenue, presented a petition on behalf of the residents of Maney Avenue and the vicinity demanding that the City Council close a nightclub on Merrimon Avenue known as the "Office Lounge." She cited the noise, damage to property, cursing, drug abuse, littering and illegal parking as the reasons for this request. She stated that it was her opinion that high level pay offs permitted the business to continue to operate.

Assistant Chief Joe Trulove reported that the City had made a formal request to the State A B C Board for a hearing on revoking the beer license for this establishment. He said that these hearings were usually held in Raleigh, but that he had made a special request to have the meeting held in Asheville, so that local residents could attend and let there complaints be heard.

Mayor Wood advised Mrs. Trumbo that he had just talked to Mr. Wade Hall, the owner of "The Office", who informed him that he had closed the business and had no plans for reopening it. Mayor Wood further stated that the City would nevertheless proceed with hearings on revoking the beer license.

ADDITIONAL STREET LIGHTS

Councilman Hoyle thanked the City Manager for adding 59 more new street lights in the downtown area. He said they were especially effective near the parking lots on Rankin and Lexington Avenues.

Adjournment.

Richard J. A. Wood, Jr.
MAYOR

William E. Holcutt
CITY CLERK

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilman Ralph D. Morris, Jr., J. W. Hoyle, Eugene C. Ochsenreiter, Jr., Ruben J. Dailey, Henry E. Colton, Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of October 4, 1973 meeting.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, the minutes of the October 4, 1973 meeting were approved as submitted.

PUBLIC HEARING - REZONING OF LOTS 28 AND 28-1/2, WARD 9, SHEET 6, ON BEAVERDAM ROAD

2. A public hearing was held to consider the rezoning request of George Peterson to rezone Lots 28 and 28-1/2, Ward 9, Sheet 6 located on Beaverdam Road, from RA-6 Residential to Neighborhood Trading Area.

Mayor Wood, after opening the public hearing at 3:04 o'clock p. m., explained that the public hearing was being held at the specific request of Mr. Peterson. He then called on the City Manager to read the public advertisement and the affidavit of publication.

Mr. Kmecza, Planning and Zoning Director, when requested to give the recommendation of the Planning and Zoning Commission reported that the request had been denied for the following reasons: (1) That the additional traffic that would be created due to the commercial development of these lots would be detrimental to the surrounding residential area,(2) the development would further encroach on the adjacent residential property without benefit of a buffer zone,(3) to develop these lots commercially would open up Beaverdam Road to commercial development.

Mr. Peterson, speaking in his own behalf, described the property either owned by him or over which he held options to purchase. He stated that a portion of his property now included in the Neighborhood Trading area zone was not of sufficient area on which to construct a building and to provide the necessary parking requirements. He said that he would not permit any construction on this property that would be detrimental to the adjoining residential neighborhood. However, he also stated that if he was offered a favorable price he would sell.

Mr. Cleo Bishop, owner of the property in question over which he has given Mr. Peterson an option to purchase, spoke in favor of the rezoning.

No one in attendance spoke in opposition to the rezoning.

Council questioned Mr. Kmecza at length as to the permitted uses in a Neighborhood Trading Area. Mr. Kmecza told Council that he had not studied it carefully but that a variance might be possible that would permit a building to be constructed on the property under the present zoning and still meet the parking requirements. He said this would prevent pushing the zoning back into the residential area.

October 11, 1973

Mayor Richard A. Wood, City Manager Ernest Ward and Finance Director Larry Fisher will be attending the annual meeting of the North Carolina League of Municipalities in Pinehurst beginning on Thursday, October 11, 1973. In the absence of pressing matters for consideration by City Council, there will be no meeting of the City Council this week.

The City Manager read a memorandum from the Purchasing Agent advising that four bids were received and that the International Salt Company and Morton Salt Company had submitted identical bids of $16.34 per ton, for a total of $5,719.00. After reviewing bids with Philip Cocke, Director of Public Works, it was recommended that since the International Salt Company had furnished this material for the last three years, giving excellent service, that they be awarded the contract.

Councilman Morris moved that the International Salt Company be awarded the contract in the amount of $5,719.00. Councilman Hoyle seconded this motion and it carried unanimously.

Bid Summary

Bidder	Bid
Morton Salt Company	$16.34 per ton - $5,719.00
Diamond Crystal Salt Co.	$16.80 per ton - $5,880.00
International Salt Company	$16.34 per ton - $5,719.00
Cargill Inc.	$23.48 per ton - $8,219.40

BIDS - GALVANIZED METAL GUARD RAILS FOR STREET DEPARTMENT

6. Consideration was given to bids received October 15, 1973 for 1,650' galvanized metal guard rails, 147 galvanized posts, and 22 terminal ends for the Street Department.

The City Manager read the recommendation of the Purchasing Agent who recommended that the low bid for Item 1, 2, and 3 in the amount of $3,987.71 be awarded to Whitmyer Brothers Inc. He said that Mr. Cocke, Director of Public Works, concurred in this recommendation.

Councilman Ochsenreiter moved that Whitmyer Brothers Inc. be awarded the contract in the amount of $3,987.71. This motion was seconded by Councilman Colton and it carried unanimously.

Bid Summary

Bidder	Item # 1 1,650' rails	Item # 2 147 post	Item # 3 22 terminal ends
Allison Fence Co.	$3,144.08	$1,786.63	$ 135.96
Collin-Wyatt and Sons	3,144.07	1,816.92	113.30
Whitmyer Brothers Inc.	2,430.28	1,461.11	96.31
Silverman Company	3,025.11	1,995.58	124.63

RESOLUTION NO. 73-112 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER LINE EXTENDING ALONG SR 2403 FROM U. S. HIGHWAY 70 TO SR 2402

7. Consideration was given to a resolution authorizing the Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for water line extending along SR 2403 from U. S. Highway 70 to SR 2402.

The City Manager read the resolution.

Councilman Morris commented, that it appeared to him, that if a small triangle between lots 28 and 29-3/4 was not included in the package it would be impossible to build one building on the property. He noted that this triangle was not included in the advertisement and therefore Council could not consider it at this hearing. Mr. Peterson produced his original request in which the triangular piece of property in question was included.

There being no further questions, Mayor Wood closed the public hearing at 3:30 o'clock p. m. He then asked the City Manager to present a proposed ordinance which would amend the Zoning Ordinance.

Councilman Dailey then moved for the adoption of the ordinance, but not receiving a second, Mayor Wood ruled that this would conclude the matter and that no further action would be taken.

BIDS - ASHEVILLE RECREATION PARK BATH HOUSE

3. Consideration was given to bids received on September 19, 1973 for the construction of a bath house at the Asheville Recreation Park.

Ray Kisiah, Director of Parks and Recreation, reported to Council that the original low bids were considerably above the architects estimate but that with the elimination of certain items negotiations have been completed to reduce this cost. He said the original bid price of Southworth Construction Company, the general contractor, was $92,000 which was negotiated to $70,884.00. Other negotiated bids were, Electrical - Modern Services Company $6,598.00 and Plumbing - Ray Davis Company $17,770.00 for a total of $95,252.00. He said the Parks and Recreation Board had reviewed these figures and recommended to City Council that the final bids be accepted.

Mr. Kisiah reviewed in general the layout of the bath house. He said it was of basic design that would be very functional. When asked about the original budget for the project Mr. Kisiah said that only $55,000 had been budgeted for this project and that the difference would have to be made up by eliminating other proposed projects in the overall park improvement plan. He said he was sure this could be done without seriously effecting the overall plan.

RESOLUTION NO. 73-111 - RESOLUTION AUTHORIZING THE MAYOR OF ASHEVILLE TO EXECUTE THE GENERAL, PLUMBING AND ELECTRICAL CONTRACTS FOR THE CONSTRUCTION OF A BATHHOUSE AT ASHEVILLE RECREATION PARK

4. The City Manager advised Council that a resolution had been prepared authorizing the Mayor to execute contracts for the construction of the bath house. Mayor Wood instructed him to read the resolution.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Colton, Resolution No. 73-111 was adopted.

Complete text of Resolution No. 73-111 will be found in Resolution Book No. 7 at page 112.

RESOLUTION NO. 73-120 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO MAKE CERTIFICATIONS ESTABLISHING THE FAIR MARKET VALUE OF PROPERTY TO BE ACQUIRED BY THE CITY OF ASHEVILLE FOR PARK PURPOSES

2. Consideration was given to a resolution authorizing the Director of Parks and Recreation to make certifications establishing the fair market value of property to be acquired by the City of Asheville for park purposes.

The City Manager read the resolution.

Ray Kisiah, Director of Parks and Recreation, explained that by authorizing him to make the proposed certifications the the Federal guidelines would be satisfied and would save Council the inconvenience of separate action on the purchase of each individual parcel.

Upon motion of Councilman Colton, seconded by Councilman Morris, Resolution No. 73-120 was unanimously adopted.

Complete text of Resolution No. 73-120 will be found in Resolution Book 7 at page 121.

APPLICATION FOR BILLIARD HALL -406½ SOUTHSIDE AVENUE - RICHARD BARNES

3. Consideration was given to an application for license to operate a billiard hall located at 406½ Southside Avenue, for Richard Barnes.

The City Manager presented an application for Richard Barnes for the right to operate a billiard hall at 406½ Southside Avenue. He said that the application was in order and it met all requirements.

In compliance with the City Code, Mayor Wood instructed the City Manager to refer the application to the Chief of Police, Chief of the Fire Department, Health Officer, and the Building Inspector for an investigation and report. Since the billiard hall is to be located in the East Riverside Urban Renewal area, he also ask for an investigation and report from the Asheville Housing Authority.

CITY MANAGER'S REPORT - THEFTS AND STREET LIGHTS

The City Manager advised City Council that in accordance with a report from Police Chief J. C. Hall that one of the biggest crime problems has been thefts from automobiles in the downtown area. Chief Hall reported that in July, 1973 there were twenty thefts reported: in August there were fifteen and in September, which was the first full month that the new sodium vapor street lights had been installed in the downtown area, the theft report had decreased to four. He said he was very pleased with these results.

PROCLAMATION - INTEGRITY DAYS

Mayor Wood advised that in conjunction with the Buncombe County Commissioners, he proclaimed October 21-22 as Integrity Days.

ALDOPHUS TREADWAY - 75 HICKORY STREET

Mr. and Mrs. Treadway requested to Council that their lot at 75 Hickory Street be rezoned from RA-10 to some other classification or that it be removed from the City Limits. They said that they had been living in a trailer on this lot for the last seven years and that it was not until recently that it was called to the attention of the City Inspectors that they were maintaining a trailer in violation of the zoning ordinance and that they had been ordered to remove the trailer.

Mayor Wood told the Treadways that it was a very difficult problem that could not be solved by changing the zoning as trailers are not allowed in the City Limits except in established trailer parks. He promised the Treadways that he would instruct the City Manager to consult with the Planning and Zoning Staff as to any solutions and he would have the City Manager to contact the Treadways.

MRS. ROY ROGERS

Mrs. Roy Rogers accompanied by several members of the 49'ers Club invited the Council to a breakfast on October 26 from 8 - 10:00 o'clock a. m.

Adjournment.

Richard A. Wood Jr.
MAYOR

William J. Moscatt
CITY CLERK

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Marshall, Resolution No. 73-123 was unanimously adopted.

Complete text of Resolution No. 73-123 will be found in Resolution Book 7 at page 125.

NUTRITION PROGRAM FOR THE ELDERLY - REGION B

The City Manager presented for Council consideration a Nutrition Program for the Elderly, being sponsored by Region B. He explained that this plan would require the City of Asheville to provide $2,969.00 as a cash match contribution to provide meals for the elderly in the City of Asheville. He said it would be funded 90% Federal and 10% local, with the City of Asheville's share to be in equal payments on a quarterly basis beginning January 1, April 1, July 1, and October 1, 1974. He advised Council that this would require a motion authorizing the Mayor to sign a letter to Region B relative to approving this contribution and to include in this motion that the funds be made available from the Contingency Fund.

Councilman Colton moved that the Mayor be authorized to sign a letter to Region B approving the contribution of $2,969.00 and that the funds be made available from the Contingency Fund. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

In the discussion, Councilman Colton said that Ken Michalove had been working on this program in conjunction with the Buncombe County Council on Aging and that even though nothing can be done about the funding at this time, it is planned by Region B to make an effort to eliminate the City's participation in the future.

Mayor Wood noted this program would coincide with the termination of the Meals on Wheels Program sponsored by the Model Cities Agency and that where the Model Cities Program fed some 60 people this program would almost double the number of people served.

Adjournment.

Richard A. Wood, Jr.
MAYOR

William E. Holcombe
CITY CLERK

BIDS - COMPACTOR FOR SANITARY LANDFILL

4. The City Manager asked that the bids on the compactor for the landfill scheduled to be considered at this time be deferred until next week.

RESOLUTION NO. 73-121 - RESOLUTION AUTHORIZING THE EXECUTION OF A THIRD PARTY CONTRACT BETWEEN THE CITY OF ASHEVILLE AND THE ASHEVILLE-BUNCOMBE COMMUNITY CHRISTIAN MINISTRY, INC. FOR THE OPERATION OF THE EMERGENCY ASSISTANCE PROGRAM FOR THE "NEEDY" TARGET AREA RESIDENTS UNDER THE COMPREHENSIVE CITY DEMONSTRATION PROGRAM

5. Consideration was given to a resolution authorizing the execution of a third party contract between the City of Asheville and the Asheville-Buncombe Community Christian Ministry, Inc. for the operation of the Emergency Assistance Program for the "Needy" Target Area residents under the Comprehensive City Demonstration Program.

The City Manager read the resolution.

Council was furnished with written information describing the program and Logan Delany, Executive Director of the Model Cities Agency, was present to answer any questions.

Mr. Delany advised Council that available funds was $20,000 and that 508 families were assisted by this program last year.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, Resolution No. 73-121 was unanimously adopted.

Complete text of Resolution No. 73-121 will be found in Resolution Book No. 7 at page 122.

RESOLUTION NO. 73-122 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO A LEASE/PURCHASE AGREEMENT FOR THE LEASE/PURCHASE OF COMPUTER EQUIPMENT

6. Consideration was given to a resolution authorizing the City Manager to enter into a Lease/Purchase Agreement for the Lease/Purchase of computer equipment.

SPECIAL PROCLAMATION - NOVEMBER 2, 1973 - HOMECOMING DAY FOR ALUMNI OF ASHEVILLE HIGH SCHOOL, SOUTH FRENCH BROAD SCHOOL, LEE EDWARDS AND STEPHENS LEE HIGH SCHOOL

Mayor Wood interrupted the regular agenda to issue a special proclamation. He proclaimed November 2, 1973 Homecoming Day for alumni of Asheville High School, South French Broad School, Lee Edwards and Stephens Lee High School. This proclamation was unanimously adopted by members of Council.

Mrs. Sonya Friedrich introduced school cheerleaders and members of the student body in attendance.

BIDS - POLICE TYPE VEHICLES AND FOUR DOOR SEDANS

4. Consideration was given to bids received October 26, 1973 for twenty (20) police type vehicles and six (6) four door sedans.

The City Manager read the recommendation of the Purchasing Agent who recommended the low bid for all items.

The City Manager explained to Council that the cost of these items was not entirely covered in the budget and explained in detail the amount over or short for each item. He said that in order to purchase these items appropriations would have to be made from the Contingency Fund which would require an amendment to the budget ordinance. He said he was prepared to present this ordinance if Council approved the purchase of the vehicles.

Councilman Morris moved that the low bid of Items 1, 2, 4, 5, 6, and 7 be awarded to Dorato Motors, Inc. in the amount of $78,789.00 and that Item #3 be awarded to Courtesy Chrysler-Plymouth in the amount of $3,330.00. Councilman Dailey seconded this motion and it carried unanimously.

BILLIARD HALL APPLICATION - RICHARD BARNES - 406½ SOUTHSIDE AVENUE

3. Consideration was given to an application for license to operate a billiard hall located at 406½ Southside Avenue for Richard Barnes.

The City Manager read the required recommendations from the Chief of Police, Chief of the Fire Department, Building Inspector, and a representative of the Buncombe County Health Department.

All reports indicated a great deal of work would be required before the building could be brought up to the minimum standards for a billiard hall. Located in the East Riverside Urban Renewal Area it was reported by the Asheville Housing Authority that this parcel has been filed under condemnation procedures. Mr. Barnes was not present to speak in support of his application.

Councilman Colton moved to deny approval of the application which was seconded by Councilman Ochsenreiter. The motion was carried unanimously and the application was denied.

FREE PARKING REQUEST BY DOWNTOWN MERCHANTS

Councilman Hoyle presented to Council a request from the Downtown Merchants for free parking from 10:00 a. m. to 9:00 p. m. on the following Mondays in November and December: November 5, 12, 19, 26 and December 3, 10, 17, and 24. He also requested that free parking be allowed all evenings from now until Christmas from 6:00 p. m. to 9:00 p. m. on the following streets:

South side of Patton Avenue between Coxe Avenue and Haywood Street; the north side of Patton between Lexington Avenue and Pack Square; the south side of College Street between Market Street and Haywood; the south side of Walnut Street between Haywood and Rankin Avenue; the east side of Haywood between the crosswalk at Bon Marche to the Civic Center; and on the west side of Haywood from a point near the Civic Center to the crosswalk by Winners store.

Councilman Hoyle stated that this request was being made as an effort to revitalize the downtown area as a shopping district.

Councilman Hoyle then moved that the request of the Downtown Merchants for free parking at the meters on Mondays from 10:00 a. m. to 9: 00 p. m. be approved. This motion was seconded by Councilman Dailey.

In the discussion Councilman Morris requested that the merchants compile figures on the daily sales in order to determine if the free parking produced beneficial results. Councilman Hoyle assured him that this would be done.

A vote was taken on Councilman Hoyle's motion and it carried unanimously.

Councilman Hoyle also moved that the merchants be given additional free parking from 6:00 p. m. to 9:00 p. m. on all evenings from now until Christmas. This motion was seconded by Councilman Ochsenreiter.

In the discussion Councilman Morris questioned the possibility of traffic congestion in some of the areas and asked Councilman Hoyle to accept an amendment to his motion which would allow the City Manager to use his judgment in correcting any safety hazards caused by this additional parking. Councilman Hoyle accepted this amendment and the motion carried unanimously.

Adjournment.

BILLIARD HALL APPLICATION - 1665 HAYWOOD ROAD - RUBY ALEXANDER

2. Consideration was given to the approval of an application by Ruby Alexander for a license to operate a billiard hall at 1665 Haywood Road.

The City Manager read the inspection reports from the Building Inspector, Fire Department, Police Department, and Buncombe County Health Department and all recommended approving the application for the license.

Councilman Colton moved that the application be approved and that the license be issued. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

RESOLUTION NO. 73-129 - RESOLUTION OF NOTICE THAT THE COUNCIL WILL CONSIDER EXTENSION OF THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE (EMMA AREA)

3. Consideration was given to a resolution of intent that the Council will consider extension of the Corporate Limits of the City of Asheville in the Emma Area.

At the request of the City Manager, the Corporation Counsel Robert J. Robinson, read the lengthy resolution.

Councilman Colton moved for the adoption of the resolution and suggested that since the hearing might attract a large crowd, which would no doubt over crowd the Council Chambers, the meeting be held at the South French Broad High School. He further suggested for the convenience of the public the meeting be held at 7:30 o'clock p. m. He requested that this be inserted in the resolution and made a part of his motion for adoption. After this was done and the date for the public hearing set for December 20, 1973, Councilman Morris seconded the motion and the resolution was unanimously adopted.

Complete text of Resolution No. 73-129 will be found in Resolution Book No. 7 at page 131.

APPROVAL OF PLAN FOR EXTENSION OF SERVICES INTO THE EMMA AREA

4. Consideration was given to the approval of the plan for the extension of services into the Emma area proposed for annexation.

For the benefit of those in attendance, Mayor Wood noted that Council had previously been briefed on the plan.

PETITION FOR PUBLIC HEARING ON THE DETERIORATED AND DILAPIDATED RESIDENCE AT 97 WEMBLEY ROAD

The City Manager presented a petition he received from residents in the vicinity of 97 Wembley Road who described a residence at this address which was in a deteriorated and dilapidated condition and unsafe for human habitation. They requested a public hearing under the provisions of the Housing Code to determine the repairing or demolition of said structure.

The City Manager said the Building Inspector had already started proceedings on this matter and that he would instruct him to continue the process as rapidly as possible.

FREE PLASTIC BAGS TO BE FURNISHED BY THE CITY FOR LEAF PICK UP

The City Manager advised Council that if there was no objection a plan had been worked out to furnish free plastic bags to the residents of the City for the purpose of giving faster leaf pick up. He said that these bags would be placed at all Fire Departments through out the City and could be picked up anytime, with a limit of six (6) bags to a resident.

Council advised him to proceed with the plan.

UNITED FUND DRIVE COMPLETED

The City Manager announced that the City employees had successfully completed the United Fund Drive. He said he was proud that they had again exceeded 100% of their goal with a total contribution of $17,058.34.

PETITION - INCREASE IN TAXICAB FARES IN THE CITY OF ASHEVILLE

Mr. Jack Cheesborough, Attorney for the Asheville Taxicab Association, presented a petition to increase the taxicab fare in the City of Asheville from 75¢ to 95¢ for the first 2/5 mile or fraction thereof. He cited the increase in gasoline, oil, and motor vehicles for the basis of this request.

Mayor Wood instructed the Corporation Counsel to prepare an ordinance for Council's consideration for the week of November 29th, 1973.

STATE CLEAN WATER BOND FUNDS

The City Manager advised Council that all the requirements have been met to qualify the City for $1,500,000 of State Clean Water Bond Funds. He said plans for Phase I were submitted to the State Board of Health on November 1, 1973 and plans and specifications for Phase II were now being prepared and will be submitted to the State Board of Health in June, 1974.

RESULTS OF NOVEMBER 6, 1973 ASHEVILLE CITY COUNCIL ELECTION

The City Clerk advised Council that he had received the certified results of the November 6, 1973 City Council election from the Buncombe County Board of Elections, which listed the following as newly elected Councilmen for the next term: Henry E. Colton, J. W. Hoyle, Calvin W. Marshall, Ralph D. Morris, Jr., Eugene C. Ochsenreiter, Jr., Richard A. Wood, Jr., and Bill B. Horton. He stated that these results would be placed on file in the office of the City Clerk.

RESOLUTION NO. 73-132 - RESOLUTION AUTHORIZING METROPOLITAN PLANNING BOARD OF ASHEVILLE AND BUNCOMBE COUNTY TO PASS THROUGH TO REGION B PLANNING AND ECONOMIC DEVELOPMENT COMMISSION $20,000.00 FEDERAL FUNDS ALLOCATED FOR REGIONAL PLANNING AND TO ENTER INTO A FORMAL CONTRACT WITH REGION B WITH RESPECT THERETO

8. Consideration was given to a resolution authorizing Metropolitan Planning Board of Asheville and Buncombe County to pass through to Region B Planning and Economic Development Commission $20,000.00 Federal Funds allocated for Regional Planning and to enter into a formal contract with Region B with respect thereto.

The City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Ochsenreiter, Resolution No. 73-132 was unanimously adopted.

Complete text of Resolution No. 73-132 will be found in Resolution Book No. 7 at page 138.

RESOLUTION NO. 73-133 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE AMENDMENT TO LEASE AND AGREEMENT IN SETTLEMENT OF LITIGATION WITH INSURANCE INDUSTRIES, INC.

9. Consideration was given to a resolution authorizing Mayor to execute amendment to lease and agreement in settlement of litigation with Insurance Industries, Inc.

The City Manager read the resolution and Corporation Counsel Robert J. Robinson was called on to review the new lease.

Mr. Robinson advised Council that even though the terms of the amendment to the lease was not as favorable to the City as he would like, they did represent an increase in rental over the previous lease and required the leasee to break ground for the construction of a motel, with at least 100 rooms, before April 1, 1974 and to be completed before October 1, 1975. He also said that the lease would terminate all civil action against the City of Asheville in the Superior Court of Buncombe County.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 73-133 was unanimously adopted.

Complete text of Resolution No. 73-133 will be found in Resolution Book No. 7 at page 139.

DAMAGE CLAIM OF WANDA EDWARDS AND GREGORY EDWARDS

The City Manager reported that he had received a claim from Wanda Edwards and Gregory Edwards for injuries received in connection with an automobile accident which occurred October 17, 1973, when she was struck from behind by a truck operated by a city employee.

Mayor Wood instructed the City Manager to turn the claim over tothe Corporation Counsel.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Eugene C. Ochsenreiter, Jr., Ruben J. Dailey, Henry E. Colton, City Manager Ernest J. Ward, Jr., Corporation Counsel Robert J. Robinson, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of November 15, 1973 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, the minutes of the November 15, 1973 meeting were approved as submitted.

PUBLIC HEARING - AMENDMENT TO GROUP DEVELOPMENT - ASHEVILLE MALL

2. A public hearing was held as scheduled to consider amendment to the group development plan for the Asheville Mall.

Mayor Wood opened the public hearing at 3:02 o'clock p. m. and called on the City Manager to read the notice of publication and the affidavit confirming the dates of publication.

Nick Kmecza, Director of Planning, presented the Planning and Zoning Commission's report. They recommended that the plan be amended to include the construction of a 1,240 seat theatre subject to the following conditions:

1. Providing additional parking - at least 32 more spaces
2. Recommendation to the appropriate state and local agencies that a traffic light be installed at the easternmost access point on Highway 74 and that it be staged in proper sequence with the existing light at the main access to the Asheville Mall.
3. That the main sign or marquee of the theatre be so erected as to face Highway 74.
4. That any additional side or rear exist lights be shielded.
5. That an additional 200' of chain link fence along with "Condition A" planting be erected along the southeast side of the new building or as shown in red on the plan.

R. L. Coleman, developer of the Asheville Mall, spoke in favor of the request. In rebuttal to the question of possible increase of traffic on Highways 70 and 74, he stated that the 7 and 9 o'clock peak hours of the theatre operation would not conflict with the peak hours of the shopping center operation.

Since no one else wished to speak for or against the amendment, Mayor Wood closed the public hearing at 3:28 o'clock p. m.

Councilman Hoyle and Councilman Ochsenreiter voiced considerable concern over the present traffic being generated by the Asheville Mall development, and they questioned the advisability of further aggrevating the problem by the addition of a large theatre. They said they had personally investigated the situation and that the residents of White Pine Drive now have a difficult time entering Highway 70, even though a light is in operation at this intersection.

CARROLL AVENUE BRIDGE

Lacy T. Haith speaking in behalf of the residents of Carroll Avenue and the Mountainside Apartments asked Council to consider grading a ramp to Valley Street instead of replacing the Carroll Avenue bridge recently damaged in an accident which resulted in the demolition of the bridge. He said he was aware that Council had also received a request to replace the bridge but he felt the ramp into Valley Street would be more satisfactory.

Mayor Wood advised him that due to the cancellation, by the Board of Transportation of the North-South connector the City was now considering the widening of Valley Street and the results of the engineering studies would no doubt determine the future of the Carroll Avenue bridge. He said that in making this determination every consideration would be given to Mr. Haith's request.

SENIOR CITIZENS INVITATION

Several members from the Senior Citizens Opportunity Center were in attendance at the Council meeting and issued a special invitation to meet with them on Thursday, November 22, 1973.

COUNCIL MEETING CANCELLED ON NOVEMBER 22, 1973

Mayor Wood announced that their would be no meeting of Council on Thanksgiving Day, November 22, 1973.

Adjournment.

CITY CLERK

BIDS - LIGHTING AT ASHEVILLE RECREATION PARK

5. Consideration was given to bids received November 12, 1973 for a new lighting system at the Asheville Recreation Park.

The City Manager read a memorandum from the Purchasing Agent recommending the acceptance of the low bid of $67,876.00 less a negotiated adjustment of $7,280.00 for a total of $60,596.00. He also read a letter from the low bidder, M. B. Haynes Electric Corp., verifying the deduction of their original quotation. Mr. Ward also noted that he had a memorandum from the Director of Parks and Recreation supporting the recommendation of the Purchasing Agent.

In answer to the question by Councilman Morris, Mr. Kisiah told Council that the proposed system was designed with a number of different circuits so that some lights could be cut off during times when they were not needed.

Using a layout plan Mr. Kisiah went over the proposed system in detail, describing the different circuits and different areas to be lighted.

Councilman Ochsenreiter moved that the low bid of $60,596.00 as submitted and negotiated by M. B. Haynes Electric Corp. be accepted. This motion was seconded by Councilman Colton and carried unanimously.

Bid Summary

BIDS - SCRUBBING MACHINE FOR CIVIC CENTER

6. Consideration was given to bids received November 15, 1973 for one (1) Ride on Scrubber Machine for the Civic Center.

Councilman Hoyle stated that he felt that further study should be made before the question was given final approval. With this he moved to table further consideration on the amendment at this time. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Mayor Wood ruled that the motion was non-discussable even though he did allow Councilman Colton to mention his concern about the traffic generated by the ABC store. He then instructed the City Manager to have the Assistant City Manager and the City Traffic Engineer contact the State Highway Department and discuss the traffic situation on Highways 70 and 74 with reference to the addition of another business. He asked that results of this meeting be reported back to Council.

Councilman Morris requested that Mr. Coleman be advised as to the date when Council would again consider his request. Mayor Wood stated that further consideration would be announced through the published agenda and that Mr. Coleman would also be personally notified.

ORDINANCE NO. 787 - AN ORDINANCE AMENDING SECTION 27-8 OF CHAPTER 27 OF THE ASHEVILLE CODE RELATING TO TAXICAB FARES

3. Consideration was given to an ordinance amending Section 27-8 of Chapter 27 of the Asheville Code relating to taxicab fares.

At the request of Mayor Wood the City Manager read the ordinance.

At the request of Councilman Colton, Mr. Jack Cheeseborough, attorney for the Taxicab Association, reviewed the previous changes approved in April, 1973. He explained that the change requested at this time would not effect the rate change of last April. He said the previous change amounted to a 10¢ increase after the first mile, the present request would increase the fare 20¢ for the first 2/5 mile.

There was considerable discussion between Council and the cab operators present relative to the increase in all costs in the operation of their business. All stated the rising costs was their reason for requesting the increase.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, Ordinance No. 787 carried on the first reading by a 7 - 0 vote. Mayor Wood scheduled the second reading for the next Council meeting.

TALMADGE COURT - FINAL SUBDIVISION PLAT

4. Consideration was given to the recommendation of the Planning and Zoning Commission relative to the approval of the final subdivision plat for Talmadge Court.

Nick Kmecza, Planning Director, read a letter from the Planning and Zoning Commission stated that they had reviewed the request and recommended to Council that the final subdivision plat be approved. Mr. Kmecza also read a letter from Phil Cocke, Director of Public Works which stated that the subdivision met with all the requirements of his department.

Councilman Colton moved that the plat be approved. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

RESOLUTION NO. 73-134 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER LINE CONNECTION ACROSS N C 191 AT AVERY CREEK ROAD INTERSECTION, AVERY CREEK TOWNSHIP

9. Consideration was given to a resolution authorizing the Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for water line connection across N C 191 at Avery Creek Road intersection, Avery Creek Township.

The City Manager read the resolution.

Upon motion of Councilman Dailey, seconded by Vice-Mayor Marshall, Resolution No. 73-134 was unanimously adopted.

Complete text of Resolution No. 73-134 will be found in Resolution Book No. 7 at page 140.

10. Consideration was given to a resolution authorizing the Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for water line connection across US-25A for Ballantree Subdivision, Limestone Township.

The City Manager read the resolution.

Upon motion of Councilman Dailey, seconded by Vice-Mayor Marshall, Resolution 73-135 was unanimously adopted.

Complete text of Resolution No. 73-135 will be found in Resolution Book No. 7 at page 141.

RESOLUTION NO. 73-136 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER AND SANITARY SEWER LINES ON LEICESTER HIGHWAY WESTERLY FROM OAK HILL DRIVE, WARD 6

11. Consideration was given to a resolution authorizing the Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for water and sanitary sewer lines on Leicester Highway westerly from Oak Hill Drive, Ward 6.

The City Manager read the resolution.

Upon motion of Councilman Dailey, seconded by Vice-Mayor Marshall, Resolution No. 73-136 was unanimously adopted.

Complete text of Resolution No. 73-136 will be found in Resolution Book No. 7 at page 142.

The City Manager read a memorandum from the Purchasing Agent recommending the low bid of $6,172.06 submitted by Tennant Company be accepted.

Councilman Morris moved that the recommendation of the Purchasing Agent be accepted and that Tennant Company be awarded the contract in the amount of $6,172.06. This motion was seconded by Councilman Dailey and carried unanimously.

Bid Summary

Bid Request # 194 - One (1) Ride on Scrubber Machine for Civic Center

Bidder	Amount
United Chemical Company	$ 7,655.00
Tennant Company	$ 6,172.06

BIDS - ESTIMATED TWELVE MONTHS WATER METERS REQUIREMENT

7. Consideration was given to bids received November 13, 1973 for an estimated 12 months water meter requirements.

The City Manager read a memorandum from the Purchasing Agent recommending that Rockwell Mfg. Company be awarded the contract in the amount of $66,508.00. The memorandum called attention to items #2, 4, and Item "A" in which the bid of Badger Meter Company was lower than that of Rockwell Mfg. Company, but he pointed out that on the total bid Rockwell Mfg. Company was low. He said that awarding the entire contract to Rockwell Mfg. Co. would save stocking parts for two different type meters since the parts are not interchangable. The City Manager also read letters from the Water Billing Department and the Meter Department concurring with the Purchasing Agent's recommendation.

Councilman Morris moved that the recommendation of the Purchasing Agent be accepted and that the Rockwell Mfg. Company be awarded the contract in the amount of $66,508.00. This motion was seconded by Councilman Hoyle and carried unanimously.

BILLIARD HALL APPLICATION - 92 BROOK STREET

8. Consideration was given to an application submitted by N. D. Robinson for a license to operate a billiard hall at 92 Brook Street.

The City Manager was instructed to obtain the required reports and recommendations from the Police Department, Fire Department, Building Inspector, and Health Department and to submit them at the next Council meeting.

RECOGNITION OF COUNCILMAN DAILEY'S FINAL COUNCIL MEETING

At the close of the regular meeting Mayor Wood recognized that this was the last meeting for Councilman Ruben Dailey, who did not seek re-election for another term. On behalf of the Council and "all citizens" he expressed appreciation for the fine service on the Council since 1969. Councilman Ochsenreiter recommended that a resolution to this affect be unanimously adopted, seconded and passed by the entire Council.

Mayor Wood presented and read a resolution passed by the Asheville Area Chamber of Commerce commending Councilman Dailey not only for his work on the City Council but also for his services on many other civic endeavors.

Mayor Wood then requested that Councilman Dailey adjourn the meeting.

Councilman Dailey adjourned the meeting.

DAMAGES CLAIM - REBECCA AUSTIN -VS- CITY OF ASHEVILLE

The City Manager reported that he had received a communication from Mr. David Gray, attorney for Mrs. Rebecca Austin, concerning an accident involving a city vehicle on US 25 on October 25, 1973.

Mayor Wood instructed him to turn the claim over to the Corporation Counsel for appropriate disposition.

RESOLUTION NO. 73-137 - RESOLUTION APPOINTING MEMBER OF THE CITY OF ASHEVILLE BOARD OF ALCOHOLIC CONTROL (Fred M. Pearlman)

Consideration was given to a resolution appointing member of the City of Asheville Board of Alcoholic Control (Fred M. Pearlman).

The City Manager was instructed to read the resolution.

Upon motion of Councilman Hoyle, seconded by Councilman Ochsenreiter, Resolution No. 73-137 was unanimously adopted.

Complete text of Resolution No. 73-137 will be found in Resolution Book No. 7 at page 143.

REPORT BY CITY MANAGER ON CAROLINA POWER AND LIGHT COMPANY RATE INCREASE

The City Manager reported to Council that the Carolina Power and Light Company has filed before the North Carolina Utilities Commission a request for an adjustment and increase in electrical rates and charges and the North Carolina Utilities Commission has advised that a public hearing relative to the application will be held in Raleigh, North Carolina on December 19, 1973. The increase requested by Carolina Power and Light Company would on an average increase the residential customer by 21.3%, a small general service customer by 15.4%,and a large general service customer by 27.2% and in addition the Carolina Power and Light Company has petitioned the North Carolina Utilities Commission for authority to place approximately 11% of this increase into effect as of December 1, 1973.

The hearing to be held in Raleigh on December 19, 1973 requires a request to be heard or a petition for anyone wishing to object to the proposed rate increase by December 10, 1973.

In compiling the figures for the City of Asheville's electric service from October, 1972 through September, 1973, the proposed increase would range from 6% to 24% with a total increase over a period of a year would amount to $80,000, and this would present a problem for the current fiscal years budget. Mr. Ward told Council that Mr. Robinson, Corporation Counsel, was in need of some direction as to whether or not he should intervene on behalf of the City of Asheville before the North Carolina Utilities Commission hearing on December 19, 1973.

After considerable discussion between Council, City Manager, and the Corporation Counsel, particularly as to how the rate would effect the current budget, Councilman Ochsenreiter moved that the Corporation Counsel be instructed to intervene at the North Carolina Utilities Commission hearing and object to the rate increase as it would effect the current years budget. This motion was seconded by Councilman Colton and unanimously adopted.

RESOLUTION NO. 73-139 - RESOLUTION DESIGNATING THE OFFICERS AND EMPLOYEES WHO SHALL GIVE BONDS FOR PERFORMANCE OF THEIR DUTIES AND SETTING AMOUNTS THEREOF

Consideration was given to a resolution designating the officers and employees who shall given bonds for performance of their duties and setting amounts thereof.

The City Manager presented the resolution.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 73-139 was unanimously adopted.

Complete text of Resolution No. 73-139 will be found in Resolution Book No. 7 at page 145.

RESOLUTION NO. 73-140 - RESOLUTION PRESCRIBING THE TIME AND DAY OF THE WEEKLY MEETING OF THE CITY COUNCIL

Consideration was given to a resolution prescribing the time and day of the weekly meeting of the City Council.

The City Manager presented the resolution.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, Resolution No. 73-140 was unanimously adopted.

Complete text of Resolution No. 73-140 will be found in Resolution Book No. 7 at page 146.

This concluded the business of the organizational meeting and the newly elected Council proceeded with the regular meeting.

Thursday- December 6, 1973 - 3:00 o'clock p. m.

2. Consideration was given to the second reading of Ordinance No. 787, an ordinance amending Section 27-8 of Chapter 27 of the Asheville Code relating to taxicab fares.

Thursday - December 6, 1973 - 3:00 o'clock

Organizational Meeting

The newly elected City Council held its organizational meeting at 3:00 o'clock p. m. on Thursday, December 6, 1973 with Mayor Richard A. Wood, Jr. presiding.

The following members of the Council were individually given the oath of office by City Clerk William F. Wolcott, Jr.

Councilmen: Henry E. Colton
Bill B. Horton
J. W. Hoyle
Calvin W. Marshall
Ralph D. Morris, Jr.
Eugene C. Ochsenreiter, Jr.
Richard Austin Wood, Jr.

ELECTION OF MAYOR AND VICE-MAYOR

Mayor Wood announced the next order of business was the election of Mayor and Vice-Mayor and he opened the floor for nominations for Mayor. Councilman Morris nominated Richard A. Wood, Jr., which was seconded by Councilman Hoyle. Vice-Mayor Marshall's motion, that the nominations be closed was seconded by Councilman Hoyle and carried unanimously. On a voice vote Richard A. Wood, Jr. was unanimously elected as Mayor.

The floor was then opened for nominations for Vice-Mayor. Councilman Colton nominated Calvin W. Marshall, which was seconded by Councilman Ochsenreiter. Councilman Morris's motion that nominations be closed was seconded by Councilman Hoyle, and carried unanimously. On a voice vote Calvin W. Marshall was unanimously elected Vice-Mayor.

Mayor Wood announced that there was several items of business to be considered at this time and proceeded with the organizational meeting. Before continuing, however, he stated that according to the North Carolina State Statutes the Mayor is given the right to vote only when there are equal number of votes in the affirmative or the negative. He said that this procedure had not been followed in the past but would be adhered to in the future.

RESOLUTION NO. 73-138 - RESOLUTION DESIGNATING BANKING DEPOSITORIES FOR CITY FUNDS

Consideration was given to a resolution designating banking depositories for City Funds.

The City Manager presented the resolution.

Upon motion of Councilman Horton, seconded by Vice-Mayor Marshall, Resolution No. 73-138 was unanimously adopted.

Complete text of Resolution No. 73-138 will be found in Resolution Book No. 7 at page 144.

Councilman Morris moved that, as recommended, Item 1 be rebid. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Councilman Morris moved that, since the low bidder did not meet the specifications, the bid of $22,698.00 from Sico Incorporated, be accepted. This motion was seconded by Councilman Hoyle and carried unanimously.

Councilman Colton moved to accept the low bid of $3,546.00 from Wenger Corporation for Item #3. This motion was seconded by Councilman Horton and carried unanimously.

Councilman Hoyle moved to accpt the single bid of $12,965.00 from Wenger Corporation for Item # 4. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

BILLIARD HALL LICENSE - 92 BROOK STREET

5. Consideration was given to the approval or an application presented at the November 29, 1973 meeting for a license to operate a billiard hall at 92 Brook Street in Biltmore.

The City Manager reported that the required inspections had been completed by the Police, Fire, Building Inspector and Health Departments and asked permission to read the reports. Except for some minor deficiencies all the reports were favorable. However, the Building Inspector reported that the location was not within a billiard hall zone as set forth in the Billiard Hall Ordinance.

Corporation Counsel Robert J. Robinson advised Council that to approve the application the billiard hall ordinance would have to be amended and the minor deficiencies reported would have to be corrected.

Councilman Morris moved that Corporation Counsel Robert Robinson and Chief Hall review the entire ordinance and submit their recommendations. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

RESOLUTION NO. 73-141 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN OPTION ON BEHALF OF THE CITY OF ASHEVILLE TO THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE SALE OF A PORTION OF LAND LOCATED ON THE NORTH SIDE OF THE ASHEVILLE EXPRESSWAY NEAR WEST END OF BEAUCATCHER TUNNEL, CONSISTING OF 738.32 SQUARE FEET

6. Consideration was given to a resolution authorizing the Mayor to sign an option on behalf of the City of Asheville to the North Carolina Department of Transportation for the sale of a portion of land located on the north side of the Asheville Expressway near west end of Beaucatcher Tunnel, consisting of 738.32 square feet.

On a roll call vote of 6-0, Ordinance No. 787 carried on the second reading. (It is noted that newly elected Councilman Horton, who replaced Councilman Dailey, voted "yes" on the second reading, Councilman Dailey having voted "yes" on the first reading).

At the request of Mr. Jack Cheeseborough, attorney for the taxicab association, who cited the taxicab operators finanical need for expediency, Councilman Ochsenreiter moved that Council dispense with the Charter requirements for three separate readings and proceed with the third and final reading. This motion was seconded by Councilman Hoyle and was carried on a 2/3 voice vote.

On a 5-1 vote, Ordinance No. 787 carried on the third and final reading.

Complete text of Ordinance No. 787 will be found in Ordinance Book No. 6 at page 44.

WATER SERVICE FOR CROWFIELDS DEVELOPMENT

3. Consideration was given to a request from Beverly-Grant, Inc. for additional water supply and service facilities for their Crowfields Development on Hendersonville Road.

The City Manager read a letter from Mr. George W. Beverly, Jr. requesting service for Buildings M, N, O, and P at Crowfields. He stated that this would amount to water for 32 additional units, but that the 6" mains had already been installed and that all the additional work necessary was the installation of four meters.

Councilman Colton moved to approve the request, which motion was seconded by Councilman Hoyle and carried unanimously.

BIDS - MISCELLANEOUS EQUIPMENT FOR THE CIVIC CENTER

4. Consideration was given to bids received on November 26, 1973 for the following items:

Item 1 - Follow Spotlight
Item 2 - Portable Stage
Item 3 - Retangular Band Orchestra Risers
Item 4 - Acoustical Shell

The City Manager in presenting the bids read a memorandum from the Purchasing Agent who in concurrence with the Manager of the Civic Center made the following recommendations.

Item 1 - Follow Spotlight - Rebid this item - price too high.
Item 2 - Portable Stage - accept the bid of $22,698.00 from Sico Incorporated Low bid of Wenger Corporation does not meet specifications.
Item 3 - Orchestra Risers - accept the low bid of $3,546.00 from Wenger Corporation.
Item 4 - Acoustical Shell - Accept the single bid of $12,965.00 by Wenger Corporation.

After a discussion of the recommendations with both the Purchasing Agent and the Civic Center Manager, Council decided to act on each item individually.

Thursday, December 13, 1973 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Eugene C. Ochsenreiter, Jr., Bill B. Horton, Henry E. Colton, Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of the meeting of December 6, 1973.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Colton, the minutes of the December 6, 1973 meeting were approved as submitted.

CIVIC CENTER SCOREBOARD AGREEMENT DEFERRED

2. Mayor Wood announced that the review of the agreements, between the City, First Union National Bank and the CocaCola Bottling Company on the donation of a scoreboard for the new Civic Center, had not been completed and action on this matter would be deferred until next week.

RESOLUTION NO. 73-143 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER LINE CONNECTION ACROSS SR 3116 AND WATER LINE EXTENSION ALONG EAST SHOULDER OF SAME, LIMESTONE TOWNSHIP

3. Consideration was given to a resolution authorizing Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for water line connection across SR 3116 and water line extension along east shoulder of same, Limestone Township.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 73-143 was unanimously adopted.

Complete text of Resolution No. 73-143 will be found in Resolution Book No. 7 at page 149.

GROUP DEVELOPMENT PLAN - ASHEVILLE MALL

4. Further consideration was given to the approval of the amended Group Development Plan for the Asheville Mall. The amendment included the construction of a theatre at the east end of the Mall.

As instructed by Council at the November 31st meeting, Assistant City Manager William F. Wolcott and Paul Dutcher, Traffic Engineer, reported that after a conference with the State Highway Traffic Engineers, it was confirmed that if a theatre was constructed as proposed a traffic signal would be recommended at the U S 74 access road to the theatre, provided sufficient traffic was generated to warrant it. They also reported that it was the opinion of the Highway Engineers that the addition of the theatre would not appreciably increase the traffic on Tunnel Road.

The City Manager presented the resolution.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton, Resolution No. 73-141 was unanimously adopted.

Complete text of Resolution No. 73-141 will be found in Resolution Book 7 at page 147.

RESOLUTION NO. 73-142 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR EXISTING WATER AND SANITARY SEWER MAINS ON I-40 INTERCONNECTIONS WITH US-74 AND SR 3030, WARD 7

7. Consideration was given to a resolution authorizing the Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for existing water and sanitary sewer mains on I-40 interconnections with US-74 and SR 3030, Ward 7.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Bolton, Resolution No. 73-142 was unanimously adopted.

Complete text of Resolution No. 73-142 will be found in Resolution Book No. 7 at page 148.

PETITION - REZONING REQUEST FOR PROPERTY ON HAZEL MILL ROAD

The City Manager presented a petition he received from several property owners on Hazel Mill Road, requesting a change in zoning of Lots 365, 365-1/4, 365-1/2, 450, 456, and 457, Ward 6, Sheet 16, from RA-6 to Roadside Business.

Mayor Wood referred the petition to the Planning and Zoning Commission for their review and recommendation.

JIM HADLEY - MEALS ON WHEELS PROGRAM

Mr. Jim Hadley, President of the Happy Hour Club, a senior citizens group, appeared before Council with an appeal for their support and influence in finding someway to continue the "Meals on Wheels" program. He said that the program now supported by Model Cities would no longer be funded after December 31st and that the 60 persons now being fed are in desperate need that it be continued.

Mayor Wood thanked him for his clubs efforts in behalf of the program and assured him his appeal would be given every consideration.

COUNCILMAN BILL B. HORTON ADJOURNS MEETING

Newly elected Councilman Bill B. Horton attending his first meeting was given the privilege of adjourning the meeting.

Adjournment.

Richard D. Wood, Jr.
MAYOR

Miriam F. McCrary
CITY CLERK

Councilman Morris asked Mr. Thoms, that if the increase was granted would CATV be agreeable to a stipulation that the money generated by the increase be used solely for the expansion of the system. Mr. Thoms responded that he did not think this was a fair condition, but even so he would anticipate that a larger amount would be spent on expansion in the next year.

Councilman Horton called attention to a condition in Section II of the franchise that set the rates that the Grantee could charge initially, and for two years after the first 3000 subscribers have been connected. He said if he interpreted this paragraph correctly a rate change could not be made until this condition had been satisfied. Mr. Thoms could not give the exact date that the 3000 subscriber level had been reached but he said that this had been accomplished some time ago.

Council was in agreement that if the 3000 subscriber plateau had been in effect for two years they had no other choice but to grant the requested increase. However, if this condition had not been satisfied then the increase could not be granted.

Mayor Wood suggested that as a way of proceeding, that Mr. Thoms furnish Council with a letter stating the date that CATV reached 3000 primary hook-ups. If these hook-ups have been in effect for two years, Mayor Wood stated that he would instruct the Corporation Counsel to prepare an ordinance for Council's consideration which would approve the rate increase.

Councilman Colton suggested that the entire ordinance be reviewed by the City Manager and Corporation Counsel to insure that all sections were being followed.

Councilman Horton added his concurrence specifying special emphasis on Sections 8, 9, 26 and 32.

REZONING PETITION - 211 MONTFORD AVENUE

The City Manager presented to Council a petition from Mr. Ernest E. Hall to rezone Lots 147 and 148, Ward 3, Sheet 3, at 211 Montford Avenue, from Residential to Neighborhood Trading.

In the absence of an objection from Council, Mayor Wood referred the petition to the Planning and Zoning Commission for investigation and recommendation.

PETITION - OBJECTION TO PROPOSED BILLIARD HALL AT 92 LODGE STREET

The City Manager read a petition from several tenants, merchants and land owners in Biltmore Village, objecting to Council's approval of a proposed billiard hall at 92 Lodge Street. Mayor Wood acknowledged the petition and accepted it as information.

ORDINANCE NO. 788 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1973-74

Consideration was given to an ordinance amending the operating budget of the City of Asheville for the fiscal year 1973-74.

Councilman Hoyle called attention to the traffic bottleneck at White Pine Road and the service road leading to the Mall's parking lot. He said that it was felt that the Sears employees use of the access road was partially responsible for the congestion and that Sear's manager had instructed his employees to use the main entrances. A discussion followed during which it was suggested that the access road be closed or at least be made a one way into the parking area. It was also suggested by Mr. Dutcher that a minor movement signal be added to the present signal system to give added preference to White Pine Road. Further Mr. Dutcher said that the Highway Department was planning some minor adjustments to the timing of the signal system and that this should result in some improvement.

Councilman Morris moved that Council request the Department of Transportation to install a minor movement left turn controller in the present signal system at White Pine Road. This motion was seconded by Councilman Hoyle and carried unanimously.

Councilman Horton and Ochsenreiter requested that Mr. Dutcher observe the traffic in the White Pine Road and the access roads both from the Asheville Mall and the road in the rear of the ABC Store, and to report back to Council after a 30 day trial period.

Councilman Ochsenreiter moved that the amended Group Development Plan, for the Asheville Mall, be approved subject to the completion of the recommendations made by the Planning and Zoning Commission. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

THOMS CABLEVISION REQUEST FOR RATE INCREASE

5. Consideration was given to a request from Thoms Cablevision for a basic monthly rate increase.

Mr. Harold Thoms, appearing in behalf of his company, before making his presentation passed out to Council copies of a survey showing comparison rates of other cities the approximate size of Asheville, a comparison of Thoms' rates with the average rate of the 29 cities surveyed and the proposed new rates being requested. He then called Council's attention to Section 11 of the franchise ordinance which allowed the Grantee the right to increase rates to meet the national average. He said that the increase that he was requesting at this time was lower than the original request and that they were within the provisions of the franchise. Upon inquiry by Council, Mr. Thoms stated that they had 4,500 subscribers at this time, of which 3,900 were residential and 150 were in the county; that 22 miles of cable had been strung in West Asheville and that this had only produced 400 subscribers at a cost of about $115,000, that in spite of the lack of interest already experienced in this area, plans were being made to extend the West Asheville service to Wilshire Park at a cost of about $50,000; that the requested raise should generate approximately $3,500 - $4,000 per month; that the original survey of the CATV potential of the Asheville area indicated that after four years there would be about a 60% saturation which in reality after six years had only produced approximately 35%.

Councilman Colton said that it disturbed him that in accordance with the franchise the entire area of Asheville should be serviced and he was sure that this was not the case. Mr. Thoms responded that the franchise read "wherever practicable" and that in some areas it just was not financially practicable.

The City Manager presented the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 73-145 was unanimously adopted.

Complete text of Resolution No. 73-145 will be found in Resolution Book No. 7 at page 151.

RESOLUTION NO. 73-146 - RESOLUTION AMENDING THE SENIOR OPPORTUNITIES PROJECT OF THE THIRD ACTION YEAR COMPREHENSIVE CITY DEMONSTRATION PROGRAM

Consideration was given to a resolution amending the Senior Opportunities Project of the Third Action Year Comprehensive City Demonstration Program.

Logan Delany, Director of Model Cities, explained that the Senior Opportunities Project "Meals on Wheels" would terminate as of December 31, 1973 and that the Model Cities Commission voted in a meeting on December 10 to recommend an extension of the program for one (1) month for $4,000 some odd dollars, at which time Region B Council on Aging would pick up the program. He said that a resolution had been prepared for Council's consideration. At the Mayor's request the City Manager presented the resolution.

It was explained that the "Meals on Wheels" Program would continue after February 1, 1974 under the Region B Nutrition Program on a somewhat different basis. In reply to a question as to what would happen to shut-ins now being served under the present program it was explained that 20 meals could be delivered by volunteers with the possibility of additional meals to be delivered subject to Region B and State approval. The purpose of the Model Cities subsidy at this time would be to carry the program during the time "lag" time from December 31, 1973 to January 31, 1974.

Councilman Colton moved to adopt the resolution. This motion was seconded by Councilman Horton and carried unanimously.

Complete text of Resolution No. 73-146 will be found in Resolution Book No. 7 at page 152.

Adjournment.

Richard D. Wood, Jr.
MAYOR

William F. Malcuit
CITY CLERK

The City Manager, before presenting the ordinance, read a memorandum from Ray Kisiah, Director of Parks and Recreation, advising him that in light of the fuel shortage he was concerned over the excessive heat loss and heating fuel consumption being experienced in the main building of the Recreation Park Zoo. He said Mr. Kisiah gave as the reason excessive fuel consumption was the heat loss through the high and unadequately insulated ceiling of the building, and that a substantial fuel savings could be made by lowering the ceiling using a good insulation material. The City Manager said he concurred with Mr. Kisiah's recommendation, however, the $3,100 estimated cost for the repairs was not budgeted and that he was recommending that the funds be appropriated from the Revenue Sharing Trust Fund. He said the ordinance being presented to them at this time, for Council's consideration, would authorize him to transfer these funds.

Councilman Ochsenreiter moved for the adoption of the ordinance, which was seconded by Councilman Horton. On a roll call vote of 6-0, Ordinance No. 788 carried on the first reading.

Due to the prevailing weather conditions, it was deemed advisable to begin the repairs immediately. Therefore, Councilman Colton moved to dispense with Charter requirements for three separate readings and proceed with the second reading. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 788 was passed on the second reading.

Councilman Colton moved again to dispense with the charter requirements and proceed with the third reading. Councilman Ochsenreiter seconded this motion and it was carried unanimously.

On a roll call vote of 6-0, Ordinance No. 788 was passed on the third and final reading.

Complete text of Ordinance No. 788 will be found in Ordinance Book No. 6 at page 45.

RESOLUTION NO. 73-144 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE TRANSIT AUTHORITY

Consideration was given to a resolution appointing member to the Asheville Transit Authority (Richard M. Taylor).

The City Manager presented the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 73-144 was unanimously adopted.

Complete text of Resolution No. 73-144 will be found in Resolution Book No. 7 at page 150.

RESOLUTION NO. 73-145 - RESOLUTION ELECTING MEMBER OF BOARD OF EXAMINERS FOR POLICEMEN'S AND FIREMEN'S PENSION AND DISABILITY FUND

Consideration was given to a resolution electing member of Board of Examiners for Policemen's and Firemen's Pension and Disability Fund (Dr. E. Sease Koon, Jr.)

Mr. Luther Anderson, 49 Hamilton Street, said that he lived on an unpaved street and wanted to know what would be done about it. He was also advised by Mayor Wood that the City would pave the street on a 50-50 City/Property Owner basis and would thereafter maintain the street within the limits of the right of way.

There being no further comments from the public, Mayor Wood closed the public hearing at 8:14 o'clock p. m., and announced that under the time schedule set forth in the N. C. Statutes further action could not be taken by Council at this meeting, but that he would instruct the Corporation Counsel to prepare an ordinance, extending the Corporate Limits to the Biltmore-Caribou Road area, for Council's consideration at the next meeting on January 3, 1974.

PUBLIC HEARING - ANNEXATION OF THE EMMA AREA

3. A public hearing was held to consider the annexation into the Corporate Limits certain property in the Emma area.

Mayor Wood opened the public hearing at 8:17 o'clock p. m. and asked Mr. William C. Moore, Acting Corporation Counsel, to read the affidavit of publication establishing that proper notice of the hearing had been advertised.

Mr. Nick Kmecsa, Director of Planning, was called on to review the plan outlining the services to be provided in the area proposed to be annexed.

Mr. Henry Fisher, a local attorney and a property owner in the Emma area, bitterly opposed the annexation and voiced his distrust of past and present city administrations and their intentions of ever doing anything for the area except collect taxes. He made particular reference to the proposed water and sewer extensions which he said would never become a reality. He vowed that he would continue to fight against the annexation.

Mr. John Daniel, District Manager of the Square D Corporation, also opposed the proposed annexation. He said that if the area did not include his plant and several others he was sure the Council would not find it profitable to annex this area. He said that it was his opinion that the inordinate profit that the city would realize was unfair, and would not mean a great deal to his company. He said that an annexation move at this time would not mean the curtailing of present operations nor the closing of the plant, but it could possibly act as a deterrant to future expansion plans. He agreed with Councilman Morris that Asheville did provide other services to his company and his employees, by way of a labor pool, cultural environment, entertainment and the airport facilities.

Mr. Wayne Kinser, owner and developer of the Smoky Mountain Hilton Motel, added his objections to the annexation at this time. He said that the unanticipated increase in taxes would be an additional burden to the financial success of the development. He said it was his opinion that the best use of the property in this area was for industrial sites and should not be developed into an urban area. He cited the benefits of the development in providing employment and attracting tourists as more than offsetting the increased revenue the City would derive from taxes.

Mrs. Calvin Tipton of 431 Emma Road and Mrs. June Fox, 565 N. Louisiana Avenue, both spoke in opposition to the annexation. Their main objection being the increase in the cost of living for many of the residents in the area.

There being no further comments from the public, Mayor Wood closed the public hearing at 9:15 o'clock p. m. Again, he announded that no further action could be taken at this time, but that he would instruct the Corporation Counsel to prepare

Thursday, December 20, 1973 - 7:30 o'clock p. m.

Regular Meeting held at South French Broad High School

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., Eugene C. Ochsenreiter, Jr., Bill B. Horton, Henry E. Colton, Acting Corporation Counsel William C. Moore, substituting for Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/ City Clerk William F. Wolcott, Jr.

Absent: Councilman J. W. Hoyle and Corporation Counsel Robert J. Robinson

1. Approval of minutes of the meeting of December 13, 1973.

Upon motion of Councilman Ochsenreiter, seconded by Vice-Mayor Marshall, the minutes of the December 13, 1973 meeting were approved as submitted.

PUBLIC HEARING - ANNEXATION OF BILTMORE-CARIBOU ROAD AREA

2. A public hearing was held to consider the annexation into the Corporate Limits certain property in the Biltmore-Caribou Road area.

Mayor Wood opened the public hearing at 7:38 o'clock p. m. and asked Mr. William C. Moore, Acting Corporation Counsel, to read the affidavit of publication establishing that proper notice of the hearing had been advertised.

Mr. Nick Kmecza, Director of Planning, was called on to review the plan outlining the services to be provided in the area proposed for annexation.

Mr. Lloyd Kirk, 866 Hendersonville Road, did not specifically oppose the annexation but did ask for clarification on each of the services to be provided. He was particularly interested in the paving and street lighting policies. Mayor Wood informed him that unpaved streets would be paved on the presentation of a petition by the abutting property owners and their agreement to pay approximately 50% of the cost. The street lighting policy he said would be the same as now in effect in the present City Limits with the main thoroughfares receiving preferential treatment over the residential area in so far as intensity was concerned.

Mr. Carl Herman, 1292 Hendersonville Road, opposed the annexation and asked that the proposed boundary be cut off at Rockwood Road instead of the Blue Ridge Parkway. He said this would only exclude five residents and five businesses, one of which he admitted would be his own. He said that he was satisfied with the services now being provided by the County.

Mr. Ed Siler also opposed the annexation. He said the additional services provided would not offset the additional taxes he would have to pay. He said that as a State Highway Department employee he was familiar with the maintenance program and he knew the State maintained their roads better than the City of Asheville. Therefore this proposed service did not interest him.

Mr. William A. Jones, 72 Jefferies Drive, stated that he had made a survey of an area recently annexed and found that the residents were dissatisfied and complained that the additional street lights was the only new service they received. He also asked for an explanation of the City's paving policy. Mayor Wood repeated his previous explanation.

RESOLUTION NO. 73-148 - RESOLUTION AUTHORIZING THE MAYOR TO EXTEND THE LEASE AGREEMENT BETWEEN THE CITY OF ASHEVILLE AND THE OPPORTUNITY CORPORATION OF MADISON-BUNCOMBE COUNTIES FOR THE USE OF THE PROPERTY AND FACILITIES FORMERLY KNOWN AS THE LIVINGSTON STREET SCHOOL PROPERTY

6. Consideration was given to a resolution authorizing the Mayor to extend the lease agreement between the City of Asheville and the Opportunity Corporation of Madison-Buncombe Counties for the use of the property and facilities formerly known as the Livingston Street School property.

The City Manager read the resolution and advised Council that Mr. Kisiah, Director of Parks and Recreation, had informed him by letter that the extension of this lease would not interfere with his departments future plans for the use of the school property.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton, Resolution No. 73-148 was unanimously adopted.

Complete text of Resolution No. 73-148 will be found in Resolution Book No. 7 at page 155.

BIDS - CHEMICALS FOR TREATMENT OF WATER FOR CALENDAR YEAR 1974.

7. Consideration was given to bids opened December 18, 1973 for chemicals for treatment of water for the calendar year 1974.

The City Manager read a memorandum from J. R. McMahan, Purchasing Agent, recommending the following:

Item 1 - All bids identical recommended the local vendor - Ticar Chemical Company
Item 2 - Low bidder recommended - Moreland Chemical Company
Item 3 - Low bidder recommended - Ticar Chemical Company
Item 4 - Ticar Chemical Company was low bidder on this item at $46.00 per ton but advised purchasing agent after bids had been opened that he had made an error and wanted to raise his bid to $56.40 per ton. This bid was identical to his competitor, Moreland Chemical Company. The recommendation was to accept the error and award to Ticar Chemical Company.

After a discussion the Purchasing Agent suggested that Items 1 and 3 be awarded to Ticar Chemical and Items 2 and 4 be awarded to Moreland Chemical Company. The City Manager concurred with this recommendation. It was agreed that action for approval would be taken on each item individually.

On Item 1, Councilman Ochsenreiter moved to award the contract to Ticar Chemical Company, this motion was seconded by Vice-Mayor Marshall and carried unanimously.

On Item 2, Councilman Colton moved to award the contract to Moreland Chemical Company, this motion was seconded by Councilman Horton and carried unanimously.

an ordinance, extending the Corporate Limits to the Emma Area, for Council's consideration at the January 3, 1974 meeting.

At the conclusion of the public hearings Mayor Wood recessed the Council meeting for five(5) minutes.

RESOLUTION NO. 73-147 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE DONATION AGREEMENT AND MAINTENANCE AGREEMENT WITH AMERICAN SIGN AND INDICATOR CORPORATION AND TO EXECUTE APPROVAL OF ADVERTISING AGREEMENTS WITH FIRST UNION NATIONAL BANK OF NORTH CAROLINA AND COCA-COLA BOTTLING COMPANY OF ASHEVILLE, NORTH CAROLINA

4. Consideration was given to a resolution authorizing the Mayor to execute donation agreement and maintenance agreement with American Sign and Indicator Corporation and to execute approval of advertising agreements with First Union National Bank of North Carolina and Coca-Cola Bottling Company of Asheville, North Carolina.

The City Manager presented the resolution.

Upon motion of Councilman Colton, seconded by Councilman Morris, Resolution No. 73-147 was unanimously adopted.

Complete text of Resolution No. 73-147 will be found in Resolution Book No. 7 at page 154.

RESOLUTION APPLYING FOR FEDERAL FLOOD INSURANCE ELIGIBILITY FOR THE CITY OF ASHEVILLE

RESOLUTION OF INTENT TO ENACT FLOODWAY REGULATIONS

Consideration was given to a resolution applying for Federal Flood Insurance for the City of Asheville. Mayor Wood noted that the next item on the agenda was a companion resolution regarding the intent of the City to enact Floodway Regulations. Councilman Colton suggested that both resolutions be considered at the same time. The City Manager was requested to present the resolution applying for Federal Flood Insurance and Mr. Kmecza, Director of Planning, on request, explained that the resolution just read was an interum measure authorizing and requiring the Building Inspector to review applications for building permits within the flood hazard area. The resolution of intent to enact Floodway Regulations, not yet presented, he said would also be an interum measure, as Asheville's plans were not sufficiently developed to proceed with a final set of regulations. However, he said the adoption of these resolutions would temporarily afford property owners in the floodway area eligibility to obtain National Flood Insurance.

A lengthy discussion followed on both resolutions and some confusion developed as to whether or not Council would be taking the minimal action required by the passage of these resolutions. Councilman Colton was particularly concerned over the lack of specific minimums and just what guidelines the Building Inspector was going to be following in reviewing building plans. He said he was sure that some action would have to be taken but that he was against going above the minimum requirements. This was the consensus of opinion of the other members of Council.

Since the resolution of intent to enact Floodway Regulations had not been presented Mayor Wood asked the City Manager to read it at this time. At the conclusion of the presentation, Mayor Wood asked for a motion on either resolution, and not receiving one he ruled that the resolutions did not pass.

Mr. Max Cogburn, attorney for Thoms CATV, and appearing in their behalf, referred to the report previously submitted and reviewed in general the information covered. He said that in response to paragraph 11 of the franchise, that as of April 1, 1971 a total of 3,079 subscriber connections had been made which met the requirement of 3,000 for the two year period. He said that the rate increases requested also met the requirements of paragraph 11 in that they were in line with or below the national average. On inquiry by Councilman Colton as to the service area being covered, Mr. Cogburn pointed out that cable had been strung to pass 11,378 of the 15,375 home in Asheville and that the 1974 construction schedule would add another 1,500 homes. This he said would be approximately 84% of the total homes in the City. Mayor Wood called attention to the installation rate being $15.00 with the national average being $10.40. Mr. Cogburn defended this by arguing that the unusual topography of Asheville made construction costs run higher. However, he said, he could not argue with Council if they wish to increase or reduce all rates to the national average.

Councilman Horton questioned the 100% free drop service for schools and fire stations, to which Mr. Cogburn again referred to the report indicating that of the 11 schools due to be serviced only four were not now being served and three of these were to be connected in 1974. Eugene Rankin School being the only one not definitely scheduled because of engineering problems. The nine fire stations due to be serviced, he said that 5 already have service drops, one will be serviced immediately, 2 will be serviced in 1974 and one will be serviced when the new station is built on South French Board Avenue.

There being no other comments, Mayor Wood requested the City Manager to read the ordinance prepared for Council's consideration leaving blank the spaces indicating the rate schedule.

Councilman Morris commented that he felt that the request being made by Thoms CATV was reasonable and moved that the rate increases as requested be inserted into the ordinance prior to the first reading. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Councilman Morris's motion for the adoption of the ordinance was seconded by Councilman Ochsenreiter and on a 5-0 roll call vote Ordinance No. 789 passed on the first reading. Second reading was scheduled for the meeting of January 3, 1974.

RESOLUTION NO. 73-149 - RESOLUTION AUTHORIZING THE FILING OF A PRELIMINARY APPLICATION WITH THE URBAN MASS TRANSPORTATION ADMINISTRATION - DEPARTMENT OF TRANSPORTATION FOR A GRANT UNDER THE FEDERAL HIGHWAY ACT OF 1973

9. Consideration was given to a resolution authorizing the filing of a preliminary application with the Urban Mass Transportation Administration - Department of Transportation for a grant under the Federal Highway Act of 1973.

The City Manager read the resolution.

Mayor Wood summarized by pointing out that Asheville has a first rate bus system in terms of equipment and the purpose of the resolution was to make application to purchase additional equipment in order to keep it in good condition. He said if this grant was approved the Federal Government would assist the City up to 80% on the acquisition of additional rolling stock, 4 per year over a period of eight years. He said it was on a one year at a time basis, and that all that was being committed at this time was the purchase of 4 buses. He said that the Transit Authority had had this program under consideration for some months, but now with

On Item 3, Councilman Morris moved to award the contract to Ticar Chemical Company, this motion was seconded by Vice-Mayor Marshall and carried unanimously.

On Item 4, Councilman Morris moved to award the contract to Moreland Chemical Company, this motion was seconded by Councilman Horton and carried unanimously.

RESOLUTION AUTHORIZING EXECUTION OF NEW AGREEMENT ESTABLISHING THE METROPOLITAN PLANNING BOARD OF ASHEVILLE-BUNCOMBE COUNTY.

8. Consideration was given to a resolution authorizing execution of new agreement establishing the Metropolitan Planning Board of Asheville-Buncombe County.

The City Manager presented the resolution.

Due to the already lengthy meeting and the business still to be considered, Councilman Colton moved to table this resolution until the meeting of January 17, 1974. This motion was seconded by Councilman Morris and carried unanimously.

ORDINANCE NO. 789 - ORDINANCE AMENDING ORDINANCE GRANTING FRANCHISE TO THOMS BROADCASTING COMPANIES, INC.

9. Further consideration was given to a request of Thoms Broadcasting Companies Inc. allowing them an increase in rates.

Mayor Wood noted for the public and the press, that prior to the meeting Thoms CATV had submitted a report to each member of Council, covering the issues raised at the December 20, 1973 Council meeting.

Thursday- January 3, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Eugene C. Ochsenreiter, Jr., Bill B. Horton, Henry E. Colton, Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of the meeting of December 20, 1973.

Upon motion of Councilman Hoyle, seconded by Councilman Morris, the minutes of the December 20, 1973 meeting were approved as submitted.

ORDINANCE NO. 789 - AN ORDINANCE AMENDING ORDINANCE GRANTING FRANCHISE TO THOMS BROADCASTING COMPANIES, INC.

2. Consideration was given to an ordinance amending ordinance granting franchise to Thoms Broadcasting Companies; Inc.

Council was furnished with copies of the ordinance and therefore the ordinance was not read in its entirety.

On a roll call vote of 6-0, Ordinance No. 789 passed on the second reading.

Councilman Colton stated that since the final passage of the ordinance had been delayed due to Council not meeting the previous week, he would move to suspend the charter requirements and proceed with the third and final reading at this time. Councilman Hoyle seconded this motion. Not receiving a unanimous voice vote, Mayor Wood instructed the City Clerk to call the roll. The motion passed 5 - 1 on the roll call vote, with Councilman Horton voting "no".

Upon a roll call vote of 6 - 0, Ordinance No. 789 passed on the third and final reading.

Complete text of Ordinance No. 789 will be found in Ordinance Book No. 6 at page 46.

ORDINANCE NO. 791- AN ORDINANCE TO EXTEND THE CITY LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA (BILTMORE-CARIBOU ROAD AREA)

3. Consideration was given to an ordinance to extend the City Limits of the City of Asheville, North Carolina under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina (Biltmore-Caribou Road Area).

Corporation Counsel Robert J. Robinson presented the ordinance in its entirety.

Mr. Lloyd Kirk, 866 Hendersonville Road, opposed the annexation proposal and challenged the economic feasibility both from a high dollar cost and an energy consumption cost. He questioned the low budget figures presented by the Planning Department, particularly as they pertained to the cost of water and sewer installation. He also questioned the consumption of energy in the operation of police cars, garbage trucks and additional street lights. He asked if this was advisable in light of the energy crisis. He suggested that both the cost and energy consumption be reevaluated.

the energy crisis upon us it would certainly seem most timely.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 73-149 was unanimously adopted.

Complete text of Resolution No. 73-149 will be found in Resolution Book No. 7 at page 156.

PETITION FOR REZONING - 257 McDOWELL STREET

Consideration was given to a petition to rezone Lot 19-1/2, Ward 4, Sheet 12 from Neighborhood Trading Area to Institutional.

In the absence of an objection from other members of Council, Mayor Wood referred the petition to the Planning and Zoning Commission for review and recommendation.

MERCHANTS ASSOCIATION REQUEST FOR FREE PARKING

The City Manager submitted a letter he received from the Merchants Association requesting free on-street parking on December 26, 1973 beginning at 10:00 a. m.

Councilman Ochsenreiter moved to grant the request. This motion was seconded by Councilman Colton and carried unanimously.

COUNCIL MEETING CANCELLED

Mayor Wood adjourned the meeting with the announcement that Council would not meet on December 27, 1973.

Adjournment.

FINAL SUBDIVISION PLAT - LOTS 26-27- CIVIC REDEVELOPMENT PROJECT N. C. R-13

5. Consideration was given to the approval of the final subdivision plat for Lots 26-27 of the Civic Redevelopment Project N. C. R-13.

Mr. Nick Kmetza, Director of Planning, read the report of the Planning and Zoning Commission recommending approval of the plat.

Mr. Wheeling, Housing Director, advised Council that the major change was in the drainage easements which was necessary to increase the developable area of the property.

Councilman Horton's motion to approve the plat was seconded by Councilman Hoyle and carried unanimously.

BIDS - UPGRADING ELECTRICAL SYSTEM IN THE CITY HALL BUILDING

6. Consideration was given to bids received December 28, 1973 for labor and materials in the upgrading of the electrical system for the City Hall Building.

The City Manager read a memorandum from the Purchasing Agent recommending the contract be awarded to the low bidder, M. B. Haynes Electric Company, in the amount of $56,359.00.

Councilman Ochsenreiter's motion to accept the low bid of M. B. Haynes Electric Company, in the amount of $56,359.00, was seconded by Vice-Mayor Marshall and carried unanimously.

Bid Summary

Bid Request #199 - upgrade electrical system in City Hall

Bidder	Bid
M. B. Haynes Electric Company	$ 56,359.00
Electrical Constructors of America	59,990.00
Hayes and Lunsford Electric Company	67,543.00

BIDS - MISCELLANEOUS ITEMS FOR THE ASHEVILLE CIVIC CENTER

7. Consideration was given to bids received December 17, 1973 for tables, chairs, lockers, cabinets, safe and shelving for the Asheville Civic Center.

The City Manager in presenting the bids for Item Nos. 1 - 15, read a memorandum from the Purchasing Agent who, with the concurrence of the Civic Center Manager, recommended the low bidder for each item except Item No. 15. In the case of Item No. 15, it was explained that the low bid was recommended even though the bidder did not meet specifications, the deviation from the specifications being in the thickness of the cushion in the seat. After some discussion, Mayor Wood instructed the Purchasing Agent to rebid this item using an alternate specification on the thickness of the seat cushions.

In the discussion of services to the annexed areas, Councilman Ochsenreiter suggested a five (5) year program to pave all unpaved streets in the City. He asked that a breakdown of the unpaved streets be prepared for Council.

Councilman Morris moved for the adoption of Ordinance No. 791 setting the effective date of 12:01 o'clock a. m., Monday, June 24, 1974. This motion was seconded by Councilman Ochsenreiter. In the discussion, Councilman Horton asked that the water and sewer costs reflected in the plan be reviewed and a breakdown prepared for Council.

On a roll call vote of 6-0, Ordinance No. 791 was passed on the first reading.

ORDINANCE NO. 792 - AN ORDINANCE TO EXTEND THE CITY LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA (EMMA AREA)

4. Consideration was given to an ordinance to extend the City Limits of the City of Asheville, North Carolina under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina. (Emma Area)

Corporation Counsel Robert J. Robinson presented the ordinance in its entirety.

Mr. Wayne Kinser, owner of Hilton Inn, spoke in opposition to the annexation. He questioned the low density of population factor and whether or not the area would even be considered if it were not for the number of industrial plants. In answer to his question regarding the city's failure to extend services as proposed, he was advised by the Corporation Counsel that should this occur the property owners could seek relief from the courts and force the city to comply. He said when he was considering the development of the Hilton Inn Complex, he was led to believe that the annexation would not be considered for at least 5 years. Later he said he was informed that with the advent of Revenue Sharing the scheduling was revised. He questioned whether this was a wise use of Revenue Sharing.

Mrs. Glen Mays, 83 Oak Hill Drive, opposed the annexation in behalf of her mother and father who live on N. Louisiana Avenue. She questioned the extension of services to the new area since the section she lives in still does not have adequate services. She said the Oak Hill area does not have adequate water and sewereservices.

Mayor Wood requested the City Manager to investigate the water and sewer situation and to report back to Council next week.

Mrs. Lloyd Hunter, N. Louisiana Avenue, also opposed the annexation and questioned the extension of services. Mayor Wood informed her that the courts could force the city to comply. She was not satisfied that theservices the City had to offer was worth the increase in taxes.

Councilman Colton moved for the adoption of Ordinance No. 792, setting the effective date for 12:01 o'clock a. m. on Monday, June 24, 1974. This motion was seconded by Councilman Hoyle. On a roll call vote of 6-0, Ordinance No. 792 passed on the first reading.

from the Contingency fund to the Aviation Department Capital Outlay Fund. He said the transfer would require an amendment to the budget ordinance which he would present if Council accepted the FAA grant.

Councilman Ochsenreiter's motion to adopt the resolution was seconded by Councilman Morris and carried unanimously.

Complete text of Resolution No. 74-1 will be found in Resolution Book No. 7 at page 157.

ORDINANCE NO. 790 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1973-74

9. Consideration was given to an ordinance amending the Operating Budget of the City of Asheville for the fiscal year 1973-74.

The City Manager presented the ordinance.

Councilman Morris's motion for adoption was seconded by Vice-Mayor Marshall. On a roll call vote of 6-0, Ordinance No. 790 passed on the first reading.

Councilman Morris moved that the Charter requirements be suspended and Council proceed to the second reading. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 790 passed on the second reading.

Councilman Hoyle then moved that the Charter requirements be suspended and Council proceed to the third reading. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 790 passed on the third and final reading.

Complete text of Ordinance No. 790 will be found in Ordinance Book No. 6 at page 48.

RESOLUTION NO. 74-2 - RESOLUTION AUTHORIZING THE CITY MANAGER TO NEGOTIATE A CONTRACT FOR ENGINEERING SERVICES FOR STREET IMPROVEMENTS AND THE RECONSTRUCTION OF CARROLL AVENUE BRIDGE

10. Consideration was given to a resolution authorizing the City Manager to negotiate a contract for engineering services for street improvements and the reconstruction of Carroll Avenue Bridge.

The City Manager presented the resolution.

Upon motion of Councilman Colton, seconded by Councilman Horton, Resolution No. 74-2 was unanimously adopted.

Complete text of Resolution No. 74-2 will be found in Resolution Book No. 7 at page 158.

Councilman Morris's motion to accept the recommendations of the Purchasing Agent for items 1 - 14, was seconded by Vice-Mayor Marshall and carried unanimously.

RESOLUTION NO. 74-1 - RESOLUTION AUTHORIZING, ADOPTING, APPROVING, ACCEPTING, AND RATIFYING THE EXECUTION OF GRANT AGREEMENT FOR PROJECT NO. 8-37-0005-01 BETWEEN THE UNITED STATES OF AMERICA AND THE CITY OF ASHEVILLE

8. Consideration was given to a resolution authorizing, adopting, approving, accepting and ratifying the execution of grant agreement for Project No. 8-37-0005-01 between the United States of America and the City of Asheville.

The City Manager, after presenting the resolution, explained that the grant being offered was the FAA's share to provide for the construction of improvements to the taxiways and ramps at the Airport. He said the City's share was to be funded from the boarding tax already collected, an anticipated $100,000 grant from the N. C. State Department of Transportation and the remainder to be transferred

PETITION TO CLOSE ALLEY - WARD 9, SHEET 6, LOTS 469-1/4 AND 470-1/4

The City Manager advised Council that he had received a petition from J. W. Tresner and wife to close an unnamed alley adjacent to their property in Ward 9, Sheet 6, Lots 469-1/4 and 470-1/4. He told Council if they wished to consider the closing of this alley it would be necessary to pass a resolution setting a public hearing on the question and that if it was Council's wish he was prepared to present the resolution at this time. On instructions from Mayor Wood he proceeded with the presentation of the following resolution.

RESOLUTION NO. 74-3 - RESOLUTION OF INTENT TO CLOSE ALLEY AND CALLING A PUBLIC HEARING ON THE QUESTION

Councilman Colton moved for the adoption of the resolution setting the date of the publid hearing for February 14, 1974. This motion was seconded by Councilman Morris and carried unanimously.

Councilman Colton requested that the Planning Department investigate the alley closing and present a staff report at the public hearing.

ON STREET PARKING PERMITTED ON SATURDAYS

Councilman Hoyle presented a request in the form of a motion that free on-street parking be permitted in downtown Asheville each Saturday for the remainder of 1974. He said the merchants had reported excellent results from the previous free parking days.

Several Councilmen felt that a starting time of 10:00 a. m. should be set to avoid employee abuse.

After Councilman Hoyle accepted the 10:00 a. m. starting time, Councilman Ochsenreiter seconded his motion and it was unanimously adopted.

Adjournment.

Richard D. Wood, Jr.
MAYOR

William S. McCarty
CITY CLERK

The City Staff is in the process of reviewing cost figures for the proposed South Biltmore and Emma annexations under consideration by the Council. This review will not be complete in time for Thursday's Council meeting. In the absence of other scheduled items for consideration, there will be no meeting on January 10, 1974 of the City Council.

Today the City Council will consider the adoption of a resolution giving notice of Council's intention to make application to the Local Government Commission for the approval of $8,250,000 water bonds. The funds from the sale of the bonds will be used for Water Quality Improvements - Phase I and Water Quality Improvements - Phase II with a net estimated cost of $6,186,000.

There is also a need for water distribution system improvement funds in the amount of $2,064,000. These funds will be used for increasing line capacities in areas with substandard pressure and for the City's share of the cost of relocating water lines for the connector between the Beaucatcher Open Cut and the I-40 Connector. After applying the Clean Water Bond Act to the above amounts there is a net total for bonds in the amount of $8,250,000. If the Council adopts this resolution of intent to file application for the approval of the bonds then the proceedings set forth by the Local Government Commission as required by law will set a bond election on April 6. The election must be held during the Spring of this year in order not to delay the beginning of construction of Phase I of the Water Quality Improvements. The citizens of Asheville will vote on the bonds and the bonds will be general obligations bonds. However, debt service on the bonds would be paid from receipts of the water system. The Local Government Commission has prepared a recommended maturity schedule for the bonds which provides for payment over a period of twenty two years, with principal repayments beginning in Fiscal Year 1976-77.

RESOLUTION NO. 74-4 - RESOLUTION DIRECTING THE CITY CLERK TO CAUSE TO BE PUBLISHED A NOTICE OF INTENT TO APPLY TO THE LOCAL GOVERNMENT COMMISSION FOR APPROVAL OF BONDS

3. Consideration was given to a resolution directing the City Clerk to cause to be published a notice of intent to apply to the Local Government Commission for approval of bonds.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, Resolution No. 74-4 was unanimously adopted.

Complete text of Resolution No. 74-4 will be found in Resolution Book No. 7 at page 161.

APPOINTMENT OF WILLIAM E. EDENS - DIRECTOR OF WATER AND SEWER SERVICES

4. City Manager Ernest J. Ward announced the appointment of William E. Edens as the Director of Water and Sewer services effective February 18, 1974.

ORDINANCE NO. 791 - AN ORDINANCE TO EXTEND THE CITY LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA (BILTMORE-CARIBOU ROAD AREA)

5. Consideration was given to the second reading of Ordinance No. 791, an ordinance to extend the City Limits of the City of Asheville, North Carolina under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina (Biltmore-Caribou Road area).

1. Approval of the minutes of the January 3, 1974 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, the minutes of the January 3, 1974 meeting were approved as submitted.

WATER BONDS NEWS RELEASE

2. Mayor Wood announced that the City of Asheville was going to file an application to the Local Government Commission for the approval of $8,250,000 Water Bonds for improvements to the Asheville Water System. He then read the following news release:

January 17, 1974

NEWS RELEASE

FROM: MAYOR RICHARD A. WOOD, JR.

On December 14, 1972 the City Council adopted a resolution authorizing an application for a state grant under the Clean Water Bond Act of 1971. The resolution stated that the City of Asheville has a need for water treatment facilities to improve water quality of the Asheville water system which include chemical feed systems, monitoring and controls, reservoir protection and filtration facilities.

On February 15, 1973, the City Council adopted a resolution authorizing the City Manager to enter into a contract with a consulting engineer for design and preparation of plans and specifications for the above improvements.

The consulting engineers submitted estimates for proposed improvements divided into two phases: Phase I - Chemical Feed, Laboratory and Monitoring, Reservoir Covers and Repair, $1,236,000; and Phase II - Filtration Plant, $6,450,000 for a total of $7,686,000.

Plans and specifications have been completed for Phase I and approved by the State Board of Health. Plans and specifications for Phase II are now in preparation.

In July of 1973 the City and the County entered into an agreement in which the City accepted responsibility for water quality and supply and the County accepted responsibility for extension of water lines outside the corporate limits of the City. Following the execution of this agreement the State Board of Health approved the City's application for $1,500,000 in Clean Water Bond Act funds. The time schedule for Phase I calls for construction to begin this spring with a completion date of late 1974 or early 1975. The completion of the filtration facilities is scheduled for July of 1976.

The City Manager presented the resolution.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 74-5 was unanimously adopted.

Complete text of Resolution No. 74-5 will be found in Resolution Book No. 7 at page 162.

Vice-Mayor Marshall having been excused by Mayor Wood was not present for the vote on this resolution. He returned however, before the consideration of further business.

RESOLUTION NO. 74-6 - RESOLUTION AUTHORIZING THE MAYOR TO FILE AN APPLICATION FOR CONTINUED FEDERAL FINANCIAL ASSISTANCE OF THE COMMUNITY SERVICES PROJECT OF THE ASHEVILLE POLICE DEPARTMENT.

8, Consideration was given to a resolution authorizing the Mayor to file an application for continued Federal financial assistance of the Community Services Project of the Asheville Police Department.

The City Manager presented the resolution.

Police Chief J. C. Hall explained that the federal grant referred to in the resolution was to assist in the financing of community service projects now being carried on by the Police Department.

Councilman Ochsenreiter was excused by Mayor Wood at 3:34 o'clock p. m. and was not present for the vote on Resolution No. 74-6. He returned to his seat before consideration of further business by Council.

Upon motion of Councilman Hoyle, seconded by Councilman Horton, Resolution No. 74-6 was unanimously adopted.

Complete text of Resolution No. 74-6 will be found in Resolution Book No. 7 at page 163.

MAYOR WOOD ANNOUNCED ADDITIONAL MODEL CITIES FUNDS

Mayor Wood announced that he had been advised by the Department of Housing and Urban Redevelopment that $198,700 additional Model Cities funds was being made available for present programs.

RESOLUTION NO. 74-7 - RESOLUTION AUTHORIZING EXTENSION OF RIVERSIDE PARK AND RELOCATION PROJECTS OF THE FIRST ACTION YEAR; AND CONSOLIDATED HEALTH PROJECT FOR THE BLIND AND SICKLE CELL DISEASE SCREENING PROJECT OF THE SECOND ACTION YEAR COMPREHENSIVE CITY DEMONSTRATION PROGRAM

9. Consideration was given to a resolution authorizing extension of Riverside Park and Relocation Projects of the First Action Year; and Consolidated Health Project for the Blind and Sickle Cell Disease Screening Project of the Second Action Year Comprehensive City Demonstration Program.

Mayor Wood noted that since the first reading of the ordinance the cost of providing the required services to the area had been restudied by the Water Department and the Finance Department. He said that some increases were indicated particularly as it pertained to the installation of the water and sewer lines. He called on Mr. Larry Fisher, Finance Director, who advised the Council that the cost of providing the water and sewer service to this area (South Biltmore-Caribou Road area) would cost $75,231.90 compared to the original estimate of $34,857.00. Most of this increase he said was in the labor cost which was not considered in the original estimate.

On a roll call vote of 6-0, Ordinance No. 791 passed on the second reading.

ORDINANCE NO. 792 - AN ORDINANCE TO EXTEND THE CITY LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA (EMMA AREA).

6. Consideration was given to the second reading of Ordinance No. 792, an ordinance to extend the City Limits of the City of Asheville, North Carolina under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina (Emma Area).

Larry Fisher, Finance Director, reviewed the revised cost estimates for extending services to this area and advised Council that the new estimate for the water and sewer extensions was $178,897.95 compared to the original estimate of $61,277. He said that the $75,000 estimated cost of extending the fire protection included only the cost of a new ladder truck and that an additional $100,000 for manpower would be needed to man this new piece of equipment. Council, under the impression that a new ladder truck was required for West Asheville regardless of their decision to annex the Emma Area, was advised by Fire Chief Ball that a new truck was not required under AIA regulations unless the coverage area was increased by the annexation.

Wayne Kinser, developer of the Smoky Mountain Hilton complex, briefly expressed his opposition to the proposed annexation.

On inquiry, Mr. Fisher said that using the revised cost estimates it was his opinion that it would take nine (9) years for the City to reach the "payout" point. In answer to Councilman Colton's question, he said that if the cost of the ladder truck was not included it would probably pay out in three (3) years.

On a roll call vote of 5 - 1, Ordinance No. 792 failed to pass on the second reading. Councilman Colton voted "aye" and Mayor Wood did not vote.

RESOLUTION NO. 74-5 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AGREEMENT WITH IMPERIAL LAND CORPORATION CONCERNING WATER MAINS EXTENDING EASTERLY FROM SECTIONS 1 AND 2 OF BOTANY WOODS SUBDIVISION TO SERVE SECTION 5 OF SAID SUBDIVISION, SWANNANOA TOWNSHIP, BUNCOMBE COUNTY.

7. Consideration was given to a resolution authorizing the Mayor to enter into agreement with Imperial Land Corporation concerning water mains extending easterly from Sections 1 and 2 of Botany Woods subdivision to serve Section 5 of said subdivision, Swannanoa Township, Buncombe County.

REZONING REQUEST - MR. RICHARD FORESTER - HAZEL MILL ROAD

13. Consideration was given to a recommendation of the Planning and Zoning Commission relative to the request of Mr. Richard Forester that Lots 365, 365-1/4, 365-1/2, 450, 456, and 457, Ward 6, Sheet 16 be rezoned from RA-6 Residential to Roadside Business. The Commission's recommendation was that the request be denied and that the property remain as it is now zoned.

Mr. Richard Forester appeared before Council and requested that Council proceed with the public hearing.

Councilman Horton moved that a public hearing on the rezoning matter be held on February 7, 1974 and that the required legal advertisement be made at the petitioner's expense. This motion was seconded by Councilman Hoyle and carried unanimously.

REZONING REQUEST - DRS. KELLER AND MAUNEY - 257 McDOWELL STREET

RESOLUTION NO. 74-10 - RESOLUTION AWARDING CONTRACTS FOR STRENGTHENING OF TAXIWAYS AND APRON AT THE ASHEVILLE AIRPORT

12. Consideration was given to a resolution awarding contracts for strengthening of taxiways and apron at the Asheville Airport.

The City Manager presented the resolution and Council examined the bid sheets prepared by Talbert and Cox Associates, the consulting engineers for the project. They recommended that Asheville Paving Company and Warren Brothers Company as a joint venture be awarded the paving contract in the amount of $894,830.45 and Hayes and Lunsford Electric Company be awarded the electrical contract in the amount of $60,617.00.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Marshall, Resolution No. 74-10 was unanimously adopted.

Complete text of Resolution No. 74-10 will be found in Resolution Book No. 7 at page 172.

from the public on conservation methods that would be of benefit to the community.

Mr. Ward advised Council that he had investigated the possibility of cutting out every other street light in the business district but that he was informed by the Carolina Power and Light Company that this could not be done due to the central switching method used to cut the lights on and off. He said he would not advise reducing the lighting in the residential area. In other areas he said the City was practicing good conservation methods in the reduction of temperatures in all the City buildings. This he said had shown a marked reduction in the consumption of electricity, gas, and fuel oil. He said that restrictions set up for the use of City vehicles showed a 10% decrease in gasoline in November and a 11% decrease for the month of December.

Adjournment.

MAYOR

William F. Hecht Jr.
CITY CLERK

BIDS - ONE (1) COMPACTOR FOR SANITARY LANDFILL

17. Consideration was given to bids received October 17, 1973 for one compactor for use at the Sanitary Landfill.

The City Manager read a memorandum from the Purchasing Agent who advised that only one bid was received on the first request, but that legal requirements were followed and a second request was made to furnish this item. E. F. Craven Co. submitted the only bid at this time in the amount of $69,425.00. Both the Director of Public Works and the Purchasing Agent recommended the acceptance of this bid. The City Manager said that $32,500 was budgeted in the 1973-74 budget to purchase this item and that the remainder would be budgeted in the 1974-75 budget. This arrangement he said was acceptable to the E. F. Craven Company.

Councilman Morris moved that E. F. Craven Company be awarded the contract in the amount of $69,425.00. This motion was seconded by Councilman Colton and carried unanimously.

Bid Summary

Second Bid Request #188 - One (1) Compactor for Sanitary Land Fill

Bidder		Bid	
E. F. Craven Company		$69,425.00	with heavy duty cleats
	Alternate:	$68,324.02	with normal cleats

J. R. McMAHAN RETIREMENT
GEORGE PHIPPS TO ASSUME DUTIES

18. The City Manager recognized J. R. McMahan and advised Council that this was his last day of work as Purchasing Agent as he was retiring after many years service to the City of Asheville. He announced that George Phipps would assume Mr. McMahan's duties as Purchasing Agent.

Mayor Wood expressed the thanks of this Council and a number of preceding Councils for work he had done. Councilman Morris moved that this thought be put in form of a motion, which was seconded by Councilman Colton and passed unanimously.

PROCLAMATION - JAYCEE WEEK - JANUARY 20 - 26, 1974

19. Mayor Wood proclaimed the week of January 20 - 26, 1974 as Jaycee Week and urged all citizens of the community to give full regards to the past services of the Asheville Jaycees.

COUNCILMAN HORTON -

20. On inquiry of Councilman Horton, Council was advised that the recent citizens complaint of inadequate water service in the Oak Hill Road area had been investigated and that plans had been approved and the work scheduled to improve the service in this area.

Councilman Horton called on the City Manager to comment on what the City was doing to conserve energy in lieu of the present crisis. He said he thought that such comment would be enlightening to the general public. He called particular attention to the downtown street lights and what could be done to conserve on this use of energy. He said he thought that the Council should be open to any suggestions

6. Consideration was given to an ordinance amending the operating budget of the City of Asheville for the fiscal year 1973-74.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Eugene C. Ochsenreiter, Jr., Bill B. Horton, Henry E. Colton, Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of the January 17, 1974 meeting.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Colton, the minutes of the January 17, 1974 meeting were approved as submitted.

ORDINANCE NO. 791 - AN ORDINANCE TO EXTEND THE CITY LIMITS OF THE CITY OF ASHEVILLE NORTH CAROLINA UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA (BILTMORE-CARIBOU ROAD AREA)

2. Consideration was given to the third and final reading of Ordinance No. 791, an ordinance to extend the City Limits of the City of Asheville, North Carolina under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina (Biltmore-Caribou Road area).

Mayor Wood stated that unless there was a specific request, the ordinance having already been read in its entirety would not be reread at this time.

Mr. Lloyd Kirk, 866 Hendersonville Road, speaking in opposition to the annexation presented some financial statistics in an effort to show that the South Biltmore "payout" would take 12 years instead of the City's estimate of 4 or 5 years. He cited the interest in financing the Fire Station and the cost of garbage collection as costs not considered in the City's financial analysis. It was pointed out that very little extra expense was anticipated in the garbage collection and that the fire station would be constructed regardless of the annexation.

Councilman Horton brought before Council the question of the six month tax levy for this area if it were annexed on June 24, 1974. He said there had been considerable confusion among the residents of the recently annexed Oteen area as to whether they were being taxed for six (6) months before they were actual residents of the City. He said he anticipated similiar confusion in the case of the Biltmore area if it were annexed. He thought this point should be cleared up and he requested the Corporation Counsel to research the statutes and present an opinion to Council as to whether or not they had the perogative of taxing the newly annexed area on a pro rata basis from the date of annexation rather than from the first day of the calendar year.

On a roll call vote of 6 - 0, Ordinance No. 791 was passed on the third and final reading.

Complete text of Ordinance No. 791 will be found in Ordinance Book No. 6 at page 50.

RESOLUTION NO. 74-16 - RESOLUTION REAPPOINTING BRETNEY SMITH AS COMMISSIONER NUMBER TWO OF THE SINKING FUND COMMISSION FOR BUNCOMBE COUNTY

9. Consideration was given to a resolution reappointing Bretney Smith as Commissioner Number Two of the Sinking Fund Commission for Buncombe County, for a term of five (5) years beginning January 1, 1974.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 74-16 was unanimously adopted.

STREET LIGHTING - WEST ASHEVILLE

The City Manager reported to Council that the Carolina Power and Light Company had been authorized to upgrade street lighting on Haywood Road between Michigan Avenue and Mitchell Avenue, with the installation of eighty-four 47,000 Lumen Sodium Vapor street lights. He said this would upgrade this section about two and one-half times.

PARKING - BILTMORE VILLAGE

Mr. Gary Warren, representing the employees of the Biltmore Plaza Office Building, presented a petition requesting that the parking in Biltmore Village be adjusted so as to increase the number of spaces available to the all day parker. The petition requested the removal of the two hour limit on Boston Way, the removal of the pay meters on Kitchen Place and the provision of a City Parking Lot.

Mayor Wood explained that the restricted parking recently put into effect was the result of a request from the business firms in the village that more customer prarking be provided.

Mr. Warren presented a long list of statistics on the number of spaces available to people doing business in the area as well as those available to office workers who park all day.

Mayor Wood suggested that Mr. Warren furnish the City Manager with the figures that he had worked up and he instructed the City Manager to use these figures in an effort to work out a balance between the customer parking and the all day parking in this area.

SENIOR CITIZENS

A group of citizens including Mrs. Roy Rogers, Mr. Virgil Sturgil, Mrs. Jarrett, Mr. Carl Johnson and Mr. James Gray individually appealed to Council in behalf of the Senior Citizens Opportunity Program. This program now being funded under Model Cities is housed in the building previously occupied by the Employment Security Commission Office at 36 S. Grove Street. Each speaker stressed the value of the program to the Senior Citizens and the community and asked Council to give every consideration to appropriating funds for its continuance after the phasing out of Model Cities in June of 1974. Particular emphasis was placed on the City obtaining the ownership of the building which is now being leased, suggesting that Revenue Sharing Funds be used for this purpose.

The City Manager read the ordinance and explained that there was a need for certain goods and services not budgeted, He requested a transfer of funds to cover these items from the Revenue Sharing Trust Fund. He also requested that the ordinance be given three readings at this time.

Councilman Colton moved for the adoption of the ordinance, which was seconded by Councilman Hoyle.

On a roll call vote of 6 - 0, Ordinance No. 793 passed on its first reading.

Councilman Morris moved that the Charter requirements be suspended and Council proceed to the second reading. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

On a roll call vote of 6 - 0, Ordinance No. 793 passed on its second reading.

Councilman Ochsenreiter then moved that the Charter requirements be suspended and Council proceed to the third reading. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 6 - 0, Ordinance No. 793 passed on its third and final reading.

Complete text of Ordinance No. 793 will be found in Ordinance Book No. 6 at page 54.

PETITION FOR REZONING - WILLIE ETHEL R. MAUNTNEY - GLENDALE AVENUE

7. The City Manager presented a petition he received from Mrs. Willie Ethel R. Mountney of 1 Clearbrook Drive requesting the rezoning of Lots 226 and 227, Ward 7, Sheet 16.

In the absense of an objection from other members of Council, Mayor Wood referred the petition to the Planning and Zoning Commission for review and recommendation. He asked that in making this review that other property in the area be investigated keeping in mind the possibility of future implementation of the Floodway Control Regulations.

RESOLUTION NO. 74-15 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE CONTRACT FOR THE SOUND REINFORCING SYSTEM FOR THE ASHEVILLE CIVIC CENTER AUDITORIUM

8. Consideration was given to a resolution authorizing Mayor to execute contract for the sound reinforcing system for the Asheville Civic Center Auditorium.

The City Manager presented the resolution and read a letter from Baber, Cort and Wood, Architects for the Civic Center, who reported taking the bids for the Sound Reinforcing System for the Asheville Civic Center Auditorium. Of the three bids received Oliver Electronics was the low bidder at $27,990 and the architects recommended the award of the contract to this firm.

Councilman Morris moved that Oliver Electronics be awarded the contract in the amount of $27,990. This motion was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 74-15 will be found in Resolution Book No. 7 at page 178.

7. Consideration was given to a resolution offering the real property and building known as the Thomas Wolfe Memorial Home to the State of North Carolina Department of Cultural Resources, Division of Archives and History.

The Assistant City Manager read the resolution.

Mayor Wood noted that for a number of months, discussions had been underway with the Department of Cultural Resources of North Carolina with reference to the transfer by the City of Asheville to the State of North Carolina of the Thomas Wolfe Memorial Home, so the Thomas Wolfe Memorial would be owned and maintained by the State, thereby making the Memorial a permanent historical site. He said members of the legislative delegation representing Buncombe County had been contacted and are willing to introduce a bill in the General Assembly proposing for appropriations with which the Department of Archives and History can provide for improvements and year-round operation of the Thomas Wolfe Memorial.

Councilman Colton noted that this action cultimated many years of work on part of the Jaycees, Councilman Hoyle, and State Representative Herschel Harkins.

Upon motion of Councilman Horton, seconded by Councilman Colton, Resolution No. 74-20 was unanimously adopted.

Mayor Wood instructed the City Clerk to send certified copies of the resolution to the Department of Cultural Resources, Division of Archives and History and to Representative Herschel Harkins.

Complete text of Resolution No. 74-20 will be found in Resolution Book No. 7 at page 183.

ASTON PARK TENNIS COURTS - FEES AND REGULATIONS

8. Ray Kisiah, Parks and Recreation Director, asked Council that authority be given to the Parks and Recreation Department, with approval of the Parks and Recreation Advisory Board for establishment of rules and regulations governing the use of the tennis center at Aston Park as may be necessary and desirable, including hours and dates of operation, fees, scheduling of tournaments, and any other matters relating to the operation of the tennis courts. He said this authority would curtail them from having to obtain approval from Council each time a change was needed. He said the Parks and Recreation Advisory Board recommended having a full-time maintenance man employed year-round; a fee of 50¢ per hour on the new tennis court, with no charge being made for the hard surfaced courts that are planned; time limit of one and one-half hours maximum when other players are waiting.

In the discussion which followed, Councilman Morris and Colton indicated that they were reluctant to allow fees to be collected on these courts until there were sufficient hard surfaced courts in all neighborhoods for the children to play on.

Councilman Morris moved to approve all the recommendations of the Parks and Recreation Advisory Board except that no fees be collected on the tennis courts until such time that all presently planned hard surfaced courts were constructed. This motion was seconded by Councilman Hoyle and unanimously adopted.

RESOLUTION NO. 74-18 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE CONSENT JUDGMENT ON BEHALF OF THE CITY OF ASHEVILLE WITH THE NORTH CAROLINA BOARD OF TRANSPORTATION FOR THE CONDEMNATION OF LAND INCLUDED IN HIGHWAY PROJECT NO. 6.801872

5. Consideration was given to a resolution authorizing the Mayor to execute consent judgment on behalf of the City of Asheville with the North Carolina Board of Transportation for the condemnation of land included in Highway Project No. 6.801872.

The Corporation Counsel presented the resolution and recommended its adoption.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 74-18 was unanimously adopted.

Complete text of Resolution No. 74-18 will be found in Resolution Book No. 7 at page 181.

RESOLUTION NO. 74-19 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE EASEMENTS IN FAVOR OF THE CAROLINA POWER AND LIGHT COMPANY

6. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute easements in favor of the Carolina Power and Light Company.

The Assistant City Manager read the resolution and explained that the Carolina Power and Light Company is contructing a transformer station on Beaverdam Road and these easements were needed for the placement of guy wires and guy anchors.

Upon motion of Councilman Hoyle, seconded by Councilman Colton, Resolution No. 74-19 was unanimously adopted.

Complete text of Resolution No. 74-19 will be found in Resolution Book No. 7 at page 182.

MR. DAVE JACKSON - COMPLAINT OF ILLEGAL RUMMAGE SALES

Mr. Dave Jackson of Brevard Road told Council of several locations in the City of Asheville where illegal rummage sales were being held. He said these operations were not non-profit organizations and therefore the City Privelege Tax Office was not forcing these people to get City Licenses.

Mayor Wood asked Mr. Jackson to report any violations to the City Manager or the Assistant City Manager and the operations would be checked into.

MR. A. J. JOHNSON - RICHMOND HILLS DRIVE

Mr. A. J. Johnson of Richmond Hills Drive told Council of a 250' strip of road that is in the County, but is between the county line and Richmond Hills, which is in the City Limits. He said that this road was in a very bad condition and he had appealed to the State to fix the road, but nothing had been done. He asked Council if the City could annex this strip in order that the road could be maintained.

Mayor Wood instructed the Assistant City Manager to investigate this matter and see what could be done, as this road is traveled by city trucks picking up garbage and brush.

Adjournment.

PROCLAMATION - DENTAL HEALTH WEEK

Mayor Wood proclaimed the week of February 4 - 8 as Dental Health Week.

MRS. SADIE SPRINKLE - COMPLAINT OF DOG CONTROL ORDINANCE

Mrs. Sadie Sprinkle of 330 Barnard Avenue appeared before Council asking that something be done about enforcing the present dog control ordinance. She said that several dogs in her neighborhood were destroying the property of people in the neighborhood. She said the dog control officer had been called several times, but when they arrived, the dogs were gone.

Mayor Wood advised Mrs. Sprinkle that the dog control ordinance was difficult to enforce, but he would have the City Manager investigate the matter in her neighborhood.

SENIOR OPPORTUNITIES CENTER

A group of senior citizens from the Senior Opportunities Center appealed to Council, by reading an open statement to Council, for immediate establishment of a project planning and approval process which transcends the termination of Model Cities in June; continuation and full year funding as proposed for the Meals-on-Wheels Program; expansion of the program for city-wide services; ownership of the Senior Citizens Center building at 36 Grove Street; funds to renovate the center's kitchen into a commerical unit; a totally community supported program; revenue sharing support, and a chance to meet with Council to help work out the needs of the Senior Citizens.

Mr. Ray Kisiah, Director of the Parks and Recreation, advised Council that the City was now paying $750.00 per month to lease the Senior Opportunities Center building. He said he had talked with the owners about a year ago when there was some thought about buying the center, but nothing definitely was decided. He also noted that there is a possibility that federal funds might be available for a new center near the Aston Park Towers which the Asheville Housing Authority could construct.

Mr. E. R. McCarthy spoke in favor of a city-wide program rather than a Model Cities area program and suggested [illegible] a referendum on the matter.

After a lengthy discussion, Mayor Wood stated that any Councilman could make any motion he wished to make, but he felt that any action taken on the matter at this time would be premature. He said after last week's Council meeting the City Manager was asked to make arrangements to meet with the owners of the building at 36 Grove Street for the possibility of purchasing the property or for the continued leasing of the building. He said he has also asked the City Manager to explore the possibility and feasibility of the Asheville Housing Authority constructing a new center. He said that after discussing the matter with the owners of the building, the Asheville Housing Authority, and the Model Cities Commission Council would be in a better position to make a decision.

City's share, based on population, would be about 43% of the remaining $25,000.

Councilman Morris, in commenting on the resolution, stated that he realized this was an important matter and that he did not oppose it, but that he would like to point out that with the City and the County both paying a pro-rata share it was"double taxation" for the City taxpayers. Mayor Wood stressed the importance of the facilities plan but also noted the unfairness of the formula.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 74-21 was unanimously adopted.

On inquiry of Councilman Horton as to whether the City's share was budgeted, he was advised that it would have to be budgeted in the 1974-75 budget. In this regard, Mayor Wood suggested that the City Manager consider budgeting this out of water revenue funds rather than the general funds, so that the cost would be more fairly borne by the taxpayers.

Complete text of Resolution No. 74-21 will be found in Resolution Book No. 7 at page 185.

ORDINANCE NO. 795 - AN ORDER AUTHORIZING $8,250,000 WATER BONDS

Councilman Ochsenreiter introduced in written form the following order authorizing bonds which was read:

ORDER AUTHORIZING $8,250,000
WATER BONDS

BE IT ORDERED by the Council of the City of Asheville:

Section 1. That, pursuant to The Local Government Bond Act, as amended, the City of Asheville, North Carolina, is hereby authorized to contract a debt, in addition to any and all other debt which said City may now or hereafter have power or authority to contract, and in evidence thereof to issue Water Bonds in an aggregate principal amount not exceeding $8,250,000 for the purpose of providing funds, with any other available funds, for improving, reconstructing, enlarging, and extending the waterworks system of said City within and without the corporate limits of said City, including the construction and installation of additional water treatment, storage, and related facilities, laboratory and other water quality monitoring facilities, additional reservoir protection facilities, and additional water mains and lines, the relocation of water mains, and the acquisition of necessary land, rights of way, and equipment.

Section 2. That taxes shall be levied in an amount sufficient to pay the principal of and the interest on said bonds and that the application of any net revenues of the waterworks system to the payment of the principal of and the interest on any of said bonds under or pursuant to the provisions of Section 159-47 of the General Statutes of North Carolina is subject to the prior lien on such net revenues of the outstanding Water Refunding Bonds of the City, dated July 1, 1936; the outstanding Water Bonds of 1951, dated December 1, 1951, issued under and pursuant to a resolution passed by the Council on November 15, 1951; and the outstanding Water Bonds of 1961, dated November 1, 1961, issued under and pursuant to a resolution passed by the Council on September 28, 1961.

PUBLIC HEARING - REZONING LOT 19-1/2, WARD 4, SHEET 12

ORDINANCE NO. 794 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held to consider the rezoning request of Drs. C. A. Keller and F. M. Mauney that Lot 19-1/2, Ward 4, Sheet 12, be rezoned from Neighborhood Trading Area to Institutional District.

Mayor Wood opened the public hearing at 3:02 o'clock p. m.

The City Manager read the notice to the public setting the time and date for the public hearing and presented the affidavit of publication certifying that it was published as legally required.

Mr. Kmecza, Director of Planning, read a letter from the Planning and Zoning Commission, in which they recommended the rezoning change.

There being no objections from Council or interested citizens, Mayor Wood closed the public hearing at 3:07 o'clock p. m.

Mayor Wood requested the City Manager to present the amending ordinance for Council's consideration.

Vice-Mayor Marshall moved for the adoption of the ordinance, which was seconded by Councilman Morris. On a roll call vote of 5-0, Ordinance No. 794 passed on its first reading.

RESOLUTION NO. 74-21 - RESOLUTION CONCERNING AGREEMENT TO UNDERTAKE DEVELOPMENT OF A SECTION 201 FACILITIES PLAN

3. Consideration was given to a resolution concerning agreement to undertake development of a Section 201 Facilities Plan.

The City Manager presented the resolution. Mayor Wood explained to Council that, at a meeting several months ago with representatives from Asheville, Biltmore Forest, Weaverville, Montreat, Black Mountain, Woodfin, Henderson County and Buncombe County, it was agreed that the wastewater facilities for this area should be developed under a cooperative plan. He said the resolution before them for consideration at this time would implement this agreement by the City agreeing to pay their pro-rata share of the cost of developing such a plan. He said it was estimated that the entire cost would be about $100,000, three fourths of which would be covered by a federal grant from the Environmental Protection Agency. Mayor Wood said that the

RESOLUTION NO. 74-24 - RESOLUTION AUTHORIZING THE EXECUTION OF A WRITTEN THIRD PARTY CONTRACT BETWEEN THE CITY OF ASHEVILLE AND THE ASHEVILLE HOUSING AUTHORITY FOR OPERATION OF THE RELOCATION PLAN OF THE THIRD ACTION YEAR COMPREHENSIVE CITY DEMONSTRATION PROGRAM

7. Consideration was given to a resolution authorizing the execution of a written third party contract between the City of Asheville and the Asheville Housing Authority for operation of the Relocation Plan of the Third Action Year Comprehensive City Demonstration Program.

The City Manager presented the resolution.

Logan Delany, Director of Model Cities, advised Council that some of the funds originally allocated to the Asheville Housing Authority for Relocation Services were withdrawn because it was felt they would not be used. However, he said it was now evident that this program would need $6,000 in additional funds to cover commitments made through June 30, 1974. He said that funds were available in the Third Action Year Grant Budget and that it was a HUD requirement that funds be allocated throughout the life of the Model Cities Program to cover relocation activity.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Morris, Resolution No. 74-24 was unanimously adopted.

Complete text of Resolution No. 74-24 will be found in Resolution Book No. 7 at page 188.

RESOLUTION NO. 74-25 - RESOLUTION EXTENDING MEALS-ON-WHEELS COMPONENT OF THE SENIOR OPPORTUNITIES PROJECT THROUGH JUNE 30, 1974 IN THE THIRD ACTION YEAR COMPREHENSIVE CITY DEMONSTRATION PROGRAM

8. Consideration was given to a resolution extending Meals-on-Wheels component of the Senior Opportunities Project through June 30, 1974 in the Third Action Year Comprehensive City Demonstration Program.

The City Manager presented the resolution.

Logan Delany, Director of Model Cities, in commenting said that essentially the resolution called for the allocation of $8,343 from Third Action Year Supplemental Funds in order to fund the Meals-on-Wheels program through June 30, 1974. In answer to the inquiry as to the future of this program and the Senior Opportunity Center after June 30, he said that there was some $359,000 left in the Model Cities Program and that the Model Cities Commission was presently working on budget recommendations for the use of this money. He said it was his opinion that the Senior Opportunity Center would be included in these recommendations. He said the Meals-on-Wheels Program was beginning to develop private support through church groups and other organizations.

Upon motion of Councilman Horton, seconded by Councilman Hoyle, Resolution No. 74-25 was unanimously adopted.

Complete text of Resolution No. 74-25 will be found in Resolution Book No. 7 at page 190.

Ray Kisiah, Director of Parks and Recreation, explained that the execution of the lease agreement would enable the Parks and Recreation Department to continue the recreational program at the old Stephens-Lee High School. He recommended its approval.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 74-29 was unanimously adopted.

Complete text of Resolution No. 74-29 will be found in Resolution Book No. 7 at page 198.

RESOLUTION NO. 74-30 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR ROADWAY PURPOSES - PROJECT - ORCHARD STREET, CIVIC REDEVELOPMENT

8. Consideration was given to a resolution authorizing Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for roadway purposes - Project: Orchard Street, Civic Redevelopment.

The City Manager presented the resolution and explained that the R-13 Urban Renewal Plan called for a vehicle turn around at the eastern end of Orchard Street and that in order to construct this turn around the encroachment described in the resolution was necessary.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Colton, Resolution No. 74-30 was unanimously adopted.

Complete text of Resolution no. 74-30 will be found in Resolution Book No. 7 at page 199.

J. E. Johnson, Housing Officer, presented Council with the legal documents evidencing that he had followed the legal procedure set forth in the Code of Ordinances of the City of Asheville and that the houses he was requesting demolished violated the Housing Code.

Mayor Wood asked for comments from the audience and receiving no objections he closed the public hearing at 3:24 o'clock p. m.

Mayor Wood requested the City Manager to read the prepared ordinance directing the Housing Officer to demolish the houses in question.

Councilman Colton moved for its adoption and his motion was seconded by Councilman Ochsenreiter.

On a roll call vote of 6 - 0, Ordinance No. 796 passed on the first reading.

GEORGE M. TISDALE - APPOINTMENT AS CHAIRMAN - CITIZEN'S COMMITTEE ON WATER BOND REFERENDUM

Mayor Wood announced the appointment of George M. Tisdale, District Manager for Southern Bell Telephone Company, as Chairman of the Citizen's Committee to promote the $8,250,000 Water Bond Referendum. He said that Mr. Tisdale would be assisted by Councilman Colton as Vice-Chairman. He thanked Mr. Tisdale for excepting the position and pledged Council's full cooperation.

ORDINANCE NO. 794 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (McDowell Street)

4. Consideration was given to the second reading of Ordinance No. 794, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (McDowell Street).

Upon a roll call vote of 6 - 0, Ordinance No. 794 passed on the second reading.

RESOLUTION NO. 74-27 - RESOLUTION AUTHORIZING THE MAYOR TO FILE AN APPLICATION FOR A FEDERAL GRANT FOR A DRUG AND ALCOHOL ABUSE PROJECT

5. Consideration was given to a resolution authorizing the Mayor to file an application for a federal grant for a Drug and Alcohol Abuse Project.

The City Manager presented the resoltuion and explained that this was a continuing federal program dealing with Drug and Alcohol Abuse and that the $5,348 local matching fund would be shared equally with Buncombe County. The City's share to be budgeted in 1974-75.

Mr. Michalove briefly explained that the three major areas of activity are: Interagency Narcotic Squad, Drug Education and Coordination by the Drug and Alcohol Abuse Advisory Commission. The grant of $68,170 will be used to provide staff for these activities.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 74-27 was unanimously adopted.

Complete text of Resolution No. 74-27 will be found in Resolution Book No. 7 at page 194

The City Manager presented the resolution.

Corporation Counsel Robert J. Robinson reviewed the terms of the lease explaining that the City proposed to lease the present Senior Opportunity Center building at the present rental of $750.00 per month until June 30, 1974, with an option to renew the lease at the same rental until June 30, 1976. Further options to include the right to purchase the building at a price not to exceed $100,000.00 and the right to purchase the adjoining parking lot for an amount not to exceed $40,000.00. The City to have this privelege of exercising the purchase options anytime during the terms of either rental period.

Councilman Horton was advised that the monthly rental would not apply toward the purchase price.

Carl Johnson, Model Cities Commissioner, urged Council to consider the immediate purchase of the building as some repairs, particularly to the kitchen, were needed. He said that it was anticipated that the "Meals on Wheels" would be prepared from an upgraded kitchen in this building but it was not feasible to make these repairs to a leased building.

Logan Delany, Director of Model Cities, said it was the consensus of his commission that the building should be purchased, however, no official action had been taken and that official action could not be taken until the March meeting. He said it was his opinion that some Model Cities supplemental funds and some city funds should be used to make the purchase.

Mrs. Roy Rogers also appealed to Council to purchase the building at this time.

Councilman Morris moved to adopt the resolution authorizing the Mayor to execute the new lease on the building and further to direct the City Manager to obtain appraisals on both the building and the adjoining parking lot, reporting back to Council as soon as this is accomplished. This motion was seconded by Councilman Horton and carried unanimously.

REORGANIZATION OF ADMINISTRATIVE STRUCTURE OF CITY GOVERNMENT

The City Manager announced the reorganization of the Administrative Structure of the City's government and read the following prepared text:

This reorganization was undertaken for two main reasons:

1) To provide an organizational structure which is up-to-date in terms of how the City actually operates and,

2) to provide an organizational structure which allows enough flexibility to respond effectively to future operations by the City.

The reorganization is designed to consolidate functionally similar City agencies under nine administrative departments. This reduces the number of administrative departments from fourteen. A majority of the operating divisions within these nine administrative departments will not undergo any internal reorganization, so the level of services to the City will

REZONING - LOTS 226 and 227, WARD 7, SHEET 16, - GLENDALE AVENUE.

9. Consideration was given to the request for rezoning Lots 226 and 227, Ward 7, Sheet 16, from RA-6 Residential to Industrial.

The City Manager read a letter from the Planning and Zoning Commission recommending that the request be denied. They further recommended to Council that a moratorium be imposed on all future development in the flood prone area until such time as proper construction standards are adopted for these areas.

The City Manager advised Council that even though the petition had been denied by the Planning and Zoning Commission, the petitioner, Mrs. Willie Ethel R. Mountney, had requested a public hearing.

Councilman Gohsenreiter moved that the petitioner's request be granted; that the public hearing be held on March 14, 1974, and that the legal advertisement be published at the petitioner's expense. This motion was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO. 74-31 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AGREEMENT WITH KRANER COMPANY CONCERNING WATER MAINS EXTENDING EASTERLY AND SOUTH FROM PHASE I OF TURTLE CREEK SUBDIVISION TO SERVE PHASE II OF SAID SUBDIVISION LIMESTONE TOWNSHIP, BUNCOMBE COUNTY

10. Consideration was given to a resolution authorizing the Mayor to enter into agreement with Kraner Company concerning water mains extending easterly and south from Phase I of Turtle Creek Subdivision to serve Phase II of said subdivision Limestone Township, Buncombe County.

The City Manager presented the resolution.

It was explained to Council that this agreement was for water service to the Turtle Creek development located off Hendersonville Road consisting of some 497 residential units and a shopping center. The agreement to include a 8" line through the development connecting the City's 16" line on Sweeten Creek Road and the City's 6" line on Hendersonville Road. The construction of the line and the connections to be at the developer's expense.

On inquiry, Councilman Morris was advised that the Water Engineering Department was not aware of any further developments in the plans for the County to construct a reservoir in this area.

Upon motion of Councilman Bolton, seconded by Councilman Horton, Resolution No. 74-31 was unanimously adopted.

Complete text of Resolution No. 74-31 will be found in Resolution Book No. 7 at page 200.

RESOLUTION NO. 74-32 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE LEASE FOR USE OF PREMISES ON GROVE STREET BY THE PARKS AND RECREATION DEPARTMENT'S SENIOR OPPORTUNITIES CENTER - A MODEL CITIES FUNDED PROJECT

11. Consideration of a resolution authorizing Mayor to execute lease for use of premises on Grove Street by the Parks and Recreation Department's Senior Opportunities Center - a Model Cities funded project.

RECYCLING OF PAPER

Mrs. Walter Kaghan, representing the League of Women Voters asked Council to adopt a plan for the recycling of paper. She said that she and members of her committee from the League had made an extensive study of the recycling plan now in effect in Henderson County and Hendersonville and they were convinced that it would work equally as well in Asheville. The most significant of the ten reasons she gave for instituting the plan in Asheville, were the conservation of the landfill and the revenue the City would derive from the sale of the paper to the Asheville Waste Paper Company.

Mayor Wood thanked Mrs. Kaghan and her committee for their work and requested Councilman Colton, Councilman Horton, the City Manager and the Superintendent of Sanitation to work with the committee in giving the matter further study and to report back to Council.

COMPLAINT ON CONDITION OF SHORT EAGLE STREET

Mr. A. C. Mitchell, 23 Brick Street, entered a complaint to Council regarding the deplorable condition of Short Eagle Street. He requested that it be given immediate attention. Mayor Wood referred the complaint to the City Manager and asked him to investigate.

COUNCIL MEETING CONTINUED TO FEBRUARY 19, 1974

Mayor Wood announced that due to further action to be taken relative to the water bond referendum Council would meet again on February 19, 1974. He then convened the meeting to meet again at 3:00 o'clock p. m. on February 19, 1974.

not be affected even during the reorganization transition period. The reorganization is being effected now so that the 1974-75 Budget can reflect the new departmental structure. The reorganization will allow the City Manager to make better use of his staff resources in that the lines of authority will now lie along functionally appropriate lines.

He then presented Council with a graphic organization chart and reviewed the basic concept of the reorganization. The major changes he pointed out were the appointment of Ken Michalove as Assistant City Manager for Planning and Development, Mike Smith as Director of Central Services and William Edens as head of the Water and Sewer Services.

Mayor Wood complimented Mr. Ward on his efforts to reorganize the City's administrative structure, he commended him in his appointment of Mr. Michalove as Assistant City Manager for Planning and Development and wished him well in the implementation of his new organization.

Carl Johnson in commenting said that he was upset that Logan Delany's name was not mentioned in the new reorganization. Mayor Wood advised him that this was reorganization of existing departments and that Model Cities was head of one of these departments of which Mr. Delany was still the director.

ROBERT J. ROBINSON, RESIGNS AS CORPORATION COUNSEL

Mayor Wood said that it was with regret that he announced the resignation of Mr. Robert J. Robinson as Corporation Counsel. He said that since Mr. Robinson's appointment in the summer of 1971 he had been very diligent in his efforts and had performed an outstanding service to the City of Asheville.

Councilman Morris moved that Mr. Robinson's resignation be accepted with regret and that Mr. William C. Moore be appointed as Corporation Counsel. This motion was seconded by Councilman Hoyle and unanimously adopted.

WILLIAM C. MOORE - APPOINTMENT AND OATH OF OFFICE AS CORPORATION COUNSEL

Mr. William C. Moore having been appointed Corporation Counsel was administered the oath of office by the City Clerk.

Mr. Robinson expressed his appreciation to Council and the administrative staff for their cooperation. He said he was proud to have served with them and he knew that the City was in good hands and was being run efficiently.

PROCLAMATION - BROTHERHOOD WEEK - February 17 - 24

Mayor Wood proclaimed the week of February 17 - 24, 1974 as Brotherhood Week.

PROCLAMATION - SERTOMA'S FREEDOM WEEK - FEBRUARY 17 - 24

Mayor Wood proclaimed the week of February 17- 24, 1974 as Sertoma's Freedom Week..

Councilman Colton explained that according to the latest estimates, submitted by the consulting engineers, O'Brien and Gere, the cost of Phase I and Phase II of the improvements was $7,686,000 and the cost of other improvements to the system was $2,064,000, for a total of $9,750,000. He said the city was to receive a state grant for $1,500,000 leaving the $8,250,000 to be funded by the bonds. He said to the best of his knowledge there was no other federal or state funds available for this purpose. Councilman Morris added that if other funds do become available the City would not have to sell the full amount of the bonds.

Mrs. Gordon also questioned locating the filter plant at North Fork Reservoir. She said that it appeared to her that if the filter plant were located somewhere along the supply lines, perhaps nearer to town, it would better serve to keep the water clean. Arguments were advanced on both sides, with the final statement by Council that the consulting engineers, hired to make this decision, had an outstanding reputation in this field and that it was their recommendation to locate the filter plant near the source at North Fork Reservoir.

Mrs. George Coggins, 65 Town Mountain Road, did not question the advisability of issuing the bonds, but rather that she favored it. She did question the City proceeding on its own without the benefit of the consolidated water board as recommended in the Hazen and Sawyer report. She felt that the City was taking a unilateral action at this time that might cause problems for further expansion in the future. She was also concerned with whether or not consideration had been given to the duplication of construction, relative to the relocation of lines involved in the proposed highway plans for cutting through Beaucatcher Mountain.

Mayor Wood by way of explanation commended the Hazen and Sawyer report and stated that many of their recommendations had been implemented. He briefly reviewed Councilman Colton's previous explanation for the failure to carry out their recommendation for consolidation and the present city-county water agreement which is now in effect. He said that under this agreement the county, for the first time, was making a substantial contribution to the city water system. However, he said the city took the responsibility for the upgrading of the quality of the water and therefore the bond issue was necessary.

In regard to the highway construction relative to the Beaucatcher cut, Mayor Wood said that the City was coordinating with the Department of Transportation in the relocation of any transmission lines involved in this constuction.

In answer to a question regarding the rate increases for industrial users recommended by the Hazen and Saywer Report, Council advised her that two of the increases had already been put into effect and the final increase was now being considered.

Mrs. Barbara Keleher, residing at 18 Maywood Road, said she agreed with Mrs. Coggins that the bond issue should be a city-county effort, but she understood Council's explanations for not being able to proceed along this course. For information purposes she asked for a list of the bonds now outstanding and the date for the final refunding. She further questioned how the proposed bonds would be refunded.

Mayor Wood in answering her questions advised that the last of the outstanding bonds would not be refunded until 1990. He said that it was anticipated that the proposed bonds would be paid off from Water Revenues. He said, that even though the final determination had not been made, it appeared that there would be a 10 - 15 per cent water rate increase if the bonds were approved. He pointed out that

Reconvened Meeting

The Council of the City of Asheville, North Carolina, met in reconvened session at the City Hall in Asheville, North Carolina, the regular place of meeting, at 3:00 o'clock p. m., on February 19, 1974.

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Henry E. Colton, Ralph D. Morris, Jr., J. W. Hoyle, Eugene C. Ochsenreiter, Jr., Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Bill B. Horton

The Mayor announced that this was the date and hour fixed by the Council for the public hearing upon the order entitled: "ORDER AUTHORIZING $8,250,000 WATER BONDS" and that the Council would immediately hear anyone who might wish to be heard on the question of the validity of said order or the advisability of issuing said bonds.

Mayor Wood opened the public hearing at 3:13 o'clock p. m.

The City Manager read the order setting the public hearing and the affidavit of publication.

On inquiry of Mayor Wood the City Clerk announced that no written statements had been received by him on the question of the validity of said order or the advisability of issuing said bonds.

Mayor Wood then asked if anyone wished to be heard on the question.

Mrs. Marjorie Lockwood, residing at 57 Stuyvesant Road asked what had happened to the Buncombe County-City of Asheville consolidated water plan that was proposed in the Hazen and Sawyer report in 1971. She also questioned why such a board should not be formed now to handle the bonds and manage the water and sewer system of the whole county.

Councilman Colton reviewed the efforts of both the present Council and the previous Council to form a consolidated or metropolitan water district. He explained that after many months of study they were advised by the New York bond attorneys that due to the provisions of the previous water bond issues of 1936, 1951 and 1961 they would be restricted from transferring the water system to another agency without first paying off the previous outstanding bonds. He said that this was not a practical financial solution for the city and further efforts to consolidate were abandoned. He said that the committee then took a new approach, in which a financial agreement was worked out between the County and City, for both to contribute to the improvement of the water system. He said that this was very close to consolidation. He further stated that it was his understanding that the proposed bonds would not have the same restrictions as the old bonds and that consolidation at a future time would be possible.

Mrs. Marylyn Gordon, residing at 34 West Haven Drive, asked what other funds were available to the City from other sources and was $8,250,000 the entire cost of the improvements.

AN ORDER AUTHORIZING $8,250,000 WATER BONDS

BE IT ORDERED by the Council of the City of Asheville:

Section 1. That, pursuant to The Local Government Bond Act, as amended, the City of Asheville, North Carolina, is hereby authorized to contract a debt, in addition to any and all other debt which said City may now or hereafter have power or authority to contract, and in evidence thereof to issue Water Bonds in an aggregate principal amount not exceeding $8,250,000 for the purpose of providing funds, with any other available funds, for improving, reconstructing, enlarging, and extending the waterworks system of said City within and without the corporate limits of said City, including the construction and installation of additional water treatment, storage, and related facilities, laboratory and other water quality monitoring facilities, additional reservoir protection facilities, and additional water mains and lines, the relocation of water mains, and the acquisition of necessary land, rights of way, and equipment.

Section 2. That taxes shall be levied in an amount sufficient to pay the principal of and the interest on said bonds and that the application of any net revenues of the waterworks system to the payment of the principal of and the interest on any of said bonds under or pursuant to the provisions of Section 159-47 of the General Statutes of North Carolina is subject to the prior lien on such net revenues of the outstanding Water Refunding Bonds of the City, dated July 1, 1936; the outstanding Water Bonds of 1951, dated December 1, 1951; and the outstanding Water Bonds of 1961, dated November 1, 1961.

Section 3. That a sworn statement of the debt of the City has been filed with the City Clerk and is open to public inspection.

Section 4. That this order shall take effect when approved by the voters of the City at a referendum as provided in said Act.

Richard A. Wood, Jr.
Mayor

William F. Wolcott, Jr.
City Clerk

Approved as to form:

William C. Moore

Thereupon, upon motion of Councilman Ochsenreiter, seconded by Councilman Morris and carried, the order entitled: "ORDER AUTHORIZING $8,250,000 WATER BONDS," as amended and hereinabove set forth, was read in full a third time and placed upon its final passage. The vote upon the final passage of said order was:

Ayes: Councilman Henry E. Colton, Ralph D. Morris, Jr., J. W. Hoyle, Eugene C. Ochsenreiter, Jr., and Vice-Mayor Calvin W. Marshall.

Nyes: None

The Mayor then announced that the order entitled: "ORDER AUTHORIZING $8,250,000 WATER BONDS" had been adopted.

The City Clerk was thereupon directed to publish said order once in The Asheville Times, together with the appended statement, as required by The Local Government Bond Act, as amended.

this would be the first increase since 1966. Councilman Colton added that this would be an equal increase both for the City and County consumers.

Mrs. Sonya Fredricks, residing at 31 Innsbrook Road, asked about the industrial users and the difference in their rates.

Mayor Wood explained that there were only about eight (8) industrial customers who use a large enough quanity to be classified under the industrial rate, with all other commercial users being charged the same rate as residential users.

Mr. George Tisdale, residing at 65 Shorewood Drive, Chairman of the Citizens Committee to promote the sale of the bonds, asked again, as information, when the General Refunding and Water Bonds of 1936, 1951 and 1961 would be refunded and if all these bonds carried the covenant restrictions which disallowed the consolidation.

Mayor Wood explained that the 1936 bonds would be completely refunded in 1976; the 1951 bonds in 1987, and the 1961 bonds in 1990, and that all three issues have the same covenant restrictions.

Mr. Tisdale said he was convinced that some immediate action needed to be taken to upgrade the water system and he felt that the voters should vote for the bond issue. However, he said, they should be assured that any action taken now would not restrict possibilities of a consolidated water system in the future.

Mr. Joe Young, residing at 211 Lynnwood Road, asked if the 10-15 per cent increase in the water rates would be put in effect regardless of whether the bond issue passed.

Mayor Wood did not make a positive statement but explained that the rates could be increased at any time due to the rising cost of the day to day operations of the Water Department. However, he said to pay off the bonds a definite 10-15 per cent increase would be necessary.

Mr. Legoy Ray, residing at 3 Wilburn Road, asked what action the city would take to improve the water system if the bond referendum failed.

Mayor Wood said that he did not know what the alternative was, as he knew of no other way for the City of Asheville to raise this amount of money to make the necessary improvements.

There being no further comments Mayor Wood closed the public hearing at 4:31 o'clock p. m.

Thereupon, upon motion of Councilman Ochsenreiter, seconded by Councilman Morris and carried, the order introduced and passed on first and second readings on February 5, 1974 entitled: "ORDER AUTHORIZING $,8250,000 WATER BONDS" was amended by deleting from Section 2 thereof the words, "issued under and pursuant to a resolution passed by the Council on November 15, 1951," and the words, "issued under and pursuant to a resolution passed by the Council on September 21, 1961," to read as follows:

The question hereinabove set forth contains a statement of the purpose for which the bonds are authorized by the order referred to in such question.

If said bonds are issued taxes in an amount sufficient to pay the principal and interest thereof will be levied upon all taxable property in the City of Asheville.

For said referendum the regular registration books for elections in the County of Buncombe will be used and the registration books, process or records will continue to be open for the acceptance of registration applications and the registration of qualified persons between the hours of 9:00 A. M. and 4:30 P. M. on Monday to Friday, inclusive, of each week at the office of the County Board of Elections of Buncombe County located in Room 301 of the Buncombe County Courthouse, City-County Plaza, in Asheville.

For said referendum the registrars for the precincts in the City of Asheville will also accept registration applications and register qualified persons. Qualified persons who desire to register with the registrars for their respective precincts should call the office of the County Board of Elections mentioned above at telephone number 255-5492 for information and direction.

Those residents of the City who are presently registered under Buncombe County's permanent registration system and who have not changed residence from one precinct to another will be permitted to vote in the special bond referendum.

The last day for new registration of those not now registered under Buncombe County's permanent registration system is Friday, March 8, 1974.

The last day on which registered voters who have changed residence from one precinct to another may transfer registration is Friday, March 8, 1974.

Qualified voters who are not certain whether they are registered should contact the County Board of Elections at the office of said Board mentioned above.

The registration books will be open to inspection by any registered voter of the City during the normal business hours of the County Board of Elections on the days when the office of said Board is open, and such days are Challenge Days.

The registrars, judges and other officers of elections appointed by the County Board of Elections will serve as the election officers for said referendum.

The County Board of Elections will conduct said referendum.

The precincts and voting places for said referendum, subject to change as provided by law, are as follows:

PRECINCT	VOTING PLACE
Asheville #1	Courthouse
Asheville #2	William Randolph School
Asheville #3	Claxton School
Asheville #4	North Asheville Community Center

Thereupon Councilman Colton introduced in written form the following resolution which was read: 153

RESOLUTION CALLING A SPECIAL BOND REFERENDUM

BE IT RESOLVED by the Council of the City of Asheville:

Section 1. A special bond referendum is hereby called to be held between 6:30 A. M. and 7:30 P. M., on Saturday, April 6, 1974, at which there shall be submitted to the qualified voters of the City of Asheville the question stated in the Notice of Special Bond Referendum set forth in Section 3 of this resolution.

Section 2. For said referendum, (i) the regular registration books for elections in Buncombe County shall be used and the registration books, process or records shall be open for the registration of qualified persons and for public inspection in the manner, under the conditions and at the times and places as provided in said notice set forth in Section 3 of this resolution. (ii) the registrars, judges and other officers of elections appointed by the County Board of Elections of Buncombe County for the several precincts and voting places in said City shall be the election officers for such precincts and voting places, and (iii) the precincts and voting places shall be those fixed by said County Board of Elections as provided in said notice set forth in Section 3 of this resolution, subject to change as provided by law. The County Board of Elections of Buncombe County is hereby requested to conduct said referendum and to take all necessary steps to that end in accordance with the provisions of this section.

Section 3. The City Clerk shall cause a notice to be published in The Asheville Times once at least fourteen days before March 8, 1974 (being the last day on which persons may register for said referendum) and once again not less than seven days before said day, such notice to read substantially as follows:

RESOLUTION NO. 74-34 - RESOLUTION AND ORDER CLOSING AN UN-NAMED STREET AND ALLEY (OFF MELROSE AVENUE)

2. Consideration was given to a resolution and order closing an un-named street and alley off Melrose Avenue.

The City Manager read the resolution and order.

No one appeared in opposition to the closing of the alley.

Upon motion of Councilman Colton, seconded by Councilman Ochsenreiter, Resolution No. 74-34 was unanimously adopted.

Complete text of Resolution No. 74-34 will be found in Resolution Book No. 7 at page 206.

ORDINANCE NO. 796 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE HOUSES KNOWN AS 56 AND 72 CLEMMONS STREET, 3 HIGGINS PLACE, AND 76 PINE STREET

3. Consideration was given to the second reading of Ordinance No. 796, an ordinance directing the Housing Officer to demolish those houses known as 56 and 72 Clemmons Street, 3 Higgins Place, and 76 Pine Street.

Mayor Wood announced that since the ordinance was read in its entirety before the first reading it would not be read again unless someone specifically requested it. He did request the City Manager to read again the addresses and owners of the houses listed for demolition.

On a roll call vote of 6 - 0, Ordinance No. 796 was passed on the second reading.

ORDINANCE NO. 794 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS " AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (McDowell Street)

4. Consideration was given to the third and final reading of Ordinance No. 794, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (McDowell Street).

Thereupon the order entitled: "ORDER AUTHORIZING $8,250,000 WATER BONDS" and the resolution entitled: "RESOLUTION CALLING A SPECIAL BOND REFERENDUM" were authenticated by the signatures of the Mayor and the City Clerk, and the Corporation Counsel endorsed upon said order and said resolution his approval of the forms thereof.

PETITION - REQUEST FOR REZONING

The City Manager presented a petition to rezone Lot 58-3/4, Ward 8, Sheet 10 from RA-6 to Roadside Business.

In the absence of an objection from Council Mayor Wood referred the petition to the Planning and Zoning Commission for their review and recommendation.

RESIGNATION OF PHILIP C. COCKE - DIRECTOR OF PUBLIC WORKS

The City Manager reported to Council that he had received the letter of resignation from Philip C. Cocke, Director of Public Works, effective February 15, 1974. He said that the letter of resignation dated February 4, 1974 was for personal reasons and he did not feel that it was influenced by the recent city reorganization.

REPORT OF CITY MANANGER - COMPLAINT OF SHORT EAGLE STREET

The City Manager reported that, following the complaint of Mr. A. C. Mitchell regarding the condition of Short Eagle Street, he had ordered extensive maintenance to this street and that the work should be completed.

REQUEST FOR MINORITY REPRESENTATION ON CITY STAFF

Mr. Lawrence Gilliam, president of Alpha Phi Alpha Fraternity, told Council that his organization was concerned that with the reorganization of the City government not a single black person was included at the department head level. He read the following letter which he requested be made a part of the minutes.

GAMMA PSI LAMBDA CHAPTER
Alpha Phi Alpha Fraternity, Inc.
Asheville, North Carolina

February 20, 1974

Mr. Ernest J. Ward
City Manager, City of Asheville
City Hall Building
Asheville, N. C. 28807

Dear Mr. Ward:

At our regular meeting, we read and discussed the newspaper article which describes the re-organization of City government.

It is our greatest concern that this re-organization does not include a single black person or any other minority at the Department Head level.

This letter is intended to register our serious dissatisfaction and to also make you aware of the fact that there is tremendous unrest within our community over the recent exclusion of any minorities as responsible salaried officials.

It is generally agreed that this omission was perhaps an oversight. We are, therefore, requesting an appointment to meet with you as soon as possible regarding the re-organizational structure.

Please notify me as to when we can meet and discuss this matter in detail with you. In view of the fact that our organization is made up of professional men, I would like to suggest a time not conflicting with the regular work day. In the event that this is not possible, we have a committee that will meet with you any time that you specify.

Mayor Wood announced that the ordinance had been read as required; that Council had been furnished copies of the ordinance, and that unless specifically requested it would not be read again in its entirety.

Upon a roll call vote of 6 - 0, Ordinance No. 794 was passed on the third and final reading.

Complete text of Ordinance No. 794 will be found in Ordinance Book No. 6 at page 56.

RESOLUTION NO. 74-35 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR A 10-INCH WATER LINE FROM SWEETEN CREEK ROAD WEST TO THE COCA COLA PLANT SITE ON HAYWOOD ROAD, LIMESTONE TOWNSHIP.

5. Consideration was given to a resolution authorizing the Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for a 10-inch water line from Sweeten Creek Road west to the Coca Cola Plant site on Haywood Road, Limestone Township.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 74-35 was unanimously adopted.

Complete text of Resolution No. 74-35 will be found in Resolution Book No. 7 at page 208.

GASOLINE SITUATION - REPORT OF CHIEF J. C. HALL

Chief Hall reported to Council that he was encountering considerable traffic problems during the hours service stations are issuing gas. He said he just did not have the personnel to cope with it. He said if the motorists would line up on the same side of the street on which the station is located, and would keep the driveway entrances to residences and businesses open, it would be of great assistance to his department. He said he was asking for the public's cooperation during this crisis.

Vice-Mayor Marshall said that he was scheduled to attend a jobbers meeting that evening and would convey to this group Chief Hall's request. It was his suggestion that instead of the station operators being opened at various hours during the day they should all be open at specified hours. He said this would mean that the lines would only be formed at one time rather than continuously all day. Mayor Wood commented that he did not think the City could regulate the hours, but he said the City would regulate the traffic on the streets.

Mayor Wood said that he had recently been advised by the Asheville Transit Authority that a commuter plan was being developed to encourage the use of the buses during the emergency. He said the plan would offer convenient transportation to downtown at reduced weekly rates.

Councilman Horton suggested a public statement by Chief Hall asking the cooperation of the public in maintaining orderly lines and not blocking streets and driveways. Chief Hall advised him that this request had already been sent to all news media.

Regular Meeting

Present: Vice-Mayor Calvin W. Marshall, Presiding; Councilmen Henry E. Colton, J. W. Hoyle, Eugene C. Ochsenreiter, Jr., Bill B. Horton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Richard A. Wood, Jr., and Councilman Ralph D. Morris, Jr.

1. Approval of minutes of the February 21, 1974 meeting.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Colton, the minutes of the February 21, 1974 meeting were approved as submitted.

ORDINANCE NO. 796 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE HOUSES KNOWN AS 56 AND 72 CLEMMONS STREET, 3 HIGGINS PLACE AND 76 PINE STREET

2. Consideration was given to the third and final reading of Ordinance No. 796, an ordinance directing the Housing Officer to demolish those houses known as 56 and 72 Clemmons Street, 3 Higgins Place and 76 Pine Street.

Vice-Mayor Marshall announced that since the ordinance had been read in its entirety before the first reading it would not be read again unless someone specifically requested it. He did request that the City Manager repeat the reading of the addresses and owners of the houses listed for demolition.

On a roll call vote of 4 - 0, Ordinance No. 796 was passed on the third and final reading.

Complete text of Ordinance No. 796 will be found in Ordinance Book No. 6 at page 58.

RESOLUTION NO. 74-36 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE AMENDMENT TO LEASE AGREEMENT WITH INSURANCE INDUSTRIES, INC.

3. Consideration was given to a resolution authorizing the Mayor to execute an amendment to the lease agreement with Insurance Industries, Inc.

The City Manager read the resolution, and called on William C. Moore, Corporation Counsel, to comment on the amendment to the lease. Mr. Moore explained that the lease would remain the same except for the extension of the starting and completion date for the construction of the motel and that he would recommend approval of the amendment.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton, Resolution No. 74-36 was unanimously adopted.

Complete text of Resolution No. 74-36 will be found in Resolution Book No. 7 at page 209.

Your immediate consideration of this request will be greatly appreciated. I can assure you that we are genuinely concerned and willing to help in any way we can.

Sincerely,

/s Lawrence Gillian

MAYOR

William F. McEvoy
CITY CLERK

March 7, 1974

NO COUNCIL MEETING.

BIDS ON LOTS 97, 98, 99, 100, SHEET 13, WARD 5

The City Clerk reported that he had received a check for $400.00 from Mr. Carl Hyldburg, attorney for Mrs. Jensie Cordell, as payment for the purchase of Lots 97, 98, 99, 100, Sheet 13, Ward 5. He advised Council that the offer had just been received and the determination had not been made as to whether or not the City held title to the lots. Vice-Mayor Marshall requested the City attorney to look into the matter and make his recommendation to Council.

COUNCILMAN HORTON - NEW TAX EVALUATION

Councilman Horton reported that, from the telephone calls he had been receiving, citizens were concerned over the increases in the new assessed valuation of their property. He explained that under the State Statutes the tax department was compelled to assess on 100% of the actual value rather than 70% as was done in the past. He said this adjustment alone would increase the assessed value 43%. He explained that the new appraisals would also have some bearing on the 1974 evaluation. He said the increase in the 1974 assessed valuation would have to be in excess of 143% of the previous assessed value, before an increase would be reflected in the new evaluation. He said that it was possible that some taxes would be lower in 1974 than in 1973.

CHIEF HALL - REPORT ON GASOLINE SITUATION

Chief J. C. Hall reported that the long lines at the service stations, which had caused considerable traffic problems during the first few weeks of the gasoline shortage, were now beginning to shorten and that his department was finding the situation greatly improved.

SENIOR CITIZENS - FREE BUS TRANSPORTATION

Several senior citizens appealed to Council to give every consideration to the continuation of free bus transportation at reduced prices.

RICHARD PLEMMONS - COMPLAINTS

Richard Plemmons of Plemmons Manufacturing Company on Depot Street complained of a stopped up sewer in front of his business. He said the raw sewerage was backing up and coming out of his water meter and that it was running down the street. He said he had received very little relief from the City.

He also complained of the rate schedule set up for the new Civic Center. He said that rates were too high and discriminated against local performers. Vice-Mayor Marshall advised him that the rates were in line with similar centers throughout the state.

Mr. Plemmons told Council that he was not receiving adequate police protection and that his place of business had been subject to frequent break-ins.

The City Manager took note of the complaints and advised Council that he would look into them.

Adjournment.

Richard A. Wood Jr.
MAYOR

Miriam S. Holcomb
CITY CLERK

J. E. Johnson, Chief Building Inspector, reported that most of the dwellings in this area were substandard and some needed to be demolished.

Councilman Horton noted that there were other areas zoned industrial with street widths not exceeding 17 feet.

Councilman Morris commented that Mrs. Mountney was being denied the use of her property since it was not suitable for residential and zoning prohibited its use for industrial development.

On inquiry, Councilman Colton was advised that about three years ago, a comprehensive study to establish industrial zoning boundaries was done in this area, but was never put into effect.

There being no further discussion, Mayor Wood closed the public hearing at 3:50 o'clock p. m. He then requested the City Manager to read the previously prepared ordinance which would amend the zoning ordinance rezoning Mrs. Mountney's property in accordance with her request.

Councilman Ochsenreiter moved for the adoption of the ordinance which was seconded by Vice-Mayor Marshall.

In the discussion, Councilman Colton suggested that new zoning boundaries be established for the entire area rather than for one or two individual lots. His suggestion was supported by both Councilman Ochsenreiter and Councilman Morris. However, Vice-Mayor Marshall stated that he felt Mrs. Mountney had already been penalized with delays and he suggested that Council proceed with the problem at hand and take further action at a later date.

On a roll call vote of 6-0, Ordinance No. 797 was passed on the first reading. Mayor Wood scheduled the next reading for the following meeting.

Councilman Colton then moved that the Planning and Zoning Commission be requested to make a further study of this area in view of establishing new industrial boundaries. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

RESOLUTION NO. 74-37 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AGREEMENT BETWEEN THE BUNCOMBE COUNTY BOARD OF ELECTIONS AND CITY OF ASHEVILLE

3. Consideration was given to a resolution authorizing the Mayor to execute agreement between the Buncombe County Board of Elections and City of Asheville.

Corporation Counsel William C. Moore advised Council that in accordance with the North Carolina General Statutes he had negotiated an agreement with the Buncombe County Board of Elections establishing the cost of conducting City elections. In general he said the agreement called for the City to pay $800.00 per election for the use of the voting machines for all elections and the payment of 2/3 the cost of each City election. He recommended acceptance of the agreement.

Upon motion of Councilman Horton, seconded by Councilman Hoyle, Resolution No. 74-37 was unanimously adopted.

Complete text of Resolution No. 74-37 will be found in Resolution Book No. I at page 210.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Henry E. Colton, Ralph D. Morris, Jr., J. W. Hoyle, Eugene C. Ochsenreiter, Jr., Bill B. Horton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

1. Approval of minutes of the February 28, 1974 meeting.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, the minutes of the February 28, 1974 meeting were approved as submitted.

PUBLIC HEARING - REZONING OF LOTS 226-227, WARD 7, SHEET 16 - REZONE FROM RA-6 RESIDENTIAL TO INDUSTRIAL

ORDINANCE NO. 797 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED.

2. A public hearing was held to consider the rezoning request of Mrs. Willie Ethel R. Mountney to rezone Lots 226-227, Ward 7, Sheet 16 from RA-6 Residential to Industrial.

Mayor Wood opened the public hearing at 3:06 o'clock p. m.

The City Manager was requested to read the notice of the hearing and the affidavit of publication.

Mr. Verl Emrick, Planner for the Metropolitan Planning Commission, read a recommendation from the Planning and Zoning Commission which denied the request. They further recommended that until proper standards for construction and flood proofing in flood prone districts were adopted by the City, that an immediate city-wide moratorium be imposed on further development in the flood prone areas.

Mr. Emrick cited the unaccessability to the property due to substandard rights of way and present street widths; major safety hazards because of congestion; the substandard bridge crossing the Swannanoa River leading to the area and that the property was within the flood fringe area of the Swannanoa River, as the planning staff's reasons for recommending that the petition be denied.

It was conceded in answer to Councilman Morris's comments that it would be safer for a factory to be located in the flood prone area rather than a residence that could be subject to flooding conditions at night.

Mrs. Mountney in her argument for the rezoning stated that in her opinion the property was most undesirable for residential use because of the danger of flooding. In rebuttal to the planners contention that the property was unaccessable, she stated that there were three access routes to the area. She cited Thompson Street, State Road No. 81 with the bridge across the Swannanoa River and the approach from the Oakley section. She said she could not dispose of the property for residential use but that she did have people interested in building a warehouse.

RESOLUTION NO. 74-39 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENTS WITH THE NORTH CAROLINA STATE HIGHWAY COMMISSION FOR WATER LINE CONNECTIONS ON U. S. HWY. 25 LIMESTONE TOWNSHIP, BUNCOMBE COUNTY, CITY OF ASHEVILLE

6. Consideration was given to a resolution authorizing Mayor to execute right of way encroachment agreements with the North Carolina State Highway Commission for water line connections on U. S. Hwy. 25 Limestone Township, Buncombe County, City of Asheville.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, Resolution No. 74-39 was unanimously adopted.

Complete text of Resolution No. 74-39 will be found in Resolution Book No. 7 at page 212.

RESOLUTION NO. 74-40 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN APPLICATION FOR APPROVAL OF PLANS AND SPECIFICATIONS FOR EXTENSION OF WATER LINES TO SERVE PROPOSED COCA-COLA PLANT SITE

7. Consideration was given to a resolution authorizing Mayor to sign application for approval of plans and specifications for extension of water lines to serve proposed Coca-Cola Plant Site.

The City Manager read the resolution.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Marshall, Resolution No. 74-40 was unanimously adopted.

Complete text of Resolution No. 74-40 will be found in Resolution Book No. 7 at page 213.

REZONING - MR. AND MRS. SHUFORD H. HALL - ARLINGTON STREET - WARD 2, SHEET 17, LOTS 7, 9-1/2, 10-1/2, AND 97

8. Consideration was given to the request for rezoning Lots 7, 9-1/2, 10-1/2, and 97, from RA-9 Residential District to RA-M Residential District.

The City Manager read a letter from the Planning and Zoning Commission recommending that the request be denied.

The City Manager advised Council that even though the petition had been denied by the Planning and Zoning Commission, the petitioner, Mr. and Mrs. Shuford H. Hall, had requested a public hearing.

Councilman Horton moved that the petitioner's request be granted; that the public hearing be held on April 4, 1974, and that the legal advertisement be published at the petitioner's expense. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

RESOLUTION NO. 74-38 - RESOLUTION AUTHORIZING THE EXECUTION OF A THIRD PARTY CONTRACT BETWEEN THE CITY OF ASHEVILLE AND THE GREATER ASHEVILLE EDUCATIONAL RADIO ASSOCIATION, INC. FOR THE OPERATION OF THE "EDUCATIONAL RADIO BROADCAST SERVICES" PROJECT OF THE THIRD ACTION YEAR COMPREHENSIVE CITY DEMONSTRATION PROGRAM

4. Consideration was given to a resolution authorizing the execution of a third party contract between the City of Asheville and the Greater Asheville Educational Radio Association, Inc. for the operation of the "Educational Radio Broadcast Services" Project of the Third Action Year Comprehensive City Demonstration Program.

The City Manager presented the resolution.

On inquiry from Council, James Robinson, President of GAERA, explained that GAERA was educational F M.Radio Staeion which would cover educational, entertainment, cultural and informational program eighteen hours a day, seven days a week. He said it would cover 17 miles and its primary audience would be the disadvantaged whites and blacks concentrated within the inner city. He said the $10,000 being requested from Model Cities funds would be used in the most part for operations.

Councilman Ochsenreiter moved for the adoption of the resolution which was seconded by Councilman Colton and carried unanimously.

Complete text of Resolution No. 74-38 will be found in Resolution Book No. 7 at page 211.

BIDS - STAGE EQUIPMENT FOR THE CIVIC CENTER

5. Consideration was given to bids received March 11, 1974 for Dimmerboard, Stage Curtains, and Follow Spotlight for the Asheville Civic Center.

The City Manager presented the bids and read a memorandum from the Purchasing Agent recommending the low bid for each item.

Mayor Wood questioned the discrepancy for Item 2 between $4,581.42 as shown on the bid sheet and the $5,257.80 recommended. James Evans, Civic Center Manager, advised him that the difference represented an extra drape as an alternate and he recommended that it be included.

Councilman Morris moved for the acceptance of the low bid for each item including the alternate bid for item #2. This motion was seconded by Councilman Horton and carried unanimously.

Bid Summary No.202 - Dimmerboard, Stage Curtains, and follow spotlight

	Bids		
Bidder	Item #1 Dimmerboard	Item #2 Stage Curtains	Item #3 Follow Spotlight
HUB Electric Company, Inc.	$12,839.00	No Bid	$3,185.00
Standard Theater Supply	No Bid	$5,257.80	$2,500.00
American Scenic Company, Inc.	12,240.00	$5,934.00	$2,839.00

POLICE CARS - MARKINGS

Mayor Wood called attention to the new markings to be used on all police cars and commended Chief Hall in putting this into effect.

FREE BUS TICKETS FOR SENIOR CITIZENS

Several senior citizens again appealed to Council to continue the free bus ticket program for the Senior Citizens Group. Logan Delany told Council that the money and tickets had run out. He said if funds are available at a later date, then it might be allocated for more passes.

50th ANNIVERSARY OF THE ASHEVILLE FIRE DEPARTMENT - SUGGESTION FROM JAMES GREY

Mr. James Grey called attention to the 50th Anniversary of the Asheville Fire Department on April 1, 1974. He suggested that steps be taken to schedule a parade or some event in recognition of this date. Mayor Wood advised him that plans were already under way along this line.

Adjournment.

REZONING - MR. AND MRS. G. W. LAMBERT BY WACHOVIA BANK - VERMONT AVENUE- WARD 5, SHEET 12, LOT 201

9. Consideration was given to the request for rezoning Lot 201, Sheet 12, Ward 5 from RA-6 Residential to Business.

The City Manager read a letter from the Planning and Zoning Commission which recommended that the request be granted.

Councilman Ochsenreiter moved that the public hearing be held on April 4, 1974 and that the legal advertisement be published at the petitioner's expense. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

REZONING - MR. JAMES P. ROBERTS - WHITE PINE DRIVE

10. Consideration was given to the request for rezoning Lot 58-3/4, Sheet 10, Ward 8 from RA-6 Residential to Roadside Business Area.

The City Manager read a letter from the Planning and Zoning Commission recommending that the request be denied.

The City Manager advised Council that even though the petition had been denied by the Planning and Zoning Commission, the petitioner, Mr. James P. Roberts, had requested a public hearing.

Councilman Morris moved that the petitioner's request be granted; that the public hearing be held on April 11, 1974, and that the legal advertisement be published at the petitioner's expense. This motion was seconded by Councilman Hoyle and carried unanimously.

REPORT OF CITY MANAGER ON RICHARD PLEMMONS COMPLAINTS

The City Manager reported that the complaints of Richard Plemmons presented at the February 28, 1974 meeting, as they pertained to the City of Asheville, had been corrected.

MODEL CITIES RESOLUTION - SENIOR OPPORTUNITIES PROJECT BUILDING

Logan Delany, Model Cities Director, presented for the record a copy of a resolution passed by the Model Cities Commission recommending the purchase of the Senior Opportunities Project building on Grove Street under the Third Action Year Comprehensive City Demonstration Program.

PROCLAMATION - HIRE THE OLDER WORKER WEEK - MARCH 10-16

Mayor Wood proclaimed the week of March 10-16 as "Hire the Older Worker Week."

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, Resolution No. 74-41 was unanimously adopted.

Complete text of Resolution No. 74-41 will be found in Resolution Book No. 7 at page 214.

RESOLUTION NO. 74-42 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A LEASE BETWEEN THE CITY OF ASHEVILLE AND THE ASHEVILLE AA BASEBALL, INC.

5. Consideration was given to a resolution authorizing the Mayor to execute a lease between the City of Asheville and the Asheville AA Baseball, Inc.

The City Manager presented the resolution and called on Mr. Ray Kisiah, Director of Parks and Recreation, to review the resolution for Council.

Mr. Kisiah explained that the new lease to the Asheville AA Baseball, Inc. was generally the same as the 1973 lease with the City furnishing McCormick Field at $1.00 per year plus 30% of the lessee's first $5,000 net profit before taxes; 25% of lessee's next $5,000 net profit before taxes; and 20% of all lessee's net profit in excess of $10,000.

He then introduced Jim Duffy, General Manager for the 1974 season. Mr. Duffy explained that the Orioles was the only Class AA Baseball team in either North or South Carolina. He said he hoped for a better attendance over the past year and that the first home game would be April 22nd with the season opening April 16th with an out-of-town game.

Upon motion of Councilman Hoyle, seconded by Councilman Horton, Resolution No. 74-42 was unanimously adopted.

Complete text of Resolution No. 74-42 will be found in Resolution Book No. 7 at page 215.

BIDS - THIRTY SETS BLEACHER FRAMES FOR PARKS AND RECREATION DEPARTMENT

6. Consideration was given to bids received March 11, 1974 for thirty (30) sets of bleachers (frames only) for the Parks and Recreation Department.

The City Manager presented the bids and read memorandums from the Purchasing Agent and the Director of Parks and Recreation recommending the award to Cunningham Associates, Inc. in the amount of $4,916.40.

Mr. Kisiah advised Council that these bleachers would be used mainly in Weaver Park, the new West Asheville Park, and Riverside Drive but could be transported to other parks as needed.

Councilman Morris moved to accept the low bid of Cunningham Associates, Inc. in the amount of $4,916.40. Councilman Colton seconded this motion, which carried unanimously.

Bid Summary - Bid Request No. 201 - Thirty (30) sets bleacher frames for Parks-Recreation

Bidder	Bid

SALE OF PARCEL 8-C- CIVIC REDEVELOPMENT PROJECT N. C. R-13

3. Consideration was given to the approval of the sale of parcel 8-C in the Civic Redevelopment Project N. C. R-13.

The City Manager read a memorandum from W. C. King, Acting Executive Director of the Asheville Housing Authority, recommending the approval of the bid received from Beverly-Grant, Inc. in the amount of $140,000.00.

Mr. King advised the Council that Beverly-Grant, Inc. bid was for 99,999.94 square feet at the minimum approved price of $1.40 per square feet. He said the proposed improvement would consist of the construction of a three level office building with 33,600 square feet of rentable space and a total floor area of 40,400 square feet. He said the estimated cost of the structure was $807,600.00. He said it was his opinion that this was the best use for the property and recommended approval of the bid offer. He said that the deed could not be delivered nor the grading done on the property, until the completion of the utility relocation in connection with the construction of Charlotte Street.

RESOLUTION NO. 74-43 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE CAROLINA POWER AND LIGHT COMPANY FOR THE SUPPLY OF ELECTRICITY TO THE RECREATION FACILITIES AND SWIMMING POOL ON GASHES CREEK ROAD (CITY OF ASHEVILLE RECREATION PARK)

7. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the Carolina Power and Light Company for the supply of electricity to the Recreation Facilities and Swimming Pool on Gashes Creek Road (City of Asheville Recreation Park).

The City Manager presented the resolution and explained that this was a routine lease, with the City having an option of paying $33.00 per month or $1,980.00 per year for this service.

Councilman Morris moved for the adoption of the resolution, which was seconded by Councilman Colton and carried unanimously.

8. Consideration was given to a resoluton authorizing Mayor to execute fight of way encroachment agreement with the North Carolina State Board of Transportation for water line extension across SR 3181, Limestone Township.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 74-47 was unanimously adopted.

Complete text of Resolution No. 74-47 will be found in Resolution Book No. 7 at page 220.

REZONING PETITION - FRED PEARLMAN - BETWEEN 669 MERRIMON AVENUE AND 32 LONG STREET

9. The City Manager presented a petition from Fred Pearlman, owner of a piece of property lying between 669 Merrimon Avenue and 32 Long Street requesting that said property be rezoned from RA-6 Residential to Neighborhood Trading Area.

In the absence of any objection from members of Council Mayor Wood referred the petition to the Planning and Zoning Commission for study and recommendation.

SIGN PERMIT - HILTON INN - PATTON AVENUE

10. Consideration was given to the approval of an application for a directional sign for the Hilton Inn, to be located on the T. C. Smith property on the East side of the Hanover connector.

Councilman Morris being advised by the Corporation Counsel that this understanding could be stipulated, moved for the approval of the sale of parcel 8-C to Beverly-Grant, Inc. in the amount of $140,000.00, with the stipulation that the sale would not be closed until the necessary utility relocations were completed. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

APPROVAL OF FINAL SUBDIVISION PLAT - CAMELOT SECTION IV

4. Consideration was given to the approval of the final subdivision plat for Camelot Section IV.

The City Manager read memorandums from the Planning and Zoning Commission, the Corporation Counsel, and the Director of Public Services advising Council that they had reviewed the plat and found that it conformed to the necessary subdivision regulations.

Councilman Colton moved for the approval of the plat which was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO. 74-44 - RESOLUTION REGARDING AUDITING CONTRACT

5. Consideration was given to a resolution directing the City Manager to execute a contract with the auditing firm of Calder and Crawley Company of Asheville, North Carolina for the fiscal year ending June 30, 1974.

The City Manager read the resolution.

Upon motion of Councilman Horton, seconded by Councilman Morris, Resolution No. 74-44 was unanimously adopted.

Complete text of Resolution No. 74-44 will be found in Resolution Book No. 7 at page 217.

RESOLUTION NO. 74-45 - RESOLUTION COMMEMORATING THE 50TH ANNIVERSARY OF THE ASHEVILLE FIRE DEPARTMENT

6. Consideration was given to a resolution commemorating the 50th Anniversary of the Asheville Fire Department.

The City Manager read the resolution.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Marshall, Resolution No. 74-45 was unanimously adopted.

Fire Chief Powell Ball advised Council that the Fire Department would celebrate the anniversary by holding open house at all stations from 9:a. m. to 9:p. m. He said that fire equipment would also be on display at Pritchard Park and personnel would be available to talk with the public.

Complete text of Resolution No. 74-45 will be found in Resolution Book No. 7 at page 218.

MRS. ROY ROGERS - REQUEST PURCHASE OF SENIOR CITIZENS BUILDING ON GROVE STREET

Mrs. Roy Rogers again appealed to Council to make some decision for the purchase of the Senior Citizens Building on Grove Street. She said that her group desperately needed a new kitchen which could not be made until the building was purchased.

She was advised that a new lease, which included an option to purchase the property, had been entered into and that a real estate appraiser had been employed to appraise the property and further action would have to be delayed until after the appraisal.

Adjournment.

Richard A. Woodruff
MAYOR

William F. McCarthy Jr.
CITY CLERK

On inquiry, Mr. Johnson advised Council that this sign application was being brought before Council in accordance with Ordinance No. 609 which requires that a sign permit involving any sign to be placed within 200 feet of the Crosstown Expressway requires their approval.

Mr. Kinser, owner of the Hilton Inn and applicant for the sign permit assured Council that the Hilton Inn would be the owner of the sign and would be used for directional purposes only.

Councilman Colton moved that the sign permit be approved subject to its being used only for directional advertising for the Hilton Inn. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

MODEL CITIES COMMISSION - POSITION STATEMENT ON REORGANIZATION PLAN OF ASHEVILLE'S GOVERNMENT

Dr. Gene E. Rainey, Chairman of the Asheville Model Cities Commission, read a prepared position statement on assessing the new reorganization plan of Asheville's government.

The basic recommendation was the City re-examine the reorganization plan and consider establishing a department directly accountable to the Council through the City Manager, responsible for the following functional areas:

(1) Social Program Planning
(2) Evaluation and Monitoring
(3) Citizen Participation
(4) Administration of Community Development Program
(5) Planning processes and concepts developed through the Model Cities Program
(6) Employment opportunities for minorities at the policy, decision-making level.
(7) Public relations and information activities

Mayor Wood thanked Dr. Rainey for his presentation.

REQUEST OF MR. PETE FRADY - PRESIDENT OF HARVEST HOUSE SENIOR CITIZENS

Mr. Pete Frady, President of Harvest House Senior Citizens, located on Kenilworth Road told Council that his group needed some up-dated equipment in the way of pool table, shuffle boards, renovated rest rooms, kitchen floor, and some landscaping in the rear of the building. He asked that every consideration be given to this request.

Mayor Wood referred the request to the City Manager.

In answers to questions by Council Mr. Westall stated that the present Day Care operation had been there for 8 or 9 years accommodating some 43 children.

In answer to Councilman Horton's question Mrs. Hall told Council that she had operated day care centers for about 2[illegible] years but that she had never had any complaints either at this or other locations.

Mr. Shuford Hall speaking in support of the petition stated that the size of the lots would afford sufficient play area in conjunction with the new day care center; that with the exception of two other lots all the property in the block would be zoned the same; that the access and utilities were adequate; that in his opinion a new $60,000 building would not detract from the value of the surrounding area; that the noise aspect would not be any worse than a school that could be built on the property as now zoned.

F. D. Fitzgerald Horne, 40 Hollywood Street, said that he had signed the original petition opposing the rezoning before he realized that it would restrict the Halls from relocating their Day Care Center. He said that since finding this out he now supports the petition. He said he lived 100 feet from the Day Care Center and that noise was not objectionable nor did the Day Care Center cause a nuisance.

Jess Searles, speaking in support of the petition, said that he lived on the south side of the Day Care Center property and that it was not objectionable to him. He said he was not asking that his property be rezoned but he would not object to any changes requested by the Halls.

Mrs. Jule Wilson, spoke in support of the petition.

Mayor Wood requested that the minutes show that at the conclusion of the arguments in favor of the petition the time was 3:37 o'clock p. m.

At this time Mr. John Shackleford, attorney for the 74 petitioners who oppose the rezoning, presented his arguments to Council. He called attention to Section 15 of the Zoning Ordinance which states "in the case of a protest against such change duly signed and acknowledged by the owners of 20% or more of the frontage proposed to be changed, or of the frontage immediately in rear, or directly opposite thereto, such amendment shall not be passed except by a three-fourths vote of all members of the City Council." Mr. Shackleford said that the petition that he filed with the Planning and Zoning Commission met these standards. Mayor Wood asked the Corporation Counsel to verify the property owners and the frontage.

Mr. Shackleford argued that Council was being asked not to approve a Day Care Center but to change a piece of property from a low density area to a high density area and that it would remain this way from now on. He argued that a piece of property consisting of some 52,000 square feet under RA-M zoning would support a Day Care Center for 150 children or an apartment containing 18 units. He said this would increase the traffic on streets not designed for this volume. He further argued that such a change would constitute "spot zoning" which he said was illegal. In answer to questions from Council, Mr. Shackleford said he felt that a Day Care Center would definitely decrease the property values in the area. He said he could not answer Councilman Colton's question as to whether his clients would be satisfied with RA-8 zoning instead of RA-M. He said he felt this would still constitute spot zoning.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Councilmen Henry E. Colton, Eugene C. Ochsenreiter, Jr., Ralph D. Morris, Jr., J. W. Hoyle, Bill B. Horton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Calvin W. Marshall

1. Approval of minutes of the March 28, 1974 meeting.

Upon motion of Councilman Hoyle, seconded by Councilman Ochsenreiter, the minutes of the March 28, 1974 meeting were approved as submitted.

PUBLIC HEARING - REZONING REQUEST OF PROPERTY ON ARLINGTON STREET- OWNED BY MR. AND MRS. SHUFORD HALL

ORDINANCE NO. 798 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED.

2. A public hearing was held to consider the rezoning request of Mr. and Mrs. Shuford Hall to rezone Lots 7, 9-1/2, 10-1/2, and 97, Ward 2, Sheet 17, from RA-9 Residential District to RA-M Residential District.

Mayor Wood opened the public hearing at 3:03 o'clock p. m.

The City Manager read the notice of public hearing and the affidavit of publication.

Mr. Verl Emrick of the Planning and Zoning Commission staff, read the recommendation of the Planning and Zoning Commission which denied the request and recommended that property remain as it is now zoned. He said that the staff recommendation was to grant the rezoning request and gave the following reasons:

1. The property is contiguous to an existing RA-M District and the surrounding land uses exhibit high density use characteristics;

2. Even though the property is now serviced by a 2" water line, adequate service isavailable through a 10" line on Hollywood Street;

3. Access from Cameron and Arlington Streets is adequate;

4. There is an apparent need for such a facility in this neighborhood.

Mr. Jack Westall, attorney for Mr. and Mrs. Hall, told Council that the property that his clients wished rezoned was adjacent to the property on which the Halls now operate a Day Care Center; that they are being forced to move this operation because the Department of Transportation is acquiring their present property for right of way purposes in the construction of the highway through Beaucatcher Mountain; that the Office of the State Child Care Licensing had approved their plans for the new operation to accommodate 74 children; that according to the planning staff report all physical features such as water, sewer, access and parking were adequate and did not present a problem; that it was admitted that there was some noise but that it was not objectionable and since it was limited to the day time hours it did not disturb the neighbors at night or during sleeping hours.

Mr. Verl Emrick, of the Planning Staff, reviewed with Council the location of the lot in question and advised them that if the lot was rezoned the Wachovia Bank wished to purchase the lot in order to expand their parking and drive-in facilities. He read a memorandum from the Planning and Zoning Commission recommending approval of the rezoning request.

There being no opposition, Mayor Wood closed the public hearing at 4:32 o'clock p. m.

The City Manager was requested to read the ordinance amending the Zoning Ordinance.

Councilman Colton moved for the adoption of the ordinance, which was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 799 passed on the first reading.

RESOLUTION NO. 74-48 - RESOLUTION AUTHORIZING THE MAYOR OF ASHEVILLE TO EXECUTE A GRANT AWARD AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF ADMINISTRATION, OFFICE OF STATE PERSONNEL FOR AN EMPLOYEE RELATIONS WORKSHOP PROGRAM FOR CITY OF ASHEVILLE PERSONNEL

4. Consideration was given to a resolution authorizing the Mayor of Asheville to execute a grant award agreement with the North Carolina Department of Administration, Office of State Personnel for an Employee Relations Workshop Program for City of Asheville personnel.

The City Manager read the resolution and called on Personnel Director. Mike Smith for comments. Mr. Smith advised Council that the program set up under the Intergovernmental Personnel Act of 1970, supervised by Western Carolina Industries, was to train supervisory employees of the City in the field of employee relationship. He said it would involve some 115 employees in the supervisory capacity, who would attend two (2) eight hour sessions. He said the program was to start immediately at no cost to the City.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton, Resolution No. 74-48 was unanimously adopted.

Mayor Wood stated that he and Councilman Ochsenreiter had previewed the course and were favorably impressed. He commended Mr. Smith for working it out.

Complete text of Resolution No. 74-48 will be found in Resolution Book No. 7 at page 221.

BIDS - EXHIBIT BOOTHS - ASHEVILLE CIVIC CENTER

5. Consideration was given to bids received March 28, 1974 for Exhibit Booths and Crowd Control Ropes for the Asheville Civic Center.

The City Manager presented the bid summary and read the memorandum of the Purchasing Agent and the Civic Center Manager who recommended the low bid of $12,001.00 submitted by Standard Theatre Supply of Greensboro.

Councilman Morris moved to accept the low bid of $12,001.00 submitted by Standard Theatre Supply. This motion was seconded by Councilman Hoyle and carried unanimously.

Mr. Rupert Dillingham, a resident in the area, said he concurred with Mr. Shackleford primarily because of the increase in traffic volume.

Mrs. Wilma Rogers, 115 Arlington Street, said she objected to the rezoning as it was putting a commercial business in herefront door.

Mrs. Elma Willis, 19 Westview Road, also objected to the rezoning because of the commercial downgrading of the area.

Mr. Moore, Corporation Counsel, verified that the petition opposing the rezoning was signed by property owners who owned more than 20% of the abutting or adjacent ppoperty and that Section 15 of the Zoning Ordinance would apply.

It was established that in accordance with State Health Standards, that the area in question would accommodate a Day Care Center 2-1/2 times as large as the one now in operation.

Mayor Wood instructed the City Clerk to note in the minutes that the formal arguments presented by the opposition to the rezoning was concluded at 4:10 o'clock p. m.

Mrs. Gary Dotson, a resident of Arden, said she had a child entolled in the Day Care Center and that all the children were well disciplined and were not noisy. This brought opposing opinions from Mr. Dillingham, Mrs. Rogers and Mrs. Willis.

Mayor Wood closed the public hearing at 4:25 o'clock p. m. He then requested the City Manager to read the prepared ordinance which would amend the zoning ordinance

Councilman Horton moved for the adoption of the ordinance, which was seconded by Councilman Ochsenreiter.

In the discussion, Councilman Morris was advised by the Assistant Building Inspector that if the amended ordinance were passed his office would have to approve a building permit for any use permitted in RA-M.

On a roll call vote of 2-3, Ordinance No. 798 failed on the first reading. Councilman Ochsenreiter and Horton voting "yes" and Councilmen Colton, Morris, and Hoyle voting "no".

PUBLIC HEARING - REZONING REQUEST ON VERMONT AVENUE - PROPERTY OF G. W. LAMBERT FOR WACHOVIA BANK

ORDINANCE NO. 799 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED.

3. A public hearing was held to consider the request of Mr. and Mrs. G. W. Lambert to rezone Lot 201, Ward 5, Sheet 12 from RA-6 Residential to Business.

Mayor Wood opened the public hearing at 4:30 o'clock p. m.

The City Manager was requested to read the public notice and the affidavit of publication.

The land cost for the parking facility is $225,700.00, which the City will obtain from revenue sharing funds. Wilbur Smith & Associates, of Columbia, South Carolina, a leading national firm in the field of parking facility feasibility studies and construction, will serve as architects for this project. Estimated construction cost of $1,750,000.00 will be obtained through revenue bonds issued through the North Carolina Local Government Commission.

Purchase contracts have been obtained by the City on all of the properties involved in this project and the new library facility jointly announced today by the City and County. Purchases will be completed as promptly as possible. The total land cost for land acquired by the City for the parking garage and library is $535,700.00. Original appraisals were obtained by the City from Mr. William T. Duckworth, M.I.A., indicating a fair market value of the four involved properties of $481,500.00. However, the City was reluctant to resort to lengthy condemnation proceedings to acquire land for the parking facility and did not have the right to condemn property for library purposes. In addition, the appraisals did not take into consideration the fact that the property being acquired will include at no cost alleyways which will be closed and which are in excess of 10% in additional square footage of property.

RESOLUTION NO. 74-49 - RESOLUTION AUTHORIZING THE CITY OF ASHEVILLE TO ACQUIRE CERTAIN PROPERTY LOCATED BETWEEN HAYWOOD STREET AND RANKIN AVENUE BY PURCHASE AND LEASE

Consideration was given to a resolution authorizing the City of Asheville to acquire certain property located between Haywood Street and Rankin Avenue by purchase and lease.

The City Manager read the resolution.

Mayor Wood announced that appraisals of the property involved had been made by W. T. Duckworth, Jr. He quoted the appraisal figures and compared them with the purchase price of the properties.

Property	Appraisal	Purchase Price
Harry Blomberg - Haywood St. and Rankin Avenue	$320,000	$361,200
Lewis Lipinsky Est.- Rankin Avenue	45,000	49,500
Hood Estate -Haywood Street	55,000	55,000
		plus $5,000 paid to Ruth Lee Fashions to abandon a 3 year lease
Mrs. Edith Dawson - Rankin Avenue	61,500	-Lease at $375/mo. plus option to purchase for $65,000

Mayor Wood stated that in addition to the above the City had acquired, at no cost, other alleys and easements amounting to about 10% of the entire tract. He said this was done by agreement between the City, Mr. Julian Woodcock and Mr. Jack Shulman.

Councilman Morris moved for adoption of the resolution, which was seconded by Councilman Horton and carried unanimously.

Complete text of Resolution No. 74-49 will be found in Resolution Book No. 7 at page 222.

NEWS RELEASES - PACK MEMORIAL LIBRARY AND MULTI-STORY PARKING FACILITY

Before continuing with the next order of business Mayor Wood instructed the City Clerk to enter into the minutes the news releases issued at 2:00 o'clock p. m., just prior to Council meeting, relative to the proposed jointly financed new facility for Pack Memorial Library and the City's announcement of the proposed construction of a multi-story parking facility.

CITY AND COUNTY NEWS RELEASE ON LIBRARY FACILITIES

April 4, 1974

The City of Asheville and Buncombe County are today jointly announcing the acquisition of land by the City of a parcel of land on Haywood Street for the construction of a jointly financed new facility for Pack Memorial Library. The new Library will be a one-story and lower level structure at the corner of Haywood Street and Vanderbilt Place, consisting of approximately 55,000 square feet. This compares to the present library of 16,000 square feet on five floors.

Construction Cost, including equipment, is estimated by Library officials and their architect, J. Bertram King, F. A. I. A., at $2,118,000.00. Of this amount, Buncombe County will contribute $1,500,000.00 and the City will contribute $618,000.00. The City is also contributing the cost of the land for the Library of $310,000.00, for a total City contribution of $928,000.00 and a total project cost of $2,428,000.00.

County and City officials will each appropriate revenue sharing funds for this project. Any reductions or increases in total cost of the project will be shared by the City and County in proportion to their respective contributions stated above. The present library facility on Pack Square will be sold when the new building is occupied and the City and County will divide the sale proceeds in proportion to the above contributions to the new facility.

Construction of the new Library, which requires a substantial amount of advance planning and design, should commence during early 1975 and be completed in late 1976.

CITY NEWS RELEASE ON PARKING FACILITIES

The City of Asheville is today announcing plans for construction of a multi-story parking facility in the downtown area, with capacity for approximately 600 cars. The facility will be especially unique and accessible, as on-grade access will be available from Vanderbilt Place and Rankin Avenue. The new library facility jointly announced today by the City and County will also afford an automobile ramp and pedestrian walkway from Haywood Street when the new library is completed. The garage will be constructed to permit future expansion of 200 to 250 additional cars.

The City Manager read the resolution and explained that the resolution referred to a release settling a lawsuit that had been pending for some time.

Upon motion of Councilman Hoyle, seconded by Councilman Colton, Resolution No. 74-51 was unanimously adopted.

Complete text of Resolution No. 74-51 will be found in Resolution Book No. 7 at page 224.

WATER BOND REFERENDUM - SATURDAY, APRIL 6, 1974

Councilman Morris called attention to the Water Bond Referendum scheduled for Saturday, April 6, 1974 and encouraged everyone to vote.

Mayor Wood added that he wished to thank the Citizens Committee, chaired by Mr. George Tisdale with Councilman Colton as Vice-Chairman, for the excellent manner in which they had presented the Water Bond issues to the public. He also encouraged everyone to vote for the issuance of the Water Bonds.

MAYOR WOOD - NEGOTIATIONS TO ACQUIRE PROPERTY FOR PROPOSED PARKING GARAGE

Mayor Wood also expressed his thanks to all that assisted him in the long and sometimes frustrating negotiations necessary to acquire the property for the proposed parking garage.

Adjournment.

MAYOR

CITY CLERK

ORDINANCE NO. 800 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1973-74

Consideration was given to an ordinance amending the operating budget of the City of Asheville for the Fiscal Year 1973-74.

The City Manager read the ordinance and advised Council that passage would be necessary to purchase the parking garage property approved in the preceding resolution. He requested that Council pass it on all three readings at this time.

Councilman Ochsenreiter moved for the adoption of the ordinance, which was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 800 passed on the first reading.

Councilman Ochsenreiter then moved to suspend the rules and to consider the ordinance on the second reading. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 800 passed on the second reading.

Councilman Ochsenreiter then moved to suspend the rules and to consider the ordinance on the third reading. Councilman Hoyle seconded this motion and it carried unanimously.

On a roll call vote of 5-0, Ordinance No. 800 carried on the third and final reading.

Complete text of Ordinance No. 800 will be found in Ordinance Book No. 6 at page 64.

RESOLUTION NO. 74-50 -RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO AN AGREEMENT WITH LAW ENGINEERING TESTING COMPANY FOR THE PERFORMANCE OF SUB-SURFACE SOILS AND FOUNDATION INVESTIGATION

Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into an agreement with Law Engineering Testing Company for the performance of sub-surface soils and foundation investigation.

The City Manager read the resolution and explained that the contract with Law Engineering Testing Company referred to in the resolution was for the sub-surface soils and foundation for the parking facility.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 74-50 was unanimously adopted.

Complete text of Resolution No. 74-50 will be found in Resolution Book No. 7 at page 223.

PUBLIC HEARING - REZONING REQUEST OF PROPERTY ON WHITE PINE DRIVE - OWNED BY JAMES P. ROBERTS

ORDINANCE NO. _____ AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held to consider the request of James P. Roberts to rezone Lot 58-3/4, Ward 8, Sheet 10 from RA-6 Residential to Roadside Business Area.

Mayor Wood opened the public hearing at 3:07 o'clock p. m.

The City Manager was requested to read the public notice and the affidavit of publication.

Mr. Verl Emrick, of the Planning Staff, read a memorandum from the Planning and Zoning Commission recommending that the request be denied. He said that the Planning Staff also recommended that the request be denied for the following reasons:

1) The topography tends to separate the lot in question from the commercial strip fronting on Tunnel Road and relates it more favorably to the contiguous residential development;

2) The existing business development is oriented to Tunnel Road. If the area in question is rezoned, White Pine Drive and Springside Park Road would serve as access and further complicate an already hazardous situation;

3) The development of this lot for commercial purposes would further encroach upon an established residential area and erode the buffering presently existing between it and Tunnel Road's commercial strip; and

4) Finally, the Commission has in the past acted to protect this buffering by denying two separate rezoning requests for lots which are contiguous to the lots in question.

On inquiry of Councilman Morris, Mr. Emrick advised him that Mr. Roberts had been notified of the public hearing.

There being no one present to speak in support of or in opposition to the petition, Mayor Wood closed the public hearing at 3:12 o'clock p. m.

SITE PLAN FOR GROUP DEVELOPMENT - JIM YODER

Consideration was given to a recommendation from the Planning and Zoning Commission relative to the approval of a site plan for a group development for Jim Yoder at 985 Haywood Road.

Mr. Verl Emrick presented the recommendation of the Planning and Zoning Commission who recommended the site plan to the Council.

Councilman Horton moved that a public hearing relative to the matter be set for May 2, 1974, at the petitioners expense. This motion was seconded by Councilman Hoyle and carried unanimously.

RECOMMENDATION FOR GOLF RATE CHANGES - MUNICIPAL GOLF COURSE

Mr. Lonnie Gilliam, a member of the Parks and Recreation Advisory Board, presented the Board's recommendations to City Council which were as follows:

1. No more annual permits for family or individuals be sold, effective immediately, except for mid-week permits as stated below in number 2.

2. Mid-week annual playing permits currently estimated at $65 per person be increased to $75 per person per year. This permit to be good at any time except on Saturdays, Sundays, and holidays.

3. Beginning on January 1, 1975, a book of 100 tickets be available for purchase by residents of the City of Asheville. This book to be priced at $150 and to be limited to one book per person. This book would then provide 100 days of golf at a total cost of $150 or $1.50 per day. These tickets could be used on any day the purchaser so desires and would replace the former individual and family annual playing permits. It was further recommended that a maximum of 100 such books be placed on sale.

4. The existing daily green fees of $2.50 per day remain as is with the green fees for Saturdays, Sundays, and holidays be increased from $3 to $3.50 per day.

5. That the total revenue received from Municipal Golf Course be invested in improvements in and maintenance of the Municipal Golf Course.

Councilman Morris commended the Committee and moved that the recommendations be adopted. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Mayor Wood added his thanks to the Advisory Board for their thoughtful work and careful consideration.

At said referendum 3,116 votes were cast for the order adopted on February 19, 1974, authorizing not exceeding $8,250,000 Water Bonds of the City of Asheville, North Carolina, for the purpose of providing funds, with any other available funds, for improving, reconstructing, enlarging, and extending the waterworks system of said City within and without the corporate limits of said City, including the construction and installation of additional water treatment, storage, and related facilities, laboratory and other water quality monitoring facilities, additional reservoir protection facilities, and additional water mains and lines, the relocation of water mains, and the acquisition of necessary land, rights of way, and equipment, and authorizing the levy of taxes in an amount sufficient to pay the principal of and the interest on said bonds, and 364 votes were cast against said order, and a majority of the qualified voters of said City who voted thereon at said referendum having voted in favor of the approval of said order, said order was thereby approved and is in force and effect.

Council of the
City of Asheville, North Carolina

Section 2. The City Clerk shall file a copy of the foregoing statement of the result of said referendum in his office, shall insert such statement in the minutes of the Council and shall publish such statement once in The Asheville Times. A statement in substantially the following form shall be published with the foregoing statement:

Any action or proceeding challenging the regularity or validity of this bond referendum must be begun within 30 days after April 17, 1974.

Council of the
City of Asheville, North Carolina

Section 3. This resolution shall take effect upon its passage.

Richard A. Wood, Jr.
MAYOR

William F. Wolcott, Jr.
CITY CLERK

Approved as to form:

William C. Moore
Corporation Counsel

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, the foregoing resolution entitled: "RESOLUTION DECLARING THE RESULT OF THE SPECIAL BOND REFERENDUM HELD IN THE CITY OF ASHEVILLE ON APRIL 6, 1974 UPON THE QUESTION OF APPROVING $8,250,000 WATER BONDS" was passed by the following roll call vote:

Ayes: Councilman Eugene C. Ochsenreiter, Jr., Ralph D. Morris, Jr., J. W. Boyle, Bill B. Horton

Noes: None

Thereupon the resolution entitled: "RESOLUTION DECLARING THE RESULT OF THE SPECIAL BOND REFERENDUM HELD IN THE CITY OF ASHEVILLE ON APRIL 6, 1974 UPON THE QUESTION OF APPROVING $8,250,000 WATER BONDS" was authenticated by the signing thereof by the Mayor and the City Clerk, and the Corporation Counsel endorsed upon said resolution his approval as to the form thereof.

Mayor Wood advised the Council that theres a chance that some funding might be available since Community Development Legislation is not likely to pass Congress before the next fiscal year which begins July 1, 1974.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 74-53 was unanimously adopted.

Mayor Wood then said that with Council's permission he would forward copies of the resolution to all members of the North Carolina Congressional delegation.

Complete text of Resolution No. 74-53 will be found in Resolution Book No. 7 at page 227.

RESOLUTION NO. 74-54 - RESOLUTION AUTHORIZING APPLICATION TO THE UNITED STATES DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR FURTHER GRANT OF MONIES UNDER PROVISIONS OF SECTIONS 701 OF THE HOUSING ACT OF 1954, AS AMENDED.

Consideration was given to a resolution authorizing application to the United States Department of Housing and Urban Development for further grant of monies under provisions of Sections 701 of the Housing Act of 1954, as ameneded.

The City Manager read the resolution and explained that this was a form resolution to accompany the application for HUD Section 701 Large City grant funds for fiscal year 74-75.

He called on Mr. Verl Emrick to explain the activities to be undertaken. He said these activities would include the following:

1) Initiate the implementation of the Asheville Rehabilitation and Renewal Program;
2) Update the housing element;
3) Provide assistance to the Building Inspection Department in putting that system on the computer system;
4) Develop manuals and operation procedures as follows:
   a. general administrative policies and manual;
   b. project and departmental status reporting procedures;
   c. personnel policy manual and procedures;
   d. capital budgeting procedures and up date.

He advised Council that the total budget would be $32,000 with the City supplying $8,000 in-kind services.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, Resolution No. 74-54 was unanimously adopted.

Complete text of Resolution No. 74-54 will be found in Resolution Book No. 7 at page 229.

RESOLUTION NO. 74-55 - RESOLUTION AUTHORIZING THE CITY OF ASHEVILLE TO ENTER INTO A CONTRACT WITH THE NORTH CAROLINA CRIMINAL JUSTICE TRAINING AND STANDARDS COUNCIL

Consideration was given to a resolution authorizing the City of Asheville to enter into a contract with the North Carolina Criminal Justice Training and Standards Council.

PRITCHARD PARK RENOVATION

Consideration was given to a plan for renovation of Pritchard Park.

Mr. Ray Kisiah, Director of Parks and Recreation, presented what he considered to be a realistic plan for the renovation of Pritchard Park. He said that the plan drawn by Richard Meehan would include a fountain, bus shelters, and increased seating. He said the concept was to utilize as much of the existing park as possible. The work to begin in late summer would cost approximately $30,000. He said the Central Asheville Association had agreed to pay $5,000; Parks and Recreation Department $5,000; and the remaining $20,000 would come from Revenue Sharing funds.

Councilman Morris moved that the concept as presented by Mr. Kisiah be approved and that the City Manager be instructed to revise the 1974-75 budget to cover the City's share of financing. This motion was seconded by Councilman Horton and carried unanimously.

RESOLUTION NO. 74-53 - RESOLUTION URGING SPEEDY ACTION ON COMMUNITY DEVELOPMENT LEGISLATION OR RAPID REAUTHORIZATION OF THE EXISTING MODEL CITIES PROGRAM AND APPROPRIATION OF FUNDS

Consideration was given to a resolution urging speedy action on Community Development Legislation or rapid reauthorization of the existing Model Cities Program and appropriation of funds.

The City Manager read the resolution and the following telegram:

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Ralph D. Morris, Jr., J. W. Hoyle, Bill B. Horton, Corporation Counsel William C. Moore, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Henry E. Colton and City Manager Ernest J. Ward, Jr.

1. Approval of minutes of the April 11, 1974 meeting.

Upon motion of Councilman Ochsenreiter, seconded by Vice-Mayor Marshall, the minutes of the April 11, 1974 meeting were approved as submitted.

ORDINANCE NO. 799 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Vermont Avenue)

2. Consideration was given to the third and final reading of Ordinance No. 799, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, rezoning property on Vermont Avenue from RA-6 Residential to Business.

Mayor Wood advised that Council had previously been furnished with copies of the ordinance and unless otherwise requested the ordinance would not be re-read in its entirety.

On a roll call vote of 5-0, Ordinance No. 799 passed on its third and final reading.

Complete text of Ordinance No. 799 will be found in Ordinance Book No. 6 at page 63.

RESOLUTION NO. 74-56 - RESOLUTION APPROVING LINE ITEM TRANSFER OF FUNDS OF TWO (2) IN-HOUSE PROJECTS: PROGRAM ADMINISTRATION AND CITIZEN PARTICIPATION

3. Consideration was given to a resolution approving line item transfer of funds of two (2) in-house projects: Program Administration and Citizen Participation.

The Assistant City Manager read the resolution and called on Mr. Michalove to review the resolution for Council.

Mr. Michalove told Council that the resolution did not increase the appropriated amount in either program but called for a redistribution of line item funds within each component's budget to bring projected costs in line with actual expenditures. He said conditions creating the necessity for the line item transfer of funds was due to reduced staffing, early phase out of certain projects, sharing space costs while at Lucy Herring School, and physical relocation of the Agency from Mountain Street address to City Hall.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 74-56 was unanimously adopted.

Complete text of Resolution No. 74-56 will be found in Resolution Book No. 7 at page 231.

The City Manager read the resolution and explained that this would provide for funds to pay any law enforcement officer up to a certain minimum. He said the resolution would make the City eligible for supplements as it relates to those Police Department employees that do not meet the minimums set forth in Chapter 766 of the 1973 Session Laws, which will include the dog wardens, meter checkers, and two small amounts for the first year for the two assistant chiefs. He said this would be for a two year period.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 74-55 was unanimously adopted.

Complete text of Resolution No. 74-55 will be found in Resolution Book No. 7 at page 230.

SANITARY LAND FILL COMPACTOR

The City Manager advised Council that on Monday, April 8, 1974, the Sanitary Land Fill Compaction Unit, which was approved by Council, was placed in operation. He said he was pleased with the way the operation was going.

MR. BERT STARNES - SUGGESTION FOR PROCLAIMING APRIL 30th AS DAY OF HUMILIATION, FASTING AND PRAYER

Mr. Bert Starnes read a Congressional Resolution proclaiming April 30th, 1974 as National Day of Humiliation, Fasting and Prayer and asked Council to proclaim April 30th as Asheville's Day of Humiliation, Fasting and Prayer.

Councilman Horton thanked the layman for bringing this to Council's attention and suggested that a similar resolution be passed at Council's next weeks meeting.

Mayor Wood instructed the City Manager to prepare a resolution for Council's consideration at next weeks meeting.

Adjournment.

Richard A. Wood, Jr.
MAYOR

William F. Maloney
CITY CLERK

The Assistant City Manager read the resolution.

Mayor Wood stated that it had been requested by Region B that all member governments pass a similar resolution supporting Region B in its efforts to obtain a 100% federal grant for a wastewater treatment study in all four counties. He said this would be the first step to a regional solution to wastewater treatment in the counties. He said he thought all other municipalities, including the Buncombe County Commissioners, had passed this resolution and recommended that the resolution be passed.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, Resolution No. 74-58 was unanimously adopted.

Complete text of Resolution No. 74-58 will be found in Resolution Book No. 7 at page 234.

RESOLUTION NO. 74-59 - RESOLUTION APPOINTING MEMBER OF THE METROPOLITAN SEWERAGE DISTRICT BOARD (George E. Dawson)

7. Consideration was given to a resolution reappointing George E. Dawson a member of the Metropolitan Sewerage District Board.

The Assistant City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 74-59 was unanimously adopted.

Complete text of Resolution No. 74-59 will be found in Resolution Book No. 7 at page 236.

RESOLUTION NO. 74-60 - RESOLUTION PROCLAIMING APRIL 30, 1974, A NATIONAL DAY OF HUMILIATION, FASTING AND PRAYER

8. Consideration was given to a resolution proclaiming April 30, 1974, a National Day of Humiliation, Fasting and Prayer.

Councilman Horton read the resolution and expressed his sincere thanks to the Congress for taking time out of their busy schedule to pass such a proclamation.

Upon motion of Councilman Horton, seconded by Councilman Hoyle, Resolution No. 74-60 was unanimously adopted.

Complete text of Resolution No. 74-60 will be found in Resolution Book No. 7 at page 237.

PROCLAMATION - MONDAY, APRIL 22nd, 1974 BASEBALL DAY

Mayor Wood proclaimed Monday, April 22, 1974 as Baseball Day, as this would be the first Home game of the Asheville Orioles.

Jim Duffy, Manager of the Asheville Orioles, advised Council that this was also the 50th Anniversary of the use of the McCormick Field and encouraged citizens to attend this special event.

RESOLUTION NO. 74-57 - RESOLUTION AUTHORIZING THE SUBMISSION OF AN APPLICATION FOR A GRANT "HELP COMMUNITIES HELP THEMSELVES".

4. Consideration was given to a resolution authorizing the submission of an application for a grant "Help Communities Help Themselves".

The Assistant City Manager read the resolution and called on Mr. Michalove to review the resolution for Council.

Mr. Michalove advised Council that this would be the second time for the City to participate in such a program. He said the Department of Health, Education, and Welfare Office of Education invites communities to send representatives to a seminar to be held in Miami, Florida for a 13 day period to learn about drug abuse and how to deal with it in their community. He said this was a 100% grant with a total budget of $3,101.00.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton, Resolution No. 74-57 was unanimously adopted.

Complete text of Resolution No. 74-57 will be found in Resolution Book No. 7 at page 233.

BIDS - PNEUMATIC BORING MACHINE FOR THE WATER AND SEWER DEPARTMENT

5. Consideration was given to bids received April 15, 1974 for Pneumatic Boring Machine and accessories for the Water and Sewer Department.

The Assistant City Manager read a memorandum from the Purchasing Agent which stated that two identical bids were received, both quoted the same total bid price of $5,733.00. The bids were from Mitchell Distributing Company of Asheville, North Carolina and Rent-Equipment Company of Charlotte, North Carolina. The Purchasing Agent and the Director of Water and Sewer Department recommended that the award be given to Mitchell Distributing Company due to the following reasons 1) Mitchell Distributing Company is a franchised distributor for the entire State of North Carolina 2) Any future requirements for parts and service would have to go through Mitchell Distributing Company; and 3) they are a local business establishment.

Vice-Mayor Marshall moved to accept the recommendation of the Purchasing Agent and award the bid to Mitchell Distributing Company in the amount of $5,733.00. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Request # 204 - Pneumatic Boring Machine and Accessories

Bidder	Bid
Mitchell Distributing Company	$ 5,733.00
Rent Equipment Company	5,733.00

RESOLUTION NO. 74-58 - RESOLUTION INDICATING INTENT TO JOIN WITH OTHER GENERAL PURPOSE UNITS OF LOCAL GOVERNMENT IN THE ASHEVILLE STANDARD METROPOLITAN STATISTICAL AREA TO DEVELOP AND IMPLEMENT A PLAN RESULTING IN A COORDINATED WASTE TREATMENT MANAGEMENT SYSTEM FOR THE AREA

6. Consideration was given to a resolution indicating intent to join with other general purpose units of local government in the Asheville Standard Metropolitan Statistical Area to develop and implement a plan resulting in a coordinated waste treatment management system for the area.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Ralph D. Morris, Jr., J. W. Hoyle, Bill B. Horton, Robert J. Robinson, substituting for Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Henry E. Colton and Corporation Counsel William C. Moore

1. Approval of minutes of the April 18, 1974 meeting.

Upon motion of Councilman Ochsenreiter, seconded by Vice-Mayor Marshall, the minutes of the April 18, 1974 meeting were approved as submitted.

RESCHEDULING OF PUBLIC HEARING - SITE PLAN FOR GROUP DEVELOPMENT - JIM YODER

2. Consideration was given to rescheduling a public hearing for the approval of a site plan for a business group development to be located at 985 Haywood Road for Jim Yoder.

Mayor Wood advised Council that it was discovered that insufficient time was given in the original legal advertising of the public hearing and it would be necessary to reschedule and advertise for a public hearing on this matter for a later date.

Councilman Morris moved that the public hearing be rescheduled for May 16, 1974. This motion was seconded by Councilman Hoyle and carried unanimously.

SCHEDULING OF A PUBLIC HEARING - ZONING FOR NEWLY ANNEXED OTEEN AREA

3. Consideration was given to the setting of a date for a public hearing to consider the zoning of the newly annexed Oteen area under the present City Zoning Ordinance.

Mayor Wood advised Council that it would be necessary to establish zoning in the Oteen area by June 18, 1974. He said that even though an overall revision of the Zoning Ordinance was being considered he felt that Council should proceed with zoning this area under the present zoning ordinance at this time in order to insure that the June 18, 1974 deadline was met. He said this area could then be considered when the overall revision was made at a later date.

Councilman Morris moved to set the public hearing for May 16, 1974. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

BIDS - OFFICE FURNITURE FOR ASHEVILLE CIVIC CENTER - POSTPONED

4. The City Manager advised Council that bids received April 22, 1974 for office furniture for the Asheville Civic Center scheduled for review at this time were still under consideration and requested that the matter be postponed until next week.

PROCLAMATION - CLEAN SWEEP '74 WEEK - APRIL 27 - MAY 4, 1974

Mayor Wood proclaimed the week of April 27 - May 4, 1974 as Clean Sweep '74 Week and encouraged Clean Up campaigns. He said the City would be participating by furnishing plastic bags and the hiring of extra crews to help clean up.

PROCLAMATIONS - NATIONAL SECRETARIES WEEK - APRIL 21 - 27, 1974
REALTORS WEEK - APRIL 21 - 27, 1974

Mayor Wood proclaimed the week of April 21 - 27, 1974 as National Secretaries Week and Realtors Week.

COUNCILMAN HORTON - TAX ASSESSMENT

Councilman Horton commented on the report of the increase in the tax assessment for Buncombe County being 27%. He said it seems that the increase for Asheville would be somewhat less than that and in the near future the specific increase for Asheville would be announced.

Adjournment.

Richard A. Wood
MAYOR

William F. Nalley
CITY CLERK

ORDINANCE NO. 801 - ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1973-74

7. The City Manager explained that with the passage of the foregoing resolution approving the acquisition of the Miller property it was necessary to transfer Revenue Sharing Trust funds for this acquisition and presented the ordinance to Council for consideration and requested that the ordinance be read on three readings at this meeting.

Vice-Mayor Marshall moved for the adoption of the ordinance, which was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 801 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of the ordinance. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 801 passed on its second reading.

Councilman Morris then moved to suspend the rules and proceed with the third and final reading. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 801 passed on its third and final reading.

Complete text of Ordinance No. 801 will be found in Ordinance Book No. 6 at page 65.

REZONING PETITION - G. W. LAMBERT - VERMONT AVENUE

8. The City Manager presented a rezoning petition from Mr. and Mrs. G. W. Lambert requesting that Lot 20, Sheet 12, Ward 5 be rezoned from RA-6 to Business. for the Wachovia Bank.

In the absence of any objection from members of Council, Mayor Wood referred the petition to the Planning and Zoning Commission for study and recommendation.

RESOLUTION NO. 74-63 - RESOLUTION AUTHORIZING A CITIZEN PARTICIPATION DEVELOPMENTAL PROGRAM

9. Consideration was given to a resolution authorizing a Citizen Participation Developmental Program.

The City Manager read the resolution.

Mr. Sam Graves, Director of Citizen Participation, on questioning of Council described the program as an educational type which would afford participants an opportunity to learn how governmental units, civic groups, social service agencies and planning organizations function and operate. He said the program would have a time frame of April through June and would have a seminar type format with a program budget of $4,680.00.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton, Resolution No. 74-63 was unanimously adopted.

Complete text of Resolution No. 74-63 will be found in Resolution Book No. 7 at page 241.

RESOLUTION NO. 74-61 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THAT BUILDING KNOWN AS 215 SOUTH LIBERTY STREET

5. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish that building known as 215 South Liberty Street.

The City Manager read the resolution.

Councilman Morris moved for the adoption of the resolution and that the date for the public hearing be set for May 16, 1974. This motion was seconded by Councilman Horton and carried unanimously.

Complete text of Resolution No. 74-61 will be found in Resolution Book No. 7 at page 238.

In conjuction with the demolition of the Liberty Street property, Mr. Johnson, Building Inspector, was questioned as to the status of 97 Wembly Road, a vacant house that has been in contention for some time. He advised Council that this house could not be demolished under the Code of Ordinances as it could be repaired for less than 60% of the evaluation. He said that it was possible that it could be declared a nuisance as a health hazard and could be ordered demolished or repaired through court action.

Mayor Wood asked Mr. Robinson to have Mr. Moore explore this matter from a nuisance point of view.

RESOLUTION NO. 74-62 - RESOLUTION AUTHORIZING THE CITY OF ASHEVILLE TO ACQUIRE CERTAIN PROPERTY LOCATED ON RANKIN AVENUE BY PURCHASE (Miller Property)

6. Consideration was given to a resolution authorizing the City of Asheville to acquire certain property located on Rankin Avenue by purchase.

The City Manager read the resolution.

Mayor Wood explained that the property in question was the only tract of land between the property acquired for the Parking Garage and the Carolina Power and Light transformer site and that the architects had suggested several months ago that this piece of property be acquired and incorporated in the parking garage plans. He said the owner of the property had been out of town and only recently returned. He said that Mr. William Duckworth had appraised the property for $27,650 and that the owner had agreed to sell at the appraisal price.

Councilman Morris noted that the acquisition of this property would make it possible to construct the parking garage with a 600 car capacity on five (5) levels instead of seven (7) levels, leaving room for a 240 car future expansion.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Morris, Resolution No. 74-62 was unanimously adopted.

Complete text of Resolution No. 74-62 will be found in Resolution Book No. 7 at page 240.

Thursday - May 2, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Ralph D. Morris, Jr., J. W. Hoyle, Bill B. Horton, Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.,

Absent: None

1. Approval of minutes of the April 25, 1974 meeting.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Marshall, the minutes of the April 25, 1974 meeting were approved as submitted.

RESOLUTION NO. 74-64 - RESOLUTION AUTHORIZING THE CITY OF ASHEVILLE TO LEASE AND OBTAIN AN OPTION TO PURCHASE CERTAIN PROPERTY LOCATED ON RANKIN AVENUE

2. Consideration was given to a resolution authorizing the City of Asheville to lease and obtain an option to purchase certain property located on Rankin Avenue.

The City Manager presented the resolution and explained that the piece of property in question was part of a property package being purchased in connection with the construction of a proposed parking garage.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 74-64 was unanimously adopted.

Complete text of Resolution No. 74-64 will be found in Resolution Book No. 7 at page 243.

BIDS - THIRTY (30) FIRE HYDRANTS FOR WATER DEPARTMENT

3. Consideration was given to the bids received on April 22, 1974 for the furnishing of thirty (30) fire hydrants for use in the Water Department.

The City Manager presented the bids and read recommendations from the Purchasing Agent and the Director of the Water Department. Both recommended that the third lowest bidder, Silverman and Company, be awarded the contract under Alternate Item 1 A which was to furnish the hydrants without nozzles and caps. Their reason was that there was an urgent need for the hydrants and that the extended delivery time of the other bidders was not acceptable. They said that Silverman & Company agreed to furnish the hydrants within two (2) days after the receipt of the order. Further they recommended that the order be increased by twelve (12) hydrants to take care of a need discovered subsequent to the advertisement for bids. The Purchasing Agent said that this addition to the bid at the same unit price was satisfactory to the vendor. He said that the total amended bid would be $9,633.12.

Council questioned the lack of pre-planning which necessitated the awarding of the higher bid because of the urgent need for the hydrants. The City Manager was instructed to advise the department heads to anticipate slow delivery on future purchases.

SCHEDULING OF PUBLIC HEARING - CONSTRUCTION MORATORIUM ON TUNNEL ROAD AND SOUTH TUNNEL ROAD

Mayor Wood advised Council that during recent months there has been expressed concern over the increased traffic developing on Tunnel Road and South Tunnel Road and it did not appear that this problem would be lessened until such time as the proposed Beaucatcher Mountain Cut construction and the connecting highway was completed or some improvements made to present Tunnel Road. He said that after some discussion with the City Attorney and members of the planning agencies of the City it was agreed to submit a proposal to Council calling for a public hearing to consider this problem. He then read a prepared proposed notice calling for the public hearing. According to the notice Council would consider at the public hearing the feasibility of declaring a moratorium on any new construction for lots fronting on Tunnel Road and South Tunnel Road, other than building permits issued for the purpose of replacement or modernization of existing buildings, but not expansion, and that no further consideration will be given to rezoning requests on any lots fronting on said highways and presently zoned for residential use or to any zoning classification which would permit non-residential development of the property.

Councilman Ochsenreiter moved to adopt the notice as stated and to schedule a public hearing for May 16, 1974. This motion was seconded By Councilman Hoyle and carried unanimously.

Mayor Wood asked that the minutes reflect that Councilman Morris abstained from voting.

SCHEDULING OF PUBLIC HEARINGS FOR MAY 16, 1974

Since four public hearings were scheduled for May 16, 1974, Mayor Wood instructed the City Clerk to place them on the published agenda as follows:

1. Jim Yoder- Group Development - 985 Haywood Road
2. Construction moratorium - Tunnel Road and South Tunnel Road
3. Zoning of newly annexed Oteen Area
4. Demolition of 215 South Liberty Street

PROCLAMATION - YOUTH WEEK - APRIL 28th THROUGH MAY 4th

Mayor Wood proclaimed the week of April 28th through May 4th as "Youth Week in Asheville".

Adjournment.

Richard A. Wood, Sr.
MAYOR

William S. Greenway
CITY CLERK

The City Manager presented the bids and read recommendations of the Purchasing Agent and the Director of Parks and Recreation. It was pointed out in the recommendation that even though the items to be purchased were the same it was necessary to ask for separate quotations as the funding sources were different.

It was recommended by the Purchasing Agent that Hajoca Corporation be awarded the contract for both bid items, the Memorial Stadium fixtures in the amount of $2,290.76 and the Malvern Hills Park fixtures in the amount of $1,634.96.

Councilman Colton moved for the acceptance of the recommendations and that Hajoca Corpoation be awarded the contract to furnish the fixtures for Memorial Stadium in the amount of $2,290.76 and the Malvern Hills Park in the amount of $1,634.96. This motion was seconded by Councilman Hoyle and carried unanimously.

MRS. ROY ROGERS - EAST RIVERSIDE URBAN REDEVELOPMENT

Mrs. Roy Rogers appealed to the Council to use their influence in accelerating the construction of single family housing in the East Riverside Urban Redevelopment area. She said that there was an urgent need for such housing but that development had been slow.

Councilman Ochsenreiter advised her that he had discussed this matter with Mr. King and that he would follow up with a report to Council at the next meeting.

MR. LYNN BISSETTE - RECREATIONAL FACILITIES IN THE KENILWORTH AREA

Mr. Lynn Bissette, 95 Lakewood Drive, appealed to Council for more extensive recreational facilities in the Kenilworth area. He said that he felt that Kenilworth had been neglected except for the splash pool area which has been slow in being renovated. He said he wanted to bring the need to Council's attention so that some consideration would be given to this area during the preparation of the budget. He offered his assistance in working with Mr. Kisiah and the community.

Councilman Morris moved to accept the recommendations of the Purchasing Agent and the Water Department Director, as amended, and to award the contract to Silverman & Company for $9,633.12. This motion was seconded by Councilman Hoyle and carried unanimously.

Thursday - May 9, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Ralph D. Morris, Jr., J. W. Hoyle, Bill B. Horton, Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of the May 2, 1974 meeting.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, the minutes of the May 2, 1974 meeting were approved as submitted.

CANCELLATION OF PUBLIC HEARING ON CONSTRUCTION MORATORIUM FOR TUNNEL ROAD

2. Before proceeding with the regular agenda, Mayor Wood called attention to a public hearing scheduled for May 16th on a construction moratorium for Tunnel Road and S. Tunnel Road. He then asked the Corporation Counsel, William C. Moore to read a prepared opinion relative to this public hearing. The opinion follows:

"The question of a Moratorium on additional construction on lots fronting on Tunnel Road, U. S. Highway 70 and U. S. Highway 74 to its point of intersection with N. C. Highway 81 has been submitted to me for an opinion.

The general ordinance-making power of a City is derived from North Carolina General Statute 160A-174 which allows a City to define, prohibit, regulate or abate acts, omissions, or conditions detrimental to the health, safety, welfare of its citizens and the peace and dignity of the city, and to define and abate nuisances. Any ordinance passed by the City of Asheville would, of course, have to be consistent with the constitution and laws of the State of North Carolina and the United States. The question of the right of a municipality in North Carolina to impose a Moratorium has not been specifically authorized by the General Statutes and the Council would have to rely as its authority on the above referred to statute.

The passage by the City Council of an ordinance authorizing a Moratorium on construction in the above cited areas, if tested in the Courts of our State, would have to be weighed as to its reasonableness, the immediate threats to health, safety and the general welfare of the public in general, against the restrictions placed on the use of private property by its owner. The reasonableness hereinabove referred to would apply not only to the immediacy of the threat to health and safety but, would have to be reasonable in the period of time that it would exist. It is my opinion, which has been discussed with Philip T. Green, Jr., Professor of Law in the Institute of Government, Chapel Hill, North Carolina and Mr. James Bullock of the North Carolina Attorney General's Office, that the current North Carolina Supreme Court would demand a rather high level proof as to the existence of emergency conditions and reasonableness before it would allow such an ordinance to stand. An examination has been made as to the present existence of traffic, sewer, water and other health and safety conditions as the same now exist on Tunnel Road. The possible effect that any new construction (such as the K-Mart Shopping Center) is not of such significance as to render the highways in close proximity thereto, unsafe for use. In fact, studies could tend to show that the reduction in speed and the increase of the number of cars traveling the highways would tend to make highway travel safer. The only new highway relief in sight for the Tunnel Road area is the construction of an additional road in the vicinity of the Haw Creek School and the open cut adjacent to the Tunnel. The open cut is, at present,

ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL - CITY PARTICIPATION DAY

After the regular Council meeting members of the Asheville-Buncombe County Youth Council, concluding a day of visiting the various departments of City Government, took over the Council Chamber for their own meeting. This was a part of the Annual City Participation Day observed each year by the Youth Council.

Adjournment.

Richard A. Wood Jr.
MAYOR

William J. Hollaway
CITY CLERK

Mr. W. C. King, Acting Director of the Asheville Housing Authority, advised Council that this action was necessary to provide right of way for the relocation of a ramp from the Expressway to Charlotte Street.

Councilman Morris moved for the approval of the subdivision plat, which was seconded by Vice-Mayor Marshall and carried unanimously.

REZONING - WARD 9, SHEET 7, LOTS 27-1/4 AND 28-1/4 -PROPERTY LYING BETWEEN 669 MERRIMON AVENUE AND 32 LONG STREET

4. Consideration was given to the request for rezoning Lots 27-1/4 and 28-1/4 Ward 9, Sheet 7, from RA-6 Residential District to Neighborhood Trading Area.

The City Manager read a letter from the Planning and Zoning Commission recommending that the request be approved.

Councilman Morris moved that a public hearing on the rezoning matter be held on May 30, 1974 and that the required legal advertisement be made at the petitioner's expense. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

REZONING - WARD 5, SHEET 12, LOT 200 - 5 VERMONT AVENUE

5. Consideration was given to the request for rezoning Lot 200, Ward 5, Sheet 12, from RA-6 Residential District to Business, owned by Mr. and Mrs. G. W. Lambert.

The City Manager read a letter from the Planning and Zoning Commission recommending that the request be approved.

Councilman Morris moved that a public hearing on the rezoning matter be held on May 30, 1974 and that the required legal advertisement be made at the petitioner's expense. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

GROUP DEVELOPMENT - K-MART SHOPPING CENTER - TUNNEL ROAD

6. Consideration was given to a recommendation from the Planning and Zoning Commission relative to a group development for K-Mart Shopping Center on Tunnel Road.

The City Manager read a letter from the Planning and Zoning Commission recommending the approval of the group development with the following stipulations:

1. That the excavation and fill requirements noted in the grading permit issued on March 8, 1974, by the City of Asheville and in the requirements noted in N. C. Department of Transportation memorandum dated April 12, 1974 be strictly adhered to by the developer;

2. That the developer provide the required number of loading bays for the K-Mart department store as stipulated in the existing Asheville Zoning Ordinance (Ordinance #322, Sec. 10, Paragraph B(5), page 46). The ordinance requires four (4) loading bays for a facility of the size proposed by the developer;

number one on the list of priorities with the Department of Transportation and has been for a period of approximately three years. The best estimate that can be obtained as to the completion date of the open cut is from four to seven years.

The denial of unlimited use by property owners of their property for a period of four to seven years would, in my opinion, be unreasonable and an undue burden on all lot owners with lots fronting on the above referred to highways, The North Carolina Supreme Court tends to frown on local regulations which have the effect of denying the owner of property any reasonable use of his land as evidenced by the case of Helms vs. Charlotte, 275 N. C. 647 (1961).

Certain changes in the ordinances of the City of Asheville especially relating to the obtaining of grading permits from the City Manager have been suggested by Mr. Verl R. Emrick, Jr., in a communication to my office dated May 1, 1974, which I would recommend to the Council as allowing more safeguards against uncontrolled construction in the City. In my opinion, based on the information furnished and on legal research, nothing else appearing, an ordinance prohibiting construction on the above referred to areas would not be upheld by the Appellate Courts of our State."

Mayor Wood advised Council that in light of Mr. Moore's opinion it would be up to Council as to whether or not to proceed with the public hearing.

Councilman Morris stated that he saw no reason for holding a public hearing but was reluctant to make a motion as he owned property on Tunnel Road.

In making a motion that the public hearing be cancelled, Councilman Ochsenreiter suggested that Council take some responsibility in the regulation of traffic control on Tunnel Road. This motion was seconded by Councilman Hoyle.

On inquiry of Councilman Horton, Mr. Moore advised that it was his opinion that the acute traffic situation would not in itself warrant the placing of a construction moratorium on Tunnel Road.

Mr. William Frue, attorney for K-Mart Shopping Center, who are planning the construction of a shopping center on Tunnel Road, spoke briefly on behalf of his client and said that he concurred with Mr. Moore's opinion.

Mayor Wood then called for a vote on Councilman Ochsenreiter's motion, which was carried unanimously.

After a suggestion by Councilman Ochsenreiter that some action be taken by Council to relieve the traffic situation a discussion followed that concluded with Mayor Wood appointing Councilmen Hoyle, Horton and Morris to a committee to meet with the representatives of the State Highway Commission to discuss possible solutions. Mr. Verl Emrick of the Planning Staff was also added to this committee. The City Clerk was instructed to arrange this meeting and the Corporation Counsel was instructed to proceed with the draft of an ordinance which would update the present grading ordinance.

SUBDIVISION PLAT - CIVIC REDEVELOPMENT PROJECT N. C. R-13 - REVISION OF LOT 24

3. Consideration was given to the approval of a subdivision plat for the revision of Lot 24 of the Civic Redevelopment Project N. C. R-13.

The City Manager advised Council that he had received memorandums from the Corporation Counsel and Director of Public Services recommending approval of the plat.

The City Manager read the resolution.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Morris, Resolution No. 74-66 was unanimously adopted.

Complete text of Resolution No. 74-66 will be found in Resolution Book No. 7 at page 246.

Mayor Wood instructed the City Manager to follow up with the approval from HUD on this project.

RESOLUTION NO. 74-67 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE PERMITTING AND REGULATING THE USE OF BITUMINIZED FIBER SEWER PIPE WITHIN THE CITY OF ASHEVILLE

9. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance permitting and regulating the use of bituminized fiber sewer pipe within the City of Asheville.

The City Manager read the resolution.

Councilman Colton moved for the adoption of the resolution and to set the public hearing for June 20, 1974. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Complete text of Resolution No. 74-67 will be found in Resolution Book No. 7 at page 247.

SCHEDULING OF PUBLIC HEARING - APPROVAL OF APPLICATION FOR CAPITAL GRANT TO PURCHASE REPLACEMENT BUSES

10. Consideration was given to a request of the City Manager for a notice of public hearing relative to the approval of an application for a Capital Grant to purchase replacement buses for the City of Asheville Transit System under the Urban Mass Transportation Section of the Federal Highway Act of 1973.

Councilman Morris moved to grant the request for a public hearing and to schedule the public hearing for June 20, 1974. This motion was seconded by Councilman Hoyle and carried unanimously.

REPORT OF CITY MANAGER - RENOVATION OF THE CITY HALL BUILDING

11. The City Manager in reporting on the necessary renovations to the City Hall Building read a detailed report submitted by Baber, Cort and Wood architectural firm.

Mayor Wood excused Councilman Hoyle from the Council meeting at 4:00 o'clock p. m.

At the conclusion of the report the City Manager recommended that the outside masonary renovation and the repairs to be done on the roof be included in the 1974-75 budget. He said that $81,000 had been appropriated in the 1973-74 budget but that it was found that the work to be accomplished exceeded this amount.

3. That the developer widen the northern entrance to facilitate greater ease and safety for patrons wishing to exit the shopping area at this point; and

4. That the developer delete the proposed restaurant until an adequate service drive for delivery and garbage pick-up can be provided. Further, that the plans be redrawn to show specifically how the service drive will be accomplished before the Commission reviews any amendments to the plans conditionally approved on May 2, 1974. Finally, that if the developer chooses to submit an amendment to his plan to include a restaurant, it will be required to be no larger than 4,200 square feet with no more than 2,130 square feet of dining area and seat no more than 120 people. (These specifications are those delineated on the plans received on April 25, 1974, by the staff). The reason for imposing these specifications is simply that if the facility is larger and seats more people, the overall parking requirements for the project cannot be met by the developer.

The City Manager advised Council that he had been assured by the Planning and Zoning Commission that all these stipulations had been met before the favorable recommendation had been made.

Councilman Morris moved that a public hearing on the matter be held on May 30, 1974 and that the required legal advertisement be made at the petitioner's expense. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

RESOLUTION NO. 74-65 - RESOLUTION AMENDING COMPREHENSIVE CITY DEMONSTRATION PROGRAM, THIRD ACTION YEAR PLAN, BY ADOPTION AND INCLUSION THEREIN OF TWO (2) NEW PROJECTS, "MONTFORD AVENUE AREA - COMMUNITY CENTER" AND "PURCHASE OF SENIOR OPPORTUNITIES PROJECT BUILDING ON GROVE STREET

7. Consideration was given to a resolution amending Comprehensive City Demonstration Program, Third Action Year Plan, by adoption and inclusion therein of two (2) new projects, "Montford Avenue Area - Community Center" and "Purchase of Senior Opportunities Project Building on Grove Street.

The City Manager presented the resolution and advised that relative to the purchase of the Senior Opportunities Project Building an appraisal had been received in the amount of $169,600 and that the City has an option to purchase the property at $140,000.00.

Councilman Horton in moving to adopt the resolution commented that the purchase of the Senior Opportunity Center Building on Grove Street and the Montford Avenue Area-Community Center Projects had been mentioned more than any other projects and he favored proceeding with the approval of these projects. This motion was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 74-65 will be found in Resolution Book No. 7 at page 244.

RESOLUTION NO. 74-66 - RESOLUTION AUTHORIZING THE MAYOR TO NEGOTIATE AND PURCHASE THE SENIOR OPPORTUNITY CENTER AND ADJACENT PROPERTY - 36 GROVE STREET AND 40 GROVE STREET

8. Consideration was given to a resolution authorizing the Mayor to negotiate and purchase the Senior Opportunity Center and adjacent property - 36 Grove Street and 40 Grove Street.

RESOLUTION NO. 74-71 - RESOLUTION APPOINTING MEMBER OF THE WESTERN NORTH CAROLINA REGIONAL AIR POLLUTION BOARD

15. Consideration was given to a resolution appointing member of the Western North Carolina Regional Air Pollution Board. (Dr. Roy F. Roberts)

The City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Morris, Resolution No. 74-71 was unanimously adopted.

Complete text of Resolution No. 74-71 will be found in Resolution Book No. 7 at page 251.

REPORT ON PROGRESS OF EAST RIVERSIDE URBAN RENEWAL N. C. R-48

16. Councilman Ochsenreiter called on Mr. W. C. King, Acting Director of the Asheville Housing Authority to report on the progress being made relative to the East Riverside Urban Renewal Project N. C. R-48.

Mr. King reported that with the approval of the project, an engineering firm had been employed and preliminary engineering work had been accomplished. He said the engineers were now concentrating on a housing site in the south section of the project for 164 units, 34 of which will be single family dwellings. He said they would lose federal funds if these units were not completed within 22 months of January 1, 1974. He said that the next area of concentration would be in the northern section of the project, which would include some 50 single family lots to be made available to the general public and this should be completed by July 31, 1974. By August 30, 1973 bids should be received for public improvements and should be completed by January 1, 1975. He said that there was some 20 single family lots that could be put on the market for public purchase by August 1, 1974. He said he had been assured by the engineers that everything from Phifer Street to Fifth Avenue would be completed by January 1, 1975. He advised Council that two lots had been sold on Ora Street and construction was in progress on these lots at this time. He also stated that there were two lots on Olive Street and two additional lots on Ora Street for which he was unable to find developers.

Carl Johnson explained that as a result of changes in federal rent subsidy the Housing Authority was going up on monthly rents. Mr. Johnson pointed out that there were two types of rental units that the Housing Authority had available "conventional" and "lease" type. Mr. Johnson suggested that the Department of Housing and Urban Development be asked to drop the income requirement for the "lease" housing due to the short supply of low income housing in Asheville. Under this plan people that could afford to pay higher rents would rent the "lease" housing and thereby make up the amount needed to subsidize the operational costs of the Housing Authority, while people in the "conventional" housing would pay at the same rate they were paying before the new plan went into effect.

Mr. W. C. King, Acting Director of the Housing Authority, pointed out that Mr. Johnson's proposal would defeat the purpose of public housing and that Asheville was not likely to get any special consideration since this was a national problem. However, he said he would mention Mr. Johnson's suggestion at the Southeastern meeting of housing officials to be held in June.

He said the first phase of the work would be to complete the exterior renovation and the roof and that he was including $155,000 in the 1974-75 budget for this purpose. He asked for Council's thoughts on instructing the architects to proceed with working drawings so that this work could be started at an early date.

In the discussion that followed, Council questioned the urgency of the work and how much would have to be done at the present time. It was suggested that the City Manager arrange for the architect to attend a future Council meeting to clear up these details.

RESOLUTION NO. 74-68 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER LINE CROSSING SR 2408 AND SR 2002 TO EXISTING 36" MAIN

12. Consideration was given to a resolution authorizing Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for water line crossing SR 2408 and SR 2002 to existing 36" main.

The City Manager read the resolution.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Ochsenreiter, Resolution No. 74-68 was unanimously adopted.

Complete text of Resolution No. 74-68 will be found in Resolution Book No. 7 at page 248.

RESOLUTION NO. 74-69 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER LINE EXTENDING ALONG SR 1349- SR 1353 - SR 1357.

13. Consideration was given to a resolution authorizing Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for water line extending along SR 1349- SR 1353 - SR 1357.

The City Manager read the resolution.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Ochsenreiter, Resolution No. 74-69 was unanimously adopted.

Complete text of Resolution No. 74-69 will be found in Resolution Book No. 7 at page 249.

RESOLUTION NO. 74-70 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE A CONTRACT WITH WILBUR SMITH AND ASSOCIATES, INC. FOR THE PREPARATION OF PLANS AND SPECIFICATIONS FOR THE MUNICIPAL PARKING FACILITY.

14. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute a contract with Wilbur Smith and Associates, Inc. for the preparation of plans and specifications for the Municipal Parking Facility.

The City Manager read the resolution.

Upon motion of Councilman Horton, seconded by Councilman Ochsenreiter, Resolution No. 74-70 was unanimously adopted.

Complete text of Resolution No. 74-70 will be found in Resolution Book No. 7 at page 250.

Thursday - May 16, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Bill B. Horton, Henry L. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Eugene C. Ochsenreiter, Jr.

1. Approval of minutes of the May 9, 1974 meeting.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, the minutes of the May 9, 1974 meeting were approved as submitted.

RENOVATION OF CITY HALL BUILDING

2. Before proceeding with the regular agenda, Mr. John Cort, of Baber, Cort and Wood architects, reviewed with Council his recommendations for the renovation of the City Hall Building. He said that a complete renovation to the exterior of the building would cost approximately $285,000. However, if funds were not available at this time for the complete exterior renovation of the building and replacement of all windows, he recommended that a complete exterior renovation of masonry and roofing be done first and windows added as funds become available. He said this would reduce the initial budget to a minimum of $155,000. He did recommend that windows be replaced at this time on the Seventh and Eighth floors. He said each additional floor of windows would cost approximately $20,000 and could be accomplished as more funds were available. He said he recommended the first phase be initiated immediately to prevent further leakage and deterioration of the building.

The City Manager, in his report on May 9, 1974, also recommended that the first phase of the work, to complete the exterior renovation and the roof, be included in the 1974-75 budget and that he had included $155,000 in the budget for this purpose. He further recommended that he be authorized to instruct the architects to proceed with the working drawings so the work could be started immediately after the adoption of the 1974-75 budget.

Councilman Morris moved to accept the recommendations of the City Manager. This motion was seconded by Councilman Horton and carried unanimously.

PUBLIC HEARING - JIM YODER - GROUP DEVELOPMENT -985 HAYWOOD ROAD

3. A public hearing was held to consider a site plan of a business development to be located at 985 Haywood Road for Jim Yoder, Developer.

Mayor Wood opened the public hearing at 3:23 o'clock p. m.

The City Manager read the affidavit of publication setting the time and date for the public hearing.

Mr. Nick Kmecza, Director of Planning, advised Council that the Planning and Zoning Commission had reviewed the site plan and voted unanimously to recommend the approval of the plan. He explained that it was necessary for Council to approve this under Section 9 C Group Development Section of the Asheville Zoning Ordinance No. 322 since the developer was placing two separate buildings on one lot.

CALVIN TODD - COMPLAINT - WATER BILL FOR 29 CUMBERLAND AVENUE

Calvin Todd, a resident of 199 Vermont Avenue, issued a complaint regarding an excessive water bill for a residence he owned at 29 Cumberland Avenue.

The City Manager was instructed to investigate this matter.

Adjournment.

Richard D. Wood, Jr.
MAYOR

Miriam F. Bolcavage
CITY CLERK

Mayor Wood closed the public hearing at 3:58 o'clock p. m. and requested the City Manager to read the proposed ordinance.

Councilman Morris suggested that because of the dangerous condition of the property he thought it advisable to speed up the demolition process and proceed to pass the ordinance on three readings at this time.

Councilman Colton then moved for the adoption of the ordinance, which was seconded by Councilman Hoyle.

On a roll call vote of 5 - 0, Ordinance No. 803 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed with the second reading of the ordinance, This motion was seconded by Vice-Mayor Marshall and carried unanimously.

On a roll call vote of 5 - 0, Ordinance No. 803 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed with the third reading of the ordinance. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5 - 0, Ordinance No. 803 passed on its third and final reading.

Complete text of Ordinance No. 803 will be found in Ordinance Book No. 6 at page 68.

Mayor Wood instructed Mr. Johnson to give the property owner written notice that the ordinance had been passed on three readings and that she had 15 days before the ordinance becomes effective.

ORDINANCE NO. 804 - ORDINANCE AMENDING SECTION 2-57 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

6. Consideration was given to an ordinance amending Section 2-57 of the Code of Ordinance of the City of Asheville.

The City Manager read the ordinance.

Mr. Michalove, Assistant City Manager, in reviewing the amendments stated that this was on the advise of the Regional Interagency Coordinating Committee and the changes were being recommended by the Model Cities Commission in preparation of the phase down of the Model Cities Agency. He pointed out that as stated in the ordinance the major changes were in the membership in the method of filling any vacancies and that the monthly meeting requirement was being changed to an on-call basis.

Councilman Colton moved for the adoption of the ordinance, which was seconded by Councilman Hoyle.

On a roll call vote of 5 - 0, Ordinance No. 804 was passed on its first reading.

There being no opposition to the plan, Mayor Wood closed the public hearing at 3:31 o'clock p. m.

Vice-Mayor Marshall moved to approve the site plan, which was seconded by Councilman Hoyle and carried unanimously.

PUBLIC HEARING - ZONING OF NEWLY ANNEXED OTEEN AREA UNDER THE PRESENT ZONING ORDINANCE

ORDINANCE NO. 802 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

4. A public hearing was held to consider zoning the newly annexed Oteen area under the present zoning ordinance.

Mayor Wood opened the public hearing at 3:32 o'clock p. m.

The City Manager read the affidavit of publication setting the time and date for the public hearing.

Mr. Nick Kmecza, Director of Planning, with the aid of a map reviewed with Council the boundaries as proposed to be zoned.

Mayor Wood closed the public hearing at 3:45 o'clock p. m. and requested the City Manager to read the prepared ordinance amending Ordinance # 322.

Before taking action on the ordinance Corporation Counsel William C. Moore suggested that the ordinance be amended to include Lots 4 and 131, Sheet 17, Ward 8 as Neighborhood Trading Area. He noted that these lots were now occupied by a drive-in theatre.

Councilman Morris moved to amend the ordinance to include Lots 4 and 131, Sheet 17, Ward 8 as Neighborhood Trading Area. This motion was seconded by Vice-Mayor Marshall and was carried on a roll call vote of 5 - 0.

Councilman Morris then moved to adopt the ordinance, which was seconded by Vice-Mayor Marshall.

On a roll call vote of 5 - 0, Ordinance No. 802 passed on its first reading.

PUBLIC HEARING - DEMOLITION OF 215 SOUTH LIBERTY

ORDINANCE NO. 803 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THAT APARTMENT BUILDING KNOWN AS 215 SOUTH LIBERTY STREET

5. A public hearing was held to consider the adoption of an ordinance directing the Housing Officer to demolish that apartment building known as 215 South Liberty Street.

Mayor Wood opened the public hearing at 3:53 o'clock p. m.

The City Manager read the affidavit of publication setting the time and date for the public hearing.

Mr. J. E. Johnson, Building Inspector, advised Council that he had followed legal procedures in bringing the present action before Council and that the property owner, Mrs. Elizabeth C. Gage, had been duly notified and had made very little effort to clean up the property. He presented pictures showing the condition of the property at this time and stated that the structure was unfit for human habitation and was unsafe and dangerous.

The City Manager read the resolution.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Marshall, Resolution No. 74-74 was unanimously adopted.

Complete text of Resolution No. 74-74 will be found in Resolution Book No. 7 at page 254.

PERMIT - DEGELLER SHOWS - MAY 23 - JUNE 1

11. The City Manager presented an application from F. B. Gooden, representative of Degeller Shows, for a municipal permit to exhibit its attractions in the City of Asheville from May 23rd through June 1, 1974.

Councilman Colton moved to approve the application, which was seconded by Vice-Mayor Marshall and unanimously adopted.

Adjournment.

Richard A. Wood, Jr.
MAYOR

Marian S. McCarty
CITY CLERK

RESOLUTION NO. 74-72 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE EASEMENT IN FAVOR OF THE CAROLINA POWER AND LIGHT COMPANY

7. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company on Gashes Creek Road for the purpose of installing an electric power line to the Recreation Park.

The City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Horton, Resolution No. 74-72 was unanimously adopted.

RESOLUTION NO. 74-73 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ACCEPT CERTAIN PROPERTY LYING IN THE COUNTY OF BUNCOMBE

8. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to accept certain property lying in the County of Buncombe.

The City Manager read the resolution and advised Council that this was the deed to certain properties formally part of the Oteen Veterans Hospital, which included a water tank and water lines which would provide a substantial improvement to the City of Asheville water distribution system and that this property is being acquired without cost to the City.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, Resolution No. 74-73 was unanimously adopted.

Complete text of Resolution No. 74-73 will be found in Resolution Book No. 7 at page 253.

RESOLUTION NO._____- RESOLUTION AWARDING CONTRACTS FOR ADDITIONS TO THE TERMINAL BUILDING AT THE ASHEVILLE AIRPORT

9. Consideration was given to a resolution awarding contracts for additions to the terminal building at the Asheville Airport.

The City Manager read the resolution and a recommendation from Six Associates, Inc. who recommended the award of the contract. He advised Council that the project was to be funded 75% General Fund and 25% Revenue Sharing funds.

In the discussion, Council felt that it was advisable that the entire project should be funded from Revenue Sharing funds and Mayor Wood requested that the resolution be deferred until this matter was resolved.

RESOLUTION NO. 74-74 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR ATTACHMENT OF A 6" C. I. M. J. WATER MAIN TO THE NORTHWEST SIDE OF BRIDGE AT STATION 227+ 68.40 CARRYING U. S. 19-23 OVER SOUTHERN RAILWAY COMPANY'S TRACKS ON STATE PROJECT 6.8410019

10. Consideration was given to a resolution authorizing the Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for attachment of a 6" C. I. M. J. water main to the northwest side of bridge at Station 227+ 68.40 carrying U. S. 19-23 over Southern Railway Company's tracks on State Project 6.8410019.

Councilman Horton requested the Corporation Counsel to research the General Statutes as to whether municipalities had to follow the guidelines set forth in the Statutes.

Councilman Morris moved for the adoption of the ordinance, which was seconded by Vice-Mayor Marshall.

On a roll call vote of 4 - 0, Ordinance No. 805 passed on its first reading.

RESOLUTION NO. 74-75 - RESOLUTION REQUESTING THAT THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE CONTRACT FOR CERTAIN IMPROVEMENTS TO BE MADE IN THE EAST RIVERSIDE URBAN RENEWAL PROJECT N. C. R-48

5. Consideration was given to a resolution requesting that the Housing Authority of the City of Asheville contract for certain improvements to be made in the East Riverside Urban Renewal Project N. C. R-48.

The City Manager read the resolution and explained that a bond issue for $1,400,000 was passed to provide funds required to finance the City's portion of the East Riverside Urban Renewal Project, and there was a sufficient amount left, with interest to be accured during the period of construction, to take care of the project as set forth in the Cooperation Agreement.

Upon motion of Councilman Colton, seconded by Councilman Horton, Resolution No. 74-75 was unanimously adopted.

Complete text of Resolution No. 74-75 will be found in Resolution Book No. 7 at page 255.

ORDINANCE NO. 806 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1973-74

6. Consideration was given to an ordinance amending the operating budget of the City of Asheville for the fiscal year 1973-74.

The City Manager read the ordinance and advised Council that funds had been appropriated in the 1973-74 budget for the expansion of the Asheville Airport Terminal Building and that bids had been received to complete this work. However, he said, since this was an eligible Revenue Sharing Fund project it seemed advisable to use these funds. Therefore he was requesting the amendment to the operating budget appropriating $83,000 from the Revenue Sharing Trust Fund. He said that if Council approved this ordinance he would present for their consideration the bids received for the Terminal Building expansion.

Councilman Colton moved for the adoption of the ordinance which was secondeded by Councilman Morris.

On a roll call vote of 4 - 0, Ordinance No. 806 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of the ordinance. This motion was seconded by Councilman Colton and carried unanimously.

On a roll call vote of 4 - 0, Ordinance No. 806 passed on its second reading.

Thursday - May 23, 1974 - 3:00 o'clock p. m.

3. Consideration was given to the second reading of Ordinance No. 804, an ordinance amending Section 2-57 of the Code of Ordinances of the City of Asheville.

On a roll call vote of 4 - 0, Ordinance No. 804 passed on its second reading.

ORDINANCE NO. 805 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING, AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF AHSEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1974 AND ENDING JUNE 30, 1975.

4. Consideration was given to an ordinance levying, assessing, imposing, and defining the license and privilege taxes of the City of Asheville for the fiscal year beginning July 1, 1974 and ending June 30, 1975.

The Corporation Counsel read the ordinance.

Councilman Horton questioned the responsibility of having to obtain a privilege license for each class, such as a drug store obtaining a license for tobacco products, soft drinks, ice cream, magazines, etc. He said he felt that businesses were being over taxed by having to purchase a separate license for each item they sell.

The City Manager advised Councilman Horton that the ordinance was set up under the guidelines set forth in the General Statutes of North Carolina.

RESOLUTION NO. 74-77 - RESOLUTION REQUESTING THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION TO IMPROVE TUNNEL ROAD FOR BETTER TRAFFIC MOVEMENT AND SAFETY

8. Consideration was given to a resolution requesting the North Carolina Department of Transportation to improve Tunnel Road for better traffice movement and safety.

The City Manager read the resolution.

It was noted by Councilmen Morris and Horton that this resolution was the result of a meeting held this week with Mr. Frank Hutchinson, State Highway Division Engineer, to try and resolve some of the traffic problems on Tunnel Road.

Councilman Morris stated that it was his opinion that the State Highway Commission should ask their engineers to look into the Tunnel Road improvements and suggested that a copy of the resolution be transmitted to Mr. Hutchinson, along with a cover letter requesting their suggestions and assistance in improving the traffic conditions on Tunnel Road, and that the Highway Department be further advised that the City Planning staff would be available to discuss the matter and offer their services.

Upon motion of Councilman Horton, seconded by Councilman Colton, Resolution No. 74-77 was unanimously adopted.

Complete text of Resolution No. 74-77 will be found in Resolution Book No. 7 at page 259.

Councilman Morris moved to approve the K-Mart Shopping Center site plan in accordance with the recommendation of the Planning and Zoning Commission provided the special conditions set forth by the Commission in their recommendation had been complied with. His motion further provided that the site plan be amended to require K-Mart to cooperate with the N. C. Department of Transportation, if they so desire, in the construction of a 12' additional lane on the east side of U. S. 74 from the entrance to the shopping center to their north property line. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

PUBLIC HEARING - REZONING OF LOTS 27-1/4 AND 28-1/4, SHEET 7, WARD 9 - 16 LONG STREET

3. A public hearing was held to consider the rezoning of Lots 27-1/4 and 28-1/4, Sheet 7, Ward 9 from RA-6 Residential to Neighborhood Trading Area, owned by Mr. Kremer W. Phillips and requested by Mr. Fred Pearlman.

Mayor Wood opened the public hearing at 3:46 o'clock p. m.

The City Manager read the affidavit of publication setting the time and date for the public hearing.

Mr. Verl Emrick, of the Planning staff, read a report of the Planning and Zoning Commission which recommended that the lots be rezoned.

Mr. Fred Pearlman, speaking in behalf of the owner, presented photographs of the lots and said that a commercial development is planned.

Mayor Wood closed the public hearing at 3:56 o'clock p. m.

The City Manager read a proposed ordinance which would amend the zoning ordinance and rezone the lots in question.

Councilman Colton moved for the adoption of the ordinance, which was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 807 passed on its first reading.

PUBLIC HEARING - REZONING - LOT 200, SHEET 12, WARD 5 - 5 VERMONT AVENUE

4. A public hearing was held to consider rezoning Lot 200, Sheet 12, Ward 5, from RA-6 Residential District to Business, property owned by G. W. Lambert and the rezoning request made by the Wachovia Bank and Trust Company to expand their parking facilities.

Mayor Wood opened the public hearing at 4:00 o'clock p. m.

The City Manager read the affidavit of publication setting the time and date for the public hearing.

Verl Emrick, of the Planning staff, read a report from the Planning and Zoning Commission which recommended that the lots be rezoned.

Mayor Wood closed the public hearing at 4:05 o'clock p. m.

The City Manager read the proposed ordinance amending the zoning ordinance and rezone the lot in question.

Thursday - May 30, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., J. W. Hoyle, Ralph D. Morris, Jr., Bill B. Horton, Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of the May 23, 1974 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Colton, the minutes of the May 23, 1974 meeting were approved as submitted.

PUBLIC HEARING - K-MART SHOPPING CENTER - GROUP DEVELOPMENT

2. A public hearing was held to consider the approval of a site plan for the K-Mart Shopping Center to be located on S. Tunnel Road.

Mayor Wood opened the public hearing at 3:03 o'clock p. m.

The City Manager read the affidavit of publication setting the time and date for the public hearing.

Mr. Verl Emrick, of the Planning Staff, reviewed in detail the site plan for Council. He stated that the Planning and Zoning Commission had recommended the approval of the plan subject to the adherence of certain conditions set forth in the recommendations. These conditions were cited in detail in the minutes of the May 9th meeting and are not being repeated at this time. However, Mr. Emrick in presenting his review stated that K-Mart, as of May 2, 1974, had complied with these special conditions.

Council was assured that the grade slopes would meet the minimum requirements and that adequate seeding and planting for screening was included in the plan.

Council voiced considerable concern over the entrances and exits to the development from U. S. 74. It was felt that since these accesses were directly opposite from the lower access to the Asheville Mall a congested area would be created and that consideration should be given to the widening of U. S. 74 to as many as six lanes at this intersection.

Mr. William Frue, attorney for K-Mart, assured Council that every effort had been made to cooperate with the Planning and Zoning Commission and the State Highway Commission in the planning of the shopping center and that this cooperative effort would be continued in the way of supplying the necessary right of way for any required widening.

Mrs. Lockwood, of 37 Stuyvesant Road, asked what kind of treatment for pollution had been made at the point of discharge, such as the water coming from the parking lots and roofs.

Mr. Emrick informed Mrs. Lockwood that the developer was going to drain the water into a rock and sand type filter system.

Mayor Wood closed the public hearing at 3:43 o'clock p. m.

BIDS - BALL FIELD LIGHTING SYSTEM AT WALTON STREET PARK AND WEAVER PARK

8. Consideration was given to bids received May 30, 1974 to construct ball field lighting system at Walton Street Park and Weaver Park.

The City Manager read memorandums from the Purchasing Agent and the Director of Parks and Recreation which recommended the low base bid in the amount of $18,500 from Electrical Constructors of America, Inc. He said the alternate bid was requested primarily to determine if a savings could be made with the City furnishing the material. However, he said after investigation it was found that the City could not purchase the materials for less than the amount specified by the contractor and therefore it was being recommended that the contractor do the "turn key" job.

Councilman Morris moved to accept the recommendations and award the contract to Electrical Constructors of America, Inc. in the amount of $18,500. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Bid Summary

Second Bid Request #209 - Construct Ballfield lighting systems at Walton Street Park and Weaver Park.

Bidder	Bid Base Bid	Alternate #1
M. B. Haynes Electric Corp.	$23,950.00	$14,880.00

MEALS-ON-WHEELS PROJECT -- REQUEST FOR FINANCIAL ASSISTANCE

14. Mr. Stewart Spragins, Chairman of the Committee that has been working on the Meals-on-Wheels Program explained the progress of the volunteer committee and that they were planning to start the program July 1, 1974.

Mr. Spragins requested financial assistance from the City Council for salaries for two people for one year, commenting that the committee expected to raise the money for food from private donors and that it was planned that volunteers would deliver the food to the recipients.

Mr. Spragins explained that those now receiving meals under the Model Cities Program would be given priority if determined eligible by the selection committee.

Councilman Ochsenreiter moved that the Meals on Wheels Program be furnished up to $15,000 for a year for staff expense. This motion was seconded by Councilman Hoyle and carried unanimously.

REZONING PETITION - OAK HILL DRIVE - WARD 6, SHEET 20, LOT 1-3/4 - CAROLYN LAING

15. The City Manager presented a rezoning petition from James Sluder to rezone Lot 1-3/4, Sheet 20, Ward 6 from RA-6 Residential to Commercial, owned by Carolyn Laing.

In the absence of any objections from members of Council, Mayor Wood instructed the City Clerk to refer the petition to the Planning and Zoning Commission for study and recommendation.

RESOLUTION NO. 74-78 - RESOLUTION AUTHORIZING THE MAYOR TO FILE AN APPLICATION FOR A FEDERAL GRANT FOR A LEGAL ADVISOR

10. Consideration was given to a resolution authorizing the Mayor to file an application for a federal grant for a Legal Advisory.

The City Manager read the resolution.

Mr. Michalove, Assistant City Manager, explained that this was an application for a federal grant to provide the Asheville Police with supplemental legal assistance and training. He said the grant was 90% Federal, 5% State, and 5% City and the total budget for the project would be $30,932. He said the application was for a one year grant with the assumption that the City would assume the project cost as of July 1, 1977.

Chief Hall responded to certain questions about the day-to-day activities of the legal advisor.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 74-78 was unanimously adopted.

Complete text of Resolution No. 74-78 will be found in Resolution Book No. 7 at page 260.

RESOLUTION NO. 74-79 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE A CONTRACT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR AIRPORT CONSTRUCTION FUNDS

11. Consideration was given to a resolution authorizing the Mayor to execute a contract with the North Carolina Department of Transportation for airport construction funds.

The City Manager read the resolution and explained that the funds in the amount of $100,000 mentioned in the resolution had been previously approved and are to be used on the contracts for strengthening of the taxiways and apron that is now being done at the airport and that this was a formal contract between the City and the North Carolina Department of Transportation for airport construction funds.

Councilman Ochsenreiter moved that the Mayor of the City of Asheville be authorized to submit and execute, on behalf of the City of Asheville, an application for a grant in the amount of $100,000, and to sign any contracts required by the State in connection with the grant. This motion was seconded by Councilman Colton and carried unanimously.

Complete text of Resolution No. 74-79 will be found in Resolution Book No. 7 at page 262.

PRESENTATION OF THE 1974-75 BUDGET

12. The City Manager read a prepared budget letter in submitting the 1974-75 budget to members of Council.

The City Manager paid tribute to Larry Fisher, Director of Finance, and his staff for the excellent job in putting the budget together.

Thursday - June 6, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., J. W. Hoyle, Ralph D. Morris, Jr., Bill B. Horton, Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of the May 30, 1974 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, the minutes of the May 30, 1974 meeting were approved as submitted.

PUBLIC HEARING - 1974-75 BUDGET

2. A public hearing was held on the 1974-75 Budget.

Mayor Wood opened the public hearing at 3:07 o'clock p. m. and called on the City Manager to read the notice to the public and the affidavit of publication.

Mayor Wood explained that the purpose of the public hearing was to discuss any phase of the 1974-75 budget as presented by the City Manager. He called for comments from both the public and other members of Council and not receiving any he asked the City Manager if he had anything further to present. Mr. Ward advised that he had been asked to read a resolution passed by the Model Cities Commission requesting the City and County to provide support-funding for the Consolidated Health Program, the City's share to be $40,932.

There being no further comment, Mayor Wood closed the public hearing at 3:13 o'clock p. m.

ORDINANCE NO. 805 - ORDINANCE LEVYING, ASSESSING, IMPOSING, AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1974 AND ENDING JUNE 30, 1975.

3. Consideration was given to the second reading of Ordinance No. 805, an ordinance levying, assessing, imposing, and defining the license and privilege taxes of the City of Asheville for the fiscal year beginning July 1, 1974 and ending June 30, 1975.

Mayor Wood noted that at the request of Councilman Horton the second reading of this ordinance, scheduled for last week's meeting, was postponed and was now being presented for the second reading.

Councilman Horton said that he had received several inquires regarding this ordinance and he had asked for the postponement to give him time to investigate it. He said his investigation had pinpointed the problem but not the solution. He said he felt that the ordinance was unwieldy but that it would take legislative action to correct it. He said he would like to see a comprehensive study made on the ordinance sometime around the first of the year.

On a roll call vote of 6-0, Ordinance No. 805 passed on the second reading.

REQUEST TO SPEED UP DEMOLITION PROCESS IN THE TEXAS, FAYETTEVILLE, SARATOGA STREET AREA

Vice-Mayor Marshall requested that the City speed up the demolition and cleaning up process in the Texas, Fayetteville, Saratoga Street area. He said the houses in this area were very dilapidated and needed to be cleaned up.

Mr. Johnson, Building Inspector, advised that demolition proceedings had been started in this area, however following the legal process necessary slowed up the demolition.

ASHEVILLE CIVIC CENTER - REPORT FROM THE MAYOR

Mayor Wood reported that after lengthy meetings concerning the opening date of the new Asheville Civic Center, it had been concluded that the City would aim for an opening date of June 22. He said the building would not be complete by this time, but that it was anticipated that all safety regulations would be complied with.

Adjournment.

Richard D. Wood, Jr.
MAYOR

Thelma S. Holcomb

ORDINANCE NO. 807 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (16 Long Street)

4. Consideration was given to the second reading of Ordinance No. 807, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (16 Long Street)

Before proceeding with the second reading of Ordinance No. 807, Mayor Wood explained that the ordinance under consideration would rezone two lots in the vicinity of Long Street. He said that the staff of the Planning and Zoning Commission in making their investigation on these two lots also investigated the possiblity of rezoning a larger area in this vicinity and recommended to the Commission that the larger area also be rezoned. The Commission however, did not approve the staff's recommendation and therefore it would not be considered by Council at this time.

On a roll call vote of 6-0, Ordinance No. 807 passed on the second reading.

ORDINANCE NO. 808 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Vermont Avenue)

5. Consideration was given to the second reading of Ordinance No. 808, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Vermont Avenue)

Mayor Wood explained that the ordinance under consideration would rezone a lot on Vermont Avenue from RA-6 Residential to Business and that the Wachovia Bank planned the expansion of their facilities on this lot.

On a roll call vote of 6-0, Ordinance No. 808 passed on the second reading.

BIDS - PHASE 1 - WATER QUALITY FACILITIES

Consideration was given to bids received on May 22 and June 4 for the four contracts involved in the initial phase of the Water Quality Facilities.

The City Manager read a letter from O'Brien and Gere, Inc./Engineers, consultants for the project, which summarized the bidding and recommended to Council that the low bids be accepted for all contracts. The Engineers further recommended that the alternate bid on floating covers for the reservoir be accepted in lieu of the rigid steel frame covers, stating that the current steel prices no longer made the use of the steel covers economically practical.

Mr. Charles Willis, representing O'Brien & Gere, fielded questions from Council as to the composition, durability and maintenance of the floating reservoir covers.

In answer to Councilman Horton's question, Mr. Willis stated that the bids were approximately 8% above the initial estimate.

Mr. William Edens, Director of the Water Department, commenting on the bids, said that he thought they were fair and that the City would get a good job with a resulting good product.

Councilman Ochsenreiter moved to accept the low bid as recommended by the consultants and that the Mayor be authorized to execute the contracts. This motion was seconded by Councilman Morris and carried unanimously.

Thursday - June 13, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, Assistant City Manager/ City Clerk William F. Wolcott, Jr.

Absent: Councilmen Eugene C. Ochsenreiter and Bill B. Horton, Corporation Counsel William C. Moore, and City Manager Ernest J. Ward, Jr.

1. Approval of minutes of the June 6, 1974 meeting.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, the minutes of the June 6, 1974 meeting were approved as submitted.

ORDINANCE NO. 805 - ORDINANCE LEVYING, ASSESSING, IMPOSING, AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1974 AND ENDING JUNE 30, 1975.

2. Consideration was given to the third and final reading of Ordinance No. 805, an ordinance levying, assessing, imposing, and defining the license and privilege taxes of the City of Asheville for the fiscal year beginning July 1, 1974 and ending June 30, 1975.

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and that it would not be re-read in its entirety unless there was a specific request to do so.

The Assistant City Manager informed Council that there were two sections in the ordinance relative to carnivals and circuses stating that the applicant for the license is required to put up a cash deposit of Fifty Dollars ($50) for each carnival or circus to defray expenses of the Sanitary Department for cleaning up the lot after its use. He said he had been informed by the Superintendent of Sanitation that the last carnival held in the City cost the City over $80 to clean up the lot and it had been requested that Council amend the ordinance to increase the cash deposit to cover these expenses.

Councilman Morris moved to amend Section 15 "License Schedule" of Ordinance No. 495 so that licenses relating to carnival companies and circuses as appearing on pages 308 through 310 of Ordinance Book No. 4 of the Ordinances of the City of Asheville be amended to read as follows: in the last paragraph of the subheading "Carnival Companies":

> "A cash deposit of Two Hundred Fifty (250) Dollars will be required for each carnival before "setting up" on lot, to defray the expenses of the Sanitary Department for cleaning up the lot used. The actual cost of cleaning will be charged and a refund will be made in the event of any surplus." and

in the last paragraph of the subheading "Circuses" as follows:

> "Provided further, that a cash deposit of Two Hundred Fifty (250) Dollars will be required from each circus or exhibition before "setting up" on lot, to defray the expenses of the Sanitary Department for cleaning up lot used. The actual cost of such cleaning will be charged and refund will be made in the event of any surplus. A deposit to cover cost of water used from the city supply will be required in accordance with the size of the circus."

PROCLAMATION - FAMILY UNITY WEEK

Mayor Wood proclaimed the week of June 9 through June 15 as Family Unity Week.

Adjournment.

Richard D. Wood, Jr.
MAYOR

William F. Malcolm
CITY CLERK

The Corporation Counsel read the ordinance.

Mr. Peter Mallett, 5 Boxwood Lane, spoke in opposition to the proposed 13.8 per cent tax increase. He said that the vacant buildings in the downtown area and the constant migration to the suburbs by residents indicates that a tax increase would be impractical. He argued that retired people and others on fixed incomes are already fighting an annual inflation rate of some 15 per cent and could not afford a tax increase. He said he felt that the Council could cut out some unnecessary expenses.

Mr. E. R. McCarthy also opposed the proposed 13.8 per cent tax increase.

Councilman Morris pointed out that tax increases over the years since the 1970-71 budget averaged only 2.15 per cent per year and presented a compilation of the rates for prior years and he felt that was a good record.

Councilman Colton noted that even if the budget passed on the first reading at this meeting Council members were still studying the budget and trying to trim it as much as possible.

Councilman-Morris moved for the adoption of the budget ordinance which was seconded by Vice-Mayor Marshall.

On a roll call vote of 4-0, Ordinance No. 809 passed on its first reading.

BIDS - PIPE AND FITTINGS FOR WATER MAINS

6. Consideration was given to bids received June 10, 1974 for pipe and fittings for water mains.

The Assistant City Manager read memorandums from the Purchasing Agent and the Director of Water and Sewer Services which recommended, for the water main pipe, the low base bid in the amount of $57,038 by Davis Meter and Supply Company, be accepted for both six and eight inch cast iron pipe. It was also recommended that only the eight inch PVC pipe specified under Alternate I be purchased. It was noted that the two low bidders for this material were Davis Meter and Supply Company at $3.46 per foot and Southern Meter and Supply Company at $3.33 per foot. It was recommended that the second low bid of Davis Meter and Supply Company in the amount of $3.46 per foot be accepted due to the extended delivery time for the pipe from Southern Meter and Supply Company being estimated at ten to fourteen weeks and also an escalation clause contained in the bid that, "All Prices are Subject to Prices in Effect at Time of Delivery or Shipment" thereby invalidating the $3.33 per foot bid price as being non-responsive and should not be considered. However, Davis Meter and Supply Company offered a ten day delivery at a firm price.

The requistioner also recommended for all cast iron and ductile iron pipe fittings, the low base bid unit prices and low Alternate bid unit prices submitted by Davis Meter and Supply Company be accepted, with the quanitities for each fitting to be determined by the Water and Sewer Department and the totals not to exceed the low base bid in the amount of $1,832.00 and the low alternate bid in the amount of $1,272.01.

This motion was seconded by Vice-Mayor Marshall and on a roll call vote of 4 - 0, the amendment to the ordinance carried.

Mayor Wood then called for a roll call vote for the third and final reading of Ordinance No. 805, as amended.

On a roll call vote of 4 - 0, Ordinance No. 805 passed on its third and final reading.

Complete text of Ordinance No. 805 will be found in Ordinance Book No. 6 at page 72.

ORDINANCE NO. 807 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Long Street)

3. Consideration was given to the third and final reading of Ordinance No. 807, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning Ward 9, Sheet 7, Lots 27-1/4, and 28-1/4 from RA-6 Residential District to Neighborhood Trading Area.

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and that it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 807 passed on the third and final reading.

Complete text of Ordinance No. 807 will be found in Ordinance Book No. 6 at page 77.

ORDINANCE NO. 808 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Vermont Avenue)

4. Consideration was given to the third and final reading of Ordinance No. 808, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning Lot 200, Sheet 12, Ward 5, from RA-6 Residential District to Business.

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and that it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 808 passed on the third and final reading.

Complete text of Ordinance No. 808 will be found in Ordinance Book No. 6 at page 78.

ORDINANCE NO. 809 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1974-75

5. Consideration was given to an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the fiscal year 1974-75.

PETITION - CLOSING OF PORTION OF HAWKINS LANE

The Assistant City Manager presented a petition from the Trustees of the Temple Baptist Church requesting that an abandoned portion of Hawkins Lane be permanently closed. He advised Council that if they wished to consider the closing of this portion of Hawkins Lane it would be necessary to pass a resolution setting a public hearing on the question and that if it was Council's wish he was prepared to present the resolution at this time. On instructions from Mayor Wood he proceeded with the presentation of the following resolution.

RESOLUTION 74-82 - RESOLUTION OF INTENT TO CLOSE AN ABANDONED PORTION OF HAWKINS LANE AND CALLING A PUBLIC HEARING ON THE QUESTION

Vice-Mayor Marshall moved for the adoption of the resolution setting the date of the public hearing for July 25, 1974. This motion was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 74-82 will be found in Resolution Book No. 7 at page 265.

REZONING PETITION - 12 LONG STREET - FRED PEARLMAN

The Assistant City Manager presented a rezoning petition from Fred Pearlman to rezone Lot 27 and 28, Sheet 7, Ward 9 from RA-6 Residential to Neighborhood Trading Area.

In the absence of any objections from members of Council, Mayor Wood instructed the City Clerk to refer the petition to the Planning and Zoning Commission for study and recommendation.

PROCLAMATION - CITIZEN PARTICIPATION MONTH

Mayor Wood proclaimed the month of June as Citizen Participation Month.

COMPLAINTS - SOUTH GROVE STREET - MRS. JAMES SMITH

Mrs. James Smith voiced complaints to Council relative to the brush in the alley behind 128 South Grove Street and the dangerous condition of the sidewalks in this area.

Mayor Wood informed Mrs. Smith that extensive repairs were anticipated in this area under the Urban Renewal Program.

Adjournment.

Richard A. Wood Jr.
MAYOR

William D. Mercer
CITY CLERK

BIDS - PRINTING OF MODEL CITIES AGENCY BROCHURE

7. Consideration was given to bids received June 5, 1974 for the printing of the Model Cities Agency Brochure.

The Assistant City Manager read memorandums from the Purchasing Agent and Executive Director of the Model Cities Agency which stated that Gilbert Printing Company submitted the low base bid in the amount of $5,522.25 for 500 copies, and low alternate bid in the amount of $5,816.00 for 1,000 copies. The low alternate bid being the most economical buy, representing a unit price of $5.82 per copy, compared to $11.04 per copy in the low base bid, it was recommended that the low alternate bid be accepted. The funding will be 100% Third Action Year Supplemental Funds from Citizen Participation Project Budget.

Mr. Delany, Executive Director of the Model Cities Agency, described the brochure for members of Council stating that it is a pictoral review of the Model Cities Program which describes all the activities, expenditures, and services of the Model of the Model Cities Agency. He said this was a way to inform the public of the Model Cities Program and to show them how the money was spent. He said HUD had strongly suggested that this brochure be published.

Councilman Colton moved to accept the recommendation and award the contract to Gilbert Printing Company for the low alternate bid in the amount of $5,816.00 for 1,000 copies. This motion was seconded by Councilman Morris and carried unanimously.

Bid Summary

Bid Request #211 - Printing Model Cities Agency Brochure

RESOLUTION NO. 74-81 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO A CONTRACT WITH GILBERT PRINTING COMPANY FOR PRINTING OF THE MODEL CITIES AGENCY BROCHURE, UNDER THE COMPREHENSIVE CITY DEMONSTRATION PROGRAM

8. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into a contract with Gilbert Printing Company for Printing of the Model Cities Agency Brochure, under the Comprehensive City Demonstration Program.

The Assistant City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 74-81 was unanimously adopted.

Complete text of Resolution No. 74-81 will be found in Resolution Book No. 7 at page 264.

PUBLIC HEARING - FINANCIAL ASSISTANCE FOR PURCHASE OF REPLACEMENT BUSES AND EQUIPMENT

RESOLUTION NO. 74-83 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

3. A public hearing was held for the purpose of considering a project for which financial assistance is being sought from the Urban Mass Transportation Administration, pursuant to the Urban Mass Transportation Act of 1964, as amended.

Mr. Michalove, Assistant City Manager, explained to Council that this was a good opportunity for the City of Asheville to purchase capital replacement buses and equipment with the project being funded at a rate of 80% Federal share and 20% local share of the cost. He said this project would allow the City to purchase eight (8) new 33 passenger buses, a bus washer plus other capital equipment needed by the Asheville Transit Authority. He said the local contribution would be $82,128 which would be budgeted in Fiscal Year 74-75 and 75-76 general fund - debt service account.

Mr. Lyle Hackett, Resident Manager of the Asheville Transit Authority, advised Council that buses have to be replaced about every eight (8) years due to the terrain in this area being hard on the buses. He said that in 1969 thirty-five (35) new buses were purchased and this financial assistance would allow the city to purchase eight (8) additional buses thereby being able to give better and extended services when the need arises. He also noted that delivery time on the new buses would be about a year.

Councilman Ochsenreiter returned to the meeting at 3:17 o'clock p. m.

Mayor Wood pointed out that the City Manager had proposed an allocation of $65,000 in the 1974-75 budget toward the $82,128 local share. However, during budget sessions held this past week, it had been suggested that this amount be reduced to $35,000 for this fiscal year, leaving a balance of $52,000 to be allocated in future budgets.

Upon questioning by Councilman Morris, Mr. Hackett told Council that the purchase of the new bus washer would have an effect of reducing the manpower needed to wash the buses.

Mayor Wood closed the public hearing at 3:26 o'clock p. m.

The City Manager read the proposed resolution.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, Resolution No. 74-83 was unanimously adopted.

Complete text of Resolution No. 74-83 will be found in Resolution Book No. 7 at page 267.

Thursday - June 20, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr.

Absent: Assistant City Manager/City Clerk William F. Wolcott, Jr.

1. Approval of minutes of the June 13, 1974 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle the minutes of the June 13, 1973 meeting were approved as submitted.

PUBLIC HEARING - USE OF BITUMINIZED FIBER SEWER PIPE WITHIN THE CITY

ORDINANCE NO. 810 - AN ORDINANCE PERMITTING AND REGULATING THE USE OF BITUMINIZED FIBER SEWER PIPE WITHIN THE CITY OF ASHEVILLE

2. A public hearing was held to consider the adoption of an ordinance relating to the use of bituminized fiber sewer pipe within the City of Asheville.

Mayor Wood opened the public hearing at 3:03 o'clock p. m.

The City Manager read the affidavit of publication setting the time and date for the public hearing.

Mr. Johnson, Building Inspector, advised Council that this ordinance was necessary to comply with HUD requirements for recertification for the Workable Program. He said the North Carolina State Building Code Council passed a ruling that the City of Asheville could pass an ordinance to allow the bituminized fiber sewer pipe in the City with certain regulations for its use. He said if this was put in the North Carolina State Building Code, the ordinance would then be voided. He also informed Council that the Building Code Council did not approve of the use of the pipe for the state. He noted that installations of the pipe must meet the current standards of model plumbing codes, such as the current Southern Standard Plumbing Code. He also noted that he did not think anyone would be using it due to the high cost and the restrictions placed on its use.

Mayor Wood closed the public hearing at 3:10 o'clock p. m.

Mayor Wood excused Councilman Ochsenreiter from the meeting at 3:10 o'clock p. m.

The City Manager read the prepared ordinance which would permit and regulate the use of the bituminized fiber sewer pipe within the City.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Colton.

On a roll call vote of 3-2, Ordinance No. 810 passed on its first reading with Councilman Hoyle and Vice-Mayor Marshall voting "no". Councilman Ochsenreiter was absent from the meeting when the vote was taken.

Councilman Morris moved to proceed with the second reading on the budget ordinance as passed on the first reading with an intent that on the third reading at next week's meeting provisions in the budget would be made so that there would not be a tax rate in excess of 93¢. This motion was seconded by Councilman Ochsenreiter.

Councilman Horton stated that he thought the motion was unwieldy and it was his opinion that the motion was not parliamentary.

On a roll call vote of 5-1, Ordinance No. 809 passed on its second reading, with Councilman Horton voting "no".

RECOMMENDATION FROM MODEL CITIES COMMISSION CONCERNING REPROGRAMMING OF FUNDS

5. Consideration was given to a recommendation from the Model Cities Commission concerning reprogramming of funds.

Mayor Wood explained that the recommendations were the result of a Model Cities Commission meeting in partial response to his letter to the Commission suggesting the allocation of additional Model Cities funds. In addition to concurring with his recommendations, the Commission recommended the use of approximately $100,000 of Third Action Year Surplus funds. The recommendations were as follows:

Program	Commission Recommendation on $270,600 Budget	Commission Recommendation for Allocation of $100,000 Surplus Funds
Senior Opportunity Center	$72,366	$11,038
Meals on Wheels	15,000	-0-
Program Administration	74,941	12,438
Livingston Street Neighborhood Facility	33,274	-0-
Mass Transit	50,000	-0-
Montford Center	25,019	-0-
Career Opportunity		$58,264
Employment Service		16,317
Unprogrammed		1,943
	$270,600	$ 100,000

Brief reviews of the Commissions recommendations for allocations of the $100,000 are as follows:

Senior Opportunity Center - (a) Reinstatement of Service Coordinator for 12 months $8,736
Continuation of Service Coordinator, contingent upon Mr. Miller being employed by Title III Aging Program.
(b) Salary increase 5%, 7 staff members 2,302
$11,038

ORDINANCE NO. 809 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1974-75

4. Consideration was given to the second reading of Ordinance No. 809, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the fiscal year 1974-75.

Mayor Wood commented that the budget as submitted and read on the first reading at last weeks meeting was based on a proposed tax rate of 99¢ of which 20¢ was in debt service and 79¢ in general fund. He noted that during work sessions held by Council this past week, Council has requested several changes for formal consideration at this time. He said at this point there were two alternatives of which both reflected at 93¢ tax rate. He noted that the equivalent tax rate compared with this years tax rate is 87¢ and this would constitute a 6.90 per cent increase with the proposed 93¢ tax rate. He also pointed out that in the 1973-74 budget the tax rate was reduced 4.67 per cent, which showed a 2.23 per cent net increase in tax rates over a three year period. He said various recommendations had been made as to how to accomplish the 93¢ tax rate, such as decreases in expenditures in personnel reductions for the cemetary and recreation divisions, reduction in Non-Departmental expenditures and a reduction of contingencies.

He said the two alternatives were related primarily to the improvements to the Asheville Airport by eliminating the expansion program which is funded at a rate of 75% FAA, 5% Appalachia, 10% State and 10% local or by continuing the airport improvements and reducing the debt service to 17¢ in lieu of 20¢ by stretching refunding obligations to cover the next two years and increase the general fund from 73¢ to 76¢ to include the cost of the airport improvements.

Mrs. Elma Willis of Westwood Road, voiced concern and opposition to any tax increase.

Mr. Harmon Lee, President of Carolina Fuel and downtown property owner commended Council for reducing the proposed 13.8 per cent increase to 6.90 per cent.

Mrs. Elmore Seamore, 97 Delaware Road; Mr. Peter Mallett, President of Asheville Highland Distributors, and Mr. Bill Scroggs of White Pine Drive and speaking on behalf of the Asheville Board of Realtors, all commended Council for reducing the proposed increase but urged them to hold taxes at the present level.

Mayor Wood pointed out that the airport had been operating at a deficit for a number of years but now the operating revenues exceeded the operating expenses which is, of course, exclusive of capital improvements.

Councilman Morris stated that it was his opinion that to leave out appropriations for airport improvements, with 90% outside support, would be a grave mistake for the City of Asheville.

Councilman Hoyle stated that he opposed increasing taxes for airport improvements.

Councilmen Colton and Ochsenreiter supported allocating funds for the airport improvements.

Career Opportunity Program
(Teacher Aide Project)

Mr. James Clarke, Associate Superintendent of the Asheville City Schools, commented on the Teacher Aide Project recommendation stating that this would enable 14 teacher aides to complete their college education for a teaching degree. He said that the Model Cities funds would be used to pay stipends for work the teachers perform at the schools while another federal grant pays for the college tuition and other expenses of the general program and enrollees.

Senior Opportunity Center

Mayor Wood asked about the Service Coordinator's job with the Senior Opportunity Center, Mr. Michalove, Assistant City Manager, commented that the Buncombe County Council on Aging had been working with Region B to develop a program for the elderly using Title III funds of the Aging Act. They have developed a proposed budget of $58,975 to hire a services director that would work county wide, a secretary and three Community Resources Aides. He said it was his understanding that two of the aides would be working at the Senior Opportunity Center to provide social services. This program was to begin July 1, 1974. He said the Model Cities Commission had recommended that the Service Coordinator be reinstated for 12 months if Mr. Miller did not get a position with the Title III program, doing the same type of work that he is presently doing at the Senior Opportunity Center.

Salary Increases

Mayor Wood commented on the recommendations for a 5% salary increase for the staff in the Senior Opportunity Center, Program Administration, and the Employment Service System Programs, stating that the present salaries were at a higher rate than comparable positions in the City. He also commented that it was his understanding that the personnel holding the positions of CP Director and Secretary I in Program Administration are now being considered for other positions within the City Personnel System.

Employment Service System

Mayor Wood pointed out that it was his opinion that the County Commissioners had accepted the request and suggestion to establish an Employment Services Program under the sponsorship of the Asheville Buncombe Community Relations Council.

Mr. Michalove, Assistant City Manager, informed Council that this program was scheduled to begin July 1, 1974. He said the County Manpower Commission had anticipated the phasing out of the Model Cities Employment Services System Project and the plan would provide a full time staff person at the Livingston Street Neighborhood Facility.

Councilman Morris suggested that part of these recommendations be carried over until next week's meeting allowing time for more suggestions and recommendations to be obtained concerning certain programs. He then moved that the City Council indicate approval of the recommendations for the allocations to the Senior Opportunity Center, Meals On Wheels, Program Administration, Livingston Street Neighborhood Facility, and Mass Transit at the funding levels proposed by the Mayor and concurred by the Model Cities Commission

Program Administration -	(a) Extend positions of CP Director, Secretary I, and Receptionist and continue payment at present rate of 3 Commissioners from: 6/30/74 to 9/30/74	$9,555
	(b) Salary increase 5% - 9 staff members; 3 for 3 months, 3 for 6 months, 3 for 1 year.	2,883
		$12,348
Career Opportunity Program - (Teacher Aide Project)	(a) Fund this program one year to June 30, 1975 to enable 14 teacher aides to complete college	$58,264
Employment Service System	(a) Extend project for 3 months to September 30, 1974, original termination date	$15,535
	(b) Salary increase 5% - 6 staff members	782
		$16,317
	(c) Commission recommended that Employment Service System employees be given Civil Service Status, same as Program Administration employees	
Unprogrammed		$ 1,943

The Commission also recommended that the following programs be continued until the projects are completed or existing allocation of funds are depleted: Demolition, Livingston Street Neighborhood Facility, Riverside Park and Relocation Program.

Consolidated Health Program

It was also recommended that the Consolidated Health Program funded in the amount of $9,000 and the Consolidated Health Project for the Blind funded in the amount of $1,900 be continued until August 31, 1974 at which time they anticipate funding from another source. In addition to the above recommendation, Mr. Delany, Executive Director of the Model Cities Agency, explained that Mr. Bill Jones, Director of the Consolidated Health Program had indicated that he needed matching funds in the amount of approximately $65,000 in order to receive a grant from the Appalachia Regional Commission to carry the project for another year. He said the Model Cities Commission, when making their recommendaitons, was not aware of this request. Mr. Delany suggested that the matching funds could be given the project by changing some of the above recommended funding such as using the unprogrammed allocation of $1,943, using the Montford Center allocation of $25,019, and some additional $10,000 surplus funds in addition to the $100,000 for various programs. He said that additional money is anticipated to complete the Montford Center through the Community Development Block Grant if these funds become available.

Bill Jones, Director of the Consolidated Health Program advised Council that an application had been made to the Appalachia Regional Commission (ARC) for assistance and it was expected that residents outside the Model Cities area would be served if this grant is approved. He also indicated that additional information requested by ARC was due by July 1, 1974 and a reply as to whether the application would be funded would be expected before July 20, 1974. He said the estimated local share would be $65,462 which would carry the program for one year.

On a roll call vote of 6-1, Ordinance No. 811 passed on its second reading.

Councilman Ochsenzeiter again moved to dispense with the rules and proceed to the third and final reading of the ordinance. This motion was seconded by Councilman Colton and carried unanimously.

On a roll call vote of 6-1, Ordinance No. 811 passed on its third and final reading.

Complete text of Ordinance No. 811 will be found in Ordinance Book No. 6 at page 86.

RESOLUTION NO. 74-84 - RESOLUTION APPOINTING TOM D. BUDD AS CHAIRMAN OF ASHEVILLE-BUNCOMBE DRUG AND ALCOHOL ABUSE ADVISORY COMMISSION.

8. Consideration was given to a resolution appointing Tom D. Budd as Chairman of Asheville-Buncombe Drug and Alcohol Abuse Advisory Commission.

The City Manager read the resolution.

Upon motion of Councilman Horton, seconded by Councilman Hoyle, Resolution No. 74-84 was unanimously adopted.

Complete text of Resolution No. 74-84 will be found in Resolution Book No. 7 at page 268.

PROCLAMATION - AUTISTIC CHILDREN'S WEEK - JUNE 23-29

Mayor Wood proclaimed the week of June 23 - 29 as Autistic Childrens Week.

Adjournment.

MAYOR

CITY CLERK

He further moved that approval be given for the continuation of the Services Coordinator for the Senior Opportunity Center for thirty (30) days; continuation of the existing Program Administration positions for thirty (30) days and continuation of the Employment Service Systems positions for thirty (30) days. Provided further that no action be taken at this time on the allocations for the Montford Center, Career Opportunity Program, continuation of the Employment Service System Project for three (3) months, salary increases, or the request for additional funds to the Consolidated Health Program. He also moved that the recommendations, be approved, that the Consolidated Health Project, Consolidated Health Project for the Blind, Demolition, Livingston Street Neighborhood Facility, Riverside Park and Relocation be continued until the projects are completed or existing allocation of funds are depleted. This motion was seconded by Councilman Colton and carried unanimously.

INDEMNITY AGREEMENTS - ASHEVILLE CIVIC CENTER

6. The City Manager presented Indemnity Agreements with contractors that are constructing the Asheville Civic Center that requires the approval of Council authorizing the Mayor to sign the agreements. He said these agreements would hold the contractors harmless in the event that any accidents occur during events held in the Civic Center prior to completion of the Center. He said the City is carrying insurance during the period that the City would be holding the contractors harmless.

Councilman Hoyle moved to authorize the Mayor to execute the Indemnity Agreements with contractors that are constructing the Civic Center during events held in the Civic Center prior to completion date. This motion was seconded by Councilman Horton and carried unanimously.

ORDINANCE NO. 811 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE APPROPRIATING CONTINGENCY FUNDS

7. Consideration was given to an ordinance amending the operating budget of the City of Asheville appropriating Contingency funds.

The City Manager read the ordinance.

Mayor Wood explained that this ordinance would authorize the payment of the assessment established by the Region B Commission for its support by its member governments during the Fiscal Year 73-74 which the City Council has not acquiesced heretofore in that it was imposed contrary to the by-laws of the Commission. He said due to Region B being in such dire financial need he recommended approval of the ordinance.

Councilman Colton moved for the adoption of the ordinance, which was seconded by Councilman Ochsenreiter.

Councilman Morris asked for an amendment to the motion, to inform the Region B Commission that Council passed the ordinance under protest due to this being in violation of the Region B Commission By-Laws and that it was passed only in the spirit of cooperation and due to the dire financial need of the Region B Commission. Councilman Colton accepted Councilman Morris's amendment to the motion, which carried unanimously.

On a roll call vote of 6-1, Ordinance No. 811 passed on its first reading.

Councilman Ochsenreiter moved to dispense with the rules and proceed to the second reading of the ordinance. This motion was seconded by Councilman Colton and carried unanimously.

Based on information gathered since the June 20th meeting and considering the tentative approval given certain programs by the Council Mayor Wood had a resolution prepared making the following recommendations to Council:

Program	Total Funding
Senior Opportunity Center This included the continuation of the Services Coordinator position for one month.	$ 73,094
Meals on Wheels	15,000
Program Administration This included the continuation of those positions scheduled to end June 30 until July 31, 1974.	78,465
Livingston Street Neighborhood Facility	33,274
Mass Transit	50,000
Employment Services System This included the continuation of those positions scheduled to end June 30 until July 31, 1974.	5,178
Consolidated Health Program	57,325
Career Opportunities Program	58,264

In addition, he recommended that the Consolidated Health Program be extended to August 31, 1974 using $9,000 in surplus funds remaining in the contract and the Consolidated Health Project for the Blind be extended through August 31, 1974 with existing funds of $1,900.

He further recommended the continuation of the following projects until they are completed or the contracted funds are depleted: Demolition; Livingston Street Neighborhood Facility; Riversider Park and Relocation.

Mayor Wood added that he had received a letter from the Model Cities Commission stating that in a telephone poll of the Commissioners during the past week it was recommended that the Consolidated Health Program be included in the funding.

Councilman Morris suggested that it be specified in the resolution that the appropriation of $57,325 for the Consolidated Health Program be used only as a local match for an Appalachia grant. Other members of the Council agreed.

Mayor Wood then asked for comments and recommendations from members of the audience.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of the June 20, 1974 meeting.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, the minutes of the June 20, 1974 meeting were approved as submitted.

ORDINANCE NO. 810 - AN ORDINANCE PERMITTING AND REGULATING THE USE OF BITUMINIZED FIBER SEWER PIPE WITHIN THE CITY OF ASHEVILLE

2. Consideration was given to the second reading of Ordinance No. 810, an ordinance permitting and regulating the use of bituminized fiber sewer pipe within the City of Asheville.

Mayor Wodd explained that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-2, Ordinance No. 810 passed on its second reading, with Vice-Mayor Marshall and Councilman Hoyle voting "no".

RECOMMENDATION FROM MODEL CITIES COMMISSION CONCERNING THE APPROPRIATION OF MODEL CITIES FUNDS

3. Further consideration was given to a recommendation from the Model Cities Commission concerning the appropriation of funds.

Mayor Wood explained that this was a continuation of the discussion which began at the Council meeting June 20, 1974 concerning recommendations from the Model Cities Commission on the HUD allocation of $270,600 made available to the City plus $100,000 Third Action Year surplus funds. He noted that at the June 20th meeting the Council indicated tentative approval of all of the recommendations relative to the $270,600 except the appropriation of $25,019 for the Montford Community Center. The Council has also given tentative approval to the continuation of the position of Service Coordinator at the Senior Opportunity Center for one month pending additional information about the Aging Program; continuation for one month of the salaries and positions in the Program Administration and Employment Services System Programs scheduled to end June 30, 1974 and the continuation of the Demolition, Livingston Street Neighborhood Facility, Riverside Park and Relocation projects until they are completed or the funds are depleted. He said no action was taken at the June 20th meeting relative to the local matching share for the continuation of the Consolidated Health Program due to the Model Cities Commission not having been given the information in time to make a recommendation, prior to the presentation to the City Council. Consideration of the continuation of the Career Opportunity Program was also held over.

Mayor Wood asked Mr. Michalove to comment on the Region B Aging Program. Mr. Michalove told Council that a budget was submitted by the Buncombe County Council on Aging to the County Commissioners then to Region B to fund the project beginning July 1, 1974. He said the budget included a Project Director, a Secretary, and three (3) Community Resource Aides, two of which would be stationed at the Senior Opportunity Center. He explained that the Council on Aging was to operate the program originally but that in recent weeks the operating agency was changed to the Department of Social Services and he was not sure how this was going to change the staffing. In either case, he said it was his understanding that Mr. Miller, Services Coordinator at the Center now, had applied for one of these positions.

Mr. Delany, Model Cities Director, suggested that each program allocation be cut by $1,000 in order to fund the Services Coordinator's position if Council wish to do so.

Councilman Ochsenreiter and Horton concurred that some allocation should be made to allow for the continuation of the Services Coordinator for one year.

Since the position had been extended through July 31, Mr. Michalove suggested holding off on extending the position for one year to allow time to consult with the County Commissioners and determine what their plans are to provide social services to the Center.

Mayor Wood suggested that Council adopt the resolution before them, as changed and at the end of July take another look at the status of the Consolidated Health Program and the Service Coordinator's position.

The Assistant City Manager read the resolution. (Note: In the course of discussion it was pointed out that the Consolidated Health Program for the Blind was not to be continued and $1,900 was deleted from the resolution.)

Councilman Morris moved for the adoption of the resolution, which was seconded by Councilman Horton and carried unanimously.

Carl Johnson suggested that the Chairman of the County Commissioners and the Mayor write letters to the Chairman of ARC asking for support of the Consolidated Health Program.

Complete text of Resolution No. 74-85 will be found in Resolution Book No. 7 at page 269.

BIDS - AIRPORT SECURITY FENCING

4. Consideration was given to bids received June 11, 1974 for security fencing at the Asheville Airport.

The Assistant City Manager read a memorandum from the Purchasing Agent which recommended the award to Asheville Fencing Company in the amount of $17,464.50 (Schedule 1A). It was noted that this was not the low bidder, however, the low bidder, Southern Fence Company, submitted an irregular bid which was not responsive to the advertisement for bids and did not include all of the proposed work. No unit prices were submitted, only a lump sum, and the bid was not on the prescribed form. Therefore, it was recommended that the low bid be rejected.

Carl Johnson, a Model Cities Commissioner, told the Council that he thought the County was not doing enough to help support the various Model Cities programs, especially the health program and he felt that the County should be sharing in the local match for the Appalachia grant.

Mayor Wood concurred with Mr. Johnson stating that he felt that at this point in time there was not enough time to work out the details of this with the County for their support before the program was scheduled to be phased out.

Fred Brewer asked the Council to extend the Service Coordinator's position for a year rather than thirty days, explaining that Mr. Miller was doing a fine job and the Region B Aging Program was not going to materialize.

Carl Johnson spoke in favor of continuing the Employment Services System Program and giving the employees of this program Civil Service status.

Mayor Wood explained to Mr. Johnson that through federal Manpower funds which the County is responsible for allocating, funds were made available to the Community Relations Council for the purpose of establishing an Employment Assistance Program to continue major aspects of the Employment Service System Project.

Relative to the Service Coordinator's position in the Senior Opportunity Center Program, Mayor Wood said that there was a possibility of funding for this position or the continuation of the Social Service function through Region B funding. Also, it was anticipated that the Senior Opportunity Center Program would be included in next years City budget under the Parks and Recreation Department and this would not be a position continued.

Mrs. Nola Knuckles spoke in favor of continuing the position of Services Coordinator at the Senior Opportunity Center until they are assured of some other funding for the position.

Dr. H. W. Stevens, Director of the Buncombe County Health Department, spoke in favor of allocating funds for the Consolidated Health Program.

Dr. Jerry Snyder, Dental Director of the Buncombe County Health Department also spoke in favor of allocating additional funds to the Consolidated Health Program stating that this would help indigent children to receive dental care.

In response to Councilman Horton's question relative to funding of the Service Coordinator's position at the Senior Opportunity Center, it was noted that if this position was funded, funds would have to be cut from one or more of the other programs.

Upon questioning of Councilman Horton, Mr. Bill Jones said he could not give a definite answer as to when funds could be expected from ARC for the Consolidated Health Program.

Upon questioning of Councilman Hoyle relative to transferring funds from the Career Opportunity Program into the Senior Opportunity Center Program for the Services Coordinator, Mr. Clarke, Associate Superintendent of the Asheville City Schools stated that he thought this move would be unwise.

The Assistant City Manager read the resolution.

Mr. Michalove explained that these contracts were for the purpose of providing technical and professional services to maintain the City's data processing equipment and to provide teleprocessing personnel services to improve the present and future use and capacity of the equipment through a variety of special data program designs and techniques.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 74-86 was unanimously adopted.

Complete text of Resolution No. 74-86 will be found in Resolution Book No. 7 at page 271.

Mayor Wood called for a five (5) minute recess.

ORDINANCE NO. 809 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1974-75

7. Consideration was given to the third and final reading of Ordinance No. 809, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the fiscal year 1974-75.

Mayor Wood noted that the budget ordinance had previously been read on two readings with a 99¢ per hundred dollar valuation tax rate. He said that at last weeks meeting it was tentatively indicated that Council would present a final budget ordinance reflecting a 93¢ tax rate. He then asked the City Manager to present the final reading of an amended ordinance which would reflect a 92¢ per hundred dollar valuation rate.

After the presentation, Mayor Wood stated that the 92¢ rate was 5.75 per cent increase over the 1973-74 rate.

Mr. Fisher, Director of Finance, was then requested to read the specified line item changes made in the original budget ordinance.

A concerned citizen voiced her opposition to any tax increase stating that with the inflation of prices people could not affort an increase. She also voiced concern over school taxes. Mayor Wood informed her that the City of Asheville had nothing to do with appropriations for schools, that these funds were appropriated by the County.

Councilman Horton stated that he did not endorse the original budget on the last reading because he felt it was not specific nor positive enough to vote on, but with the adjustments made this past week he felt he could now endorse it with the feeling that it was a good and well prepared budget. He said he was also happy that Council had provided funds for the proposed airport improvements, as he felt this would be a good investment.

Mayor Wood noted that included in the budget was a program for replacing the street lighting for Patton Avenue and Haywood Street with an underground system. This, he said, would be done in cooperation with the Carolina Power and Light Company and that the City's share would be financed with Revenue Sharing funds.

Councilman Morris moved to accept the recommendation of the FAA representative and the Purchasing Agent and award the contract to Asheville Fencing Company in the amount of $17,464.50 for Schedule 1A of the bids. This motion was seconded by Councilman Colton and carried unanimously.

BIDS - TWO-WAY RADIO COMMUNICATION EQUIPMENT FOR ASHEVILLE AIRPORT

5. Consideration was given to bids received June 11, 1974 for Two-way radio communication equipment for the Asheville Airport.

The Assistant City Manager read a memorandum from the Purchasing Agent which stated that only one bid was received for the communication equipment, that of Lanning-Neely 2-Way, Inc. in the amount of $8,093.27. It was recommended that the City accept this bid and award the contract without further bidding.

Mr. George Phipps, Purchasing Agent, explained to Council that bids on hardware or apparatus under $10,000 did not require three bids, therefore the Council could accept the one bid.

Councilman Colton moved to accept the recommendation of the FAA respresentative and the Purchasing Agent and award the contract to Lanning-Neely 2-Way Inc. in the amount of $8,093.27. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

RESOLUTION NO. 74-86 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE CONTRACTS WITH ENVIRONMENTAL DATA PLANNING ASSOCIATES, INC. FOR TELEPROCESSING AND MAINTENANCE SERVICES FOR THE CITY DATA PROCESSING DIVISION

6. Consideration was given to a resolution authorizing the Mayor to execute contracts with Environmental Data Planning Associates, Inc. for teleprocessing and maintenance services for the City Data Processing Division.

The Assistant City Manager told Council that the bid reflects a $4.05 increase per ton over the 1973-74 contract, due to the cost of liquid asphalt being increased over the past year. He said even with the increase he felt the bids were good.

Vice-Mayor Marshall moved to accept the recommendation of the Purchasing Agent and award the contract for unit prices submitted by Asheville Paving Company in the amount of $16.35 per ton for item 1; $15.90 per ton for item 2; $16.50 per ton for item 3; $15.40 per ton for item 4; $6.00 l. f. for item 5; $100.00 for item 7; and $450.00 for item 8 for a total amount of $179,410.00. This motion was seconded by Councilman Colton and carried unanimously.

RESOLUTION NO. 74-92 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE BOARD OF TRANSPORTATION TO DEFRAY THE EXPENSES INCURRED IN RELOCATING MUNICIPALLY OWNED UTILITIES.

15. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the Board of Transportation to defray the expenses incurred in relocating municipally owned utilities. (McDowell Street)

The Corporation Counsel read the resolution.

Upon motion of Councilman Colton, seconded by Vice-Mayor Marshall, Resolution No. 74-92 was unanimously adopted.

Complete text of Resolution No. 74-92 will be found in Resolution Book No. 7 at page 279.

CLAIMS

16. The City Manager presented the following claims: Jacob P. Demetris, James Hickman of Jaline Corp.; Pearce, Young, Angel Company, and Steve Webber.

Mayor Wood referred the claims to the Corporation Counsel.

CIVIC CENTER - REPORT OF CITY MANAGER

The City Manager expressed his appreciation to Mr. Wolcott, Assistant City Manager, Mr. Evans, Civic Center Manager, Mr. Hollifield, Assistant Manager and Mr. Bostic, along with all the other city employees who worked so hard day and night to see that the Civic Center had a successful opening on June 22, 1974.

Mayor Wood concurred with the City Manager's expression of appreciation.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, Resolution No. 74-89 was unanimously adopted.

Complete text of Resolution No. 74-89 will be found in Resolution Book No. 7 at page 275.

PETITION - CLOSING OF UNNAMED ALLEY - ADJACENT TO WARD 9, SHEET 21, LOTS 19, 124 and 125

12. The City Manager presented a petition from E. Webb Ellis and wife, Kathryn N. Ellis, and Alice Laubach requesting that an unnamed alley adjacent to Ward 9, Sheet 21, Lots 19, 124 and 125 be permanently closed. He advised Council that if they wished to consider the closing of this alley it would be necessary to pass a resolution setting a public hearing on the question and that if it was Council's wish he was prepared to present the resolution at this time. On instructions from Mayor Wood the Assistant City Manager read the following resolution.

RESOLUTION NO. 74-90 - RESOLUTION OF INTENT TO CLOSE UNNAMED ALLEY AND CALLING A PUBLIC HEARING ON THE QUESTION

Councilman Hoyle moved for the adoption of the resolution setting the date of the public hearing for July 25, 1974. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

RESOLUTION NO. 74-91 - RESOLUTION APPOINTING MEMBERS AND ALTERNATE MEMBERS TO BOARD OF ADJUSTMENT UNDER ORDINANCE NO. 322, AS AMENDED.

COUNCIL MEETING CANCELLED - JULY 4, 1974

Mayor Wood advised that Council would not be meeting next week - July 4, 1974. The next meeting will be held July 11, 1974.

Adjournment.

Richard A. Wood
MAYOR

William F. Maloney
CITY CLERK

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, Resolution No. 74-95 was unanimously adopted.

Complete text of Resolution No. 74-95 will be found in Resolution Book No. 7 at page 282.

RESOLUTION NO. 74-96 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE TO BE REFERRED TO AS THE EROSION CONTROL ORDINANCE OF THE CITY OF ASHEVILLE

8. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance to be referred to as the Erosion Control Ordinance of the City of Asheville.

The City Manager read the resolution.

Councilman Hoyle moved for the adoption of the resolution and that the date for the public hearing be set for August 1, 1974 at 3:00 o'clock p. m. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Complete text of Resolution No. 74-96 will be found in Resolution Book No. 7 at page 283.

RESOLUTION NO. 74-97 - RESOLUTION AUTHORIZING, ADOPTING, APPROVING, ACCEPTING AND RATIFYING THE EXECUTION OF GRANT AGREEMENT FOR PROJECT NO. 8-37-0005-02-74 BETWEEN THE UNITED STATES OF AMERICA AND THE CITY OF ASHEVILLE

9. Consideration was given to a resolution authorizing, adopting, approving, accepting, and ratifying the execution of grant agreement for Project No. 8-37-0005-02-74 between the United States of America and the City of Asheville.

The City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Ochsenreiter, Resolution No. 74-97 was unanimously adopted.

Complete text of Resolution No. 74-97 will be found in Resolution Book No. 7 at page 284.

BIDS - ASHEVILLE AIRPORT CRASH, FIRE AND RESCUE TRUCK

10. Consideration was given to bids received on June 11, 1974 for the purchase of an Airport Crash, Fire and Rescue Truck.

The City Manager read a memorandum from the Purchasing Agent, who advised that no bids were received on the base bid specifying 180 days delivery, but that under the alternate bid specifying a delivery date of from 280 to 300 days, three bids were received and that Southeastern Safety Appliance Co., Inc. was the low bidder in the amount of $24,240.00. He said that both he and the Director of Aviation concurred in the recommendation to award the contract to the low bidder.

The City Manager presented the ordinance and explained that the 1974 General Assembly exempted Banks, Trust Companies, Industrial Banks or Companies doing a similar business from the payment of excise taxes and therefore these businesses were being deleted from the Privilege License Ordinance.

In the absence of a motion for the adoption of the ordinance no action was taken.

RESOLUTION NO. 74-93 - RESOLUTION REGARDING AUDIT CONTRACT FOR THE MODEL CITIES PROGRAM

5. Consideration was given to a resolution regarding audit contract for the Model Cities Program.

The City Manager presented the resolution in which he was authorized to enter into a contract with Calder and Crawley, C.P.A.'s for the auditing of the Model Cities Second Action Year ending January 31, 1973 and Model Cities Third Action Year ending June 30, 1974.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 74-93 was unanimously adopted.

Complete text of Resolution No. 74-93 will be found in Resolution Book No. 7 at page 280.

RESOLUTION NO. 74-94 - RESOLUTION AUTHORIZING THE MAYOR TO SUBMIT AN APPLICATION FOR A FEDERAL GRANT TO SUPPORT THE BOYS' CLUB

6. Consideration was given to a resolution authorizing the Mayor to submit an application for a federal grant to support the Boys' Club.

The City Manager read the resolution.

Mayor Wood called on Mr. Jackson, Director of the Boys' Club, who said that approval of the program would increase the number of boys served from 600 to 1600 and would expand the program from 1 area to 3. He said the 5 per cent City's share for three (3) years would never exceed $5,000.00 a year and should diminish in the last two (2) years.

Upon motion of Councilman Colton, seconded by Councilman Horton, Resolution No. 74-94 was unanimously adopted.

Complete text of Resolution No. 74-94 will be found in Resolution Book No. 7 at page 281.

RESOLUTION NO. 74-95 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE BUNCOMBE COUNTY COMMISSIONERS FOR A FEDERAL GRANT UNDER THE COMPREHENSIVE EMPLOYMENT AND TRAINING ACT OF 1973

7. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the Buncombe County Commissioners for a federal grant under the Comprehensive Employment and Training Act of 1973.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the contract to the low bidder, Southeastern Safety Appliance Co., Inc. in the amount of $24,240.00. Vice-Mayor Marshall seconded this motion.

In the discussion several technical questions were raised regarding the design of the equipment and not receiving adequate information Councilman Morris and Vice-Mayor Marshall withdrew the motion and the second. Mayor Wood then directed the Purchasing Agent to provide the information at the next meeting.

BIDS - POLICE DEPARTMENT AND FIRE DEPARTMENT UNIFORMS

11. Consideration was given to the bids received July 3, 1974 for uniform requirements for the Police and Fire Department.

The City Manager read a memorandum from the Purchasing Agent who separated the Police and Fire Department's requirements into two bids, Bid Item #1 for the Fire Department and Bid Item #2 for the Police Department. In making his recommendation for Bid Item #1 he stated that the Hub Uniform Company submitted the low bid of $4,061.25, but that the material they proposed did not meet specifications and therefore he recommended the second low bidder, The Asheville Army Store, who submitted a bid of $4,341.35. Chief Hall concurred in this recommendation.

His recommendation for Bid Item #2, uniforms for the Police Department, was to the low bidder, The Asheville Army Store, in the amount of $9,381.67. Chief Hall concurred with his recommendation.

Councilman Colton moved to accept the second low bid for Bid Item #1, Uniforms for the Fire Department, submitted by the Asheville Army Store in the amount of $4,341.35 and the low bid for Bid Item #2, Uniforms for the Police Department, submitted by the Asheville Army Store in the amount of $9,381.67. Councilman Morris seconded this motion and it was carried unanimously.

PETITION - CLOSING OF "THE OFFICE LOUNGE", 640 MERRIMON AVENUE

Mr. Tom Muncy, 33 Maney Avenue, presented Council with a petition, signed by 440 residents within a four (4) block area, requesting immediate action on eliminating the problem of the public nuisance created by the noisy congregating of people on or about the premises of the Office Lounge located at 640 Merrimon Avenue.

Mrs. L. A. Trumbo, 27 Maney Avenue, reviewed the history of the operation of "The Office Lounge." She described some of the experiences that the neighborhood had been subjected to and the noisy and boistrous actions of the young people who frequent this place of business. She also described the excessive use of beer and wine and the numerous arrests that had been made for drug abuse. She said that their group had also been working with Mr. Robert Lewis, Buncombe County Solicitor, who had met with them and was assisting them in the filing of affidavits of the various actions that they had observed.

Mr. L. A. Trumbo, also of 27 Maney Avenue, questioned Chief Hall about numerous drug arrests and conflicting reports of police activities connected with the operation of the Office Lounge. Mr. Trumbo was satisfied with some answers given by Chief Hall but suggested Council obtain some answers for themselves. Finally Mr. Trumbo asked for Council's assistance in obtaining the permanent padlocking of the Office Lounge by Buncombe County Solicitor Robert Lewis and that Council look into the enactment of an ordinance outlawing any nightclub or place of amusement that attracts a large number of boistrous patrons, from being located in an area zoned partially commercial and partially residential.

In the discussion that followed it was disclosed that since the lounge no longer had a beer license, beer was being bought at another business across the street, known as the Sip and Dip, and transported to the lounge. Chief Hall informed Council that the Sip and Dip also had a beer permit violation pending against them that was scheduled for hearing before the ABC Board that day, but that the hearing had been continued with no firm date set.

Council questioned Mr. Trumbo on various points of his complaint and expressed their concern over the activities taking place and the inconveniences being caused by these activities.

Mr. Moore, City Attorney, advised Council that the Buncombe County Solicitor's office was the proper channel for action to be taken in this case.

Councilman Ochsenreiter was assured by Chief Hall that he would increase the police coverage until such time as Solicitor Lewis had the opportunity to secure further information.

The City Manager advised Council that he would meet with Chief Hall and discuss the police coverage of the area.

After some discussion and at the suggestion of Mayor Wood, Councilman Ochsenreiter moved that the City Clerk be directed to communicate with the ABC Board, requesting a hearing on the Sip and Dip beer permit violation at the earliest possible date. That the City Clerk be further directed to communicate with Solicitor Robert Lewis and to report to him the receipt of this petition, and that Mr. Lewis be requested to continue his efforts to have the Office Lounge declared a public nuisance under legal proceedings. That the City Manager be directed to have Chief Hall permanently assign at least one patrolman to the area. That Mayor Wood be authorized to communicate with Mr. Wade Hall, owner of the Office Lounge, requesting him to permanently close his place of business. Councilman Horton in adding his second stated that he heartly endorsed the motion.

GROUP 2 - TUBES
ITEMS 1 THROUGH 11

Hughes Tire Company - Items: 1, 2, 4-7, 11
B. F. Goodrich - Items: 3, 10
Free Service Tire - Items: 8, 9

GROUP 3 - RECAP TIRES
ITEMS 1 THROUGH 32

Sultan of Tires - Items: 1-10, 12-14, 20-22, 24, 26-28
Firestone Stores - Items: 11, 15-19, 23, 25, 29-32

Complete bid summary is on file in the Office of the City Clerk.

PETITION - PROPERTY OFFER AND REZONING REQUEST - PERRY M. ALEXANDER, JR.

13. The City Manager presented Council with a petition in which Perry M. Alexander, Jr. proposed to dedicate to the City a narrow strip of land between Highway 81 and the Swannanoa River. Mr. Alexander further petitioned for the rezoning of a lot in the same vicinity from Roadside Business to Commercial.

In the absence of an objection from Council, Mayor Wood instructed the City Clerk to refer the petition to the Planning and Zoning Commission for study and recommendation.

CLAIM FOR DAMAGES

14. The City Manager presented a claim for damages from Mrs. Florence Lisenbee, resulting from a fall at the Asheville Airport.

Mayor Wood referred the claim to the Corporation Counsel for disposition.

REZONING REQUEST - MRS. CAROLYN LAING BY MR. JAMES SLUDER - OAK HILL DRIVE

15. Consideration was given to a rezoning request of Mrs. Carolyn Laing by Mr. James Sluder, that Lot 1-1/3, Ward 6, Sheet 20 (Oak Hill Drive), be rezoned from RA-6 Residential District to Commercial.

The City Manager read a letter from the Planning and Zoning Commission advising Council that they had considered this request and that they recommended that the request be denied and the property remain as it is now zoned.

Mayor Wood announced that in light of the negative recommendation from the Planning and Zoning Commission and the absence of a request from the petitioner for a public hearing the petition was denied.

Thursday - July 18, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of the July 11, 1974 meeting.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Marshall, the minutes of the July 11, 1974 meeting were approved as submitted.

OFFICE LOUNGE DISCUSSION

2. Councilman Horton asked that before proceeding with the regular agenda Mayor Wood give a brief report to Council on what had transacted during the past week with reference to the citizen complaints on the Office Lounge.

Mayor Wood reported that he had written to Mr. Wade Hall, owner of the lounge, requesting that he permanently close his place of business. He said he had not received an official answer to this letter but would keep Council advised. He instructed the City Clerk to include the letter in its entirety in the minutes of the meeting.

The Mayor further reported that with reference to the letter that the City Clerk was instructed to write to the Chairman of the ABC Board, relative to scheduling the hearing on the Sip & Dip permit violations, he said that on receiving information that this hearing was scheduled for Charlotte and he took it on himselft to write the ABC Board Chairman. He said he was instructing the City Clerk to also make this letter a part of the minutes.

He said the City Clerk had written to Mr. Lewis, District Attorney, asking him to press his investigations regarding the Office Lounge. He said that this letter also would be made a part of the minutes of the meeting.

The City Manager reported that as instructed he had met with Chief Hall and a police officer had been assigned to patrol in the vicinity of the Office Lounge. Since this time the lounge had been closing up around 10:30 p. m. to 11:00 p. m. each night and that there had been a noticeable decrease of activity in the area.

Councilman Horton said that even though Council had taken these steps he still hoped that the Solicitor would continue to make every effort to close this establishment down.

The letters written relative to the Office Lounge and instructed by Mayor Wood to be included in the minutes of this meeting are as follows:

REV. WESLEY GRANT AND CARL JOHNSON - FALSE ARREST OF BLACK RESIDENT

Rev. Grant and Carl Johnson spoke to Council with reference to the false arrest and beating of a black resident on Tuesday of this week. They were advised that all the facts had not been collected at this time but that the matter would be investigated.

MR. ZZYVKO NARJANOVIC - COMPLIMENTED COUNCIL

Mr. Zzyvko Narjanovic complimented Council on the conditton of the streets and the standard of services that the City produced without a considerable tax increase.

CONSOLIDATED HEALTH PROGRAM - MR. BILL JONES

Mr. Bill Jones, Director of the Consolidated Health Program, reported to Council that the Consolidated Health Program had been given "Emergency Funds" by the Appalachia Regional Council to continue the program for 30 days until additional information could be obtained.

Adjournment.

Dr. L. C. Holshouser
Chairman
North Carolina Board of Alcoholic Control
P. O. Box 2524
Raleigh, North Carolina 27611

Dear Dr. Holshouser:

At the July 11, 1974 meeting of the Asheville City Council a substantial delegation of residents of the Merrimon Avenue section of Asheville again appeared before City Council to complain of circumstances existing in the neighborhood when a business establishment known as The Office Lounge is open.

You will recall this establishment formerly had a license for the on-premises sale of beer and this license was voluntarily surrendered by the owner, Mr. Wade Hall, last year and the establishment was closed for several months. However, the establishment later reopened and continues to be a problem.

City Council was advised that a hearing had originally been scheduled for today concerning alleged violations of Alcoholic Beverage Control violations by the Sip & Dip package store, which is also owned by Mr. Hall and is adjacent to The Office Lounge. However, City Council was advised that that hearing was continued at the request of Mr. Hall.

At the conclusion of the consideration of this matter at the July 11 Council meeting, the City Council unanimously directed the City Clerk to write you, requesting that a hearing on the Sip & Dip matter be heard in Asheville as soon as possible.

After the meeting, I learned that a hearing has now been scheduled on this matter for July 26, 1974 in Charlotte. In light of this development, I felt it best to write you myself and respectfully request, on behalf of the City Council and concerned citizens of our community, that this hearing be scheduled in Asheville, rather than in Charlotte, so that interested citizens can find it practical to attend this hearing.

For your additional information, I enclose a copy of a letter which I have today written to Mr. Hall at the direction of City Council.

Very truly yours,

Richard A. Wood, Jr.

Mr. Wade Hall
Attorney at Law
Suite 206, Gennett Building
29 North Market Street
Asheville, North Carolina

Dear Mr. Hall:

At the July 11, 1974 meeting of the Asheville City Council, a substantial number of people who reside in the area near your establishment, The Office Lounge, appeared again to protest to City Council the conditions which continue to exist in the area when your establishment is open for business.

I enclose copies of a petition bearing the signatures of over 400 residents of the area, requesting that every possible effort be taken to improve this situation.

On several previous occasions, you have voluntarily closed your establishment after particular incidents occurred. However, conditions would again deteriorate when your establishment again opened for business.

At the conclusion of the discussion of this matter during our Council meeting, City Council unanimously adopted a resolution directing me to advise you of the City Council's request, on behalf of residents of the area and our citizenry at large, that you voluntarily close The Office Lounge unless you can take whatever steps might be necessary to solve the problems which have continued to exist for many months.

The Council recognizes that it has no legal authority under existing laws of the State of North Carolina and ordinances of the City which would be permissible under State law to require that your establishment be closed due to the situation that has existed there for some months. Nevertheless, it is felt that the conditions that continue to exist in the area surrounding your establishment during its business hours is not a credit to our community as a whole and is particularly detrimental to the peace and dignity of the immediate area.

Your favorable consideration of this request by the City Council, on behalf of our community, will be greatly appreciated.

Very sincerely yours,

APPROVAL OF THE REPLATTING OF DISPOSAL LOTS 17 AND 19 OF UNIT ONE CRP-NC R-13

3. Consideration was given to the replatting of disposal lots 17 and 19 of Unit One CRP-NC R-13.

Mr. Wilbur King, Director of the Housing Authority, advised Council that the plat had the recommendations of the Planning and Zoning Commission, the Director of Public Services and the Corporation Counsel since it was in compliance with all applicable city codes and ordinances.

Councilman Morris moved for the approval of the plat which was seconded by Councilman Colton and carried unanimously.

RESOLUTION NO. 74-98 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE A TIMBER SALE CONTRACT AMENDMENT FOR SALE #7 WITH GENNETT LUMBER COMPANY

4. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute a timber sale contract amendment for Sale #7 with Gennett Lumber Company.

The City Manager read the resolution and explained that the Timber Contract under consideration was a continuation of the original North Fork Timber Sales. He said that this represented Sale No. 7 and the proposal was prepared by the City's consultant forester, Mr. Cleavy Hathaway.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton, Resolution No. 74-98 was unanimously adopted.

Complete text of Resolution No. 74-98 will be found in Resolution Book No. _____ at page _____.

RESOLUTION NO. 74-99 - RESOLUTION APPROVING THE SUBMISSION OF THE WORKABLE PROGRAM RECERTIFICATION

5. Consideration was given to a resolution approving the submission of the Workable Program Recertification.

The City Manager read the resolution.

Mr. Michalove explained that the Workable Program was a comprehensive evaluation of the last two years activities and accomplishments and the projected objectives of the next two years as it refers to codes and code enforcement; planning and programming; housing and relocation; and citizen participation. He said the program was the work of a number of individuals and now needed Council's approval.

Upon motion of Councilman Colton, seconded by Vice-Mayor Marshall, Resolution No. 74-99 was unanimously adopted.

OFFICE OF
CITY CLERK

Mr. Robert D. Lewis
District Attorney
Post Office Box 7158
Asheville, North Carolina 28807

Dear Mr. Lewis:

At the regular meeting of the Asheville City Council held on July 11, 1974, a group of concerned citizens who reside in the vicinity of the Office Lounge, located on Merrimon Avenue, appeared before Council and presented a petition protesting the nuisance being created by the patrons of this establishment. For your information I am enclosing copies of this petition.

I am sure you are familiar with the circumstances involved, as during the discussion it was brought out that your office had been contacted and was cooperating with the residents of the area in the filing of affidavits regarding the activities taking place in and around this place of business.

At the conclusion of the discussion I was directed by Council to write you expressing their concern over the conditions now existing and to request that you continue to press your investigation to the end that the situation will either be greatly improved or permanently eliminated.

Sincerely yours,

William F. Wolcott, Jr.
City Clerk

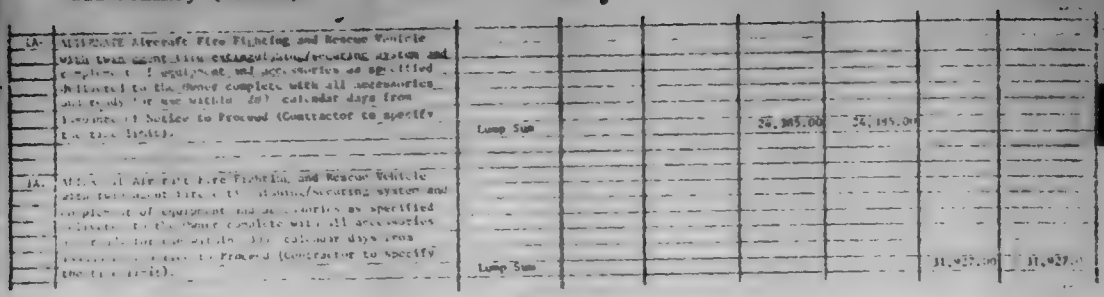
Bid Summary (cont'd)



8. Consideration was given to a resolution authorizing the Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for water line crossing S. R. 3526 and extending along and crossing S. R. 1356.

The City Manager read the resolution and explained that this was a right of way agreement with the N. C. Department of Transportation to encroach on their right of way for the purpose of extending a water line along a road in the vicinity of the airport.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, Resolution No. 74-101 was unanimously adopted.

Complete text of Resolution No. 74-101 will be found in Resolution Book No. _____ at page _____.

9. Consideration was given to a resolution authorizing the Mayor to execute right-of-way encroachment agreement with the North Carolina State Board of Transporation for water line crossing U. S. 25 (Hendersonville Road).

The City Manager read the resolution and explained that this was a right of way agreement with the N. C. Department of Transportation for a 6" crossing under U. S. 25 (Hendersonville Road).

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 74-102 was unanimously adopted.

Complete text of Resolution No. 74-102 will be found in Resolution Book No. _____ at page _____.

RESOLUTION NO. 74-103 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AGREEMENT WITH MR. CARLYLE E. SNUFFER, CONCERNING A 6-INCH WATER LINE REDUCING TO A 2-INCH WATER LINE ON CAPTAIN'S DRIVE TO SERVE HIS SUBDIVISION, LOWER HOMINY TOWNSHIP, BUNCOMBE COUNTY

10. Consideration was given to a resolution authorizing the Mayor to enter into agreement with Carlyle E. Snuffer concerning a 6-inch water line reducing to a 2-inch water line on Captain's Drive to serve his subdivision, Lower Hominy Township, Buncombe County.

The City Manager presented the resolution and explained that for a number of years the City has been concerned over the difference in the amount of water being sent through the water system from the North Fork Reservoir and the amount of water being metered for sale. He said that the proposed survey would give an accurate measurement of the flows in each district and would detect excessive leaks and unauthorized use of unmetered water. He said the survey would cost $79,000.00. Council was concerned that the proposal did not include a completion date and it was concluded that it should not extend beyond six months.

Councilman Morris moved for the adoption of the resolution with the provision that a completion date of six months be added to the proposal. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

BIDS - ASHEVILLE AIRPORT CRASH, FIRE AND RESCUE TRUCK WITH AUXILLIARY EQUIPMENT

7. Consideration was given to bids received June 11, 1974 for the Asheville Airport Crash, Fire and Rescue Truck with auxilliary equipment.

The City Manager read a memorandum from Mr. George Phipps, Purchasing Agent, who stated that no bids were received on Bid Item 1 in which a delivery date of 180 days was specified. However, three bids were received on Bid Item 1-A Alternate which was the same as "Base Bid except that the delivery date ranged from 280-300 days. He recommended the award of contract to the low bidder, Southeastern Safety Appliance, Inc. in the amount of $24,240.00. He said this was well within the budget and the City would pay 18% and the FAA 82%. Gary Taylor, Director of Aviation, and Talbert, Cox and Associates, the City's Airport Consultants, concurred with Mr. Phipp's recommendation.

In answer to Council's questions, Mr. Phipps advised that Southeastern Safety Appliance had indicated they would use a Dodge Chassis, locally serviced by Dorato Motors; Dynac would use a Ford Chassis serviced by Boyce-Ford Motors; and Fire Control Enginnering would use an International Chassis serviced by the local International dealer. Mr. Taylor assured Council that the auxilliary equipment could be serviced locally.

Councilman Morris moved to award the contract to the low bidder, Southeastern Safety Appliance, Inc. in the amount of $24,240.00. This motion was seconded by Vice-Mayor Marshall. On a roll call vote of 5-1, the motion carried, with Councilman Ochsenreiter voted "no".

THE ASHEVILLE CITY COUNCIL. . . .

We the Asheville chapter of the National Association for the Advancement of Colored People (NAACP) serving the community of Asheville and Buncombe County, surrounding counties, statewide and nationwide, come before you at this time for the following reasons:

Being concerned of all citizens, especially the minority groups, our feelings are very strong against the conduct and attitude of our city officers who are to up hold law and order therein.

Being informed of several incidents and particular two of such incidents recently, where officers of our law enforcement not only been hostile in their conduct but down right brutal, causes us to take action.

Whereas, we believe in law and order, justice for all men, we cannot tolerate the brutal conduct of your officers which is totaly uncalled for.

Having such evidence before us today on some of the officers, we therefore ask that proper action be taken to assure all citizens that he or she will not have to be afraid of being beaten or perhaps killed by law officers, that they are for the protecion of all people.

We furthermore ask due to the evidence brought before us concerning three such officers that not only they be suspended for an indefinite period but that they be entirely dismissed from the force for ther is no place for people of such character whose mind and heart is filled with such hatred they would stop short ofn nothing or obey rules and regulations, but to brutalize and be murders of innocent victims.

Therefore, the Asheville Chapter of N A A C P formerly petition that those officers whose names are named on these affidavits be totaly discharged of their duties with the AshevillePolice Department - City of Asheville.
State of North Carolina

Mrs. Grace B. Finley
President

The City Manager read the resolution.

Upon motion of Councilman Hoyle, seconded by Councilman Horton, Resolution No. 74-103 was unanimously adopted,

REZONING REQUEST TO REZONE LOTS 27 AND 28, WARD 9, SHEET 7 (#12 LONG STREET) FROM RA-6 RESIDENTIAL TO NEIGHBORHOOD TRADING AREA

11. Consideration was given to a request of Dr. and Mrs. Rodolfo Valencia to rezone Lots 27 and 28, Ward 9, Sheet 7 (#12 Long Street) from RA-6 Residential to Neighborhood Trading Area.

By letter, Dr. and Mrs. Valencia authorized Mr. Fred Pearlman to act in their behalf.

The City Manager read a letter from the Planning and Zoning Commission who advised that they had studied the request and recommended approval.

Councilman Ochsenreiter moved that a public hearing on the matter be scheduled for August 8, 1974 and that the legal notice be published at the petitioners expense. This motion was seconded by Councilman Hoyle and carried unanimously.

COUNCILMAN HORTON REQUESTS TRAFFIC STUDY

Councilman Horton called to Council's attention a traffic problem existing at the intersection of Lanvale Avenue, Sulphur Springs Road and Haywood Road. He said that vehicles approaching this intersection have a tendency to creep out too far before coming to a stop. He said this made it difficult for traffic to turn into Lanvale Avenue or Sulphur Springs Road. He requested a brief study for a possible solution by the Traffic Engineer. Mayor Wood instructed the City Manager to have the Traffic Engineer look into the matter.

COMPLAINT OF MRS. ALTON GLENN - 7 CHATHAM ROAD

Mrs. Alton Glenn, 7 Chatham Road, complained of rats and snakes in the area of an old house located on Chatham Road and belonging to a Mr. Brightbart. She said the house should be condemned, torn down and the property cleaned up. Mayor Wood instructed the City Manager to have it investigated.

PETITION OF MRS. GRACE B. DORN, PRESIDENT OF ASHEVILLE CHAPTER NAACP

Mrs. Grace B. Dorn, President of the Asheville Chapter NAACP, appeared before Council and read the following petition and presented six affidavits to substantiate her statement. Mayor Wood instructed the City Clerk to let the minutes reflect the statement and the affidavits.

RE: THE ARRESTED FIRST TIME WITH NORTH CAROLINA AND CITY

That I and Gary Muckelvene were working on a job at the Reynolmear Stock Farm on Tunnel Road. We had a wall almost near the top except for eighteen inches when officer Ingle came inside the building where I was working and came up to me and I told him Louis Muckelvene. Then he went on outside and got Gary his name and he told him.

Then Ingle went up to the scaffold with his gun pulled and told Gary he would blow his damn head be[illegible] over the wall. I then came off scaffold on the outside and saw Ingle holding Gary with gun on him and he told the other officer to hit him. The officer hit him twice. He also tried to hit me, I ran on the ground and placed hand cuffs. After he was handcuffed, officer Ingle grabbed him by the hair, put him in the car and mounted, got in the car you A. C. B., you're under arrest.

I was returning from the service station where I had gone to use the rest room and saw two officers out where Gary was working. I heard the officer ask Gary his name and he told them Gary Muckelvene. That he did know Bobby Robinson but he was not working on this job. The officer then told Gary to come down and Gary told them he would not since he had no warrant for him. The officer then smacked me on the arm, told me to get back, that I had nothing to do with this.

I then went inside to tell Louis. When I got back the officer already had Gary on the ground and was hitting him. The officer then handcuffed him while on the ground, picked him up by his hair and put him in the car.

That on or about 10:00 a. m. on May 19, 1974, I took my grandchildren in two cars to go to Rec. Park, City of Asheville for a cook-out. In the car which I was riding had all the boys and James Booker was driving. Mr. Fox was driving the second car with the girls and his wife Cherrill Fox.

Enroute to the park we used the River Road and traveling there on when we saw a road block (police check point). Booker, prior to reaching check point pulled over and got out and requested someone else to drive. Mrs. Fox came over and took the car and we proceeded to the check point where we were stopped. The two officers took Booker out of the car and placed him under arrest. They took Booker to jail and we canceled our picnic. I went home to get some money to get Booker out.

We arrived at the courthouse around 10:45 a. m. and went into the magistrate office to inquire about making bond. Upon reaching the magistrate's office, officer Ingle asked whose car was it and I told him it was mine. Then he said he was going to arrest me for allowing an unlicensed person to drive the car. Then officer Kyle took one of my arms and twisted it and officer Ingle took the other arm and began twisting it. I began to holler because of the pain and they placed handcuffs on me from the rear. Then officer Ingle grabbed me by the hair, threw me on the floor and got on top with his knees while still pulling my hair. When I struck the floor, something popped in my abdomen causing severe pain. I begged the officer to get me up for I was lying face down and handcuffed behind me. Then officer Ingle jerked me up, set me in a chair where I stayed until he executed a warrant and had it served. We called a medic and had him to look at me.

I told the officer that Bobby Robinson did not work there. I told him that this was Gary and Louis Muckelvene's son. He then went inside the steak house and stayed about a minute, came out and went to his cruiser and talked on his radio.

A few minutes later another cruiser came. They both came to me and officer Ingle said, did you say you are not Bobby Robinson? I said, "I am Gary Muckelvene. If you want to know anything else, go inside and ask Chris the man who owns the place. He said let me see your I. D. I restated what I had just said and started back to work. I picked up my hammer and turned away from him and started chipping my rock. He became furious and drew his gun and pointed it at me and said you S.O.B. you have assaulted me. I was scared I would get shot by the way he was acting. I laid the hammer down and started off the scaffold when he grab me in the collar and snatched me down to the ground and stuck the gun under my chin and said, you smart black s.o.b. I'll blow your brains out. He grabed my hair and began shaking me and I grabbed his arm. He then told officer Rodenhamer to hit the black s.o.b. He hit me over the right eye with a black jack. Ingle said, hit the black s.o.b again. Rodenhamer hit me two more times. I was handcuffed, carried to Mission Hospital to be treated where several stitches were required.

Upon arrival at courthouse, I saw the officer twisting my mother's arms for no apparent reason and commented that I was going to call some body to see if I couldn't get something done about their attitude and conduct.

I left the courtroom and as I was going across lawn to the car, I heard officer Ayle shout, stop or I will shoot but I kept on to the car. When I got to the car, I asked Mr. Fox for 10¢ to make a phone call. By that time, officer Ayle had gotten to the car and said he was going to place me under arrest for obstruction an officer. By that time another officer had arrived and Ayle requested the other officer to mace me and I advised him not to for I had a heart condition. The officer refused to mace me. Then Ayle threaten to handcuff me. I told them that would not be necessary for I would willingly go. Enroute to courthouse from car, he shoved me and that when Richard made his comment for which he was placed under arrest.

My mother called me sometime that morning. I met them at the courthouse about 10:45 a. m. As we entered the courthouse, I saw the officers coming around by the elevator and we proceeded into the magistrate's office. They questioned us about the identity of James Booker. I finally told them his name. Then the officer, Ingle said he was going to arrest my mother for allowing an unlicensed person to drive the car. My mother objected verbally for being arrested on such charges. Officer Ingle grabbed her arm, officer Lyle grabbed her other arm and began twisting. My sister, Lola Miller said she was going to call someone to complain about their conduct and attitude. She went out of the door to go to the car to get some change for a telephone call.

As she left the courthouse and started across the lawn to the car, officer Lyle came out, pulled out his gun and threatened to shoot her. When he came to the car took her by the arm to go back into the courthouse, I told her to go with him and not to create any disturbance and she did. While walking back to courthouse, I asked the officer why he threatened to shoot her, she was no criminal and had committed no criminal act. He stated at that time he was tired of me and that he could whip my god damn ass. He took me by the arm and I went with him to the courthouse where he attempted to get a warrant for assulting and obstruction an officer. Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of the July 18, 1974 meeting.

Councilman Ochsenreiter requested that the minutes be corrected to show that he voted "no" on the motion to award a contract to Southeastern Safety Appliance Inc. for the Asheville Airport Crash Fire and Rescue Truck. Mayor Wood so instructed the City Clerk and it was noted. Councilman Morris then moved to approve the minutes as amended. This motion was seconded by Councilman Horton and it was carried unanimously.

PUBLIC HEARING - CLOSING OF HAWKINS LANE

2. A public hearing was held concerning the closing of a portion of Hawkins Lane.

Mayor Wood opened the public hearing at 3:05 o'clock p. m. The City Manager was instructed to read the notice to the public and the affidavit of publication setting the time and date for the public hearing.

Marvin Pope, attorney for the petitioners, spoke in support of the petition. He explained that the Temple Baptist Church planned to use the abandoned street to enlarge their parking area.

E. R. McCarthy questioned the advisability of the City releasing valuable property. He also questioned the City Attorney as to whether or not anyone could file a claim to an abandoned street.

Mayor Wood closed the public hearing at 3:13 o'clock p. m. and requested the City Manager to read the prepared resolution and order closing the street.

Councilman Colton then moved for the adoption of the resolution, which was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 74-104 will be found in Resolution Book No. 7 at page 291.

PUBLIC HEARING - CLOSING OF UNNAMED ALLEY OFF LAKESHORE DRIVE

3. A public hearing was held concerning the closing of an unnamed alley off Lakeshore Drive.

Mayor Wood opened the public hearing at 3:19 o'clock p. m. He requested the City Manager to read the notice to the public and affidavit of publication setting the time and date for the public hearing.

Mayor Wood thanked Mrs. Dorn and referred the entire matter to the City Manager for action.

REPORT OF CITY MANAGER - COMPLAINT OF MRS. BRITT - RATS ON CHATHAM ROAD

The City Manager reported on a complaint of Mrs. Britt at last week's meeting relative to rats on Chatham Road coming from the creek. He said this had been referred to the Department of Public Safety, who in turn was conferring with the Buncombe County Health Department relative to this matter. He said Mrs. Britt had also complained about a house on a corner lot belonging to Mr. Brightbart and that this complaint had been referred to Mr. King, attorney in the Housing Division, who is taking the necessary proceedings in this matter.

REPORT OF CITY MANAGER - INFORMATION AND AFFIDAVITS RECEIVED FROM NAACP

The City Manager reported that relative to the information and affidavits received at last weeks meeting that this was being investigated and statements from some of the people involved had been received and others were being prepared. He said the investigation was continuing and he would keep Council informed of the progress in the matter. He said the City Attorney had advised that no announcement should be made that might interfere with legal proceedings now pending.

REZONING PETITION - WARD 6, SHEET 15, LOTS 7 AND 8 - CORA JENNINGS

The City Manager presented a rezoning petition from Cora Jennings requesting that Ward 6, Sheet 15, Lots 7 and 8 be rezoned from RA-6 to Neighborhood Trading Area.

In the absence of any objections from members of Council, Mayor Wood referred the petition to the Planning and Zoning Commission for study and recommendation.

RESOLUTION OF THE MODEL CITIES COMMISSION RECOMMENDING THAT MODEL CITIES EMPLOYMENT SERVICES PROGRAM EMPLOYEES BE GIVEN CITY CIVIL SERVICE STATUS

The City Manager read a resolution passed by the Model Cities Commission.

Mayor Wood noted that this resolution was accepted as information to Council and commented that the Manpower Program began as a delegate agency. He said Council did grant Civil Service Status to the Administrative staff of the Model Cities Agency after one years employment. He said he felt this would be an extension of the former resolution which would grant civil service status to a group which had been conducting an operating program as opposed to administrative personnel. He said this would be a change in the intent and would require a resolution from Council. He said any member of Council could ask that a resolution be prepared which would grant these employees Civil Service Status.

RESOLUTION NO. 74-106 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE CIVIL PREPAREDNESS AGREEMENT WITH COUNTY OF BUNCOMBE, BILTMORE FOREST, BLACK MOUNTAIN, MONTREAT, WEAVERVILLE, AND WOODFIN

Consideration was given to a resolution authorizing the Mayor to execute Civil Preparedness Agreement with County of Buncombe, Biltmore Forest, Black Mountain, Montreat, Weaverville, and Woodfin.

The City Manager read the resolution and explained that this was an updating of a former agreement. He said the changes in the agreement were the addition of the Town of Montreat and Woodfin; changing the name of the organization from Civil Defense to Civil Preparedness; changing the name of the Director to Coordinator, and

Mr. Robert Long, attorney for the petitioners Webb Ellis and Mrs. Alice Laubach, spoke in favor of the petition and explained that the petitioners were the sole owners of all property abutting on the alley.

E. R. McCarthy questioned whether the several recent street closings were being properly recorded in the Register of Deeds Office and also whether the Board of Tax Supervision was being advised so that the extra square footage could be added to the tax valuation of the respective properties.

No one spoke in opposition to the closing.

Mayor Wood closed the public hearing at 3:25 o'clock p. m.

The City Manager was requested to read the prepared resolution and order closing the alley.

Councilman Ochsenreiter moved for the adoption of the resolution which was seconded by Councilman Hoyle and carried unanimously.

Mayor Wood instructed the City Clerk to make it a practice to notify the Board of Tax Supervision of any alley or street closings.

Complete text of Resolution No. 74-105 will be found in Resolution Book No. 7 at page 293.

APPROVAL OF CHANGE ORDER FOR ASHEVILLE CIVIC CENTER

4. Consideration was given to the approval of change orders for the Plumbing and Heating and Air Conditioning Contracts for the Asheville Civic Center.

Council was advised that Change Order HAC-10 to the Heating and Air Conditioning Contract in the amount of $3,199.59 was approved and requested by the architects and was required due to unforeseen job conditions. That Change Order P-8 to the Plumbing Contract in the amount of $3,732.49 was also approved and requested by the architects and similarly was due to job conditions which have arisen during construction.

Vice-Mayor Marshall moved to approve both change orders and to authorize the Mayor to execute them in the name of the City. Councilman Horton seconded this motion and it was carried unanimously.

REPORT OF CITY MANAGER - TRAFFIC AT INTERSECTION OF SULPHUR SPRINGS ROAD, LANVALE AVENUE AND HAYWOOD ROAD

The City Manager reported on a request made by Councilman Horton at last week's meeting that the Traffic Engineer and a representative of the Department of Transportation study the intersection of Sulphur Springs Road, Lanvale Avenue and Haywood Road relative to traffic conditions. He said a study had been made and had resulted in a stop bar and short center line being placed on Sulphur Springs Road. He said he hoped this would deter buses and other vehicles from blocking access to Lanvale Avenue.

It was the consensus of Council that there was nothing further they could do to support the application and keep the program intact but at this time they would not reallocate the Model Cities funds set aside to match the ARC grant.

MRS ROGERS - MASS TRANSIT PROGRAM - WATER LEAK BLANTON STREET

Mrs. Rogers asked Council about the status of Model Cities Mass Transit Program.

Mr. Michalove explained that $50,000 had been appropriated by City Council and that the program needs to be approved by HUD. It is undetermined at this time when this approval will be forthcoming.

Mrs. Rogers also reported a water leak in the street in front of her house on Blanton Street and asked for action in making the repairs.

PROGRESS REPORT ON STATUS OF CONSOLIDATED HEALTH PROGRAM

Mayor Wood reported that there had been no new developments regarding the approval of the application for funds from the Appalachia Regional Commission in order to continue the Consolidated Health Program. He said that a telegram supporting the application had been sent to Governor Holshouser and he instructed the City Clerk to include the text of this telegram in the minutes of the meeting.

The following is the text of the telegram:

Honorable Jim Holshouser
Raleigh, N. C.

For the past three years the City of Asheville has financially supported an experimental project in providing basic health care through a neighborhood service center in the Model Cities Area. The amount of funds to support the program is in excess of $760,000. The City Council felt that this project is a prelude to the type of service that is being considered nationally and that which has been given high priority consideration by the State of North Carolina. On June 27, 1974 the City Council allocated $57,325 to match an Appalachia Regional Commission grant in an effort to keep the project going and as of July 11, 1974 after various news releases we were under the impression that the Appalachis Regional Commission had provided thirty day emergency funding to the Project in order for additional information to be developed locally and sent to the Commission based on developments in recent days we are concerned about the current status of the Project and assurance of continuous funding and would appreciate your personal review of this status of the project and your support in continuing this needed health care to some 1,600 residents of the City of Asheville.

Richard A. Wood, Jr.
Mayor

William Jones, Director of the Program, told Council that services for approximately 1,600 patients would end Friday, July 26; and that the program was being phased out. He said that there had been no final word but he was not optimistic that the status would change.

Jim Gray, Editor of Labor Advocate and former Model Cities employee, said he felt that the Consolidated Health Program was one of the few Model Cities Programs that was beneficial to the community. He said he was writing an article for his paper stating his concern over the disapproval of the application by ARC.

E. R. McCarthy spoke in opposition to the program and stated that it was discriminatory in that it was not available to all taxpayers.

Mayor Wood explained that this was a city-wide program and all taxpayers were eligible for the service.

The City Manager read the resolution and explained that this was the last of four increases proposed by Hazen and Sawyer, Engineers relative to industrial consumers who consume in excess of three million gallons per month and increases the commercial rate from 16-1/2¢ per thousand to 20¢ per thousand and it affects eleven industrial customers. He said the anticipated revenues from this increase would be in the 1974-75 budget at $17,444.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Ochsenreiter, Resolution No. 74-108 was unanimously adopted.

Complete text of Resolution No. 74-107 will be found in Resolution Book No. 7 at page 296.

RESOLUTION NO. 74-108 - RESOLUTION TO PURCHASE QUADRANGLE MAPS OF BUNCOMBE COUNTY

4. Consideration was given to a resolution to purchase quadrangle maps of Buncombe County.

The City Manager read the resolution.

Mr. Michalove, Assistant City Manager, explained that the work program under a HUD contract with the Metropolitan Planning Board called for about eleven items to be completed by September 30, 1974. He said it was determined that these items could not be completed based on administrative changes made in the last few months. He said a meeting with the County and the State, who will be doing the planning for the County, was held to determine the best use of some $14,000 remaining in the contract. He said it was mutually agreed that the purchase of a set of planimetric and topographical maps from TVA would be the wisest use of the money, for both the City and the County.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 74-108 was unanimously adopted.

Complete text of Resolution No. 74-108 will be found in Resolution Book No. 7 at page 297.

RESOLUTION NO. 74-109 - RESOLUTION RESCINDING RESOLUTION NO. 74-85 AND APPROVING MODEL CITIES BUDGETS AND PROJECT ACTIVITIES FROM JUNE 1, 1974 THROUGH JUNE 30, 1975

5. Consideration was given to a resolution rescinding Resolution No. 74-85 and approving Model Cities Budgets and Project Activities from June 1, 1974 through June 30, 1975.

The City Manager read the resolution.

Mayor Wood noted that the resolution stated that the operating agency for the Meals on Wheels Program was the Model Cities Agency and should be the Buncombe County County on Aging. This change was substituted.

Mrs. Adelade Goodman inquired as to the status of the Service Coordinator's job at the Senior Opportunities Project.

Mayor Wood advised her that the resolution provided for the Service Coordinator's job on a half-time basis.

PUBLIC HEARING - EROSION CONTROL ORDINANCE

ORDINANCE NO. 813 - CITY OF ASHEVILLE EROSION CONTROL ORDINANCE

2. A public hearing was held to consider the adoption of an Erosion Control Ordinance.

Mayor Wood opened the public hearing at 3:01 o'clock p. m.

The City Manager read the notice to the public and affidavit setting the time and date for the public hearing.

J. E. Johnson, Chief Building Inspector, explained that the purpose of the ordinance was to prohibit the uncovering of earth and ground and would update the present excavation and filling ordinance. He said if the ordinance was passed a development permit would be required by the Division of Inspections and Demolitions before any grading is begun on any property unless exempted by the ordinance.

Mayor Wood suggested that a repealing clause of conflicting ordinances be added before the second reading.

Mayor Wood closed the public hearing at 3:18 o'clock p. m.

The City Manager and Assistant City Manager read the ordinance.

Councilman Colton moved for the adoption of the ordinance. This motion was seconded by Councilman Ochsenreiter.

On a roll call vote of 6-0, Ordinance No. 813 passed on its first reading.

RESOLUTION NO. 74-107 - RESOLUTION ESTABLISHING WATER RATES FOR ALL INDUSTRIAL CONSUMERS OF THE CITY OF ASHEVILLE WATER DEPARTMENT WITH THE EXCEPTION OF GERBER PRODUCTS COMPANY

3. Consideration was given to a resolution establishing water rates for all industrial consumers of the City of Asheville Water Department with the exception of Gerber Products Company.

RESOLUTION NO. 74-110 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE LEASE AGREEMENT FOR THE USE OF THE ATHLETIC FIELD AT THE INTERSECTION OF NEW HAW CREEK AND BELL ROADS. (EAST ASHEVILLE YOUTH ACTIVITIES, INC.)

7. Consideration was given to a resolution authorizing the Mayor to execute lease agreement for the use of the athletic field at the intersection of New Haw Creek and Bell Roads. (East Asheville Youth Activities, Inc.)

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 74-110 was unanimously adopted.

Complete text of Resolution No. 74-110 will be found in Resolution Book No. 7 at page 301.

The City Manager read the resolution.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, Resolution No. 74-111 was unanimously adopted

Complete text of Resolution No. 74-111 will be found in Resolution Book No. 7 at page 302.

REZONING PETITION - PROPERTY ON HIGHWAY NC 81

The City Manager called on Verl Emrick, Division of Planning, to present a rezoning petition. Mr. Emrick stated that on July 11 Council had referred a rezoning request to the Planning and Zoning Commission from Perry Alexander and others. He said that in reviewing this petition it was determined that to grant this would create a spot zoning. He said Mr. Alexander was notified of this at which time Mr. Alexander withdrew his original petition and submitted a revised petition which included other properties that would eliminate the spot zoning. This new petition was now being presented for Council's consideration. He said the petitioner was requesting the rezoning of certain lots from Neighborhood Trading Area and Roadside Business to Commercial.

Mayor Wood accepted the revised petition and referred it to the Planning and Zoning Commission for study and recommendation.

PROCLAMATION - DRUM MAJORETTES WEEK OF AMERICA - AUGUST 5 - 10

Mayor Wood proclaimed the week of August 5th through the 10th as Drum Majorettes Week of America

Mrs. Rose Hawkins, Mrs. Roy Rogers, and Mrs. Katie Black all appealed to Council to keep Mr. Miller, Service Coordinator at the Senior Opportunities Center, on a full-time basis.

Mr. Delany, Executive Director of the Model Cities Agency, suggested that money from the Livingston Street Neighborhood Facility could be used to supplement the Service Coordinator's salary on a full time basis if Council wish to do so. He said it was his opinion that the funds appropriated for the Livingston Street Neighborhood Facility would not be needed until later in the year and there was a possibility that the money could be put back into this project if more funds became available. He made other suggestions for supplementing the salary, such as funds from the Teacher Aide Project if Title I funds become available for use in that program; also funds appropriated for the Consolidated Health Program may not be used if the Appalachia grant is not approved.

Upon questioning of Councilman Horton, Mr. Delany said he felt it would be a good move to reprogram the funds and supplement the Service Coordinator's job full time.

Councilman Horton suggested that the resolution be changed in order to fund the job on a full time basis using the Livingston Street Neighborhood Facility funds to supplement his salary.

Councilman Ochsenreiter moved for the adoption of the resolution and the reprogramming of the funds by increasing the Senior Opportunities Project budget from $76,956 to $80,818 and by decreasing the Livingston Street Neighborhood Facility budget from $4,176 to $314.00. Thus supplementing the salary of the Service Coordinator at the Senior Opportunity Center on a full time basis. It being understood that in the event Mr. Miller, the Service Coordinator, obtains a job with the Buncombe County Department of Social Services under the Title III program for the Aged, this position would be deleted. This motion was seconded by Councilman Horton and carried unanimously.

Complete text of Resolution No. 74-109 will be found in Resolution Book No. 7 at page 298.

APPROVAL OF SALE OF DISPOSAL PARCELS 24-RA AND 1A OF THE CIVIC REDEVELOPMENT PROJECT N. C. R-13

6. Consideration was given to approving the sale of Disposal Parcels 24-RA and 1A of the Civic Redevelopment Project N. C. R-13 to the North Carolina Department of Transportation.

Mr. W. C. King, Acting Executive Director of the Housing Authority explained that parcel 24-RA for sale to the North Carolina Department of Transportation, located between the proposed Charlotte Street ramp and the Expressway is valued at $36,576. He said that Parcel 1A located between the now existing Poplar Street and a new access to the Tunnel is valued at $22,000. This parcel, he said, is also being purchased by the Department of Transportation.

Councilman Morris moved to approve the sale of Disposal Parcels 24-RA and 1A of the Civic Redevelopment Project N. C. R-13 to the North Carolina Department of Transportation. This motion was seconded by Councilman Hoyle and carried unanimously.

Thursday - August 8, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: City Manager Ernest J. Ward

1. Approval of minutes of the August 1, 1974 meeting.

Upon motion of Councilman Hoyle, seconded by Councilman Horton, the minutes of the August 1, 1974 meeting were approved as submitted.

PUBLIC HEARING - REZONING OF 12 LONG STREET - FRED PEARLMAN

2. A public hearing was held relative to rezoning property at 12 Long Street from RA-6 Residential District to Neighborhood Trading Area. The rezoning was requested by Mr. Fred Pearlman.

Mayor Wood opened the public hearing at 3:03 o'clock p. m.

The Assistant City Manager read the notice to the public and the affidavit of publication setting the time and date for the public hearing.

Mayor Wood called on Mr. Verl Emrick, Director of the Division of Planning, to review the request. Mr. Emrick advised Council that the Planning and Zoning Commission at their meeting of July 10, 1974 had voted unanimously to recommend to City Council that the request be approved and the property be rezoned to Neighborhood Trading Area. He gave the following reasons for the favorable recommendation:

(1) The lots in question are not presently being utilized for residential purposes and are not well suited for residential use due to the basic overall changes in the land use surrounding this property;
(2) Commercial uses abut these lots on two sides establishing contiguity;
(3) The proposed reuse of these lots will, in the staff's opinion, aid in alleviating the present parking problem now evident in the area; and
(4) The rezoning is in keeping with the proposed development plan for the area.

Mr. Emrick noted that at the Planning and Zoning Commission meeting protests were presented from the residents of the area relative to more traffic being placed on Long Street by rezoning this property. He said the Planning and Zoning staff recommended that "No Parking At Any Time" signs be erected on Long Street.

Mr. Fred Pearlman, petitioner, spoke in support of the rezoning stating that the residential uses in this area had declined over the past few years and that a commercial development was planned if the rezoning was granted.

Mr. Dick Webster, architect for the developer, spoke in support of the rezoning.

Mr. Piercy Carter spoke in opposition to the rezoning stating that he felt this would constitute spot zoning and would devaluate the residences in this area.

TVA'S INTEREST IN SOLID WASTE PROCESSING OPERATION - DISCUSSION

Councilman Horton stated that he had attended a meeting this past week regarding the TVA's interest in a solid waste processing operation which might be a worthwhile benefit to the City and County. He said another meeting was to be held on this matter in two or three weeks and he would like to request the City Manager to prepare a preliminary estimate on what this proposal might save the City in land fill operations and solid waste handling cost. He said he felt a better discussion could be held with TVA if these figures were available.

The City Manager advised that Mr. McHone, Superintendent of Sanitation, had already started preparing the figures.

Adjournment.

CITY CLERK

ORDINANCE NO. 815 - AN ORDINANCE TO REGULATE MASSAGE PARLORS AND HEALTH SALONS

5. Consideration was given to an ordinance to regulate massage parlors and health salons.

Mr. Moore, the Corporation Counsel, read the ordinance and explained that this ordinance was based on a Fayetteville ordinance. He said a case had recently been taken to the Court of Appeals and the North Carolina Supreme Court in which the conduct and activities of massage parlors were restricted by the use of an ordinance.

Upon questioning of Councilman Morris, Mr. Moore explained that businesses that have been regularly licensed for three years prior to the passage of the ordinance would not have to apply for an original license, however, they would have to comply with all other sections of the ordinance.

Councilman Horton suggested that the ordinance be changed in subsection (c)(1) Name and Address of Applicant to read "If such applicant be a corporation, the name or names and the address or addresses of such corporation and its officers." This change was noted.

Councilman Horton moved for the adoption of the ordinance with the effective date to be October 1, 1974. This motion was seconded by Councilman Ochsenreiter.

On a roll call vote of 6-0, Ordinance No. 815 passed on its first reading.

RESOLUTION NO. 74-112 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH AN ACTUARIAL CONSULTANT TO EVALUATE ALTERNATIVES FOR THE CITY'S PROPOSED EMPLOYEE'S RETIREMENT SYSTEM

6. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with an actuarial consultant to evaluate alternatives for the City's proposed employee's retirement system.

The Assistant City Manager read the resolution.

Upon motion of Councilman Ochsenreiter, seconded by Vice-Mayor Marshall, Resolution No. 74-112 was unanimously adopted.

Complete text of Resolution No. 74-112 will be found in Resolution Book No. 7 at page 303.

RESOLUTION NO. 74-113 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AGREEMENT WITH MR. ARNE THORSLAND CONCERNING A 6-INCH WATER LINE REDUCING TO A 2-INCH WATER LINE ON FOX HOLLOW COURT IN FOX HOLLOW DEVELOPMENT TO SERVE SAID DEVELOPMENT, LIMESTONE TOWNSHIP, BUNCOMBE COUNTY.

7. Consideration was given to a resolution authorizing the Mayor to enter into agreement with Mr. Arne Thorsland concerning a 6-inch water line reducing to a 2-inch water line on Fox Hollow Court in Fox Hollow Development to serve said development, Limestone Township, Buncombe County.

The Assistant City Manager read the resolution.

Mr. W. A. Goodson, owner of the property across Long Street from the property in question opposed the rezoning. He said the commercial development would detract tenants from his rental property.

Mr. Wayne M. Jones, 40 Lockley Avenue, opposed the rezoning stating that all the commercial businesses in this area facing on Merrimon Avenue use Long Street, Lockley Avenue, and Wildwood Avenue as entrances and exits.

Mrs. Margaret Jones, of Lockley Avenue, stated that all the streets in this area were not wide enough to carry a car and a fire truck, if needed, much less more commercial traffic.

Mayor Wood closed the public hearing at 3:42 o'clock p. m.

The Assistant City Manager read the prepared ordinance which would amend the Zoning Ordinance and rezone the property as requested.

In the absence of a motion for the adoption of the ordinance, Mayor Wood declared the request denied.

ORDINANCE NO. 813 - CITY OF ASHEVILLE EROSION CONTROL ORDINANCE

3. Consideration was given to the second reading of Ordinance No. 813, City of Asheville Erosion Control Ordinance.

The Corporation Counsel advised that a section relative to conflicting ordinances had been added in accordance with Council's instructions after the first reading.

Councilman Colton moved to amend the ordinance by adding the section relative to conflicting ordinances. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 813 passed on its second reading.

ORDINANCE NO. 814 - AN ORDINANCE AMENDING THE CODE OF THE CITY OF ASHEVILLE BY ADDING DIVISION 3 - CITY PARKING LOTS TO ARTICLE V- STOPPING, STANDING AND PARKING

4. Consideration was given to an ordinance amending the Code of the City of Asheville by adding Division 3 - City Parking Lots to Article V- Stopping, Standing, and Parking.

The Assistant City Manager read the ordinance.

Mr. Mike Smith, Director of Central Services, explained that the purpose of the ordinance was to provide more downtown parking spaces for shoppers and move monthly parkers to the perimeter parking lots.

Mr. Russ Martin spoke in opposition to the price increases of the monthly parking lots.

Councilman Morris moved for the adoption of the ordinance with the effective date to be September 1, 1974. This motion was seconded by Vice-Mayor Marshall.

On a roll call vote of 6-0, Ordinance No. 814 passed on its first reading.

Mayor Wood, referring back to the resolution relative to the municipal agreement between the City and the Department of Transportation on the utilities for the Charlotte Street Project asked Council what action they wished to take on the resolution.

Councilman Colton moved for the adoption of the resolution. This motion was seconded by Councilman Horton and carried unanimously.

Complete text of Resolution No. 74-115 will be found in Resolution Book No. 7 at page 306.

REZONING REQUEST - PROPERTY ON HIGHWAY N. C. 81 - PERRY ALEXANDER AND OTHERS

10. Consideration was given to a recommendation from the Planning and Zoning Commission relative to rezoning property on Highway N. C. 81 from Roadside Business and Neighborhood Trading Area to Commercial owned by Perry Alexander and others.

The Assistant City Manager read the recommendation from the Planning and Zoning Commission which recommended approval of the request.

Councilman Morris moved that a public hearing on the matter be held on August 29, 1974 and that the required legal advertisement be made at the petitioners expense. This motion was seconded by Councilman Hoyle and carried unanimously.

REZONING REQUEST - CORA JENNINGS - JOHNSON BOULEVARD

11. Mayor Wood requested that this matter be postponed for one week. He said this would allow time for the petitioner to be advised of the Planning and Zoning Commission's action and give him an opportunity to prepare an appeal since action by the Planning and Zoning Commission, in which they recommended denying this request, only took place the previous day.

RESOLUTION NO. 74-116 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE RELATING TO THE REVISAL OF ORDINANCE NO. 322, AS AMENDED, COMMONLY REFERRED TO AS THE ZONING ORDINANCE OF THE CITY OF ASHEVILLE

12. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance relating to the revisal of Ordinance No. 322, as amended, commonly referred to as the Zoning Ordinance of the City of Asheville.

The Assistant City Manager read the resolution.

Councilman Horton moved for the adoption of the resolution setting the public hearing date for September 19, 1974. This motion was seconded by Councilman Colton and carried unanimously.

Complete text of Resolution No. 74-116 will be found in Resolution Book No. 7 at page 307.

CLAIM - MRS. MARVIN ROBINSON - 23 EDWIN PLACE

The Assistant City Manager presented a claim from Mrs. Marvin Robinson of 23 Edwin Place claiming damages from two storm drains being stopped up on her street.

Mayor Wood referred the claim to the Corporation Counsel for disposition.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 74-113 was unanimously adopted.

Complete text of Resolution No. 74-113 will be found in Resolution Book No. 7 at page 304.

RESOLUTION NO. 74-114 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER LINE CROSSING U. S. 25 (HENDERSONVILLE ROAD)

8. Consideration was given to a resolution authorizing Mayor to execute right-of-way encroachment agreement with the North Carolina State Board of Transportation for Water line crossing U. S. 25 (Hendersonville Road).

The Assistant City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, Resolution No. 74-114 was unanimously adopted.

Complete text of Resolution No. 74-114 will be found in Resolution Book No. 7 at page 305.

RESOLUTION NO. 74-115 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE BOARD OF TRANSPORTATION FOR USE AND OCCUPANCY OF FACILITIES LOCATED ON STATE PROJECT 8.1901404

9. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the Board of Transportation for use and occupancy of facilities located on State Project 8.1901404.

The Assistant City Manager read the resolution and explained that this was an agreement pertaining to the utilities to be placed on the proposed Charlotte Street Extension Project.

Dr. Cecil Sherman, Minister for the First Baptist Church, read a prepared statement requesting Council's assistance in speeding up the Urban Redevelopment, Street and Highway Projects around the church. He said their plans for improvements to the church had been postponed many times due to the delays in the Urban Renewal Project and the Charlotte Street Extension Project. He said a hearing on the Charlotte Street Extension Project is to be held in Raleigh on August 22 and he requested that Council express their concern relative to the many delays in the project.

Mayor Wood told Dr. Sherman that all city officials share in the frustration of the property owners in this area. He said that Council had passed a resolution several years ago expressing their concern over the traffic congestion on Tunnel Road and urged them to speed up the project.

Mayor Wood instructed the Corporation Counsel to look into the August 22nd hearing and find out what will transpire at the hearing and to report this information back to Council next week.

Councilman Colton thanked Dr. Sherman for coming to Council and expressing his congregations concern. He said that perhaps all interested parties should join forces and appear at the August 22nd hearing.

NOTICE OF CLAIM OF LIEN - PERRY M. ALEXANDER CONSTRUCTION COMPANY AND GENERAL BUILDING PRODUCTS, INC.

The Assistant City Manager informed Council that he had received two notice of claim of liens by first tier sub-contractors furnishing materials to Gneral Contractor relative to Ranger Construction Company at the Asheville Civic Center. These claims were from Perry M. Alexander Construction Company and General Building Products, Inc.

Mayor Wood referred the claims to the Corporation Counsel.

WATER LEAK - PATTON AVENUE

Councilman Horton requested that the Director of Water and Sewer Services check into a water leak in front of the Abernathy Church on Patton Avenue.

Adjournment.

CITY CLERK

ORDINANCE NO. 815 - AN ORDINANCE TO REGULATE MASSAGE PARLORS AND HEALTH SALONS

4. Consideration was given to the second reading of Ordinance No. 815, an ordinance to regulate massage parlors and health salons.

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and that it would not be re-read in its entirety unless there was a specific request to do so.

Mayor Wood noted that physical therpists should be added to to the list of exclusions in the first section of the ordinance.

Councilman Colton moved to amend the ordinance and add physical therpists to the list of exclusions in the first section of the ordinance. This motion was seconded by Councilman Horton and carried unanimously.

Mr. E. R. McCarthy suggested that before Council passed any regulations, they should appoint a committee to go out and look at what they proposed to regulate. He noted that the ordinance called for a $1,000 bond, while there were no insurance or bond requirements for race tracks which he indicated he felt were more dangerous and a bigger nuisance.

Councilman Horton commented on a news story in the local newspaper stating that he wish to thank the newspaper for doing the research on the matter in which the Council might have been reluctant to do. He said the activities at the massage parlors backed his ideas about regulations and because the types of services were the type of morality citizens did not want in their midst. He said he felt the citizens of Asheville look to Council to protect public morality and "I for one do not intend to let them down."

Mr. Jim Mathis, 5 White Fawn Place, told Council that his wife worked at the Tahitian Health Club and he approved of her work as a masseuse and upheld her story in the local newspaper.

On a roll call vote of 6-0, Ordinance No. 815 passed on its second reading.

BIDS - ONE (1) 16" BRUSH CHIPPER FOR SANITATION DIVISION

5. Consideration was given to bids received August 5, 1974 for one (1) 16" brush chipper for the Division of Sanitation.

The Assistant City Manager read a memorandum from the Purchasing Agent who recommended the low bid submitted by Safety Test and Equipment Company in the amount of $4,605.00.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the contract to the low bidder, Safety Test and Equipment Company in the amount of $4,605.00. This motion was seconded by Councilman Hoyle and carried unanimously.

Thursday - August 15, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: City Manager Ernest J. Ward

1. Approval of minutes of the August 8, 1974 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Morris, the minutes of the August 8, 1974 meeting were approved as submitted.

ORDINANCE NO. 813 - CITY OF ASHEVILLE EROSION CONTROL ORDINANCE

2. Consideration was given to the third reading of Ordinance No. 813, City of Asheville Erosion Control Ordinance.

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and that it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 813 passed on its third and final reading.

Complete text of Ordinance No. 813 will be found in Ordinance Book No. 6 at page 87.

ORDINANCE NO. 814 - AN ORDINANCE AMENDING THE CODE OF THE CITY OF ASHEVILLE BY ADDING DIVISION 3 - CITY PARKING LOTS TO ARTICLE V - STOPPING, STANDING AND PARKING

3. Consideration was given to the second reading of Ordinance No. 814, an ordinance amending the Code of the City of Asheville by adding Division 3 - City Parking Lots to Article V - Stopping, Standing and Parking.

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and that it would not be re-read in its entirety unless there was a specific request to do so.

Mr. Mike Smith, Director of Central Services, noted that two amendments had been made in the ordinance since the first reading. He said these changes were the addition of a daily rate for Parking Lot No. 14 on Broadway and a sentence was added in Section 28-128. Hours of operation to read "The City Manager, at his discretion, may alter or suspend the normal hours of operation."

Councilman Morris moved to amend the ordinance by adding a daily rate to Parking Lot No. 14 on Broadway and to incorporate the sentence "The City Manager, at his discretion, may alter or suspend the normal hours of operation"into Section 28-128. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 814 passed on its second reading.

Councilman Morris introduced in written form the following order authorizing bonds which was read:

ORDER AUTHORIZING $825,000
PARKING BONDS

BE IT ORDERED by the Council of the City of Asheville:

Section 1. That, pursuant to The Local Government Bond Act, as amended, the City of Asheville, North Carolina, is hereby authorized to contract a debt, in addition to any and all other debt which said City may now or hereafter have power or authority to contract, and in evidence thereof to issue Parking Bonds in an aggregate principal amount not exceeding $825,000 for the purpose of providing funds, with any other available funds, for constructing and equipping a structure for off-street parking in said City.

Section 2. That taxes shall be levied in an amount sufficient to pay the principal of and the interest on said bonds.

Section 3. That a sworn statement of the debt of the City has been filed with the City Clerk and is open to public inspection.

Section 4. That this order shall take effect 30 days after its publication following adoption, unless it is petitioned to a vote of the people as provided in G.S. 159-60, and that in that event the order will take effect when approved by the voters of the City at a referendum as provided in said Act.

Thereupon, upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, the order entitled: "ORDER AUTHORIZING $825,000 PARKING BONDS", as hereinabove set forth, was passed upon its first reading by the following vote:

Yeas: Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Vice-Mayor Calvin W. Marshall.

Nays: _____.

Thereupon Councilman Colton introduced in written form the following resolution which was read:

RESOLUTION DESIGNATING THE DIRECTOR OF FINANCE TO PREPARE AND FILE THE SWORN STATEMENT OF DEBT

Section 2. That said public hearing may be adjourned from time to time.

Section 3. That the City Clerk be and he is hereby directed to publish said order, together with the appended statement giving notice of said hearing as required by The Local Government Bond Act, as amended, once in The Asheville Times not later than the sixth day before the date of said public hearing.

Richard A. Wood, Jr.
Mayor

William F. Wolcott, Jr.
City Clerk

Approved as to form:
William C. Moore
Corporation Counsel

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, the foregoing resolution entitled: "RESOLUTION PROVIDING FOR A PUBLIC HEARING UPON AN ORDER AUTHORIZING $825,000 PARKING BONDS AND DIRECTING THE CITY CLERK TO PUBLISH SAID ORDER TOGETHER WITH A STATEMENT GIVING NOTICE OF SAID HEARING" was passed by the following vote:

Yeas: Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Vice-Mayor Calvin W. Marshall.

Nays: None.

Thereupon the resolution entitled: "RESOLUTION DESIGNATING THE DIRECTOR OF FINANCE TO PREPARE AND FILE THE SWORN STATEMENT OF DEBT" and the resolution entitled: "RESOLUTION PROVIDING FOR A PUBLIC HEARING UPON AN ORDER AUTHORIZING $825,000 PARKING BONDS AND DIRECTING THE CITY CLERK TO PUBLISH SAID ORDER TOGETHER WITH A STATEMENT GIVING NOTICE OF SAID HEARING" were authenticated by the signatures of the Mayor and the City Clerk, and the Corporation Counsel endorsed upon said resolutions his approval of the forms thereof.

Thereupon, upon motion of Councilman Ochsenreiter, seconded by Councilman Horton, the requirement of the Charter that ordinances be read on three separate days was dispensed with by the following vote, being not less than two-thirds of the members of the Council:

hereby designated as the officer who shall prepare and file with the City Clerk the sworn statement of debt of the City of Asheville which is required by The Local Government Bond Act, as amended, to be filed after a bond order has been introduced and before the public hearing thereon.

Section 2. That this resolution, being a resolution directing administrative action, shall take effect immediately.

Richard A. Wood, Jr.
Mayor

William F. Wolcott, Jr.
City Clerk

Approved as to form:

William C. Moore
Corporation Counsel

Upon motion of Councilman Colton, seconded by Councilman Morris, the foregoing resolution entitled: "RESOLUTION DESIGNATING THE DIRECTOR OF FINANCE TO PREPARE AND FILE THE SWORN STATEMENT OF DEBT" was passed by the following vote:

Yeas: Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Vice-Mayor Calvin W. Marshall.

Nays: None.

Thereupon the Director of Finance filed with the City Clerk, in the presence of the Council, the sworn statement of debt as so required, which statement is attached to and made a part of these minutes.

Thereupon Councilman Morris introduced in written form the following resolution which was read:

RESOLUTION PROVIDING FOR A PUBLIC HEARING UPON AN ORDER AUTHORIZING $825,000 PARKING BONDS AND DIRECTING THE CITY CLERK TO PUBLISH SAID ORDER TOGETHER WITH A STATEMENT GIVING NOTICE OF SAID HEARING

BE IT RESOLVED by the Council of the City of Asheville:

Section 1. That a public hearing upon the order entitled: "ORDER AUTHORIZING $825,000 PARKING BONDS" shall be held at 3:00 o'clock P.M., on August 29, 1974 at the City Hall in Asheville, North Carolina, at which the Council shall hear anyone who may wish to be heard on the question of the validity of said order or the advisability of issuing said bonds.

RESOLUTION NO. 74-120 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE SOUTHERN RAILWAY COMPANY CONCERNING A 10-INCH WATER LINE ON ROYAL PINES DRIVE (SR 3162) AT THE RAILROAD CROSSING, LIMESTONE TOWNSHIP, BUNCOMBE COUNTY

Consideration was given to a resolution authorizing the Mayor to execute a right of way encroachment agreement with the Southern Railway Company concerning a 10-inch water line on Royal Pines Drive (SR 3162) at the railroad crossing, Limestone Township, Buncombe County.

The Assistant City Manager read the resolution and explained that this was a right of way for a water line from Sweeten Creek Road to the CocaCola Plant which would cross underneath the railroad bridge on a State Road.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Ochsenreiter, Resolution No. 74-120 was unanimously adopted.

Complete text of Resolution No. 74-120 will be found in Resolution Book No. 7 at page 312.

RESOLUTION NO. 74-121 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AGREEMENT WITH INGLE'S MARKETS, INC. CONCERNING AN 8-INCH WATER LINE ON U. S. 25 TO SERVE INGLE'S SHOPPING CENTER, LIMESTONE TOWNSHIP, BUNCOMBE COUNTY

Consideration was given to a resolution authorizing the Mayor to enter into agreement with Ingle's Markets, Inc. concerning an 8-inch water line on U. S. 25 to serve Ingle's Shopping Center, Limestone Township, Buncombe County.

The Assistant City Manager read the resolution.

Mayor Wood excused Councilman Hoyle from the meeting at 3:50 o'clock p. m.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 74-121 was unanimously adopted.

Complete text of Resolution No. 74-121 will be found in Resolution Book No. 7 at page 313.

RESOLUTION NO. 74-122 - [illegible] OF AMENDMENTS TO THE NORTH CAROLINA [illegible], VOLUME I, GENERAL CONSTRUCTION, 1967 EDITION

Consideration was given to a resolution calling for a public hearing for the adoption of amendments to the North Carolina State Building Code, Volume I, General Construction, 1967 Edition.

The Assistant City Manager read the resolution.

Councilman Ochsenreiter moved for the adoption of the resolution setting the date for the public hearing for September 12, 1974. This motion was seconded by Councilman Colton and unanimously adopted.

Complete text of Resolution No. 74-122 will be found in Resolution Book No. 7 at page 314.

REZONING PETITION - SHUFORD H. AND DELORES HALL - JESSE P. SURLES

The Assistant City Manager presented a rezoning petition received from Shuford H. and Delores A. Hall and Jesse P. Surles requesting that Lots 96, 97, 7, 9-1/2, 10-1/2, 8-1/4, Ward 2, Sheet 17 be rezoned from RA-9 to RA-M. It was also requested as an alternative, that Lots 16, 185, 193, 15-3/4, 15-1/2, 192, 93, 94, 95 and 14 of Ward 2, Sheet 17 be zoned RA-8 in order that a buffer may be created between the area west of Hollywood Street, currently zoned RA-M, and the area east of the aforelisted lots, currently zoned RA-9.

In the absence of any objections from members of Council, Mayor Wood referred the petition to the Planning and Zoning Commission for study and recommendation.

PETITION TO CLOSE PORTION OF MILLER ROAD

The Assistant City Manager advised Council that he had received a petition from Patricia Isabel Miller, James Ernest Miller, Jr., Isabel Miller Galasso, Mary Emma Miller, and Irene Miller Douglas and the Buncombe County Board of Education, owners and optionees of that property adjoining that portion of Miller Road sought to be closed, requesting that a portion of Miller Road be permanently closed. The petition stated that the petitioner, the Buncombe County Board of Education, proposes to build a new Elementary School on the propercy, which school will replace the present Haw Creek Elementary School. He told Council if they wished to consider the closing it would be necessary to pass a resolution setting a public hearing on the question and that if it was Council's wish he was prepared to present the resolution at this time. On instructions from Mayor Wood he proceeded with the presentation of the following resolution.

RESOLUTION NO. 74-119 - RESOLUTION OF INTENT TO CLOSE A PORTION OF MILLER ROAD AND CALLING A PUBLIC HEARING ON THE QUESTION

Councilman Hoyle moved for the adoption of the resolution setting the date of the public hearing for September 19, 1974. This motion was seconded by Councilman Horton and carried unanimously.

Complete text of Resolution No. 74-119 will be found in Resolution Book No. 7 at page 310.

Mrs. Marylyn Gordon, 34 West Haven, asked Council if they planned to send a representative to the hearing in Raleigh on August 22, 1974.

Mayor Wood told her that it was his understanding that no oral presentations would be taken, but that written statements would be accepted and included in the record. He said if they changed their views he would be glad to inform her, however based on this information the City would not have a representative at the meeting.

Mrs. Gordon speaking as a member of the Beaucatcher Mountain Defense Association said that whether or not there was a Tunnel or an Open Cut there would be no time difference, but when construction as proposed causes irreversible destruction to the terrain then an alternative procedure should be obtained. She appealed to Council not to sanction the destruction of the Beaucatcher Mountain, beaause the construction might be expedient. She asked that Council stand with the conservationists in order that other generations might enjoy the mountain.

Councilman Morris asked Mrs. Gordon if the "unsightly scar" which would be left in the mountain, which she had mentioned, was the thing that most concerned her. He said that since no legislation covered such destruction then as a result her group was using the flow of pollution through the cut as a means of halting construction.

Mrs. Gordon told Councilman Morris that her group was using the environment as a possible means of seeking an alternate construction method.

Mrs. Doris Moore, Shawnee Trail, told Council that she appreciated the action Council was taking on the matter. She told Council that after the years and money already spent on the project, it did not seem right for 25 people to stop it. She said she felt that those opposing the cut were opposing for personal reasons rather than environmental ones.

Referring back to the prepared resolution requesting that the Board proceed with the construction and to let the contracts immediately, Councilman Morris moved for the adoption of the resolution, This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Mayor Wood instructed the City Clerk to forward copies of the resolution to the North Carolina Environmental Management Commission and to Mrs. Cary Owen, Buncombe County Commissioner.

NOTICE OF CLAIM OF LIEN - FEDERAL GLASS AND HARDWARE, INC. AND CITIZENS HARDWARE AND SUPPLY COMPANY, INC.

The Assistant City Manager informed Council that he had received two notice of claim of liens by first tier subcontractors furnishing material to the General Contractor, Ranger Construction Company at the Asheville Civic Center. These claims were from Federal Glass and Hardware, Inc. in the amount of $9,000 and Citizens Hardware and Supply Company, Inc. in the amount of $24,560.52.

Adjournment.

Richard D. Wood, Jr.
MAYOR

William F. Worcott
CITY CLERK

RESOLUTION NO. 74-123 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE DEED TO THE ASHEVILLE CITY BOARD OF EDUCATION

Consideration was given to a resolution authorizing the Mayor to execute deed to the Asheville City Board of Education.

The Corporation Counsel read the resolution and explained that this included two lots that were conveyed to the County and the City of Asheville by the Board of Financial Control, which Board is no longer in existance. He said the County had already conveyed all rights, title and interest to the City Board of Education. He said this was in connection with the proposed new Hall Fletcher School.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Horton, Resolution No. 74-123 was unanimously adopted.

Complete text of Resolution No. 74-123 will be found in Resolution Book No. 7 at page 315.

PHASE I - WATER IMPROVEMENT PROGRAM - ELECTRICAL CONTRACT

Mr. Bill Edens, Director of Water and Sewer Department advised Council that a contract had been awarded for the electrical phases - Phase I of the Water Quality Improvement Program to Bryant Electrical Company of Brevard at a price of $39,870. He said subsequent to the signing of the contracts he received a telephone call and a letter from Bryant Electrical Company asking that they be relieved from the terms of the contract and offering the services of the second low bidder, Electrical Constructors of America, Inc. of Skyland to take the job at the same price. He said this proposal had been discussed with the engineers and they have offered to prepare the contracts, which have been signed and submitted with all insurance papers in order, by Electrical Constructors of America, Inc. He said that it was his recommendation that this contract be executed and that Bryant Electrical Company be relieved of their obligations.

Mayor Wood requested that a resolution be prepared for next week's meeting substituting Electrical Constructors of America, Inc. for Bryant Electric Company for electrical work on Phase I of the Water Quality Improvement Program.

RESOLUTION NO. 74-124 - RESOLUTION REQUESTING IMMEDIATE ACTION ON SIX-LANE HIGHWAY THROUGH BEAUCATCHER MOUNTAIN

Consideration of a resolution requesting immediate action on Six-Lane Highway through Beaucather Mountain.

The Corporation Counsel informed Council that he had contacted the appropriate groups this past week in regard to this matter. He said the North Carolina Environmental Management Commission has set a hearing for August 22, 1974 and at the hearing it would be determined that in their opinion they do not have jurisdiction over the construction methods unless they are willing to accept it. However, he said that previous studies have determined that an open cut would not produce any ill effects, nor would it cause carbon monoxide to rise. He said it was his recommendation that if it was Council's wish that immediate action be taken, a resolution should be passed which would request the Board to proceed with the construction and let the contracts immediately.

After a lengthy discussion, Councilman Ochsenreiter moved to table the ordinance on its third reading and to set up a conference with representatives of the downtown area to discuss the matter further. This motion was seconded by Councilman Hoyle and carried unanimously.

Mayor Wood requested that the City Manager obtain statistics relative to the current use of the parking lots in the downtown area and to arrange a sub-committee with the downtown merchants and Mr. Mike Smith, Director of Central Services to discuss the matter further.

ORDINANCE NO. 815 - AN ORDINANCE TO REGULATE MASSAGE PARLORS AND HEALTH SALONS

3. Consideration was given to the third and final reading of Ordinance No. 815, an ordinance to regulate massage parlors and health salons.

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance which was read in its entirety before the first reading and amended before the second reading and would not be re-read in its entirety unless there was a specific request to do so.

Councilman Morris moved to amend the ordinance to become effective fifteen (15) days after adoption rather than October 1, 1974. This motion was seconded by Councilman Horton and carried unanimously.

Susan McFarland, of the Tahitian Health Club, asked if the ordinance would close down the massage parlors completely.

Mayor Wood informed her that the intent of the ordinance was to regulate the massage parlors which would require licensing procedures and would prohibit a member of one sex from giving massages to a member of another sex except under the orders of a physician.

She asked if any member of Council had visited the massage parlors and invited them to come and see exactly what goes on at their place of business. She said a perfectly legal business was being carried on and she felt Council did not have the right view of what was going on.

Rev. P. F. DeSaix spoke at length in opposition to the Council's action on passing an ordinance on massage parlors without having personal knowledge and that they were acting on hear say evidence. He said as long as it was behind closed doors it should not be a concern of the City government.

Councilman Horton commented that he felt the majority of people he represented did not agree with Rev DeSaix's philosophy and that they were in favor of the ordinance.

On a roll call vote of 6-0, Ordinance No. 815 passed on its third and final reading, effective fifteen (15) days after adoption.

Complete text of Ordinance No. 815 will be found in Ordinance Book No. 6 at page 111.

1. Approval of minutes of August 15, 1974 meeting.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, the minutes of the August 15, 1974 meeting were approved as submitted.

ORDINANCE NO. 814 - AN ORDINANCE AMENDING THE CODE OF THE CITY OF ASHEVILLE BY ADDING DIVISION 3 - CITY PARKING LOTS TO ARTICLE V - STOPPING, STANDING AND PARKING

8. Consideration was given to the third reading of Ordinance No. 814, an ordinance amending the Code of the City of Asheville by adding Division 3 - City Parking Lots to Article V- Stopping, Standing and Parking.

Mayor Wood advised that members of Council had previously been furnished copies of the oridnance and that it would not be re-read in its entirety unless there was a specific request to do so.

Mr. Donald Heet, President of the Bon Marche Stores, told Council he was speaking on behalf of the Bon Marche Stores, retail stores, and businessmen in the downtown area. He said he was opposed to the parking increases in that he felt this would be penalizing the employees in the downtown store, whereby the employees at the stores at Westgate and at the Mall parked free; that the increases would penalize customers who only wanted to shop for a few minutes; and that the increases in parking rates would speed up the current trend of downtown deterioration.

Mr. Bonson Ramsey, of Oakley, presented a petition to Council with some 715 signatures of workers in the downtown area appealing not to increase the parking fees. He said it would put a financial burden on the downtown employees.

Mr. Henry Teal, representing some 210 employees of the Wachovia Bank, spoke in opposition to the increase in parking fees. He said the downtown merchants, lawyers, and businessmen compete in a labor market with the regional shopping centers, manufacturing plants, and the medical parks and if the rate increases are approved he felt it would be difficult to hire the caliber personnel that would be needed to work when they could work outside of downtown and get their parking free. He recommended that the rates remain the same.

Councilman Morris commented that there was no such thing as free parking and that the regional shopping center businesses pay for the cost of parking in rent. He said the purpose of this ordinance was to set a rate scale that would encourage daily parkers to park in the perimeter lots, leaving the lots closer to the business district for shoppers. He said he felt the businessmen should furnish parking for his employees and shoppers.

the Park and Recreation Advisory Board relative to the purchase of this property. for the new West Asheville Park.

Mayor Wood instructed that the letter be made a part of the minutes. The following is the text of the letter.

August 21, 1974

The Honorable Richard A. Wood, Mayor
City of Asheville
City Hall
Asheville, NC

Dear Sir:

I have just heard the good news that the last appraisal delaying purchase of land in the Morris Street - Vermont Avenue section of West Asheville for park development has been accepted. I'm extremely pleased that the long struggle is nearly over, and that construction of this much - needed facility can soon begin.

With the able assistance of Ray Kisiah, Frank Leppert, and other members of your Recreation Advisory Board, I have been personally involved in the search for a site for this park for the entire six or seven years since Rhododendron Park was sold. The Board went on record back in 1968 urging highest priority in city park land acquisition to the securing of a West Asheville site suitable for development into an active recreation facility - to include tennis courts, lighted little league ballfield, and picnic area.

We have tramped over many possible sites, negotiated seriously for two, selected one (which we lost when condominium developers outbid us) and finally settled, after years of effort, on the site now proposed for purchase. Your Board unanimously endorses this site selection, and respectfully requests prompt and favorable consideration by City Council of the proposed purchase agreement.

We believe this site provides an opportunity to develop a much - needed recreation facility at realistic costs within a budget already appropriated and utilizing matching Federal Funds already granted.

We are also confident that this park can be operated so that light and noise nuisance to adjoining residential property can be kept to an absolute minimum. The population density of the neighborhood underscores the important value of this off-street recreational facility; yet we plan to achieve this while retaining many existing trees and shrubs for both beauty and sound-screen.

The Board is grateful for your continued support throughout this lengthy effort, and shares with you its pleasure that tangible development can be started immediately following execution of the land purchase.

Respectfully yours,

Bill Peyton

RESOLUTION NO. 74-125 - RESOLUTION TO RELIEVE BRYANT ELECTRICAL CORPORATION FROM THE OBLIGATIONS AND CONDITIONS OF ITS CONTRACT 1.1 FOR ELECTRICAL WORK RELATED TO THE PHASE I WATER FACILITIES AND AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY, A CONTRACT FOR IDENTICAL OWRK WITH ELECTRICAL CONSTRUCTORS OF AMERICA, INC.

4. Consideration was given to a resolution to relieve Bryant Electrical Corporation from the obligations and conditions of its contract 1.1 for electrical work related to the Phase I Water Facilities and authorizing the Mayor to sign on behalf of the City, a contract for identical work with Electrical Constructors of America, Inc.

The City Manager read the resolution.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, Resolution No. 74-125 was unanimously adopted.

Complete text of Resolution No. 74-125 will be found in Resolution Book No. 7 at page 318.

BIDS - TWO (2) 1974 MODEL INDISTRIAL TYPE TRACTORS WITH FRONT-END LOADERS AND 10 FOOT BACKHOE FOR WATER AND SEWER DEPARTMENT

5. Consideration was given to bids received August 19, 1974 for two (2) 1974 Model Indistrial Type Tractors with Front-End Loaders and 10 Foot Backhoe for Water and Sewer Department.

The City Manager read memorandums from the Purchasing Agent and the Director of Water and Sewer Department who recommended the second low bidder, Farm Equipment Company in the amount of $21,400.00, in that the low bid submitted by Arden Equipment Company in the amount of $21,109.52 did not meet the specifications.

Councilman Morris moved to accept the recommendations and award the contract to Farm Equipment Company in the amount of $21,400.00. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

PURCHASE OF PROPERTY IN VICINITY OF DAVENPORT ROAD AND MORRIS AVENUE FOR NEW WEST ASHEVILLE PARK

6. Consideration was given to the purchase of property in vicinity of Davenport Road and Morris Avenue for new West Asheville Park.

The City Manager read letter from Mr. William M. Peyton, Chairman of

Councilman Morris stated that Council was only considering the purchase of the property at this time and since the lay out of the park was only tentative he suggested that a committee representing the people closely affected by the project meet with the Park and Recreation Advisory Board and work out a solution that would be satisfactory to the residents of the area.

Councilman Horton read a letter of endorsement from the West Asheville Business Association.

Mayor Wood requested that the letter be included in the minutes. The following is the text of the letter:

August 22nd, 1974

The Asheville City Council,

Asheville, N. C.

Gentlemen:

The Directors of the West Asheville Business Association are very much in favor of the purchase of land and development of a play-ground in west Asheville. This has been needed for many years and we would like to see that it becomes a reality as soon as possible. We trust that the City Council will approve this development and that work can be started.

Sincerely yours,

West Asheville Business Association

By J. L. Lawrence

J. L. Lawrence, Secretary

Ray Kisiah, Director of Parks and Recreation, reviewed the efforts to date in order to develop a new park in the West Asheville area. He said the total cost for the development of the park would be approximately $245,000 which is included in the HUD Park Improvement Grant under the Open Space Program. He said the cost of the land would be $81,250.00 which is the appraised value. He also said it was their recommendation that the house presently on the property remain and that a resident caretaker be installed to oversee that the regulations and maintenance of the park were carried out.

Mr. Frank Leppert, a member of the Park and Recreation Advisory Board, told Council that it was the Board's desire that Council approve the purchase of this land. He said after many years of searching for a site he felt this provided an opportunity to develop the facility at a realistic cost.

Mr. Kisiah stated that it was the intent that this be a neighborhood park rather than a citywide park; that picnic shelters would be provided for small group gatherings; that the main entrance would be off Vermont Avenue and that there would be adequate land for an entrance; and that three (3) off-street parking areas. He said it was proposed to plant white pines to screen off the park and to protect the residents. He also said that it would take about two (2) years to put the park in operation, however, some facilities would be ready for use by next summer.

Mr. Russell Bell, 2 Morris Place, stated that his property adjoins the proposed park property and asked if this would be fenced in. He was advised that it would be at the point of his property.

Mr. Dick Eskridge, asked Council how other areas of the City could be included in the park program. He said he felt this should be a city-wide park rather than a neighborhood park, because other areas of the City needed more recreational facilities.

Mr. Porter Wilson, 172 Vermont Avenue, stated that he was President of the West Asheville Lions Club and at a recent meeting the club unanimously endorsed this project. He also offered Council his personal support.

Mr. Joseph Dunn told Council that he had been associated with the West Asheville Little League Program for a number of years and fully endorsed the park concept for the West Asheville area.

Mr. Earl Cobb, also associated with the Little League Program, endorsed the program.

Mr. Hobert Hector, 95 Morris Street, voiced concern over the increased traffic that would be generated on Morris Street. He said he felt the site was out of the way from any main roads.

Mr. Ted Meadows, 18 Talmadge Court, spoke about the increased traffic and activities in the neighborhood. He said he was not opposed to the park but against the location.

Councilman Colton stated that it was his intention to upgrade the entrance on Vermont and to alleviate traffic problems on Morris Street.

Mr. Tom Huddles, of Morris Avenue, spoke at length over the increased traffic on Morris Street.

CITY MANAGER'S REPORT - COMPLAINTS OF GARY MUCKELVENE AND DORA LEE WHITE

The City Manager explained that relative to complaints received by Council in July from Gary Muckelvene, Dora Lee White and her son and daughter, concerning arrest procedures on the part of some of the police officers in the Police Department, an investigation was made by the Police Department and statements from the police officers involved were received. He then read a memorandum from Chief J. C. Hall stating the final disposition of the complaints. He requested that the statements received from the police officers involved and the report from the Chief of Police and statements of the disposition of the complaints be made a part of the minutes. He advised Council that a memorandum had been forwarded to the Chief of Police relative to improving arrest procedures. He then read the memorandum and Mayor Wood instructed the City Clerk to include the memorandum in the minutes.

The following are documents specified to be made a part of the minutes:

JOSEPH C. HALL
CHIEF OF POLICE

August 17, 1974

MEMORANDUM TO: MR. ERNEST J. WARD
CITY MANAGER

SUBJECT: P. E. INGLE
H. L. KYLE

P. E. Ingle's suspension was made permanent by dismissal on August 6, 1974 after the trial in the Dora Lee White case.

Complaints filed against Ingle by Gary Muckelvene, Dora Lee White and her son and daughter, and Julius Cauble resulted in the dismissal.

Ingle has appealed to the Civil Service Commission. H. L. Kyle tendered his resignation August 7, 1974. Kyle was listed in complaint filed by Dora Lee White. O. C. Bodenhamer, who was named in the Muckelvene complaint, is still on duty due to the fact that Mr. Muckelvene stated he had no complaint against Bodenhamer at the time he filed his complaint against Ingle. Muckelvene stated he felt that had Bodenhamer been handling the situation on July 9, 1974, there would have been no problem. He also stated that Bodenhamer was following the orders of Ingle in his actions.

I plan no action against Bodenhamer.

Councilman Ochsenreiter moved to proceed with the purchase of the property in the amount of $81,250.00 with the understanding that residents of the area would have an opportunity to meet with the Park and Recreation Advisory Board and express their views about the park lay out before final plans are submitted. This motion was seconded by Councilman Horton and carried unanimously.

Mayor Wood called for a five (5) minute recess

BIDS - EXTERIOR RENOVATION, CLEANING AND WATERPROOFING - CITY HALL BUILDING

Consideration was given to bids received August 20, 1974 for the exterior renovation, cleaning and waterproofing for the City Hall Building.

Mr. John Cort, architect, presented the bids by Western Waterproofing Company in the amount of $134,466, Holbrook Waterproofing Company in the amount of $133,220, and the low bid of Brisk Waterproofing Company of Atlanta, Georgia in the amount of $111,900. He said the low bid was well within the funds budgeted by Council. He said it was his recommendation that Council accept the low bid, and execute a contract with Brisk Waterproofing Company for the work. He said the general scope of the work would be the exterior cleaning of the building from the top to grade.

Vice-Mayor Marshall moved to accept the recommendations of the architect and to award the contract to Brisk Waterproofing Company in the amount of $111,900. This motion was seconded by Councilman Hoyle and carried unanimously.

REZONING PETITION - B. G. O'KELLY - WARD 2, SHEET 17, LOT 96

Mayor Wood stated that a petition had been received from B. G. O'Kelly requesting that Lot 96, Sheet 17, Ward 2 be included in the petition received last week from Shuford H. and Delores A. Hall and Jesse P. Surles requesting that their property be rezoned RA-M.

In the absence of any objections from members of Council, Mayor Wood referred the petition to the Planning and Zoning Commission for their recommendation. This petition to be included with the petition filed by Shuford H. and Delores A. Hall and Jesse P. Surles.

GROUP DEVELOPMENT -HILLHAVEN CONVALESCENT CENTER, INC.

Consideration was given to a recommendation from the Planning and Zoning Commission relative to the site plan for Hillhaven Convalescent Center to be located at Livingston Street and Victoria Road. The recommendation was for approval subject to the developer providing the Commission with a copy of the written easement agreement which would allow entry from Livingston Street and obtaining and providing the Commission a copy of a letter from the Water and Sewer Department.

Councilman Morris moved that a public hearing on the matter be held September 12, 1974. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Officer Ingle was suspended July 12th without pay pending investigation and Court hearing in the case of Mr. Muckelvene who was charged with "Delaying and Obstructing an Officer in the performance of his duty." This case is to be heard in District Court July 31, 1974. No action was taken against Bodenhamer due to the fact that Mr. Muckelvene said he had no complaint against Bodenhamer.

MEMORANDUM TO: ERNEST J. WARD
CITY MANAGER

SUBJECT: GARY MUCKELVENE

On July 9, 1974, Officer P. E. Ingle went to the Mountaineer Steak House with a warrant for one Bobby Robinson for larceny, and was told by a man laying rock at the Steak House that he was not Bobby Robinson, but his name was Gary Muckelvene. The Officer radioed Headquarters and asked for a description of Bobby Robinson. Ingle was told that the description they had of the subject in question was wearing a brown narrow brim hat. Muckelvene was wearing such a described hat, and was asked to show his identification, where upon he refused, and the Officers ordered him down from the scaffold, Bodenhamer having arrived while Officer Ingle was on the radio. The Officers alledged that Muckelvene picked up a rock hammer and threatened them with it and told them to get the hell out of there that he was not showing anything. Muckelvene was pulled from the scaffold where he was working and a scuffle ensued and Ingle and Muckelvene Bodenhamer were on the ground at which time Ingle told Bodenhamer to hit Muckelvene, and Bodenhamer struck Muckelvene three (3) times with a blackjack, and he says he was under the impression that Ingle was being hurt or was in danger of being hurt. Muckelvene was handcuffed and taken to Mission hospital where identification was obtained from his person, revealing the name of Gary Muckelvene.

Muckelvene came into my office on July 12th with his employer, Mr. Frank Cole and made an oral complaint against Patrolman Ingle. Muckelvene advised me at that time that he had no complaint as to Officer Bodenhamer that he felt Bodenhamer was acting under instructions of Ingle.

I asked Mr. Muckelvene if he would make a written statement, and he advised me that he had just left his Lawyers' office where he had made a written statement, and that he did not wish to make a statement in writing to me.

of the Officers. I recall nothing at that time about a revolver being pulled on Lela Miller, but she did mention the fact she did not want to be maced due to a heart condition. There was some question as to whether or not if the Officers had a right to file charges against Dora Lee White and her daughter Lela Miller, and Richard White. I told them this would have to be decided by the Court, and to date these have not been settled, being continued each time they appeared on the docket for various reasons at the request of the defendants.

According to J. J. Causey, who was working for the Ambulance Service on May 19th, he was called to the Magistrates' office, after complaint from Mrs. White that she had been injured, and he checked and found no evidence of injuries. He and the Officers advised the defendant, Dora Lee White and Lela Miller that they should go to the hospital and be checked by a physician to determine if they were injured. Both refused to go to the hospital.

SUBJECT: ARREST OF:
JAMES BOOKER
DORA LEE WHITE

RICHARD WHITE

On May 19, 1974, Officers P. E. Ingle and H. L. Kyle were working a "checking station" on N. C. 81, checking drivers license and registration. They noticed a subject stop an automobile he was operating and someone else got in the car to drive. When the auto was stopped, the subject who had gotten from under the wheel was arrested, and later it was determined his name was James Booker. He was charged with no operators license and driving on ficticious license. At the Magistrates' office, Dora Lee White was advised that she would be charged with allowing an unlicensed operator to drive her automobile. An argument developed and according to the Officers, Mrs. White alledged that the only reason they were arresting her was because she was black. I understand that the Magistrate told these subjects that if they did not quieten down he would charge them with contempt of court. Officer Ingle at this point alledges he placed Dora Lee White under arrest and she told him he could not put her in jail, and started to leave the building. Ingle grabbed her by the arm to restrain her, and there was a scuffle at which time Mrs. White was thrown to the floor and handcuffs placed on her. Lela Miller tried to stop the Officers from arresting her Mother, and she was charged with interfering with an Officer. Patrolman Kyle said that Lela Miller ran from the building, and he had to chase her down the street and return her to the Magistrates' office. Kyle denies that at any time he pulled his revolver, but he did say that he told Lela Miller that he would shoot her with Mace, and she said she had heart trouble, and she would return to the Magistrates' office with him.

On May 20th, Dora Lee White and Lela Miller came to my office and complained about having been arrested and the treatment received at the hands

OFFICER BODENHAMMER AND MYSELF WENT TO SERVE A LARCENY WARRANT ON BOBBY ROBINSON, B/M, WHO WAS REPORTED TO BE LAYING ROCK AT THE MAUNTAINEER STEAK HOUSE ON TUNNEL ROAD.

WHEN WE ARRIVED, WE OBSERVED ONE BLACK SUBJECT WORKING ON A SCAFFOLD LAYING ROCK. I APPROACHED THIS SUBJECT AND ASK IF HE WAS BOBBY ROBINSON. HE REPLIED HE WAS NOT. I RADIOED HQ AND ASKED FOR A DISCRIPTION OF THIS SUBJECT, THEY ADVISED HE WAS SUPPOSED TO HAD A BROWN HAT ON AND BE LAYING ROCK AT THE MOUNTAINEER STEAK HOUSE. THEN I ASKED SUBJECT ON THE SCAFFOLD FOR SOME IDENTIFICATION. HE REPLIED, HE WAS NOT BOBBY ROBINSON AND FOR US TO GO IS HIS BOSS TO FIND OUT HIS NAME. THEN I ASKED THE SUBJECT AGAIN FOR HIS IDENTIFICATION. HE REPLIED, HE WAS NOT GOING TO SHOW US HIS ID. AND TO GET THE HELL WAY FROM HIM. THIS SUBJECT HAD A TROWEL IN HIS HAND AND THAN HE PICKED UP A ROCK HAMMER AN SHOOK IT AT US. BOTH OFFICER BODENHAMMER AND MYSELF DREW OUR WEAPONS AND TOLD THE SUBJECT TO PUT DOWN THE HAMMER AND TROWEL. I THAN TOLD THE SUBJECT TO COME DOWN OFF THE SCAFFOLD AND PRODUCE HIS IDENTIFACTION. HE SAID HE WOULD NOT. I THEN GRABBED THE SUBJECT AND THEN HE CAME DOWN FROM THE SCAFFOLD, AND A STRUGGLE RESULTED. THE SUBJECT RECIEVED SLIGHT INJURIES WHEN WE HAD TO INCARSERATE HIM. WE TOOK THE SUBJECT TO MISSION HOSP FOR TREATMENT. AT THE HOSP I OBTAINED THIS SUBJECTS ID - GARY MUCKELVENE B/M 30 - HE WAS TREATED AND RELEASED. WE THEN TRANSPORTED THIS SUBJECT TO COUNTY JAIL AND OBTAINED WARRANT FOR DELAY OR OBSTRUCT AN OFFICER IN PREFORMANCE OF HIS DUTY. THEN WE GOT THE SUBJECT RECONIZED PER CAPT. MANEY REQUEST..

When Dora Lee White, Richard White and Lela Miller came into the magistrates office inquiring what had James Booker been charged with. I advised her of the charges and I also asked her if the vehicle he was operating didn't belong to her. She said it was her vehicle and that James Booker was not driving the car. I told her that I had observed him, James Booker, drive the vehicle in question. She became very belligerant about everything. I advised her to calm down and we would get it all taken care of. But she continued to cuss and yell at me. I told her to sit down and calm down or I would charge her with aiding & abeting, James Booker driving with out license. She said she knew he didn't have license, but that he was not driving. At that time I placed Mrs Dora Lee White under arrest, then she said I could not arrest her and she became fighting and scratching and kicking me. Dear Chief Hall,

... I was working Car #4 about 11:15AM 7-9-74 and heard Car #12 get a call to check and see if a Bobby Robinson was working at the Mountaineer Steak House, Laying Rock. So I went to back-up #12, when I got there Pat Ingle was going back to car #12 from the Steak House talking on the Radio and I heard Him say "there's no Robinson working here." The desk Man called back and said "is there a man there with a brown Hat with a short rim", Pat said yes but He said His name is Muckelvene. Desk Man said did He have ID, Pat said He would not show it to me. Desk Man said check the mans ID, Pat said OK. I went back with Pat to check the mans ID. Pat ask the man for some ID and the Man said "I told you who I was and I am not showing any ID so hit the road. Pat said dont cause trouble show us some ID, the Man said If you dont belive me see my boss. Pat said I am asking you for ID not your boss. The Man said thats to bad I told you I was Muckelvene and not Robinson and I am not showing you any ID. Pat said I am not asking you but once more for some ID and then I am taking you to jail, the man jumped up to his feet and picked up a hammer and said I am not Robinson get the Hell out of here. Pat and I pulled our Guns and Pat said there's no need for trouble put that hammer back down before I blow your Brains all over that wall. The man put the hammer down and Pat got his hands on the Man and pulled Him off the Scaffold. The Man said you have Fucked up now you Mother Fuckers. I said cool down Man lets go you wount show us no ID. then the fight started, Pat had the Man arround the Head and the Man grabbed Me by my right arm and I knocked the Mans hand loose with my left and Hit him in the head with my convoy (black jack) and knocked him down and put the handcuffs on him and put the Man in Pats car where he called us son of bitchs and Mother Fuckers.

I Don't ever remember Pat or Myself saying any bad words to the Man. The Man did say that we were down on Blacks and was picken on Him. We then took the Man to the Hospital to get his Head fixed and He did not give us any more trouble after we got him away from the Mountaineer Steak House. After we got the Man to the Hospital we looked in his wallet in his back pocket and found his drivers license with the name Muckelvene. The Man (Mr. Muckelvene) was Charged and put in Jail under The Charge of Obstruction Of a Police Officer

Re: James Booker, Richard White, Dora Lee White, Lela Miller

On May 19, 1974, Officer P. E. Ingle and myself,(H. L. Kyle), were in the magistrates office in the courthouse following up on an arest of James Booker who was placed in jail, on charges of Driving while License revoked, and presenting a ficiticus license. A black female later identified as Dora Lee White came into the magistrates office with a B/F and a B/M wanting to know why Mr. Booker was arrested. Officer Ingle iformed her of the charges, and the magistrate Jack Tuckeridge informed her of the amount of bond. Mrs. White became very beligerant, making references as to the effect that we only arrested him because he was black, and we were white. Officer Ingle asked her if she was the owner of the vehicle, and if she knew Mr. Booker had a license. She replied that she was the owner, and that she knew he didn't have a license, but that he wasn't driving. Earlier, when we arrested Mr. Booker, we had been operating a checking station and observed Mr. Booker operating a vehicle, saw his vehicle pull over before he reached the checking station on N. C. 91. He got out from behind the wheel, went and got into the back seat, and proceeded thru the station.

Officer Ingle, asked Mrs. White for her drivers license, she replied [redacted]hat the hell do you want my license for". Officer Ingle stated that was going to issue her a citation for Allowing a person to operate a motor vehicle w/o license. She stated that she would not accept a ticket at which time officer Ingle informed her that she was under arrest, and to sit down. Mrs. White cussed officer Ingle, and said that he couldN&t put her in jail, and that he was picking on her because she was black. and she was going to leave. Officer Ingle reached for her as she was going out the door, and she began struggling. I went to his assistance, and we [redacted] handcuff the subject. At this time the other two subjects began to pull officer Ingle off of her, and Mr. White struck me in the back of the neck. The other woman began to pull at me, and scratch me. She than broke and ran, and I went after her. I chased her out of the courthouse and down College St. to Hendon Funeral home parking lot. There I pulled my Mace, and stated that I was going to shoot her with Mace if she didn't calm down. Officer J. W. Moore, arrived on the scene, and the Miller subject walked into the courthouse. She had already been placed under arrest. Mr. White came out and asked me what the hell did I think I was doing, and I informed him he was under arrest also. He than began to ask me not to put him in jail, and at which time, I told him that he had had his chance, and I was tired of this xxxxx stuff, and that it was too late. When we got back into the magistrate office, pandemonium broke loose, with everybody cursing because Officer Ingle had Mrs. White sitting in a chair handcuffed.. All subjects were placed in jail, and later released on bond.

[redacted] At no time did I pull my gun, or threaten to shoot her, and also did not say that I would whip Mr. whites ass.

RAYMOND STEPP - ASHEVILLE CENTRAL LABOR UNION - REQUEST FOR UNION LABORERS

Mr. Raymond Stepp, Vice-President of the Asheville Central Labor Union, read a letter to Council requesting that all future municipal buildings be constructed by "fair" contractors who employ local union craftsmen.

Mayor Wood instructed the City Clerk to include the letter in the minutes. The following is the text of the letter.

The Honorable RICHARD A. WOOD, Jr. 22 August, 1974
Mayor, City of Asheville
Municipal Building
Asheville, N.C. 28801

Dear Mayor Wood:

On behalf of the working men and women of Asheville who belong to unions affilliated with the Asheville Area Central Labor Union, and on behalf of all the taxpayers of the community who must ultimately foot the bill on municipally-controlled construction, I would call the attention of the Asheville City Council to a news release forwarded today to all area news media by the Asheville Building & Construction Trades Council. (See copy attached)

The nineteen crafts and trades represented in the Building & Construction Trades Council are also affilliated with the Asheville Area Central Labor Union. I have the honor to serve as Vice President of that organization, as well as holding the position of Business Agent for Plumbers & Steamfitters Local 487, one of the crafts belonging to the Building & Construction Trades Council.

The entire membership of the Central Labor Union -- industrial workers as well as members of the crafts and trades -- strongly support the basic position on this issue of the Building & Construction Trades Council. We feel that it can be demonstrated (as Council President Don Fox alleges in his news release) that the City could achieve better construction, built faster and at lower total labor cost, by relying on "fair" contractors employing local union labor.

There is another benefit from going "union" on such construction: "fair" contractors employ local union craftsmen, and their wages remain in the community, ultimately benefitting the entire community. On the other hand, "scab" labor employed by non-union contractors is often recruited from outside the area, and the bulk of such wages is spent outside the local area.

The Central Labor Union joins the Building & Construction Trades Council in urging the City of Asheville -- and all other levels of government having dominion over publicly-financed construction -- to give priority consideration to contracting with "fair" contractors employing union labor on all future construction.

1. Approval of the minutes of the August 22, 1974 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, the minutes of the August 22, 1974 meeting were approved as submitted.

PUBLIC HEARING - ORDER AUTHORIZING $825,000 PARKING BONDS

2. The Mayor announced that this was the date and hour fixed by the Council for the public hearing upon the order entitled: "ORDER AUTHORIZING $825,000 PARKING BONDS" and that the Council would immediately hear anyone who might wish to be heard on the question of the validity of said order or the advisability of issuing said bonds.

Mayor Wood opened the public hearing at 3:04 o'clock p. m.

The City Manager read the notice to the public and affidavit of publication setting the date and hour for the public hearing.

No one appeared, either in person or by attorney, to be heard on the question of the validity of said order or the advisability of issuing said bonds and the City Clerk announced that no written statement relating to said question had been received.

Mayor Wood closed the public hearing at 3:09 o'clock p. m.

Thereupon, upon motion of Councilman Morris, seconded by Vice-Mayor Marshall and carried, the order introduced and passed on its first and second readings on August 15, 1974 entitled: "ORDER AUTHORIZING $825,000 PARKING BONDS", was read in full a third time and placed upon its final passage. The vote upon the final passage of said order was:

Ayes: Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Vice-Mayor Calvin W. Marshall.

Noes: None

The Mayor then announced that the order entitled: "ORDER AUTHORIZING $825,000 PARKING BONDS" had been adopted.

The City Clerk was thereupon directed to publish said order once in The Asheville Times, together with the appended statement, as required by The Local Government Bond Act, as amended.

Hopefully, we all learned a lesson from our experience on the Civic Center, but we'll be living with the results of that mistake for years to come! This makes it all the more imperative that the library and parking complex adjacent to the Civic Center, and other pending construction in the public sector, go to union workers.

The potential benefits in higher quality construction, timely completion of the job, reduced waste and spoilage of materials, lower labor costs on the project, and increased economic impact of the union construction wages on the local economy are obvious!

I call upon the Mayor and the City Council to exert every effort to "go union" in all future construction undertaken by the City of Asheville, and remind you that there is no statutory requirement that every contract go to the apparent low bidder when there are other substantial considerations involved.

I suggest to you that the superior performance of union craftsmen, and the positive effect of their wages on the local economy, constitute such a "substantial consideration".

Yours for better building through Union Labor!

Sincerely,

ASHEVILLE AREA CENTRAL LABOR UNION

CITY CLERK

TO THE MAYOR AND THE MEMBERS OF THE CITY COUNCIL OF THE CITY OF ASHEVILLE:

As the owner of a number of residential lots in Beverly Hills Subdivision, I am writing to recommend that the City Council approve the request of Mr. Perry M. Alexander to rezone his property lying across the highway from the Municipal Golf Course from Roadside Business to Commercial.

In my opinion, the improvement which he proposes to construct on his property would be a definite asset to the area and would prevent possible development of this property by small businesses which might adversely affect both the golf course and residential properties in Beverly Hills.

Very truly yours,

s/ Francis J. Heazel

Francis J. Heazel

Mr. C. V. Holmes, 207 Fairway Drive, stated that the residents of Beverly Hills objected to the rezoning on N. C. Highway 81 and presented a petition signed by about 75 residents asking Council not to rezone the property. Mayor Wood instructed that the text of the petition be entered in the minutes.

The following is the text of the petition:

PETITION TO THE ASHEVILLE CITY COUNCIL

The following residents of Beverly Hills, Asheville, petition the Asheville City Council not to allow the mile-long stretch along Route 81 and opposite the Municipal Golf Course to be rezoned to Commercial property:

Mr. Donald Stevenson, 7 Stockridge Place, presented photographs showing the properties in question. He said photographs indicated the inability to expand the present buildings and the property owners were supporting Mr. Alexander's request only because it would not affect them. He said the residents of Beverly Hills are opposed to the rezoning because of the additional noise and traffic that would be added to the area. He also said this area was in the flood plain and it was unwise to build in flood prone areas.

Mr. Tom O'Conner, 32 Kensington Drive, asked what kind of truck traffic would be involved in the proposed business. He was advised that the proposed business would be wholesale storage.

Mr. Robert Brown, 3 Stockridge Place, asked if Council had considered purchasing this property for a park.

Mr. Tom Buchanan, 14 Governor's Court, said he felt a building of this type would add to the flood danger by obstructing the drainage area.

Councilman Morris commented that in his opinion the proposed business would create less traffic and noise than most businesses permitted under present zoning.

PUBLIC HEARING - REZONING N. C. HIGHWAY 81

ORDINANCE NO. 817 - AN ORDINANCE AMENDING ORDINANCE NO. 322,KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

3. A public hearing was held relative to rezoning property on N. C. Highway 81 from Roadside Business and Neighborhood Trading Area to Commercial, owned by Perry Alexander and others.

Mayor Wood opened the public hearing at 3:10 o'clock p. m.

The City Manager read the notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Director of Planning, reviewed the background of rezonings in this area stating that past actions had created a series of spot zones along this portion of N. C. 81 and that while these actions were not at the time of enactment illegal they did not conform to sound land use controls. He said the staff had presented the Commission with the following alternatives:

1) To grant the petitioner's request and rezone the area Commercial;

2) To deny the request and leave the property zoned as it is now; or

3) To deny the request and extend either the Roadside Business Area or Neighborhood Trading Area zones to eliminate the existing spot zones.

Mr. Emrick told Council that the staff favored alternative 3, however, the Commission voted to accept the staff report, Alternative 1, and to recommend to Council that the property be rezoned to Commercial.

Upon questioning from Councilman Colton, Mr. Emrick advised that most of the buildings in the area were non-conforming; that the only setback requirement in a Commercial zone would be an 8' buffer zone when the property adjoins a residential zone, which would allow a building to be placed up to the property line in the front; and that State Highway traffic counts indicated that the highway is now operating in excess of its capacity.

Mr. Harold Bennett, attorney for Mr. Alexander, stated that Mr. Alexander had previously deeded a strip of land in this area to the City which perhaps could have a bridge built across the river in order to get to the Recreation Park. He said Mr. Alexander would deed more property to the City to be used for greenbelt planting. He said this property is presently zoned subject for sale for a business use which might be detrimental to the residents of the Beverly Hills Area and that if the property is rezoned it would be sold to a well known wholesale appliance dealer. He said the business would not attract additional traffic nor create unnecessary noise.

Mayor Wood stated that a letter had been received from Mr. Francis J. Heazel who favored rezoning the property in this area. Mayor Wood instructed the City Clerk to include the letter as part of the minutes of the meeting.

The following is the text of the letter:

REZONING REQUEST - CORA JENNINGS - JOHNSON BOULEVARD

6. Consideration was given to a recommendation from the Planning and Zoning Commission relative to rezoning property on Johnson Boulevard for Cora Jennings.

The City Manager read the recommendation from the Planning and Zoning Commission, which recommended that the request be denied and the property remain as it is now zoned. He said the petitioners had been notified of the Commission's recommendation and had notified the City Clerk's office that they did not elect to request a public hearing.

In the absence of a request for a public hearing Mayor Wood declared the petition denied.

7. Consideration was given to a resolution authorizing Mayor to execute right-of-way encroachment agreement with the North Carolina State Board of Transportation for water line extending along S. R. 2002 and crossing U. S. 70.

The City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Ochsenreiter, Resolution No. 74-127 was unanimously adopted.

Complete text of Resolution No. 74-127 will be found in Resolution Book No. 7 at page 321.

REZONING PETITION - WARD 7, SHEET 18, LOT 125 - 698 HENDERSONVILLE ROAD

8. The City Manager presented a rezoning petition received from C. F. and R. B. Williams requesting that Lot 125, Sheet 18, Ward 7, be rezoned from RA-5 Residential to Neighborhood Trading Area.

In the absence of any objections from members of Council, Mayor Wood referred the petition to the Planning and Zoning Commission for study and recommendation.

CLAIM - MR. ROY WILSON

9. The City Manager presented a claim for damages received from Mr. Roy Wilson.

Mayor Wood referred the claim to the Corporation Counsel for disposition.

SUMMONS AND COMPLAINTS RECEIVED - MASSAGE PARLORS

Mayor Wood stated that Council had been served with a summons and complaints for Civil Action A-74-93 involving the recently passed ordinance governing massage parlors and health salons.

Mayor Wood referred the complaints to the Corporation Counsel.

Mayor Wood closed the public hearing at 4:01 o'clock p. m.

The City Manager read the ordinance which would amend the zoning ordinance and rezone the property in question.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Ochsenreiter.

Councilman Colton stated that the property owners' effort to prevent spot zoning by having all of the property included on the rezoning petition instead of just the Alexander property might be worse than spot zoning. He said that under the Commercial zoning, as proposed, future buildings might go almost to the road, and if the road has to be widened then the golf course will be the only land available and that the City would be called on to furnish the right of way.

On a roll call vote of 4-2, Ordinance No. 817 passed on its first reading, with Councilmen Colton and Horton voting "no".

RESOLUTION NO. 74-126 - RESOLUTION ESTABLISHING DEVELOPMENT PERMIT FEES PURSUANT TO SECTION 8-83 OF ORDINANCE NO. 813 (CITY OF ASHEVILLE EROSION CONTROL ORDINANCE)

4. Consideration was given to a resolution establishing development permit fees pursuant to Section 8-83 of Ordinance No. 813 (City of Asheville Erosion Control Ordinance).

The City Manager read the resolution.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, Resolution No. 74-126 was unanimously adopted.

Complete text of Resolution No. 74-126 will be found in Resolution Book No. 7 at page 319.

RESOLUTION NO. 74-127 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO SIGN AN OPTION TO SELL THE PROPERTY ON THE CORNER OF BARTLETT STREET AND NELSON STREET (FIRE STATION NO. 2) TO THE ASHEVILLE HOUSING AUTHORITY

5. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to sign an option to sell the property on the corner of Bartlett Street and Nelson Street (Fire Station No. 2) to the Asheville Housing Authority.

The City Manager read the resolution and explained that this resolution would allow the Asheville Housing Authority to purchase this property under the East Riverside Urban Renewal Plan. He said this sell would be made with the understanding that the option is conditioned upon the City being permitted by lease agreement to continue using the Fire Station and property until the new fire station is completed in the East Riverside Urban Renewal Area.

Upon motion of Councilman Hoyle, seconded by Councilman Horton, Resolution No. 74-127 was unanimously adopted.

Complete text of Resolution No. 74-127 will be found in Resolution Book No. 7 at page 320.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr. and Henry Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Calvin W. Marshall and Eugene C. Ochsenreiter, Jr.

1. Approval of the minutes of the August 29, 1974 meeting.

Upon motion of Councilman Colton, seconded by Councilman Horton, the minutes of the August 29, 1974 meeting were approved as submitted.

ORDINANCE NO. 817 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, AS AMENDED.

2. Consideration was given to the second reading of Ordinance No. 817, an ordinance amending the City Zoning Ordinance as to property on N. C. Highway 81 belonging to Perry A. Alexander,Jr.

Mrs. Irene Fry, 195 Fairway Drive, spoke in opposition to the rezoning. It was her contention that the improvements proposed for the property would further the danger of flooding in this area.

At this time, 3:12 o'clock p.m., Councilman Ochsenreiter took his regular seat.

Mr. Donald Stevenson, 7 Stockridge Place, who spoke in opposition to the rezoning at the previous meeting voiced his concern over the increase in the noise potential and the impact the proposed construction would have on the residential Beverly Hills area and the city owned Recreation Park.

Mr. Ray Hilton, 9 Sourwood Lane in the Oteen area, read from a prepared statement in which he opposed the rezoning. He said the natural beauty of the area and the entrance to the Recreation Park should be protected. He suggested that Mr. Alexander donate the property to the city in order that both could be accomplished.

Mr. Glen Kelley, attorney for Mr. Alexander, advised Council that his client had received a letter from the real estate agency representing the business firm that would occupy the property, in which they stated that their operations would be from 8:00 a.m. to 5:00 p.m. during the week, with no outside storage and no night deliveries.

PROCLAMATION - SEPTEMBER 3, 1974 - UNITED WAY BOOTS RANDOLPH DAY

Mayor Wood proclaimed September 3, 1974 as United Way Boots Randolph Day.

MRS. ROY ROGERS - TRANSPORTATION FOR SENIOR CITIZENS - HIGH WATER BILL

Mrs. Roy Rogers asked Council when the Senior Citizens would be getting transportation.

Mr. Ken Michalove, Assistant City Manager, informed her that this project was now being worked on and would appear on Council's agenda in the next two weeks.

She also filed a complaint regarding a high water bill.

Mayor Wood instructed the City Manager to check into the complaint.

LEAGUE OF WOMEN VOTERS

Mrs. Tennant, League of Women Voters, commended Council for passing the Erosion Control Ordinance.

ASHEVILLE MALL - SATURDAY GARBAGE PICK UP

Mr. Stewart Coleman, representing the Asheville Mall, complained about the garbage pick up being stopped on Saturdays. He said each individual store at the Mall had a compactor that needed to be picked up daily. Not having a Saturday pick up created a problem and he asked Council to see what could be done about picking up the garbage on Saturdays. He said they would be willing to pay for the extra pick up.

Mayor Wood instructed the City Manager to check into the matter.

WEST ASHEVILLE PARK - COMPLAINT

Mr. Henry Jackson, 16 Talmadge Court, spoke to Council in opposition to the location of the proposed park in West Asheville. He said that since the last meeting petitions in opposition had been circulated and would be presented to Council in the near future. He cited traffic, no sidewalks, poor location, inadequate land area and noise as reasons for the opposition.

Councilman Colton was excused from the meeting at 5:00 o'clock p. m.

Mr. Jackson asked Council to review the proposal further before the final purchase of the property.

Mayor Wood stated that at the last meeting Council, upon motion, had approved the purchase of the property and in the absence of a motion to rescind this action it would have to stand.

Adjournment.

Richard D. Wood
MAYOR

Marian S. McElroy
CITY CLERK

Mayor Wood called a 5 minute recess at 4:22 o'clock p.m.

RESOLUTION NO. 74-129 - A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE SUPPLEMENTAL AGREEMENT NO. 1 TO FAA LICENSE NO. DOTFA72S0-6029 COVERING THE ALS/ILS FACILITY AT ASHEVILLE MUNICIPAL AIRPORT

3. Consideration was given to a resolution authorizing the Mayor to execute Supplemental Agreement No. 1 to FAA License No. DOTFA72S0-6029 covering the ALS/ILS facility at Asheville Municipal Airport.

The City Manager presented the resolution and explained that this was for the purpose of locating the Localizer in connection with the installation of an ILS system for runway 16 at the Asheville Airport.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 74-129 was unanimously adopted.

Complete text of the Resolution may be found in Resolution Book 7, Page 322.

RESOLUTION NO. 74-130 - A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE SUPPLEMENTAL AGREEMENT NO. 1 to FAA LEASE NO. DOTFA71S0-6028 COVERING THE ATCT/SFO FACILITY AT ASHEVILLE MUNICIPAL AIRPORT

4. Consideration was given to a resolution authorizing the Mayor to execute Supplemental Agreement No. 1 to FAA Lease No. DOTFA71S0-6028 covering the ATCT/SFO Facility at the Asheville Municipal Airport.

The City Manager presented the resolution and explained that the supplemental lease agreement covered certain improvements already completed by the City to the quarters occupied by the FAA at the Asheville Airport. It further covered the agreement of the FAA to reimburse the City for portions of the cost for these improvements.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, Resolution No. 74-130 was unanimously adopted.

Complete text of Resolution 74-130 will be found in Resolution Book 7 at page 323.

REZONING REQUEST - PROPERTY OF MR. & MRS. SHUFORD HALL, MR. JESSIE P.SURLES AND MR. B. G. O'KELLEY

5. The City Manager reported to Council that he had received a communication from the Planning and Zoning Commission stating that they had considered the request for rezoning the property of Mr. & Mrs. Shuford Hall, Mr. Jessie P. Surles and Mr. B. G. O'Kelley being Lots 96, 97, 7, 9 1/2, 10 1/2 and 8 1/4, Ward 2, Sheet 17 to be rezoned from RA-9 to RA-M, or that Lots 96, 97, 7, 9 1/2, 10 1/2 and 8 1/4 together with Lots 16, 185, 193, 15 3/4, 15 1/2, 192, 93, 94, 95 and 14, Ward 2, Sheet 17 be rezoned to RA-8 Residential District.

Councilman Colton questioned Mr. Kelley as to whether the conditions stated would be included in the deed and Mr. Kelley said he was sure they would not.

Mrs. Marjorie Lockwood, 57 Stuyvesant Road, Biltmore Forest, spoke in opposition to the rezoning on the grounds of the environmental impact and erosion control aspects of the proposed development.

Councilman Morris pointed out that there were many uses under the present zoning that the property could be put to, uses which the residents might find more objectionable than the proposed warehouse. He said that when the property was rezoned three years ago Mr. Alexander promised to be careful what kind of business he would allow to be placed on the property. He said he felt Mr. Alexander had lived up to this promise and a refusal by Council to rezone at this time would release Mr. Alexander from this commitment.

Councilman Hoyle stated that he was familiar with the business that proposed to construct the wholesale warehouse on the property and that it was a business of long standing in the community, that he felt would not be objectionable.

Councilman Ochsenreiter stated that he had inspected the property and in spite of all the objections that had been discussed he was satisfied that the improvements proposed for this property was the best use.

Councilman Colton said that he felt that a better use of the property would be for park development and asked if this use had not been proposed at one time. Mr. William Peyton, Chairman of the Parks & Recreation Board, was in the audience and spoke to this point. He advised Council that the board had considered this property as a link between the Municipal Golf Course and the Recreation Park, but due to insufficient funds and other priorities it was not recommended.

Councilman Colton then stated that when Council rezoned the property from Residential to Roadside Business it raised the price of the land, that if Council rezoned it to Commercial it would again raise the price and if the City had any ideas of purchasing it for park purposes it would have to pay for it in the long run. He said he felt that the City should consider purchasing the property at a fair market value as it is now zoned.

Councilman Horton expressed concern over the absence of the other petitioners favoring the rezoning. He said he thought it would be a mistake to rezone the entire strip as proposed in the petition.

Mrs. Barbara Keleher stated she did not favor the rezoning because she opposed development of any kind in the flood plain.

Mayor Wood called for a roll call vote and Ordinance No. 817 passed 3-2 on the second reading. Councilmen Ochsenreiter, Morris and Hoyle voting "aye" and Councilmen Colton and Horton voting "no".

REQUEST FOR STATUS OF COST OF GARBAGE COLLECTION AND TAX FIGURES

Councilman Horton requested status of cost of garbage collection and figures on taxes.

Councilman Horton asked the City Manager the status of a report of the cost savings on the collection of solid waste provided TVA participants as suggested a few weeks ago. Mr. Ward advised that the report was complete and available at any time.

Councilman Horton requested figures on the property tax base for 1974 and per cent of taxes collected through June 1974. Mr. Ward acknowledged this request.

CONDITION OF AREA ALONG SWANNANOA RIVER OPPOSITE MUNICIPAL GOLF COURSE

Councilman Ochsenreiter commented on the deplorable conditions existing in and around the business establishments along the Swannanoa River opposite the Municipal Golf Course. He asked the City Manager to have the inspection department investigate and if possible make an effort to correct the situation.

PETITION - PROPOSED PARK IN WEST ASHEVILLE

Mr. Henry Jackson, 16 Talmadge Court, presented a petition signed by residents in the vicinity of the site of the proposed park in West Asheville. This petition was in opposition to the site selected for the park and is on file in the Office of the City Clerk. Mr. Jackson stated that additional signatures were being solicited and would be presented at the next meeting. He requested that the regular meeting of the Parks and Recreation Board scheduled for Wednesday, September 11, 1974, at 3:00 PM be changed to September 10, 1974, at 7:00 PM. He said this would be more convenient for the area residents.

Mayor Wood asked Mr. Kisiah and Mr. Peyton to make every effort to work out this request.

COMPLAINT - MR. OSBORNE S. HART

Mr. Osborne S. Hart, 148 Blanton Street, owner of Wilkins-Hart Mortuary on South French Broad Avenue, told Council that the Asheville Housing Authority was harassing him in order to obtain possession of his business property on which to construct a second high rise apartment. He stated that he had to run contractors and surveyors off his property on several occassions and that at the present time he was being denied a privilege tax license to sell caskets. He said in the past he had been able to obtain this license and he accused the Housing Authority of being behind his being denied the license at this time.

Mayor Wood instructed the City Manager to investigate the refusal of the privilege license to Mr. Hart and to report back to Council.

He said it was the commissions recommendations to deny the request and that the property remain as presently zoned.

He further reported that he had received a notice from the petitioners requesting a public hearing before Council.

Councilman Morris moved to set the public hearing for October 3, 1974 and that the required notice of the hearing be published at the petitioners expense. This motion was seconded by Councilman Hoyle and carried unanimously.

REZONING REQUEST - PROPERTY OF C. F. WILLIAMS

6. The City Manager read a communication from the Planning and Zoning Commission advising Council that they had considered the rezoning request of Mr. C. F. Williams, that a portion of Lot 125, Ward 7, Sheet 18 be rezoned from RA-5 Residential District to Neighborhood Trading Area, and that they recommended approval of the request.

Councilman Morris moved that the public hearing be scheduled for September 26, 1974 and that the required notice of the hearing be published at the petitioners expense.

This motion was seconded by Councilman Hoyle and carried unanimously.

GROUP DEVELOPMENT REVIEW - ASHEVILLE HOUSING AUTHORITY PROJECT 7-7 FOR ELDERLY

The City Manager read a communication from the Planning Commission advising that they had reviewed the site plan of Project 7-7 for the Elderly to be located on South French Broad Avenue and recommended approval with the condition that Council grant a waiver on the required parking from 88 spaces to 53 spaces, and that they meet the requirements of the Erosion Control Ordinance.

Councilman Morris moved that the public hearing be scheduled for September 26, 1974. This motion was seconded by Councilman Hoyle and carried unanimously.

CLAIM FOR DAMAGES - MRS. ELIZABETH GAGE

The City Manager reported a notice of claim for damages received from Mrs. Elizabeth C. Gage, 215 South Liberty Street. Mayor Wood instructed him to turn the claim over to the Corporation Counsel.

REPORT OF SATURDAY GARBAGE COLLECTION AT THE ASHEVILLE MALL

The City Manager reported that he was still working on a solution to the Saturday garbage collection at the Asheville Mall. He said he was in contact with the owner and hoped shortly to arrive at a solution.

Thursday, September 12, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., J. W. Hoyle, Bill B. Horton, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/ City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the September 5, 1974 meeting.

Councilman Horton noted that at the last meeting he requested figures on the per cent of taxes collected through June, 1974 and that the minutes indicated the date as June, 1973. This correction was acknowledged and upon motion of Councilman Morris, seconded by Councilman Hoyle, the minutes of September 5, 1974 meeting were approved as submitted.

PUBLIC HEARING - ADOPTION OF AMENDMENTS TO THE NORTH CAROLINA STATE BUILDING CODE, VOLUME I, GENERAL CONSTRUCTION, 1967 EDITION

ORDINANCE NO. 818 - AN ORDINANCE AMENDING SECTION 8-1 OF CHAPTER 8, ARTICLE I OF THE CODE OF ORDINANCE, ENTITLED STATE BUILDING CODE ADOPTED

2. A public hearing was held to consider the adoption of an ordinance amending Section 8-1 of Chapter 8, Article 1 of the Code of Ordinances, entitled State Building Code Adopted.

Mayor Wood opened the public hearing at 3:03 o'clock p. m. and asked the City Manager to read the notice to the public and affidavit of publication setting the time and date for the public hearing.

J. E. Johnson, Chief Building Inspector, explained to Council that the ordinance under consideration was the result of certain changes made by the State Building Code Council in the State Building Code. He said that since the City uses this code, the passing of the ordinance would be a means of updating the City's Code and the inspection department's authority for enforcement.

Mayor Wood closed the public hearing at 3:06 o'clock p. m.

The City Manager read the prepared ordinance amending Section 8-1 of Chapter 8, Article I of the Code of Ordinances, entitled State Building Code adopted.

Councilman Colton moved for the adoption of the ordinance which was seconded by Councilman Horton.

On a roll call vote of 6-0, Ordinance No. 818 passed on the first reading.

PUBLIC HEARING ON ASHEVILLE HOUSING AUTHORITY SITE PLAN DEFERRED

During the discussion of the Osborne Hart complaint it was brought out that the Housing Authority did not have possession of the property on which they propose to construct Project 7-7 for the Elderly. In lieu of this fact, Councilman Morris suggested that the public hearing previously scheduled to consider the approval of the site plan for this project should be deferred.

Council being in agreement, Councilman Morris moved to defer the public hearing to consider the approval of Project 7-7 for the Elderly from September 26, 1974 to an undetermined future date. This motion was seconded by Councilman Hoyle and carried unanimously.

PUBLIC HEARING ON REZONING REQUEST OF THE HALL, SURLES AND O'KELLEY PROPERTY

With the deferment of the public hearing on Project 7-7 for the Elderly, Councilman Horton moved to reschedule the public hearing of the rezoning matter on the Shuford Hall, B. F. O'Kelley and Jessie Surles property previously set for October 3, 1974 to September 26, 1974. This motion was seconded by Councilman Morris and unanimously adopted.

Adjournment.

Richard D. Wood, Jr.
MAYOR

William S. McNeely
CITY CLERK

Councilman Horton raised the point that the planning staff did not approve of the rezoning and asked that Mr. Emrick review the staff report. Mr. Emrick said that the staff recommended three alternatives for the Commission to consider:

1. To grant the petitioner's request and rezone the area Commercial;

2. To deny the request and leave the property zoned as it is; or

3. To deny the request and extend either the Roadside Business Area or Neighborhood Trading Area zones to eliminate the existing spot zones.

Mr. Emrick said the staff favored the third alternative.

Councilman Horton said he did not object to the construction proposed by Mr. Alexander, but he felt that the extension of the Commercial zone along the entire strip would open the door to an extensive development in this area.

At the conclusion of the discussion, Mayor Wood called for a roll call vote and Ordinance No. 817 passed on the third and final reading with Councilman Ochsenreiter, Councilman Morris, Vice-Mayor Marshall, and Councilman Hoyle voting "aye" and Councilman Colton and Councilman Horton voting "no".

Councilman Colton suggested that the City should restrict parking on the golf course side of Highway 81 if this parking was being done on City property.

Complete text of Ordinance No. 817 will be found in Ordinance Book No. 6 at page 116.

RESOLUTION NO. 74-131 - RESOLUTION ENDORSING AND/OR APPROVING PROPOSAL BY THE FIRST BAPTIST CHURCH MEDICAL COMMITTEE TO PROVIDE MINIMAL HEALTH CARE SERVICES TO MODEL NEIGHBORHOOD RESIDENTS

5. Consideration was given to a resolution endorsing and/or approving proposal by the First Baptist Church Medical Committee to provide minimal health care services to Model Neighborhood Residents.

The City Manager read the resolution.

Dr. Theodore Stevenson stated that with the discontinuance of the Model Cities Consolidated Health Project the First Baptist Church had proposed to consolidate some health services for Model Neighborhood residents with their outreach program and that the funds proposed in the resolution would supplement these services. He said that the program would run for at least one year with the possibility of an extension if funds were available. He emphasized that the funds would be dispensed through the City rather than the First Baptist Church. He said that the staff would see about 30 patients a day on a two to three day schedule.

PUBLIC HEARING - GROUP DEVELOPMENT REVIEW - HILLHAVEN CONVALESCENT CENTER, INC.

3. A public hearing was held to consider the approval of the site plan for the Hillhaven Convalescent Center, Inc. to be located at Livingston Street and Victoria Road.

Mayor Wood opened the public hearing at 3:07 o'clock p. m. and asked the City Manager to read the notice to the public and the affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Director of Planning, advised that the Planning and Zoning Commission had reviewed the plan and recommended approval. He then reviewed the plan with Council.

Vice-Mayor Marshall moved to approve the site plan as submitted. This motion was seconded by Councilman Hoyle and carried unanimously.

ORDINANCE NO. 817 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

4. Consideration was given to the third reading of Ordinance No. 817, an ordinance amending the City Zoning Ordinance as to property on N. C. Highway 81 (Swannanoa River Road).

Mayor Wood announced that the ordinance had previously been read in its entirety and unless he had a specific request it would not be re-read again.

Mr. Donald Stevenson, 7 Stockridge Place, who had voiced his opposition to the rezoning at the previous meetings,spoke briefly on the impact the rezoning would have on the Beverly Hills area with respect to increased noise and traffic but emphasized the risk of allowing the construction of a building in the flood plain. He asked that the City consider postponing the final reading until a thorough plan could be developed for the area.

Mrs. Pauline Tennant, representing the League of Women Voters, read a statement expressing the League's opposition to any construction in the flood plain and for that reason they opposed the rezoning.

Mr. Harold Bennett, representing Mr. Alexander, the owner of the property in question, stated that the Planning and Zoning Commission did not recommend disapproval of the rezoning in 1974, and only turned it down in 1971 because they thought that a floodway zoning ordinance would be enacted and this property would be affected. He argued that floodway zoning should not be injected into Mr. Alexander's request for the rezoning of his property.

Councilman Ochsenreiter stated that he had reviewed the plans and had visited the site and said he was impressed that there would be no outside storage and that the plans called for considerable outside planting. He said that it had been determined that the river would have to rise more than nine (9) feet before the building would be affected.

He said this would increase the rates from $1.25 for the first mile to $1.35 and each additional mile from 50¢ to 60¢.

The petition further requested that Section 27-52 be amended by adding the following:

"However, the Chief of Police, immediately upon receipt of the application, may issue a temporary license, expiring in not more than ten days, provided the applicant has no criminal record";and that Section 27-53 be amended by adding the following:

"When a license to drive a cab is issued under this article, such license shall be restricted to the operation by said licensee of a cab or taxicab owned by the person, firm or company for whom the applicant proposes to work."

He said that these amendments would be of assistance to the owners in their operations.

Mayor Wood instructed the Corporation Counsel to compile a list of rates from other cities and to prepare an ordinance reflecting the request for Council's consideration at next weeks meeting.

CITY MANAGER'S REPORT - WILKINS-HART MORTUARY

The City Manager in reporting on a complaint received from Osborne Hart in that he had difficulty obtaining a license to sell caskets and coffins for his business, the Wilkins-Hart Mortuary, read two memorandums from the Collector of Revenue, F. W. Bradley. Mr. Bradley explained that the original license was issued to the Wilkins Mortuary to sell caskets and coffins at 449 Depot Street, since the location of the mortuary at 159 S. French Broad Avenue was in a residential zone and as such was restricted for retail sales. He said that through 1970 the license continued to be issued for 449 Depot Street at which time someone in the Tax Department changed the address on the license to 159 S. French Broad Avenue and the license, in error, continued to be issued at this address. However, in April of 1974 the error was discovered and Mr. Hart was advised that the license could no longer be issued at this address and that he would have to obtain a new business location for the sale of his merchandise. Mr. Hart followed this advice and has now been issued a license to sell caskets and coffins at 88 Southside Avenue.

Corporation Counsel, William C. Moore, advised Council that the question of the ownership of the property of the Wilkins-Hart Mortuary at 159 S. French Broad Avenue would be heard in the October Session of Superior Court and that at the present time the ownership of the property was in the hands of the Asheville Housing Authority even though Wilkins-Hart Mortuary was in possession of the property. He recommended that no action be taken on the Group Development Review-Asheville Housing Authority Project 7-7 for the Elderly, until the settlement of the case now pending in Superior Court.

Mayor Wood instructed the City Manager to transmit copies of his report on the license issue to Mr. Hart and to advise him that Council would not take further action on the Housing Authority Group Development Plan until after the conclusion of the Superior Court hearing.

E. R. McCarthy was advised that the funds appropriated would be deducted from Model Cities Consolidated Health Project funds.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Colton, Resolution No. 74-131 was unanimously adopted.

Complete text of Resolution No. 74-131 will be found in Resolution Book No. 7 at page 324.

BIDS - REQUEST NO. 222 - ONE (1) EIGHTY-FIVE FOOT ELEVATING PLATFORM FOR FIRE DEPARTMENT

6. Consideration was given to bids received September 9, 1974 for one (1) eighty-five foot elevating platform for the Fire Department.

The City Manager read the memorandum from the Purchasing Agent who stated that after all legal procedures had been followed the only bid received was from American LaFrance Company through Boyce L. Ford, Company, Inc. in the amount of $113,732.00. He said that both he and Fire Chief Powell Ball recommended acceptance of this bid. He said that the bid qualified with a time limit for placement of the order before September 14, 1974. After this date the new price would be $124,105.00 plus tax. The City Manager advised Council that even though the 1974-75 appropriation covering this item was only $95,000 the delivery time of from 360-480 days would allow him ample time to appropriate the difference out of the 1975-76 budget.

Councilman Ochsenreiter moved to award the contract to American LaFrance through Boyce L. Ford Company, Inc. in the amount of $113,732.00. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
American LaFrance	$113,732.00
Crown Coach	No Bid
Cavalier Corporation	No Bid
Ward LaFrance	No Bid

PETITION - INCREASE IN TAXICAB RATES

Mr. Jack Cheesborough, attorney for the Asheville Taxicab Companies, presented a petition to Council for an increase in taxicab rates and also certain other amendments to Chapter 27 of the Code of the City of Asheville.

He asked that Section 27-8 be amended to read:

(a) For the first 1/3 of a mile or fraction thereof	95¢
(b) For each succeeding 1/6 mile	10¢

Councilman Horton said he was present at the meeting which he described as well mannered and orderly. He mentioned that the traffic, lights, and sewage were the areas of deepest concern. He said that some of the people who came to the meeting unhappy left with some reassurance. He said the advisory board did promise another joint meeting as plans were being developed.

JOINT APPOINTMENT OF WILLIAM D. BEITEL TO THE BOARD OF TAX SUPERVISION

Mayor Wood informed Council that at the County Commissioners meeting held earlier in the day Mr. Curtis Ratcliff announced the appointment of Mr. William D. Beitel to serve on the Buncombe County Board of Tax Supervision. He explained that this was a joint appointment between the Chairman of the Buncombe County Board of Commissioners and the Mayor of the City of Asheville and that he concurred in the appointment announced by Mr. Ratcliff. He instructed the City Clerk to enter the announcement in the minutes and to advise the Board of Tax Supervision of the appointment.

The following is the text of a letter received from Mr. Curtis Ratcliff announcing the appointment:

September 12, 1974

The Honorable Richard A. Wood, Jr.
Mayor, City of Asheville
Asheville, North Carolina

Dear Dick:

At the Board of Commissioners meeting this morning, the appointment of William D. Beitel was announced to serve on the Buncombe County Board of Tax Supervision with a request that the announcement be included in the official minutes of the Buncombe County Board of Commissioners.

I appreciate your assistance in filling this most important Board position.

Sincerely yours,

s/ R. Curtis Ratcliff (jm)

R. Curtis Ratcliff, Chairman
Buncombe County Board of
Commissioners

PROCLAMATION - CONSTITUTION WEEK - SEPTEMBER 17-23, 1974

Mayor Wood proclaimed the week of September 17-23, 1974 as "Constitution Week."

REPORT BY KEN MICHALOVE - COMMUNITY DEVELOPMENT ACT 1974

Ken Michalove, Assistant City Manager, reported on the National League of Cities Conference on the Housing and Community Development Act of 1974 held in Atlanta, Ga. September 4, 5, and 6. He briefly explained the history of the Act and the various HUD programs that would be consolidated under the grant. He explained that even though there had been no congressional appropriation bill as yet the Congress had authorized a funding level that, based on tentative analysis, would give the City of Asheville $13,813,000 between FY 1975 and 1980.

He said that the programs developed are to concentrate on improving the living conditions of low and moderate income people, eliminate blight and urban decay. He also stated that the City should plan to submit an application to HUD by December 1. Mayor Wood suggested that work start immediately on an application and suggested community meetings to get some thinking of the community on priorities.

LOGAN DELANY - PRESENTATION TO COUNCIL OF A BROCHURE ON THE MODEL CITIES PROGRAM

Logan Delany presented Council with copies of a brochure compiled by the staff of the Model Cities Agency, documenting the Asheville Model Cities Program from the time of its inception in 1968 to the present. He said that one of the unique features of the document was the complete financial report of all funds spent by Model Cities and the programs that it was spent for. He complimented his staff for the excellent job of putting the brochure together.

PARK AND RECREATION BOARD REPORT ON PROPOSED WEST ASHEVILLE PARK

The City Manager read a letter from William Peyton, Chairman of the Parks and Recreation Advisory Board, who reported that after hearing the opinions and recommendations voiced by approximately 100 West Asheville citizens who attended their September 10 meeting, it was the unanimous decision of the Parks and Recreation Advisory Board not to change its previous recommendation that the City purchase the Fisher property in West Asheville for the development of a neighborhood park. He said that several community and youth leaders strongly endorsed the proposed park while other concerned citizens opposed it on the basis of the nuisances of traffic, noise, night lights, sewage, and trash that would be created in their neighborhood. He said the Board felt that the objections could be kept to a minimal and that their recommendation reflected the clear majority of the citizens. Attached to the report was a list of the West Asheville Citizen's concerns which included noise, sewage, traffic, lights, law enforcement and sanitation.

Mayor Wood said that the City would go through with the purchase of the property now being carried out at the administrative level. He said he felt that the meeting, with the citizens participation, was very helpful in bringing out the problems to be faced in the future. He instructed the City Manager to begin immediate investigation into the sewage problem referred to in the report. He said it was his hope, that as plans were being developed, a similar meeting could be held to get the benefit of the thinking of the citizens in the area. He said he assumed that the final plans would come back to Council for approval.

Thursday - September 19, 1974 - 3:00 o'clock p. m.

PUBLIC HEARING - CLOSING OF MILLER ROAD - BUNCOMBE COUNTY BOARD OF EDUCATION

RESOLUTION NO. 74-132 - RESOLUTION TO CLOSE A PORTION OF MILLER ROAD

1. A public hearing was held to consider the closing of Miller Road at the request of the Buncombe County Board of Education.

Mayor Wood opened the public hearing at 3:03 o'clock p. m.

The City Manager was requested to read the notice to the public and the affidavit of publication.

Mr. Walter Currie, attorney representing the Buncombe County Board of Education, advised Council that all the requirements of the North Carolina General Statute Section 160A-299 for the closing of roads and streets had been complied with and he presented an affidavit certifying that all property owners adjoining the section of Miller Road to be closed had been notified by registered mail. He also furnished an affidavit that the property had been posted with notices of the intent to close the street and the calling of a public hearing on the question. Further affidavits were presented from residents in the area who attested that Miller Road was used as a dumping ground for trash, that it was not commonly used, and that it was in the best interest of the community to close the road.

Mr. Currie then presented the architect, Mr. Mike Freeman, who described the preliminary concept for the school project and advised that even though the final plans were incomplete the closing of Miller Road would be necessary under any plan. He said that it was anticipated that the portion of Miller Road, not to be closed, would serve as the main access to the school and that a short section joining Bethesda Road would serve as an access to a teachers parking area.

Mr. Mike Boyd, representing a property owner at 16 Miller Road, said that when the property owners were asked to sign the petition to close the road they were led to believe that the school buses would not use Miller Road as an access. He was concerned that this might cause the property owners some problems.

E. R. McCARTHY - CIVIC CENTER GARAGE FINANCING

Mr. E. R. McCarthy questioned Council as to the cost of the Civic Center Garage and how it was to be financed.

The City Manager advised that the latest estimated cost was $1,800,000 to be financed with $825,000.00 in General Obligation bonds and $975,000.00 from Revenue Sharing funds. He said that it is anticipated that the revenue from the operation of the garage would pay off the bonds.

Mr. McCarthy also questioned the necessity of building a new fire station in the East Riverside Urban Renewal now that the Bartlett Street station has been purchased by Urban Renewal. He was advised that this was an "in kind" participation required in the Urban Renewal Agreement.

Adjournment.

CITY CLERK

RESOLUTION NO. 74-134 - RESOLUTION AUTHORIZING THE CITY OF ASHEVILLE TO PROVIDE A CASH MATCH CONTRIBUTION TO THE SUPPORT OF THE FRENCH BROAD CRIMINAL JUSTICE PLANNING AGENCY

4. Consideration was given to a resolution authorizing the City of Asheville to provide a cash match contribution to the support of the French Broad Criminal Justice Planning Agency.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, explained this was a four county agency which works with local criminal justice agencies. He said they have been instrumental in obtaining LEAA funds for the City of Asheville. He said that the City's matching funds would pay for a share of the administrative costs.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Marshall, Resolution No. 74-134 was unanimously adopted.

Complete text of Resolution No. 74-134 will be found in Resolution Book No. 7 at page 330.

RESOLUTION NO. 74-135 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE SUPPLEMENTAL AGREEMENT NO. 2 TO FAA LEASE NO. DOTFA71SO-6028 COVERING THE ATCT/SFO FACILITY AT ASHEVILLE MUNICIPAL AIRPORT

5. Consideration was given to a resolution authorizing the Mayor to execute supplemental agreement No. 2 to FAA Lease No. DOTFA71SO-6028 covering the ATCT/SFO Facility at Asheville Municipal Airport.

The City Manager read the resolution and explained that this agreement adjusts the number of square feet of space leased to the FAA in the Terminal Building from 2,635 square feet to 2,450 square feet.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Colton, Resolution No 74-135 was unanimously adopted.

Complete text of Resolution No. 74-135 will be found in Resolution Book No. 7 at page 331

ORDINANCE NO. 819 - AN ORDINANCE AMENDING SECTIONS 27-5, 27-8, 27-52 AND 27-53 OF CHAPTER 27 OF THE ASHEVILLE CODE RELATING TO TAXICAB FARES

6. Consideration was given to an ordinance amending Sections 27-5, 27-8, 27-52 and 27-53 of Chapter 27 of the Asheville Code relating to taxicab fares.

Mr. John Cheesborough, attorney for the taxicab companies, in reviewing taxicab rates in other cities commented that Asheville had always had higher rates than cities in the eastern part of North Carolina. He cited the mountainous terrain and colder weather as factors making the cost of operations high. He said the costs of tire chains, increased wear on brake linings and anti-freeze added to the overhead cost of operations which eastern cities do not have.

Mr. Charles Worley, Bluebird Taxi Company, told Council that the clause in the ordinance which prohibited the use of any vehicle in the transportation of persons which has been in use for more than five (5) years would work a hardship on the taxi companies. He said that with the high price of cars his company was forced to go to used cars.

Mrs. Herman Turner stated that her residence was at the corner of Miller Road and Bethesda Road. She said that the Bethesda Road end of Miller Road was only used as an access to a rear entrance to the Bethesda Church cemetery which was seldom used. She said the road was mainly used as a "parking spot" for teenagers. She said that she had approval of the church and the city to put a chain across the road to restrict its use. She was also concerned about its use as an access road to the teachers parking lot.

Mr. Gordon Jones, Chairman of the Board of Trustees of the Bethesda Church said the church would oppose the closing of the northern or Bethesda Road portion of Miller Road. He told Council that this section was the only access to a tract of land owned by the church on which they planned the construction of a youth building. He said the church had no objection to Mrs. Turner's plans to restrict the use of the road at this time.

Mayor Wood closed the public hearing at 3:37 o'clock p. m. and requested the City Manager to read Resolution No. 74-132 closing Miller Road.

Upon motion of Councilman Colton, seconded by Councilman Horton, Resolution No. 74-132 was unanimously adopted.

Complete text of Resolution No. 74-132 will be found in Resolution Book No. 7 at page 326.

ORDINANCE NO. 818 - AN ORDINANCE AMENDING SECTION 8-1 OF CHAPTER 8, ARTICLE I OF THE CODE OF ORDINANCES, ENTITLED STATE BUILDING CODE ADOPTED.

2. Consideration was given to the second reading of Ordinance No. 818, an ordinance amending Section 8-1 of Chapter 8, Article I of the Code of Ordinances, entitled State Building Code Adopted.

On a roll call vote of 6-0, Ordinance No. 818 passed on its second reading.

RESOLUTION NO. 74-133 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A SUBGRANT AWARD CONTRACT WITH THE STATE OF NORTH CAROLINA, DEPARTMENT OF NATURAL AND ECONOMIC RESOURCES DIVISION OF LAW AND ORDER FOR THE CRIME PREVENTION PROJECT

3. Consideration was given to a resolution authorizing the Mayor to enter into a subgrant award contract with the State of North Carolina, Department of Natural and Economic Resources, Division of Law and Order for the Crime Prevention Project.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, briefly explained that the program provided for four (4) patrolman, fringe benefits, office supplies and one automobile. He said the total cost of the program would be $42,581 with the City's share being $3,893.00 and the remaining share to be provided by the Federal and State governments. He said the purpose of the program was to prevent crime by providing information to owners of businesses and residences on protecting their property.

Assistant Chief Jarvis explained that the Crime Prevention Bureau surveyed buildings and residences and, upon request, advised property owners of ways to improve safety features around their places of businesses and homes.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, Resolution No. 74-133 was unanimously adopted.

Complete text of Resolution No. 74-133 will be found in Resolution Book No. 7 at page 329.

BIDS - SIX (6) TRUCKS FOR STREET DEPARTMENT

8. Consideration was given to bids received September 9, 1974 for six (6) trucks for the Street Department.

The City Manager read a memorandum from the Purchasing Agent, which recommended the award to the low bidder for all items with the exception of item 1. He said the low bid of $2,963.80 for item 1, submitted by Asheville International Truck Sales, did not meet specifications, therefore, it was recommended that item 1 be awarded to the second low bidder, Matthews Motors, Inc. in the amount of $3,009.90. Other items recommended for award to low bidders were: Item 2 - Matthews Motors, Inc. $3,059.90; Item # - Asheville International Truck Sales $5,149.54; Item 4 - Asheville International Truck Sales $5,663.31; Item 5 - Asheville International Truck Sales $5,926.18; Item 6 - Asheville International Truck Sales $7,912.30.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award item 1 to Matthews Motors, Inc. in the amount of $3,009.90; Item 2 to Matthews Motors, Inc. in the amount of $3,059.90; Item 3 to Asheville International Truck Sales in the amount of $5,149.54; Item 4 to Asheville International Truck Sales in the amount of $5,663.31; Item 5 to Asheville International Truck Sales in the amount of $5,926.18; Item 6 to Asheville International Truck Sales in the amount of $7,912.30. This motion was seconded by Councilman Colton and carried unanimously.

Bid Summary

Bid Request #225 - Six Trucks for Street Department

Captain Sloop of the Asheville Police Department, commenting on the clause which required each and every taxicab to be inspected every six (6) months stated that a good mechanical inspection should be required rather than a visible inspection.

The City Manager went over the comparative rates received from the following cities:

Charlotte - 55¢ for the 1st 1/6 mile - 10¢ each additional 1/6 mile
Raleigh - 75¢ for the 1st 1/5 mile - 10¢ each additional 1/5 mile
Winston-Salem - 50¢ for the 1st 1/5 mile - 10¢ each additional 1/5 mile
Greensboro - 55¢ for the 1st 1/5 mile - 10¢ each additional 1/5 miler

He then read a prepared ordinance which would increase the taxicab rates.

After a lengthy discussion Vice-Mayor Marshall moved to amend Section 1 of the ordinance changing prohibiting vehicles more than five (5) years old from transporting persons to seven (7) years. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Councilman Morris suggested that a mechanical inspection be required rather than a visible inspection.

Councilman Colton requested that comparable rates be obtained from Knoxville, Tennessee; Charleston, Roanoke, Wheeling, and Lynchburg, West Virginia and that these figures be presented to Council before the second reading. It was agreed that the taxibab representatives would secure these rates.

Vice-Mayor Marshall moved for the adoption of Ordinance No. 819, which was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 819 passed on its first reading.

RESOLUTION NO. 74-136 - RESOLUTION ACCEPTING A DEED FROM THE DEAVERVIEW PROPERTIES AND AUTHORIZING THE CITY CLERK TO RECORD SAID DEED WITH THE REGISTER OF DEEDS FOR BUNCOMBE COUNTY

7. Consideration was given to a resolution accepting a deed from the Deaverview properties and authorizing the City Clerk to record said deed with the Register of Deeds for Buncombe County.

The City Manager read the resolution and explained that George W. Smith and wife, Mary Jane Smith and J. W. Haynes, and wife, Gladys B. Haynes executed the deed conveying to the City a tract of land on Deaverview Mountain as a site for the construction and maintenance of a water storage reservoir.

Vice-Mayor Marshall moved for the adoption of Resolution No. 74-136, with Council's appreciation. This motion was seconded by Councilman Horton and carried unanimously.

Complete text of Resolution No. 74-136 will be found in Resolution Book No. 7 at page 332.

Vice-Mayor Marshall moved to approve the change orders submitted by Baber, Cort and Wood in the amount of $9,084.52. This motion was seconded by Councilman Hoyle and carried unanimously.

PUBLIC HEARING - PROPOSED ZONING ORDINANCE

A public hearing was held to consider the adoption of a new Zoning Ordinance for the City of Asheville.

Mayor Wood opened the public hearing at 5:10 o'clock p. m.

The City Manager read the notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Planning Director, reviewed changes in the proposed zoning ordinance as compared to the existing ordinance.

Sections that were discussed are as follows: Purpose - Jurisdiction- Definitions - Non-Conforming Uses - Building Permits - Home Occupations, and a brief discussion was started on Use Districts.

It was suggested that the following changes be made in the proposed ordinance.

1) Definition of Home Occupations

Delete a proviso on pages 6 and 23 that stated not over 25% of the total actual floor area be used as a home occupation, due to redundancies in the listings of definitions in Section 30-3-13.

2) Non-Conforming Uses
page 13
Reject a proposal that a time period of one (1) year be given to restore non-conforming abandoned buildings or land in favor of the present 180 day time period.

The Corporation Counsel was instructed to look into the legality of the proposal that non-conforming uses be brought into conformity within three (3) years.

3) Repair of Damaged Structures
page 13
Add a clause that if a structure is damaged in excess of 75 per cent of its value before damaged occurred it can not be repaired.

Councilman Horton requested that the planning staff look into legality of the placement of "race tracks" into Non-Conforming Uses.

At this time, Councilman Morris moved to continue the public hearing until the meeting of September 26, 1974, without further advertisement. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Adjournment.

PARKING STUDY COMMITTEE

Mayor Wood announced that Councilmen Ochsenreiter and Hoyle had been appointed to the Parking Study Committee. He said they would be working with members of the staff on revisions of the downtown parking lot rates. He requested that the Committee report their recommendations back to Council.

RECESS - FIVE (5) MINUTES

Mayor Wood recessed the Council meeting for five(5) minutes at 5:05 o'clock p. m.

specific development in the area does not render the reclassification as spot zoning. He stated that the petitioners has submitted reasonable grounds consistent with the statute for reclassification of the area. He gave the following reasons for requesting rezoning: 1) the adjoining area is currently zoned RA-M; 2) the construction of the new highway project will render this area impractical for use as a highly restricted residential area; 3) the area is currently occupied by some of the oldest houses in the City; 4) the continuation of the present zoning will result in depreciation of property values, loss of tax base for the City and will contribute to slum development; 5) Rezoning of the area would result in allowing the most appropriate use for the land. He said the petitioners had requested that Lots 96, 97, 7, 9-1/2, 10-1/2, and 8-1/4, Ward 2, Sheet 17 be rezoned from RA-9 to RA-M ; or that Lots 96, 97, 7, 9-1/2, 10-1/2 and 8-1/4 together with Lots 16, 185, 193, 15-3/4, 15-1/2, 192, 93, 94, 95, and 14, Ward 2, Sheet 17, be rezoned to RA-8 Residential thereby requesting that additional property be rezoned in order to create a buffer if there is a dispute over future uses in the RA-M Residential District. He also presented a list of children who are now enrolled at the nursery and a petition signed by approximately 300 residents throughout the city who favored the rezoning.

Mr. Verl Emrick, Planning Director, was asked to summarize the Planning and Zoning Commission's recommendation. He said the Commission accepted the staff's recommendation to deny both requests. He reported that the staff had recommended denial for the following reasons:

Alternative #1 (Rezone to RA-M)

1) Construed to be spot zoning due to there is no convincing demonstration that all uses permitted under the proposed rezoning district would be in the general public interest; there is no convincing demonstration that all uses permitted under the proposed zoning district would be appropriate in the area; and the proposed change is not in accord with the overall development plan for this area as recommended to City Council by the Commission.

2) There is also a possibility that the rezoning could constitute "contract zoning". Contract zoning occurs when, as defined by the North Carolina courts, "There is nothing in the record to indicate that the governing body contemplates the opening of a tract to all uses permissible under a specific classification and it appears that the governing body action was (or will be) based on its approval of the applicant's plans to construct a specifically described project.

Alternative #2 (Rezone to RA-8)

This is a clear case of spot zoning since it is proposing the imposition of a strip of new zoning classification which has not been in existence in this area. This proposal also does not conform to the overall development plan recommended for this general area.

Councilman Horton asked if the Commission's overall development plan recommended for this area would apply to the proposed R-2 zoning for this area.

Mr. Emrick informed him that this area was proposed for R-2 zoning, which would incorporate RA-8 and RA-9, however, a day care center would not be a permitted use in R-2 but a "Conditional Use" which would require approval of the Board of Adjustments.

Mr. Jess Surles, petitioner and owner of a piece of property on Cameron Street, spoke in favor of the rezoning stating that if his property is not rezoned to RA-M the property value would go down. He said this property is no longer suitable for single family residences.

Thursday, September 26, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., J. W. Hoyle, Bill B. Horton, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Corporation Counsel William C. Moore

1. Approval of the minutes of the September 19, 1974 meeting.

Upon motion of Councilman Colton, seconded by Vice-Mayor Marshall, the minutes of the September 19, 1974 meeting were approved as submitted.

PUBLIC HEARING - REZONING PROPERTY ON HOLLYWOOD AND CAMERON STREETS - SHUFORD H. AND DELORES A. HALL, JESSIE P. SURLES AND B. G. O'KELLY

ORDINANCE NO. 820 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held relative to rezoning property on Hollywood and Cameron Streets to RA-M or RA-8 Residential Districts for Shuford H. and Delores A. Hall, Jessie P. Surles and B. G. O'Kelly.

Mayor Wood opened the public hearing at 3:05 o'clock p. m.

The City Manager read the notice to the public and affidavit of publication setting the time and date for the public hearing.

The Planning and Zoning Commission's report was distributed to members of Council.

Mr. Gary Dodd, attorney for the petitioners, requested that the hearing be continued until a later date. He said the proposed zoning ordinance, which is now being considered, proposed to zone the property in question R-2, which would incorporate the current RA-8 and RA-9 Districts and therefore would then allow day care centers in this area.

Mayor Wood informed him that Council was in the early stages of considering the proposed zoning ordinance and that it would probably not be adopted until after the first of the year.

Mr. Dodd then proceeded with the requests, presenting a brief outlining the definition of spot zoning as defined by the North Carolina Supreme Court in several court cases. He said it was his understanding that the Planning and Zoning Commission had recommended that the requests be denied as it constituted "spot zoning." It was his conclusion that spot zoning results when the municipal authority does not consider the factors as set forth in the enabling statute and when the reclassification is enacted to serve the purpose of one individual or entity to the detriment of the neighborhood and community. He said the petitioners, Mr. and Mrs. Hall, Mr. Surles, and Mr. O'Kelly, are all residents of the area for which reclassification is requested and only Mr. Hall was interested in constructing a nursery school in this area. He said the mere fact that he is interested in

The City Manager was then requested to read the prepared ordinance rezoning the property in question to RA-8 Residential District.

Councilman Horton questioned whether or not the protest presented had signatures of more than twenty (20%) per cent of property owners in the area, since the proposed ordinance included more property than the ordinance just voted on.

A discussion followed which was concluded with Mayor Wood stating that it was his opinion, that since those opposed to the rezoning would benefit by the application of the twenty (20%) per cent rule, their attorney should bear the burden of proof that in fact the protest petition did contain signatures of property owners owning twenty (20%) of the property adjacent to the lots in question. He suggested that Council proceed with the vote on the first reading, assuming that the twenty (20%) per cent rule did not apply and that the ordinance could be passed with a simple majority, the Mayor voting in the case of a tie. However, he said that if the attorney for the opposition did present sufficient evidence that the protest did satisfy the twenty (20%) rule then Council could take this fact into consideration on the second or third reading.

Councilman Horton moved for the adoption of the ordinance rezoning the property to RA-8 Residential. This motion was seconded by Vice-Mayor Marshall.

On a roll call vote of 4-3, Ordinance No. 820 passed on its first reading, with Mayor Wood, Vice-Mayor Marshall, Councilman Horton, and Councilman Hoyle voting "aye" and Councilman Colton, Morris, and Ochsenreiter voting "no".

FIVE (5) MINUTE RECESS

Mayor Wood called for a five (5) minute recess at 4:30 o'clock p. m.

PUBLIC HEARING - REZONING OF PROPERTY ON HENDERSONVILLE ROAD - C. F. WILLIAMS

ORDINANCE NO. 821 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held relative to rezoning property on Hendersonville Road from RA-5 Residential to Neighborhood Trading Area for C. F. Williams.

Mayor Wood opened the public hearing at 4:37 o'clock p. m.

The City Manager read the notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Planning Director, stated that the Planning and Zoning Commission had accepted the Planning Staff's report and recommended that the property be rezoned as petitioned. He said the front portion of the lot in question is zoned Neighborhood Trading Area with approximately 60' of the rear of the lot zoned RA-5 Residential. He said the staff had recommended approval for the following reasons:

1) The property is not well suited for residential use as the portion of the lot fronting on Hendersonville Road, presently zoned Neighborhood Trading Area, is supporting an established commercial use. Allowing the lot to remain split by two zones will restrict reasonable use of the property.

Mayor Wood announced that the proponents and staff reports were completed at 3:42 o'clock p. m.

Mr. John Shakleford, attorney for property owners opposed to the rezoning, presented a protest and petition signed by owners of twenty (20%) per cent or more of the frontage immediately opposite or to the rear of the lots proposed to be rezoned, protesting the changes in accordance with Section 15 of the City of Asheville Zoning Ordinance. He told Council that Section 15 of the Zoning Ordinance provides that in case of a protest against a change duly signed and acknowledged by the owners of twenty (20%) per cent or more of the frontage proposed to be changed, or of the frontage immediately in rear thereof, or directly opposite thereto, such amendment shall not be passed except by a three-fourths vote of all the members of the City Council.

Mr. Shakleford commented that the change would bring about a bigger development than the present one; that there would be increased traffic in the area by having more children at the nursery; and that there would be increased noise in the neighborhood. He asked Council to follow the previous decision made by the Planning and Zoning Commission and by the Council, when a similiar request was made earlier in the year to have the property rezoned, and to deny both of the petitioners requests.

Mrs. Wilma Rogers, 115 Arlington Street, speaking in opposition to the rezoning, stated that she had been moved out of her previous home due to progress and she did not want another business around her present home.

Mrs. Eleanor Willis, protesting the rezoning stated that she owned her home in this area and it was distressing that there was no security from commercial uses in a residential area. She said Council should consider the many homeowners in the area who wanted peace and quite in the neighborhood.

Mrs. Elizabeth Cook, 34 Town Mountain Road, also spoke in opposition to the rezoning.

Mrs. Delores Hall, owner of the Day Care Center on Hollywood Street, spoke in support of the rezoning and presented affidavits and signatures from next door neighbors who stated that the Day Care Center did not disturb them. She stated that a day care center was needed in the area, that an extravagant development was not planned and there would be off-street parking provided.

Mayor Wood closed the public hearing at 4:15 o'clock p. m. and requested the City Manager to read the prepared ordinance which would rezone the property in question to RA-M.

Councilman Horton moved for the adoption of the ordinance. This motion was seconded by Vice-Mayor Marshall.

Mayor Wood stated that since a protest with signatures of more than twenty (20%) per cent of the property owners in the area had been received, the ordinance shall not be passed except by a three-fourths vote of all the members of Council.

On a roll call vote of 3-3, the ordinance failed on first reading, with Vice-Mayor Marshall, Councilman Horton, and Councilman Hoyle voting "aye" and Councilmen Colton, Ochsenreiter and Morris voting "no".

Mr. Worley advised that Asheville had an average paid mile percentage of 40%-45% and also had to pay 46.9 per gallon for gasoline which was more than most of the other cities.

Mr. John Cheeseborough, attorney for the taxicab companies, pointed out that even with the wide spread publicity he had not heard of any opposition to the request for an increase.

Councilman Horton commented that if his calculations were correct the request represented a 12% increase.

Councilman Colton pointed out that the new rates obtained from other cities with terrain similar to Asheville were all lower than the present rates in Asheville.

Councilman Ochsenreiter requested that the City Manager prepare a summary sheet showing present and proposed rates and rates obtained from other cities.

Councilman Colton moved to postpone the second reading of Ordinance No. 819, until next week and suggested that if any changes are to be made in the ordinance they should be made before the second reading. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

PUBLIC HEARING - PROPOSED ZONING ORDINANCE

Mayor Wood announced that since so much time had been consumed to this hour, Council would not have time to continue the public hearing on the new Zoning Ordinance but would merely postpone the hearing until next week.

RESOLUTION NO. 74-143 - RESOLUTION AUTHORIZING THE MAYOR TO EXTEND THE LEASE AGREEMENT BETWEEN THE CITY OF ASHEVILLE AND THE OPPORTUNITY CORPORATION OF MADISON-BUNCOMBE COUNTIES FOR THE USE OF THE PROPERTY AND FACILITIES FORMERLY KNOWN AS THE LIVINGSTON STREET SCHOOL PROPERTY.

5. Consideration was given to a resolution authorizing the Mayor to extend the lease agreement between the City of Asheville and the Opportunity Corporation of Madison-Buncombe Counties for the use of the property and facilities formerly known as the Livingston Street School Property.

The City Manager read the resolution and explained that this extension would not delay the time schedule on construction of the Neighborhood Facilities Project.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton, Resolution No. 74-143 was unanimously adopted.

Complete text of Resolution No. 74-143 will be found in Resolution Book No. 7 at page 339.

RESOLUTION NO. 74-144 - RESOLUTION AUTHORIZING THE CITY OF ASHEVILLE TO PROCEED WITH THE PURCHASE OF AND/OR CONDEMNATION OF PROPERTY IN THE RIVERSIDE PARK PROJECT

6. Consideration was given to a resolution authorizing the City of Asheville to proceed with the purchase of and/or condemnation of property in the Riverside Park Project.

The City Manager read the resolution.

2) Contiguity is established in that lots to the north of and fronting on Hendersonville Road are already zoned Neighborhood Trading Area.

3) The rezoning is in keeping with the established development plan for this area.

No one appeared either in support of or opposition to the rezoning.

Mayor Wood closed the public hearing at 4:44 o'clock p. m. and requested the City Manager to read the prepared ordinance rezoning the property Neighborhood Trading Area.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 821 passed on its first reading.

ORDINANCE NO. 818 - AN ORDINANCE AMENDING SECTION 8-1 OF CHAPTER 8, ARTICLE I OF THE CODE OF ORDINANCES, ENTITLED STATE BUILDING CODE ADOPTED.

3. Consideration was given to the third reading of Ordinance No. 821, an ordinance amending Section 8-1 of Chapter 8, Article I of the Code of Ordinances, entitled State Building Code Adopted.

Mayor Wood advised that copies of the ordinance had previously been furnished to members of Council and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 818 passed on its third and final reading.

Complete text of Ordinance No. 818 will be found in Ordinance Book No. 6 at page 117.

ORDINANCE NO. 819 - AN ORDINANCE AMENDING SECTIONS 27-5, 27-8, 27-52, AND 27-53 OF CHAPTER 27 OF THE ASHEVILLE CODE RELATING TO TAXICAB RATES

4. Consideration was given to the second reading of Ordinance No. 819, an ordinance amending Sections 27-5, 27-8, 27-52, and 27-53 of Chapter 27 of the Asheville Code relating to taxicab rates.

Mayor Wood requested that the taxicab representatives give thier report on information obtained from other cities relative to rates.

Mr. Charles Worley, Bluebird Taxi Company, gave the following report:

City	Rate	Average Paid Mile	Cost of Gasoline per Gal.
Wheeling, W. Va.	75¢ for first 2/5; 10¢ each additional 1/5	.47 per mile	50.4
Charleston, W. Va.	85¢ for first 2/5; 10¢ each additional 1/5	50%	47.5
Lynchburg, Va.	65¢ for first 1/5; 10¢ each additional 1/5	50%	.42
Roanoke, Va.	60¢ for first 1/6; 10¢ each additional 1/6	50%	.42
Knoxville, Tenn.	75¢ for first 1/5; 10¢ each additional 1/5	N/A	.43

BIDS - TWO (2) TRACTORS FOR STREET DEPARTMENT

9. Consideration was given to bids received September 9, 1974 for two (2) tractors for the Street Department.

The City Manager read a memorandum from the Purchasing Agent which stated that item #2 - One (1) Tractor Loader Backhoe Combination was being rebid due to certain changes being made in the specifications; low bid submitted by Western Carolina Tractor Company for Item #2, One (1) Tractor Loader did not meet specifications and therefore it was recommended that the second low bidder, Farm Equipment Company, be awarded the contract in the amount of $8,341.00 less $100.00 trade in for a net of $8,241.00; that neither of the two (2) low bids submitted by Farm Equipment Company and Arden Equipment Company for Item #3 - One (1) Tractor Diesel met specifications and therefore it was recommended that the only responsive bid received from Bruce Construction Machinery Company, be accepted, in the amount of $9,762.86, less trade in of $700.00 for a net of $9,062.86.

Mayor Wood questioned why the two low bidders for item #3 did not meet specifications.

Mr. Phipps, Purchasing Agent, explained that he did not know the details on the specifications and Mr. Bostic, Street Superintendent, was not available to give the explanation.

Mayor Wood suggested that no action be taken on Item #3 and that more information be obtained as to why the low bidders did not meet specifications.

Councilman Colton moved to accept the recommendation of the Purchasing Agent for Item #2, One (1) Tractor Loader and award the contract to Farm Equipment Company in the amount of $8,241.00. This motion was seconded by Councilman Morris and unanimously adopted.

Bid Summary

Item #1 - One Tractor-Loader Backhoe Combination (to be Rebid)
Item #2 - One Tractor Loader

BIDS - FIVE (5) PICK-UP TRUCKS FOR WATER AND SEWER DEPARTMENT

10. Consideration was given to bids received September 9, 1974 for five (5) pick up trucks for the Water and Sewer Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the low bid submitted by Matthews Motors, Inc. in the amount of $14,832.50 for Item 2 - Alternate Bid for Five (5) Pick-Up Trucks with Gross Weight of 3,900 lbs.

It was noted that these trucks would be used for small jobs and meter readers.

Upon motion of Councilman Ochsenreiter, seconded by Vice-Mayor Marshall, Resolution No. 74-144 was unanimously adopted.

Complete text of Resolution No. 74-144 will be found in Resolution Book No. 7 at page 340.

RESOLUTION NO. 74-145 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO MUNICIPAL AGREEMENT WITH NORTH CAROLINA BOARD OF TRANSPORTATION RELATIVE TO RIGHT OF WAY PROJECTS 8.1901402 AND 8.1901403 AND CONSTRUCTION PROJECT 8.1901405.

7. Consideration was given to a resolution authorizing the Mayor to enter into Municipal Agreement with North Carolina Board of Transportation relative to right of way projects 8.1901402 and 8.1901403 and Construction Project 8.1901405.

The City Manager read the resolution and explained that this was relative to sharing of right of way costs on Beaucatcher and I-40 Connector Projects.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 74-145 was unanimously adopted.

Complete text of Resolution No. 74-145 will be found in Resolution Book No. 7 at page 341.

BIDS - ONE (1) TWO WHEEL PORTABLE AIR COMPRESSOR, ONE (1) VIBRATING ROLLER, AND ONE (1) 4-6 TON TANDEM ROLLER FOR THE STREET DEPARTMENT

8. Consideration was given to bids received September 9, 1974 for one (1) two wheel portable air compressor, one (1) vibrating roller, and one (1) 4-6 ton tandem roller for the Street Department.

The City Manager read a memorandum from the Purchasing Agent which stated that all bidders met specifications for Item #1 One (1) Two-wheel Portable Air Compressor and recommended award to low bidder, Western Carolina Tractor Company in the amount of $4,485.00; low bid submitted by Western Carolina Tractor Company, for Item #2, One (1) Vibrating Roller, did not meet specifications, therefore it was recommended that the award be given to the second low bidder, Mitchell Distributing Company, in the amount of $5,279.00; low bid submitted by Contractors Service and Rentals, Inc. for Item #3, One (1) 4-6 ton tandem roller, did not meet specifications, therefore it was recommended that the award be given to the second low bidder, Western Carolina Tractor Company, in the amount of $13,865.00.

Councilman Ochsenreiter moved to accept the recommendation of the Purchasing Agent and award contract to Western Carolina Tractor Company for Item #1 in the amount of $4,485.00; Mitchell Distributing Company for Item #2 in the amount of $5,279.00; Western Carolina Tractor Company for Item #3 in the amount of $13,865.00. This motion was seconded by Councilman Hoyle and unanimously adopted.

RESOLUTION NO. 74-146 - RESOLUTION RELATING TO FEES AND CHARGES TO UNDERWRITE MAINTENANCE AND OPERATION OF SOUTH BUNCOMBE WATER IMPROVEMENT PROJECT

11. Consideration was given to a resolution relating to fees and charges to underwrite maintenance and operation of South Buncombe Water Improvement Project.

The City Manager read the resolution.

Mayor Wood explained that the Buncombe County Commissioners would pass a similar resolution at their next meeting and that this resolution was needed to assure the State that the City would accept and maintain water system improvements to be built in South Buncombe at the county's expense. He said the County would be applying for State funds to help pay for the new facilities.

Councilman Horton moved for the adoption of the resolution. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Complete text of Resolution No 74-146 will be found in Resolution Book No. 7 at page 343.

REZONING PETITION - LAKE CRAIG ROAD

The City Manager presented a rezoning petition received from Charles H. House to rezone property on Lake Craig Road from RA-10 to Roadside Business.

In the absence of any objections from members of Council, Mayor Wood referred the petition to the Planning and Zoning Commission for study and recommendation.

PATRICK E. INGLE - NOTICE OF APPEAL TO COUNCIL FROM RULING OF CIVIL SERVICE BOARD

The City Manager advised Council that a letter had been received from Robert S. Swain, attorney for Patrick E. Ingle, giving notice of appeal from the ruling of the Civil Service Board on September 19, 1974 to the City Council. He said the transcript of the hearing was being prepared and it would be presented to Council as soon as it is completed.

5. Completion of the auditorium renovation- December 31, 1974

Deviation from this schedule, he said, would only be allowed for punch list items and then would require the approval of the architect. He said that liquidated damages under Ranger's original contract had been waived but that under the new agreement liquidated damages would be assessed at the rate of $500.00 per day after the completion dates set forth in the construction schedule.

Mr. Moore then read a letter from the architects, Baber, Cort and Wood, acknowledging receipt of the agreement and recommending their approval.

Mayor Wood commended Mr. Harold Bennett, Special Counsel for the City and Mr. Moore for the excellent job they had done in protecting the City under this contract and joined with them in recommending approval.

Councilman Ochsenreiter moved to adopt the Agreement and Change Order 13 between the City of Asheville and Ranger Construction Company and to authorize the Mayor to sign the agreement on behalf of the City of Asheville, effective as of this date. This motion was seconded by Councilman Morris and carried unanimously.

ORDINANCE NO. 819 - AN ORDINANCE AMENDING SECTION 27-5, 27-8, 27-52, AND 27-53 OF CHAPTER 27 OF THE ASHEVILLE CODE RELATING TO TAXICAB FARES

3. Consideration was given to the second reading of Ordinance No. 819, an ordinance amending Section 27-5, 27-8, 27-52, and 27-53 of Chapter 27 of the Asheville Code relating to taxicab fares.

As requested by Council at the last meeting, the City Manager distributed summaries showing the present and proposed taxicab rates as well as rates obtained from other cities.

Mayor Wood commented that from looking at the summary sheet, it appeared that Asheville's current first mile rate is higher than the other comparable cities.

Mr. Cheesborough, attorney for the taxicab companies, expressed appreciation to Council for considering the request and presented an operating statement from the Bluebird Taxi Company which showed a $12,000 loss for a four (4) month period. He said he felt that the taxicab operators needed an increase and this loss was an example for the requested increase. He said if Council did not see fit to pass the ordinance as presented for an increase of 95¢ for the first 1/3 mile and 10¢ for each additional 1/6; then as an alternate it was requested that Council pass an ordinance for an increase of 85¢ for the first 1/3 and 10¢ for each additional 1/6.

Thursday - October 3, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Councilmen Eugene C. Ochsenreiter, Jr., J. W. Hoyle, Bill B. Horton, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Calvin W. Marshall

1. Approval of the minutes of the September 26, 1974 meeting.

Upon motion of Councilman Hoyle, seconded by Councilman Horton, the minutes of the September 26, 1974 meeting were approved as submitted.

AMENDMENT TO CONTRACT WITH RANGER CONSTRUCTION COMPANY - ASHEVILLE CIVIC CENTER

2. Consideration was given to an amendment relative to the contract with Ranger Construction Company, General Contractor for the Asheville Civic Center.

Corporation Counsel William C. Moore explained that several weeks ago the City became concerned with the lack of progress on the construction of the Asheville Civic Center and started an investigation into the cause of the slow down.

During this investigation it was determined that many of the subcontractors and materialmen furnishing labor and materials for the job, had not been paid for work already completed and were now refusing to proceed further without compensation. In order to break up this "logjam" it was necessary for the City to enter into negotiations with Ranger Construction Company and the subcontractors and materialmen involved and that the agreement now being presented for Council's consideration was the result of these negotiations. He said the agreement had the approval of the architect, contractor, bonding company and the subcontractors and materialmen.

He said that in the agreement the City agreed to release to Ranger the sum of $125,000 in retainage and to pay Ranger $50,000 for their July and August work. Ranger in turn agreed to add to this amount $27,562.80 for a total of $202,562.80 an amount equal to the uncontested claims of the subcontractors and materialmen. Out of these monies the City would withhold $41,000 in retainage. In addition, he said, there was $116,000 in contested claims that the City would withhold until such time as a settlement could be reached. He said that all future payments to the subcontractors and materialmen would be made by joint check of the City and Ranger Construction Company. He stated that the City would only be required to pay approximately $621,000, an amount remaining in the contract for the completion of the project. He said that the surety company, Travelers Indemnity Company, approved the agreement and waived any defenses which they might have by reason of the City's failure to take action or not to take action. Mr. Moore gave the following construction schedule covered by the agreement:

Mr. John Shakleford, attorney for the opposition, said that this rezoning, in his opinion, would constitute spot zoning and with the proposed RA-8 zoning three (3) homes would be made non-conforming. He said that he had verified the required twenty (20%) per cent signatures of property owners in the area.

Councilman Horton said he thought Council should look at the ordinance from a practical standpoint rather than a technical point of view. He said he felt the petitioners definitely had a hardship and the proposed nursery school would be an asset to the area. He stated that in supporting the proposed zoning ordinance he requested that Council consider the people in the area and consider the ordinance from a practical standpoint. He also questioned Mayor Wood as to how the vote on a twenty (20%)per cent rule would apply.

Mayor Wood informed Councilman Horton that the North Carolina General Statutes and the Code of Ordinances for the City of Asheville, in the case of rezoning, requires a 3/4 vote of all members of Council on an ordinance where a protest had been presented with signatures of more than twenty (20%)per cent of property owners in the area. He further stated that 3/4 of all members of Council would be six (6) Council members, with the Mayor only voting in the case of a tie.

Councilman Horton further questioned if the ordinance must pass with six (6) affirmative votes, due to the Mayor not voting except in case of a tie. It was his opinion that the 3/4 rule would apply to six (6) members of Council since there are only six (6) permissable votes, thereby making 3/4 of six (6) members being five (5) affirmative votes to carry the ordinance.

Corporation Counsel William Moore disagreed with Councilman Horton stating that the North Carolina General Statutes requires a 3/4 vote of all members of Council which includes the Mayor, and the ordinance would have to pass with six (6) affirmative votes.

Councilman Ochsenreiter suggested that Council proceed with the vote, assuming that the ordinance must carry with six (6) affirmative votes. However, if either party contested the vote the matter could be settled by a higher authority.

Mayor Wood said Council would proceed with the vote with the advice of the City Attorney that the ordinance must carry with six (6) affirmative votes.

On a roll call vote of 3-3, Ordinance No. 820 failed on its second reading, with Vice-Mayor Marshall, Councilman Horton, and Councilman Hoyle voting "aye" and Councilmen Morris, Colton and Ochsenreiter voting "no".

ORDINANCE NO. 821 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Property on Hendersonville Road)

5. Consideration was given to the second reading of Ordinance No. 821, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Property on Hendersonville Road).

Councilman Colton stated that he felt the alternate seemed more reasonable than the proposed increase. He then moved to amend Ordinance No. 819 thereby substituting 85¢ for the first 1/3 mile in lieu of the requested 95¢ for the first 1/3 mile. This motion was seconded by Councilman Hoyle and the amendment was unanimously adopted.

Vice-Mayor Marshall took his seat at 3:26 o'clock p. m.

On a roll call vote of 6-0, Ordinance No. 819 passed on its second reading.

Mr. Cheesborough then requested that Council suspend the rules and proceed to the third and final reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 819. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 819 passed on its third and final reading.

Complete text of Ordinance No. 819 will be found in Ordinance Book No. 6 at page 119.

ORDINANCE NO. 820 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED (Property on Hollywood and Cameron Streets)

4. Consideration was given to the second reading of Ordinance No. 820, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" as amended - (Property on Hollywood and Cameron Streets).

Mayor Wood suggested that since the rezoning was discussed at length during the last meeting and unless there were some objections, he would like to limit remarks to 15 minutes for those wishing to speak in support of the rezoning and 15 minutes for those wishing to speak in opposition.

Corporation Counsel William C. Moore told Council that it appeared that more than twenty (20%) per cent of the property owners in the area proposed for rezoning objected to the rezoning and that the ordinance must pass by a 3/4 vote of all members of Council.

Mr. Gary Dodd, attorney for the proponents, stated that he acknowledged the fact that more than twenty (20%) per cent of the property owners had signed a protest and it would take a 3/4 vote of Council to pass the ordinance. However, he pointed out that the proposed zoning ordinance which is now under consideration would zone this property R-2, which would allow a day care center to be built in the area, under a "Conditional Use". He said the Highway Commission had condemned this property and his client, who proposes to build a day care center in the area, was now under a rental agreement with the Highway Commission until December 1, 1974. He said after that date the day care center would be put out of operation unless an extension could be obtained from the Commission. He said changes were being made in the area and the property needed to be rezoned. He requested that Council pass the proposed ordinance on a required 3/4 vote.

FIVE MINUTE RECESS

Mayor Wood called for a five (5) minute recess at 4:10 o'clock p. m.

PUBLIC HEARING CONTINUED - ZONING ORDINANCE

Mayor Wood opened the public hearing at 4:15 o'clock p. m. to continue the public hearing concerning the adoption of a new Zoning Ordinance for the City of Asheville.

Council proceeded to review the ordinance in detail and the following sections were discussed:

30-3-8	Swimming Pools
30-3-9	More Restrictive Provisions
30-3-10	Visibility at Intersections in Residential Districts
30-3-11	Regulations for Off-Street Parking and Loading
30-3-12	Public Utility Easements
30-3-14	Signs
30-3-15	Buffering
30-3-16	Driveway Entrance Regulations
30-3-17	Mobile Homes, Mobile Home Parks, and Camper-Trailers, Camper-Trailer Parks
30-4-1	Use Districts
30-4-2	District Boundaries
30-4-3	Conformity to Use Regulations
30-5-1	Purpose - Use Districts
30-5-2	R-1 Single Family Residential Districts
30-5-3	R-2 Low Density Residential Districts

All changes made during these sessions will be presented in the final document.

At this time, Councilman Ochsenreiter moved to continue the public hearing until the next regular scheduled meeting. This motion was seconded by Councilman Horton and carried unanimously.

CLAIM - CHARLES H. KNUCKLES

The City Manager presented a claim for damages from Charles H. Knuckles relative to a storm drainage problem.

Mayor Wood referred the claim to the Corporation Counsel for disposition.

PROCLAMATION - LIONS SERVICE DAY - OCTOBER 8, 1974

Mayor Wood proclaimed October 8, 1974 as Lions Service Day

PROCLAMATION - NATIONAL FIRE PREVENTION WEEK - OCTOBER 6 - 12

Mayor Wood proclaimed October 6 - 12, 1974 as National Fire Prevention Week.

Adjournment.

MAYOR

CITY CLERK

Mayor Wood advised that copies of the ordinance had previously been furnished to members of Council and the ordinance would not be re-read unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 621 passed on its second reading.

RESOLUTION NO. 74-147 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A SUBGRANT AWARD CONTRACT WITH THE STATE OF NORTH CAROLINA, DEPARTMENT OF NATURAL AND ECONOMIC RESOURCES, DIVISION OF LAW AND ORDER FOR THE POLICE LEGAL SERVICE PROGRAM

6. Consideration was given to a resolution authorizing the Mayor to enter into a subgrant award contract with the State of North Carolina, Department of Natural and Economic Resources, Division of Law and Order for the Police Legal Service Program.

The City Manager read the resolution.

Assistant Chief Jarvis explained that the project would implement a Legal Advisory Program for the Asheville Police Department. He said the purpose of the program was to have a full time attorney to advise, educate, disseminate legal information and procedures of the criminal justice system of the State of North Carolina to the members of the Asheville Police Department and to serve as Legal Aid to the Department. He said the City's share of this federally funded program is $1,251.00, with the total cost of the program amounting to $25,025.00.

Upon motion of Councilman Horton, seconded by Councilman Hoyle, Resolution No. 74-147 was unanimously adopted.

Complete text of Resolution No. 74-147 will be found in Resolution Book No. 8 at page 1.

Assistant Chief Jarvis introduced Mr. Lewis Walker, Jr., who had accepted the position of Legal Advisor for the Police Department.

PETITION - BUS SERVICE FOR BINGHAM HEIGHTS APARTMENTS

Mrs. Greene, Bingham Heights Apartments, presented a petition with approximately 95 signatures requesting City bus service to and from the Bingham Heights Apartments and the surrounding areas.

Mayor Wood referred the petition to the Asheville Housing Authority and the Asheville Transit Authority.

JOHN MARCUS - DISCUSSION RE: BINGO GAMES

Mr. John Marcus, Box 5678, Asheville, who said that he represented various civic and fraternal organizations in the city who had been holding bingo games and that he had been advised by the ABC Board that if they continued to carry on this practice their license for beer and wine and brown bagging permits would be revoked.

Mayor Wood advised him that the North Carolina General Statutes restricted bingo games and the City of Asheville had no jurisdiction over the holding of bingo games. He also advised him that this was a matter for the General Assembly.

Thursday, October 10, 1974

MAYOR WOOD ANNOUNCED THAT THERE WILL BE NO MEETING OF THE ASHEVILLE CITY COUNCIL ON OCTOBER 10, 1974, DUE TO A LACK OF SCHEDULED ITEMS FOR THE AGENDA.

2. Consideration was given to the third reading of Ordinance No. 821, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED (Property on Hendersonville Road).

Mayor Wood advised that copies of the ordinance had previously been furnished to members of Council and the ordinance would not be re-read unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 821 passed on its third and final reading.

Complete text of Ordinance No. 821 will be found in Ordinance Book No. 6 at page 122.

RESOLUTION NO. 74-148 - RESOLUTION RELATING TO AGREEMENT BETWEEN THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION AND THE CITY OF ASHEVILLE REGARDING UTILITY RELOCATIONS IN CONNECTION WITH THE CONSTRUCTION OF U. S. 70-74 FROM STATION 30+00 to STATION 78+00. (STATE PROJECT 8.1901404)

3. Consideration was given to a resolution relating to agreement between the North Carolina Department of Transportation and the City of Asheville regarding utility relocations in connection with the construction of U. S. 70-74 from Station 30+00 to Station 78+00. (State Project 8.1901404).

The City Manager read the resolution and explained that the agreement states that the City will move any utility lines that are necessary on the project locations and that the State would pay for any movement of lines on the City's rights of way.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 74-148 was unanimously adopted.

Complete text of Resolution No. 74-148 will be found in Resolution Book No. 8 at page 2.

The City Manager read the ordinance and explained that this ordinance would add Asheville Country Day School to the list of schools in this particular category.

Mayor Wood pointed out that Asheville Catholic High School no longer existed and St. Genevieves of the Pines had changed the name of their school to St. Genevieves-Gibbons Hall and these changes should be made in the ordinance before the second reading.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 4-0, Ordinance No. 822 passed on its first reading.

ORDINANCE NO. 823- ORDINANCE AMENDING SECTION 28-82 AND 28-83(a) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO EXTEND AND ESTABLISH SPEED LIMITS WITHIN THE NEWLY ANNEXED AREA OF SOUTH BILTMORE AND CARIBOU ROAD AND CHARLOTTE HIGHWAY

10. Consideration was given to an ordinance amending Section 28-82 and 28-83 (a) of the Code of Ordinances of the City of Asheville to extend and establish speed limits within the newly annexed area of South Biltmore and Caribou Road and Charlotte Highway.

The City Manager read the ordinance and explained that this would extend and establish speed limits within the newly annexed area of South Biltmore-Caribou Road and also establish speed limits on the Charlotte Highway from I-40 to Swannanoa River Road.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 4-0, Ordinance No. 823 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of the ordinance due to the speed limits being non-enforceable until the ordinance is adopted. This motion was seconded by Councilman Horton and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 823 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 823 passed on its third and final reading.

Complete text of Ordinance No. 823 will be found in Ordinance Book No. 6 at page 125.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 74-151 was unanimously adopted.

Complete text of Resolution No. 74-151 will be found in Resolution Book No. 8 at page 5.

PETITION - WALKING PATROL FOR DOWNTOWN STREETS

Mayor Wood reported that he had received a petition with reference to the reinstating of the walking patrol beats on the downtown streets. He referred the petition to the City Manager to confer with the Chief of Police and to report their recommendations back to Council next week.

PROCLAMATION - WEEK OF WORLD UNDERSTANDING - OCTOBER 20 - 26, 1974
UNITED NATIONS DAY - OCTOBER 24, 1974

Mayor Wood proclaimed the week of October 20 - 26, 1974 as Week of World Understanding and October 24, 1974 as United Nations Day.

NOLA KNUCKLES - SENIOR OPPORTUNITY CENTER

Mrs. Nola Knuckles thanked Council for purchasing the building on Grove Street for the Senior Citizens.

JANET TAYLOR - BUS SERVICE FOR BINGHAM HEIGHTS AREA

Janet Taylor asked Council about the status of the petition presented at the last Council meeting requesting bus service for the Bingham Heights Apartments and surrounding areas.

Mayor Wood informed her that the City was in the process of putting together an improved bus service program which would include the request for bus service in the Bingham Heights area, however, this would have to be submitted as part of the total Community Development Program to Greensboro and it would probably be a month or more before a final answer is received.

RECESS - FIVE (5) MINUTES

Mayor Wood called for a five (5) minute recess at 3:49 o'clock p. m.

PUBLIC HEARING CONTINUED - PROPOSED ZONING ORDINANCE

Mayor Wood opened the public hearing at 4:06 o'clock p. m. to continue the public hearing concerning the adoption of a new zoning ordinance for the City of Asheville.

Council proceeded to review the ordinance in detail and finished discussing the text of the ordinance.

All changes made during these sessions will be presented in the final document.

At this time, Councilman Morris moved to continue the public hearing until the meeting of November 7, 1974 at which time the proposed zoning of particular parcels of land under the new ordinance would be considered. This motion was seconded by Councilman Colton and carried unanimously.

Adjournment.

MAYOR

William F. Maready
CITY CLERK

APPEAL OF PATRICK E. INGLE - TRANSCRIPT AND FINDINGS FROM CIVIL SERVICE BOARD HEARING PRESENTED

The City Manager presented copies of the transcript and findings of the Civil Service Board meeting of September 19, 1974 relative to the dismissal of Patrick E. Ingle from the Asheville Police Department.

Corporation Counsel William Moore advised Council that they should review the transcript before the hearing and that Mr. Ingle's attorney and Police Chief J. C. Hall would be given an opportunity to make a statement at the hearing but no additional evidence could be submitted. He cited Section 38 of the Charter for the City of Asheville which states that Council, at a regular session, would vote on the approval or disapproval of the report submitted by the Civil Service Board but it shall require the affirmative votes of five members of the Council to disapprove the report, lacking such five votes, the report shall be approved. In either event, the action of the City Council is final.

Councilman Morris moved to set the hearing on the appeal for October 31, 1974. This motion was seconded by Councilman Horton and carried unanimously.

Mayor Wood instructed the Corporation Counsel to notify Mr. Robert Swain, attorney for Mr. Ingle, of the date set for the hearing.

REZONING - LAKE CRAIG ROAD

Consideration was given to a recommendation from the Planning and Zoning Commission relative to the rezoning request of Charles, Kathleen, and Roger House; Vernon, James and Wendall Sam; and John W. Moyer and Vallie E. Beckom to rezone their property on Lake Craig Road from RA-10 Residential to Roadside Business.

The City Manager read a letter from the Planning and Zoning Commission which recommended that the petition be denied and the property remain as it is now zoned.

Mr. Charles House requested that Council set a date for a public hearing on his request, even though the Commission had recommended denial.

Councilman Morris moved to set the public hearing date for November 7, 1974, to be advertised at the petitioner's expense. This motion was seconded by Councilman Hoyle and carried unanimously.

CITY MANAGER'S REPORT - DISTRIBUTION OF LEAF BAGS

The City Manager reported that 25,000 leaf bags would be distributed from the Fire Stations beginning Saturday, October 19, 1974. He said ten (10) bags would be available to each household for bagging of leaves to be picked up by the Sanitation Department on regular pick up days.

BIDS - TRACTOR-MOWER FOR THE STREET DEPARTMENT

3. Consideration was given to bids received September 9, 1974 for one (1) tractor-mower for the Street Department.

The City Manager read a memorandum from the Purchasing Agent which stated that neither of the two low bids submitted by Farm Equipment Company and Arden Equipment Company meet the specifications and it was recommended that the only responsive bid submitted by Bruce Construction Machinery Company be accepted in the amount of $9,762.86, less trade-in of one (1) tractor at $700.00 for a net bid price of $9,062.86.

Mr. W. A. Bostic, Street Superintendent, explained that Arden Equipment Company met specifications for the tractor but did not meet specifications for the rotary mower attachment to be mounted on the tractor, as specified. He said Farm Equipment Company did not meet specifications for the tractor or the rotary mower attachment. Therefore he recommended the acceptance of the only responsive bidder, meeting all specifications, Bruce Construction Machinery Company in the amount of $9,762.86, less trade-in of one (1) tractor at $700.00 for a net bid price of $9,062.86.

Councilman Morris moved to accept the recommendation of the Street Superintendent and award the contract to Bruce Construction Machinery Company in the amount of $9,762.86, less trade in of one (1) tractor for $700.00 with a net bid price of $9,062.86. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Bid Summary

One Tractor-Mower

Bidder	Bid
Farm Equipment Company (did not meet specs.)	$6,865.00
E. F. Craven Company	No Bid
Bruce Construction Machinery Company	$9,062.86
Arden Equipment Company (did not meet specs.)	$8,577.63

BIDS - BRUSH CHIPPER FOR PARKS AND RECREATION DEPARTMENT

4. Consideration was given to bids received October 21, 1974 for one (1) 16" brush chipper for the Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent and Mr. R. B. Meehan, Jr., Superintendent of Parks, which recommended the acceptance of the low bid submitted by Safety Test and Equipment Company of Shelby, North Carolina in the amount of $4,580.00.

Vice-Mayor Marshall moved to accept the recommendation of the Purchasing Agent and award the contract to Safety Test and Equipment Company of Shelby, North Carolina in the amount of $4,580.00. This motion was seconded by Councilman Morris and carried unanimously.

Absent: Councilman J. W. Hoyle

1. Approval of the minutes of the October 17, 1974 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Horton, the minutes of the October 17, 1974 meeting were approved as submitted.

ORDINANCE NO. 822 - AN ORDINANCE AMENDING SECTION 28-84 (d) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE ESTABLISHING SPEED LIMITS FOR THE ST. JOAN OF ARC SCHOOL, ST. EUGENE'S CATHOLIC SCHOOL, ST. GENEVIEVES-GIBBONS HALL SCHOOL, AND ASHEVILLE COUNTRY DAY SCHOOL

2. Consideration was given to an ordinance amending Section 28-84 (d) of the Code of Ordinances of the City of Asheville to establish speed limits approaching Asheville Country Day School.

Mayor Wood advised that copies of the ordinance had previously been furnished to members of Council and the ordinance would not be re-read unless there was a specific request to do so.

Councilman Morris moved to amend Ordinance No. 822, as passed on first reading, by deleting Asheville Catholic High School which is no longer in operation and by changing the name of St. Genevieves of the Pines School, as stated in the ordinance, to St. Genevieves-Gibbons Hall School. This motion was seconded by Councilman Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 822 passed on its second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading due to the speed limits being non-enforceable until the ordinance is adopted. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 822 passed on its third and final reading.

Complete text of Ordinance No. 822 will be found in Ordinance Book No. 6 at page 123.

CLAIMS - CONSTRUCTION SPECIALTIES, INC. AND EDUCATIONAL FACILITY PLANNERS RELATIVE TO ASHEVILLE CIVIC CENTER

Corporation Counsel William C. Moore presented notice of claims from Construction Specialties, Inc. in the amount of $18,163.60 and also from Educational Facility Planners in the amount of $6,724.00 relative to the Asheville Civic Center. He said that in the agreement recently entered into with Ranger Construction Company, all bills would have to be approved by the architect and Ranger Construction Company prior to the time any joint checks are issued.

Mayor Wood acknowledged receipt of the claims and instructed the Corporation Counsel to forward the claims to the architect.

REPORT - SUB-COMMITTEE ON DOWNTOWN PARKING

Councilman Ochsenreiter reported that he and Councilman Hoyle and Mike Smith, Director of Central Services, had met with interested citizens and merchants to discuss the parking ordinance as proposed by the City. He then asked Mr. Smith to read a letter outlining recommendations of the sub-committee. The following recommendations were submitted in the letter:

1. Recommended that all downtown meters be programmed for $.10 for two hours as opposed to the varying rates which exist downtown presently. Even at $.10 for two hours, we are competing downtown with the regional shopping centers where the parking is free.

2. Downtown parking lots both daily and monthly - rates on all city owned or city administered lots remain status quo. Reasons: based on visual surveys, there does not appear to be a parking shortage downtown. Concerns that operate both in the Asheville downtown market and in regional shopping centers are faced with the situation of employees downtown ending up with a smaller net pay check than those working in the regional shopping centers due to parking fees downtown. It should also be pointed out that under the equal pay for equal work act, it would prohibit the downtown employees from gaining extra pay because of the parking situations. In addition, this could have an effect on the ability of downtown employers to obtain qualified employees if the parking expense continues to increase. Also, in time it will force up the employers' cost with reference to employees thereby forcing increases in selling prices and making competition tougher for the downtown merchant as opposed to the regional merchants.

3. Research ways to automate downtown city operated parking lots to eliminate the attendant expense.

4. Establish regional parking lots on the outskirts of the city using bus shuttle service to the downtown area either on a free basis or a minimal charge basis. Locations should be in north, south, east and west. Example - filled area north of the Northland Shopping Center.

5. Survey areas adjacent to crosstown expressway with reference to getting clearance from the state having these areas paved to establish additional parking. Example - parking across from Southern Bell on Cherry Street has been paved and stripped and is free parking.

RESOLUTION NO. 74-154 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE DEMOLITION CONTRACTS

5. Consideration was given to a resolution authorizing the Mayor to execute demolition contracts.

The City Manager read the resolution.

Mr. Michalove, Assistant City Manager explained that demolition monies had been set aside in the budget for this fiscal year and at the present time no authority had been granted to contract this work with private individuals when the work can not be done by city crews. He said this resolution would give an opportunity to go into the private market to have this type work done.

Upon motion of Councilman Horton, seconded by Vice-Mayor Marshall, Resolution No. 74-154 was unanimously adopted.

Complete text of Resolution No. 74-154 will be found in Resolution Book No. 8 at page 8.

RESOLUTION NO. 74-155 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SELECT AN ARCHITECT FOR TWO PROPOSED FIRE STATIONS

6. Consideration was given to a resolution authorizing the City Manager to select an architect for two proposed fire stations.

The City Manager read the resolution and explained that one of the stations is to be located on or near Hendersonville Road to replace the existing station on Lodge Street in the Biltmore Area and the second station is to be constructed at the corner of Livingston Street and South French Broad Avenue to replace the present Bartlett Street Station.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Morris, Resolution No. 74-155 was unanimously adopted.

Complete text of Resolution No. 74-155 will be found in Resolution Book No. 8 at page 9.

Mayor Wood requested the Corporation Counsel to check with the Department of Labor relative to the statement made in the letter regarding the equal pay for equal work act which involves downtown employees gaining extra pay because of the parking situations.

Mayor Wood stated that he had received a suggestion from the smaller merchants downtown to prohibit parking in the Rankin Street Parking Lot and the on-street parking area around Battery Park Hill until after 10:00 a. m. since these areas are the prime parking spaces in terms of customer accessibility to downtown stores. He said this would preclude employees from using them and make them more available for customers. He said he would have to disagree with the Committee that there was not a parking shortage downtown. He said all the parking studies made have indicated to the contrary. He requested that the Committee consider the suggestion.

Councilman Horton commented that it was his opinion that the Committee seemed more interested in the employee parking than the customer and he could not understand why.

Mayor Wood requested that the Committee pursue the matter and report back to Council as soon as possible.

CITY MANAGER'S REPORT - PETITION FOR FOOT PATROL DOWNTOWN

The City Manager read a memorandum from the Chief of Police which stated that in July, 1974 the Police Department eliminated foot patrol in the downtown business area due to the constant drop of people in the area plus many businesses on Patton Avenue had been closed. He said the foot patrol was replaced by motorized scooters which gives better and faster coverage than men on foot. He said records indicate that crime in the business district has considerably decreased and recommended that no change be made at this time due to the badly needed personnel in the outlying districts. The City Manager concurred with the recommendation of the Chief of Police.

The City Manager said he attributed the decrease in crime to the sodium vapor lights installed and the declining number of shoppers in the business district.

Councilman Colton requested that the crime report of August 72-73 as opposed to August 73-74 which indicated a considerable decrease in all crimes be noted.

Mayor Wood requested that the City Manager update the crime report on year end figures for Council to consider again at that time.

RESOLUTION NO. 74-156 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE CHANGE ORDER NO. 1 RELATIVE TO CONTRACT FOR EXTERIOR RENOVATION OF CITY HALL BUILDING

Consideration was given to a resolution authorizing the Mayor to execute change order No. 1 relative to contract for exterior renovation of City Hall Building.

The City Manager read the resolution and explained that at the time the contract was entered into with Brisk Waterproofing Company it was recommended by the architect that the present windows be

6. Hold off on parking deck adjacent to the actual library and parking deck structure until the demand for downtown parking increases above its present level.

In summary, the committee felt that any action taken by the city which would deter traffic from the downtown business district, be it customers or people employed downtown, would have an adverse effect on the downtown area which is something that everyone is interested in preventing. The letter stated that revenue from parking lots is of interest to the City, but at the same time, the revenue which would be generated from the proposed parking fee increases could very well end up costing the city a far greater amount due to the loss in revenue from taxes if this proposed burden is placed on the downtown merchants.

Mr. Smith presented photographs which indicated parking problems around the Arcade Building. He said photographs were taken on October 14, 1974, which was a federal employees holiday, and all parking spaces were vacant. Photographs taken of the same area on October 16, 1974 showed all parking spaces taken. He said this gave an indication as to who was using the parking spaces during the daytime hours. He said officials at the Arcade Building had been contacted and were willing to cooperate in trying to get the employees not to park at the metered spaces.

Mayor Wood said that he had requested the City Manager to poll all the banks in the downtown area to determine how many employees parked downtown and where they were parking. The City Manager then gave the following report:

Bank	Number of Employees	Parking Areas Used
First Union National	150	Hadley Lot Blomberg Lot Phillips Lot Grove Street
Western North Carolina	12	City Lot on Marjorie & Spruce
First-Citizens	40	Lot at Church St. near Central Methodist Church
Bank of Asheville	65	(58) park in Bank Lots and 10 or 12 park in City Lots
Northwestern	87	Parking Garage Broadway/College
Wachovia Bank	199	(119) City Lots on Rankin and Church

Thursday - October 31, 1974 - 3:00 o'clock

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward.

Absent: Assistant City Manager/City Clerk, William F. Wolcott, Jr.

1. Approval of the minutes of the October 24, 1974 meeting.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Marshall the minutes of the October 24, 1974 meeting were approved as submitted.

PRESENTATION OF PLANS - PROPOSED PARKING GARAGE BY WILBUR SMITH AND ASSOCIATES

2. Mr. Ed Ezekiel of Wilbur Smith and Associates presented plans for the proposed parking garage to be constructed between Rankin Avenue and Haywood Street. He explained that the base bid was for 5 1/2 levels with 413 parking spaces at an estimated construction cost of $1,519,120; alternate #1 would add two levels to the structure and 160 parking spaces at an estimated construction cost of $530,683; and alternate #2 would allow for a six level addition to the garage at the north end and would add 85 spaces at an estimated construction cost of $215,465. Mr. Ezekiel told Council construction would be similiar to the Asheville Civic Center and if it was Council's wish bids could be let on November 10, 1974.

Mayor Wood requested that in addition to the contractor submitting a bid bond, that he be required to submit certified copies of financial statements.

The City Manager commented that $825,000 was available in bonds; that $975,000 was set aside from Revenue Sharing funds in the 1974-75 budget; and that the total cost of estimated construction for the base bid plus alternate #1 was approximately $250,000 more than anticipated. However, he recommended accepting the base bid plus alternate #1 commenting that all feasibility studies that have been made were centered around 600 parking spaces and that could be set aside in the 1975-76 budget from Revenue Sharing allocations to cover this amount.

Councilman Ochsenreiter moved to authorize the City Manager to direct Wilbur Smith and Associates to proceed with the letting of the bids for the proposed project. This motion was seconded by Councilman Hoyle and carried unanimously.

Mr. W. F. Algary told Council it was his hope that Council would do everything possible and practical for the downtown area. He said he favored the proposed parking garage and suggested that Council consider a suggestion made by the Department of Transportation several years ago that Lexington Avenue be made a one-way street south and Biltmore Avenue one-way north. He said this would allow parking along

replaced with storm windows, however after engineering studies were made relative to the costs and heat loss from the building the architects reconsidered and are now recommending that all exterior doors and windows be painted. He said the change order amounted to $8,725.00.

Upon motion of Councilman Morris, seconded by Councilman Horton Resolution No. 74-156 was unanimously adopted.

Complete text of Resolution No. 74-156 will be found in Resolution Book No. 8 at page 10.

CLAIM - GEORGE W. MOOREFIELD/ROCK WELL INSULATING COMPANY AND THUNDERBOLT PATTERSON

The City Manager presented a claim received from George W. Moorefield and Thunderbolt Patterson dated October 23, 1974.

Mayor Wood referred the claim to the Corporation Counsel for recommendation.

Thunderbolt Patterson asked Council why Mr. George W. Moorefield cannot bring wrestling matches into the City of Asheville.

Mayor Wood advised him that the claim was referred to the Corporation Counsel and his report would be made at next weeks meeting.

Corporation Counsel William Moore explained to Mr. Patterson that under the Charter for the City of Asheville a claim is presented to Council and that Council has ten (10) days in which to respond to the claim.

Mr. George W. Moorefield told Council that he could not get a date for holding a wrestling match at the Civic Center and asked Council to set a date for him to hold a wrestling match any time within the next two weeks.

Mayor Wood informed him that since the matter was under possible litigation he felt it would be in the best interest to follow the advice of the Corporation Counsel and that the Corporation Counsel's recommendations would be made to Council at next weeks meeting.

Adjournment.

Richard D. Wood, Jr.
MAYOR

CITY CLERK

Center Director James M. Evans, all other host city officials and Ms. Marie Earley, Convention Manager of the Asheville Chamber of Commerce, for their hospitality, assistance, and cooperation and for the numerous courtesies rendered in hosting this 65th Annual Convention which contributed immeasurably to its success."

DEATH OF FANNIE B. MCCOY

Mayor Wood made the following announcement relative to the passing away of Miss Fannie B. McCoy:

"On behalf of the Council and the citizens of Asheville, I wish to recognize with sorrow the passing yesterday of Miss Fannie B. McCoy.

Until illnesses in recent years prevented her from doing so, Miss McCoy was a frequent commentator on affairs of local government, particularly of the City. Her interest in and concern for her community was commendable.

Long before the slogan of "citizen participation in government" came into fashion, Miss McCoy was putting this concept into practice. In so doing, her name became a local household word to many who had never met her. She will be missed by our community."

PETITION - GEORGE BEVERLY - PROPERTY ON EAST CHESTNUT STREET

The City Manager presented a rezoning petition from George Beverly requesting that Ward 2, Sheet 16, Lots 126 and 127-1/2 located on East Chestnut Street be rezoned from RA-6 to RA-M Residential District in order to construct a building for the Southern Bell Telephone Company on these lots.

In the absence of any objections from members of Council, Mayor Wood referred the petition to the Planning and Zoning Commission for study and recommendation.

SUPPLEMENTAL AGREEMENT #1 - ASHEVILLE AIRPORT FENCING

The City Manager presented Supplemental Agreement #1 for the Asheville Fence Company's contract at the Asheville Airport.

He said the original contract did not include electrical grounding and that this change order would allow for this at a total cost of $1,800, with FFA financing 82 per cent and the City 18 per cent for a total cost to the City of $234.00.

Councilman Ochsenreiter moved to approve Supplemental Agreement #1 for the Asheville Fence Company's contract at the Asheville Airport. This motion was seconded by Councilman Hoyle and carried unanimously.

these streets. He also suggested that the Parks and Recreation Department take care of the trees in the two parks downtown. He suggested that the present library be made into a historic center for rare records, books , etc.

CHANGE ORDER - ELECTRICAL CONTRACT ASHEVILLE CIVIC CENTER

3. The City Manager presented a change order, prepared by Baber, Cort, and Wood, with M. B. Haynes Electrical Corporation, relative to the electrical contract at the Asheville Civic Center. He said this change order would allow for electrical work to be done for stage show service and ice show electrical service. He said the change order amounted to $6,467.00.

Councilman Morris moved for the approval of the change order relative to the electrical contract at the Asheville Civic Center. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

RESOLUTION 74-157 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A SUPPLEMENTAL MUNICIPAL AGREEMENT WITH NORTH CAROLINA BOARD OF TRANSPORTATION RELATIVE TO CONSTRUCTION OF US 70-74 CONNECTOR UNDER THE RIGHT OF WAY PROJECTS 8.1901402 and 1.1901403

4. Consideration was given to a resolution authorizing the Mayor to enter into a supplemental municipal agreement with North Carolina Board of Transportation relative to construction of US 70-74 connector under the right of way projects 8.1901402 and 8.1901403.

The City Manager read the resolution and explained that the area in question is along Ross Creek Road in the Chunns Cove area. He said there now exists an 8" sanitary sewer line, which would have been replaced by the State because they will be working on the City's right of way. However, the Water Department has suggested that the line be increased to 12" to take care of future development in the Chunn's Cove area and the City would be obligated to pay the difference between an 8" line and a 12" line.

Upon motion of Councilman Morris, seconded by Councilman Colton Resolution No. 74-157 was unanimously adopted.

Complete text of Resolution No. 74-157 will be found in Resolution Book No. 8 at page 11 .

MAYOR WOOD - LEAGUE OF MUNICIPALITIES RESOLUTION

Mayor Wood commented on the success of the recent convention of the North Carolina League of Municipalities held at the Asheville Civic Center. He said it was the largest convention of the League in history and a number of compliments were received regarding the City hosts and the transit system worked out by the City for the convention. He said on Tuesday afternoon, October 29, 1974, the League passed the following resolution of appreciation:

"BE IT RESOLVED by the North Carolina League of Municipalities in Annual Convention assembled this 29 day of October, 1974, that the delegates express their sincere appreciation and gratitude to Mayor Richard A. Wood, Jr., the members of the Asheville City Council, City Manager Ernest J. Ward, Assistant Manager William F. Wolcott, Civic

requesting Council to join with other citizens in requesting the State to take over and maintain Laurel Road on Royal Pines Mountain. He said the City uses this road due to a City reservoir on the mountain.

Councilman Morris made the motion to authorize execution of a petition for the State to take over and maintain Laurel Road, and the motion was seconded by Councilman Horton and carried unanimously.

REPORT OF SUB COMMITTEE ON DOWNTOWN PARKING

Councilman Ochsenreiter called on Mike Smith, Director of Central Services, to make a report of the recommendations of the Parking Committee. Mr. Smith stated that these recommendations were made in accordance with the recommendations made by the Downtown Parking Committee. He recommended that that the proposed parking ordinance be amended to reflect no change in the present parking lot rates, except for the Rankin Avenue and South Lexington Avenue Lots, which reflects a change from 25 cents for 2 hours to 10 cents for 2 hours. All other sections of the ordinance would remain the same. He also suggested that the Parking Committee's recommendation that all on-street parking meters be programmed for $.10 for two hours as opposed to the varying rates which exist presently be accepted. He said these rates would be considerably less than private operators of parking lots in the downtown area.

A discussion followed relative to downtown employees feeding meters during daytime hours.

Upon inquiry, Corporation Counsel William Moore told Council that restricting certain areas for certain hours of parking could only be made if the restriction was made due to some legitimate reason for regulating the hours such as for the health, safety, or welfare of the citizens.

Mayor Wood requested the City Manager to prepare written calculations for Council to consider; to check into the feasibility of regulating the hours of operation for the Rankin Avenue Parking Lot to permit parking only after 9:30 a.m.; and to check into the cost of reprogramming and the re-signing of changing regulations for hours of operation for on-street parking. He also requested Mike Smith, Director of Central Services, to rewrite the proposed parking ordinance for Council's consideration at next weeks meeting.

Adjournment.

CITY CLERK

RESOLUTION NO. 74-158 - RESOLTUION AMENDING RESOLUTION NO. 73-44 ESTABLISHING REGULATIONS FOR THE OPERATION OF THE ASHEVILLE CIVIC CENTER

Corporation Counsel William C. Moore told Council that since a claim had been presented at last weeks Council meeting by George Moorefield relative to the holding of wrestling matches at the Asheville Civic Center he had reviewed the present rules and regulations for the operation of the Civic Center and recommended that the following amendment be made in the regulations:

(d), (1) Rentals for use of the Civic Center for wrestling matches shall be limited to no more than twice per calendar month, with no one promoter allowed more than one booking in any given calendar month; and no bookings shall be made more than 90 days in advance; in the event no other promoter has requested the other available date within thirty days of an open date, said date may be booked to the promoter who has booked the other date during said month, or to any other promoter; the manager shall determine the amount of advance deposit (equal to the minimum guarantee, plus the cost of any special facilities or extra services which can be determined or estimated in advance) and shall require that said advance deposit be paid upon the date of the execution of the lease agreement and said sums deposited shall be non-refundable."

The Corporation Counsel read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Hoyle Resolution No. 74-158 was unanimously adopted.

Complete text of Resolution No. 74-158 will be found in Resolution Book No. 8 at page 12.

PATRICK E. INGLE - REQUEST TO CONTINUE HEARING

The Corporation Counsel presented a letter received from Robert S. Swain requesting continuance of a hearing of Patrick E. Ingle relative to the appeal of findings of the Civil Service Board at a hearing on September 19, 1974. He requested that the hearing be continued for two weeks.

Mayor Wood scheduled the hearing for Patrick E. Ingle for November 14, 1974.

PARKING COMMITTEE - EQUAL PAY FOR EQUAL WORK STATEMENT

Corporation Counsel William Moore stated that he had been requested at last weeks meeting to check into the validity of the statement made by the Downtown Parking Committee that merchants would be violating the Equal Pay for Equal Work Act if employees downtown gained extra pay due to the parking situation. Mr. Moore said he had reviewed the act and that it only pertained to sex discrimation and that he had informed members of the committee of his findings.

LAUREL ROAD - LETTER OF REQUEST

The Corporation Counsel submitted a letter from Mr. Long

3. The rezoning is not in keeping with the established development plan for the area which has been recommended and adopted by the Asheville City Council effective June 14, 1974.

Mr. Emrick also presented a map and aerial photograph of the area in question.

Charles H. House, owner of a portion of the land requested to be rezoned, expressed to Council his desire to use this property for a recreational area. He said the land is not suitable for single family dwellings and that the roads referred to by the Planning and Zoning Commission have been used for a number of years by patrons of a fishing lake on the property. He also pointed out that the area around this property is being used commercially.

Mrs. Thelma Hughes, 57 Pleasant Ridge Drive, speaking on behalf of the Parkway Forest Association, told Council that they were opposed to the rezoning and that the roads leading into this property were vary narrow and development of this property could cause a traffic hazard on these roads.

Mrs. Ruth Biggs, 31 Birchwood Lane also spoke in opposition to the rezoning.

Mayor Wood closed the public hearing at 3:28 o'clock p. m.

The City Manager read the prepared ordinance which would rezone the property from RA-10 Residential to Roadside Business.

Vice-Mayor Marshall moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 3-2, Ordinance No. 824 passed on its first reading with Councilmen Colton and Morris voting "no".

ORDINANCE NO. 825 - AN ORDINANCE PROVIDING FOR WATER RATES AND CHARGES

3. Consideration was given to an ordinance providing for water rates and charges.

The City Manager read the ordinance.

Mr. Bill Edens, Director of Water and Sewer Services, explained to Council that the present meters register in cubic feet and present charges for service are based upon per thousand gallons used per month which requires a conversion from cubic feet to gallons before rates can be applied. He said the new rate is proposed to be based on cubic feet thereby eliminating any conversion factor and making it easier for the customer to apply the City's rate schedule to his own consumption figures.

Mr. Edens said the average increase for a moderate user is estimated to be about 14.7 per cent and the minimum bill would reflect a 13.7 per cent increase. He said these rates are in keeping with the statement made to the public when the water bond issue was passed that it would be expected to increase the water rates an average of about 15 per cent. He said he felt this was a reasonable approach in reaching this obligation.

Thursday - November 7, 1974 - 3:00 o'clock

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen J. W. Hoyle, Bill B. Horton, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward.

Absent: Councilman Eugene C. Ochsenreiter, Jr. and Assistant City Manager/City Clerk William F. Wolcott, Jr.

1. Approval of the minutes of the October 31, 1974 meeting.

Mayor Wood noted that the minutes stated that George Beverly, Jr. had petitioned for rezoning of property on East Chestnut Street and that the minutes should read that Southern Bell Telephone Company petitioned for the rezoning with George Beverly signing the petition as agent.

This correction was noted and upon motion of Councilman Colton, seconded by Councilman Hoyle the minutes were approved as submitted.

PUBLIC HEARING - REZONING OF PROPERTY ON LAKE CRAIG ROAD

ORDINANCE NO. 824 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED.

2. A public hearing was held relative to rezoning property on Lake Craig Road from RA-10 Residential to Roadside Business for Charles, Kathleen, and Roger House, Vernon, James, and Wendall Sams, John W. Moyer, and Vallie E. Beckom.

Mayor Wood opened the public hearing at 3:04 o'clock p. m.

The City Manager read the notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Director of Planning, read a letter from the Planning and Zoning Commission, which stated that at the regular meeting of the Commission held on October 2, 1974 the Commission voted to accept the staff report and recommend to City Council that the request be denied and the property remain as it is now zoned. He said the staff recommended denial of the request for the following reasons:

1. The site is not easily accessible to the general public who would utilize the facility. Azalea Road, on which the property fronts, is a gravel road, therefore, limiting to some degree safe traffic flow within the area. The only other access to Lots 9, 10, 11, 11-1/4, 13, 13-1/4, & 14 is from Oteen Church Road, portions of which are also unpaved.

2. No contiguity is established in that all surrounding property is presently zoned RA-10 Residential District.

Upon inquiry from Councilman Morris, Mr. Smith explained that a lot of revenue was lost from off-street parking, due to the cost of operation for these lots. However, this loss balances out from the revenues received from on-street parking fees and creates a break-even operation. He also told Council that the proposed rates were arrived at by estimating the monthly cost of operation for each lot and applying a rate which would allow for a break-even operation for parking lots.

Councilman Morris commented that he felt the taxpayers should not have to subsidize the cost of parking downtown.

In concluding the discussion, it was the consensus of Council that the original proposed ordinance would improve customer parking downtown and encourage all day parkers to use the perimeter parking lots.

Councilman Morris moved to amend the ordinance applying December 1, 1974 as the effective date for the ordinance. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 814 passed on its third and final reading.

Complete text of Ordinance No. 814 will be found in Ordinance Book No. 6 at page 110.

RESOLUTION NO. 74-159 - RESOLUTION AUTHORIZING THE MAYOR TO FILE AN APPLICATION FOR A FEDERAL GRANT TO TRAIN POLICE OFFICERS

5. Consideration was given to a resolution authorizing the Mayor to file an application for a federal grant to train police officers.

The City Manager read the resolution.

Chief J. C. Hall explained that this grant would allow for training classes at the University of Georgia for an executive development program for Crime Scene Technician, Organized Crime Homicide Investigation, Police Management, Burglary Investigation, Crime Prevention and , Criminal Investigation and Indentification.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Horton, Resolution No. 74-159 was unanimously adopted.

Complete text of Resolution No. 74-159 will be found in Resolution Book No. 7 at page 13.

BIDS - FOUR (4) TRUCKS FOR PARK AND RECREATION DEPARTMENT

6. Consideration was given to bids received October 21, 1974 for four (4) trucks for the Park and Recreation Department.

Councilman Horton said the primary concern would be that no water user would receive a bill that would be over 15 per cent of their present bill.

In discussing the rates and charges for water to customers for resale, Mr. Edens explained that in some instances these rates would reflect about a 16.1 per cent increase.

Mayor Wood suggested that the proposed last level of all over 400,000 cubic feet per month for $.28 per 100 cubic feet be reduced to $.27 per 100 cubic feet in order that the rate would only reflect an increase of 15 per cent.

Councilman Colton moved for the adoption of the ordinance and requested that Mr. Edens determine what effect the reduction of the last step of the resale rate to $.27 per 100 cubic feet would have on customers, before the second reading. This motion was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 825 passed on its first reading.

ORDINANCE NO. 814 - AN ORDINANCE AMENDING THE CODE OF THE CITY OF ASHEVILLE BY ADDING DIVISION 3 - CITY PARKING LOTS - TO ARTICLE V - STOPPING, STANDING, AND PARKING

4. Consideration was given to the third reading of Ordinance No. 814, an ordinance amending the Code of the City of Asheville by adding Division 3 - City Parking Lots - to Article V- Stopping, Standing and Parking.

Mr. Mike Smith, Director of Central Services, presented Ordinance No. 814, which was tabled on the second reading at the August 22, 1974 meeting. He also presented a possible alternate for Council's consideration, which reflected no increases in the rates of charges for parking on the parking lots except for the Rankin Avenue and South Lexington Avenue lots, which reflects a change from 25 cents for 2 hours to 10 cents for 2 hours. He also said the alternate included a section which would prohibit parking on the Rankin Avenue lot before 9:30 a. m.

Mayor Wood pointed out that the original proposed ordinance included a provision for the City Manager, at his discretion, may alter or suspend the normal hours of operation on the parking lots.

Mayor Wood also commented that for a number of years Southern Bell Telephone Company has made available a parking lot adjacent to the Southern Bell offices on Battery Park Hill. However, effective January 1, 1975 they intend to close the lot to the public and use it only for the employees and vehicles of the Company. He said this involves some 250 parking spaces.

Councilman Horton questioned whether or not the concept of the alternate would improve parking for customers in the downtown area.

REZONING REQUEST - SOUTHERN BELL TELEPHONE COMPANY - PROPERTY ON EAST CHESTNUT

Consideration was given to a recommendation from the Planning and Zoning Commission relative to rezoning property on East Chestnut Street for the Southern Bell Telephone Company for construction of an office building.

The City Manager read a letter from the Planning and Zoning Commission which recommended that the property be rezoned as petitioned.

Councilman Morris moved that a public hearing on the rezoning matter be held on December 5, 1974 and that the required legal advertisement be made at the petitioner's expense. This motion was seconded by Councilman Horton and carried unanimously.

GROUP DEVELOPMENT - HILLHAVEN MEDICAL PLAZA

Consideration was given to a recommendation from the Planning and Zoning Commission relative to a site plan for a proposed Hillhaven Medical Plaza, to be located on Livingston Street and Victoria Road.

The City Manager read a letter from the Planning and Zoning Commission recommending the approval of the group development plan.

Councilman Morris moved that a public hearing on the matter be held on December 5, 1974 and that the required legal advertisement be made at the petitioner's expense. This motion was seconded by Councilman Horton and carried unanimously.

GROUP DEVELOPMENT - WAREHOUSE FACILITY ON CRAYTON ROAD

Consideration was given to a recommendation from the Planning and Zoning Commission relative to a site plan of a proposed warehouse facility to be located on Crayton Road.

The City Manager read a letter from the Planning and Zoning Commission which recommended the approval of the group development plan.

Councilman Morris moved that a public hearing on the matter be held on December 5, 1974 and that the required legal advertisement be made at the petitioner's expense. This motion was seconded by Councilman Horton and carried unanimously.

APPOINTMENT OF H. PHIL SHOOK TO THE ASHEVILLE HOUSING AUTHORITY

Mayor Wood appointed H. Phil Shook as a Commissioner of the Housing Authority of the City of Asheville to serve for a term of five years, ending June 11, 1979.

APPOINTMENT OF JESSE RAY TO THE ASHEVILLE HOUSING AUTHORITY

Mayor Wood re-appointed Jesse Ray as a Commissioner of the Housing Authority of the City of Asheville to serve for a term of five years, ending June 11, 1979.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid for Item # 1 submitted by Asheville International in the amount of $10,124.90 less trade in of one (1) pick up truck for $25.00 for a net bid of $10,099.90; acceptance of the low bid for item #4 submitted by Matthews Motors, Inc. in the amount of $3,678.94 less trade-in of one (1) 3/4 ton pick up truck for $75.00 for a net bid of $3,603.94. The Purchasing Agent also stated in the memorandum that the low bid submitted by Asheville International for Item #2 did not meet specifications, therefore, the second low bid submitted by Matthews Motors, Inc. in the amount of $4,591.02 less trade in of one (1) Jeep Pick Up for $500.00 for a net bid of $4,091.02 was recommended. It was also recommended that the only bid received for item #3 from Matthews Motors, Inc. in the amount of $4,271.44 less trade in of one (1) 3/4 ton pick up truck for $100.00 for a net bid of $4,171.44 be accepted.

Vice-Mayor Marshall questioned whether or not the vehicles being used for trade in could be used by the Motor Transport Department.

Councilman Morris moved to accept the recommendations of the Purchasing Agent for all four items, with instructions to determine whether the vehicles being used as trade in would be usable in the Motor Transport Department and if so that the bidders be consulted to determine if they would accept an increase in the bid for the amount of the trade in value. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

MRS. FRED SUMMEY - 67 BREVARD ROAD - COMPLAINT - DRIVE WAY

Mrs. Fred Summey, 67 Brevard Road, told Council that five (5) families use a public driveway beside her house and that it was in bad need of repairs. She said the Street Department had scraped the road last week but it was in worse condition now than before they scraped it. She requested that something be done about the drive.

Mayor Wood requested the City Manager to check into the complaint.

PUBLIC HEARING CONTINUED - ZONING ORDINANCE

Mayor Wood reconvened the public hearing concerning the adoption of a new zoning ordinance for the City of Asheville. He said Council had completed reviewing the text of the ordinance and was now considering the zoning of particular parcels of land.

Mr. Joseph C. Bell, President of the Grove Park Association told Council that he was in favor of the new ordinance. After reviewing the proposed zoning of the Grove Park and Sunset Area he said the proposed zoning matched the expectations of the Grove Park Association.

Mr. Shuford Hall, Hollywood Street, asked Council if a day care center would be allowed in the proposed zoning of his property.

Mayor Wood advised him that his property is proposed to be rezoned to R-2 which under the permitted uses would not allow for a day care center.

Mr. Hall told Council that he felt the R-2 classification would be too strict for this area and asked Council to consider zoning the property R-3 which would allow for a day care center as a Conditional Use.

Councilman Morris move to continue the public hearing until next week at which time Council would look closely at the tax maps in terms of R-2 and R-3. This motion was seconded by Councilman Hoyle and carried unanimously.

Adjournment.

MAYOR

CITY CLERK

RESOLUTION NO. 74-160 - RESOLUTION APPOINTING MEMBER OF THE CITY OF ASHEVILLE BOARD OF ALCOHOLIC CONTROL (J. W. Byers)

Consideration was given to a resolution appointing J. W. Byers a member of the City of Asheville Board of Alcoholic Control.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 74-160 was unanimously adopted.

Complete text of Resolution No. 74-160 will be found in Resolution Book No. 7 at page 15.

PETITION - REZONING OF PROPERTIES FROM CORNER OF EDGEWOOD ROAD AND LONG STREET TO CORNER OF EDGEWOOD ROAD AND MERRIMON AVENUE

The City Manager presented a rezoning petition received from George K. and Mary H. Stewart, Mamie Presley, and William W. Smith requesting that properties from corner of Edgewood Road and Long Street to corner of Edgewood Road and Merrimon Avenue be rezoned from Neighborhood Trading Area to Business.

In the absence of any objections from members of Council, Mayor Wood referred the petition to the Planning and Zoning Commission for study and recommendation.

PROCLAMATION - OPTIMIST INTERNATIONAL YOUTH APPRECIATION WEEK

Mayor Wood proclaimed the week of November 11 - 17 as Optimist International Youth Appreciation Week.

HEARING - APPEAL OF PATRICK E. INGLE

Corporation Counsel William C. Moore advised that at last weeks meeting Council continued the hearing for the appeal of Patrick E. Ingle from rulings of findings of the Civil Service Board until November 14, 1974 at the request of Mr. Ingle's attorney.

At this time, Mr. Moore advised that he would be out of the city on that date and requested that the hearing be continued until November 21, 1974.

Mayor Wood scheduled the hearing for November 21, 1974.

CORPORATION COUNSEL'S REPORT - GEORGE W. MOOREFIELD - ASHEVILLE CIVIC CENTER

Corporation Counsel William C. Moore told Council that in recommending certain changes in the regulations for the Asheville Civic Center relative to wrestling matches at last weeks meeting he also recommended that the claim presented by Mr. Moorefield at the October 24, 1974 meeting, be denied, due to Mr. Moorefield failing to comply with the Charter of the City of Asheville before the dates specified in the claim and therefore he would have no cause for action on this claim.

Councilman Colton moved to accept the Corporation Counsel's recommendation. This motion was seconded by Councilman Hoyle and carried unanimously.

Mr. Bill Edens, Director of Water and Sewer Department, explained that he had recalculated the resale rate applying a 27¢ per 100 cu. ft. charge to a random sample of customers using in excess of 400,000 cu. ft. Based on this rate the increase would be less than 15 per cent on maximum billings and approximately 14.4 per cent on the average bill.

Councilman Morris moved to amend the Ordinance and reduce the proposed rate of 28¢ to 27¢ for customers using in excess of 400,000 cu. ft. for the resale water rate. This motion was seconded by Councilman Colton and carried unanimously.

Responding to Councilman Horton's question, Mr. Edens confirmed that the new ordinance pricing was consistent with previous policy and that it appeared that no customer would have more than a 15 per cent increase in cost.

Councilman Horton explained that he had received a letter from a citizen suggesting rate changes that cost the moderate user less and the high user more but the he would not propose a change like this at this time.

On a roll call vote of 5 - 0, Ordinance No. 825 passed on its second reading.

ORDINANCE NO. 826 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1974-75 (for vacuum leaf loader)

4. Consideration was given to an ordinance amending the Operating Budget of the City of Asheville for the Fiscal Year 1974-75 for the purchase of a vacuum leaf loader.

The Assistant City Manager read the ordinance.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 826 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of the ordinance. This motion was seconded by Councilman Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 826 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of the ordinance. This motion was seconded by Councilman Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 826 passed on its third and final reading.

Complete text of Ordinance No. 826 will be found in Ordinance Book No. 6 at page 132.

RESOLUTION ACCEPTING DEEDS TO CERTAIN PROPERTY AND IMPROVEMENTS COMPRISING THE ROSSCRAGGON RESERVOIR AND THE MOUNT ROYAL WATER TANK, PUMP STATION AND CONNECTING WATER LINES

5. Consideration was given to a resolution accepting deeds to certain property and improvements comprising the Rosscraggon Reservoir and the Mount Royal Water tank, pump station and connecting water lines.

Thursday, November 14, 1974 - 3:00 o'clock p. m.

Regular Meeting:

Present: Mayor Richard A. Wood, Jr., Presiding; Councilmen J. W. Hoyle, Eugene C. Ochsenreiter, Jr., Bill B. Horton, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, Assistant City Manager/City Clerk William P. Wolcott, Jr.

Absent: Vice-Mayor Calvin W. Marshall, Corporation Counsel William C. Moore, and City Manager Ernest J. Ward.

1. Approval of the minutes of the November 7, 1974 meeting.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, the minutes of the November 7, 1974 meeting were approved as submitted.

ORDINANCE NO. 824 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Property on Lake Craig Road)

2. Consideration was given to the second reading of Ordinance No. 824, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville", as amended.

No one spoke in favor of the ordinance.

Mr. Galen Rhodes, 29 Birchwood Lane, explained that there was a bad odor from the lake on the property in question and that in the summer months the lake is very low and has many mosquitoes. He explained that residents in Parkway Forest had a meeting Tuesday evening and they were opposed to this rezoning.

Councilman Horton explained that he had visited the area over the weekend and had also reviewed the Planning and Zoning Commission's minutes and it was his opinion that it would not be desirable to change the zoning of this area at the present time.

Mayor Wood explained that he also had visited the area and he asked Verl Emrick, Director of Planning, to explain the Oteen Church Road access to the property. It was determined that this access was tied into the property and could be used without dedication.

On a roll call vote of 4-0, Ordinance No. 824 failed on its second reading with Councilman Ochsenreiter abstaining from the vote,due to being absent from last week's Council meeting.

Mr. Charles H. House, owner of a portion of the property in question, asked if he could re-submit his request again for a different zoning and he was informed by Mayor Wood that he could under the same procedure as before.

ORDINANCE NO. 825 - AN ORDINANCE PROVIDING FOR WATER RATES AND CHARGES

3. Consideration was given to the second reading of Ordinance No. 825, an ordinance providing for water rates and charges.

RESOLUTION NO. 74-162 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A SUPPLEMENTAL MUNICIPAL AGREEMENT WITH NORTH CAROLINA BOARD OF TRANSPORTATION RELATIVE TO CONSTRUCTION OF I-40 AND US 74 INTERCHANGE

7. Consideration was given to a resolution authorizing the Mayor to enter into a supplemental Municipal Agreement with North Carolina Board of Transportation relative to construction of I-40 and US 74 Interchange.

The City Manager read the resolution.

Upon motion of Councilman Oshsenreiter, seconded by Councilman Hoyle, Resolution No. 74-162 was unanimously adopted.

Complete text of Resolution No. 74-162 will be found in Resolution Book No. 8 at page 17.

RESOLUTION NO. 74-163- RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR SEWER LINE CROSSING U. S. 19, 23, 25, 70 (MERRIMON AVENUE)

8. Consideration was given to a resolution authorizing the Mayor to execute right-of-way encroachment agreement with the North Carolina State Board of Transportation for sewer line crossing U. S. 19, 23, 25, 70 (Merrimon Avenue).

The City Manager read the resolution.

Upon motion of Councilman Horton, seconded by Councilman Ochsenreiter, Resolution No. 74-163 was unanimously adopted.

Complete text of Resolution No. 74-163 will be found in Resolution Book No. 8 at page 18.

REZONING PETITION - PAUL LOCKHART - 650 HAYWOOD ROAD

The City Manager presented a rezoning petition received from Paul Lockhart requesting that Ward 5, Sheet 12, Lot 307 located at 650 Haywood Road be rezoned from RA-5 to Business.

In the absence from any objections from members of Council, Mayor Wood referred the petition to the Planning and Zoning Commission for study and recommendation.

REZONING PETITION - PROPERTY BETWEEN OLD HAW CREEK ROAD AND NEW HAW CREEK ROAD

The City Manager presented a rezoning petition from property owners in the Haw Creek Area requesting that certain lots lying generally between Old Haw Creek Road and New Haw Creek Road be rezoned from RA-6 to Roadside Business.

In the absence from any objections from members of Council, Mayor Wood referred the petition to the Planning and Zoning Commission for study and recommendation.

AVERY'S CREEK WATER SYSTEM

Mayor Wood stated that he had received a call from the Attorney for the Avery's Creek Sanitary District urging that the Council authorize the signing of a contract between the Avery's Creek Sanitary District, the Buncombe County

The Assistant City Manager read the ordinance.

Mr. Bill Edens, Water and Sewer Director, explained that the established price was fair, that the change at this time was due to adverse possession, and that there was money budgeted to make further capital improvements to this system in this years budget.

Upon motion of Councilman Colton, seconded by Councilman Ochsenreiter, Resolution No 74-161 was unanimously adopted.

Complete text of Resolution No. 74-161 will be found in Resolution Book No. 8 at page 16.

BIDS - WAXED PAPER CUPS FOR CIVIC CENTER

6. Consideration was given to bids received October 18, 1974 for waxed paper cups for Civic Center.

The Assistant City Manager read a memorandum from the Purchasing Agent which recommended the low base bid for item #1, 1,000,000 cups, in the amount of $11,540.00 submitted by Bell Distributing Company. He said the price of $11,540.00 for 1,000,000 cups compared to the Alternate low bid of $6,500.00 for 500,000 cups represents a savings of $1,460.00 for the larger quantity. He also said subsequent to solicitation of bids, Mr. Evans, Civic Center Manager, has requested that bid items 2 and 3 be cancelled. He said a smaller popcorn cup will be rebid at a future date and item #3, rolls of film for cup capper are not required at this time and can be handled on an informal bid basis as needed. It was determined that this item was anticipated in the budget and these were the same type cups used currently.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to Bell Distributing Company, in the amount of $11,540.00. This motion was seconded by Councilman Colton and carried unanimously.

Bid Summary — Waxed Paper Cups for Civic Center

Item	Bidder		
	Standard Paper Co.	Bell Distributing	Henley Paper Co.
Item #1 1,000,000 (10 oz. size cold drink cups)	11,700.00	11,540.00	11,770.00
Item #1 - Alternate 500,000 (10 oz. size cold drink cups)	6,500.00	No Bid	6,525.00
Item # 2 - 250,000 (32 oz. size popcorn cups)	8,375.00	8,410.00	8,410.00
Item # 2 - 100,000 (32 oz. size popcorn cups)	3,350.00	No Bid	3,364.00
Item #3 - 1 Roll FF216 Shrink film for cup capper	$61.25/ea.	No Bid	$64.29/ea.

Mr. Ramsey also suggested that parking be prohibited before 9:00 a. m. around the Federal Building.

Mayor Wood pointed out that this had been checked with the City Attorney and it was his opinion that this could only be done if applied uniformly in the downtown area.

Mr. Ramsey also commented on the phrase "equal pay for equal work" for employees gaining extra pay for increased parking fees.

Mayor Wood pointed out that the City Attorney had checked into this and that it would only apply to hiring discrimination practices.

Mr. Ramsey suggested that foot patrolmen be reinstated downtown.

Mayor Wood explained that this subject was dealt with at length at the October 24, 1974 Council meeting and he asked that the report submitted by Chief Hall explaining the change from footpatrol to scooter patrol be mailed to the petitioner.

Mr. B. Gordon, Gordon's Jewelers, said that he had heard a rumor that the City was not going ahead on the construction of the parking garage.

The Mayor explained that the Council had reviewed the plans in the past two weeks, that the bids would be opened December 1, 1974 and the Council would decide to let the contract sometime before the first of the year.

Mr. Gordon also explained that the merchants were experiencing thefts in their stores and he attributed the increase and existence of the problem to the lack of foot patrolmen in the downtown area.

Mr. Ken Raisen also spoke about the need for foot patrolmen.

Both indicated that seeing policemen walking the streets had a deterent psycholigical effect on would be thieves.

After considerable discussion Mayor Wood asked that Mr. Ward and Chief Hall work up putting on additional men for footpatrol, and where funds could be gotten and at the same time prescribe the present system of scooter patrol.

PUBLIC HEARING - ZONING ORDINANCE

Considerable discussion was held on the advisibility of adding "Conditional Uses" activities to R-2 in order that nursery schools and other conditional uses in R-3 could be included in R-2.

This discussion was over the Shuford Hall property and their previous interest in rezoning the property under the present ordinance.

Mrs. Lewis and Mr. Shackelford spoke against the rezoning and/or "Conditional Use" change.

Councilman Horton moved that the same conditional uses in R-3 be included in R-2. This motion was seconded by Councilman Colton. This motion failed 3 -2.

Mayor Wood explained that this was one of many items to be considered throughout the public hearing process and that after the public hearing process was

Commissioners, and the City, otherwise the Avery's Creek Sanitary District could not qualify for Clean Water Bond funds in this 90 day cycle to be approved by the State.

Mr. Edens explained the proposal and the relationship of the other improvements to the South Buncombe Area - particularly the improvements that were to be made for Coca-Cola.

Mayor Wood said that the Council had recently passed a resolution to take ownership and maintain the system once constructed and he was under the impression that this was all that was necessary until todays request to sign the contract. Mayor Wood pointed out that the contract would extend the Sullivan Act to these customers and that they were not originally included as recipients.

Councilman Colton and Morris voiced objection to extending this benefit.

Another questioned point of the contract was the guarantee of water pressure.

Councilman Ochsenreiter stated that all aspects of the contract should be reviewed.

Mayor Wood indicated that it was his understanding that if Council did not act today it would only delay action by the State for another 90 days.

The contract was referred to the City Attorney with instructions to explore the contents, considering the objections, with those involved.

PROCLAMATION - NATIONAL RETARDED CITIZENS MONTH

Mayor Wood proclaimed the month of November as National Retarded Citizens Month.

WHITE HOUSE CHRISTMAS TREE

Mayor Wood explained that he had read where the White House Christmas Tree was coming from Rome Mountain and it was customary for the Congressman from the donating district to light the tree. Mayor Wood requested permission from Council to write to the Speaker of the House Carl Albert suggesting and recommending that Congressman Roy Taylor light the tree.

Councilman Morris moved that the Mayor's recommendation be accepted. This motion was seconded by Councilman Hoyle and carried unanimously.

DOWNTOWN PARKING AND FOOT PATROLMEN

Mr. Bonson Ramsey commented on the recently passed ordinance which increased the downtown parking rates. He suggested that all parking lots have meters with a 2 hour limit with spaces also provided for monthly parkers.

Councilman Morris pointed out that it was not the City's intent to make money on parking but to at least breakeven. It was his opinion that the new ordinance recently passed improved the possibility of this happening.

The new ordinance was also designed to discourage employee parking in the prime downtown lots and improve customer parking. Mike Smith compared the new rates stressing the high cost of all day parking and the proposed plan to have more parking meters used on off street lots.

Thursday, November 21, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the November 14, 1974 meeting.

Upon motion of Councilman Hoyle, seconded by Councilman Ochsenreiter, the minutes of the November 14, 1974 meeting were approved as submitted.

ORDINANCE NO. 825 - AN ORDINANCE PROVIDING FOR WATER RATES AND CHARGES

2. Consideration was given to the third and final reading of Ordinance No. 825, an ordinance providing for water rates and charges.

The City Manager recommended that a section be added for rates and charges for water delivered to customers outside Buncombe County. He said this section had been overlooked in the preparation of the original ordinance and concerned customers in Industrial Park in Hendersonville.

Councilman Morris moved to amend the ordinance by adding Section 3 for rates and charges for water delivered to customers outside Buncombe County. This motion was seconded by Councilman Colton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 825 passed on its third and final reading, with an effective date of January 1, 1975.

Complete text of Ordinance No. 825 will be found in Ordinance Book No. 6 at page 130.

BIDS - BULK ROCK SALT FOR SNOW AND ICE CONTROL

3. Consideration was given to bids received November 18, 1974 for bulk rock salt for snow and ice control.

The City Manager read a memorandum from the Purchasing Agent which stated that Morton Salt Company submitted the lowest bid at $18.00 per ton - minimum direct shipment of 300 tons, lesser quantity would be accepted for drop shipment combined with order from another customer to meet the minimum 300 ton load. Therefore, due to the delivery conditions of Morton Salt Company, it was recommended that the second lowest bidder, International Salt Company be awarded the bid at $18.60 per ton for shipment in carload lots.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the contract to International Salt Company at $18.60 per ton. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

completed the full text of the ordinance would be read and considered at three formal readings and at anytime in that process any recommendation for change could be considered.

Mayor Wood asked that Mrs. Hall and Mr. Shackelford be notified of the first formal reading of the ordinance.

Mayor Wood continued the public hearing until the next Council meeting.

Adjournment.

CITY CLERK

BIDS - SUBGRADE PREPARATION AND NEW SIDEWALK - COLLEGE STREET

RESOLUTION NO. 74-164 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH TAYLOR AND MURPHY CONSTRUCTION COMPANY, INC. FOR THE WORK KNOWN AS COLLEGE STREET - SUBGRADE PREPARATION AND NEW SIDEWALK

6. Consideration was given to bids received November 19, 1974 for subgrade preparation and new sidewalk for College Street.

The City Manager read a memorandum from William Edens, acting as City Engineer, recommending the low bid of Taylor and Murphy Construction Company in the amount of $45,374.60. He said this was for subgrade preparation for College Street from Spruce Street to Valley Street which includes removal and disposal of old pavement, street car tracks, sidewalk and curb, adjustment of utility appurtenances, grading to lines and elevations as shown on contract drawings and construction of a new concrete sidewalk. He said this would be the City's contribution to Urban Renewal.

Mayor Wood pointed out that this basically gets the area ready for paving and includes curb, guttering, and sidewalk. He also pointed out that these bids included unit prices which could be accepted or Council could contract for a total amount.

Upon inquiry of Mayor Wood, Mr. Edens explained that the timing for completion of the work from Taylor and Murphy Construction Company was 90 days from date of notice to proceed. He also explained that the contractor stated that he would begin work within ten (10) days after notice to proceed.

It was the consensus of Council that the Street Department could possibly do part of the work and the work should not be done before street paving time.

Councilman Colton moved to accept the low bid of Taylor and Murphy Construction Company, Inc. for unit prices only. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Councilman Morris suggested that Mr. Edens contact Taylor and Murphy Construction Company to see if they could provide a schedule that would end up about the time that paving could be done in order for coordination.

Bid Summary

Bidder	Bid
Taylor and Murphy Construction Co.	$45,374.00

Mr. Moore said it was his understanding, even though he was not present for the hearing and took no part in it, took no part in the findings of fact or anything else - this was done by the Civil Service Board which he thought was proper. He said there is nothing in the Code, that he knew about, that required it to be incumbent upon the Civil Service Board to hear this tape and that was the only statement in there and these are the facts as they exist - He said it was now incumbent on the Council to either approve or disapprove the report and he thought, of course, Mr. Swain would be entitled to be heard.

Mayor Wood stated that it was not up to Council to hear additional testimony, but merely to consider the recommendations based upon the record before the Civil Service Board.

The Corporation Counsel turned the exceptions over to the Mayor.

Statement of Mr. Robert Swain follows:

Mr. Swain - I have followed this matter since it began - may I inquire - I take it that each of the members have been provided with copies of the evidence.

Mayor Wood - They were presented to us in Council meeting about six (6) weeks ago.

Mr. Swain - In this matter there are one or two things that I wish to call to the attention of the Council. We have a young man who has dedicated himself to a profession. The work of a police officer is no longer a casual type work. It requires education and dedication through one's call. Its very professional and specified occupation, much as that of an attorney or of any professional man - insurance person or real estate broker perhaps. This is the part that I sometimes wonder whether everyone really understands. By recent legislation the officers are certified under a statewide Board - much as the Board of Law Examiners or the Bar would approve and permit a lawyer to serve or as the Real Estate or Insurance Board might permit a person to follow his chosen profession in those areas.

With that in mind, Pat Ingle was certified - his discharge de-certifies him and takes from him the ability to serve as a police officer - not only in Asheville- it takes his profession from him - its much the same as a disbarment proceeding with the State - So I don't want to belabor this matter but I want you to realize that this is the only place that this young man can obtain some relief. There have been no criminal charges brought against this young man. He has never been formally accused, no civil action for any damages have been brought against him. He has never, in fact, been reprimanded for his conduct as a police officer by his superior. I was rather shocked in looking at the testimony of Chief Hall in which, he at the Board hearing - and its in here - to the effect that this young man had never - that the complaints listed here against him had never been brought against him except the one about the Cauble boy and I understand how that happened. He was never reprimanded about this Dora White matter - that was while apparently there was some complaint made to the Police Chief in May. This fact was never mentioned to him. He was never called in by any Captain, or any Lieutenant- noboby had cautioned or ask him to correct any particular way he was doing. He had served about a year on the police force at that time and so far as this young man knew his conduct was appropriate for that of a police officer. Everyone of the witnesses who appeared there testified that he worked hard, he was never late for court, he never laid off, he never had excuses for sickness, he was an able, healthy, young police officer.

HEARING - PATRICK E. INGLE - APPEAL FROM CIVIL SERVICE BOARD RULINGS

8. Mayor Wood announced that members of Council had been furnished some weeks ago with a copy of the findings of the Civil Service Board and a transcript of the hearing had before the Civil Service Board.

Mr. Robert Swain was present on behalf of Mr. Ingle.

Mayor Wood asked Corporation Counsel William C. Moore to outline the procedures in the hearing.

Mr. Moore explained that under Section 38 of the Asheville City Code the Board, being the Civil Service Board, shall make a written report of its findings and recommendations and this report together with the evidence and charges shall be filed with the City Clerk and be open to the public for inspection and within five (5) days after the filing of the report of the Board with the City Clerk, the City Manager or an employee affected, may request the City Council to approve or disapprove this report. In the absence of such request, the report shall be final and conclusive at the expiration of said five day period. Otherwise, the City Council shall, at a regular session, vote on the approval or disapproval of the same. It shall require the affirmative votes of five members of the Council to disapprove the report. Lacking such five votes, the report shall be approved. In either event, the action of the City Council is final.

Mr. Moore said this had been on for some period of time and Mr. Swain had conflicts and he had conflicts last week and it was continued by consent in writing agreements between the City Council and himself and Mr. Swain whereby it was continued. He said a report had been filed from Mr. W. Earl Williams, Director of the Asheville Civil Service Board, and also a copy attached thereto with their recommendations and a copy attached thereto of the entire transcript of the hearing. He said he had received from Mr. Swain and Mr. Joel Stevenson, Mr. Swain's associate, some exceptions on appeal. These exceptions had to do with failure of the Civil Service Commission to find specific facts upon which to base its ruling and at the time of the hearing Counsel stated that he would not cross examine certain witnesses if the Board would hear and consider a certain tape recording of the testimony in a preliminary hearing in the case State vs. Muckelvene. He said there was only one reference in this to the tape in Mr. Stevenson on page 55 which states that " the tape that I referred to can be found. I will make it available. It should be ready this afternoon- it will be pretty well repetitive of the evidence that did come out when the Muckelvene incident was discussed. It will show what was said there, who was present and generally what _____."

rules and regulations which in part prohibits oppressive use of authority. Now, what have you found him guilty of - where have they found him - where are any facts found. Does this Board know exactly from this report where the Civil Service Board says that he excerised excessive authority. There is no showing in the whole record that he hit - that he hit Gary Muckelvene - he didn't strike him. There is no showing that he struck Dora White and he did not - never hit a one of them although he was undoubtedly might may have felt like it under these circumstances. Gentlemen, I hope that this will not be just a rubber stamp proposition. This is very important to this young man. This will take his profession - One that he has worked hard and long at and one that he is dedicated to. - one that he can perform for the public and rather than if there has been some wrong done, tighten up on his superiors. Where were they when these complaints were being given. If there was something wrong over this long period of time why didn't one of the Lieutenants or Captains come in and say Look here, Pat, you can't do this or do that - that didn't happen- none of these complaints were brought to his attention until it all came about when this rock mason who happen to stir up a little bit of steam and I would say not all of it honestly, because he misled his own boss into going on the radio and causing this steam. I ask you, Gentlemen, I hope I haven't taken too much of your time but I ask each of you sincerely - there are people here who know that this young man is a good young man. He is a Christian young man. He attends Church. He does the things that he should do to be an upstanding example of police officers. I might say it might do us all a little better to follow his example a little once in a while. I respectfully ask you to review this record if you can find specific instances - if you can think of any police officer who patrols the streets and has not occasionally used excessive force or maybe bad judgment under certain circumstances, I'd like to see that officer. I've tried to be as brief as I may - I hope that I haven't taken your time from something more important but this is the most important thing that has ever happened to this young officer and I hope that you will review the record and will give careful consideration to it and I ask you most respectfully- give this young man an opportunity to be certified- let the decision of the Board be overturned - this young man can find other employment. People are screaming for police officers to work and here is a man that wants to work - and here is one that ought not to be de-certified. He doesn't have to work for Asheville but I want him to be able to work somewhere, where he can perhaps serve the public. I thank you.

Mayor Wood - Mr. Swain, you mentioned that there was nothing in the record that indicated that Mr. Ingle had struck any of these individuals.

Mr. Swain - Yes Sir.

Mayor Wood - Do you think that it is necessary to strike an individual in order to violate a portion of Rule 13 where it talks about oppressive use of authority?

He was alert and he was dedicated. Now, my proposition, is this, if we must condemn someone - I know that there was a big hoorah here over some man who disobeyed and would not cooperate with the police. There was some attempt to inject racial differences into this matter and I know that possibly - I don't know why truthfully - I do not know why this young man had to be fired as a policeman and his certification removed whereby he can obtain no employment with any law enforcement board within this State. This may be - maybe this young man did something wrong. They say that on one occasion where there was disruption down here in the magistrate's office he took hold of a woman and had to arrest her or he felt that he did and he did arrest her under the conditions. As it turned out, the Court did find that the woman was not guilty of the charge. But, Gentlemen, if this is going to be the criteria for arrests then I expect that every policeman should be discharged if he can't convict in every case. The case of the Muckelvene matter, that there was a conviction had in that matter in the District Court on appeal. Judge Martin felt that there was certain defects in the process that caused him to dismiss the matter there. According to all of these things I don't see where - when there has been no criminal law violated - where there has been no action brought against him by anyone - where he has never been reprimanded until after the Board decided to fire him - then they - or when the Chief decides to fire him - then they reprimand him - and in the sense of fairness - Gentlemen, and I have to look in the mirror occasionally and say all right - thats all right maybe we can fire this old guy over here it doesn't matter but when I look in a mirror and say - Swain, if they were taking your law licenses away on petty grounds like this - would you feel like justice had been done. Gentlemen I respectfully ask you to overturn the action of the Civil Service Board. Let this young man be re-certified - he can be employed - this is his chosen work - he has at his own expense, taken extension courses in law enforcement - he has been dedicated to this call and Gentlemen you may feel that he has been a little too alert, maybe a little too edgey - maybe he has acted with haste on occasion but there was an incident that occurred about a month ago in the basement of our Court house in which two of our finest highway patrolmen lost their lives - that concerns me a great deal more than what happen to some impudent rock mason who refused to give an officer his drivers licenses. I submit to you that you need officers who have some grit - you need officers who are alert and I'll submit to you that they would never have killed Pat Ingle down in that breathalyzer room.

Now, we have pampered minority, we have permitted our boards, our courts - everyone has bowed to the desires of these persons who have cried - let him be crucified without regard for what real justice is to that person. And I think Gentlemen - and I hope that you can agree that while this young man may have acted hastily on occasions - but each of these occasions were borderline propositions. There was no overbearing - there was no pushing somebody who was obviously innocent- there was no stealing an apple off of somebody's grocery store - there was no muzzling in and making somebody give him a free cup of coffee when they didn't want to - there was none of this type of conduct. This young man is clean. He doesn't drink, he doesn't have any habits which are not commendable and for the Board to sit here and say that in their opinion and all through this Rule 13 there are many, many, many specified acts where you could say well he got drunk on duty or he cursed someone or he did some of these acts but with this one thing we find that he violated Rule 13 of the

RECESS - CITY COUNCIL

Mayor Wood called for a five minute recess at 4:00 o'clock p. m.

RESOLUTION NO. 74-166 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE EASEMENT IN FAVOR OF THE CAROLINA POWER AND LIGHT COMPANY (Airport Property)

Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company (Airport property).

The City Manager read the resolution and explained that this line is to serve the Instrument Landing System now being worked on by the FAA.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 74-166 was unanimously adopted.

Complete text of Resolution No. 74-166 will be found in Resolution Book No. 8 at page 21.

RESOLUTION NO. 74-167 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE EASEMENT IN FAVOR OF THE CAROLINA POWER AND LIGHT COMPANY (Flint-Hiawassee)

Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company (Flint Street and Hiawassee).

The City Manager read the resolution and explained that this was for service to the Civic Center.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 74-167 was unanimously adopted.

Complete text of Resolution No. 74-167 will be found in Resolution Book No. 8 at page 22.

RESOLUTION NO. 74-168 - RESOLUTION AUTHORIZING DIRECTOR OF FINANCE TO SELL SURPLUS PROPERTY (Office Equipment)

Consideration was given to a resolution authorizing the Director of Finance to sell surplus property (office equipment).

The City Manager read the resolution and explained that the Charter provides that no sale of surplus personal property having a replacement cost in excess of $100 shall be made by the Director of Finance unless direction is made by the Council by resolution.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Ochsenreiter, Resolution No. 74-168 was unanimously adopted.

Complete text of Resolution No. 74-168 will be found in Resolution Book No. 8 at page 23.

Mr. Swain - No, Your Honor, that is a very - I would say that a dirty look might do that - I would agree with you.

Mayor Wood - Any questions of Mr. Swain?

Councilman Horton - Do we have a copy of this Rule 13, that could be read to us?

Mr. Swain - Responsibility - Department Heads
The administrative head of each respective department is held responsible for the proper conduct of his department and for the enforcement of the rules of the Board. He may discharge, reduce in rank, or suspend without pay, any member of his respective department for violating any constitutional law, state law, City Ordinance or rule of the City Council pertaining to his work, or of misconduct to the Board, or to his superior officer or officers, conduct unbecoming an employee of the City, conduct which might bring discredit upon, or disrepute to the City; insubordination, inefficiency, oppressive use of his authority, or neglect of duty; provided, however, that no member of the Classified Service shall be suspended for a period longer than ninety days, and provided further, that any member discharged, reduced in rank, or suspended, shall have the right of appeal as set out in the Civil Service Act. No employee shall belong to any organization which has been designated as subversive by Attorney General of the United States. The Civil Service Board being mindful of its obligation to the citizens of Asheville, fully accepts its responsibility to see that the above requirements are strictly enforced.

Mayor Wood - Any other questions of Mr. Swain?

Mr. Swain - I might wind up one thing, when I was Solicitor here for 12 years this type of thing was quite frequent. We had tc worry about various cases where somebody had a knot on his head that was suppose to have been brought about by some policeman when he shouldn't have done it. We were always pretty well able to work those matters out without too much difficulty and without the officers being fired because they had to hit a drunk or some sort of a in a fight and I may - I just felt like there was some other way of working it out rather than destroying the man's future. Thank You.

Mayor Wood - Mr. Moore, how do we proceed from here?

Mr. Moore - Mr. Mayor, under section 38 it states that the City Council shall, at regular session, vote on the approval or disapproval. It shall require the affirmative votes of five (5) members of the Council to disapprove the report. Lacking such five (5) votes the report shall be approved and in either event the action of the City Council is final.

Mayor Wood - Any comments by members of Council before proceeding to a roll call vote?
I'll ask the City Clerk to call the roll and request that each member of Council state as to whether he approves or disapproves the report of the Civil Service Board.

Councilman Ochsenreiter - I approve
Councilman Colton - I approve
Councilman Morris - I approve
Vice-Mayor Marshall - I approve
Councilman Horton - I approve
Councilman Hoyle - I approve
Mayor Wood - I approve

Corporation Counsel Moore suggested that the ordinance be changed whereby a five (5) year amortization period be placed on signs and a ten (10) year period on salvage yards.

Councilman Horton asked what determines the qualifications of a salvage yard and who would be affected.

After a lengthy discussion, Mayor Wood requested Mr. Moore to confer with Mr. Emrick and Mr. Johnson relative to the language of the ordinance and defination of the uses to be amortized in a particular period of time.

Mr. Emrick then continued with the explanation of the different zoning areas as proposed.

Councilman Colton was excused at 5:35 o'clock p. m.

The public hearing was continued until the next meeting and Mayor Wood announced that there would be no Council meeting on November 28, 1974 due to Thanksgiving Day.

Adjournment.

Richard A Wood Sr
MAYOR

William F Wolcott Jr
CITY CLERK

DOWNTOWN FOOT PATROL - CITY MANAGER'S REPORT

The City Manager reported that at the last Council meeting he was requested to confer with Chief Hall relative to improving downtown patrol. He said as a result beginning November 18, 1974, men assigned to motor scooter patrol were directed to foot patrol streets when scooters are parked. Also personnel from the Youth Division are in the downtown area during the day. He said reports are that merchants are pleased with this change and this was confirmed by Councilman Hoyle.

Mayor Wood requested that the City Manager keep this matter under consideration and to confer with Chief Hall from time to time.

LEAF MACHINE

The Assistant City Manager advised Council that the new leaf vacuum would be in operation on Friday.

BREVARD ROAD - DRIVEWAY

Vice-Mayor Marshall questioned what action had been taken relative to a complaint received from Mrs. Summey on Brevard Road regarding a driveway. He said the residents have offered to pay for the paving of this drive.

Mayor Wood requested the City Manager to report on this matter at the next Council meeting.

PUBLIC HEARING - ZONING ORDINANCE

The public hearing concerning the adoption of a new zoning ordinance for the City of Asheville continued.

Corporation Counsel William C. Moore reported that he had consulted with the N. C. League of Municipalities and other officials located in Raleigh,who are considered to be experts in the zoning field, relative to legislating out non-conforming uses as proposed in the new zoning ordinance. He said the majority of the courts have not settled this issue directly, however most of them stated that you can but it must be amortized over a period of time. He said no case has ever been settled in North Carolina except for one on signs. In consulting with the League, he said, it was their feeling that any other additional taking of property at this time would probably be subject to court action and a determination would have to be made as to whether or not the amortization was reasonable. He recommended that until some settled law is made regarding this matter that Council refrain from putting this in the ordinance except for putting an amortization period of five (5) years on non-conforming signs.

Mayor Wood commented that perhaps a ten (10) year amortization period could be placed on other non-conforming uses and the time period could have been in force for a number of years when it is tested in court.

Mr. Emrick, Director of Planning, stated that the proposed ordinance reflected a five (5) year amortization period for auto wrecking yards, building material salvage yards, general salvage yards, scrap metal processing yards and contractor's storage yards . He also stated that the ordinance proposed a three (3) year amortization period for non-conforming signs. He said this was made to encourage these uses to move to areas where they would not be offensive and would be in an area zoned particularly for that use.

Mr. Fox and Mr. George Tisdale, executives with the Southern Bell Telephone Company, explained that their company planned to construct a one story, 12,000 sq. ft. building on this and adjoining property, to house a long distance exchange. He said that approximately 250-300 employees would be working in the building and that there would be adequate parking. They felt that the building and the planned landscaping would be an asset to the area.

No one spoke in opposition to the rezoning.

Vice-Mayor Marshall closed the public hearing at 3:17 o'clock p. m. and the City Manager presented the prepared ordinance. Councilman Morris moved for the adoption of the ordinance which was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 827 passed on the first reading.

PUBLIC HEARING - SITE PLAN FOR PROPOSED HILLHAVEN MEDICAL PLAZA - LIVINGSTON STREET AND VICTORIA ROAD

3. A public hearing was held to consider the approval of a site plan of a proposed Hillhaven Medical Plaza to be constructed on Livingston Street and Victoria Road.

Vice-Mayor Marshall opened the public hearing at 3:20 o'clock p. m. and asked the City Manager to read the notice to the public and the affidavit of publication setting the time and date for the public hearing. He then called on Verl Emrick, Planning Director, to give the recommendations of the Planning and Zoning Commission. Mr. Ermick read a letter addressed to Council from the Planning and Zoning Commission which recommended approval of the plan. He further explained that the medical complex would include three (3) buildings of wood frame condominium type construction with a total floor area of 26,946 square feet. Its use he said was for doctor's offices and was designed to accommodate 18 doctors and their staffs. He said that ample parking was being provided in accordance with the Zoning Ordinance requirements.

Mr. Ridgley Robinson, of Moore-Robinson Associates, architects, answered general questions posed by Council.

No one spoke in opposition to the site plan.

Vice-Mayor Marshall closed the public hearing at 3:29 o'clock p. m.

Councilman Colton moved for the approval of the site plan. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

PUBLIC HEARING - SITE PLAN OF A PROPOSED WAREHOUSE FACILITY LOCATED ON CRAYTON ROAD

4. A public hearing was held to consider the approval of a site plan of a proposed warehouse facility to be located on the Joe M. Troitino property on Crayton Road and being developed by H. S. Williams Company.

Vice-Mayor Marshall opened the public hearing at 3:30 o'clock p. m. and asked the City Manager to read the notice to the public and the affidavit of publication. He then asked Mr. Verl Emrick, Planning Director, to give the recommendations of the Planning and Zoning Commission.

Thursday, December 5, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Vice-Mayor Calvin W. Marshall, Presiding; Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Acting Corporation Counsel Jones Byrd, substituting for William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/ City Clerk William F. Wolcott, Jr.

Absent: Mayor Richard A. Wood, Jr. and Corporation Counsel William C. Moore

Vice-Mayor Marshall presiding for Mayor Wood opened the meeting and noted the absence of Mayor Wood and Corporation Counsel William C. Moore whom he said were attending a seminar in Morganton, N. C. He introduced Mr. Jones Byrd as Acting Corporation Counsel. At this time Vice-Mayor Marshall suggested to Council that in lieu of the lengthy agenda and the absence of Mayor Wood and Mr. Moore, that the scheduled continued public hearing relative to the new zoning ordinance be further continued until the following week. Councilman Ochsenreiter moved that the scheduled continued public hearing relative to the adoption of a new zoning ordinance be further continued until the regular Council meeting of December 12, 1974. This motion was seconded by Councilman Hoyle and carried unanimously.

1. Approval of the minutes of the November 21, 1974 meeting.

Upon motion of Councilman Hoyle, seconded by Councilman Horton, the minutes of the November 21, 1974 meeting were approved as submitted.

PUBLIC HEARING - REZONING PROPERTY ON EAST CHESTNUT STREET FOR SOUTHERN BELL TELEPHONE COMPANY

ORDINANCE NO. 827 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held to consider the rezoning of Lots 126 and 127-1/2, Sheet 16, Ward 2 from RA-6 Residential District to RA-M Residential District as requested by Southern Bell Telephone Company through their agent George Beverly, Jr.

Vice-Mayor Marshall opened the public hearing at 3:02 o'clock p. m. and the City Manager read the notice to the public and the affidavit of publication setting the time and date for the public hearing.

Mr. Verl Emrick, Planning Director, read a communication from the Planning and Zoning in which they recommended to Council that the request for the rezoning be approved. He added that the location of the property was not suited for residential use; that the structure now occupying the property was dilapidated and not in use; that contiguity was established in that the lots adjoining to the south are already zoned RA-M; and that the rezoning is in keeping with the proposed development plan for the area.

The planning area would generally be the one mile beyond the City Limits plus Woodfin and Biltmore Forest.

The scope of work would generally be planning and coordination of all modes of transportation as required under Section 112 of the Federal Highway Act of 1973.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, Resolution No. 74-170 was unanimously adopted.

Complete text of Resolution No. 74-170 will be found in Resolution Book No. 8 at page 26.

RESOLUTION NO. 74-171 - RESOLUTION APPROVING OF THE INTENT OF THE MONTFORD RECREATION CENTER COMPLEX

7. Consideration was given to a resolution approving of the intent of the Montford Recreation Center Complex.

Ken Michalove, Assistant City Manager, explained that in two previous resolutions by Council that they had appropriated funds to construct a Recreation Center in the Montford Area and for several months staff and Montford Area residents have been seeking a suitable location. The proposal by Montford Area residents, spearheaded by Mrs. Orlene Simmons , was to construct the facility on the corner of Gay Street and Pearson Drive and purchase sufficient property between that location and Riverside Park to make the facilities a single Recreation Center Complex.

Ray Kisiah, Director of Parks and Recreation, then reviewed in detail the proposed facility.

Ken Michalove explained that the entire complex as presented would cost an estimated $1,336,358 and that the purpose in the resolution before the Council was to approve the site location and appropriate all of the $459,000 Model Cities Community Development Block grant transition funds to this project.

Mrs. Orlene Simmons thanked Council and the City Staff for preparing the information and plans and presented each of them an award of recognition.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Morris Resolution No. 74-171 was unanimously adopted.

Complete text of Resolution No. 74-171 will be found in Resolution Book No. 8 at page 27.

RESOLUTION NO. 74-172 - RESOLUTION APPROVING APPLICATION FOR MODEL CITIES TRANSITION FUNDING

8. Consideration was given to a resolution approving application for Model Cities Transition funding.

The City Manager read the resolution

Mr. Emrick read the Planning and Zoning Commission's report to Council which recommended the approval of the project. He stated that in the development specifications, the developer stated that the building will be a one story facility with a gross floor area of 100,000 square feet and will be used specifically for rental warehousing. Mr. Emrick informed Council that the developer had been advised that any amendments to this project or any future development of the site either in phases or complete site development would be subject to review by the Planning and Zoning Commission.

Mr. Gary Dodd, spoke on behalf of Troitino and Brown, and asked Council to give the site plan their consideration for approval. He answered several general questions from Council.

Vice-Mayor Marshall closed the public hearing at 3:41 o'clock p. m. and Councilman Morris moved for the approval of the site plan. This motion was seconded by Councilman Hoyle and carried unanimously.

Councilman Morris was advised that Council would only be approving one unit of the development at this time. It was understood that the developer would resubmit plans as they develop.

RESOLUTION NO. 74-169 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH 43 CIRCLE STREET, 185 PINE STREET AND 127 VALLEY STREET

5. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish 43 Circle Street, 185 Pine Street and 127 Valley Street.

The City Manager read the resolution.

Councilman Horton moved for the adoption of the resolution setting the date for the public hearing for January 2, 1975. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Complete text of Resolution No. 74-169 will be found in Resolution Book No. 8 at page 24.

RESOLUTION NO. 74-170 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE NORTH CAROLINA BOARD OF TRANSPORTATION AND HIGHWAY SAFETY FOR THE PURPOSE OF CARRYING OUT TRANSPORTATION PLANNING IN THE ASHEVILLE URBANIZED AREA

6. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the North Carolina Board of Transportation and Highway Safety for the purpose of carrying out transportation planning in the Asheville Urbanized area.

The City Manager read the resolution.

Verl Emrick, Director of Planning, informed the Council that the funds available through this agreement would amount to approximately $20,000 annually in federal funds. The City's share of the cost would be time and materials contributed by the Planning Staff and other City Staff.

RESOLUTION NO. 74-173 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE EASEMENT AGREEMENT (Mr. Jack Shulman)

11. Consideration was given to a resolution authorizing the Mayor to execute easement agreement with Mr. Jack Shulman.

The City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Morris, Resolution No. 74-173 was unanimously adopted.

Complete text of Resolution No. 74-173 will be found in Resolution Book 8 at page 30.

GROUP DEVELOPMENT - LIVINGSTON STREET COMMUNITY FACILITY

The City Manager presented a letter from the Planning and Zoning Commission recommending approval of a site plan for a proposed Livingston Street Community Facility.

Councilman Morris moved to set a public hearing on the matter for January 2, 1975. This motion was seconded by Councilman Horton and carried unanimously.

REZONING - PAUL LOCKHART - WARD 5, SHEET 12, LOT 307 - HAYWOOD ROAD AND VIRGINIA AVE.

The City Manager presented a letter from the Planning and Zoning Commission recommending approval of a rezoning request from Mr. Paul Lockhart for Ward 5, Sheet 12, Lot 307 at the corner of Haywood Road and Virginia Avenue.

Councilman Morris moved to set a public hearing on the matter for January 2, 1975. This motion was seconded by Councilman Horton and carried unanimously.

REZONING - MR. GEORGE K. STEWART, MS. MAMIE PRESLEY, AND MR. WILLIAM W. SMITH WARD 9, SHEET 7, LOTS 32, 33, 34, 35, 36, 37, AND 38(LOCATED ON MERRIMON AVENUE, EDGEWOOD ROAD, AND LONG STREET)

The City Manager presented a letter from the Planning and Zoning Commission recommending denial of a rezoning request of Mr. George K. Stewart, Ms. Mamie Presley, and Mr. William W. Smith for property on Merrimon Avenue, Edgewood Road, and Long Street.

It was suggested that the request be deferred until next week's meeting, until the petitioners were notified of the denial,giving them an opportunity to request a public hearing.

REZONING - RESIDENTS OF NEW HAW CREEK ROAD AND OLD HAW CREEK ROAD

The City Manager presented a letter from the Planning and Zoning Commission recommending denial of a rezoning request of residents of New Haw Creek Road and Old Haw Creek Road.

It was suggested that the request be deferred until next week's meeting until the petitioners were notified of the denial, giving them an opportunity to request a public hearing .

Ken Michalove, Assistant City Manager, explained that this was a form resolution required by the Department of Housing and Urban Development in order that the City Council clearly understand the effect that using the Model Cities Transition funding would have on the City's Community Development Block Grant. The effect being that the Block grant would be reduced by $459,000 which is to be used for the Montford Recreation Center Complex.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 74-172 was unanimously adopted.

Complete text of Resolution NO. 74-172 will be found in Resolution Book No. 8 at page 29.

BIDS - PARK SHELTER FOR WEAVER PARK

9. Consideration was given to bids received November 29, 1974 for a park shelter for Weaver Park.

The City Manager read a memorandum from the Purchasing Agent which stated that two bids were received from Koppers Company Divisions for the same amount, from Atlanta, Georgia and Morrisville, North Carolina. It was recommended that Koppers Company, Inc., Atlanta, Georgia be accepted on basis of best delivery.

Ray Kisiah, Director of Parks and Recreation, explained that this would be an open shelter.

Councilman Colton moved to accept the recommendation of the Purchasing Agent and award the contract to Koppers Company, Inc., Atlanta, Georgia in the amount of $5,250.00. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

BIDS - DECORATIVE FOUNTAIN KIT COMPLETE FOR PRITCHARD PARK

10. Consideration was given to bids received November 29, 1974 for a pre-engineered decorative fountain kit complete for Pritchard Park.

The City Manager read a memorandum from the Purchasing Agent which recommended the low bid, in the amount of $6,996.31, submitted by Westinghouse Electric Supply Company.

Ray Kisiah, Director of Parks and Recreation, answered general questions from Council.

Councilman Horton moved to accept the recommendation of the Purchasing Agent and award the contract to Westinghouse Electric Supply Company, in the amount of $6,996.31. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Graybar Electric Co.	$7,194.09
General Electric Co.	No Bid
Westinghouse Electric Supply	$6,996.31
Electric Supply Co.	No Bid

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the December 5, 1974 meeting.

Councilman Horton noted that a correction should be made in the minutes relative to a motion being omitted on the approval of the site plan for a warehouse facility to be located on Crayton Road.

This correction was noted and upon motion of Councilman Horton, seconded by Councilman Hoyle the minutes were approved as amended.

ORDINANCE NO. 827 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Property on East Chestnut Street)

2. Consideration was given to a second reading of Ordinance No. 827, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Property on East Chestnut Street).

Mayor Wood stated that members of Council had previously been furnished with copies of the ordinance and that it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 827 passed on its second reading.

RESOLUTION NO. 74-174 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER LINE CROSSING AND EXTENDING ALONG U. S. 70 (TUNNEL ROAD).

3. Consideration was given to a resolution authorizing Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for water line crossing and extending along U. S. 70. (Tunnel Road)

The City Manager read the resolution and explained that this encroachment agreement provides for an 8-inch water line to go under U. S. 70 providing fire protection to Lynnstone Court, at an increased pressure. He said the request was relayed to the Water Department by the Fire Department and was being done as part of the Capital Program.

BREVARD ROAD - ALLEY - REPORT OF CITY MANAGER

The City Manager reported that he had checked into a complaint from Mrs. Summey relative to an alley off of Brevard Road. He said Mr. Bostic, Street Superintendent, had worked out a solution to the problem satisfactory to the complaintant and this work was on his schedule.

PROCLAMATION - DECEMBER 6 - 7, 1974 - ASHEVILLE CLASSICS DAYS

Vice-Mayor Marshall proclaimed December 6 and 7 as Asheville Classics Days. He said this pertains to the support of the Asheville Classics Basketball.

Councilman Ochsenreiter requested support from the newspapers and encouraged support for this program

MRS. ORLENE SIMMONS - INVITATION - CHRISTMAS SING

Mrs. Orlene Simmons, Montford Hills Community Club, issued an invitation to members of Council and their families to attend an old fashioned Christmas sing at the Montford Park on Sunday, December 15th at 3:00 o'clock p. m.

VIRGIL STURGILL - REQUEST NO SMOKING AT THE CIVIC CENTER

Mr. Virgil Sturgill spoke in opposition to smoking in the New Asheville Civic Center.

Adjournment.

Richard D. Wood, Jr.
MAYOR

Miriam P. Holcomb
CITY CLERK

Logan Delany, Executive Director of Model Cities, explained that Council had previously allocated funds in the amount of $50,054 for a Consolidated Health Project to be used only as a local match for an Appalachia Grant for the program. It was determined that an Appalachia Grant for support of community health care services had not developed and therefore the Commission had recommended the reallocation of these funds. It was recommended, he said, that $25,000 be allocated for the Scholarship Assistance Program; that $6,473.00 be allocated for continuing existing staff positions; and that $5,000 be allocated for the Hillcrest Drill Team-Recreation Program.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton, Resolution No. 74-176 was unanimously adopted.

Complete text of Resolution No. 74-176 will be found in Resolution Book No. 8 at page 33.

Mayor Wood recognized Mr. Bill Reid and the Hillcrest Drill team who were in attendance at the meeting.

RESOLUTION NO. 74-177 - RESOLUTION AUTHORIZING EXECUTION OF SOUTH BUNCOMBE WATER IMPROVEMENT AGREEMENT

6. Consideration was given to a resolution authorizing execution of South Buncombe Water Improvement Agreement.

The City Manager read the resolution.

William C. Moore, Corporation Counsel advised that he had conferred with representatives of the Avery's Creek Sanitary District and the Buncombe County Commissioners relative to the agreement referred to in the resolution and that it was satisfactory to all parties concerned.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Morris, Resolution No. 74-177 was unanimously adopted.

Complete text of Resolution No. 74-177 will be found in Resolution Book No. 8 at page 35.

RESOLUTION NO. 74-178 - RESOLUTION APPOINTING MEMBERS TO THE BOARD OF DIRECTORS OF THE ASHEVILLE-BUNCOMBE COMMUNITY RELATIONS COUNCIL

7. Consideration was given to a resolution appointing Gene E. Rainey and William E. Stroup as members of the Board of Directors of the Asheville-Buncombe Community Relations Council.

The City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, Resolution No. 74-178 was unanimously adopted.

Complete text of Resolution No. 74-178 will be found in Resolution Book No. 8 at page 36.

Upon motion of Councilman Colton, seconded by Vice-Mayor Marshall, Resolution No. 74-174 was unanimously adopted.

Complete text of Resolution No. 74-174 will be found in Resolution Book No. 8 at page 30.

RESOLUTION NO. 74-175 - RESOLUTION ESTABLISHING A STANDARD FIRE CONTRACT RATE

4. Consideration was given to a resolution establishing a standard fire contract rate.

The City Manager read the resolution.

Larry Fisher, Director of Finance, explained that the method of arriving at the proposed rate was to compute what portion of the City's ad valorem tax rate was necessary to support the Fire Department. He said that figure, 26.26 cents per $100 evaluation, was adjusted to 20 cents to account for revenues the department receives from non-property tax sources.

Chief Ball explained that under these contracts the Fire Department would respond to any fire on their premises as if they were located inside the City and the industries would be included on the City's alarm system.

It was explained that this resolution only established a contract rate and that individual contracts would be executed separately by Council.

Mayor Wood suggested that the first paragraph of the resolution be clarified by stating that the rate would be 20 cents per $100 of real and personal property valuation.

Councilman Morris moved to adopt Resolution No. 74-175 with the addition of Mayor Wood's suggestion that the first paragraph be amended by adding the words "real and personal" property valuation. This motion was seconded by Councilman Colton and carried unanimously.

Complete text of Resolution No. 74-175 will be found in Resolution Book No. 8 at page 31.

RESOLUTION NO. 74-176 - RESOLUTION REALLOCATING CITY COUNCIL APPROVED 1974-75 MODEL CITIES BUDGET FUNDS IN SUPPORT OF CURRENTLY FUNDED MODEL CITIES PROJECTS

5. Consideration was given to a resolution reallocating City Council approved 1974-75 Model Cities Budget funds in support of currently funded Model Cities Projects.

The City Manager read the resolution.

GOLF TOURNAMENT DEADLINE

Mayor Wood suggested that Mr. Kisiah, Director of Parks and Recreation, notify all organizations who held golf tournaments during the past year, that the deadline date for making applications for the coming year was December 31, 1974.

PUBLIC HEARING - ZONING ORDINANCE

The public hearing concerning the adoption of a new zoning ordinance for the City of Asheville continued.

Mr. Harold Bennett, representing Perry Alexander who owns approximately 185 acres in Chunns Cove presented Council with several suggested amendments relative to the uses permitted in R-2 Residential. He said this property is well suited for public facilities, rental houses, rental apartments, and resort and sports facilities.

He also suggested that the old Oteen Hospital property, proposed to be zoned Office Institutional, be zoned to a light indistrial type zone. He said the proposed zone would make some of the uses now being carried on at this location non-conforming.

Verl Emrick, Director of Planning, told Council that in his opinion the suggested amendments would create "spot zoning".

Mayor Wood instructed Mr. Emrick to confer with the Corporation Counsel on the question of spot zoning and to look into the feasibility of creating an industrial and a light industrial zone.

Councilman Ochsenreiter moved to continue the public hearing until December 19, 1974 and to publish a notice to the public that the continued public hearing would be concluded and read on the first reading on January 9, 1975. This motion was seconded by Councilman Colton and carried unanimously.

PUBLIC HEARING - REZONING OF OLD HAW CREEK AND NEW HAW CREEK ROAD
MOTION AMENDED TO HOLD HEARING JANUARY 2, 1975

Councilman Colton amended his motion relative to the public hearing for rezoning of property on Old Haw Creek Road and New Haw Creek Road to hold the public hearing on January 2, 1975 instead of January 9, 1975. This amendment was accepted by Vice-Mayor Marshall and carried unanimously.

Adjournment.

Richard A. Wood Jr.
MAYOR

Marian D. Pelley
CITY CLERK

REZONING REQUEST - MR. GEORGE K. STEWART, MS. MAMIE PRESLEY, AND MR. WILLIAM W. SMITH - WARD 9, SHEET 7, LOTS 32, 33, 34, 35, 36, 37, AND 38 (LOCATED ON MERRIMON AVENUE, EDGEWOOD ROAD, AND LONG STREET)

The City Manager presented a letter from the Planning and Zoning Commission recommending denial of a rezoning request of Mr. George K. Stewart, Ms. Mamie Presley, and Mr. William W. Smith for property on Merrimon Avenue, Edgewood Road, and Long Street. He said the property owners had been notified of the recommendation and had indicated that they did not wish to request a public hearing.

In the absence of a request for a public hearing, Mayor Wood declared the request denied.

REZONING - RESIDENTS OF NEW HAW CREEK ROAD AND OLD HAW CREEK ROAD

The City Manager presented a letter from the Planning and Zoning Commission recommending denial of a rezoning request of residents of New Haw Creek Road and Old Haw Creek Road. He also presented a letter received from Mr. Shelby Horton, representing the residents, requested that a date be set for a public hearing on the rezoning request.

Councilman Colton moved to set a public hearing on the matter for January 9, 1975 with the legal advertisement to be at the petitioners expense. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

PATRICK E. INGLE - NOTICE OF APPEAL

The City Manager presented a notice received from Robert S. Swain, attorney for Patrick E. Ingle, stating that on the 16th day of December, 1974, he would institute an action in the Superior Court Division of the General Court of Justice of Buncombe County, on behalf of his client, for the purpose of re-instating Mr. Ingle to his position of Patrolman with the Asheville Police Department.

Mayor Wood referred the notice to the City Attorney.

CLAIM - GEORGE MOOREFIELD

The City Manager presented a claim received from George W. Moore, attorney for George Moorefield, for losses suffered as a direct result of the City of Asheville's policy which excluded wrestling matches by anyone other than Crockett Promotions, Inc. The total amount of the claim was $3,238.00.

Corporation Counsel William C. Moore recommended that Council deny the claim.

Councilman Horton moved to accept the recommendation of the Corporation Counsel to deny the claim of George W. Moorefield. This motion was seconded by Councilman Hoyle and carried unanimously.

Mr. Jim Gray, Editor for Labor-Advacote Newspaper, asked Council to review the bids and to use union labor. He asked that Council award the contract on the basis that the firm is a local firm; second if it is from the Western North Carolina Area and last if it is out of the state. He said if the contract is awarded outside the area, much of their labor would be imported from outside our area, which resulted in money lost from the local economy and higher local unemployment.

Mr. William D. Foxx, president of the Asheville Building and Construction Trades Council, also urged Council to use local labor for construction of the parking garage. He told Council that he would be in attendance at the Council meeting on January 2, 1975 when the contract was awarded.

RESOLUTION NO. 74-179 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO CONSTRUCT THE MONTFORD RECREATION CENTER COMPLEX

4. Consideration was given to a resolution authorizing the Director of Parks and Recreation to construct the Montford Recreation Center Complex.

Mr. Michalove explained that this resolution would authorize Mr. Ray Kisiah, Director of Parks and Recreation, to take the necessary steps to begin development and construction of the center.

Councilman Morris moved for the adoption of the resolution. This motion was seconded by Councilman Ochsenreiter.

Rev. Wesley Grant, who had appeared before Council on numerous occasions advocating the construction of single family homes to replace those being demolished in the East Riverside Redevelopment area, questioned the use of Model Cities funds referred to in the resolution to be used for recreation, and suggested that these funds could be better used for the construction of houses.

A summary of the comments made by Logan Delany, Director of Model Cities, Mayor Wood, Councilman Morris and Councilman Ochsenreiter were that a housing program had been considered and a study had been made. However, because: 1) the Model Cities program was cut short of the original five years, 2) so many other needs like health care, child care, and employment were priority items, 3) the Model Cities program was required by federal law to program funds comprehensively and not just to a single need like housing; 4) large amounts of federal funds for housing were not readily available, 5) the construction market had declined and builders were not building; and 6) building costs for low and moderate income housing had increased considerably.

It was also indicated that although the City could not construct new houses with anticipated Community Development funds perhaps something could be done to encourage home building and housing rehabilitation with Community Development funds.

Resolution No. 74-179 carried unanimously.

Complete text of Resolution No. 74-179 will be found in Resolution Book No. 8 at page 37.

Thursday, December 19, 1974 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Acting Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Corporation Counsel William C. Moore

1. Approval of the minutes of December 12, 1974 meeting.

Upon motion of Councilman Hoyle, seconded by Councilman Colton, the minutes of the December 12, 1974 meeting were approved as submitted.

ORDINANCE NO. 827 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Property on East Chestnut Street)

2. Consideration was given to the third reading of Ordinance No. 827, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended.

Mayor Wood explained that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 827 passed on its third and final reading.

PRESENTATION OF PARKING GARAGE BIDS

3. Mr. George Auld, of Wilbur Smith and Associates presented certified tabulations of bids received on December 17, 1974 for the new Parking Garage. He said the bids consisted of a base bid which would allow for 413 parking spaces; Alternate #1 would add two levels and 160 additional spaces; Alternate #2 would add 85 additional spaces and Alternate #3 would allow for a shorter construction time period. He said the low bidder would be determined after Council selected the alternate. He said it appeared that the low bids were: Base Bid - $1,509,757; Alternate #1 - $1,935,488; Alternate #2 - $1,795,377; Alternate #3 - $2,241,000.

Upon inquiry of Mayor Wood, Mr. Auld stated that the apparent low bidders had presented financial statements and his company had also made contact with present construction jobs of each contractor. He told Council that the base bid construction time was 365 days and Alternate No. 3 allowed for a 240 day construction period and that the contract included a liquidated damage clause for $300 per day for delays.

Mr. Auld informed Council that final recommendations would be made at the January 2, 1975 meeting.

Complete text of Resolution 74-182 will be found in Resolution Book No. 8 at page 40.

BIDS - SEWER CLEANING MACHINE

8. Consideration was given to bids received November 18, 1974 for one (1) high velocity sewer cleaning machine for the Water and Sewer Department.

The City Manager read a memorandum from the Purchasing Agent which stated that the bid request called for a base bid for equipment with stainless steel water tanks, and for an alternate bid using hot rolled steel plate tanks lined with epoxy to prevent rust. He also stated that the low alternate bid submitted by H & H Equipment Company failed to meet the specifications in two particulars. One:Discharged Pressure is approximately 10% under specifications; and Two: the tank, while meeting specifications as to material and size, is lined with bitumastic coating rather than the epoxy specified. Therefore, it was recommended that the second low bid in the amount of $14,320.00 submitted by North Carolina Equipment Company be accepted.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the contract to North Carolina Equipment Company in the amount of $14,320. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Bid Summary

Bidder	Base Bid One High Velocity Sewer Cleaning Machine with Stainless Steel Tanks	Alternate #1 Same- except Hot Rolled Steel Tank with Epoxy Coating
North Carolina Equipment Co.	$16,320.00	$14,320.00
Carolina Equipment Company	16,500.00	14,950.00
H & H Equipment Company	No Bid	13,038.72

BIDS - ESTIMATED TWELVE (12) MONTHS REQUIREMENTS FOR WATER METERS

9. Consideration was given to bids received December 9, 1974 for an estimated twelve (12) months requirements for water meters.

The City Manager read a memorandum from the Purchasing Agent which recommended that Items 3, and 5 through 9 be awarded to the low bidder in each instance and since there are no specific quantities for these items orders will be placed as needed. It was also recommended that Items 1, 2, and 4 be awarded to the second low bidders. He said there is no specific quantity for item 4 and recommendation for award to the second low bidder is based on standardization of existing equipment. Items 1 and 2 were recommended for award to the second low bidder due to the difference in price for the vast majority of the meters to be purchased being only 6¢ per unit. If the low bid was accepted the City would be introducing an entirely new brand of meters into the system which would require the stocking of parts estimated to cost more than the entire annual savings for the first 10 years. It was the Director of Water and Sewer's opinion that it would be in the best interest of the City to maintain a standardization of water meters.

Councilman Horton expressed his appreciation to Rev. Grant for bringing the subject of housing to the Council's attention. He said he felt that Council had an obligation in this area and hoped that they would pursue this problem further in the coming year.

RESOLUTION NO. 74-180 - RESOLUTION TRANSFERRING $1,434.25 IN MODEL CITIES FIRST ACTION YEAR FUNDS BUDGETED FOR THE HERRING STREET NEIGHBORHOOD FACILITY SITE TO THE MODEL CITIES LIVINGSTON STREET NEIGHBORHOOD FACILITY SITE ACCOUNT

5. Consideration was given to a resolution transferring $1,434.25 in Model Cities First Action Year funds budgeted for the Herring Street Neighborhood Facility site to the Model Cities Livingston Street Neighborhood Facility site account.

The City Manager read the resolution.

Logan Delany, Model Cities Director, explained that this transfer was necessary to close this account in the Model Cities First Action Year and to provide additional funds for the Livingston Street Neighborhood Facility.

Upon motion of Councilman Colton, seconded by Vice-Mayor Marshall, Resolution No. 74-180 was unanimously adopted.

Complete text of Resolution No. 74-180 will be found in Resolution Book 8 at page 38.

RESOLUTION NO. 74-181 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO SIGN AN OPTION TO SELL THE VACANT PROPERTY ON FAGG STREET TO THE ASHEVILLE HOUSING AUTHORITY

6. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to sign an option to sell the vacant property on Fagg Street to the Asheville Housing Authority.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 74-181 was unanimously adopted.

Complete text of Resolution No. 74-181 will be found in Resolution Book No. 8 at page 39.

RESOLUTION NO. 74-182 - RESOLUTION AUTHORIZING FILING OF AMENDATORY APPLICATION FOR LOAN AND GRANT ON CIVIC REDEVELOPMENT PROJECT

7. Consideration was given to a resolution authorizing filing of amendatory application for loan and grant on Civic Redevelopment Project.

The City Manager read the resolution.

Mr. Will King, Director of the Housing Authority, explained that $100,000 in federal funds were available to the City of Asheville for the Civic Redevelopment Project and these funds could be matched by in-kind and cash contributions already committed. Mr. King also stated that federal funds remaining after the project was closed out would stay with the City and could be spent as Revenue Sharing funds.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton, Resolution No. 74-182 was unanimously adopted.

Mr. Kisiah, Director of Parks and Recreation, answered general questions of Council relative to the type and use of the building.

Councilman Ochsenreiter moved to accept the recommendation of the Purchasing Agent and award the contract to Innovative Constructors in the amount of $23,933.00. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

BIDS - METAL STRUCTURE FOR MUNICIPAL GOLF COURSE

10. Consideration was given to bids received December 16, 1974 for a pre-engineered metal structure for the Golf Course.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bidder, Innovative Constructors in the amount of $23,933.00.

and to continue the hearing to five (5) other locations, which will be announced and published at a later date. He said his staff would conduct these hearings and that a final report would be made to Council after completion of the hearings.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Colton, Resolution No. 74-184 was unanimously adopted.

Complete text of Resolution No. 74-184 will be found in Resolution Book No. 8 at page 42.

RIGHT TURN ON RED LIGHTS - DISCUSSION

The City Manager reported that the State law which permits right turns on red on streets other than those designated by the City expires on December 31, 1974.

Corporation Counsel Robert J. Robinson informed Council that he had been advised by a member of the legislature that this matter will be one of the first to be taken up when they meet on January 17, 1975 and it was his opinion that the legislature would pass a statute which would allow a right turn on red. Therefore, Mr. Robinson, suggested that Council not pursue the passage of an ordinance which would conflict with a State Statute.

The City Manager advised Council that in view of the fact that the legislature plans to pass a statute allowing right turns on red and after discussion with the Chief of Police that the policy of the City of Asheville would be not to enforce the regulations unless it involved an accident at an intersection where caution was not taken in turning right on a red light.

NATIONAL GUARD ARMORY PROPERTY - BREVARD ROAD - CITY MANAGER'S REPORT

The City Manager reported that the North Carolina National Guard was again requesting the City to assist them in acquiring a piece of property on Brevard Road, which is adjacent to the National Guard Armory, so they can proceed with their expansion program. He said the property belonging to a Mr. Homer Smith had a flaw in the title and could not be transferred legally without condemnation on the part of the City. He said the National Guard would deed their property on Hunt Hill Place in exchange for the Brevard Road property. He said that immediate action was necessary since the National Guard was facing a funding deadline by December 31, 1974. He requested Council to authorize him to write the National Guard a letter of intent to be delivered before this date.

Councilman Morris moved to authorize the City Manager to write the National Guard a letter of intent on the above mentioned matter. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

ON-STREET PARKING - FREE ON SATURDAYS - REPORT OF CITY MANAGER

The City Manager reported that the policy of allowing free on-street parking on Saturdays in the Central Business District expires on December 31, 1974. He said it is necessary that Council take action on this matter if they wish to continue this practice.

Councilman Horton moved to continue the free on-street parking on Saturdays in the Central Business District until further notice. This motion was seconded by Councilman Colton and carried unanimously.

RESOLUTION NO. 74-183 - RESOLUTION DECLARING THE INTENTION OF THE CITY COUNCIL OF THE CITY OF ASHEVILLE TO CLAIM EXEMPTION OF SECTION 7 (k) OF THE FAIR LABOR STANDARDS ACT RELATIVE TO OVERTIME WAGES FOR PUBLIC SAFETY PERSONNEL

13. Consideration was given to a resolution declaring the intention of the City Council of the City of Asheville to claim exemption of Section 7 (k) of the Fair Labor Standards Act relative to overtime wages for public safety personnel.

The City Manager read the resolution.

Mr. Mike Smith, Personnel Director, advised that this resolution would declare that the City of Asheville will take advantage of Section 7 (k) exemptions of the Fair Labor Standards Act of 1938, as amended relative to hours worked by law enforcement and fire protection personnel. Specifically, the resolution will establish a work period of 28 days for the purpose of computing any overtime that employees in these two areas may incur.

Upon motion of Councilman Colton, seconded by Councilman Horton, Resolution No. 74-183 was unanimously adopted.

Complete text of Resolution No. 74-183 will be found in Resolution Book 8 at page 41.

CITY MANAGER'S REPORT - REQUEST FOR FUNDS BY MODEL CITIES COMMISSION FOR COUNCIL TO PROVIDE EMERGENCY RELIEF FUNDS

The City Manager reported that at the meeting of the Model Cities Commission held on December 9, 1974 Reverend John Hawn, expressing concern and the need for emergency assistance to the poor, made a motion for the Executive Director to prepare a resolution to be submitted to City Council at the earliest possible time for $20,000 in revenue sharing funds to be allocated by City Council, authorizing Asheville-Buncombe Community Christian Ministry to distribute such funds where the need was greatest, to the poor people of Asheville. He said Reverend Hawn and others on the Model Cities Commission noted the fact that inflation and the prospects of a severe winter made this request urgent. He said this request would require the preparation of an ordinance amending the budget and he was submitting this information for whatever action Council may wish to take on the matter.

After discussion, Mayor Wood requested that Mr. Michalove, Assistant City Manager, explore the legality of the use of Revenue Sharing funds for this purpose and to keep Council informed as to the efforts other agencies were taking relative to providing emergency assistance.

RESOLUTION NO. 74-184 - RESOLUTION CALLING FOR A PUBLIC HEARING TO OBTAIN THE VIEWS OF CITIZENS ON COMMUNITY DEVELOPMENT AND HOUSING NEEDS

Consideration was given to a resolution calling for a public hearing to obtain the views of citizens on Community Development and Housing needs.

The City Manager read the resolution.

Mr. Michalove, Assistant City Manager, explained that this resolution was a part of the Community Development Block Grant Program. He said the City is required to hold public hearings on what the community feels like should be done in the areas of community improvements. He said plans are to begin the public hearing on January 6, 1974 in the Council Chambers at 7:30 o'clock p. m.

PROCLAMATION - BLOOD DAY - DECEMBER 26, 1974

Mayor Wood proclaimed December 26, 1974 as Blood Day in the City of Asheville.

ZONING ORDINANCE - PUBLIC HEARING - CONTINUED

Councilman Ochsenreiter moved for the public hearing on the new zoning ordinance to be continued until the meeting of January 2, 1975. This motion was seconded by Councilman Colton and carried unanimously.

Mayor Wood announced that there would be no meeting of City Council on December 26, 1974.

Adjournment.

Richard D. Wood
MAYOR

William E. Malone
CITY CLERK

COUNCIL MEMBERS APPOINTED TO COMMITTEE FOR PENSION CONSULTANTS

Mayor Wood appointed Councilmen Horton, Colton and Ochsenreiter to a sub-committee to meet with the pension consultants to discuss the proposal to be submitted by the Pension Consultants. He asked that this committee keep Council advised as to the progress of the consultants.

AMANDA GAINES - DISCUSSION - RE: PROPERTY ON ASHELAND AVENUE - EAST RIVERSIDE URBAN RENEWAL

Reverend Oliver Toms, speaking on behalf of Mrs. Amanda Gaines, told Council that the proposed relocation and extension of Asheland Avenue in the East Riverside Redevelopment area was requiring Mrs. Gaines to lose her home. He asked Council to intervene with the Redevelopment Commission to determine if the new street could not be moved further north toward Phifer Street and save Mrs. Gaines the inconvenience of relocating.

Mr. W. C. King, Director of the Asheville Housing Authority, when asked to comment stated that the house and lot was substandard and that the house and lot next door was substandard and was also being acquired and would be combined with the Gaines lot making a marketable piece of property. If this was not done, the City would have to acquire this substandard lot. He asked that the Building Inspector report on the condition of the Gaines property.

Mr. James O'Kelly, Building Inspector, who inspected the Gaines' property said the property was substandard but that with minor repairs it could be brought up to code standards. He said that by classifying the house substandard did not mean that the house should be condemned. He also reported that the Mackey house next door could also be brought up to standard with a few minor repairs. He listed the electrical wiring as the major deficiencies in both houses.

Mayor Wood suggested that the problem be taken up with the Project Area Committee and then presented to the Asheville Housing Authority. He said that there was sufficient time to follow these procedures.

ASHEVILLE TRANSIT AUTHORITY - REQUEST FOR INCREASE IN RATES

Mayor Wood stated that he had received a letter from Mr. Richard Taylor, Chairman of the Asheville Transit Authortiy, advising that the Authority plans an increase in adult fares for bus service from 30¢ to 40¢ effective February 1, 1975. He said this increase is an attempt to cover the rising costs of operation. He called to Council's attention that with the passage of the recent Federal Mass Transit Act which will make operating subsidy money available, perhaps this would be a possible means of solving the deficit the Transit Authority is operating under. He further stated that there is a possiblity that Community Development funds could subsidize the bus system.

The Mayor said it would be his recommendation that the Transit Authority hold in abeyance any increase in fares for the next few months until Council has some opportunity to see what effect the new Mass Transit Act and Community Development funds will have on the operation of the Transist System.

Councilman Ochsenreiter moved that the Transit Authority be advised not to proceed with the proposed increases until such time as Council and the Transit Authority has an opportunity to observe the effect the new Federal Mass Transit Act and Community Development Funds would have on the Transit operation. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

PUBLIC HEARING - OLD HAW CREEK ROAD AND NEW HAW CREEK ROAD - REZONING

3. A public hearing was held relative to rezoning property on Old Haw Creek Road and New Haw Creek Road from RA-6 Residential to Roadside Business Area.

Mayor Wood opened the public hearing at 3:12 o'clock p. m.

The City Manager read the notice and the affidavit of publication setting the time and date for the hearing.

Verl Emrick, Director of Planning, reviewed the report of the Planning and Zoning Commission which recommended that the petition be denied for the following reasons:

1) Access to the area will be limited to some degree as both New Haw Creek Road and Old Haw Creek Road will be closed west of the property when construction of the Tunnel Connector Freeway reaches this area. Also, the closing of these roads will greatly increase the traffic volume at the intersection of Middlebrook Road and New Haw Creek Road. By allowing businesses uses in the immediate vicinity of this intersection, traffic problems will surely worsen.

2) The rezoning would push the Roadside Business District into an established residential area.

NOTE: With the exception of a possible mobile home sales lot on a portion of the property, usage of the remaining property is not known. Because of the wide range of uses permitted in the Roadside Business Area, it is desirable to know the use of the property to insure protection of the residential area.

3) The rezoning is not in keeping with the proposed development plan for the area.

Mr. Emrick reviewed with Council the location of the property and advised that he had received a letter from Mr. Hutchinson of the Department of Transportation stating that Old Haw Creek Road and New Haw Creek Road will have cul-de-sacs when the Tunnel Connector is constructed and this would limit access to the property.

Mr. Shelby Horton, representing the petitioners, stated that in view of the proposed road construction and due to the many businesses being carried on as non-conforming uses on adjacent property in the area, he strongly felt that the best use for all the property in this area would be business and suggested that even more of the property than his clients was requesting to be rezoned should be zoned to Neighborhood Trading or Business.

Mr. Harry Haynes, a resident in the area and one of the petitioners, spoke in favor of the rezoning.

No one spoke in opposition to the petition.

Councilman Horton asked Mr. Emrick to explain the statement, so often used, in the Planning and Zoning Commission's recommendations that the rezoning was not in keeping with the proposed development plan for the area.

Thursday, January 2, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the December 19, 1974 meeting.

Councilman Horton noted that the minutes quoted a 365 day construction time period for the Parking Garage and it was his understanding that the base bid construction time was 360 days. This correction was noted.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, the minutes of the December 19, 1974 meeting were approved as corrected.

PUBLIC HEARING - REZONING - HAYWOOD ROAD AND VIRGINIA AVENUE - MR. PAUL LOCKHART

ORDINANCE NO. 828 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held relative to rezoning property at the corner of Haywood Road and Virginia Avenue from RA-5 Residential to Business for Mr. Paul Lockhart.

Mayor Wood opened the public hearing at 3:04 o'clock p. m.

The City Manager read the notice and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Director of Planning, reviewed the report of the Planning and Zoning Commission which recommended that the request be approved for the following reasons:

1) The present zoning restricts reasonable use of the property as it is not well suited for residential use.

2) Lots to the north and west are presently zoned for business uses.

No one spoke either in support of or opposition to the petition.

Mayor Wood closed the public hearing at 3:10 o'clock p. m.

The City Manager was requested to read a prepared ordinance which would amend the Zoning Ordinance and rezone the property as petitioned.

Councilman Colton moved for the adoption of the ordinance. This motion was seconded by Councilman Horton.

On a roll call vote of 6-0, Ordinance No. 828 passed on its first reading.

PUBLIC HEARING - DEMOLITION OF 43 CIRCLE STREET, 185 PINE STREET AND 127 VALLEY STREET

ORDINANCE NO. 829 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 43 CIRCLE STREET, 185 PINE STREET AND 127 VALLEY STREET

5. A public hearing was held to consider an ordinance directing the Housing Officer to demolish those dwelling houses known as 43 Circle Street, 185 Pine Street and 127 Valley Street.

Mayor Wood opened the public hearing at 3:56 o'clock p. m.

The City Manager read the notice and affidavit of publication setting the time and date for the hearing.

Mr. J. E. Johnson, Building Inspector, reported that he had inspected the premises as of this date and that no improvements had been done on any of the properties listed. He said that all the properties had been unoccupied for at least a year.

At the Mayor's request, the City Manager read the owners of the three properties in question.

Councilman Colton said that since this is the type of procedure that the League of Municipalities is going to ask the legislature to extend into the non-residential areas, he asked Mr. Johnson to outline the steps as to what safeguards for the landowners are taken.

Mr. Johnson stated that a title search is made; notice of complaint is issued outlining the deficiencies; all parties are notified that a hearing will be held; hearing held before the Building Inspector; Finding of Fact and Order issued which orders the building repaired or demolished; and then an ordinance is presented to Council to have the building demolished.

Mayor Wood closed the public hearing at 4:04 o'clock p. m.

The City Manager read the ordinance ordering the demolition of the three properties in question.

Councilman Colton moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 829 passed on its first reading.

BIDS - PARKING GARAGE

6. Mr. George Auld, Wilbur Smith and Associates, advised Council that he had reviewed and analyzed the bids on the Civic Center Parking Facility and that Wilbur Smith and Associates recommended,in lieu of the established budget allocation, that the base bid be awarded to the respective low bidders and all alternates be rejected. Under this recommendation, he said that the low bidders were:

General Contract - A. J. Kellos Construction Co.	-	$1,367,074
Plumbing - Industrial Maintenance Overflow Corp.	-	49,000
Electrical - M. B. Haynes Electric Corp.	-	103,126

Mr. Emrick pointed out that the statement referred to a proposed development plan adopted by Council and was in keeping with the zoning plan now under consideration by Council.

Councilman Horton stated that he did not think this was a valid reason for denying a rezoning request and that in his opinion each rezoning case should be considered separately.

Mayor Wood closed the public hearing at 3:35 o'clock p. m.

The City Manager read a prepared ordinance which would amend the Zoning Ordinance and rezone the property as requested.

Councilman Horton moved for the adoption of the ordinance.

In the absence of a second, the ordinance failed to carry on the first reading.

Councilman Horton stated that in view of the situation, he hoped there would be no misunderstanding regarding his possible prejudice since the attorney representing the petitioners is very closely related to him. He said he felt that the petitioners had made a legitimate request and since there was no opposition, their request was valid and that the rezoning would have improved the property status in this area. He said that was the reason for supporting the petitioners.

PUBLIC HEARING - SITE PLAN - LIVINGSTON STREET COMMUNITY FACILITY

4. A public hearing was held to consider a site plan of a proposed Livingston Street Community Facility for the City of Asheville Parks and Recreation Department.

Mayor Wood opened the public hearing at 3:38 o'clock p. m.

The City Manager read the notice and affidavit of publication setting the time and date for the hearing.

Verl Emrick, Director of Planning, advised that the Planning and Zoning Commission had recommended to Council that the site plan be approved.

Mr. Jan Weigman, architect for the project, presented a brief preview of the plans for the proposed project and answered general questions from members of Council relative to the floor plan and construction of the building.

Mr. Ray Kisiah, Director of Parks and Recreation, said he did not see a large increase in outside activities but that most emphasis would be put on indoor recreation. He said that it would probably take three or four full time employees and an annual operation budget of approximately $50,000 a year. He said that the total cost of construction including $100,000 paid to the Asheville School Board for the Livingston Street School property, was $610,000. This amount to be funded with $160,000 from the Model Cities Fund; $150,000 from the Asheville Housing Authority and $300,000 under the HUD and Neighborhood Facilities Program.

Mayor Wood closed the public hearing at 3:55 o'clock p. m.

Councilman Ochsenreiter moved to approve the site plan of the Livingston Street Community Facility. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

BUILDING AND CONSTRUCTION TRADES COUNCIL

AFL-CIO

11 South French Broad Avenue

ASHEVILLE, NORTH CAROLINA 28801

Area Code 704 :: Telephones: 253-4610 - 253-3091

2 January, 1975

The Honorable Richard A. Wood, Jr.
Mayor, City of Asheville
Municipal Building
Asheville, North Carolina 28801

Dear Mayor Wood:

This is written to advise you and the other members of the Asheville City Council that the Asheville citizens and taxpayers among the membership of both the Asheville Central Labor Union and the Asheville Building & Construction Trades Council remain strongly opposed to any action which would permit Ranger Construction to avoid payment of the $1,000-per day "penalty" now due the City because of Ranger's failure to perform properly under the terms of their contract for construction of the Asheville Civic Center.

Ranger's performance on this job to date simply has not been such as to merit any such "forgiveness". This company, and their bonding agents, should be held liable for the full amount of penalty payments which may fall due until the job is properly completed. This appears to be the only way that reasonable progress can be adduced towards correction of deficiencies and completion of this project. Any revenue produced from the "penalty" clause will still be grossly inadequate to recompense the community for Ranger's shoddy and dilatory performance on this job. Local citizens will be paying the price for Council's mistake in judgement and failure to properly monitor this construction for years to come.

At the same time, we strongly recommend to Council consideration of the points raised by Labor spokesmen before you at your last meeting. In view of current economic conditions and rising unemployment among area workers, it is more important than ever that preference be given to contractors pledged to paying the going rate and employing local workers on municipal construction. Simple justice demands that jobs generated by local government go to the local taxpayers who help make those jobs possible. It will pay dividends for the entire community, both in added dollars flowing into the local economy from wages paid to local workers, and in higher-quality construction. There is simply no rationale which could support "exporting" jobs on municipal construction in times like these!

As pointed out in today's ADVOCATE/NATIVE STONE, there are strong factors indicating that preference on the pending contract for construction of the new municipal parking garage adjacent to the Civic Center should go to Kellos Construction Company. He is pledged to pay the prevailing wage and recruit his workers from this area. He has a sound reputation as a builder, and good financial credentials. Moreover, he is a former Buncombe resident. He is also low-bidder on the base contract, and second low bidder overall. We suggest that Council consider these points in making its decision.

Don Fox
DON FOX, President, AB&CTC

Ray Stepp
RAY STEPP, Vice President, Asheville CL

He said that this recommendation would accomodate approximately 413 cars for the Parking Facility. However, he said that if Council felt that more spaces were needed and additional funds could be made available it would be his firm's recommendation that the base bid and alternate bid #1 be accepted. He said it would still be their recommendation to award the contract to the low bidders which would be the same as recommended in the first recommendation.

At the request of Mayor Wood, Mr. Auld outlined the base bid and alternates. He said the base bid consisted of six (6) levels providing 413 parking spaces; Alternate # 1 would provide for two (2) additional levels and 160 additional spaces; and Alternate #2 would be an extension along Rankin Street, 6 levels high, and provide 85 additional spaces.

At the request of Councilman Colton, Mr. Auld gave the following bid summary of the low bid combining the base bid and alternate # 1:

General - A. J. Kellos Construction Co.	-	$1,782,000
Plumbing- Industrial Maintenance Overflow	-	48,579
Electrical - M. B. Haynes Electric Corp.	-	134,909

This, he said, would total $1,965,488 and provide 573 parking spaces.

At the request of Mayor Wood, Mr. Auld gave the following bid summary for the base bid and Alternate #1 for the second low bidders:

General - W. J. Megin, Inc.	-	$1,799,000
Plumbing - Moser, Inc.	-	50,730
Electrical - Hayes and Lunsford	-	146,159

Mr. Auld advised Council that Alternate #3 dealt entirely with the time of completion for the facility. He said to complete the project in 240 days instead of 360 days would cost $75,500 and he could find no justification for this expenditure.

When asked about the background of the contractors, Mr. Auld said that they had investigated both A. J. Kellos Construction Company and W. J. Megin, Inc. and found absolutely no evidence that either contractor would not do a perfectly satisfactory job. He said that he had received a letter from the Megin Company which assured him that it was their standard practice to buy locally, to give preference to local suppliers, and that so long as there were qualified workmen or craftsmen they would employ them locally. He said he had received similiar verbal assurances from the A. J. Kellos Contruction Company.

Mr. Jim Grey, Director of a communications consulting firm, said that he had been instructed by two of his clients, who are publishers of the Advocate-Native Stone and the Labor Advocate, to convey to Council their support for the City encouraging the use of local craftsmen and labor in the construction of the parking garage, as well as in the construction of future projects. He said that since all the bidders on the Parking Garage were non-union, his clients favored the A. J. Kellos Construction Company, since Mr. Kellos had pledged to use local labor and pay prevailing rates. He said the Kellos Company had a sound reputation with good financial backing. He appealed to Council to consider awarding the electrical contract to Hayes and Lunsford, second low bidder, since they were union, would employ union labor and were fully capable of performing the work.

Mr. Ray Stepp, of the Central Labor Union, read the following letter to Council:

ORDINANCE NO. 830 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1974-75

The City Manager advised Council that in order to fund the Revenue Sharing Fund portion of the contract just awarded it would be necessary to amend, by ordinance, the operating budget. He asked permission to present the ordinance for Council's consideration which would appropriate $1,244,000 in Revenue Sharing funds for the construction of a parking garage.

Councilman Colton moved to adopt the ordinance which was seconded by Councilman Ochsenreiter.

On a roll call vote of 6-0, Ordinance No. 830 passed on the first reading.

In order to make these funds immediately available, Councilman Morris moved to suspend the rules and proceed to the second reading. This motion was seconded by Councilman Colton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 830 passed on the second reading.

Councilman Morris then moved to suspend the rules and proceed to the third reading. This motion was seconded by Councilman Colton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 830 passed on the third and final reading.

Complete text of Ordinance No. 830 will be found in Ordinance Book No. 6 at page 137.

ORDINANCE NO. 831 - AN ORDINANCE AMENDING ORDINANCE NO. 681, KNOWN AS "AN ORDINANCE RESTRICTING PARKING ON HAYWOOD ROAD"

Consideration was given to an ordinance amending Ordinance No. 681, known as "AN ORDINANCE RESTRICTING PARKING ON HAYWOOD ROAD".

The City Manager read the ordinance which would amend the present 4:00 - 6:00 o'clock p. m. no parking restriction on Haywood Road by eliminating the section between Burton Street and Baker Avenue.

The City Manager advised Council that some time ago he had received a petition from the West Asheville Business Club requesting the change covered by the ordinance. He said that the petition was forwarded to the Planning Department who in turn passed it on to the State Highway Commission since Haywood Road is under the jurisdication of the State Highway. The City Manager then read a letter from the State Highway Commission in response to the petition, which indicated that their studies made in 1970 showed a definite need for the parking restrictions now in force, and their more recent volume investigation showed that their 1970 recommendation was still valid.

Mr. Andy Harper, West Asheville Merchants Association, spoke in favor of the ordinance citing the lack of parking in the area and the hardship this imposed on the businesses as the reason his association favored the lifting of the restrictions.

At the conclusion of his statement he also appealed to Council to award the electrical contract for the Parking Garage to Hayes and Lunsford Electrical Company.

Councilman Morris took issue with several critical statements regarding the employment of Ranger Construction Company for the construction of the Asheville Civic Center by Council. He pointed out that the present Council was not responsible for the employment of Ranger Construction Company.

Mr. Auld assured Council that since the construction of the Parking Garage would be partially funded with Federal funds the contractor would be subject to the Davis Bacon Act which sets the minimum labor wages.

At Council's request the City Manager made the recommendation that a combination of the Base Bid plus Alterante #1 be accepted. He said that the total amount for this contract would be $2,069,000. He said this could be funded with the use of $825,000 in General Obligation Bonds and $1,244,000 in Revenue Sharing funds, which would be available if Council elected to follow his recommendation.

Councilman Ochsenreiter moved to accept the recommendation of the City Manager and award the contract for the Base Bid plus Alternate #1 to the following:

General Construction - A. J. Kellos Construction Company in the amount of $1,782,000.

Plumbing - Industrial Maintenance Overflow Inc. in the amount of $ 48,579.

Electrical - M. B. Haynes Electrical Co. in the amount of $ 134,909;

for a total amount of $1,965,488. This motion was seconded by Councilman Colton.

Councilman Horton raised the question as the whether there was any frills that might be eliminated by negotiations in order to hold down the total cost. Mr. Auld said that except for some minor extras he knew of now way to substantially reduce the cost.

Mr. Jim Grey again appealed to Council to give consideration to awarding the electrical contract to the second low bidder, Hayes and Lunsford Electrical Company.

Councilman Hoyle then offered an amendment to Councilman Ochsenreiter's motion to substitute Hayes and Lunsford Electric Company for M. B. Haynes Electric Company in the award of the Electrical contract. This motion was seconded by Vice-Mayor Marshall.

On a roll call vote of 4-3, the amendment failed, with Councilmen Ochsenreiter, Colton, Morris and Mayor Wood voting "no" and Vice-Mayor Marshall, Councilmen Hoyle and Horton voting "aye".

On a roll call vote Councilman Ochsenreiter's original motion carried on a 4-2 vote, with Councilmen Ochsenreiter, Colton, Morris and Horton voting "aye" and Vice-Mayor Marshall and Councilman Hoyle voting "no".

Mr. Mort Cohn, WLOS-TV Station, voiced concern that the property of the TV station was proposed to be zoned for single family dwellings.

Mr. Emrick, Director of Planning, informed him that the property was proposed to be zoned Office Institutional which would allow TV studios as a permitted use.

Mr. Perry Alexander presented a letter from the Oteen Investment Properties requesting that the properties around the old Veterans Administration Hospital be zoned Commercial Service District instead of the proposed Office Institutional. He also requested that the language describing permitted uses in a Commercial Service District be amended to include "the manufacture and sale at retail or wholesale those handicrafts which are manufactured predominantly by hand and involve the application of artistic skills". It was also requested that rest, convalescent, and nursing homes, day nurseries, kindergarden, condominiums, apartment units and a restrictive use for light manufacturing be included as conditional uses in the Commercial Service District.

After discussion, the Planning Division recommended that the language to allow the manufacture and sale of handicrafts be accepted. However, due to the incompatibility of existing uses of the property as well as the proposed uses they would recommend that the condititional uses be rejected.

Verl Emrick reported that after consulting with the Corporation Counsel as to whether or not the area owned by Oteen Investment Properties could be rezoned to Commercial Service without creating a spot zone, he said, in their opinion, the entire tract owned by the Federal Government and Oteen Investment Properties would have to be rezoned in order to prevent the creation of spot zoning.

Councilman Morris excused himself from Council to question the allowable uses in the Commercial Highway District, referring to his business on Tunnel Road.

Mr. Emrick informed Councilman Morris that his business was a permitted use in the Commercial Highway District.

Mayor Wood continued the public hearing until January 9, 1975 meeting.

PARKMAN AVENUE - REPORT OF CITY MANAGER

The City Manager reported on a request made by Vice-Mayor Marshall at the December 19, 1974 meeting relative to a house located at 30 Parkman Avenue. He said since that request was made, a petition had been received to have the house demolished for various reasons. He said the house had been under consideration by the Housing Division for a number of years, but due to two heirs and a mortgage being involved it has been a complicated process. He said the Housing Division is now going through the court process to have the house demolished.

Adjournment.

MAYOR

CITY CLERK

Mr. Don Russell, a businessman located in the area, spoke in favor of the ordinance. He stated that this particular area was unique in that there was no off-street parking in the area.

Mr. Luke Atkinson, West Asheville businessman and former City Councilman, spoke in favor of the ordinance. He stated that this restriction was causing a hardship on the businessmen in the area as well as their prospective customers and appealed to Council, that if it was feasible, to give every consideration to passing the ordinance.

Councilman Horton, in commenting on whether the State Highway Commission would object to this change, said that the conversations that he had with State Highway officials led him to believe that they would go along with Council's action.

Vice-Mayor Marshall suggested that perhaps a vacant lot in the area belonging to Mr. J. T. Rice might be converted to an off-street parking lot.

Councilman Colton said that consideration should be given to the possibility that if the City exercised undue control on this State Highway they might end up having it turned back to them for maintenance.

Councilman Horton strongly supported the ordinance stating that the restriction directly affects many of the West Asheville businesses and he felt there was no reason for Council to hesitate in changing the restriction. He said a survey had been made in this area at 15 minute intervals for one week for cars traveling from Hanover west which indicated that 80.75% of the vehicles used the middle traffic lane and only 19.4% used the outside lane and that at no time during the survey did traffic use dual lanes which also indicated that there is no need for two lanes of traffic in this area. He pointed out that as a possible compromise they might consider installing 1 hour parking in this area if Council did not see fit to lift the restriction entirely.

Councilman Horton moved for the adoption of the ordinance. This motion was seconded by Councilman Morris.

On a roll call vote of 4-3, Ordinance No. 831 passed on its first reading, with Councilmen Ochsenreiter, Morris, Horton and Mayor Wood voting "aye" and Vice-Mayor Marshall, Councilmen Colton and Hoyle voting "no".

PUBLIC HEARING - ZONING ORDINANCE

Mayor Wood announced that Council would now continue the public hearing relative to the adoption of a new zoning ordinance for the City of Asheville.

Mr. Albert Sneed, representing Summey Advertising Company, voiced concern relative to the sign provisions of the new zoning ordinance stating that they were too restrictive and would put them out of business.

After discussion, the matter was referred to the Corporation Counsel to set up a conference between all parties in order to resolve the issue.

ORDINANCE NO. 831 - AN ORDINANCE AMENDING ORDINANCE NO. 681, KNOWN AS "AN ORDINANCE RESTRICTING PARKING ON HAYWOOD ROAD"

4. Consideration was given to the second reading of Ordinance No. 831, an ordinance amending Ordinance No. 681, known as "AN ORDINANCE RESTRICTING PARKING ON HAYWOOD ROAD".

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Don Russell, West Asheville businessman, said that due to a death in the family, Mr. Andy Harper, Vice-President of the West Asheville Business Association was unable to attend the meeting, but that he had requested Mr. Russell to express the association's support for the passage of the ordinance.

Mr. Russell continuted on his own behalf stating that the 4:00 - 6:00 o'clock p. m. parking restriction created a hardship for the businessmen and customers in this area.

Mayor Wood advised Council that he had requested Mr. Dutcher, Traffic Engineer, to make traffic counts on Haywood Road and also, as a comparison, counts were taken on Charlotte Street.

Mr. Dutcher presented traffic flow charts of the areas in question and stated that one hour volumes were taken on Charlotte Street which revealed approximately 480 vehicles at 4:00 p. m.; 612 vehicles at 5:00 p. m.; and less than 300 cars after 6:00 p. m. He said counts taken on Haywood Road for one hour volumes revealed approximately 380 vehicles at 4:00 p. m.; 418 vehicles at 5:00 p.m. and 572 vehicles at 6:00 p. m. He said after these peak hours traffic volume dropped to approximately 220 vehicles. He said the total volume from 4:00 p. m. - 6:00 p. m. on Haywood Road was 1,350 vehicles and 1,700 on Charlotte Street. Mr. Dutcher pointed out that on a free flow traffic lane, with a 20 miles per hour zone, each traffic lane could move between 650 and 750 vehicles per hour.

On a roll call vote of 4-3, Ordinance No. 831 failed on its second reading, with Councilmen Ochsenreiter, Morris, and Horton voting "aye" and Mayor Wood, Vice-Mayor Marshall, Councilmen Colton and Hoyle voting "no".

Mayor Wood pointed out that he had voted "aye" on the first reading of the ordinance in order to have more time to look into the matter. However, due to comparable traffic counts he felt there was a definite benefit to have two lanes available.

Councilman Horton asked Mr. Dutcher if a different type of sign could be erected that would indicate parking is allowed except from 4:00 p. m. to 6:00 p. m.

Mr. Dutcher informed Councilman Horton that this could be done.

BIDS - ONE STATION WAGON, ONE PICK-UP TRUCK AND ELEVEN AUTOMOBILES FOR THE POLICE DEPARTMENT

5. Consideration was given to bids received January 3, 1975 for one (1) station wagon, one (1) pick up truck, and eleven (11) automobiles for the Police Department.

Thursday, January 9, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of January 2, 1975 meeting.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, the minutes of the January 2, 1975 meeting were approved as submitted.

ORDINANCE NO. 828 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Property on the corner of Haywood Road and Virginia Avenue)

2. Consideration was given to the second reading of Ordinance No. 828, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Property on the corner of Haywood Road and Virginia Avenue)

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 828 passed on its second reading.

ORDINANCE NO. 829 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 43 CIRCLE STREET, 185 PINE STREET, AND 127 VALLEY STREET

3. Consideration was given to the second reading of Ordinance No. 829, an ordinance directing the Housing Officer to demolish those dwelling houses known as 43 Circle Street, 185 Pine Street and 127 Valley Street.

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Mayor Wood did read that section of the ordinance designating the locations and owners of the properties to be demolished.

On a roll call vote of 6-0, Ordinance No. 829 passed on its second reading.

In view of the deplorable condition of the houses, Councilman Morris moved to suspend the rules and proceed to a third and final reading. This motion was seconded by Councilman Ochsenreiter.

Councilman Colton objected, saying he believed more deliberation should be given the matter of taking a citizen's property.

On a roll call vote of 3-3 the motion failed, lacking a required 2/3 vote for suspension of the rules.

the Board of Directors of the TVA with a notation that it passed unanimously.

PUBLIC HEARING - ZONING ORDINANCE

Mayor Wood opened the public hearing at 3:47 o'clock p. m.

The City Manager read the notice to the public and affidavit of publication setting the time and date for the continuance of this public hearing.

Mr. Albert Sneed, representing Summey Sign Company, stated that he had met with Mr. Emrick, Director of Planning and Mr. Moore, Corporation Counsel, as suggested by Council, and had worked out some changes but there were other changes that he wished to propose.

Mr. Emrick presented the agreed upon changes which pertained to height restrictions on signs and size limitations from advertising and principal use indentification signs. It also involved the establishing of setbacks and spacing between advertising signs. He said these changes would be incorporated into the ordinance on pages 24 and 25B.

Mr. Sneed's proposed amendments along with Council's action on each are as follows:

1. Deletion of the following sentence from Section 30-3-14, paragraph C (2) on page 25(A).

"In any case, however, the combined total area of all signs on a premise shall not exceed one (1) square foot of sign area per linear foot of lot frontage."

1A. The sentence shall only apply to principal use indentification signs.

After discussion, it was the consensus of Council to have the sentence apply to principal use indentification signs only.

2. Modification of setback stipulations described on page 25A.

The principal difference between the proposed ordinance and the proposed amendment was the point from which the setback would be measured. Mr. Sneed's proposal was to measure from the center line of any street or road, whereas, the proposed ordinance stipulated measuring from the right of way line.

Council took no action on this request.

3. Delete last sentence of subparagraph (C) of Section 30-3-14, paragraph C (3). This sentence stipulates"that no advertising sign shall be erected within 600 ft. of the right of way of any limited access highway, until a permit is submitted and approved by the City Council and the North Carolina Board of Transportation."

Council took no action on this request due to stipulations in Ordinance No. 644, which requires Council's approval for signs within 200 ft. of the right of way of limited access highways.

The City Manager, in presenting the bids, read a memorandum from the Purchasing Agent, which recommended the following:

Items 1, 3, and 4 be awarded to low bidder, Matthews Motors, Inc.

Item 1 - One (1) station wagon - $4,323.26 (No trade-in)

Item 3 - One (1) Pick-Up Truck - $3,318.14 (Net amount after trade-in)

Item 4 - Ten (10) Police Type Automobiles - $33,058.40 (Net amount after 10 trade-ins)

The Purchasing Agent recommended that Item 2, One (1) 4-Door Compact Car, be awarded to the second low bidder, Dorato Motors, Inc. in the amount of $3,389.69, as the low bid submitted by Ed Orr Motors, Inc. in the amount of $3,364.00. (difference $25.96) did not meet specifications with regard to wheel base size.

The City Manager explained that the bids exceeded the budget by $5,316.50 and if Council approved the bids he would present an ordinance amending the budget to off-set the deficit.

Mr. Phipps, Purchasing Agent, answered general questions of Council relative to the specifications of the police cars.

Councilman Ochsenreiter pointed out that Ford Motor Company might be contemplating offering factory rebates as now proposed by Chrysler Motor Company and in light of this it might be wise to delay the awarding of the bids.

Vice-Mayor Marshall moved to defer awarding the bids until next week's meeting. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Mayor Wood requested the City Manager to explore the possibility of Ford Motor Company offering factory rebates.

RESOLUTION NO. 75-1 - RESOLUTION RECOMMENDING THAT THE BOARD OF DIRECTORS OF THE TENNESSEE VALLY AUTHORITY PROCEED IN THE CONSTRUCTION AND OPERATION OF A SOLID WASTE RECYCLING FACILITY IN BUNCOMBE COUNTY

Consideration was given to a resolution recommending that the Board of Directors of the Tennessee Valley Authority proceed in the construction and operation of a solid waste recycling facility in Buncombe County.

The City Manager read the resolution.

Mayor Wood commented that it was his understanding that the Board of Directors of the TVA anticipated taking action on this proposal next week and that the County was passing a similar resolution indicating their support of this program of waste recycling. He recommended that Council adopt the resolution.

Upon motion of Councilman Horton, seconded by Councilman Colton, Resolution No. 75-1 was unanimously adopted.

Complete text of Resolution No. 75-1 will be found in Resolution Book No. 8 at page 43.

Mayor Wood requested the City Manager transmit a copy of the resolution to

He informed Council that Councilman Ochsenreiter and several representatives of construction crafts had made a walk through tour of the Civic Center since the last meeting. He said during this tour obvious deficiencies were pointed out. He was also critical that the architect was not making a professional assessment of the building, as well as not taking corrective measures to insure better construction.

Mayor Wood informed him that he was not aware of any particular defects that have in fact, been accepted by the architect.

Mr. Grey told Council that perhaps a report from the architect as to the progress status relative to completion of the job and quality of the work completed was needed in order that remedial action could be taken.

He also added that allegations were made to Council by M. B. Haynes Electric Company, who was awarded the electrical contract for the Parking Garage, at last week's meeting, relative to the statements made regarding the quality and status of Hayes and Lunsford's apprenticeship program. He said these allegations were contrary to official reports from the Department of Labor, Bureau of Apprenticeship and Training. He said allegations were also made relative to statements made about prevailing wages as determined by the U. S. Department of Labor, which would apply to the Davis-Bacon Act.

Vice-Mayor Marshall was excused by Mayor Wood at 6:05 o'clock p. m.

Mr. Don Fox, President of the Asheville Building and Construction Trades Council, spoke in defense of the allegations. He said that there had been some feed-back about their apprenticeship program from the non-union apprentices. He said the statements made at last weeks meeting relative to the program were true and he also compared the union apprenticeship program with the non-union apprenticeship program.

He urged Council to inquire of M. B. Haynes Electric Company as to whether their apprenticehsip program was found in compliance with the review made of their program by the Federal Bureau of Apprenticeship and Training Department. He also asked Council to contact the Office of Federal Bureau of Apprenticeship and Training and the U. S. Department of Labor, Wage and Hour Division when contractors bid on municipal construction jobs. He said these offices could advise them if the contractors were in compliance with the apprenticeship programs and also in compliance with the Davis-Bacon Act.

He said he had obtained the predetermined wage rate set for the Davis-Bacon Act by the U. S. Department of Labor, Employment Standards Administrator, which was in effect for the Asheville area until March 7, 1975 for estimated contracts of $1-$5 million dollars. He said for an example, this requires the contractors to pay sheet metal workers $3.56 per hour and a union contractor pays sheet metal workers $7.13 per hour. He said union contractors must compete with the non-union contractors on these wages.

Upon inquiry, Mr. Fox explained that the predetermined wages for the Davis-Bacon Act was arrived at by compiling union wages and non-union wages and an average taken. However, under this Act fringe benefits are not required.

Mayor Wood requested that the City Manager contact these offices in connection with the next municipal construction project between the time that the bids are accepted and before they are submitted to Council for approval, in regards to compliance with apprenticeship programs and wage rates for the Davis-Bacon Act.

After a lengthy discussion, Mayor Wood suggested that Mr. Emrick and Mr. Moore have another meeting in light of the suggested modifications.

Mr. George Gontero, Lamar Dean Outdoor Advertising, also voiced concerns, similar to Mr. Sneed's, relative to the restriction of the size of advertising signs and setback requirements.

Mr. Perry Alexander, Oteen Investment Properties, requested that the property owned by Oteen Investment Properties and the Veterans Administration be zoned from the proposed Office Institutional to Light Industrial.

In addition, he requested that the uses permitted in the Commercial Service District be modified to reflect the following:

1) The manufacture and sale at retail or wholesale those handicrafts which are manufactured predominantly by hand and involve the application of artistic skills.

2) As Conditional Uses - homes for the aged, convalescant and nursing homes, kindergardens, and nursery schools.

After a lengthy discussion, Council directed that these changes be incorporated into the ordinance.

Mr. Gary Dodd appeared on behalf of Mr. and Mrs. Shuford Hall, again requesting that their Day Care Center property on Hollywood Street be included in a R-2 District.

It was the consensus of Council to take no action on this request.

Verl Emrick, Director of Planning, presented a request to zone property on Mimosa Drive and Sulphur Springs Road from the proposed R-3 to Commercial Highway District.

Mayor Wood suggested that this request be deferred until complete information is furnished to Council at next week's meeting.

At 6:00 o'clock p. m., Vice-Mayor Marshall moved to continue the public hearing until next week, with instructions to the City Clerk to advertise the continuance of the public hearing. This motion was seconded by Councilman Morris and carried unanimously.

ASHEVILLE CIVIC CENTER - PARKING GARAGE - DISCUSSION FROM LABOR REPRESENTATIVES

Jim Grey, Director of a communications consulting firm, said that representatives of organized labor had presented a written communication, at last weeks meeting, voicing concern that Council should hold Ranger Construction Company totally responsible for the $1,000 per day penalty for failing to complete the Civic Center construction job as specified in the contract. He said Council in no manner responded or indicated their willingness to do so.

Thursday, January 16, 1975 - 3:00 o'clock p. m.

1. Approval of the minutes of January 9, 1975 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Ochsenreiter, the minutes of the January 9, 1975 meeting were approved as submitted.

ORDINANCE NO. 828 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS " AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Haywood & Virginia Avenue)

2. Consideration was given to the third and final reading of Ordinance No. 828, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Property at the corner of Haywood Road and Virginia Avenue)

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 828 passed on its third and final reading.

Complete text of Ordinance No. 828 will be found in Ordinance Book No. 6 at page 135.

ORDINANCE NO. 829 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 43 CIRCLE STREET, 185 PINE STREET, AND 127 VALLEY STREET

3. Consideration was given to the third and final reading of Ordinance No. 829, an ordinance directing the Housing Officer to demolish those dwelling houses known as 43 Circle Street, 185 Pine Street, and 127 Valley Street.

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so. He did read that section of the ordinance designating the locations and owners of the properties to be demolished.

On a roll call vote of 6-0, Ordinance No. 829 passed on its third and final reading.

BIDS - ONE (1) STATION WAGON, ONE (1) PICK-UP TRUCK AND ELEVEN (11) AUTOMOBILES FOR THE POLICE DEPARTMENT

4. Consideration was given to bids received January 3, 1975, an item held over from last week's meeting, for one (1) station wagon, one (1) pick-up truck and eleven (11) automobiles for the Police Department

Ray Stepp, of the Central Labor Union, also urged Council to collect the $1,000 per day penalty due from Ranger Construction Company for failing to meet the completion date under their contract.

William C. Moore, Corporation Counsel, advised Mr. Stepp that it is the architect's responsibility to assess the amount of damages and recommend the assessment to Council for their consideration.

Mr. Stepp pointed out that if Ranger Construction Company was unable to pay the penalty, then it would be the responsibility of the bonding company to pay this amount.

He also commented that pictures were taken at the Civic Center showing specific safety violations and that if the OSHA representative made an inspection of the project, an additional penalty would be imposed as well as the job closed down until all violations had been corrected.

Mr. Neal Lipe, Business Agent for Electricians union, read a letter to Council relative to an inspection made by the Federal Government, commending his organization for their outstanding apprenticeship program. He ask Council to inquire as to M. B. Haynes Electrical Company's compliance with this same program. He said it was his understanding that they were not in compliance when last inspected.

Mr. Jim Grey ask Council to have the architect submit a progress report, with his professional evaluation, as to completion status, quality of construction and a projection date as to when a punch list would be made and what could be expected in the way of assessments.

Mayor Wood instructed the City Manager to request the architect to comply with Mr. Grey's request.

At Mr. Fox's request, Mayor Wood further instructed the City Manager to contact the Office of the Federal Bureau of Apprenticeship and Training and the U. S. Department of Labor, Wage and Hour Division relative to the compliance status of M. B. Haynes and Hayes and Lunsford on apprenticeship programs and the Davis-Bacon Act.

Mr. Fox expressed appreciation to Vice-Mayor Marshall, Councilmen Hoyle and Horton for their support at last weeks meeting, relative to the awarding of the electrical contract for the Parking Garage to a union contractor.

Adjournment.

Richard D. Wood
MAYOR

William D. Dorsett
CITY CLERK

Councilman Horton moved for the adoption of the ordinance. This motion was seconded by Vice-Mayor Marshall.

On a roll call vote of 6-0, Ordinance No. 832 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of the ordinance. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 832 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 832 passed on its third and final reading.

Complete text of Ordinance No. 832 will be found in Ordinance Book No. 6 at page 141.

CONTINUED PUBLIC HEARING - ZONING ORDINANCE

ORDINANCE NO. 322 - AN ORDINANCE AMENDING ORDINANCE NO. 322, AS AMENDED "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE"

5. Mayor Wood opened the public hearing at 3:20 o'clock p. m.

The City Manager read the notice to the public and affidavit of publication setting the time and date for the continuance of this public hearing.

Mr. Emrick, Director of Planning, told Council that he had checked into the request of Mr. Bullard to zone his property at the corner of Sulphur Springs Road and Mimosa Drive from the proposed R-3 to Commercial Highway. He said it had been a previous recommendation of the Planning and Zoning Commission to deny the request and after reviewing the staff report it would be his recommendation to zone the property R-3.

Mr. Bullard stated that there would be very few people affected by changing the zoning and the lot was useless zoned for residential purposes.

Councilman Morris said that he felt no action should be taken without first notifying property owners in the area, since a petition opposed the original request which was denied by Council.

In polling the Council, it was the consensus that the petitioners on the original petition be notified by mail and that the request be brought up again at next week's meeting.

Mr. Mike Summey, Summey Sign Company, appealed to Council to schedule a bus tour for members of Council to observe the various signs now erected and how they would be affected by the ordinance. He said he was still concerned with setback requirements and the control of signs within 600' of the interstate. He said he felt a setback to be measured from the right of way would be virtually impossible at certain places and proposed that the setback be measured from the center line of the road.

It was agreed that a bus tour would be made by sign representatives, members of Council and staff members at 2:00 o'clock Thursday, January 23, 1975 as requested by Mr. Summey.

Mayor Wood asked Mr. Emrick to review the changes relative to signs now

The City Manager presented the bids and read a memorandum from the Purchasing Agent, which recommended the following:

Items 1, 3, and 4 be awarded to low bidder, Matthews Motors, Inc.

Item 1 - One (1) Station Wagon - $4,323.26 (No Trade-In)

Item 3 - One (1) Pick-Up Truck - $3,318.14 (Net amount after trade-in)

Item 4 - Ten (10) Police Type Automobiles - $33,058.40 (Net amount after 10 trade-ins)

The Purchasing Agent recommended that Item 2, One (1) 4-Door Compact Car, be awarded to the second low bidder, Dorato Motors, Inc. in the amount of $3,389.69, as the low bid submitted by Ed Orr Motors, Inc. in the amount of $3,364.00. (difference $25.96) did not meet specifications with regard to wheel base size.

The City Manager explained that the bids exceeded the budget by $5,316.50 and if Council approved the bids he would present an ordinance amending the budget to off-set the deficit.

The City Manager advised Council that the bid summaries which had been furnished included additional information showing the types of cars to be purchased. He also explained that these cars were bid at wholesale prices and that no factory rebates are given from any company on bids of this type.

Councilman Colton moved to accept the recommendation of the Purchasing Agent and to award the bids as follows:

Item 1 - One (1) Station Wagon to Matthews Motors, Inc. in the amount of $4,323.26; Item 2 - One (1) 4-Door Compact Car to Dorato Motors, Inc. in the amount of $3,389.69; Item 3 - One (1) Pick-Up Truck to Matthews Motors, Inc. in the amount of $3,318.14; and Item 4- Ten (10) Police Type automobiles to Matthews Motors, Inc. in the amount of $33,058.40.

This motion was seconded by Councilman Horton and carried unanimously.

ORDINANCE NO. 832 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1974-75

The City Manager presented an ordinance which would appropriate funds from Revenue Sharing Trust Fund for the purpose of purchasing the vehicles for the Police Department.

Mayor Wood advised that the Community Development scheduled for presentation at this meeting would be postponed until next week.

Mayor Wood instructed the Corporation Counsel to proceed with the reading of Ordinance No. 833 on the first reading. He advised that there would be no interruptions until the reading was completed and that it would not be necessary to tape record the reading of the ordinance.

Councilman Hoyle was excused by Mayor Wood at 5:00 o'clock p. m.

At the conclusion of the reading of the ordinance at 6:27 o'clock p. m., Councilman Ochsenreiter moved for the adoption of the ordinance. This motion was seconded by Councilman Colton.

On a roll call vote of 5-0, Ordinance No. 833 passed on its first reading.

CITY MANAGER'S REPORT - WATER PRESSURE ON OAKHILL ROAD

The City Manager reported that in the past several months he had received complaints of low water pressure from the Oakhill Road section of the County. He advised that Mr. Bill Edens, Director of Water and Sewer Department, had completed engineering studies of the area and his recommendation was to install 3000' of 8-inch PVC pipe up Oakhill Road to an existing pumping station. He said that this improvement would cost approximately $28,000, but would be a permanent solution to the low pressure problem.

BIDS - COIN-OPERATED LOCKERS FOR MALVERN HILLS, WALTON STREET, AND RECREATION PARK POOLS

Consideration was given to bids received December 30, 1974 for coin-operated lockers for Malvern Hills, Walton Street, and Recreation Park pools.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bids for items 1 and 2 totaling $8,515.80 submitted by American Locker Company. He said funding would be from the Open Space Park Improvement Program.

Ray Kisiah, Director of Parks and Recreation, answered general questions of Council relative to the lockers.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bids to American Locker Company in the amount of $8,515.80. This motion was seconded by Councilman Colton and carried unanimously.

Bid Summary

Bidder	Bid Item 1 192 Coin-Operated Lockers, size 12" X 18" x 12" minimum	Item 2 18 Coin-Operated Lockers, size 12" X 18" x 36"
Flexible Company	$8,394.24	$1,242.54
American Locker Company	$7,344.00	$1,171.80
	$9,636.78	$8,515.80

being incorporated into the ordinance.

The following changes were noted:

1) A sentence was removed from page 11, Section 30-3-3 (C) which in general made all existing signs under the grandfather clause.

2) An introductory sentence added on page 11 that signs erected after the passage of the ordinance must comply with all provisions.

3) A sentence added on page 23 - Section 30-3-14 (A) 1 that "after a sale or rental contract has been entered into the "For Sale" or "For Rent" sign shall be removed.

Mayor Wood instructed Mr. Emrick to communicate with the Board of Realtors relative to the wording of the sentence.

4) The wording was changed on page 24, under paragraph (b) so that the sentence would provide that advertising and principal use indentification signs shall be in conformance with all provisions.

5) On page 25 the minimum heighth of principal use indentification signs was amended to 9' in lieu of 14'.

6) Under the Commercial Service District on page 25A for principal use indentification signs - the wording was changed to read as follows "(2) Principal use indentification signs of seventy-five (75) square feet or less shall be permitted to face each public street on which a lot fronts. Principal use indentification signs greater than seventy-five (75) square feet and marquees shall be approved by the Board of Adjustment before a building permit may be issued."

7) On page 25A paragraph 3 (b) the setback for principal use indentification signs over 75 square feet is to be measured 20' from any existing right-of-way.

8) On page 25B, the words "advertising sign structure" was added rather than using the display area to measure the minimum distance between signs.

9) Pages 25C and 25D were added dealing mainly with maintenance of all signs, non-conforming signs, and procedures whereby the City would notify the owner of any non-conforming sign for repair or removal.

10) On pages 48, 48A, 49, and 51 setback requirements for accesssory building were added.

11) On page 66, paragraph E(3) the sentence was reworded to read as follows: "Said uses shall, in the opinion of the Board of Adjustment, conform reasonably with the present or future character of development of the surrounding residential area."

Mr. Emrick said the only other changes were those directed by Council in regard to the Commercial Service Districts.

Mayor Wood closed the public hearing at 4:04 o'clock p. m.

b. Work in the existing construction is steadily progressing. Major items of work, such as completion of the construction of an elevated concrete and steel floor for the auditorium, installation of interior doors and hardware, refinishing of interior wall and floor and ceiling surfaces, and installation of new seating remains to be done.

2.a) From the general discussion of the status of the work above, the City might expect the new construction to reach a punch list stage on the interior within thirty days. Exterior completion depends on weather conditions in that concrete finishing is impractical at near freezing temperatures.

b. From the amount of work remaining to be done in the existing construction, the City might expect ninety days of work remaining before this area would be ready for the preparation of a punch list. This schedule is entirely dependent on the progress of all contractors involved and could be more or less than that speculated above.

3) As for liquidated damages, the City recently entered into an agreement with Ranger Construction Company which states that the General Contractor shall pay the City the sum of $500.00 per day for each calendar day after November 15, 1974 for work not completed in the new construction.

This agreement also states that the General Contractor shall pay the City the sum of $500.00 per day after December 31, 1974 for work not completed in the existing construction.

The above penalties are subject to extensions approved by the Architects. However, such extensions are not allowed or disallowed until final project completion, after all pertinent factors have been considered and evaluated.

If further information is required regarding the status of the project, please feel free to call on us.

Very truly yours,

BABER, CORT AND WOOD,P.A.

/s/ John E. Cort

John E. Cort, AIA
Secretary-Treasurer

Corporation Counsel William C. Moore furnished Council with a financial statement for the Civic Center as it pertained to Ranger Construction Company and reported that on January 7, 1975 a meeting was held to discuss the Change Order 13 Agreement referred to in Mr. Cort's letter. He said that under Change Order 13, the City has been paying, with joint checks to Ranger and the materialmen or suppliers involved all invoices approved by the architect and Ranger Construction Company. He said, we have now advised Ranger Construction Company, by letter dated January 9, 1975, that this practice will be discontinued since there are no longer any unencumbered funds available to make these payments.

He said that under items 6, 7, and 8 of the report, certain funds had been escrowed to pay invoices already approved but not processed, as well as other anticipated expenditures which would become due and payable in the near future. He said that funds had also been held in escrow to cover liquidated damages on the project through January 15, 1975.

PRITCHARD PARK RENOVATION - REPORT

Ray Kisiah, Director of Parks and Recreation, gave a brief status report on the Pritchard Park renovation. He said that the fountain kit would be delivered approximately April 1, 1975 after which the renovation would be started.

Councilman Horton asked what the possibility would be of extending Pritchard Park across Haywood Street toward the Wachovia Bank. Mayor Wood explained that this had been considered but the traffic and bus patterns posed somewhat of a problem. However, in view of requests from the Quality '76 Committee, Mayor Wood instructed Mr. Kisiah to take a close look at the layout of the park with an extension of the park in mind.

CIVIC CENTER CONSTRUCTION - DISCUSSION - REPORTS

The City Manager reported that as instructed at last week's meeting he had written to Mr. Tom Poole, U. S. Department of Labor, Bureau of Apprenticeship and Training in Raleigh relative to the records of M. B. Haynes Electric Company and Hayes and Lunsford Electric Company in regards to their activity in apprenticeship and training and also to Mr. Fred Carlock, U. S. Department of Labor as it related to the same two contractors in complying with the Davis-Bacon Act. He said he had not received a reply, in writing, as of this date.

He said that he had, as instructed, written to the architects for the Civic Center requesting a construction progress report, an assessment of what the City could expect in the way of completion and what could be expected in the way of liquidated damages. He said that he had received an answer to this request and with Council's permission he read the following letter:

January 15, 1975

Mr. Ernest Ward
City Manager
Asheville City Hall
Asheville, North Carolina 28807

Subject: Asheville Civic Center

Dear Mr. Ward:

At your request, we are responding to your inquiry as to 1) a progress report on the construction of the Civic Center and 2) what the City can expect in the way of completion time and 3) what the City can expect in the way of assessment for liquidated damages.

1. Although all construction is under a single contract, for general discussion purposes, the construction can be separated into two parts, namely a) new construction and b) existing construction.

a. As of this date, all contractors work in the new construction is nearing a point where a "punch list" can be made on interior work. This means that all items of work on the interior of the building will have been completed, and the Architects will itemize what corrections are to be made to that work, in order for this work to conform to the plans and specifications. Some exterior work, such as rubbing and patching of concrete remain to be done prior to the preparation of a punch list.

Thursday, January 23, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.,

Absent: Councilman Henry E. Colton

1. Approval of minutes of January 16, 1975 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, the minutes of the January 16, 1975 meeting were approved as submitted.

ORDINANCE NO. 322 - AN ORDINANCE AMENDING ORDINANCE NO. 322, AS AMENDED " AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE"

2. Consideration was given to the second reading of Ordinance No. 833, an ordinance amending Ordinance No. 322, as amended "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE".

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance as presented on the first reading and it would not be re-read unless there was a specific request to do so.

Mr. Mike Summey, Summey Sign Company, outlined particular problems that the sign companies would encounter if the ordinance passed as presented on the first reading. He submitted two proposals 1) dealing strictly with a change in determining the setbacks for advertising signs and 2) delete control by the City of signs along limited access highways. He said under the proposed draft, the setbacks would be measured from the edge of road right-of-ways. However, due to the wide variance of right of ways this method would create difficulty in sign locations, cause signs to be built in wide ranging distances from the traveled roadway, and subject sign erectors to arbirtary rulings of the building inspector in areas where right-of-ways cannot be determined. He submitted the following proposed amendment to Section 30-3-14:

"That paragraph C.3.(a), (b), (c), and (d) on pages 25(A) and 25 (B) be DELETED and the following inserted in lieu thereof:

3. Setback Requirements. The following setback requirements shall govern the placement of all signs. The setback shall be measured from the centerline of the pavement of the street. In the event that a street is unpaved, the measurement shall be made from the centerline of the right of way of such street.

(a) Principal Use Indentification (75 square feet or less). Principal Use Indentification signs 75 square feet or less in area shall be set back forty (40) feet.

(b) Principal Use Indentification (over 75 feet). Principal use indentification signs in excess of 75 square feet in area shall be set back fifty (50) feet.

He said that suppliers had been advised by letter not to rely on the City for future payments, and that copies of all correspondence had been sent to Mr. Howard Gleason, Vice-President of Ranger Construction Company, Mr. Larry McDevitt, attorney for Ranger and Ranger's bonding company, Travelers Insurance Company.

Mayor Wood pointed out that in his discussions with Ranger he had been advised that Ranger, for the last few months, had been carrying their own payrolls as well as other smaller items and that they had indicated that this practice would be continued in the future.

Jim Grey told Council that his questions of last week were now adequately answered but he was concerned over the collection of liquidated damages over and above the $37,500 now being held in escrow. He asked if the future penalties would be levied against Ranger or the bonding company.

Mr. Moore advised him that at the termination of the job the architect would make an assessment of the job and recommend the penalty to be imposed.

Adjournment.

William L. Malcolm
CITY CLERK

Richard A. Wood, Jr.
MAYOR

Councilman Horton moved to amend the ordinance by adding the words "within one week" at the end of the last sentence in Section 30-3-14 paragraph A (1), which would allow temporary real estate signs to remain for one week after the sale or rental contract. This motion was seconded by Councilman Hoyle and on a roll call vote of 5-0, the amendment carried.

Councilman Morris moved to amend the ordinance by adding the words "in all residential districts" after the words "For Rent" in Section 30-3-14, paragraph A(1). This motion was seconded by Councilman Hoyle and on a roll call vote of 5-0, the amendment carried.

Mr. Emrick told Council that in presenting the ordinance on the first reading it was determined that Section 30-3-17 paragraph E had been deleted in error. He asked Council for an amendment adding this section, which would allow for temporary permits for trailers in certain districts and storage of unoccupied mobile homes in a rear yard of an occupied dwelling.

Councilman Ochsenreiter moved to amend the Ordinance by adding Section 30-3-17 paragraph E on page 45 which would allow for temporary permits for mobile homes, camper trailers, or motor homes in certain districts and for the storage of unoccupied mobile homes, camper trailers and motor homes in a rear yard of an occupied dwelling. This motion was seconded by Councilman Horton and on a roll call vote of 5-0, the amendment carried.

Mr. Emrick stated that relative to the request of Mr. B. L. Bullard to rezone property on Sulphur Springs Road and Mimosa Drive, he had, as instructed, notified by mail, the original petitioners in opposition to this request when it was first presented in 1971 and that he had also placed a notice on the property that this matter would be considered at this meeting. He said as a result, he had received a new petition in opposition signed by a sufficient number of the property owners within 100' of the property, which would require a 3/4 vote of Council in order to rezone the property.

Mr. Bullard stated that he had talked to most of the people who opposed the rezoning in 1971 and from what he could determine the main objection was the fact that if rezoned, the property would change owners and an undesirable occupancy might result. He said he had made improvements to the building in recent months. He also stated that if Council did not see fit to rezone this property he would suggest two alternatives: 1) to include in the conditional uses under R-3 District that the words "business or professional offices" be added or 2) that the City purchase the property for a community center.

Mayor Wood stated that since a petition in opposition had been received which contained signatures of more than 20 per cent of the property owners, within 100' of the property, it would require a 3/4 vote of Council to rezone the property.

Mrs. Russell Allen, 36 Mimosa Drive spoke in opposition to the rezoning stating that in future years the property may get into the hands of undesirable tenants which would decrease the value of the property in the area.

Mr. Elmer Russell, property owner in the area, also spoke in opposition to the rezoning.

In the absence of a motion to rezone the property, the request was denied.

(c) Advertising Signs (75 square feet or less). Advertising signs 75 square feet or less in area shall be set back forty (40) square feet.

(d) Advertising Signs (over 75 square feet to 300 square feet). Advertising signs greater than 75 square feet in area and not greater than 300 square feet in area shall be set back fifty (50) feet.

(e) Advertising Signs (over 300 square feet) Advertising signs in excess of 300 square feet in area shall be set back sixty (60) feet and approved by the Board of Adjustment."

That existing subparagraph (e) under paragraph 3 be re-lettered to become subparagraph (f). "

In presenting his proposal to delete the city's control along limited access highways, he said that the outdoor advertising is the major media used to reach the traveling public which bypass our town on the major highways and that any ban or limitation over and above that already placed upon it by State and Federal laws could be a severe blow to the economy.

Mr. J. E. Johnson, Building Inspector, commented that in either case, under the present draft the Building Inspector must establish the right of way and if for some reason the right of way was in error the City would be responsible.

In order to expedite the passage of the ordinance, Councilman Horton suggested that a separate ordinance specifically regulating signs be prepared for Council's consideration. Councilman Ochsenreiter agreed with this suggestion, stating that more time should be given to the sign regulations.

Councilman Morris moved to amend the ordinance as it related to principal use signs by deleting Section 30-3-14; paragraph C (1) (b) (1) in its entirety which required a 9' minimum height on freestanding principal use indentification signs. This motion was seconded by Councilman Ochsenreiter and on a roll call vote of 5-0, the amendment carried.

It was agreed that the sign provisions of the ordinance would remain as first presented and that it was Council's intent to consider, in the near future, a separate ordinance regulating signs.

Verl Emrick, Director of Planning stated that after communicating with the Board of Realtors, he wished to offer an amendment to the wording in Section 30-3-14 subparagraph A (1) which would add the words "in all residential districts" after the words "For Rent", which would prevent temporary real estate signs, "For Sale" or "For Rent" of 12 square feet,in a residential area.

Mrs. Jackie Kettleson, speaking for the Board of Realtors, said that the Board objected to the requirement in Section 30-3-14 paragraph A(1) which requires the removal of the realtor's signs after a sale or rental contract has been made. She said a time limit should be placed on the removal of the signs, suggesting that the signs be allowed to remain for 15 to 30 days after the sale.

The City Manager read the resolution.

Verl Emrick, Director of Planning, advised Council that this agreement is part of a requirement that the State is imposing upon these municipalities in receiving the planning grants that have been offered. He said the City did execute a contract with the State for these funds and that this agreement had been in effect previously between these governing bodies and the Metropolitan Planning Board. However, since the Planning Division is assuming that responsibility it is necessary to re-execute this agreement.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 75-2 was unanimously adopted.

Complete text of Resolution No. 75-2 will be found in Resolution Book No. 8 at page 44.

BIDS - CHEMICALS FOR TREATMENT OF WATER FOR CALENDAR YEAR 1975

6. Consideration was given to bids received December 30, 1974 for chemicals for treatment of water for calendar year 1975.

The City Manager read a memorandum from the Purchasing Agent which recommended award to Ticar Chemical Company, Inc. for all bid items on a unit price basis as follows:

Item #1 - Chlorine 200,000 pds. at $14.00 CWT
Jones Chemicals, Inc. and Ticar quoted the same price - firm for 90 days.

Item #2 - Hexametaphosphate - 80,000 pds at $25.76 CWT
Lowest bid - price firm 90 days.

Item #3 - Caustic Soda - 425,000 pds at $7.00 CWT
Only bid received - price firm 30 days.

Item #4 - Hydrofluosilicis Acid - 300,000 pds at $74.70 per ton.
Three companies, Jones, Moreland and Ticar all quoted the same price - firm for one (1) year.

Items 1 and 4 are recommended for award to Ticar based on the following:
1) Past experience with Ticar has been satisfactory with regard to delivery schedules and billing.
2) Ticar is local and as proven, can give faster, more efficient service.

Mr. Wm. Edens, Water and Sewer Director, answered general questions relative to the treatment of the water.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award all items to Ticar Chemical Company on a unit price basis as quoted. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Mrs. Billie Mountney, 1 Clearbrook Drive, told Council that eventhough she did not own the property in the Koon Development, she felt that certain residential property in this area should be zoned Industrial. She said in March, 1974 when her property adjacent to this area was rezoned Industrial, Council moved that a further study of the area be made in view of establishing new industrial zones. She requested that Lots 222-225, 5 and 5-1/2 be rezoned extending the industrial area to Galax Avenue. She said this property, if rezoned for industrial, would be a tax revenue asset.

Mayor Wood suggested that Mr. Emrick investigate the rezoning of Lots 222-225, 5 and 5-1/2 for industrial purposes and report back to Council next week.

On a roll call vote of 5-0, Ordinance No. 833 passed on its second reading.

REPORT CONCERNING USE OF REVENUE SHARING FUNDS TO PROVIDE EMERGENCY RELIEF FUNDS TO ASHEVILLE-BUNCOMBE COOPERATIVE CHRISTIAN MINISTRY

3. Ken Michalove, Assistant City Manager, reported that based on information he had received from the North Carolina League of Municipalities and the City Attorney the City did not have the authority to enter into an emergency assistance program without local enabling legislation, eventhough such a program was eligible for funding under general revenue sharing.

Mr. Delany, Mr. Shrier, Mr. Wiltshire, and Mrs. Bellflower spoke to the need for an emergency assistance program and urged Council to take appropriate action.

Mayor Wood asked Mr. Michalove to arrange a meeting with the County Commissioners to explore the establishment of funding the program on an interim basis and he asked Mr. Moore to check with the local legislators to determine the feasibility of obtaining local enabling legislation.

PRESENTATION OF COMMUNITY DEVELOPMENT PROJECT RECOMMENDATIONS

4. Ken Michalove, Assistant City Manager, reported that the Staff had prepared two documents relating to Community Development - one being a list of 139 projects recommended as a result of the public hearings. The rough estimated cost being $148,739,540. The other document was a list of 65 policy recommendations to be considered by the City and/or other appropriate agencies.

Mr. Michalove said that there had been some 620 people that participated in the public hearing process. He said that everyone that indicated an interest in keeping up with the Community Development Program would be sent a copy of the two documents.

He also said that the staff would be preparing other information for the City Council to review in making their decision.

Mayor Wood congratulated the citizens and staff for the fine participation in the program thus far.

RESOLUTION 75-2 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF ASHEVILLE, TOWN OF BILTMORE FOREST, TOWN OF WOODFIN, COUNTY OF BUNCOMBE, AND NORTH CAROLINA BOARD OF TRANSPORTATION

5. Consideration was given to a resolution authorizing the Mayor to execute a memorandum of understanding between the City of Asheville, Town of Biltmore Forest, Town of Woodfin, County of Buncombe, and North Carolina Board of Transportation.

RESOLUTION NO. 75-3 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER LINE EXTENDING EASTERLY ALONG N. C. 151 (PISGAH HIGHWAY) FROM THE INTERSECTION WITH SR 3449 (BEAVERDAM ROAD) FOR A DISTANCE OF APPROXIMATELY 1100 FEET

Consideration was given to a resolution authorizing Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for water line extending easterly along N. C. 151 (Pisgah Highway) from the intersection with SR 3449 (Beaverdam Road) for a distance of approximately 1100 feet.

The City Manager read the resolution.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, Resolution No. 75-3 was unanimously adopted.

Complete text of Resolution No. 75-3 will be found in Resolution Book No. 8 at page 45.

CITY MANAGER'S REPORT - RESPONSE FROM TENNESSEE VALLEY AUTHORITY - SOLID WASTE RECYCLING FACILITY

The City Manager reported that he had received a response from the Tennessee Valley Authority relative to a resolution adopted by Council for a solid waste recycling facility.

He said the letter stated that the TVA is evaluating the potential for a recovery system and will advise the City of their findings as early as possible.

REQUEST FROM ASHEVILLE MERCHANTS ASSOCIATION FOR FREE ON-STREET PARKING - MONDAY, FEBRUARY 17, 1975 - ANNUAL GEORGE WASHINGTON SALE

The City Manager presented a request from the Asheville Merchants Association asking permission for free on-street parking in the downtown district on Monday, February 17, 1975 for their annual George Washington Sale.

Councilman Morris moved not to enforce the meters on the streets on Monday, February 17, 1975 at the request of the Asheville Merchants Association. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

PARKING GARAGE - CITY MANAGER'S REPORT - DAVIS-BACON ACT

The City Manager reported that, as instructed, he had written to the U. S. Department of Labor- Bureau of Apprenticeship and Training and also to the U. S. Department of Labor - Employment Standards Administration relative to the records of M. B. Haynes Electric Company and Hayes and Lunsford Electric Company as it pertained to their activity in apprenticeship and training and their compliance with the Davis-Bacon Act. He then read the responses to these letters.

Mayor Wood requested that the letters be entered into the minutes:

BIDS - HYDRAULIC PACKER TYPE BODY FOR THE SANITATION DEPARTMENT

7. Consideration was given to bids received January 13, 1975 for one (1) tilt cab and chassis complete with a minimum 30 cubic yard hydraulic packer type body to be used in the Sanitation Department.

The City Manager read a memorandum from the Purchasing Agent which stated that Suburban Sanitation Service, Madison, North Carolina submitted the lowest bid in the amount of $36,401.42. However, the bid contained a number of exceptions which, in the opinion of the Superintendent of Motor Transport, adversly affects the "safety" and "maintenance up-keep" of the equipment. It was therefore recommended that the award be made to the second low bidder, Sanco Corporation, Winston-Salem, North Carolina, in the amount of $36,822.15.

Mr. Jim Parris, Superintendent of Motor Transport, answered general questions relative to the equipment.

Vice-Mayor Marshall moved to accept the recommendation of the Purchasing Agent and award the contract to the second low bidder, Sanco Corporation, Winston-Salem, North Carolina in the amount of $36,822.15. This motion was seconded by Councilman Horton and carried unanimously.

Bid Summary - One(1) Tilt Cab and Chassis Complete with a minimum 30 cubic yard hydraulic packer type body

DATE: January 16, 1975
REPLY TO ATTN OF: Area Director

SUBJECT: M. B. Haynes Electric Company and
Hayes and Lunsford Electric Company

TO: Mr. Ernest J. Ward, City Manager
City of Asheville
Asheville, North Carolina 28801

This will reply to your letter of January 10, 1975 requesting information as to whether M. B. Haynes Electric Company and Hayes and Lunsford Electric Company are currently in compliance with the hourly rate requirements of the Davis-Bacon and Related Acts.

As of this date neither employer is under investigation to determine whether they are working on contracts subject to this Act. An investigation would have to be made to determine if the contractors were performing on jobs that have federal funds involved and whether the employees employed thereon were paid properly.

I have requested our Asheville Compliance Officer, Mr. Charles Weaver, to check with each firm to determine if they have federally funded contracts and determine the extent of compliance if they do have such contracts. Mr. Weaver will get in touch with you as soon as he completes his work.

Mr. Ernest J. Ward, City Manager
City of Asheville
P. O. Box 7148
Asheville, North Carolina 28807

Dear Mr. Ward:

Thank you for your letter dated January 10, requesting compliance records for the M. B. Haynes Company and the Hayes and Lunsford Electric Company of the Asheville area.

Please bear in mind that a review was made last April on the Group Joint Apprenticeship and Training Committee for Electricians for the Asheville, North Carolina area. The Hayes and Lunsford Electric Company is a contractor participant in this program and representatives of this company were present at the time the review was made, also present was the Secretary of the Committee, representing the Union, Mr. W. B. Moody.

On April 12, 1974, I wrote to this Committee, advising of my findings, and corrective action needed to bring this program in full compliance with their EEO Plan; on two occasions since then, I have been assured by the Secretary of this Committee, that all recommendations made by me had been given high priority and were being implemented.

On April 17, 1974, I wrote to Mr. M. B. Haynes, Electric Corporation, advising of my findings and recommendations for corrective action needed to bring his program into full compliance with his EEO Plan. This review was made on April 11, 1974, with Mr. Hayes attending. I have received no responce from the Hayes Electric Company since that date to indicate that corrective action suggested by me had been implemented.

I had planned a follow-up review for both program sponsors, however; circumstances beyond my control prevented me from doing so.

I hope this information will prove useful to you. If additional information is desired, please advise.

Yours very truly,

Tom Poole

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Henry E. Colton, Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William P. Wolcott, Jr.

Absent: Councilman Eugene C. Ochsenreiter

1) Approval of minutes of January 23, 1975 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, the minutes of the January 23, 1975 meeting were approved as submitted.

RESOLUTION NO. 75-5 - RESOLUTION APPOINTING MEMBER OF ASHEVILLE SCHOOL BOARD (Everette W. Clark)

2. Consideration was given to a resolution appointing Everette W. Clark as a member of the Asheville School Board to fill the unexpired term of W. O. Doud.

The City Manager read the resolution.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Horton, Resolution No. 75-5 was unanimously adopted.

Councilman Morris moved to strike the word "West" from the resolution relating to Mr. Clark's address. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Complete text of Resolution No. 75-5 will be found in Resolution Book No. 8 at page 47.

ORDINANCE NO. 322 - AN ORDINANCE AMENDING ORDINANCE NO. 322, AS AMENDED "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE"

3. Consideration was given to the third reading of Ordinance No. 833, an ordinance amending Ordinance No. 322, as amended, "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE".

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance as presented on first reading and it would not be re-read unless there was a specific request to do so.

Mayor Wood requested that Verl Emrick present any suggested amendments that had developed since the last meeting.

Upon the request of Mr. Joel Stevenson, attorney for Mr. Max Coffey, who operates a business for portable and mobile signs, Mr. Emrick suggested that Section 30-3-14 (C)(3) be amended to include a subsection (e) to read as follows:

"(e) Portable and Mobile Signs All primary use or advertising signs not permanently affixed and which are leased or rented and have an overall area of fifty (50) square feet or less shall be allowed to abut, but not encroach upon the established right-of-way of any street or highway."

RESOLUTION NO. 75-4 - RESOLUTION AUTHORIZING THE FILING OF DISCLAIMER IN THE CASE OF THE BOARD OF TRANSPORTATION VS. SEA-NIC ENTERPRISES INC. ET AL

Consideration was given to a resolution authorizing the filing of disclaimer in the case of the Board of Transportation vs. Sea-Nic Enterprises Inc. Et Al.

Corporation Counsel William C. Moore reported that Mr. Carl W. Loftin had requested the adoption of a resolution authorizing the filing of a disclaimer in the case of the Board of Transportation vs. Sea-Nic Enterprises, Inc., et al. He said the only interest the City had was that of the taxes for the year 1975 and that Mr. Loftin had shown evidence that these taxes have been prepaid. He said the filing of the disclaimer would allow Sea-Nic Enterprises to draw down the monies being held by the Board of Transportation. Mr. Moore said he saw no reason why the City should not pass the resolution.

Mr. Moore read the resolution and upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 75-4 was unanimously adopted.

Complete text of Resolution No. 75-4 will be found in Resolution Book No. ____ at page 46.

REQUEST FOR PUBLIC HEARING - URBAN MASS TRANSPORTATION ACT

Mr. Michalove, Assistant City Manager, advised Council that a member of the Planning Division had attended a conference in Atlanta to see how the City might use the Urban Mass Transportation funds provided under the new Urban Mass Transportation Act of 1964, as amended. He said, this new act creates federal assistance for Urban Mass Transportation Systems, either to provide capital grants or operational grants, which could be very important to the City. He said the federal register indicated that if we propose to submit an application in Fiscal Year 1975 that we must have an application in by March 1, 1975 and that a public hearing must be held thirty (30) days prior to the date of submission. He requested that Council advertise for a public hearing to hear projects to be considered under this Urban Mass Transportation Act and to allow staff time to find out more information on the matter.

Councilman Morris moved to set a public hearing to hear projects to be considered under the Urban Mass Transportation Act of 1964 for February 27, 1975. This motion was seconded by Councilman Hoyle and carried unanimously.

EAST RIVERSIDE URBAN RENEWAL - DISCUSSION ON AMANDA GAINES PROPERTY

Rev. Avery told Council that a delegation had met with the Project Area Commission, as suggested by Council, requesting that the Gaines property on Asheland Avenue not be taken by the Asheville Housing Authority.

Mrs. Roy Rogers read a report from the Committee which had voted that the Housing Authority should not take the Gaines property.

Mayor Wood asked that Council be advised of the Asheville Housing Authority's action after the Committee's recommendation is considered by the Asheville Housing Authority.

Adjournment.

Richard A. Wood, Jr.
MAYOR

Thelma S. Nolen
CITY CLERK

Mr. Jesse Ledbetter, speaking for this group, was concerned that certain sections were not being zoned at a high enough level to insure proper development. He said that residents in this area had not been given an opportunity to be heard and suggested deleting this area from the ordinance until further study could be made. Councilman Morris advised that at present the area was without zoning and as such subject to undesirable development. He suggested that it would be advantageous to proceed with some type of zoning at the earliest possible date. He further suggested that the property between Rock Hill Road on the South and Ardimore Street on the north could, as a start, be raised from R-3 to R-2. In the discussion, other areas were proposed to be included in the R-2 zone. When it became apparent that no specific limits could be established, Mayor Wood ruled to leave the request open for the moment.

It appearing that several other zoning requests would be made, Mayor Wood asked, that in the interest of time, anyone with such requests to stand and briefly state their requests. The following persons were recognized:

Mrs. George Coggins
Mr. Anthony Redmond
Mr. Herbert Wallace
Mr. Robert Riddle
Mr. B. L. Bullard
Mr. Jesse Ledbetter

After briefly hearing the numerous requests, Mayor Wood stated that it was apparent Council would have to defer the third reading of the ordinance. He advised Mrs. George Coggins, Mr. B. L. Bullard, and Mr. Herbert Wallace that he felt that the planning staff had sufficient information on their requests to make recommendations. However, since Mr. Emrick would be out of the City all of next week, Mayor Wood said he was asking Mr. Redmond, Mr. Coggins and Mr. Riddle to furnish the City Clerk with more specific information as to lots and types of zoning pertinent to their requests. He instructed the City Clerk to transmit this information to the planning staff. For Mr. Ledbetter and others interested in the South Buncombe area, Mayor Wood encouraged them to meet with the planning staff to become familar with what the Zoning Ordinance does provide and to discuss their many problems.

With permission of Council Mayor Wood deferred the third reading of Ordinance No. 833 until the meeting of February 13, 1975.

Mayor Wood recessed the meeting at 4:25 o'clock p. m.

Mayor Wood reconvened the meeting at 4:35 o'clock p. m.

RESOLUTION NO. 75-6 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE NORTH CAROLINA BOARD OF TRANSPORTATION FOR USE AND OCCUPANCY OF FACILITIES LOCATED ON STATE PROJECT 8.1901404 FROM STATION 127+00 TO INTERCONNECTION WITH I-40 AND U. S. 74 INTERCHANGE

4. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the North Carolina Board of Transportation for use and Occupancy of facilities located on State Project 8.1901404 from Station 127+00 to interconnection with I-40 and U. S. 74 interchange.

and that the present Subsection (e) be renumbered Subsection (f).

Councilman Morris moved to amend the ordinance by adding subsection (e) to Section 30-3-14 (C) (3) which would allow for portable and mobile signs. This motion was seconded by Vice-Mayor Marshall and on a roll call vote of 5-0, the amendment carried.

Mr. Emrick said that as instructed by Council, a study had been made relative to the request of Mrs. Billie Mountney that Lots 222-225, 5 and 5-1/2 in the Koon Development be zoned for industrial uses and that it would be his recommendation that the property remain as it is now zoned, unless the streets in the area are widened and repaired to handle additional traffic as well as the replacement of the substandard bridge leading to the development. He said the area was in need of many improvements and he estimated these improvements to be in the $300,000 range.

Corporation Counsel Moore advised that Council did not have the authority to rezone this property upon the request of Mrs. Mountney, as she did not own the property. However, he said, that Council could take this action on their own motion.

Mrs. Mountney persisted that this area should be zoned industrial since she felt that this would produce the best use for the property.

Vice-Mayor Marshall moved to amend the ordinance by zoning all the abuting property northwest of Galax Avenue to Mulvaney Avenue to Heavy Industrial, extending the industrial uses in the Koon Development. This motion was seconded by Councilman Hoyle and on a roll call vote of 5-0, the amendment carried.

Mr. William Atkinson, a real estate developer, requested that the property on Patton Avenue lying west of Smith Mill Creek to Hansel Street be zoned from the proposed R-3 to Commercial Highway. He stated that a business development was being planned for this property and that the portion abuting on Patton Avenue was being zoned residential which was not conducive to the planned development. Mr. Emrick recommended approval of the request for the change.

Councilman Colton moved to amend the ordinance by zoning the property west of Smith Mill Creek to Hansel Street from the proposed R-3 to Commercial Highway being all the property lying within the City Limits and commonly known as the Bennett and Pelmet property. This motion was seconded by Councilman Morris and on a roll call vote of 5-0, the amendment carried.

Mr. George Coggins, developer of Westgate Shopping Center, requested that consideration be given to the property on the south side of Patton Avenue opposite the shopping center, now owned by the City or himself. It was confirmed that the zoning under the present ordinance was industrial, to be changed in part to Industrial and R-3 under the new ordinance. Mr. Coggins requested a change to Commercial Highway conforming with the zoning of the Westgate property across Patton Avenue. After some discussion no specific conclusion resulted and Mayor Wood ruled to leave this request open for the moment.

Mr. Emrick advised Council that there had been requests from residents of the South Biltmore area to upgrade the proposed zoning from R-3 to R-2. He said that in reviewing this request it was found that the variation in lot sizes made it difficult to make a recommendation on this request.

He said his office had examined the bid proposal of Biltmore Builders and it would be their recommendation to accept this low bid and the execution of a contract with Biltmore Builders for the work specified.

Councilman Colton moved to accept the recommendation of the architect and award the contract to Biltmore Builders in the amount of $29,680 and to authorize the Mayor to execute the necessary contracts. This motion was seconded by Councilman Horton and carried unanimously.

BIDS - DEMOLITION OF THE DOLLAR STORE PROPERTY FOR THE NEW LIBRARY BUILDING

7. Consideration was given to bids received January 28, 1975 for the demolition and removal of the buildings on the proposed new library site at 67 and 69 Haywood Street.

The City Manager presented the bids and read a memorandum from William P. Wolcott, Jr., Assistant City Manager for Operations, which recommended that the contract be awarded to the low bidder, Perry M. Alexander Construction Company, in the amount of $14,475.00. He said in accordance with an agreement with Buncombe County, the City will enter into a contract for the demolition of the buildings, supervise the work and pay the contractor and upon completion of the contract the County agrees to reimburse the City for this work.

Councilman Morris moved to award the contract to the low bidder, Perry M. Alexander Construction Company in the amount of $14,475 and to authorize the Mayor to execute the necessary contract. This motion was seconded by Councilman Colton and carried unanimously.

Bid Summary

Perry M. Alexander Construction Company	$14,475.00
Ruckman Brothers Construction Company	15,750.00
Asheville Paving Company	17,125.00
Troitino & Brown, Inc.	19,300.00

8. Consideration was given to a resolution authorizing Mayor to execute right-of-way encroachment agreement with the North Carolina State Board of Transportation for water line extending along S. R. 1248 (Oak Hill Road), Buncombe County.

The City Manager read the resolution

Upon motion of Vice-Mayor Marshall, seconded by Councilman Horton, Resolution No. 75-7 was unanimously adopted.

Complete text of Resolution No. 75-7 will be found in Resolution Book No. 8 at page 49.

RESOLUTION NO. 75-8 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR A METER PIT CONNECTION TO THE WOODFIN WATER SYSTEM ON S. R. 1369 (MOUNT CARMEL ROAD), BUNCOMBE COUNTY

9. Consideration was given to a resolution authorizing Mayor to execute right-of-way encroachment agreement with the North Carolina State Board of Transportation

The City Manager read the resolution.

Gary McGill, of the Water and Sewer Department staff, stated that this agreement is for the use and occupany of the water and sewer facilities within the right of way of State Project 8.1901404, from Charlotte Street to the I-40 and U. S. 74 interchange and allows the City the right to maintain our facilities on their right of way.

Upon motion of Councilman Colton, seconded by Councilman Morris, Resolution No. 75-6 was unanimously adopted.

PROPOSED FIRE STATIONS IN EAST RIVERSIDE AND SOUTH BILTMORE

5. Mr. Dannie Johnson, of Traber Associates, presented preliminary drawings of the two proposed fire stations to be constructed at the intersections of Hendersonville Road and Caribou Road and South French Broad and Livingston Street. He said the brick and concrete block fire stations will house equipment and also provide a nine-bed dormitory facility, kitchen, living room and toilet-shower rooms surrounding a courtyard. He answered general construction questions of Council.

Mayor Wood advised Council that the City has written offers to sell the two properties necessary to build in South Biltmore from Mr. Anthony Redmon and Mr. John Shuford. He instructed the City Clerk to prepare a resolution accepting their offers.

Mr. Johnson advised that it would be approximately 30-45 days before they would be ready to let bids.

Mayor Wood commented that the City is obligated to sign a construction contract for the South Biltmore station by July 1, 1975 under a recent annexation ordinance.

BIDS - ACOUSTICAL SHELL FOR CIVIC CENTER

6. Mr. John Cort, Baber, Cort and Wood architects, commented that the City of Asheville employed Dr. C. P. Boner, an Acoustical Consultant from Austin, Texas, to make an acoustical study of the existing auditorium and one of their recommendations was the construction of an acoustical ceiling element over the proscenium opening which would form an enclosure for the new speaker system and also facilitate the transmission of sound from the stage area to the audience. He also stated that upon the advice of many stage consultants, the provision of a spotlighting bridge in front of the stage at the ceiling level has been deemed an abolute necessity. He said, as directed by Council, his office had designed and prepared technical drawings and specifications for a spotlight bridge which will provide space for mounting twelve to sixteen large spotlights at the ceiling level, concealed from view by the audience.

He presented bids received January 21, 1975 for all work involved in the construction of the acoustical ceiling element and spotlight platform.

The following bids were submitted:

Associated Constructors, Inc.	$44,000
Biltmore Builders, Inc.	29,680
Blount Construction	42,900
Buncombe Construction Co.	42,280
Price-Ray Constructors	38,800

RESOLUTION NO. 75-13 - RESOLUTION AMENDING RESOLUTION NO. 73-44 AND RESOLUTION NO. 74-158 ESTABLISHING REGULATIONS FOR THE OPERATION OF THE ASHEVILLE CIVIC CENTER

15. Consideration was given to a resolution amending Resolution No. 73-44 and Resolution No. 74-158 establishing regulations for the operation of the Asheville Civic Center.

The City Manager read the resolution.

Councilman Colton questioned the wording of the sentence added to Section 2 (a) relative to "a wrestling performance shall not be booked within "seven" days on either side of a wrestling performance previously booked." It was his opinion that this should be amended to six days to allow for a wrestling match once a week.

Councilman Morris moved for the adoption of the resolution and to amend it by inserting six (6) days in lieu of seven (7) in the sentence added to Section 2 (a) relative to wrestling matches. This motion was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 75-13 will be found in Resolution Book No. 8 at page 55.

RESOLUTION NO. 75-14 - RESOLUTION PROTESTING THE DISCONTINUANCE OF PASSENGER SERVICE BETWEEN ASHEVILLE AND SALISBURY

16. Consideration was given to a resolution protesting the discontinuance of passenger service between Asheville and Salisbury.

The City Manager read the resolution and explained that the resolution was prepared at Council's direction and was based on information gathered from the local newspaper since attempts to contact other sources were unsuccessful.

for a meter pit connection to the Woodfin Water System on S. R. 1369 (Mount Carmel Road) Buncombe County.

The City Manager read the resolution.

11. Consideration was given to a resolution authorizing Mayor to execute right-of-way encroachment agreement with the North Carolina State Board of Transportation for water line extending along S. R. 1360 (Hillcrest Street), Henderson County.

The City Manager read the resolution.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Horton, Resolution No. 75-9 was unanimously adopted.

Complete text of Resolution No. 75-10 will be found in Resolution Book No. 8 at page 52.

PUBLIC HEARING - URBAN MASS TRANSIT FUNDS

12. The City Manager reported that Ken Michalove, Assistant City Manger, stated at last week's meeting that the staff would be checking into the requirements for an application for Urban Mass Transportation funds and had requested Council to set a public hearing for February 28, 1975. He said after reviewing the guidelines it was found that a public hearing was not necessary, therefore it was not published.

PROCLAMATION - AMERICAN HISTORY MONTH - FEBRUARY, 1975

Mayor Wood proclaimed the month of February, 1975 as American History Month at the request of the Daughters of American Revolution.

TRAFFIC SIGNAL - FAIRVIEW ROAD AT CEDAR STREET

Mayor Wood instructed the City Manager to investigate the possibility of the installation of a traffic light at the intersection of Fairview Road at Cedar Street at the request of Ms. Annie Best.

REVENUE SHARING FUNDS FOR EMERGENCY ASSISTANCE

Mr. Moore, Corporation Counsel, commented that as instructed he had contacted three members of the delegation of the General Assembly relative to emergency assistance funds. He said he had written a letter to them requesting that they look favorable upon this request and that they take such action as they deem necessary on the matter. He also provided them with copies of the Raleigh ordinance governing emergency assistance funds and a copy of the opinion from Mr. Gray of the League of Municipalities relative to the use of Revenue Sharing funds for such purposes as well as a copy of his opinion, based on the General Statutes.

Mr. Michalove, Assistant City Manager, stated that, as directed, a meeting was scheduled with the Buncombe County Commissioners and the agencies involved for Friday, January 31, 1975 at 3:00 o'clock p. m. in the office of the Chairman of the Buncombe County Commissioners to discuss emergency assistance funding.

Adjournment.

Thursday, February 6, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Councilmen Henry E. Colton, Bill B. Horton, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Calvin W. Marshall and Councilman J. W. Hoyle

1. Approval of minutes of January 30, 1975 meeting.

Upon motion of Councilman Colton, seconded by Councilman Horton, the minutes of the January 30, 1975 meeting were approved as submitted.

BIDS - 4,000 ' PVC PIPE FOR WATER AND SEWER DEPARTMENT

2. Consideration was given to bids received February 3, 1975 for 4,000' PVC pipe for the Water and Sewer Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Davis Meter and Supply Company, Knoxville, Tennessee at $2.72 per foot, totaling $10,880.00. He said this was to be used for the Oakhill Road Water Line replacement.

Councilman Colton moved to accept the recommendation of the Purchasing Agent and award the contract to the low bidder, Davis Meter and Supply Company, Knoxville, Tennessee at $2.72 per foot, totaling $10,880.00. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Bid Summary - 4,000 Ft. 8-Inch Polyvinyl Chloride (PVC) Pipe

Bidder	Bid	
Supply Specialty	No Bid	
Tidewater Supply	3.25 per ft.	$13,000.00 total
Southern Meter & Supply	2.79 per ft.	$11,160.00 total
Davis Meter & Supply	2.72 per ft.	$10,880.00 total
Carolina Pump & Supply	2.79 per ft.	$11,160.00 total

RESOLUTION NO. 75-15 - RESOLUTION AUTHORIZING THE CITY OF ASHEVILLE TO ACQUIRE CERTAIN PROPERTY LOCATED ON HENDERSONVILLE ROAD AND CARIBOU ROAD

3. Consideration was given to a resolution authorizing the City of Asheville to acquire certain property located on Hendersonville and Caribou Roads.

The City Manager read the resolution.

Mayor Wood explained that this property was to be acquired for the construction of a fire sub-station in the South Biltmore area and consisted of two parcels of land belonging to Mr. John Shuford and Mr. Anthony Redmond. He said the land purchase price totaled $45,000.00.

Corporation Counsel William C. Moore stated that he had contacted three members of the General Assembly and had received correspondence from Mr. Gudger and Mrs. Nesbitt indicating their support for legislation for such matters and was having a delegation meeting this week and would also bring the matter up this week.

Mayor Wood commented that he had contacted the Director of the League of Municipalities requesting the League's support to our delegation and to help them in terms of drafting such legislation.

TRAFFIC LIGHT INSTALLATION - CEDAR STREET AND LIBERTY STREET - CITY MANAGER'S REPORT

The City Manager reported that at last weeks meeting he was instructed to investigate the feasibility of the installation of a traffic signal at the intersection of Fairview Road, Cedar Street and Liberty Street. He said a study was made by the Traffic Engineer which revealed the following facts:

Liberty Street - 8-hour traffic volume
501 vehicles - one approach
Cedar Street - 8-hour traffic volume
339 vehicles - one approach
Fairview Road - 8-hour traffic volume
2,189 vehicles - both approaches

Accidents: 1 right angle collision - 11-6-73
1 right angle collision - 1-15-74

In addition, the Principal of Oakley School had stated that there are approximately One Hundred (100) school children and six (6) school buses who use the crossing at Cedar Street and Fairview Road. There is also a sight distance problem in the northwest quadrant caused by some shrubbery on private property. It was the Traffic Engineer's recommendation, eventhough traffic volumes were below minimum warrants for a traffic signal installation, to install a semi-actuated traffic signal in view of the street alignment and its uses. Mr. Ward said he had directed the Traffic Engineer to install a traffic signal at the intersection and it is expected to be installed within thirty (30) days.

Councilman Colton suggested that the City Manager check into the feasibility of the installation of a pedestrian actuated traffic signal in view of the number of school children involved.

CONTRACT - STORM DRAINAGE REPAIR - TAYLOR AND MURPHY CONSTRUCTION COMPANY

Mr. Johnson, Building Inspector, advised Council that he had a contract for Council's consideration relative to the repair of a storm drain damaged during the demolition of 27 and 29 South French Broad Avenue. He said it was his opinion that it would be more feasible to contract rather than having city crews do the work.

Councilman Morris moved to authorize the Mayor to execute a contract with Taylor and Murphy Construction Company for the repair of the storm drain at 27 and 29 South French Broad Avenue. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

ZONING ORDINANCE - REQUEST OF R. L. COLEMAN - ASHEVILLE MALL, INC.

Mayor Wood advised that he had received a letter from Richard L. Coleman, Jr. on behalf of the Asheville Mall, Inc. which questioned parking requirements in group developments under the proposed Zoning Ordinance. He requested the planning staff to review the letter and make recommendations at next week's meeting.

STAFF REPORT - COMMUNITY DEVELOPMENT FUNDS

7. Ken Michalove, Assistant City Manager, presented a revised list of staff and citizen project recommendations for Community Development funds explaining that the projects had been divided into ineligible, borderline eligible, and eligible categories with some explanation as to the availability of other possible funding resources. He explained that the revised list had been mailed to citizens and various agencies on Wednesday, February 5, 1975 with a cover letter from the Mayor explaining that a sub-committee of the City Council would be appointed to develop a draft of the First Action plan.

He also provided Council with copies of the Metropolitan Planning Board's study entitled "Asheville Rehabilitation and Renewal Program Phase I and II." He explained that this information dealt with physical improvement needs in the City of Asheville and would be helpful to the Council in determining areas of greatest need.

Mayor Wood asked if Council was amiable to establishing a sub-committee to determine the First Year Plan for the Community Development Program.

Councilman Colton moved to authorize the Mayor to appoint a sub-committee to develop plans for the Community Development Program. This motion was seconded by Councilman Horton and carried unanimously.

There was further discussion that when the sub-committee completed a draft of recommendations there would be a public meeting for the citizens to hear their recommendations and the draft would be mailed to citizens and agencies prior to the public meeting.

RESOLUTION NO. 75-19 - RESOLUTION OF APPRECIATION RECOGNIZING THE BUNCOMBE COUNTY COMMISSIONERS FOR RECENT ACTION TAKEN TO ALLEVIATE SOME OF THE PROBLEMS OF PROVIDING EMERGENCY ASSISTANCE SERVICES

8. Consideration was given to a resolution of appreciation recognizing the Buncombe County Commissioners for recent action taken to alleviate some of the problems of providing emergency assistance services.

The City Manager read the resolution.

Mayor Wood commented that a number of representatives from the City and various agencies made a presentation to the Commissioners explaining the need for emergency assistance. He said the Commissioners had appropriated $25,000 to the Asheville-Buncombe Community Christian Ministry to continue emergency services. He said the County was assured that the City would make every effort to obtain legal authority to participate with the County in such matters.

Councilman Morris moved for the adoption of the resolution. In seconding the motion, Councilman Horton commented that the Asheville Buncombe Community Christian Ministry had done an outstanding job for our community. This motion carried unanimously.

Complete text of Resolution No. 75-19 will be found in Resolution Book No. 8 at page 62.

Mayor Wood instructed the City Clerk to transmit a copy of the resolution to the Chairman of the Buncombe County Commissioners.

Thursday, February 13, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: City Manager Ernest J. Ward, Jr.

1. Approval of minutes of February 6, 1975 meeting.

Upon motion of Councilman Horton, seconded by Councilman Hoyle, the minutes of the February 6, 1975 meeting were approved as submitted.

BONDS- WATER AND PARKING GARAGE BONDS

Councilman Ochsenreiter introduced the following resolution which was read:

RESOLUTION PROVIDING ROR THE ISSUANCE OF $825,000 PARKING BOND ANTICIPATION NOTES

BE IT RESOLVED by the City Council of the City of Asheville:

Section 1. The City Council has determined and does hereby find and declare:

(a) That existing public and private parking facilities in the Asheville central business district are insufficient to meet current parking demand.

(b) That the completion of the Asheville Civic Center, which is presently under construction, will increase the annual demand for parking by approximately 171,000 parkers.

(c) That the off-street parking structure proposed to be constructed with the $825,000 Parking Bonds mentioned hereinbelow will provide approximately 575 additional parking spaces.

(d) That even after construction of said off-street parking structure, parking demand will exceed supply in the Asheville central business district because of the increased parking demand which will be generated by the operation of the Asheville Civic Center.

PROCLAMATION - CAREER DAY - FEBRUARY 11, 1975

Mayor Wood proclaimed February 11, 1975 as Career Day at the request of the Asheville Buncombe County Youth Council.

ZONING ORDINANCE - REQUEST OF HUGH BOULDEN

Councilman Horton noted that Mr. Hugh Boulden had a request concerning the proposed zoning ordinance and was advised that he should contact the planning staff prior to next week's meeting.

GEORGE MOOREFIELD - CIVIC CENTER - WRESTLING

Mr. George Moorefield, a wrestling promoter, appeared to protest the resolution establishing the City's policy for the operation of the Civic Center. In particular he objected to the policy requiring wrestling promoters to make a payment of $1,000 prior to 30 days of any wrestling matches booked. Mr. Moorefield claimed that this was more than the total cost for the rental of the building and said that this policy was discriminatory against wrestling promoters.

Mr. James Evans, Civic Center Manager, advised Council that wrestling promotions differ from other promotions in that the advance ticket sale is less and that the deposit was necessary to cover cost incurring before the day of the actual event.

Mayor Wood acknowledged Mr. Moorefield's request that the policy be rescinded.

PARKING GARAGE - DISCUSSION

Mr. Jim Grey requested Council to communicate with the contractors for the Parking Garage relative to the assurance that local labor would be used.

Councilman Horton commented that in light of the economical condition he felt this request had validity and moved that the City staff be requested to communicate to the contractors the Council's hope and desire that to the greatest extent possible local labor would be used on the job. This motion was seconded by Councilman Colton and carried unanimously.

COUNCILMAN HORTON - REQUEST FOR TAX BASE INFORMATION

Councilman Horton requested that the City Manager check with the Tax Office to see if there were any indications as to what the total evaluation or tax base would be for the City.

ZONING ORDINANCE - COUNCILMAN MORRIS

Councilman Morris requested the planning staff to check into a possible amendment to the Zoning Ordinance which would allow boats and trailers to be parked in a side yard rather than just in a rear year, which might impose a hardship on people who did not have a rear yard.

Adjournment.

Richard A. Wood, Jr.

RESOLUTION PROVIDING FOR THE ISSUANCE OF $3,075,000 WATER BONDS, SERIES A

BE IT RESOLVED by the City Council of the City of Asheville:

Section 1. The City Council has determined and does hereby find and declare:

(a) That an order authorizing $8,250,000 Water Bonds was adopted by the City Council of the City of Asheville on February 19, 1974, which order was approved by the vote of a majority of the qualified voters of said City who voted thereon at a referendum duly called and held on April 6, 1974.

(b) That none of said bonds has been issued, that no notes have been issued in anticipation of the receipt of the proceeds of said bonds, and that it is necessary to issue at this time $3,075,000 of said bonds.

Bond Anticipation Notes, dated March 10, 1975, and maturing on March 26, 1975, which notes will be issued in anticipation of the receipt of the proceeds of a like amount of said bonds, and that it is necessary to issue at this time all of said bonds, $825,000 of the proceeds thereof to be applied to the payment of said notes maturing on March 26, 1975.

(c) That the maximum period of usefulness of the structure for off-street parking in said City to be constructed pursuant to said order is estimated as a period of forty years from March 1, 1975, the date of the bonds authorized hereby, and that such period expires on March 1, 2015.

Section 2. For the purpose provided in said order, there shall be issued the negotiable coupon bonds of the City of Asheville in the aggregate principal amount of $825,000, designated "Parking Bonds", dated March 1, 1975, and consisting of 165 bonds of the denomination of $5,000 each, numbered 1 to 165, inclusive. Said bonds shall mature annually, March 1, in numerical order, lowest numbers first, $75,000 1977 to 1981, inclusive, $100,000 1982 and 1983, and $125,000 1984 and 1985, without option of prior payment, and bear interest from their date at a rate or rates to be determined by the Local Government Commission at the time the bonds are sold, which interest to the maturity thereof shall be payable semi-annually on the 1st days of March and September of each year, and both the principal of and the interest on said bonds shall be payable at First-Citizens Bank & Trust Company, in the City of Raleigh, North Carolina, or, at the option of the holder or registered owner, at First National City Bank, in the Borough of Manhattan, City and State of New York, in any coin or currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of public and private debts.

RESOLUTION FIXING THE FORM AND MANNER OF EXECUTION OF $3,900,000 BONDS TO BE ISSUED UNDER DATE OF MARCH 1, 1975, PROVIDING FOR THE REGISTRATION THEREOF, RATIFYING APPLICATION TO THE LOCAL GOVERNMENT COMMISSION FOR THE ADVERTISEMENT AND SALE OF SAID BONDS AND RATIFYING ACTION OF LOCAL GOVERNMENT COMMISSION IN ASKING FOR SEALED BIDS FOR SAID BONDS

BE IT RESOLVED by the City Council of the City of Asheville:

Section 1. The $825,000 Parking Bonds and $3,075,000 Water Bonds, Series A, to be issued under date of March 1, 1975 shall be executed with the facsimile signatures of the Mayor and the City Clerk and a facsimile of the corporate seal of said City shall be printed on the bonds, and the interest coupons to be attached to said bonds shall be executed with the facsimile signature of said City Clerk. Said bonds and coupons and the endorsements to be printed upon the reverse of said bonds shall be in substantially the following forms:

(c) That the maximum period of usefulness of the enlargements and extensions of the waterworks system of said City to be constructed pursuant to said order is estimated as a period of forty years from March 1, 1975, the date of the bonds authorized hereby, and that such period expires on March 1, 2015.

Section 2. For the purpose provided in said order, there shall be issued the negotiable coupon bonds of the City of Asheville in the aggregate principal amount of $3,075,000, designated "Water Bonds, Series A", dated March 1, 1975 and consisting of 615 bonds of the denomination of $5,000 each, numbered 1 to 615, inclusive. Said bonds shall mature annually, March 1, in numerical order, lowest numbers first, $150,000 1976, $50,000 1977 to 1980, inclusive, $100,000 1981 to 1986, inclusive, $125,000 1987, $150,000 1988 to 1990, inclusive, $200,000 1991 to 1997, inclusive, and $150,000 1998, without option of prior payment, and bear interest from their date at a rate or rates to be determined by the Local Government Commission at the time the bonds are sold, which interest to the mautirity thereof shall be payable semi-annually on the 1st days of March and September of each year, and both the principal of and the interest on said bonds shall be payable at First-Citizens Bank & Trust Company, in the City of Raleigh, North Carolina, or, at the option of the holder or registered owner, at First National City Bank, in the Borough of Manhattan, City and State of New York, in any coin or currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of public and private debts.

ORDINANCE NO. 322 - AN ORDINANCE AMENDING ORDINANCE NO. 322, AS AMENDED "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE"

2. Consideration was given to the third reading of Ordinance No. 833, an ordinance amending Ordinance No. 322, as amended "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE".

Mayor Wood asked Verl Emrick, Director of Planning, to review the requests for amendments which had been received in the past two weeks.

Mr. Emrick said, the criterion utilized in determining the overall merits of each request are as follows:

1. The proposal will place all property similarly situated in the area in the same category, or in appropriate complementary categories;

2. There is convincing demonstration that all uses permitted under the proposed zoning district classification would be in the general public interest and not merely in the interest of an individual or small group;

3. There is convincing demonstration that all uses permitted under the proposed zoning district would be appropriate in the area included in the proposed change. (When a new district designation is assigned, any use permitted in the district is allowable, so long as it meets district requirements, and not merely uses which applicants state they intend to make of the property involved);

4. There is convincing demonstration that the character of the neighborhood will not be materially and adversely affected by any use permitted in the proposed change; and

5. The proposed change is in accord with the Comprehensive Development Plan of the City of Asheville and sound planning principles.

The first request to be considered was that of the residents in the South Biltmore area to zone the residential property south of Shiloh Road R-2 rather than the proposed R-3.

Mr. Emrick stated that it was the planning staff's recommendation to approve the request for the following reasons:

1) At least sixty percent (60%) of all residential lots within the area can conform to the minimum lot size requirement; and

2) The character of the neighborhood is attempting to stabilize and it is our opinion, as well as those residing in the area, that this zoning along with their self-imposed deed restrictions will achieve this end.

After discussion, Councilman Colton moved to accept the recommendation of the planning staff and zone that property south of Shiloh Road to the railroad overpass R-2 rather than the proposed R-3. This motion was seconded by Councilman Morris and on a roll call vote of 6-0, the amendment carried.

I HEREBY CERTIFY that the foregoing is a true and correct copy of the legal opinion on the bonds therein described which was manually signed by Mitchell, Petty & Shetterly, New York, N. Y., and was dated as of the date of delivery of and payment for said bonds.

Upon motion of Councilman Horton, seconded by Vice-Mayor Marshall, and unanimously carried, the foregoing resolution entitled: "RESOLUTION AUTHORIZING THE PRINTING OF THE LEGAL OPINION ON THE $3,900,000 BONDS TO BE ISSUED UNDER DATE OF MARCH 1, 1975" was passed by the following vote:

Yeas: Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Henry E. Colton, and Vice-Mayor Marshall.

Nays: None.

Thereupon the foregoing resolutions were authenticated by the signing thereof by the Mayor and the City Clerk, and the Corporation Counsel endorsed upon said resolutions his approval as to the form thereof.

Mr. Jim Grey requested that consideration be given to rezoning Mr. Harold Thoms property R-1. (Property located near Town Mountain Road).

Mr. Jack Doloboff, speaking on behalf of Mr. Sternberg, told Council that he favored the request stating that a possible agreement could be worked out with the Sunset Association.

Mayor Wood asked if any member of Council wished to make a motion on Mr. Sternberg's request to zone the property R-4 or a motion to zone the property R-1 as suggested by the Grove Park Sunset Citizens Association.

In the absence of a motion from Council, the requests were denied and the property would remained zoned R-2.

The next requests to be considered was that of Mr. Jerry Sternberg and Mr. Charles Harrell to zone (Ward 13, (Biltmore), Sheet 22, Lot 52, Sheet 44, Lots 14 and 15, Sheet 32, Lots 10, 11, 14, 15, 16, 18, 19 and 20) and that of Mr. Fred Pearlman to zone Ward 12 (Biltmore) Sheet 22, Lots 54-69 and Sheet 23, Lots 184 and 185 to Light Industrial instead of the proposed R-2 and R-3. (Area located in the vicinity of Rock Hill and Sweeten Creek Roads)

Mr. Emrick stated that it was the planning staff's recommendation to deny the request for the following reasons:

1. Existing sanitary sewer and water facilities are inadequate to serve industrial development of this property;

2. Existing road access to this property is also inadequate to accommodate the types and volumes of traffic generated by industrial facilities. (Inadequate streets which provide access to the property are: (a) Rock Hill Road, (b) Millers Lane, (c) Old Chapel Road, (d) West Chapel Road, and (e) Busbee View Road); and

3. To rezone this property for speculative purposes is in staffs' opinion diametrically opposed to sound land planning principals.

After a lengthy discussion relative to the proposed uses for the property, Mayor Wood requested that the planning staff make a further study of the property with a view of extending the Light Industrial zone southward from Sweeten Creek Industrial Park to include the property in question. He requested that this recommendation be given to Council at next week's meeting.

COUNCIL - RECESS FIVE (5) MINUTES

Mayor Wood called for a recess of five (5) minutes at 5:00 o'clock p. m.

Vice-Mayor Marshall was excused from the meeting at 5:00 o'clock p. m.

Council reconvened at 5:05 o'clock p. m.

The next request to be considered was that of Mr. Charles Harrell to zone property on Shelburne Road (Ward 5, Sheet 16, Lots 2-1/2 and 2-3/4) R-3 instead of the proposed R-2.

Mr. Emrick stated that it was the planning staff's recommendation to deny the request for the following reason:

The next request to be considered was that of Mrs. George Coggins to zone from the top of Beaucather Mountain to the intersection of Town Mountain and Vance Gap Roads R-1 instead of the proposed R-2 zoning.

Mr. Emrick stated that it was the planning staff's recommendation to approve the request for the following reasons:

1. The property is presently zoned RA-9 Residential District which supports low density types of development; and

2. Approximately seventy percent (70%) of the property within the area in question will conform to the requirements set forth in the R-1 District.

After discussion, Councilman Ochsenreiter moved to accept the recommendation of the Planning staff and zone from the top of Beaucatcher Mountain to the intersection of Town Mountain and Vance Gap Roads R-1 instead of the proposed R-2 zoning. This motion was seconded by Councilman Colton and on a roll call vote of 6-0, the amendment carried.

The next request to be considered was that of Mr. Jerry Sternberg to zone property in the Town Mountain Road area (Ward 2, Sheet 13, Lots 85, 5, 5-1/4, 5-1/2, and 63- Ward 10 (Haw Creek), Sheet 26, Lots 29, 30, 39, 43, and 49) R-4 instead of the proposed R-2.

Mr. Emrick stated that it was the planning staff's recommendation to deny the request for the following reasons:

1. The request could possibly be spot zoning and as such illegal;

2. The proposed zoning plan and the adopted land use plan indicate that in order to preserve the character of the area in question the density levels should be kept low. (R-2 dictates 10 DU's/acre and R-4 dictates 65 DU's/acre);

3. The majority of uses allowed in a R-4 district are incompatible with the surrounding neighborhoods. (Example of uses - mobile home parks, incidental retail shops, boarding houses, etc.); and

4. Sufficient sanitary sewer facilities are not available in the area to support the densities allowed in R-4.

Mr. Robert Riddle, attorney for Mr. Jerry Sternberg, presented arguments in support of the request.

Mr. Mack Day, Vice-President of the Grove Park Sunset Citizens Association, presented a petition in opposition to Mr. Sternberg's request. The petition stated that the association "requests that the petition to rezone the property commonly known as "Seely's Castle" now owned by Jerry Sternberg from the proposed R-2 classification to R-4 be denied and further that the Council change the proposed R-2 classification for "Seely's Castle" to R-1 in order to conform to the predominant zoning classification of the surrounding area."

Mrs. George Coggins and Dr. Alex Maitland also spoke in opposition to the request.

The next request to be considered was that of Mr. Robert P. Ingle to zone property off of Brevard Road (Ward 15, (Lower Hominy), Sheet 16, Lots 3, 3-1/2, 10 and 12) Commercial Highway District instead of the proposed R-3 zoning.

Mr. Emrick stated that it was the planning staff's recommendation to deny the request until the following condition could be satisfied:

1. Access to Property

   At the present time the only access to the property is from Bear Creek Road which is a two-lane facility serving the residential area to the west of the property. Until access can be upgraded to handle the volume of traffic generated by either a shopping center or motel complex, it is recommended that the proposed zoning remain as is.

Mr. Herbert Wallace, attorney for Mr. Robert P. Ingle, presented argument in favor of the request. He said it would be his opinion that his client could meet the conditions suggested by the Planning Staff.

After discussion relative to the proposed uses for the property, Councilman Colton suggested that action on this request be postponed until next week.

Councilman Hoyle was excused from the meeting at 5:40 o'clock p. m.

Mr. Rick Coleman, of R. L. Coleman Company, requested an amendment to Section 30-3-11 "Regulations of Off-Street Parking and Loading" Subsection (G) relative to parking requirements for "retail stores selling clothing, variety merchandise, etc". His request was to amend the section to read "one (1) space for each two hundred (200) square feet of gross floor area" and also the same amendment be applied to "other retail trades or services".

Mr. Emrick stated it would be the planning staff's recommendation to have one (1) space for each two hundred ten (210) square feet which would allow for walkways, etc. in the Mall areas.

After discussion, Mayor Wood requested the Planning Staff to draft a revision to this section allowing for one (1) space for each (200) square feet, and excluding walkways and mall areas and also to provide separate language in the ordinance to clarify the parking requirements for different types of businesses within a mall.

Mr. Harry Wright, manager of Belk's Department Store at the Asheville Mall, requested that the planning staff investigate the validity of requiring one (1) loading berth for every 20,000 square feet of floor area. He said this requirement would impose a hardship on their operation as an expansion was underway.

Mayor Wood requested the Planning Staff to investigate Mr. Wright's request.

The next request to be considered was that of Mr. Paul Rifkin to zone a lot on North Louisiana Avenue (Ward 12, Sheet 5, Lot 76) to Commercial Highway instead of the proposed R-3.

Mr. Emrick stated that it was the planning staff's recommendation to deny the request for the following reason:

(1) The property is located in an existing RA-8 Residential Area which has been incorporated into the R-2 Low Density Residential District. It is felt that the character of the area will be diminished if the is zoned to R-3. The R-3 zoning would permit higher density uses which presently do not exist in this area.

Mr. Charles Harrell withdrew his request.

The next request to be considered was that of Mr. Durward Johnson to zone (Ward 8, Sheet 10, Lots 57 and 58-1/2, Sheet 11, Lot 52) Commercial Highway instead of the proposed R-3.

Mr. Emrick stated that it was the planning staff's recommendation to deny the request for the following reasons:

1. Both Council and the Planning and Zoning Commission have reviewed similar requests for rezoning these lots and others in the immediate area on three different occasions and denied the request in each case. Reference Files 74-4, 72-6 and 64-20.

2. Access to the property by White Pine Drive is limited due to inadequate sight distances, narrow lanes, high traffic volumes, and inadequate stacking distance from Brackettown Road.

3. The topography tends to separate the lot in question from the commercial strip fronting on Tunnel Road and relates it more favorably to the contiguous residential development; and

4. The development of this lot for commercial purposes would further encroach upon an established residential area and erode the buffering presently existing between it and Tunnel Road' s commercial strip.

Mr. Anthony Redmond, attorney for Mr. Durward Johnson, presented arguments in favor of the request.

After a lengthy discussion relative to the proposed uses for the property Mayor Wood asked if there was a motion from Council to grant the request.

In the absence of a motion, the request was denied and the property would remain zoned R-3.

The next request to be considered was that of Mr. C. Hugh Boulden to zone property off of Leicester Highway (Ward 6, Sheet 18, Lots 163 and Ward 12, Sheet 7, Lot 162) Commercial Service District instead of the proposed R-2 and R-3 zoning.

Mr. Emrick stated that it was the planning staff's recommendation to approve the request for the following reasons:

1. The property is contiguous with other property proposed to be zoned Commercial Service; and

2. The property is located in an area where a commercial use will be compatible with existing uses in the neighborhood.

Councilman Horton moved to accept the recommendation of the Planning Staff and zone (Ward 6, Sheet 18, Lots 163 and Ward 12, Sheet 7, Lot 162) Commercial Service District instead of the proposed R-2 and R-3. This motion was seconded by Councilman Hoyle and on a roll call vote of 6-0, the amendment carried.

3. That the developer meet with the appropriate city officials to negotiate improvements to Edgewood Road and Westall Drive.

Councilman Morris moved to set a public hearing for the site plan of the proposed Red Cross Building for March 6, 1975. This motion was seconded by Councilman Horton and carried unanimously.

GROUP DEVELOPMENT - HEALTH-EDUCATION CENTER - PUBLIC HEARING SET

The Assistant City Manager read a letter from the Planning and Zoning Commission relative to the approval of a site plan of a proposed health-education center to span Biltmore Avenue in the vicinity of the St. Joseph's and Memorial Mission Hospital, prepared by Six Associates, Inc., architects, for Mountain Area Health Education Foundation, Inc., Developer.

Councilman Morris moved to set a public hearing for the proposed health-education center for March 6, 1975. This motion was seconded by Councilman Horton and carried unanimously.

RESOLUTION NO. 75-25 - RESOLUTION APPROVING THE SUBMISSION OF A REQUEST FOR ASSISTANCE UNDER THE UNITED STATES YOUTH CONSERVATION CORPS PROGRAM

The Assistant City Manager read a letter from Ray Kisiah, Director of Parks and Recreation, advising that the Asheville Parks and Recreation Advisory Board, at its regular monthly meeting on February 12, 1975, voted to recommend to Council that the Parks and Recreation Department enter into an agreement providing for the employing of twenty-two (22) youths between 15 and 18 years of age, for an eight week period, beginning June 8 and extending to August 15, 1975, in the program, known as the Youth Conservation Corps. This property would be financed on a 50-50 basis between the City of Asheville Parks and Recreation Department and the United States Government throught the Department of Interior and Agriculture . This program would be one of only two in the state and would provide for 30-hours of employment per week, with an additional 10-hours per week being spent in environmental education.

The Assistant City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Ochsenreiter, Resolution No. 75-25 was unanimously adopted.

Complete text of Resolution No. 75-25 will be found in Resolution Book No. 8 at page 75.

RESOLUTION NO. 75-26 - RESOLUTION AMENDING RESOLUTION NO. 74-158 ADOPTED ON OCTOBER 31, 1974 AND FURTHER AMENDED ON JANUARY 30,1975 ESTABLISHING REGULATIONS FOR THE OPERATION OF THE ASHEVILLE CIVIC CENTER

Consideration was given to a resolution amending Resolution No. 74-158 adopted on October 31, 1974 and further amended on January 30, 1975 establishing regulations for the operation of the Asheville Civic Center.

1. The property is situated directly adjacent to an established residential area (Knollwood Subdivision). Should the property be zoned for commercial usage, adverse effects could be brought upon the adjoining residential property. The lot in question provides a natural buffer between the residential property and commercial property to the north near Emma Road. For this reason, it is recommended that the property remain zoned for residential purposes.

Mr. Rifkin told Council that his property was virtually useless unless it is zoned from some type of business use and he felt his property should not be used as only as a buffer between a business and residential property.

Mayor Wood suggested that Council make an on-site inspection of the property and take action on this request at next weeks meeting.

Mr. B. L. Bullard again requested that "business and professional offices" be permitted as a conditional use in the R-3 District.

Mr. Emrick stated that it would be the planning staff's recommendation to deny this request.

Mayor Wood asked if any member of Council wished to make a motion granting Mr. Bullard's request.

In the absence of a motion, the request was denied.

Mr. Robert Riddle presented a suggested amendment to Section 30-4-4 by adding the following sentence "That in addition, City Council may upon application designate any existing structure located in any district as a landmark for a museum or other purposes and after such designation, said use shall be permitted."

Mayor Wood told Mr. Riddle that Council would take this suggested amendment under advisement.

Councilman Morris moved to amend Section 30-3-17 subsection E. by changing the words "Mobile Home" to"Travel Trailers" in the title and in subsection (1) and by adding the words "or side yard" to subsection (1). This motion was seconded by Councilman Ochsenreiter.

Mayor Wood requested the planning staff to review the language of the motion, and make recommendations to Council at next week's meeting.

Mayor Wood commented that the requests that had no action taken on at this meeting would be considered again at next week's meeting.

GROUP DEVELOPMENT - RED CROSS BUILDING - PUBLIC HEARING SET

The Assistant City Manager read a letter from the Planning and Zoning Commission relative to the approval of a site plan of a proposed Red Cross Building to be located off Merrimon Avenue between Edgewood Road and Westall Avenue, prepared by Six Associates, Inc., architects, for the Asheville Area Chapter, American National Red Cross. The recommended approval was subject to the following:

1. That the developer comply with the City of Asheville Erosion Control Ordinance.

2. That the developer comply with requirements of the Asheville Water and Sewer Department

Thursday - February 20, 1975 - 3:00 o'clock

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Bill B. Horton, J. W. Hoyle, Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/ City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr.

1. Approval of minutes of February 20, 1975 meeting.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, the minutes of the February 20, 1975 meeting were approved as submitted.

RESOLUTION NO. 75-27 - RESOLUTION ENCOURAGING THE ASHEVILLE-BUNCOMBE COMMUNITY RELATIONS COUNCIL TO ESTABLISH COMMITTEES ON DISCRIMINATION

2. Consideration was given to a resolution encouraging the Asheville-Buncombe Community Relations Council to establish committees on discrimination.

The City Manager read the resolution and explained that the Buncombe County Board of Commissioners had passed a similar resolution on Tuesday of this week and that this resolution would establish new committees for the Asheville-Buncombe Community Relations Council.

The City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Vice-Mayor Marshall, Resolution No. 75-27 was unanimously adopted.

Complete text of Resolution No. 75-27 will be found in Resclution Book No. 8 at page 77.

RESOLUTION NO. 75-28 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH LAND-OF-SKY REGIONAL COUNCIL FOR SERVICES TO BE PROVIDED UNDER THE NUTRITION PROGRAM FOR OLDER ADULTS

3. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with Land-of-Sky Regional Council for services to be provided under the Nutrition Program for Older Adults.

The City Manager read the resolution and explained that funds had been appropriated in the current budget for this program.

Upon motion of Councilman Hoyle, seconded by Councilman Horton, Resolution No. 75-28 was unanimously adopted.

Complete text of Resolution No. 75-28 will be found in Resolution Book No. 8 at page 79.

The Assistant City Manager read the resolution and explained that in amending the regulations on two different occasions the following sentence was inadvertently left out, however, it was in the original regulations:

> "No one promoter shall be allowed more than two bookings for wrestling matches in any given calendar month, and no bookings shall be made more than 180 days in advance or less than 30 days in advance."

Upon motion of Councilman Colton, seconded by Councilman Horton, Resolution No. 75-26 was unanimously adopted.

Complete text of Resolution No. 75-26 will be found in Resolution Book No. 8 at page 76.

MAYOR'S REPORT - COMMUNITY DEVELOPMENT

Mayor Wood commented that he had appointed Councilman Morris and Ochsenreiter to a sub-committee concerning recommendations for the use of Federal Community Development funds. He said he felt that the sub-committee would be in a position to present their recommendations at next week's meeting.

At the suggestion of Mayor Wood, Councilman Ochsenreiter moved to schedule a special evening meeting for February 25, 1975 at 7:30 o'clock p. m. in the Council Chambers for the purpose fo hearing public comments on the Community Development recommendations by the sub-committee. This motion was seconded by Councilman Colton and carried unanimously.

PROCLAMATION - ENGINEERS WEEK - FEBRUARY 16-22

Mayor Wood proclaimed the week of February 16 - 22, 1975 as "Engineers Week" at the request of the WNC Chapter of the National Society of Professional Engineers.

IMPROVEMENTS TO McCORMICK FIELD

Councilman Ochsenreiter commented that recommendations for improvements to McCormick Field would possibly be on next week's agenda, which recommendations would include an agreement with the County participating in the improvements.

Adjournment.

Richard D. Wood, Jr.
MAYOR

William F. Moseley
CITY CLERK

a resolution authorizing this project and the expenditure of up to $8,000 and to also prepare an ordinance amending the operating budget, transferring the necessary funds from the Contingency funds to the General Fund. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

RESOLUTION NO. 75-31 - RESOLUTION AUTHORIZING, ADOPTING, APPROVING, ACCEPTING AND RATIFYING THE EXECUTION OF AMENDMENT NO. 1 TO GRANT AGREEMENT FOR PROJECT NO. 8-37-0005-01 BETWEEN THE UNITED STATES OF AMERICA AND THE CITY OF ASHEVILLE, NORTH CAROLINA

7. Consideration was given to a resolution authorizing, adopting, approving, accepting, and ratifying the execution of Amendment No. 1 to Grant Agreement for Project No. 8-37-0005-01 between the United States of America and the City of Asheville, North Carolina.

The City Manager read the resolution and explained that this amendment was relative to the strengthening of the runways at the Asheville Airport.

Upon motion of Councilman Colton, seconded by Councilman Ochsenreiter, Resolution No. 75-31 was unanimously adopted.

Complete text of Resolution No. 75-31 will be found in Resolution Book No. 8 at page 82.

RESOLUTION NO. 75-32 - RESOLUTION AUTHORIZING, ADOPTING, APPROVING, ACCEPTING, AND RATIFYING THE EXECUTION OF AMENDMENT NO. 1 TO GRANT AGREEMENT FOR PROJECT NO. 8-37-0005-02 BETWEEN THE UNITED STATES OF AMERICA AND THE CITY OF ASHEVILLE, NORTH CAROLINA

8. Consideration was given to a resolution authorizing, adopting, approving, accepting, and ratifying the execution of Amendment No. 1 to Grant Agreement for Project No. 8-37-0005-02 between the United States of America and the City of Asheville, North Carolina.

The City Manager read the resolution and explained that this amendment was relative to the fencing and the purchasing of fire equipment for the Asheville Airport.

Upon motion of Councilman Colton, seconded by Councilman Horton, Resolution No. 75-32 was unanimously adopted.

Complete text of Resolution No. 75-32 will be found in Resolution Book No. 8 at page 83.

ORDINANCE NO. 322, AS AMENDED - AN ORDINANCE AMENDING ORDINANCE NO. 322, AS AMENDED. "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE"

9. Consideration was given to the third and final reading of Ordinance No. 322, as amended, an ordinance amending Ordinance No. 322, as amended, "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE".

Mayor Wood advised that several requests from last week's meeting were held over and would be considered at this time.

The first request to be reconsidered was that of Mr. Robert P. Ingle to zone property off of Brevard Road (Ward 15, (Lower Hominy), Sheet 16, Lots 3, 3-1/2, 10 and 12) Commercial Highway District instead of the proposed R-3 zoning.

RESOLUTION NO. 75-29 - RESOLUTION OF APPRECIATION TO MEMBERS OF THE METROPOLITAN PLANNING BOARD

4. Consideration was given to a resolution of appreciation to members of the Metropolitan Planning Board.

The City Manager read the resolution and explained that this was a joint resolution with the Buncombe County Board of Commissioners.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Ochsenreiter, Resolution No. 75-29 was unanimously adopted.

Complete text of Resolution No. 75-29 will be found in Resolution Book No. 8 at page 80.

RESOLUTION NO. 75-30 - RESOLUTION REQUESTING A WAIVER OF HEALTH, EDUCATION AND WELFARE OF GUIDELINES IN THE ESTABLISHMENT OF A NEW HEALTH SERVICE PLANNING AREA

5. Consideration was given to a resolution requesting a waiver of Health, Education and Welfare of guidelines in the establishment of a new Health Service Planning area.

The City Manager read the resolution.

Mr. Michalove, Assistant City Manager, commented that under the present guidelines there is a requirement that there be a minimum population of 500,000 and without a waiver of this requirement Western North Carolina would be classified in the same district Charlotte-Mecklenburg. He said there are different problems in the mountainous area and that Western North Carolina should not have to compete with larger areas in receiving these funds.

Mayor Wood's comment was to the effect that Region B was also taking similar action and that he recommended its approval.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, Resolution No. 75-30 was unanimously adopted.

Complete text of Resolution No. 75-30 will be found in Resolution Book No. 8 at page 81.

Mayor Wood directed the City Clerk to forward a copy of the resolution to the Governor of the State of North Carolina and also to the Chairman of the Buncombe County Commissioners.

IMPROVEMENTS TO McCORMICK FIELD

6. The City Manager read a letter from the Asheville Parks and Recreation Advisory Board, recommending that the City of Asheville through its Parks and Recreation Department, and in cooperation with the Asheville Orioles and Buncombe County, provide a new dressing room facility at McCormick Field.

Councilman Ochsenreiter advised that the County had agreed to participate on a 50-50 basis toward the construction and equipping of a new dressing room, up to $8,000 and would also provide manpower for construction through the Emergency Manpower Program.

Councilman Ochsenreiter then moved to instruct the City Manager to prepare

Mr. Emrick reviewed that at last week's meeting Councilman Morris had moved to amend Section 30-3-17 subsection E by changing the words "mobile home" to "travel trailers" in the title and in paragraph (1) and by adding the words "or side yard" to paragraph (1). He said, as instructed, the planning staff reviewed the language of the motion and as a result the following proposed amendment was presented:

Page 45
Camper Trailers, Mobile Homes, Motor Homes, Travel Trailers, and Boats with Trailers

Paragraph 1.

One (1) unoccupied camper trailer, motor home, or travel trailer may be parked or located in an accessory private garage building or in a rear or side yard of an occupied dwelling provided no living quarters shall be maintained or any business practiced in said unit while it is so parked or located or stored. Neither shall the unit be attached to or serviced by any domestic utility, public or private.

Paragraph 2.

Words Travel Trailer added

Paragraph 3.

A boat with trailer may be parked or located in an accessory private garage building or in a side or rear yard of an occupied dwelling.

After discussion, Councilman Colton moved to accept all of the recommendations of the planning staff and to further amend the ordinance by changing paragraph 2 to allow a mobile home to be temporarily parked or located, occupied or unoccupied, within the boundaries of the districts zoned as CH Commercial Highway, LI Light Industrial and HI Heavy Industrial, for a period not exceeding six months, providing a special permit is obtained from and issued by the Building Inspector of the City of Asheville prior to the parking or location of said Mobile Home. This motion was seconded by Councilman Ochsenreiter and on a roll call vote of 5-0, the amendment carried.

Mr. Emrick reviewed that at last week's meeting Mr. Robert Riddle presented a suggested amendment to Section 30-4-4 by adding the following sentence "That in addition, City Council may upon application designate any existing structure located in any district as a landmark for a museum or other purposes and after such designation, said use shall be permitted."

Emrick said that in the planning staff's opinion this request should be denied. He said their opinion is based upon the requirements stated in G. S. 160A, Art. 19, parts 3A and 3B. This opinion is concurred by the Corporation Counsel. These statutes set forth the following criteria and procedures before the intent of Mr. Riddle's suggestion can be accomplished.

Historic Properties Commission - Criteria for Designation

1. City must appoint or designate a commission (may be local planning board) of at least three (3) members with length of term being no more than four (4) years.

2. At least two (2) members of the commission shall have demonstrated special interest, experience, or education in history or architecture.

Mr. Herbert Wallace, attorney for Mr. Ingle, stated that he had contacted his client and the North Carolina Department of Transportation relative to the access to the property for commercial purposes. He said the State had a 50 ft. right of way on each side of the road at this location and was informed that any developer of the land would have to comply with State regulations for access to the property. He also said that his client would dedicate any portion of his property necessary for ingress and egress.

After discussion, Councilman Colton moved to grant Mr. Ingle's request and zone his property off of Brevard Road identified as Ward 15, (Lower Hominy), Sheet 16, Lots 3, 3-1/2, 10 and 12 Commercial Highway District and in addition to zone the following Commercial Highway District: Ward 15 (Lower Hominy), Sheet 39, Lots 1, 2, 3, 4, 4-1/4, 4-1/2, 5, 6, 7, 8, 8-1/4, 9, 9-1/2, 40 and Ward 15 (Lower Hominy) Sheet 17, Lots 23, 23-1/4, 23-1/2, 24, 25, 15-1/4, 26, 26-1/4, 27, 27-1/4, 28, 28-1/4, 28-1/2, 28-3/4, 29, 29-1/4, 29-1/2, 29-3/4. This motion was seconded by Vice-Mayor Marshall and on a roll call vote of 5-0, the amendment carried.

Mr. Emrick reviewed the request of the R. L. Coleman Company, et. al. suggesting an amendment to Section 30-3-11 "Regulations of Off-Street Parking and Loading" Subsection (G) relative to parking requirements for retail stores selling clothing, variety merchandise, etc." and Mr. Harry Wright of Belk's Department Store at the Asheville Mall had requested an investigation of the validity of requiring one (1) loading berth for every 20,000 square feet of floor area. He said, as instructed by Council, a review was made by the planning staff and the following proposed working amendments were suggested:

Page 19
Off-Street Parking Requirements
"One (1) space for each two hundred (200) square feet of retail floor area."

Page 21
Off-Street Loading Requirements
"one (1) loading berth for every 20,000 square feet of floor area. (In multiple story buildings, requirement applies to first floor only).

Mr. Rick Coleman questioned Council as to what interpretation would be made from the ordinance relative to additional space being added to a group development in regards to the off-street parking requirements.

It was the interpretation of Verl Emrick, Planning Director, and J. E. Johnson, Building Inspector, that the off-street parking requirements would be calculated only on the additions since off-street parking requirements would have already been fulfilled for the permanent structure at the time of its construction.

Councilman Ochsenreiter moved to accept the recommendation of the planning staff and to amend the ordinance on page 19 relative to off-street parking requirements for "retail stores" to read as follows: "One (1) space for each two hundred (200) square feet of retail floor area." This motion was seconded by Councilman Colton, and on a roll call vote of 5-0, the amendment carried.

Councilman Horton moved to accept the recommendation of the planning staff and amend the ordinance on page 21 relative to off-street loading requirements for retail operations to read as follows: "One (1) loading berth for every 20,000 square feet of floor area. (In multiple story buildings, requirement applies to first floor only.) This motion was seconded by Vice-Mayor Marshall and on a roll call vote of 5-0, the amendment carried.

Mr. Emrick then read a petition which he had received from property owners of Sunset Mountain and members of the Grove Park Sunset Citizens Association which stated "that they joined in the petition of Mr. and Mrs. Ben Jones, and requested that the respective properties of the undersigned property owners be zoned R-1 and further petition that all properties on Town Mountain Road lying within the City Limits of the City of Asheville be zoned R-1 Single Family Residential District to and including the Tiara Apartment property lying within the City.

Emrick said it would be the planning staff's recommendation to deny this request due to this placing the Tiara Apartment property into a non-conforming use.

Mr. Mack Day, of the Grove Park Sunset Citizens Association, presented arguments for the request stating that the Association was making the request in order to conform to the predominant zoning classification of the surrounding area.

Mr. Brainard Roison, owner of the property across from the Tiara Apartments, commented that when the apartments were built some 10 or 12 years ago considerable pressure was placed on a former Council not to allow the apartments to be built, when the developer requested that the property be rezoned in order the build the apartments.

Mr. Robert Riddle, attorney for WOB Enterprises, owners of the Tiara Apartments, and Mr. Jerry Sternberg,spoke in opposition to this request.

Mrs. Ben Jones stated that with her property being zoned R-1 and the Sternberg property adjoining her property, a few hundred feet apart, if Mr. Sternberg made a Commercial use of the property it would do her no good and create a traffic problem.

Mayor Wood advised Mrs. Jones that Mr. Sternberg could not make a Commercial use of the property even if it is zoned R-2.

Mrs. Jones said that she had misunderstood and thought that commercial uses could be made of the land.

Mr. Harold Bennett commented that extensive condominium use could be made of the property all along Town Mountain Road and under the R-2 District a developer could have 10 units per acre which would create a traffic problem and lower the values of the property.

At the request of Mayor Wood, Mr. Bennett repeated the request of the Grove Park Sunset Citizens Association stating that they requested that all properties on Town Mountain Road lying within the City Limits be zoned R-1 which included the Tiara Apartments and the Sternberg property lying within the City Limits.

Mayor Wood asked if any member of Council wished to make a motion granting the request of the Grove Park Sunset Citizens Association.

In the absence of a motion, the request was denied.

Mr. Emrick reviewed the request of Mr. Jerry Sternberg and Mr. Charles Harrell to zone the following property Light Industrial instead of the proposed R-2 and R-3:

Ward 13 (Biltmore), Sheet 22, Lot 52, Sheet 44, Lots 14 and 15, Sheet 32 Lots 10, 11, 14, 15, 16, 18, 19, and 20.

He also reviewed the request of Mr. Fred Pearlman to zone the following property Light Industrial instead of the proposed R-2 and R-3:

Required Procedures: Before designating any structure, site or area as historic, the commission must take the following steps:

1. Make an investigation and report on the historic, architectural, educational or cultural significance of the property or structure.

2. Must submit the above described report to the Department of Cultural Resources for review. (This may be waived if the Department of Cultural Resources does not review within sixty (60) days after submission.

3. Must hold public hearing with notice being published at least once in local newspaper. Written notice must be mailed to property owners.

4. Following public hearing, governing body may adopt, amend, or deny the proposal.

5. After adoption of Ordinance:

   a. Give written notice of historic designation to owner(s) and occupants of property.

   b. File one copy of ordinance with Register of Deeds.

   c. File one copy of Ordinance with City Clerk.

   d. File one copy with Building Inspector.

6. Notify tax supervisor of adoption of Ordinance.

Mr. Riddle commented that he felt some enabling language should be incorporated into the ordinance which would allow him to make an application to Council after following all the legal procedures spelled out in the General Statutes.

Mr. Harold Bennett, Grove Park Sunset Citizens Association, commented that the Association opposed this request.

Mr. Jack Doloboff, speaking on behalf of Mr. Jerry Sternberg, said that in order to get the highest and best use for the property this proposal should be approved.

Mayor Wood asked if any member of Council wished to make a motion granting Mr. Riddle's request.

In the absence of a motion, the request was denied.

Mr. Emrick stated that an additional request on Town Mountain Road had been received from Mr. Harold Thoms to zone Ward 2, Sheet 13, Lots 44, 3-1/2, and 71-1/4 and from Mrs. Ben Jones to zone Ward 8, Sheet 26, Lots 71 and 43-1/4 to R-1 instead of the proposed R-2. He said it would be the planning staff's recommendation to approve this request due to the zoning being contiguous on both sides of the property.

Councilman Colton moved to accept the recommendation of the planning staff and zone Ward 2, Sheet 13, Lots 44, 3-1/2, and 71-1/4 and Ward 8, Sheet 26, Lot 71 and 43-1/4 to R-1 instead of the proposed R-2. This motion was seconded by Councilman Horton and on a roll call vote of 5-0, the amendment carried.

Mr. Harrell also read a letter from Philip R. Elam, Manager, Economic Development Department of the Chamber of Commerce recommending the property for industrial uses.

Councilman Colton questioned whether this request would create spot zoning.

Upon inquiry, Corporation Counsel William Moore stated that in his opinion this request, if approved, would create spot zoning.

After a lengthy discussion, Vice-Mayor Marshall moved to zone the property of Sternberg and Harrell (Ward 13 (Biltmore) Sheet 22, Lot 52; Sheet 44, Lots 14 and 15; Sheet 32, Lots 10, 11, 14, 14, 16, 18, 19 and 20) and Pearlman's property (Ward 13 (Biltmore) Sheet 22, Lots 54-69; Sheet 23, Lots 184 and 185) to Light Industrial instead of the proposed R-2 and R-3. This motion was seconded by Councilman Hoyle and on a roll call vote of 5-0, the amendment carried.

Mr. Emrick reviewed the request of Mr. George Coggins to zone the following property Commercial Highway instead of the proposed R-3:

Ward 6, Sheet 2, Lots 51-1/2, 60, 61, 62, 63, 64, 65, 135, 136, 137, 137-1/2, 152, 159 and 160.

Mr. Emrick stated that it would be the planning staff's recommendation to approve the request with an additional recommendation, in order to avoid spot zoning, that Ward 6, Sheet 2, Lots 131, 132, 133, 133-1/4, and 134; Ward 6, Sheet 4, Lots 4-20, 140-158 be included in the Commercial Highway District, if Council approved the request of Mr. George Coggins.

During the discussion it was determined that if the request was granted as proposed, several businesses in the area would be placed into a non-conforming use.

After discussion, it was the consensus of Council that this property would be best suited for a Light Industrial zone.

Vice-Mayor Marshall moved to zone Ward 6, Sheet 2, Lots 51-1/2, 60, 61, 62, 63, 64, 65, 135, 136, 137, 137-1/2, 152, 159 and 160 and also Ward 6, Sheet 2, Lots 131, 132, 133, 133-1/4, and 134; Ward 6, Sheet 4, Lots 4-20, 140-158, to Light Industrial instead of the proposed R-3. This motion was seconded by Councilman Hoyle and on a roll call vote of 5-0, the amendment carried.

Mr. Emrick reviewed the request of Mr. Paul Rifkin to zone the following property to Commercial Highway instead of the proposed R-3.

Ward 12, Sheet 5, Lot 76 (North Louisiana Avenue)

Mr. Emrick stated that it was the planning staff's recommendation to deny the request for the following reason:

(1) The proposed CH boundary extends southward from Emma Road to include those existing commercial uses on North Louisiana Avenue. In the area between the proposed CH boundary line and the Rifkin property is an occupied single family dwelling and a mobile home park (11 mobile homes). To avoid a spot zoning situation, the CH boundary line would have to be extended to include the above residential property in order to zone the lot in question for commercial purposes. Even though mobile home parks are nonconforming in both R-3 and CH districts, they are residential areas and should be treated as such. To place this residential property between two commercial uses is not, in the staffs' opinion, good zoning

Ward 13 (Biltmore), Sheet 22, Lots 54-69, Sheet 23, Lots 184 and 185.

He said the planning staff's recommendation would be to deny the request for the following reasons:

(1) Existing sanitary sewer and water facilities are inadequate to serve industrial development of this property.

(2) Existing road access to this property is also inadequate to accommodate the types and volumes of traffic generated by industrial facilities. (Inadequate streets which provide access to the property are:
(a) Rock Hill Road,
(b) Millers Lane,
(c) Old Chapel Road,
(d) West Chapel Road, and
(e) Busbee View Road); and

(3) To rezone this property for speculative purposes is in staff's opinion diametrically opposed to sound land planning principals.

Mr. Charles Harrell presented the following reasons for requesting that the Sweeten Creek Park be zoned Light Industrial.

1. The land is hidden away from view and the topography will allow light industrial construction.

2. Access to the property is through three R/W (one 60' wide) and Fred Pearlman's property. We have agreed with him to work together.

3. Utilities for light industry are there. The proposed R-3 could require a vastly larger need for utilities than our proposal.

4. The present and past use of the general area are the Simpson Saw Mill, CP&L Warehouse, plants along Sweeten Creek Road and Alexander Industrial Park, as well as residential.

5. Joining Sweeten Creek Park with Alexander Industrial Park will have less potential problems than including the houses west toward Sweeten Creek Road, denying residential construction in that area would surely result in serious complaints.

6. The Asheville area needs land set aside for industrial use and this is a natural for zoned industrial use.

7. To wait and see how the area develops is the wrong course of action. Zoning is a vehicle to use in making sound judgments about an area and then trying to make things happen. We are certain that going from industrial to residential at a later date will be very easy, but going from residential to industrial is next to impossible.

8. Sincerely feel that the proposal is best for City and County, as well as the owners.

Mr. Harrell thanked Council for considering this request and asked that they make a judgment based on sound reasons.

Mayor Wood commended the staff, particularly Mr. Emrick, for an outstanding job done on the zoning ordinance. Councilman Colton added that he also commended the staff for a job well done.

COMMUNITY DEVELOPMENT

The City Manager presented recommendations of the sub-committee for the Community Development First Action Year Program and advised that a public hearing would be held on February 25, 1975 at 7:30 o'clock p. m. in the Council Chambers for the public to comment on the recommendations.

JOSEPH BELL - ZONING ORDINANCE

Mr. Joseph Bell, representing the Grove Park Sunset Citizens Association and who had attended most the zoning sessions, thanked the Planning and Zoning Commission and staff for the work in preparing the new zoning ordinance. He also added his thanks to Council for their efforts and patience in adopting the new ordinance.

practice. For this reason, it is recommended that the property remain zoned for residential purposes.

After discussion it was the consensus of Council that if the Rifkin property was rezoned, the R-3 District north of the Rifkin property should be included to prevent spot zoning and to accomodate the changing land use.

Councilman Ochsenreiter moved to grant Mr. Rifkin's request and zone Ward 12, Sheet 5, Lot 76 Commercial Highway and in addition zone the proposed R-3 District north of the Rifkin property Commercial Highway. This motion was seconded by Vice-Mayor Marshall and on a roll call vote of 5-0, the amendment carried.

Mr. Emrick reviewed the request of Mr. Fred Pearlman to rezone the following property from proposed R-1 Residential District to R-2:

Ward 9 (Beaverdam), Sheet 30, Lots 5, 43, 44, 45, 56 and 58
Ward 11, Sheet 34, Lots 24-3/4, and 47
Ward 22, Sheet 36, Lot 1 (Reynold Mountain Property)

Exception to this request shall be any part of this area now lying within the City Limits of Asheville (may remain proposed R-1).

Mr. Emrick stated that it was the planning staff's recommendation to approve the request for the following reasons:

(1) The property is well suited for condominium development; and

(2) No existing residential areas would be affected by development of this type as the mountainous terrain provides natural buffering.

During the discussion it was suggested that in addition to granting Mr. Pearlman's request that the proposed R-2 zone be extended from the Elk Mountain Scenic Highway to the westernmost boundary of the Asheville zoning jurisdiction (line abutting Woodfin one mile jurisdiction).

After discussion, it was the consensus of Council to zone only that property owned by Mr. Pearlman R-2 as well as that area of the one mile jurisdiction which abuts the Woodfin City Limits to R-2.

Councilman Colton moved to grant Mr. Pearlman's request to zone Ward 9, (Beaverdam), Sheet 30, Lots 5, 43, 44, 45, 56 and 58; Ward 11, Sheet 34, Lots 24-3/4 and 47; and Ward 22, Sheet 36, Lot 1 (Reynolds Mountain Property) R-2 and in addition to zone that area of the one mile jurisdiction which abuts the Woodfin City Limits R-2. This motion was seconded by Councilman Horton and on a roll call vote of 5-0, the amendment carried.

Mayor Wood noted, for information purposes, that Mr. John Shuford had requested that property on Hazel Mill Road, across from the Kemco Mfg. Company, be zoned to Commercial Highway instead of R-3. However, Mr. Shuford had not pursued his request.

Mayor Wood then called for a roll call vote on the third and final reading of the ordinance.

On a roll call vote of 5-0, Ordinance No. 322, as amended, was unanimously adopted.

Complete text of Ordinance No. 322, as amended will be found in Ordinance Book No. 6 at page 142.

Rev. Easom pointed out that Aston Park should be considered as a major recreation complex in that improvements would improve the whole downtown. He further stated that Montford Complex should be more than just for recreation.

Mrs. Jarrett explained that nothing was being proposed for the Burton Street area particularly the Center.

Mayor Wood advised that everything suggested could not be done the first year, and that the Parks and Recreation Department was already operating a program at Burton Street.

Mr. Ray Barr explained that he was happy that the Murphy-Oakley Park was being considered but that he wanted the citizens of the area involved in the detail of the plan. Also that additional acreage was available and that should be considered.

Mayor Wood explained that the staff would be meeting with citizens to develop the detailed budgets and plan.

Mrs. Knuckles, 222 Flint Street pointed out that there were no projects listed for the Washington Road and Madison Avenue area, particularly the recreation project that was recommended. She suggested that the special trash collection program be funded in some other way and Community Development funds should be used to do something for the people in the Washington Road and Madison Avenue area.

Mayor Wood pointed out that in the immediate proximity there was a summer recreation program at Claxton School and a new facility at Weaver Park.

Mr. Kisiah pointed out that Magnolia Park would be improved with a toilet facility and summer playground supervision.

Mayor Wood pointed out the importance of the Special Trash Collection Program and the immediate effect it would create in neighborhood pride.

Francis Owens explained that there was no recreation improvements in Shiloh. She expressed a desire to Council that this be considered in future years.

Mayor Wood explained that the $25,000 project called Shiloh Multi Purpose Center was to be a cooperative arrangement between the Opportunity Corporation and the Parks and Recreation Department, that there was just so much that could be done the first year and that the Shiloh area had received other funding for water and sewer improvements and general rehabilitation of the area.

Rev. Ray expressed an interest in the Montford Recreation Center Complex and a desire that the service would be multi purpose and for all ages. He expressed a concern that people be helped by staff in the relocation process as land was acquired by the Complex.

Dennis Young, 37 Jefferess Avenue, inquired as to why taxes have not paid for the proposed water and sewer improvements.

Mayor Wood explained that general funds had never been used for water and sewer improvements, that the Department was self supporting and that in order to make the necessary improvements Community Development funds would be needed.

Mr. Young also inquired about the volunteer labor at the Children's Zoo.

Tuesday - February 25, 1975 - 7:30 o'clock p. m.

Special Meeting

Purpose: To review the City Council sub-committee report on proposed projects to be considered for the Community Development First Action Year and to obtain citizen comments concerning the recommendations.

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Ralph D. Morris, Jr., Bill B. Horton, J. W. Hoyle, Henry E. Colton, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr., City Staff, and approximately eighty (80) citizens.

Mayor Wood began the meeting by generally reviewing the sub-committee's recommendations. He then explained that the format for discussion would be to discuss a particular category and/or project until there were no other points of discussion then a new category and/or project would be considered.

Jerome Guilxbeau pointed out that Freedom Park in Charlotte offered a variety of activities and the City should consider a similar approach. He also pointed out that too much of the Community Development funds were being allocated to Recreation.

Mr. Kisiah responded that while Freedom Park was a fine facility, Charlotte was more widely known for its Neighborhood Center facilities - a program that was in the making by previous actions of City Council and proposed in this first year Community Development package.

Al Summey, Manager of Mountainside Apartments wanted to know how the residents of Mountainside would be involved in decisions about the equipment and location of the McCormick Park.

Mr. Kisiah explained generally where the park would be and the kinds of equipment he had in mind.

Mayor Wood explained that the Parks staff would meet with the residents to work out the particulars of budget detail, park location and equipment.

A resident of Mountainside pointed out that the land fill at McCormick Stadium was bringing rats. She also wanted to know when the park would be complete, could another location be considered and was there any indoor space considered. It was pointed out that Mountainside had no meeting room space.

Mayor Wood advised that alternate locations could be considered, that the project would get underway within the year between July 1, 1975 and June 30, 1976, and that no indoor space was being considered at this time.

Carl Johnson inquired about the status of the Old Armory Building and he explained that the building would make a good indoor facility.

It was pointed out that the State still had control of the building and if they gave it up it would revert to the City. However, with the present cramped quarters for equipment repairs on Valley Street, most likely if the City got the building it would be used for equipment repair.

It was pointed out to Mrs. Smith that the State was considering a major improvement to Valley Street and that the Special Trash Collection Program would improve the area.

Mr. and Mrs. Rice, 235 Fayetteville Street, spoke about Fayetteville Street in West Asheville. They explained that there were pot holes and no paving had been done since 1951. They also pointed out Buffalo, Fayetteville and Texas Street and some roads in the area never having been paved.

It was explained that the City scrapes the roads periodically and puts down stone but after a rain it washes into the Rice's property.

Mr. Rice explained that he had given the property for Saratoga Street and everytime the City comes out to scrape they cut into his property. He has considered closing the street.

The Mayor asked Mr. Ward to look into these matters and consider in the regular street maintenance program.

Mrs. Rosalee Carter of Bryant Street explained that she has made several complaints about the area behind Burton Street School- open sewer and the City leaves scrapings in the driveway.

Rev. Easom asked if the sub-committee recommendations would be approved this evening.

Someone asked that the time that Senior Citizens ride the bus be extended to all hours and that the rate be reduced. Both requests are part of the transportation for the elderly project.

Mr. Smith explained that there was a drug problem in Asheville speaking particularly of young blacks between the ages of 9 and 15. He suggested Community Development funds be used to provide education programs in the elementary and high schools.

Mayor Wood responded by explaining that the Mobile City Hall could be used in connection with this type of education needs.

Mr. Ridgley Robinson explained that there was a need to provide funds for the Smith-McDowell House Project. He explained that the society is seeking $25,000 in funds from the N. C. General Assembly to be matched by local funds. He suggested that the project be given consideration for funding from the Contingency fund.

Mayor Wood concurred that this might be possible later on in the program year.

Dicie Jackson inquired about the fees for playing tennis at Aston Park and the hardship this placed on poor people.

Mr. Kisiah informed Mrs. Jackson there were no fees charged.

Mr. Smith explained that the funds should not be allocated to Recreation but that there should be programs from 6 to 10 p. m.

Mayor Wood responded by explaining the soundness of the approach to using the Community Development funds for Parks and Recreation purposes directed

Mayor Wood explained that this was a citizen sponsored project.

Mrs. Jones of 72 Jefferess Avenue explained that water lines were needed.

James Smith explained that almost one-third of the funds were allocated to Recreation, but there did not appear to be anything for evening recreation. He also implied that the funds could be put to better use in that low and moderate income people don't have a problem with "playing".

Carl Johnson pointed out that the subcommittee had stressed eight reasons for deciding on the projects that were recommended. He explained that these reasons were further reason for the Council to establish a non-profit corporation to plan and implement Community Development programs. He further explained that the Community Development funds should be used as money to match other federal grants. Mr. Johnson said that with a planner, college interns, and access to legal services a non-profit corporation could be operational and could and should by representation include all geographic areas of the City.

Lela Miller, a resident of Mountainside Apartments suggested that Mr. Kisiah meet with the residents of Mountainside to decide about the McCormick Park. She explained that she knew of another piece of land and that only the residents know the problems of contending with the baseball games.

Carl Johnson explained that someone should be responsible for tapping federal grants, that citizens should have some training in what was going on, that a non-profit group could do priority setting since the City Council was not close enough to the problems of low income people. He pointed out that Nashville, Tenn. had an excellent program of Citizen Participation, also that through a non-profit corporation all agencies could be coordinated.

Mr. Guilbeaux explained that there were projects for young and old but nothing for those in between. These people should have training and employment.

The Mayor sited the various projects on pages two and three of the report in an attempt to explain the variety of projects that were being proposed.

Mrs. Dicie Jackson, 109 Mountain Street, said she was surprised that no funds were to be used for health services, that Model Cities had pointed out the need for this and Community Development funds should be used for that purpose.

Mrs. Knuckles said they needed a place at the Senior Opportunity Center and the facility should be enlarged for a clinic. She suggested that the $200,00 for Special Trash Collection be used for this purpose.

Mayor Wood explained the history of the Model Cities funds that were to be used for matching a health project and the fact that the program was not funded and no one knew what the outcome would be about a National Health Insurance Program.

Mrs. Susie Smith, 5 Mountain Street, said nothing was proposed for the East end and she wanted to know what was going to happen in the area. She further asked that some playground equipment be left at Herring School for small children.

at improving recreation services on a neighborhood basis approach.

Mayor Wood explained that due to the lateness in mailing the sub-committee's package to the residents and in light of the suggestions made the Council would not take action this evening but would take action at the Council meeting on February 27, 1975.

Adjournment.

Richard A. Wood, Jr.
MAYOR

Norman D. Malcuit
CITY CLERK

Mayor Wood noted that all of these programs were existing operating programs and that the application under consideration would fund the programs for another year.

Mr. Michalove, Assistant City Manager, advised that the Buncombe County Commissioners passed a resolution at their last meeting obligating their share of the program.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Morris, Resolution No. 75-34 was unanimously adopted.

Complete text of Resolution No. 75-34 will be found in Resolution Book No. 8 at page 85.

RESOLUTION NO. 75-35 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT FOR LEGAL SERVICES IN CONNECTION WITH THE ACQUISITION OF LAND FOR RIVERSIDE PARK

4. Consideration was given to a resolution authorizing the Mayor to enter into a contract for legal services in connection with the acquisition of land for Riverside Park.

The City Manager read the resolution.

Upon motion of Councilman Horton, seconded by Vice-Mayor Marshall, Resolution No. 75-35 was unanimously adopted.

Complete text of Resolution No. 75-35 will be found in Resolution Book No. 8 at page 87.

IMPROVEMENTS TO McCORMICK FIELD

5. The City Manager advised that at last weeks meeting Council had directed that an ordinance be prepared amending the current budget, up to $8,000, in order to participate with the County, on a 50-50 basis toward the construction and equipping of a new dressing room at McCormick Field. The City Manager told Council that a motion approving the project was necessary.

Councilman Ochsenreiter moved to approve the construction and equipping of a new dressing at McCormick Field and the 50-50 funding of the project with the County up to $8,000.00. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

ORDINANCE NO. 833 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1974-75

The City Manager then presented an ordinance amending the operating budget of the City of Asheville for the fiscal year 1974-75 which would transfer $8,000 from the Contingency Fund to the General Fund for the purpose of providing funds for this project.

Councilman Ochsenreiter moved to approve the ordinance. This motion was seconded by Vice-Mayor Marshall.

On a roll call vote of 6-0, Ordinance No. 833 passed on the first reading.

Thursday - February 27, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Ralph D. Morris, Jr., Bill B. Horton, J. W. Hoyle, Henry E. Colton, Acting Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Corporation Counsel William C. Moore

1) Approval of minutes of February 20, 1975 meeting.

The City Clerk noted that at last weeks meeting Council inadvertently approved the minutes of the February 20, 1975 meeting instead of the minutes of the February 13, 1975 meeting. He asked for a motion to make the necessary correction.

Vice-Mayor Marshall moved to amend the minutes of the February 20, 1975 meeting by approving the minutes of the February 13, 1975 meeting. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Councilman Hoyle then moved to approve the minutes of the February 20, 1975 meeting, as amended. This motion was seconded by Councilman Horton and carried unanimously.

RESOLUTION NO. 75-33 - RESOLUTION AUTHORIZING AND ENDORSING THE FILING OF AN APPLICATION FOR MASS TRANSIT FUNDS

2. Consideration was given to a resolution authorizing and endorsing the filing of an application for Mass Transit funds.

The City Manager read the resolution.

Verl Emrick, Planning Director, advised Council that this grant was under the Urban Mass Transit Act and Asheville had been allocated $131,916.00 for fiscal year 1975-76. He said the planning staff was in the process of preparing the final application, which would be approved by Council, before the May 5, 1975 deadline.

Upon motion of Councilman Colton, seconded by Councilman Ochsenreiter, Resolution No. 75-33 was unanimously adopted.

Complete text of Resolution No. 75-33 will be found in Resolution Book No. 8 at page 84.

RESOLUTION NO. 75-34 - RESOLUTION AUTHORIZING THE MAYOR TO FILE APPLICATION FOR FEDERAL GRANTS WITH THE NORTH CAROLINA DIVISION OF LAW AND ORDER FOR THE FOLLOWING PROGRAMS: POLICE LEGAL ADVISOR; DRUG AND ALCOHOL ABUSE CO-OP; INTERAGENCY NARCOTICS SQUAD; AND CRIME PREVENTION

3. Consideration was given to a resolution authorizing the Mayor to file application for federal grants with the North Carolina Division of Law and Order for the following programs: Police Legal Advisor; Drug and Alcohol Abuse Co-op; Interagency Narcotics Squad; and Crime Prevention.

The City Manager read the resolution.

Councilman Colton moved to accept the recommendation of the Purchasing Agent and award the bid to Lynchburg Foundry Company, the low bidder, in the amount of $3.89 per foot, totaling $5,446.00. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary - 1,400 feet 6-inch Cast Iron Water Main Pipe

RESOLUTION NO. 75-36 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A FISCAL AGENCY AGREEMENT DESIGNATING PAYING AGENTS ON CERTAIN BOND ISSUES

9. Consideration was given to a resolution authorizing the Mayor to enter into a fiscal agency agreement designating paying agents on certain bond issues.

The City Manager read the resolution.

The City Manager also advised, as a matter of information to Council, that the Bank of Asheville and the North Carolina National Bank had submitted the low interest rate of 5.905186 on the 3,075,000 Water Bonds and 825,000 Parking Bonds that were sold February 25, 1975 by the Local Government Commission in Raleigh. He said the Parking Bond Anticipation Notes that were sold at the same time also went to the Bank of Asheville and North Carolina National Bank at an interest rate of 4.20.

Councilman Morris moved to suspend the rules and proceed to the second reading of the ordinance. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 833 passed on the second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of the ordinance. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 833 passed on the third and final reading.

Complete text of Ordinance No. 833 will be found in Ordinance Book No. 7 at page 159 .

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE SOUTHERN RAILWAY COMPANY CONCERNING A 12-INCH SANITARY SEWER LINE FROM MEADOW ROAD ACROSS THE RAILROAD FREIGHT YARDS AT BILTMORE, NORTH CAROLINA

6. Consideration was given to a resolution authorizing the Mayor to execute a right of way encroachment agreement with the Southern Railway Company concerning a 12-inch sanitary sewer line from Meadow Road across the railroad freight yards at Biltmore, North Carolina.

The City Manager read the resolution.

Mr. William Edens advised that the right of way agreement was necessary as this sewer line extends across the railroad property from Meadow Road, at the end of McDowell Street, to the Metropolitan Sewage District sewer on the north bank of the Swannanoa River. He said the present sewer line which runs under a building and a junk yard has collapsed and cannot be repaired due to its inaccessability. He said that sewerage was backing up in the line and emptying into the storm drainage system and that the North Carolina Department of Water and Air Resources was pressing the City to replace this line.

Councilman Morris questioned the agreement set forth in the resolution which would require the City to pay rent to the Southern Railway Company for the right of way at a rate of $378.00 per annum.

After discussion, Councilman Morris moved to table the resolution and that the City Attorney be instructed to contact the proper officials of the Southern Railway Company to determine their policy position on this matter and to express Council's concern over the setting of a precedent for payment of annual rents on rights of way over any property of the railroad. This motion was seconded by Councilman Colton and carried unanimously.

BIDS - 1,400 FEET 6-INCH CAST IRON WATER MAIN PIPE FOR WATER AND SEWER DEPARTMENT

7. Consideration was given to bids received February 24, 1975 for 1,400 feet 6-inch Cast Iron Water Main Pipe for the Water and Sewer Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Lynchburg Foundry Company at $3.89 per foot, totaling $5,446.00.

Ochsenreiter and carried unanimously.

Mayor Wood asked if any member of Council had any additional recommendations other than those submitted by the sub-committee.

Council then proceeded to review the following individual projects recommended by the sub-committee:

1) Community Services - Total $395,779

Special Trash Collection and Cleanup Program - $200,779

Purpose: Cleanup property where owners will not or cannot do same for themselves. Collect trash such as appliances, furniture and other material not now included in the City collection program. Funds will pay for crews and equipment needed.

Upon inquiry from Councilman Horton, Mr. Michalove advised that of this $200,779 - approximately $65,000 would be used for the purpose of equipment.

Councilman Ochsenreiter suggested that perhaps this type of service could be carried over even after these funds are exhausted since the equipment would be available. He said he felt this would help keep the area free of this type of trash.

Councilman Morris suggested that an ordinance needed to be considered for adoption by Council to require furniture and appliance dealers to be responsible for removing the old furniture and appliances when they are replaced. Thus, relieving the City from picking up these discarded items.

Transportation for the Elderly and Handicapped - $65,000

Purpose: Provide 15¢ fare to elderly and handicapped, route buses to Shiloh, Jaycee Project, Kirkwood and Bingham Heights and continue routes set up under the Model Cities program.

Concentrated Demolition and Code Enforcement in Community Development Areas - $50,000

Purpose: Concentrate City demolition and code enforcement in the Valley Street area, Burton Street Area, Shiloh Area, Oakley Area, and Montford Area to preserve existing houses and eliminate blighting conditions. Funds will pay for personnel and demolition work.

Citizen Participation - $20,000

Purpose: To provide citizens an opportunity to participate in the Community Development program process.

Upon motion of Councilman Horton, seconded by Councilman Ochsenreiter, Resolution No. 75-36 was unanimously adopted.

Complete text of Resolution No. 75-36 will be found in Resolution Book No. 8 at page 88 .

COMMUNITY DEVELOPMENT

RESOLUTION NO. 75-37 - RESOLUTION AUTHORIZING SUBMISSION OF AN APPLICATION FOR COMMUNITY DEVELOPMENT BLOCK GRANT FUNDS FROM THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

Mayor Wood explained that the sub-committee and the staff had reviewed citizen comments received during the special meeting of the City Council on February 25, 1975 and, based upon these comments the sub-committee was recommending the following projects for inclusion to the proposed recommendations for the First Year Community Development Plan.

Burton Street Area Rehabilitation - $31,000

Purpose: Begin the first phase of improving the area by beginning a concentrated code enforcement program and making improvements in sidewalks and streets and in the case of unpaved streets for work beyond that which is done through the regular City budget. The cost estimate is based upon half of the estimated cost for these items as detailed in the Asheville Rehabilitation and Renewal Program II.

This should be included in the category of Community Development Area Improvements.

Health Clinic Services $10,000

Purpose: To provide for a physician and appropriate assistance and consumable supplies and equipment to operate a clinic at the Senior Opportunity Center. The cost estimate is based upon experience with a similar project implemented in conjunction with the First Baptist Church through the use of Model Cities funds.

This should be included in the category of Social Services.

He said funding to support these projects should come from the Contingency Fund.

Councilman Colton suggested that Council consider a request made at the meeting of February 25, 1975 that funds be appropriated to aid in the renovation of the Smith-McDowell House on Victoria Road as a historical museum. He said this appropriation could be made contingent upon the project receiving State funds in the amount of $25,000.

After discussion, Councilman Colton moved to appropriate from the Community Development funds, the amount of $8,333; to come from the Contingency Fund and to be included in a new category called "Historical Preservation Activities". The purpose being for renovation and refurbishing of the Smith-McDowell House with the understanding that the funds would be made available contingency upon the State funding the project in the amount of $25,000. This motion was seconded by Councilman

Councilman Horton commended the sub-committee and the staff for a job well done in preparing the recommendations. He did, however, suggest that Council should cover a wider field in conjunction with Community Development Area Improvements, paying particular attention to open sewers. He suggested that the appropriations be adjusted to allow for immediate emergency sewer repairs. He also suggested that $100,000 be appropriated for immediate emergency repairs on open sewers.

After discussion, Councilman Colton suggested that the City Manager be instructed to include in the 1975-76 Water Budget appropriations for immediate emergency sewer repairs.

Mr. W. H. McAdams, 10 West Chapel Road, spoke in favor of the Shiloh project.

Councilman Horton moved to appropriate $6,000 from the Contingency Fund for a State Street Sidewalk Project from Short Michigan Avenue to Amboy Road. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Councilman Colton moved to approve the recommendations set forth for the category of Community Development Area Improvements in the amount of $1,476,421. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

3) SOCIAL SERVICES - TOTAL $172,500 - These projects are designed to continue and/or provide new services to the community development neighborhood.

Meals-on-Wheels - $15,000

Purpose: To continue supporting the meals-on-wheels program begun by the volunteer effort under the Model Cities Program.

Buncombe County Child Development Program - $12,500

Purpose: To assist Buncombe County in furnishing matching funds for its federal grant child care program, which includes a center at the city's Livingston Street Neighborhood Facility.

Senior Opportunity Center - $90,000

Purpose: To continue operating support for the Senior Opportunity Center on Grove Street.

Home Ownership and Credit Counseling Service - $30,000

Purpose: Assist, through counseling services, low and moderate income families determine appropriate family housing alternatives. (This program would be developed jointly by Consumer Credit Counseling Service of Western North Carolina, Inc. and the Housing Authority.)

Multi-Purpose Center Shiloh - $25,000

Purpose: To expand the pre-existing Opportunity Corporation program by assistance from city departments, in order to carry out some of the recommendations made in the public hearings.

Mobile City Hall - $20,000

Purpose: Mobile unit would visit neighborhoods on a regular basis to provide citizens with information about city services. Representatives of various city departments would alternate traveling with the unit in order to develop closer communication links between the city departments and residents. Funds would pay for personnel, mobile unit operating expense and displays. (The unit to be used was purchased under the Model Cities program and has been adapted to this purpose.)

Administration - $40,000

Purpose: To pay for administering the Community Development program, bookkeeping, liaison with HUD and City Departments.

Councilman Morris moved to approve the recommendations set forth in the category of Community Services in the amount of $395,779. This motion was seconded by Councilman Hoyle and carried unanimously.

2) COMMUNITY DEVELOPMENT AREA IMPROVEMENTS - TOTAL $1,435,221

These projects are designed to encourage the maintenance of the City's housing stock and stimulate citizen interest in their neighborhoods. Activities would include such things as street paving, sidewalks, loans for rehabilitation of houses, self-help rehabilitation, demolition of dilapidated structures, increase size and capacity of water and sewer lines and improve service and fire protection.

Shiloh Rehabilitation, Water and Sewer Improvements - $956,921

Purpose: Make major improvements in sewer lines, begin concentrated code enforcement, make sidewalk, street and water improvements. Exact streets to be determined at a later date.

Montford/Cherry Rehabilitation and water improvements - $420,000

Purpose: To extend 12" water line across the expressway into the Montford area. Begin rehabilitation loan program to home owners. Begin rehabilitation of Cherry Street area. Exact streets to be included in the first phase of this project are to be decided at a later date.

Oakley Rehabilitation project - $62,500

Purpose: Improve and/or construct sidewalks near Murphy-Oakley Community Center and Oakley School.

Mayor Wood commented that the additional project of Burton Street Area Rehabilitation in the amount of $31,000 would be added to this category.

Mayor Wood also noted that $258,467 was left in the Contingency Fund after approval of all projects.

After reviewing the individual projects, the City Manager read a resolution authorizing submission of an application for Community Development Block Grant funds from the Department of Housing and Urban Development.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 75-37 was unanimously adopted.

Complete text of Resolution No. 75-37 will be found in Resolution Book No. 8 at page 89.

Mayor Wood commended the staff and various agencies for their efforts put in the recommendations. He especially commended the citizens for their representation at the public hearings.

Mayor Wood advised that there would not be a meeting of the City Council next week due to the lack of a quorum for the scheduled meeting of March 6, 1975.

Adjournment.

Richard D. Wood, Jr.
MAYOR

William D. Dressler
CITY CLERK

Mayor Wood commented that the additional project of Health Clinic Services in the amount of $10,000 would be added to this category.

Councilman Horton moved to increase the appropriations for the Health Clinic Services from $10,000 to $20,000 to provide for practical nursing services. This motion was seconded by Councilman Colton and carried unanimously. The amount to come from the Contingency Fund and the amount to be included in the Senior Opportunity Center budget.

Councilman Ochsenreiter moved to approve the recommendations set forth for the category of Social Services in the amount of $192,500. This motion was seconded by Councilman Hoyle and carried unanimously.

4) RECREATION IMPROVEMENTS - TOTAL $906,500 - These projects are designed to acquire land for new development and expand park and recreation facilities in general.

Magnolia Park - $30,000

Purpose: Provide toilet facilities, playground equipment, wading pool, shelter, and landscaping.

Hilltop Recreation Center - $75,000

Purpose: Demolish old Stephens Lee Classroom Building and landscape for park area. (No funds available for purchase of property due to other priorities.)

Aston Park Improvements - $125,000

Purpose: Construct tennis courts and further develop the park area.

Montford Recreation Center Complex - $459,000

Purpose: To construct a major community and recreation center for the residents of the Montford area. (This funding is in addition to prior Model Cities allocations of $219,548. Application will be made for additional Bureau of Outdoor Recreation funds.)

McCormick Playground - $17,500

Purpose: Provide neighborhood play area for the Carroll Avenue-Mountainside Apartments area.

Murphy-Oakley Park Facilities - $200,000

Purpose: Provide for landscaping, baseball field, tennis courts, Toilet facilities, picnic shelter and off-street parking.

After discussion of this category Councilman Morris moved to approve the recommendations set forth for Recreation Improvements in the amount of $906,500. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Mayor Wood noted that the category of Historical Preservation in the amount of $8,333 had approval at the beginning of the meeting.

Red Cross, gave a brief history of the Red Cross's growth and cited the need for more building space and parking as the main reasons for the decision to relocate the Tunnel Road facility to the proposed location.

Upon inquiry of Mayor Wood as to why the building could not be faced away from the residential property, Mr. Stewart Rogers, architect, advised that the building would have an entrance on both sides.

Councilman Colton questioned whether the City should be responsible for the cost of improvements to Edgewood Road and Westall Drive in order for this building to be located on this site.

General Anderson said it was his opinion that the building could be constructed on this site without widening these roads. However, the Red Cross would dedicate the portion of property necessary for the improvements.

Mayor Wood closed the public hearing at 3:30 o'clock p. m.

Councilman Colton moved to approve the site plan subject to the developer complying with the recommendations of the Planning and Zoning Commission and conditional upon the developer dedicating the necessary right of way from their property as well as reimbursing the City for the cost of improvements to Westall Drive and Edgewood Road along their property lines. This motion was seconded by Councilman Hoyle and carried unanimously.

PUBLIC HEARING - SITE PLAN - PROPOSED HEALTH EDUCATION CENTER

4. A public hearing was held to consider the approval of a site plan of a proposed health-education center to span Biltmore Avenue in the vicinity of the St. Joseph's and Memorial Mission Hospitals, prepared by Six Associates, Inc., architects, for Mountain Area Health Education Foundation, Inc., Developer.

Mayor Wood opened the public hearing at 3:33 o'clock p. m.

The City Manager read the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Bob McDonald, of the Planning Staff, advised that the Planning and Zoning Commission had recommended approval of the project, subject to the developer complying with Ordinance No. 813 - City of Asheville Erosion Control Ordinance. He said the planning staff had also recommended that the City provide adequate storm sewers on Biltmore Avenue to handle runoff from the Project.

He said the owners of the facility would be Memorial Mission and St. Joseph's Hospitals and would be leased to the Mountain Area Health Education Foundation, Inc. He said the plan proposes a roadway to be constructed over Biltmore Avenue, for vehicular and pedestrian traffic to and from the two hospitals. This would be a private roadway and the two hospitals would control the traffic. He said, in response to the architect's inquiry regarding air rights above Biltmore Avenue, the Attorney General's office had advised that such rights are not owned by the Board of Transportation since only a right-of-way easement for the street is possessed by the State. Air Rights belong to the property owners, being in this instance the hospitals.

Mr. Stewart Rogers, architect for the project, answered general questions of Council.

Mayor Wood closed the public hearing at 3:43 o'clock p. m.

Councilman Morris moved to approve the site plan subject to the developer

Thursday - March 13, 1975 - 3:00 o'clock p. m.

1. Approval of minutes of special meeting of February 25, 1975.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, the minutes of the special meeting of February 25, 1975 were approved as submitted.

2. Approval of minutes of February 27, 1975 meeting.

Upon motion of Councilman Morris, seconded by Councilman Horton, the minutes of the February 27, 1975 meeting were approved as submitted.

PUBLIC HEARING - SITE PLAN - PROPOSED RED CROSS BUILDING

3. A public hearing was held to consider the approval of the site plan of a proposed Red Cross Building to be located off Merrimon Avenue between Edgewood Road and Westall Avenue, prepared by Six Associates, Inc., architects, for the Asheville Area Chapter, American National Red Cross.

Mayor Wood opened the public hearing at 3:03 o'clock p. m.

The City Manager read the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Bob McDonald, of the Planning Staff, advised that the Planning and Zoning Commission had recommended approval of the project, subject to the following conditions:

1. That the developer comply with Ordinance No. 813, City of Asheville Erosion Control Ordinance.

2. That the developer comply with the recommendations of the Asheville Water and Sewer Department.

3. That the developer meet with the appropriate city officials to negotiate improvements to Edgewood Road and Westall Drive.

Mr. McDonald further advised that Edgewood Road Improvements would include upgrading Edgewood Road to a three lane facility for a distance of 470 feet from Merrimon Avenue to the northeast corner of the Red Cross property at an approximate cost of $18,950.00. He said Westall Drive Improvements would include widening of Westall Drive an additional 4 feet for a distance of approximately 520 feet from Merrimon Avenue to the parking lot entrance at the southeast corner of the Red Cross property at an approximate cost of $5,242.00. The total cost of all improvements including sidewalks, curb and gutter would be $24,192.00. This, he said, would not include costs for any right of way acquisitions.

General Webster Anderson, representing the Asheville Chapter of American

ORDINANCE NO. 834 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1974-75 (RELATIVE TO AIRPORT RUNWAY EXTENSION AND ILS PROJECT)

6. Consideration was given to an ordinance amending the operating budget of the City of Asheville for the Fiscal Year 1974-75 (Relative to Airport Runway Extension and ILS Project).

The City Manager read the ordinance and explained that the General Fund of the operating budget for fiscal year 1974-75 included appropriations and estimated revenues for the Runway Extension and ILS Project at the Asheville Airport and it is now necessary to establish a new fund named Airport Runway Extension and ILS Project and to transfer all of the estimated revenues and appropriations pertaining to this project from the General Fund into the new fund.

Councilman Morris moved for adoption of the ordinance. This motion was seconded by Councilman Colton.

On a roll call vote of 6-0, Ordinance No. 834 passed on its first reading.

ORDINANCE NO. 835 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1974-75 (RELATIVE TO PACK MEMORIAL LIBRARY)

7. Consideration was given to an ordinance amending the operating budget of the City of Asheville for the fiscal year 1974-75 (Relative to Pack Memorial Library).

The City Manager read the ordinance and explained that the Pack Memorial Library had been notified by the State of North Carolina that the library would receive revenue which had not been anticipated and that the Director of the Library had requested these revenues be appropriated for library use. He said this ordinance would amend the budget by increasing anticipated revenues and by appropriating additional funds for library use.

Upon inquiry of Councilman Morris as to the clarification of the appropriation of $2,400 for outside contributions, the City Manager explained that this line item was for the repair of books and for the work in preparing papers for permanent storage.

Mayor Wood requested the City Manager to further clarify this line item as an expenditure before the second reading of the ordinance.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Ochsenreiter.

On a roll call vote of 6-0, Ordinance No. 835 passed on its first reading.

RESOLUTION NO. 75-38 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH 30 PARKMAN AVENUE, 39-1/2 NORTH STREET, AND 955 WEST CHAPEL ROAD

8. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish 30 Parkman Avenue, 39-1/2 North Street and 955 West Chapel Road.

The City Manager read the resolution.

complying with the City of Asheville Erosion Control Ordinance. This motion was seconded by Councilman Horton and carried unanimously.

PRESENTATION OF ASHEVILLE THOROUGHFARE PLAN

5. Mr. Larry Ward, of the Planning Staff, presented a proposed Asheville Thoroughfare Plan and briefly reviewed the history of implementing the plan. He said the proposed plan was similar to the study prepared by Wilbur Smith and Associates, which was adopted by Council in 1960. He said the projects in the plan were based on projections through 1995 and also recommended improvements to the existing street systems.

He said one major difference between the proposed plan and the Wilbur Smith study was that the recommendation made by Wilbur Smith for an expressway loop to the South of the Central Business District had been reevaluated and it now seems more feasible to have a two way pair street between Hilliard Avenue and a new street to be connected into Valley Street, thereby not tending to separate the Central Business District from the south.

He said public meetings had been held at seven different locations throughout the area and recommendations resulting from these meetings were evaluated and a portion of them incorporated into the plan. He said the preliminary plan had been reviewed and accepted by the Transportation Advisory Committee as well as the Technical Coordinating Committee. He advised that even after adoption of the plan a reevaluation would be made each year and, if necessary, the plan could be modified.

Mr. Ward answered general questions of Council relative to improvements to individual streets.

Mr. John Caldwell, representative of the North Carolina Department of Transportation and coordinator for projects in the Asheville area, commented that after Asheville adopts a thoroughfare plan, the City would be eligible for federal funds for assistance in the proposed improvements. He advised that the State had developed a Seven Year plan for the Asheville area and the first priority would be for the Valley Street Improvements. He said the Council could set the remainder of the priorities.

Mr. Caldwell also answered general questions of Council relative to individual projects.

Mr. E. R. McCarthy suggested that a loop be made from the end of the Haywood Road bridge extending to McDowell or Biltmore Avenue giving a more direct access for residents of West Asheville.

Mayor Wood advised Mr. McCarthy that this was a part of the East Riverside Urban Renewal Plan.

Mayor Wood noted that Council would not take action on the plan at this meeting, however, the maps would be available for inspection in the Planning Office. He urged members of Council to look over the plan in the next couple of weeks so that they could be prepared to take some action in the next few weeks.

Councilman Ochsenreiter moved to grant the Asheville Housing Authority's request and to instruct the City Manager to prepare an ordinance amending the budget by deleting the estimated revenue from the Asheville Housing Authority for Council's agenda at the next meeting.

RESOLUTION NO. 75-41 - RESC JTION AUTHORIZING THE CITY MANAGER TO ACCEPT A PROPOSAL FOR ENGINEERING SERVICES FROM THE PITOMETER ASSOCIATES, CONSULTING ENGINEERS, OF NEW YORK, NEW YORK

Consideration was given to a resolution authorizing the City Manager to accept a proposal for engineering services from the Pitometer Associates, consulting engineers, of New York, New York.

The City Manager read the resolution.

Mr. William Edens, Director of Water and Sewer, stated that the study was necessary to determine what could be done to eliminate the use of two large pumps which operate continuously at North Fork Pumping Station to move water into Black Mountain and to certain areas between North Fork and Bee Tree Junction. He said it was his opinion that this study would show how to reduce, substantially, the power cost which is now incurring, and perhaps eliminate a substantial amount of investment in plant which is proposed as part of Phase II of the Water Quality Improvement Program.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, Resolution No. 75-41 was unanimously adopted.

Complete text of Resolution No. 75-41 will be found in Resolution Book No. 8 at page 94

RESOLUTION NO. 75-42 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE STATE OF NORTH CAROLINA DEPARTMENT OF TRANSPORTATION CONCERNING A 2-INCH WATER LINE ON THE FAIRVIEW ROAD RELOCATION NEAR THE US 74-I-40 INTERCHANGE, BUNCOMBE COUNTY

Consideration was given to a resolution authorizing the Mayor to execute a right of way encroachment agreement with the State of North Carolina Department of Transportation concerning a 2-inch water line on the Fairview Road relocation near the US 74-I-40 Interchange, Buncombe County.

The City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Morris, Resolution No. 75-42 was unanimously adopted.

Complete text of Resolution No. 75-42 will be found in Resolution Book No. 8 at page 95.

Adjournment.

Richard D. Woodfin
MAYOR

William S. Morcott
CITY CLERK

Councilman Colton moved for the adoption of the resolution setting the public hearing date for April 3, 1975. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Complete text of Resolution No. 75-38 will be found in Resolution Book No. 8 at page 90.

RESOLUTION NO. 75-39 - RESOLUTION AUTHORIZING THE AMENDMENT OF THE MODEL CITIES PROGRAM TO AUTHORIZE EXTENSION OF EMPLOYMENT OF A CITIZEN PARTICIPATION WORKER-VAN DRIVER FROM MARCH 31, 1975 THROUGH JUNE 30, 1975

9. Consideration was given to a resolution authorizing the amendment of the Model Cities Program to authorize extension of employment of a Citizen Participation worker- van driver from March 31, 1975 through June 30, 1975.

The City Manager read the resolution.

Upon motion of Councilman Horton, seconded by Councilman Hoyle, Resolution No. 75-39 was unanimously adopted.

Complete text of Resolution No. 75-39 will be found in Resolution Book No. 8 at page 92.

ANNOUNCEMENT OF PUBLIC MEETING - A NUCLEAR CONTROVERSERY

Mayor Wood called attention to a public meeting for "The Nuclear Controversery" to be held at UNC-Asheville on Saturday, March 15, 1975.

Dr. Chauncey Kephart, a speaker for the meeting, briefly explained the dangers of constructing Nuclear Power plants.

RESOLUTION NO. 75-40 - RESOLUTION AUTHORIZING THE CITY OF ASHEVILLE TO JOIN WITH THE COUNTY OF BUNCOMBE IN EXECUTING AN AGREEMENT WITH J. BERTRAM KING, F. A. I. A. FOR THE ARCHITECTURAL SERVICES REQUIRED FOR THE CONSTRUCTION OF THE NEW CENTRAL LIBRARY

Consideration was given to a resolution authorizing the City of Asheville to join with the County of Buncombe in executing an agreement with J. Bertram King, F.A.I.A., for the architectural services required for the construction of the new Central Library.

The City Manager read the resolution.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, Resolution No. 75-40 was unanimously adopted.

Complete text of Resolution No. 75-40 will be found in Resolution Book No. 8 at page 93.

REQUEST OF ASHEVILLE HOUSING AUTHORITY TO WAIVE 1974 PAYMENT-IN-LIEU OF TAX

The City Manager presented a memorandum from W. C. King, Executive Director, of the Asheville Housing Authority, which requests that 1974 payment-in-lieu of tax in the amount of $24,781.52 be waived to assist the Authority in meeting expenses for operations. He said the overall costs have exceeded expectations and the first quarter operating receipts and expenditures reflects a deficit of $45,107.00 which has been reduced to $17,693.00 by approved subsidies from HUD. However, it is expected that during the winter months the deficit will be much larger.

REQUEST FROM WNC PILOTS ASSOCIATION TO CONDUCT AIR SHOW - MAY 18, 1975

3. Consideration was given to a request of the WNC Pilots Association to conduct an air show at the Asheville Airport on Sunday, May 18, 1975.

Mrs. Bill Norwood, representing the WNC Pilots Association, briefly described what talent would be involved in the air show and explained that the Association would be working with the FAA Control Tower before and during the show; that Piedmont Airlines would not be interrupted during the show; and that REACT and off-duty patrolmen would take care of the parking and security. She said a committee of the Association would be responsible for cleaning up after the show.

Mr. Gary Taylor, Director of Aviation, said it would be his recommendation to deny the request at this time due to the airport operating with only one runway at the present time; trying to maintain an air schedule carrier- daily flights- without interruptions; construction and surveying work being carried on at the exact location where the air show would be held; and a newly installed radar antenna, which does not have fencing and would be to be patrolled. He said his main objection to an airshow would be the control of the general public which has presented problems in previous airshows. He also said although he is in favor of airshows for entertainment it was his understanding that this would not be an annual event.

Mr. Ray Anders, of the WNC Pilots Association, told Council that provisions would be made for all safety factors and urged Council to favor the request.

Councilman Colton moved to approve the request of the WNC Pilots Association to conduct an airshow at the Asheville Airport on Sunday, May 18, 1975, with the understanding that the Association would wait until the proposed new construction is completed at the Airport before another one is held. This motion was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO. 75-43 - RESOLUTION AUTHORIZING THE MAYOR TO SELL CITY OWNED VACANT PROPERTY ON FAGG STREET TO THE ASHEVILLE HOUSING AUTHORITY

4. Consideration was given to a resolution authorizing the Mayor to sell city owned vacant property on Fagg Street to the Asheville Housing Authority.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, Resolution No. 75-43 was unanimously adopted.

Complete text of Resolution No. 75-43 will be found in Resolution Book No. 8 at page 96.

REQUEST FOR PUBLIC HEARING - URBAN MASS TRANSPORTATION ACT

5. Mr. Michalove, Assistant City Manager, explained that under the Urban Mass Transportation Act the City is eligible to recover some of the costs it incurred in support of the Asheville Transit Authority for this fiscal year. He said in order to comply with federal regulations in applying for the grant a public hearing is necessary to explain the grant application. He said it is possible to recover $95,254.81 by applying for the grant.

Councilman Morris moved to schedule a public hearing on the matter for May 1, 1975. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Thursday - March 27, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Ralph D. Morris, Jr., Bill B. Horton, J. W. Hoyle, Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of March 13, 1975 meeting.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, the minutes of the March 13, 1975 meeting were approved as submitted.

ORDINANCE NO. 834 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1974-75 (RELATIVE TO AIRPORT RUNWAY EXTENSION AND ILS PROJECT)

2. Consideration was given to the second reading of Ordinance No. 834, an ordinance amending the operating budget of the City of Asheville for the Fiscal Year 1974-75 establishing a new fund named Airport Runway Extension and ILS Project and transferring all the estimated revenues and appropriations pertaining to the project from the General Fund into the new fund.

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 834 passed on its second reading.

ORDINANCE NO. 835 - ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1974-75. (RELATIVE TO PACK MEMORIAL LIBRARY)

3. Consideration was given to the second reading of Ordinance No. 835, an ordinance amending the operating budget of the City of Asheville for the fiscal year 1974-75 which would increase anticipated revenues and appropriate additional funds for library use.

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

As requested by the Mayor at the last Council meeting, Mr. Ken Brown, Director of the Library, explained that the line item referred to in the ordinance as "Outside Contributions" in the amount of $2,400 was a grant-in-aid from the State Library for an employee of the library to attend graduate library school, which had been approved by the State after the budget was adopted.

On a roll call vote of 6-0, Ordinance No. 835 passed on its second reading.

Lawrence Smith and Jacob Demetris explained that their claim was for water damage to Mr. Demetris' warehouse on Merrimon Avenue and Chatham Road.

LEGISLATION FOR PENSION PLAN - CORPORATION COUNSEL'S REPORT

Mr. William C. Moore, Corporation Counsel, advised that the General Assembly has previously created legislation fro the existing pension and retirement funds for the City Police and Fire Departments. He said it is now the City's intention to have a pension plan for all city employees of the City of Asheville, including those firemen and policemen that are hired after the effective date of the new pension plan. He said the City must first request the General Assembly to pass legislation relative to the proposed pension plan. He then read a draft of the proposed bill to be presented to the General Assembly.

Mayor Wood commented that a sub-committee of the Council has been working with the consultants to the City concerning the entire pension situation and as a preliminary to any modifications to the existing pension program it is necessary to obtain legislative authority from the General Assembly. He said the proposed Act does not set a specified effective date for the establishment of a pension plan, however, it does state that the present pension plan for the Police and Fire Departments will continue until such time as the Council implements the new plan. He said then any employees presently covered under the existing plan would continue unless they voluntarily elect to be covered in the new plan.

Councilman Horton moved to request that our legislative delegation introduce the enabling legislation to the General Assembly. This motion was seconded by Councilman Colton and carried unanimously.

LEGISLATION - BOXING AND WRESTLING COMMISSION - CORPORATION COUNSEL'S REPORT

Mr. William C. Moore, Corporation Counsel, noted that in the past several months there has been some question relative to the role of the Boxing and Wrestling Commission in regard to the duties and responsibilities in the holding of boxing and wrestling events. He said their attorney, Mr. John Shackleford, had drafted a proposed Act to be introduced to the General Assembly which sets forth regulations relative to the powers and duties of the Commission. He said this Act sets out specifics for the powers and duties; licensing charges; terms of office, bond requirements; event licenses and penalties.

Councilman Hoyle moved to request that our legislative delegation introduce the enabling legislation to the General Assembly. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

CARL JOHNSON - COMPLAINTS AND REQUESTS

Mr. Carl Johnson voiced concern over the shortage of housing space for elderly senior citizens and suggested that the City purchase the Landmark Hotel for housing space.

Mr. Johnson also stated that the City should have better screening of the law enforcement personnel and to advise them of their responsibilities in arresting someone and taking them to jail. He referred to an incident where a patrolman arrested two men on Lexington Avenue on a drinking charge and instead of taking the men directly to jail they continued patrolling, during which time the vehicle was left unattended and due to a brake failure was involved in an accident injuring the occupants. He said one of the men was still in the hospital and he felt the police wagon should never have been left unattended. He said Council should take

BIDS - 1,400 FEET 6-INCH WATER PIPE FOR WATER AND SEWER DEPARTMENT

6. Consideration was given to bids received March 24, 1975 for 1,400 ft. 6-inch water pipe for Water and Sewer Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low base bid, item #1, submitted by Lynchburg Foundry Company at $3.83 per foot, totaling $5,362.00. He said the pipe will be used to complete the water line in the South annexation area off Caribou Road.

Councilman Colton moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Lynchburg Foundry Company at $3.83 per foot, totaling $5,362.00. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

RESOLUTION NO. 75-44 - RESOLUTION APPOINTING A MEMBER TO THE ASHEVILLE-BUNCOMBE DRUG AND ALCOHOL ABUSE ADVISORY COMMISSION (Dr. Sherburn Stanley)

7. Consideration was given to a resolution appointing Dr. Sherburn Stanley as a member of the Asheville-Buncombe Drug and Alcohol Abuse Advisory Commission.

Mayor Wood noted that this was an additional appointment to the Commission, which was requested by the Commission.

The City Manager read the resolution.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton, Resolution No. 75-44 was unanimously adopted.

Complete text of Resolution No. 75-44 will be found in Resolution Book No. 8 at page 97.

RESOLUTION NO. 75-45 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR WATER LINE CROSSING UNDER U. S. 19-23 NORTH TO SOUTH

8. Consideration was given to a resolution authorizing the Mayor to execute right of way encroachment agreement with the North Carolina Department of Transportation for water line crossing under U. S. 19-23 North to South.

The City Manager read the resolution and explained that the encroachment is to serve the installation of a water line in the South annexation area.

Upon motion of Councilman Colton, seconded by Vice-Mayor Marshall, Resolution No. 75-45 was unanimously adopted.

Complete text of Resolution No. 75-45 will be found in Resolution Book No. 8 at page 98.

CLAIMS - JACOB P. DEMETRIS AND RUSSELL W. ROGERS

The City Manager presented a claim received from Lawrence Smith, attorney for Jacob P. Demetris and a claim received from Loren D. Packer, attorney for Russell W. Rogers.

Mayor Wood referred the claims to the Corporation Counsel for investigation and recommendation.

Thursday - April 3, 1975 - 3:00 o'clock p. m.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Marshall, the minutes of the March 27, 1975 meeting were approved as submitted.

ORDINANCE NO. 834 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1974-75 (RELATIVE TO AIRPORT RUNWAY EXTENSION AND ILS PROJECT)

2. Consideration was given to the third and final reading of Ordinance No. 834, an ordinance amending the operating budget of the City of Asheville for the Fiscal Year 1974-75 (Relative to Airport Runway Extension and ILS Project).

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 834 passed on its third and final reading.

Complete text of Ordinance No. 834 will be found in Ordinance Book No. 6 at page 260.

ORDINANCE NO. 835 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1974-75 (RELATIVE TO PACK MEMORIAL LIBRARY)

3. Consideration was given to the third and final reading of Ordinance No. 835, an ordinance amending the operating budget of the City of Asheville for the Fiscal Year 1974-75. (Relative to Pack Memorial Library).

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 835 passed on its third and final reading.

a stand on how an arrested person should be treated.

Mr. Johnson also asked Council to support the GEARA Radio Program, which was created by the Model Cities Commission. He asked the Mayor to proclaim a WBMU Day asking industry and citizens to support the program. He said the Commission had worked very hard to bring this station on the air.

Mayor Wood asked Mr. Michalove to furnish Council with information on the status fo the GEARA Program.

N. A. A. C. P. - COMPLAINT - RE: CARL WILLIAMS

Mrs. Grace B. Dorn, President of the Asheville Chapter of the National Association for the Advancement of Colored People (NAACP), read a prepared statement relative to brutality by law enforcement officers. Mrs. Dorn presented an affidavit signed by Mr. Carl Williams and asked Council to investigate the arrest of Carl Williams on March 15, 1975.

Mayor Wood instructed the City Manager to investigate the arrest and report back to Council.

JIM GREY - REQUEST

Mr. Jim Grey, of Herald Communications, told Council that he felt the new police patrol system was giving the citizens a better attitude toward the Police Department.

Mr. Grey also asked if the City Manager would be in a position to release the information on the request of the NAACP before the Native Stone newspaper deadline at noon on Tuesday of next week.

The City Manager told Mr. Grey that he could not report to him before reporting the information to Council.

Adjournment.

ORDINANCE NO. 838 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1974-75. (PURCHASE OF DISPOSAL PARCEL NO. 1 - CIVIC REDEVELOPMENT PROJECT NCR-13)

6. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1974-75. (Purchase of Disposal Parcel No. 1 - Civic Redevelopment Project NCR-13)

The Assistant City Manager read the ordinance.

Mr. W. C. King, Executive Director of the Asheville Housing Authority, explained that Parcel No. 1 was originally set aside and scheduled for acquisition by the Allen High School, which closed as of the last school term. He said the owners have no further interest in the property. He said the N. C. Department of Transportation had acquired a portion of the lot in order to relocate Poplar Street. He said under the federal closeout provisions of the project the City is obligated to absorb unmarketable properties and that Parcel No. 1 is irregular in shape and will not permit commercial use. He said the purchase price of Disposal Parcel No. 1 is $10,000.

Mayor Wood commented that the United Fund Agency had shown an interest in leasing this particular lot from the City in order to provide parking for the agencies which had been moved into the old Allen High School building.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Colton.

On a roll call vote of 6-0, Ordinance No. 838 passed on its first reading

BIDS - ONE (1) 1975 MODEL TRUCK, 25,000 GVW - CONVENTIONAL CAB AND CHASSIS FOR WATER AND SEWER DEPARTMENT

7. Consideration was given to bids received March 17, 1975 for one (1) 1975 Model Truck 25,000 GVW- Conventional Cab and Chassis for Water and Sewer Department.

The Assistant City Manager read a memorandum from the Purchasing Agent which stated that bids were taken to provide truck chassis for the mounting of a Myers MHV High Velocity Sewer Cleaning Machine by the manufacturer. He said the bid award for purchase of the Myers Machine was approved by City Council in the amount of $14,320.00 on December 19, 1974. The Director of Water and Sewer Services, Superintendent of Motor Transport and the Purchasing Agent having reviewed the bids recommended the acceptance of the low bid submitted by Apple Tree Chevrolet, Inc. in the amount of $9,707.79.

The Assistant City Manager said that if Council approved the bids an ordinance was prepared for their consideration which would amend the budget ordinance in the amount of the cost of the truck.

Mr. Bill Edens, Director of Water and Sewer Services, told Council that appropriations had not been made in the current budget for the purchase of the truck as it was anticipated that a surplus truck could be obtained for this use. However, it resulted that a surplus truck was not available and therefore it was necessary to purchase a new truck. He said money was available in the Water and Sewer Contingency Fund to purchase the truck.

Vice-Mayor Marshall moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Apple Tree Chevrolet, Inc. in the amount

PUBLIC HEARING - DEMOLITION OF 30 PARKMAN AVENUE, 39-1/2 NORTH STREET, AND 955 WEST CHAPEL ROAD

ORDINANCE NO. 836 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 30 PARKMAN AVENUE, 39-1/2 NORTH STREET AND 955 WEST CHAPEL ROAD

4. A public hearing was held to consider an ordinance directing the Housing Officer to demolish those dwelling houses known as 30 Parkman Avenue, 39-1/2 North Street and 955 West Chapel Road.

Mayor Wood opened the public hearing at 3:07 o'clock p. m.

The Assistant City Manager read the notice and affidavit of publication setting the time and date for the hearing.

Mr. J. E. Johnson, Building Inspector, reported that he had inspected the properties during the past week and that no improvements had been made on any of the properties listed. He said hearings had been held on each of the properties and Findings of Fact and Orders had been issued.

At the Mayor's request, the Assistant City Manager read the names and addresses of the properties in question.

Rev. Frank Owens, 956 West Chapel Road, spoke in support of the ordinance, referring to the dilapidated condition of 955 West Chapel Road.

Mayor Wood closed the public hearing at 3:15 o'clock p. m.

The Assistant City Manager read the ordinance ordering the demolition of the three properties in question.

Councilman Colton moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 836 passed on its first reading.

ORDINANCE NO. 837 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1974-75 (ASHEVILLE HOUSING AUTHORITY REVENUES)

5. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1974-75 (Asheville Housing Authority revenues).

The Assistant City Manager read the ordinance and explained that the Asheville Housing Authority is experiencing an operating deficit and that they have obtained the maximum amount of subsidy from HUD to offset this deficit. He said a substanial deficit still exists and the Asheville Housing Authority has requested the City to waive an anticipated revenue in the amount of $13,800.

Councilman Ochsenreiter moved for the adoption of the ordinance. This motion was seconded by Vice-Mayor Marshall.

On a roll call vote of 6-0, Ordinance No. 837 passed on its first reading.

PETITION TO CLOSE JUNALUSKA STREET - SERVING BROOKS-HOWELL PROPERTY

The Assistant City Manager presented a petition from Mary E. Bethea, Administrator of Brooks-Howell Home, requesting that an abandoned portion of Junaluska Street be permanently closed. He advised Council that if they wished to consider the closing of Junaluska Street it would be necessary to pass a resolution setting a public hearing on the question and that if it was Council's wish he was prepared to present the resolution. On instructions from Mayor Wood he proceeded with the presentation of the following resolution.

RESOLUTION NO. 75-47 - RESOLUTION OF INTENT TO CLOSE AN ABANDONED PORTION OF JUNALUSKA STREET IN THE CITY OF ASHEVILLE AND CALLING FOR A PUBLIC HEARING ON THE QUESTION

Councilman Horton moved for the adoption of the resolution setting the date for the public hearing for May 15, 1975. This motion was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 75-47 will be found in Resolution Book No. 8 at page 100.

CLAIMS - ROSALIND PROCTOR - R. C. POFERL

The Assistant City Manager presented claims received from Rosalind Proctor and R. C. Poferl.

Mayor Wood referred the claims to the Corporation Counsel for investigation and recommendation.

PETITION - N. A. A. C. P. - RE: CARL WILLIAMS

The Assistant City Manager read a memorandum from the City Manager which stated that on March 27, 1975 a petition was received from Mrs. Grace B. Dorn, President of the Asheville Chapter of the NAACP, with an attached affidavit from Mr. Carl Williams. He said Council instructed him to investigate the matter and report back following the completion of the investigation. He said the investigation is under way, as directed, and a report would be presented as soon as completed.

PROCLAMATION - WEEK OF THE YOUNG CHILD - APRIL 6 - 12

Mayor Wood proclaimed the week of April 6 - 12 as "Week of the Young Child".

Hoyle, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of the April 3, 1975 meeting.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, the minutes of the April 3, 1975 meeting were approved as submitted.

ORDINANCE NO. 836 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 30 PARKMAN AVENUE, 39-1/2 NORTH STREET, AND 955 WEST CHAPEL ROAD

2. Consideration was given to the second reading of Ordinance No. 836, an ordinance directing the Housing Officer to demolish those dwelling houses known as 30 Parkman Avenue, 39-1/2 North Street, and 955 West Chapel Road.

Mayor Wood read the names and addresses of the owners of the properties in question. He advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 836 passed on its second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 836. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 836 passed on its third and and final reading.

Complete text of Ordinance No. 836 will be found in Ordinance Book No. 6 at page 262.

ORDINANCE NO. 837 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1974-75 (ASHEVILLE HOUSING AUTHORITY)

3. Consideration was given to the second reading of Ordinance No. 837, an ordinance amending the operating budget of the City of Asheville for fiscal year 1974-75 (Asheville Housing Authority).

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 837 passed on its second reading.

J. E. Johnson, Building Inspector, informed her that the property in question is scheduled for a hearing sometime this month.

Mayor Wood instructed Mr. Johnson to advise Mrs. Guilka of the date for the hearing.

STATUS OF LEGISLATION FOR PENSION PLAN AND BOXING AND WRESTLING COMMISSION

Councilman Horton inquired as to the status of the legislation for the Pension Plan and the Boxing and Wrestling Commission.

Corporation Counsel William C. Moore said it was his understanding that the two proposed bills had been presented to the General Assembly.

CARL JOHNSON - COMPLAINT - MUD DEPOSITS ON COURTLAND

Mr. Carl Johnson inquired as to whether there was an ordinance that would require a contractor to clean up debris that had fallen on the streets from an uncovered truck. Mr. Johnson referred to a job Perry Alexander Construction Company was engaged in at the end of Courtland Avenue.

Mr. J. E. Johnson, Building Inspector, reported that there is an ordinance which requires the contractor to clean up the debris and that he would investigate the matter and report back to Council.

Mr. Carl Johnson asked for a report on his suggestion that the Landmark Hotel be purchased by the City for elderly housing.

Mr. W. C. King, Executive Director of the Asheville Housing Authority, advised that the Landmark Hotel has 312 units, consisting of 312 square feet per unit. He said HUD requires efficiency apartments to have 425 square feet and combining two rooms would reduce the capacity to only 156 units and purchasing them as housing for the elderly would cost more than the $20,400 per unit which HUD allows. Therefore, Mr. King said, it would not be feasible for the City to purchase the Landmark for elderly housing.

A.B. COLE - GROUP DEVELOPMENT - BEAVERDAM

Mr. A. B. Cole requested Council's approval for a group development on Beaverdam Road in order to get water connections.

Mayor Wood told Mr. Cole that the preliminary site plan would have to be presented to the Planning and Zoning Commission before receiving Council's approval and suggested that he contact Mr. Emrick, Director of Planning, for further information.

GEARA RADIO PROGRAM - PROCLAMATION - WBMU DAY

Mr. Jim Robinson informed Council that the GEARA Radio Project created by the Model Cities Commission would be going on the air Monday, April 7, 1975, as WBMU Station. He said the purpose of the station was to provide a public radio station to meet the needs of the public.

Mayor Wood commended the Board and the Staff of GEARA and proclaimed Monday April 7, 1975 as WBMU Day in the City of Asheville. He urged everyone to support the program.

Adjournment.

Richard A. Wood, R. — MAYOR

William F. McCarty — CITY CLERK

Mr. Bill Edens, Director of Water and Sewer Services, in answer to questioning by Council advised that the purchase of the hydrants was initiated due to a request from Skyland Fire Department that the hydrants in the Skyland area be upgraded. He said that the hydrants with the extended "bury" lengths were being bought for specific locations and that even though they might be used in certain locations in the City this type was not usually purchased for city use.

Councilman Morris expressed the opinion that he and perhaps other Councilmen had some apprehension about buying hydrants for areas that was considering incorporation.

Mr. Moore, Corporation Counsel, stated that he had a copy of an agreement between the City of Asheville and Buncombe County in which the City agreed to maintain the water facilities in the County as of September, 1958. He said it was his opinion that this implied the furnishing of water and not fire protection. He said the letter went on to say that improvements to the system could be negotiated and to his knowledge no negotiations had been made. At best he interpreted the letter to mean maintenance of the lines and maintenance of the hydrants in place at the time of the agreement.

Mr. Ernest Fulton, Chief of the Skyland Volunteer Fire Department, advised that the hydrants in question were to replace those that were covered up two years ago by the construction crews widening Hendersonville Road. He said he had a copy of the agreement between the City and County for the maintenance of the water lines. He pointed out that in Article 2 the City agreed to maintain the County lines in accordance with the same procedures as practiced in the City. He said that the fire hydrants were just as much a part of the system as the water tap and that as a result of a faulty hydrant a business in the Skyland area was lost. He said that this was one of the hydrants being asked to be replaced. He requested Council, on behalf of the people in this area and the fire department that they live up to the 1958 agreement.

Mayor Wood asked if there were any motions with reference to the bids and not receiving such a motion he ruled that no action would be taken at this time but that it could be placed on the agenda at any time at the request of any member of Council.

RESOLUTION NO. 75-48 - RESOLUTION ADDING WESTERN CAROLINA BANK AND TRUST COMPANY AS A DESIGNATED DEPOSITORY FOR CITY FUNDS

7. Consideration was given to a resolution adding Western Carolina Bank and Trust Company as a designated depository for city funds.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 75-48 was unanimously adopted.

Complete text of Resolution No. 75-48 will be found in Resolution Book No. 8 at page 101 .

RESOLUTION NO. 75-49 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA BOARD OF TRANSPORTATION FOR A WATER LINE EXTENDING EASTERLY ALONG U. S. 74 AT FAIRVIEW, NORTH CAROLINA FOR A DISTANCE OF 4,711 FEET.

8. Consideration was given to a resolution authorizing Mayor to execute right-of-way encroachment agreement with the North Carolina Board of Transportation for a water line extending easterly along U. S. 74 at Fairview, North Carolina for a distance of 4,711 feet.

ORDINANCE NO. 838 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1974-75 (PURCHASE OF DISPOSAL PARCEL NO. 1 - CIVIC REDEVELOPMENT PROJECT NCR-13)

4. Consideration was given to the second reading of Ordinance No. 838, an ordinance amending the operating budget of the city of Asheville for fiscal year 1974-75. (Purchase of Disposal Parcel No. 1 - Civic Redevelopment Project NCR-13).

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 838 passed on its second reading.

ORDINANCE NO. 840 - AN ORDINANCE PROVIDING FOR REVISIONS TO THE WATER RATES AND CHARGES

5. Consideration was given to an ordinance providing for revisions to the Water Rates and Charges.

The City Manager read the ordinance and called on Mr. Bill Edens for an explanation to Council.

Mr. Bill Edens, Director of Water and Sewer Services, explained that this ordinance was prepared to correct an error inadvertently made in a previous water rate ordinance which resulted in the larger consumers exceeding Council's policy of not increasing water rates beyond 15 per cent. He said customers affected by this error would be notified and their bills adjusted to the new rate.

Councilman Horton moved for the adoption of the ordinance. This motion was seconded by Councilman Ochsenreiter.

On a roll call vote of 5-0, Ordinance No. 840 passed on its first reading.

Coumcilman Morris moved to suspend the rules and to proceed to the second reading of Ordinance No. 840. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 840 passed on its second reading.

Councilman Morris again moved to suspend the rules and to proceed to the third and final reading of Ordinance No. 840. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 840 passed on its third and final reading.

BIDS - THIRTY (30) FIRE HYDRANTS FOR WATER AND SEWER DEPARTMENT

6. The City Manager read the recommendation of Mr. George Phipps, Purchasing Agent, recommending the low bid of $7,849.94, submitted by Silverman Company, be accepted.

The City Manager read the resolution.

Verl Emrick, Director of Planning, explained that the grant is for $16,000 and was to be used for planning purposes in connection with Mass Transportation for the City.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 75-52 was unanimously adopted.

Complete text of Resolution No. 75-52 will be found in Resolution Book No. 8 at page 105.

COUNCIL - RECESS

Mayor Wood called for a five (5) minute recess at 3:57 o'clock p. m.

Council reconvened at 4:05 o'clock p. m.

THOMS CABLEVISION - REQUEST FOR RATE INCREASE

Mr. Max Cogburn, representing Thoms Cablevision, requested a 14 per cent increase in cablevision rates. He presented materials which included reports which indicated the present rate and the proposed rate. Also included in the reports were rates charged by other cities of comparable size. He cited inflationary costs as the primary reason for the request.

Councilman Horton pointed out that Council had approved a request about a year ago and that the ordinance stated that the rates should be reviewed every three years.

After discussion, Corporation Counsel William C. Moore agreed that Council could waive the three year time limit and review the rates at their discretion.

Councilman Ochsenreiter pointed out that the public had subscribed to the service at a certain rate and he had some concern about increasing the rate at this time.

Mayor Wood suggested that Mr. Cogburn confer with Corporation Counsel William C. Moore and to prepare an ordinance for Council's consideration at next weeks meeting.

Mr. Carl Johnson complained that the Hillcrest Apartments was not included in the cablevision service. He was advised by the manager of Thoms Cablevision that the response for service from letters sent to the residents in this area was not sufficient to warrant the expense of running the cable.

PETITION - REPAIRS TO ROLLINGWOOD ROAD

The City Manager presented a petition from residents of Rollingwood Road requesting the road to be repaired and paved. He explained that this matter was being checked into.

Councilman Morris requested that Oteen Park Place be added to the list of streets needing repairs.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 75-49 was unanimously adopted.

Complete text of Resolution No. 75-49 will be found in Resolution Book No. 8 at page 102.

RESOLUTION NO. 75-50 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR A WATER LINE ON STATE ROAD 1121 AND N. C. 151 (PISGAH HIGHWAY)

9. Consideration was given to a resolution authorizing Mayor to execute right-of-way encroachment agreement with the North Carolina State Board of Transportation for a water line on State Road 1121 and N. C. 151 (Pisgah Highway).

The City Manager read the resolution.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Ochsenreiter, Resolution No. 75-50 was unanimously adopted.

Complete text of Resolution No. 75-50 will be found in Resolution Book No. 8 at page 103.

RESOLUTION NO. 75-51 - RESOLUTION APPROVING AND ADOPTING THE ASHEVILLE THOROUGHFARE PLAN

10. Consideration was given to a resolution approving and adopting the Asheville Thoroughfare Plan.

The City Manager read the resolution.

Mayor Wood explained that this plan was the result of a number of public hearings and coordination between the staff and Department of Transportation in Raleigh. He said some revisions had been made by State officials.

Verl Emrick, Director of Planning, reviewed the plan and explained that this plan was an update of the 1961 plan prepared by Wilbur Smith and Associates. He answered general questions of Council relative to scheduling and annual updating.

He said that letters had been sent to the Department of Transportation asking that priority be given to the Valley Street Connector.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 75-51 was unanimously adopted.

Complete text of Resolution No. 75-51 will be found in Resolution Book No. 8 at page 104.

RESOLUTION NO. 75-52 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

11. Consideration was given to a resolution authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

Mayor Wood advised that in the absence of a request for a public hearing the petition was denied.

CARL JOHNSON - COMPLAINTS

Mr. Carl Johnson expressed concern relative to the lack of fire protection for the residents of Skyland.

He also said that he was concerned about the recent arrest of the woman charged with being drunk when actually she was a diabetic and was suffering an insulin reaction when arrested. He said according to the paper she had been plead guilty and sentenced while she was a patient at the hospital.

Mayor Wood requested the City Manager to investigate the incident relative the Asheville Police Department's role in the matter.

GEORGE MOOREFIELD - COMPLAINT - POLICE BRUTALITY

Mr. George Moorefield, owner of two adult book stores, appeared before Council to complain of police brutality and police harrassment. He said that Council had passed an ordinance relative to his business endeavors that had been detrimental to him and had caused him financial loss. He said that the police had stopped him in his car for no reason and that one of his employees was served with a warrant on a narcotic charge for which he was innocent. He called the Asheville Police "storm troopers" who arrested anyone without a cause and threatened to fight them and the establishment.

MR. JAMES MAYS - 3 WEST CHAPEL CIRCLE - FIRE HYDRANT

Mr. James Mays, 3 West Chapel Circle, requested that a fire hydrant be place between West Chapel and Brooklet Street.

Mayor Wood instructed the City Manager to look into the matter.

LUTHUR HALL - 25 OLD WEST CHAPEL ROAD - FIRE HYDRANT

Mr. Luther Hall, 25 Old West Chapel Road, requested that a fire hydrant be placed within 1000' of his residence.

Mayor Wood instructed the City Manager to look into the matter.

REV. BILL HECKLER - STREET SERMON PERMITS

Rev. Bill Heckler inquired as to the procedure of obtaining a street sermon permit for the downtown area.

Mayor Wood informed him that street sermon permits are issued through the City Manager.

COUNCILMAN HORTON - COMMENDING ECKERD'S DRUG STORE AND INGLE'S MARKETS

Councilman Horton commended Eckerd's Drug Store and Ingle's Markets, Inc. for their recently adopted policy that objectionable publications would not be sold in their places of businesses.

RESOLUTION NO. 75-53 - RESOLUTION APPOINTING MEMBER OF BOARD OF EXAMINERS OF MOTION PICTURE OPERATORS (Roy B. Gibbs)

Consideration was given to a resolution appointing Roy B. Gibbs a member of Board of Examiners of Motion Picture Operators.

The City Manager read the resolution.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, Resolution No. 75-53 was unanimously adopted.

Complete text of Resolution No. 75-53 will be found in Resolution Book No. 8 at page 106

RESOLUTION NO. 75-54 - RESOLUTION APPOINTING MEMBERS OF ASHEVILLE SCHOOL BOARD (John P. Holt and Patrick J. Price)

Consideration was given to a resolution appointing John P. Holt and Patrick J. Price as members of the Asheville School Board.

The City Manager read the resolution.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Ochsenreiter, Resolution No. 75-54 was unanimously adopted.

Complete text of Resolution No. 75-54 will be found in Resolution Book No. 8 at page 107.

Councilman Morris moved that Mayor Wood write a letter to Mr. John Q. Schell thanking him for his services. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

CITY MANAGER'S REPORT - N.A.A.C.P. PETITION - CARL WILLIAMS

The City Manager reported that he was still receiving information on the Carl Williams' case and that he hoped to be in a position to make a report at next weeks meeting.

REQUEST FOR REZONING - STANLEY A. BRIGGS - 1026 SWEETEN CREEK ROAD

The City Manager read a letter from the Planning and Zoning Commission which recommended approval of Mr. Stanley A. Brigg's request to rezone Ward 7, Sheet 23, Lots 179-1/4 and 179-1/2 from R-3 Residential District to CS Commercial Service District.

Councilman Hoyle moved to schedule a public hearing on the rezoning request for May 1, 1975, to be advertised at the petitioners expense. This motion was seconded by Councilman Morris and unanimously adopted.

REQUEST FOR REZONING - R. W. JOHNSON ESTATE - WHITE PINE DRIVE AND BRACKETTOWN ROAD

The City Manager read a letter from the Planning and Zoning Commission which recommended that Mr. Anthony Redmon's request to rezone Ward 8, Sheet 10, Lots 57 and 68-1/2 and Ward 8, Sheet 11, Lot 52 be denied.

Verl Emrick, Director of Planning, said he had been informed by Mr. Redmon that a public hearing on the matter would not be requested.

After a discussion of whether to repair or replace, Vice-Mayor Marshall moved to table further consideration of the bids until next week, at which time Mr. Edens would submit his recommendations. This motion was seconded by Councilman Hoyle and carried unanimously.

Adjournment.

Richard D. Woodruff
MAYOR

Marian S. Pollard
CITY CLERK

In recognition of this he offered a resolution for Council's consideration commending these stores for their actions.

RESOLUTION NO. 75-55 - RESOLUTION OF COMMENDATION FOR COMMUNITY AWARENESS

Councilman Horton moved for adoption of the resolution and requested that a copy of the resolution be forwarded to both businesses. This motion was seconded by Councilman Hoyle. The resolution carried with Councilman Morris voting "no" stating that he felt Council should not commend a business for discontinuing the sale of objectionable publications while ignoring those businesses that always practiced this policy.

Resolution Book 8, page 108.

FIRE HYDRANT BIDS REOPENED

Mayor Wood reopened for discussion consideration of the bids for fire hydrants for the Skyland Area. He said that he did not want the meeting concluded without expressing his and Council's concern for the safety and welfare of everyone regardless of where they might live. He said he would certainly assume that if Skyland were to incorporate in the near future the problems and concerns that Council might have regarding the furnishing of hydrants to another incorporated area, would be resolved and that the area would take over the responsibility of water and fire protection. He stated further that he hoped that Council's decision not to take action on the purchase of the hydrants would not be interpreted as a lack of concern for the people in Skyland.

He recommended to Council that the bids on the fire hydrants be reconsidered at this meeting, if Council was inclined to do so.

Councilman Ochsenreiter moved, that in the light of the Mayor's comments, that the low bid submitted by Silverman Company to furnish thirty (30) fire hydrants at a cost of $7,849.98, be accepted.

Councilman Morris seconded this motion on the basis that it would take some time to install all the hydrants and that if during this period Skyland is incorporated, further installations would be discontinued.

Vice-Mayor Marshall moved to table the motion for a few weeks in order to give further consideration to the bids perhaps rebidding as it had been brought to his attention that some companies were not given an opportunity to bid.

This motion was seconded by Councilman Hoyle.

Mayor Wood called for a vote and the motion to table failed.

Councilman Ochsenreiter then withdrew his original motion to accept the low bid and Councilman Morris withdrew his second.

Jesse Jayne, a representative of a local hydrant distributor, was recognized and stated his company was satified with the way the bids were handled and was not asking for a rebidding of the hydrants. He said the City was getting a good hydrant at a fair price. He said that there was a question of whether the Skyland hydrants should be repaired or replaced and if a decision was made to repair then his company would like to be considered in the furnishing of the repair parts.

BIDS - BID REQUEST NO. 257 - THIRTY (30) FIRE HYDRANTS PER SPECIFICATIONS FOR WATER AND SEWER DEPARTMENT

4. Consideration was given to bids received April 7, 1975 for thirty (30) fire hydrants for the Water and Sewer Department.

The City Manager in presenting the bids read a memorandum from the Purchasing Agent and the Director of the Water and Sewer Department recommending the acceptance of the low bid from Silverman Company for Items 1 through 6 totaling $7,849.98.

Mr. Bill Edens, Director of Water and Sewer, read a memorandum from Robert Brown, Water Maintenance Superintendent, in which he recommended replacing thirty (30) hydrants in the Skyland Area with the new traffic models under consideration. He said the new models which would be used on the heavily traveled Sweeten Creek and Hendersonville Roads would reduce repair costs and water shut off time. He said the replacement with extra length bury hydrants as specified in the bid would eliminate the problem of some of the hose nozzles being buried. Mr. Edens concurred with Mr. Brown's recommendation.

Councilman Ochsenreiter moved to accept the low bid of Silverman Company to furnish thirty (30) hydrants for the Water and Sewer Department for a total cost of $7,849.98. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Ralph D. Morris, Jr., J. W. Hoyle, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of the April 10, 1975 meeting.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, the minutes of the April 10, 1975 meeting were approved as submitted.

Mayor Wood noted that Radio Station WBMU was broadcasting the proceedings of the Council meeting for the first time. He took the opportunity to again congratulate them on their efforts and to wish them well.

ORDINANCE NO. 837 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1974-75 (ASHEVILLE HOUSING AUTHORITY)

2. Consideration was given to the third and final reading of Ordinance No. 837, an ordinance amending the operating budget of the City of Asheville for fiscal year 1974-75 (Asheville Housing Authority).

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be read again unless it was specifically requested.

On a roll call vote of 4-0, Ordinance No. 837 passed on the third and final reading.

Complete text of Ordinance No. 837 will be found in Ordinance Book No. 6 at page 265.

ORDINANCE NO. 838 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1974-75 (PURCHASE OF DISPOSAL PARCEL NO. 1 - CIVIC REDEVELOPMENT PROJECT NCR-13)

3. Consideration was given to the third and final reading of Ordinance No. 838, an ordinance amending the operating budget of the City of Asheville for fiscal year 1974-75. (Purchase of Disposal Parcel No. 1 - Civic Redevelopment Project NCR-13).

Mayor Wood advised that the Council had previously been furnished with copies of the ordinance and that it would not be re-read unless it was specifically requested.

On a roll call vote of 4-0, Ordinance No. 838 passed on the third and final reading.

Complete text of Ordinance No. 838 will be found in Ordinance Book No. 6 at page 266.

The City Manager in presenting the request read a letter from Lawrence Holt, Director of Field Services for the Housing Authority which listed Parcel 115 on Ora Street as having an established price of $2,000 and a bid price of $2,100 and Parcel 156 located on Olive Street with an established price of $1,400 and a bid price of $1,450. He said that Mr. Milton Shuford and Mr. Cecil Beck had submitted the bids and planned the construction of two single family residences on the lots. He said that other lots were being processed and would be ready for resale in the near future.

Councilman Ochsenreiter moved to approve the Housing Authority's request to sell Parcel 115 for $2,100 and Parcel 156 for $1,450. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

CLAIM - WATER DAMAGE - 492 MERRIMON AVENUE - WAREHOUSE - JACOB P. DEMETRIS

The City Manager advised Council of a claim received from Jacob P. Demetris for flood water damage to merchandise stored in his warehouse at 492 Merrimon Avenue.

Mayor Wood acknowledged the claim and instructed the City Manager to turn the claim over to Mr. William C. Moore, Corporation Counsel for investigation.

CLAIM - PERSONAL INJURY ON THE PREMISES OF THE ASHEVILLE AIRPORT

The City Manager advised Council of a claim received from Mr. Joyce R. Orr for personal injuries caused when a steel door fell on him at the Asheville Airport.

Mayor Wood acknowledged the claim and instructed the City Manager to turn the claim over to Mr. William C. Moore, Corporation Counsel for investigation.

CITY MANAGER'S REPORT TO COUNCIL ON THE ARREST OF MRS. DORIS B. HART - APRIL 2, 1975

The City Manager read a report dated April 14, 1975 from Police Chief J. C. Hall, outlining the results of his investigation into Mrs. Hart's arrest. He also read statements of the arresting officers, J. M. Biggs and R. A. Queen as well as a statement of Mr. Ricky Haynes, a witness at the scene of the arrest.

At the request of Mayor Wood, the Corporation Counsel cited excerpts from the N. C. State Statutes relative to the requirements for medical care of prisoners in confinement facilities and the responsibilities of county jails to receive prisoners arrested by municipal law enforcement officers.

Mayor Wood accepted the report as information and instructed the City Clerk to include the written reports in the minutes of the meeting.

The reports are as follows:

BIDS - BID REQUEST NO. 258 - GALVANIZED CORRUGATED METAL PIPE FOR STREET DEPARTMENT

5. Consideration was given to bids received April 14, 1975 for galvanized corrugated metal pipe for the Street Department.

The City Manager in presenting the bids read memorandums from the Purchasing Agent and the Street Department Superintendent, who recommended the acceptance of the second low bid of Carolina Culvert Mfg. Inc. in the amount of $3,799.36. The recommendation was based on the 30 days difference in delivery dates with only a difference of $9.82. Mr. Bostic's memorandum pointed out that the pipe was to be used for two projects that were already behind schedule and he felt that they should not be further delayed.

Councilman Morris moved to accept the second low bid of the Carolina Culvert Mfg. Inc. in the amount of $3,799.36. This motion was seconded by Councilman Hoyle and carried unanimously.

ASHEVILLE HOUSING AUTHORITY REQUEST FOR APPROVAL OF THE SALE OF TWO (2) RESIDENTIAL LOTS IN EAST RIVERSIDE RENEWAL AREA NCR-48

6. Consideration was given to a request from the Asheville Housing Authority that Council approve the sale of two (2) residential lots in the East Riverside Renewal Area NCR-48.

taken from her person by Jail Authorities, but no one looked to see what was on it or at least the Officers did not look.

After the explanation of the arrest, the question was asked by Mr. Talman about what would happen as to the public drunkeness charge pending against Mrs. Hart. It was agreed, and Mr. Talman said he would furnish me with the medical reports when available, that we would then take the matter up with the Court for disposition.

At this time I returned to Mrs. Jarvis the fifth of whiskey, with seal unbroken, that had been purchased April 2, 1975 at A. B. C. Store #4, and removed from the automobile of Mrs. Hart by the Officers.

A play-back of the tapes in the Police Department revealed that Mr. Joe Hart of Oakwood Mobile Homes, called the dispatcher and stated a lady had almost hit some cars on Patton Avenue and was drinking. Mr. Hart stated later to Assistant Chief Trulove that a young boy came to his office and asked him to call the Police, and he was relaying a message given him by the boy and at no time did he go across the street. Mr. Hart stated he did not know the people involved.

On Friday, April 11, 1975, Captain R. J. Branson gave me the name of Haynes and said he understood Mr. Haynes was the party standing by when the Officers arrived. I checked with the Buncombe County Ambulance Service and learned that Mr. Haynes worked for the Ambulance Service, but was not on duty. About 7:30 P. M., April 11, 1975, Mr. Haynes called my home and said he understood I wanted to talk to him. He stated he was the person at the scene of Mrs. Hart's arrest. I asked Mr. Haynes if he would make a statement about what had happended and he said he would. He stated he would be on duty at 7:30 A. M., April 12, 1975 at the old West Asheville Fire Station on Haywood Road at Westwood Place, and I informed him I would see him the next morning. I went by the Fire Station and asked Mr. Haynes to put in a statment, the facts about the Hart case. His statement is a part of this report.

I feel the Officers involved in no way acted improperly.. I also feel that Jail Personnel felt that Mrs. Hart was drunk or they would have called a Pari-Medic to check her. After a person is turned over to Jail Authorities, we have no further contact with the prisoner and therefore it would be the responsibility of Jail Personnel to detect anything wrong while the person is in their custody.

We, at no time were advised that Mrs. Hart had been sent to the hospital and knew nothing of the action taken by the Magistrate. Proper action in the matter would have been, in my opinion, to let the Court records show that Mrs. Hart had been taken to the hospital and released on her own recognizance until proper evidence could be presented in Court.

J. C. Hall
Chief of Police

April 14, 1975

On Wednesday, April 2, 1975, Officers Biggs and Queen arrested for public drunkeness, Mrs. Doris B. Hart on Patton Avenue across from Oakwood Mobile Homes, 1585 Patton Avenue. Mrs. Hart was removed from her automobile at approximately 7:45 P. M.

I, personally, was unaware of the arrest until Thursday afternoon, April 3, 1975, when I returned from City Hall where I attended City Council meeting. Assistant Chief Trulove informed me that Mrs. Hart's daughter, Mr. Jarvis, had been to the Police Station to talk to me about the arrest of her Mother. Assistant Chief Trulove advised Mr. Jarvis that I was out and asked her to return on Friday morning, April 4, 1975, to talk with me.

On Friday morning, the two arresting Officers and Captain R. J. Branson were asked to be present at 10:00 A. M. when Mrs. Jarvis returned so that it might be determined exactly what had happened on the previous Wednesday evening at the time of Mrs. Harts' arrest.

Mrs. Jarvis, with her Attorney, Mr. Fleming Talman, Jr., and another gentleman, came to my office. With the Officers mentioned above, and Assistant Chief Trulove present, the facts were given to Mrs. Jarvis and her Attorney.

Patrolman J. M. Biggs, assigned to car #10 with Patrolman R. A. Queen, said they had heard a call to a traffic car, operated by Patrolman Cecil Burnette, receive a call across from Oakwood Mobile Homes with reference to a car that had run up on the curb and being close by, car #10 proceeded to the scene where a car was stopped with a lady sitting in same. A young man was standing by whom the Officers believed to be an employee of Buncombe County Ambulance Service. The man told the Officers he thought the lady had been drinking and had almost hit two or three cars. Biggs stated that there was a strong odor of alcohol in the car and on the lady's breath. She was removed from her automobile and placed in the police car along with her dog which was also in the automobile. Biggs also stated that a fifth of whiskey was found in the automobile, unopened. Biggs stated Mrs. Hart was transported to the Buncombe County jail and there her belongings were removed by the Matron and Female Trustees of the jail. Male Officers do not search female prisoners, this is done by a Matron.

Biggs stated that the Matron found in the handbag of Mrs. Hart, a jar, about ½ pint in size, which had been a peanut butter jar, about half (½) full of whiskey. The jar, minus the whiskey, is in possession of the arresting Officers. Someone at the jail apparently emptied the whiskey from the jar. There was money in a billfold which Biggs said the Matron counted in the Officers presence, and that the Matron removed from the billfold, and handed to him the drivers license of Mrs. Hart so that he might get information for the arrest report. The Officers stated they did not go through the property of Mrs. Hart at anytime as this was left to the Matron. He said he noticed what he thought to be a charm on the watch of Mrs. Hart when her watch was

April 2, 1975

I got behind a car on 19 & 23 at Ingles' and I noticed the car was going from one lane to the other, and I started to pass the car and it came into my lane, so I backed away from her and stayed behind her on up the road, and about in front of the Pay Less gas station, the car went into the center lane and almost hit a taxi, and she went back into the outside lane and the car went up on the sidewalk in front of the Mobile Home lot and it came back into the road and then she went back up on the sidewalk and stopped. I pulled to the side of the road and went back to talk to her and to see if I could help her. She would only put her window down about 5 to 6 inches so I could talk to her. As I was talking to her, I asked her if she had been drinking and she told me yes. I asked her if she was sick and she told me no, and I said if you are sick I would call for an ambulance and she said she was not sick, and I asked her if she was a diabetic and she said no, and that she was on the way home, so I had my wifes' little brother to go across the street to see if they would call a policeman out there. So they arrived there and I told them that I thought she had been drinking and then they talked to her, and I told them I was going to leave - so I left.

Statement made April 12, 1975 Ricky Haynes

TO WHOM IT MAY CONCERN:

The night of April 2, 1975, at approximately 7:45Pm, Officers Biggs and Queen were dispatched to Patton Avenue west of Mimosa Drive. The call was about a vehicle that had been forcing other vehicles off the roadway. After arriving at the scene we found a 1970 Chevrolet half on the street and half off the street on the curbing. A man was standing next to the vehicle on the drivers side talking to a person in the vehicle. We went to the vehicle and this man, later identified as ~~Jerry~~ Ricky Haynes, told us that this vehicle had forced him off the road and he had stopped the vehicle. He said that he was an ambulance driver and that the female driver was drunk. Officers Biggs and Queen tried to talk to the female in the vehicle, but she just mumbled and smiled. There was a strong odor of alcohol on the female and her eyes were bloodshot. The female was placed under arrest for public drunkness and placed in the rear seat of the police cruiser. A medium sized black and tan dog that was with the female in the vehicle was placed in the police cruiser with her. An unopened bottle of liquor was found in the floorboard behind the drivers seat. The female was transported to the Buncombe County Jail where she was turned over to jail personnel. The matron on duty was Mrs Bessie Redmon.

After taking the prisoner, jail personnel placed on the counter, a watch, a necklace, and three rings from the females person. Mrs Redmon removed a small jar, half full of liquor, from the females pocketbook, $87.87 in currency and change, assorted credit cards, and a drivers license with the name Doris Brinkley Hart on them. Mrs Hart was booked under this name. At no time did we see any diabetic identification on Mrs Hart.

CITY MANAGER'S REPORT TO COUNCIL ON THE "PADDY WAGON" CASE INVOLVING THE POLICE DEPARTMENT

The City Manager read a memorandum from Chief of Police J. C. Hall pertaining to his investigation into an accident involving the Police Department "Paddy Wagon" and the injury to one of the occupants. Accompanying the report were the statements of Patrolmen W. H. Dayton, Jr. and L. H. Phillips relative to the incident.

At the conclusion of the report Chief Hall advised that the men had been instructed, that in the future, not to leave anyone unattended in the vehicle but that on making an arrest to transport the prisoner directly to the Buncombe County Jail.

The City Manager advised that he had also issued a memorandum to this effect.

Mayor Wood accepted the report as information and instructed the City Clerk to include it in the minutes of the meeting. The reports and the attached statements follows:

MEMORANDUM TO: ERNEST J. WARD
CITY MANAGER

SUBJECT: PADDY WAGON

On March 22, 1975 at approximately 8:45 P.M., Patrolmen W. H. Dayton, Jr and L. H. Phillips were on their way to the county jail with two (2) men charged with public drunkeness, in the Paddy Wagon. Going down Market Street they observed a subject on the sidewalk who appeared to be intoxicated. They parked the Paddy Wagon on the parking lot on the corner of Eagle and Market Street, and went into Al's to check on the subject. When they left Al's place on Market Street to go back to the Paddy Wagon, they noticed another drunk standing in front of the Del Cardo Club. When he saw the Officers he went into the Del Cardo Club, and the Officers went in to check on him. When they came back out, they observed the Paddy Wagon being pushed down Market Street by four (4) of five (5) black subjects.

Officer Phillips attempted to get into the Paddy Wagon to stop it but was unable to do so. The Wagon continued on down Market and struck a vehicle in front of 44 Market Street and continued on down Market and struck a truck at the intersection of Market and Velvet. Both vehicles were parked at the time.

Four (4) young black males have been indicted for damage to City property by Officers of the Detective Division.

The men have been instructed not to leave anyone in the Paddy Wagon in the future when checking on places of business, but upon arrest should be taken directly to the county jail.

At Approx. 8:45 P.M. Myself And Officer Phillips Were On Our Way To The County With Three 10-83's. We Were Traveling South On Market St. And Traveled On Down Market St. Passed Headquarters When We Observed An Intoxicated Black Male Standing In Front of Al's Package Store. When The Subject Saw Car #5 He Turned And When Inside Al's. I Then Parked The Wagon In The City Parking Lot Across From Al's And We Crossed The Street To Go Into Al's. Upon Entering We Found The Same Subject We Had Observed On The Side Walk Standing At The Bar. We Approached The Subject And Told Him, he had, had To Much To Drink. He Then Stated he Would Go Home If We Would Let Him. We Told Him to Go On, And He Did.

We Left Al's And Started Across The Street To The Wagon When We Noticed Another 10-56 Standing In Front of Club Del Carda. We Then Crossed The Street Toward The Subject As He Turned And When Through The Door of Club Del Carda. As We Approached The Club We Saw The Subject Go Through The Back Door And The Bar-Tender Go To The Door And Lock It. Upon Entering The Place We Asked The Bar-Tender If The Rooms Down Stairs Were Closed And He Said Yes. We Then Left The Club And Went Down Market St. To The Side Door of The Club To See If The Side Door WAS Unlocke Upon Reaching The Door We Found It To Be Locked Also.

we would try the door at the side. We walk down, and tried the door it was lock, but we could hear a crowd inside.

I told Bill, "Hell let's take these three onto the County." We turn to walk back to the wagon, when we look up there was 5 or 6 blacks, one walking beside the wagon guiding it and the rest pushing.

I hollowed "hey you 5.0B's" And at this time they turn and run into Als. I ran across the street and grabbed hold of the door and tried to get inside, it was moving to fast, and it slung me down on the street.

The wagon went down Market St. striking a parked car and then cross the street and run into a the side of a parked truck. The 10-83's in the back were Andy Capps (taken to Mission Hospital), Marion Wyatt and Charles Crain, (who was taken to jail)

GEORGE MOOREFIELD COMMENTS

George Moorefield, owner of two adult bookstores in the vicinity of Pack Square, again appeared before Council and complained that he was being deprived of his legal rights and due process of law.

JIM GREY - COMMENTS

Mr. Jim Grey, commenting on the previous police reports, suggested that in the future, rather than have similar investigations carried out by the same department involved in the incident, that Council should consider having the Law and Order Committee of the Asheville Buncombe County Human Relations Council conduct such investigations. He said that this committee was composed of responsible individuals capable of carrying out such investigations.

At the request of Mayor Wood, the City Manager read the proposed ordinance.

After discussion, Councilman Morris moved to approve the ordinance on the condition that an audit of the firm's costs be submitted before the third and final reading and that the language of the ordinance be amended to give the City a 5 per cent cut on all the company's cable television installation charges whether the customer is located in the City or County. This motion was seconded by Councilman Hoyle.

On a roll call vote of 3-1, Ordinance No. 841 passed on first reading with Councilman Ochsenreiter voting "no". Councilman Horton voted "aye" stating that he did so with reservations because of the concern for the hard-pressed citizens at this time.

Mayor Wood asked Mr. Cogburn to confer with Corporation Counsel William C. Moore to allow for the amendments referred to in Councilman Morris' motion.

ORDINANCE NO. 842 - ORDINANCE AMENDING SECTIONS 28-81 AND 28-81.1 AND ADDING SECTIONS 28-81.2 AND 28-81.3 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

3. Consideration was given to an ordinance amending Sections 28-81 and 28-81.1 and adding Sections 28-81.2 and 28-81.3 of the Code of Ordinances of the City of Asheville.

The City Manager read the ordinance and explained that as rewritten in 1973, G. S. 20-141 now provides that, unless the City adopts ordinances establishing higher or lower speeds than 35 miles per hour and unless otherwise posted, speed limits shall be 35 miles per hour inside municipalities and 55 miles per hour outside municipalities for all vehicles. He said the ordinance would establish speed limits of 10 miles per hour, 20 miles per hour, 25 miles per hour, and 30 miles per hour on certain specified streets.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Horton.

On a roll call vote of 4-0, Ordinance No. 842 passed on its first reading.

REQUEST FROM AIR TERMINAL PARKING COMPANY - INCREASE IN PARKING RATES AT ASHEVILLE AIRPORT

4. The City Manager presented a request from Air Terminal Parking Company to increase parking rates at the public parking lot at the Asheville Airport. He said the present and proposed rates are as follows:

Present		Requested Increase	
0-2 hours	$ .35	0-2 hours	$ .40
Each Additional Hour	.15	Each additional hour	.15
9 hours - 24 hours	1.50	Maximum each 24 hours	1.75
Weekly	8.50	Weekly	8.75

In answer to Council's inquiries, Mr. Ron McDonald, Vice-President of Air Terminal Parking Company, said that the last increase was granted in May, 1972; that Air Terminal Parking Inc. operates 24 airport parking facilities and that other airport parking facilities in North Carolina are charging a rate of $1.75 per day. He said the percentage rental for the City is 45% of $0 - $75,000; 60% of $75,000 - $150,000 and 70% of all over $150,000 and that Air Terminal Parking Inc. paid the airport $10,412 in excess rentals bringing the rental rate total to $42,412. He said

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Councilman Eugene C. Ochsenreiter, Jr., Ralph D. Morris, Jr., J. W. Hoyle, Bill B. Horton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/ City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Calvin W. Marshall and Councilman Henry E. Colton

Mayor Wood recognized the Asheville Buncombe County Youth Council members who had spent the day with various city departments in view of City Youth-In Government Day.

1. Approval of minutes of April 17, 1975 meeting.

Upon motion of Councilman Hoyle, seconded by Councilman Ochsenreiter, the minutes of the April 17, 1975 meeting were approved as submitted.

ORDINANCE NO. 841 - ORDINANCE AMENDING ORDINANCE GRANTING FRANCHISE TO THOMS BROADCASTING, INC.

2. Consideration was given to an ordinance amending ordinance granting franchise to Thoms Broadcasting Companies, Inc.

Mr. Max Cogburn, appearing again on behalf of Thoms Cablevision, reminded Council that he had presented his request for an increase in rates two weeks ago and that at Council's suggestion he had prepared an ordinance for their consideration. He said he had confered with Corporation Counsel William C. Moore and that Mr. Moore had reviewed and approved the proposed ordinance.

Councilman Morris said that he would prefer to study the proposed ordinance for at least a week before making a decision. He also questioned whether Council should consider an increase since the original ordinance specified that rate schedules would be studied every three years and Council had approved an increase about a year ago.

Mr. Cogburn argued that this time limit should be waived due to the unanticipated rapid increase in cost that had been experienced in the last year and a half. He said he felt Council had an obligation to protect the business and the service.

Councilman Horton said he felt it would be helpful to Council if the firm's gross profit margin was available for 1974.

Councilman Morris said he felt the service was being extended into the County when the City services were not completed. He said since the City receives 5 per cent of the installation charges on each installation, he would be more inclined to approve the requested increase if the City could receive 5 per cent on all installation charges.

In answer to Councilman Morris, Mr. John Jerose, Manager of Thoms Cablevision, said that the City receives priority on installations.

Councilman Ochsenreiter suggested that Thoms Cablevision submit a certified audit of the firms revenues and expenses in order that Council would have a basis for granting the requested increase.

RESOLUTION NO. 75-56 - RESOLUTION RECOMMENDING PAYMENT OF AUDIT FEES AND TRANSFER OF ALL OPERATING FIRST AND SECOND YEAR PROJECTS TO THE THIRD ACTION YEAR

7. Consideration was given to a resolution recommending payment of audit fees and transfer of all operating first and second year projects to the Third Action Year.

The City Manager read the resolution.

Mayor Wood explained that the resolution would close out the First and Second Action Year projects and phase excess funds into the Third Action Year.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton, Resolution No. 75-56 was unanimously adopted.

Complete text of Resolution No. 75-56 will be found in Resolution Book No. 8 page 109.

RESOLUTION NO. 75-57 - RESOLUTION RECOMMENDING FIRST PRIORITY THOROUGHFARE PROJECTS TO THE NORTH CAROLINA BOARD OF TRANSPORTATION FOR THE 1975-1982 HIGHWAY IMPROVEMENT PROGRAM

8. Consideration was given to a resolution recommending first priority thoroughfare projects to the North Carolina Board of Transportation for the 1975-1982 Highway Improvement Program.

The City Manager read the resolution.

Verl Emrick, Director of Planning, reviewed the various projects pointing out that the projects were listed in order of priority. He said that these would be presented at the Board of Transportation public meeting in Sylva on April 30, 1975.

After some discussion about the projects listed and the order of ranking in the proposed resolution, Councilman Ochsenreiter moved for the adoption of the resolution, amending the resolution by making the first priority under the category Thoroughfare Improvement to be the Charlotte Street and Murdock Avenue Connector with Merrimon Avenue at W. T. Weaver Blvd. The other projects were to be shown as needed but not ranked in priority order. This motion was seconded by Councilman Hoyle and carried unanimously.

It was the consensus of Council that the projects listed in the categories of Federal-Aid Safety Program and Federal-Aid Bridge Replacement Program were to be considered satisfactorily listed in the order of priority.

Complete text of Resolution No. 75-57 will be found in Resolution Book No. 8 at page 110.

RESOLUTION NO. 75-58 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AMEND - MENTS TO THE CITY OF ASHEVILLE ORDINANCE 813 (CITY OF ASHEVILLE EROSION CONTROL ORDINANCE) PURSUANT TO THE REQUIREMENTS OF THE STATE OF NORTH CAROLINA DEPARTMENT OF NATURAL AND ECONOMIC RESOURCES, NORTH CAROLINA SEDIMENTATION CONTROL COMMISSION AND ARTICLE 4, CHAPTER 113A OF THE GENERAL STATUTES OF NORTH CAROLINA (SEDIMENTATION POLLUTION CONTROL ACT OF 1973)

9. Consideration was given to a resolution calling for a public hearing for the adoption of amendments to the City of Asheville Ordinance 813 (City of Asheville Erosion Control Ordinance) pursuant to the requirements of the State of North Carolina Department of Natural and Economic Resources, North Carolina Sedimentation Control Commission and Article 4, Chapter 113A of the General Statutes of North Carolina (Sedimentation Pollution Control Act of 1973).

the rental rate would be less this year due to gross rentals being down approximately 16% for the first three months of 1975 and due to a decrease in plane passengers at the airport. He said he did not foresee any immediate reversal of this trend. He said the proposed increase would be approximately 11% and it was anticipated that this increase would bring rentals back to last years figures.

Mr. McDonald explained to Councilman Hoyle that this increase did not effect the employees of the airport as they are not charged for parking.

Councilman Ochsenreiter moved to grant the increase requested by Air Terminal Parking, Inc. to be effective May 1, 1975. This motion was seconded by Councilman Hoyle and carried unanimously.

PRITCHARD PARK - IMPROVEMENTS - REVISIONS

5. Mr. Verl Emrick, Director of Planning, introduced Mr. Terry Roylance, a member of the Asheville Council of Architects of Quality '76, who reviewed their committee's plan for the revision of Pritchard Park. He said the plan did not substantially change the previously presented plan but that it did change the shape and location of the fountain, as well as the configuration of the green areas. He said that Phase I of the plan would not encompass the closing of Haywood Street, but that at a future date under Phase II, Haywood Street could be closed and this area developed into a walk through plaza.

Mr. Ray Kisiah, Parks and Recreation Director, advised that he had met with the architect group and he could see no real conflict between the original plan and the one now before Council for consideration. He said he had some minor recommendations that he was sure could be worked out.

Several specific details were brought up by Council relative to the number of seats; the amount of green area vs. concrete; and the use of open area concept in lieu of fencing. It was concluded that these details were important and would be considered, but that the approval of the overall concept was the primary issue before Council at this time.

Councilman Hoyle moved to approve in concept the plan as presented with the recommendation that more green area be added to the east side and that consideration be given to development of the maximum seating. This motion was seconded by Councilman Horton and carried unanimously.

Councilman Morris moved that Council's appreciation be extended to the Asheville Council of Architects for the time and effort spent in developing and presenting the Pritchard Park Plan. This motion was seconded by Councilman Horton and carried unanimously.

ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL-YOUTH-IN GOVERNMENT DAY - COUNCIL MEETING

6. At this time, members of the Asheville-Buncombe County Youth Council, concluding a day of visiting the various departments of City Government, took over the Council Chamber for their take-over meeting. This was a part of the Annual City Participation Day observed each year by the Youth Council.

During their session, approval was given for a year-round recreation program at Pisgah View Apartments, after a lengthy questioning of Ray Kisiah, Parks and Recreation Director, relative to the needs and cost of such a program.

3. Actions that have been taken recently include:

(a) Immediate reports by officers involved of injuries to persons being arrested.

(b) Persons being arrested are carried directly to jail.

(c) Arrangements for a course in human relations to be conducted in the Asheville Police Department by the North Carolina Human Relations Council.

Chief Hall advised Mayor Wood that without the record he could not give an accurate total of arrests for 1974, other than traffic violations, but he would assume that 6000 would be a fair estimate.

Mayor Wood said that it was not his or anyones intention to minimize the conduct of the Police Department but he recognized the fact that the job of being a police officer is a difficult one. He said we somehow expect a man to be an expert on human relations, the law and phycology and certainly he is not compensated at the rate of a PHD.

Chief Hall said that the training course in human relations referred to by the City Manager in his statement was being planned for all police officers. He said that this program would get started in October or November of this year.

Mayor Wood said that he had several inquiries as to why the police department was being investigated. He said that if this was the way it was interpreted it was being misinterpreted Any citizen, he said, has the right to make a complaint about the performance of any city employee, and that Council has an obligation to make an investigation of the complaint and to refer it to the proper department.

Councilman Morris added that he hoped that the police officers did not feel that Council was constantly "on their backs" and that their efforts were appreciated.

PROCLAMATION - YOUTH WEEK - APRIL 21-26, 1975

Mayor Wood proclaimed the week of April 21-26, 1975 as Youth Week in the City of Asheville.

Adjournment.

Richard D. Wood, Jr.
MAYOR

Frances J. Holcombe
CITY CLERK

The City Manager read the resolution .

Councilman Morris moved for the adoption of the resolution, setting the public hearing date for May 15, 1975. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

RESOLUTION NO. 75-59 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER LINE EXTENDING WESTERLY ALONG U. S. 19 AND 23 (PATTON AVENUE)

10. Consideration was given to a resolution authorizing Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for water line extending westerly along U. S. 19 and 23 (Patton Avenue).

The City Manager read the resolution.

Upon motion of Councilman Horton, seconded by Councilman Hoyle, Resolution No. 75-59 was unanimously adopted.

Complete text of Resolution No. 75-59 will be found in Resolution Book No. 8 at page 113 .

CITY MANAGER'S REPORT - PETITIONS FILED BY N.A.A.C.P. - POLICE DEPARTMENT

City Manager Ernest Ward submitted to Council a report incident to a petition from Mrs. Grace B. Dorn, President of the Asheville Chapter of the NAACP and a complaint filed by Mr. Carl Williams relative to an arrest made March 15, 1975. He said that Chief Hall had forwarded to him warrants and judgements on Carl Williams who had filed the complaint. He said that according to this information Carl Williams was found guilty of assault and not guilty on the charge of public drunkeness.

In addition, the City Manager made the following statement:

In view of recent concerns relative to events involving the Asheville Police Department several administrative actions and efforts have been initiated regarding these matters. These actions and efforts have included:

1. I have been advised by representatives of the Police Department, Community Relations Council, related City Departments, and others of procedures that could be used in obtaining facts and investigating procedural or human relations incidents involving the police department in the future, as well as, procedures for implementing a more positive police public relations program. I am taking these suggestions under advisement and have instructed members of my staff to prepare a report on various policies and procedures used in other comparable cities in North Carolina and other states.

2. Through the training efforts of the Police Department, training officers are instructed to continue to stress "Citizen Rights" and the importance of restraint from excessive force.

The City Manager was requested to read a prepared ordinance which would amend the Zoning Ordinance and rezone the property as petitioned.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Horton.

On a roll call vote of 6-0, Ordinance No. 843 passed on its first reading.

Councilman Morris then moved to suspend the rules and to proceed with the second reading. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 843 passed on its second reading.

Again Councilman Morris moved to suspend the rules and to proceed with the third reading. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 843 passed on the third and final reading

PUBLIC HEARING - CITY OF ASHEVILLE REQUEST FOR FEDERAL GRANT PROJECT FOR MASS TRANSIT OPERATING ASSISTANCE

A public hearing was held to permit the general public to comment and provide opinion on the proposed project whereby the City of Asheville shall apply for a grant under the provisions of the Urban Mass Transportation Assistance Act of 1964, as amended, Section 5. The grant funds to be used to subsidize operating expenses of the Asheville Transit Authority bus service for a portion of Fiscal Year 1974-75. The amount of funds being applied for is $102,598.

Mayor Wood opened the public hearing at 3:13 o'clock p.m.

The City Manager read the notice and affidavit of publication setting the time, date and purpose of the public hearing.

Mr. Larry Ward, Transportation Planner for the City of Asheville, briefly reviewed the purpose of the Urban Mass Transportation Act and the National, State, and local level of federal funding available.

Mr. Ward explained that the City of Asheville was eligible for $131,916 for Fiscal Year '75. However, since the City was only applying for an Operating Assistance Grant, the City was eligible for only $102,598 for the period of time from December 1, 1974 through June 30, 1975 and the $29,318 remaining could be applied to the next two years appropriation.

Mr. Ward explained that the grant was on a 50/50 matching basis and that the City was required to maintain its cash contribution effort as a requirement of the grant.

Thursday - May 1, 1975 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Ralph D. Morris, Jr., J. W. Hoyle, Bill B. Horton, Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of April 24, 1975 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, the minutes of the April 24, 1975 meeting were approved as submitted.

PUBLIC HEARING - REZONING PROPERTY ON SWEETEN CREEK ROAD - MR. STANLEY A. BRIGGS

ORDINANCE NO. 843 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. A public hearing was held to consider the rezoning of Lots 179-1/4 and 179-1/2, Ward 7, Sheet 23, from R-3 Residential District to CS Commercial Service District, owned by Mr. Stanley A. Briggs.

Mayor Wood opened the public hearing at 3:03 o'clock p.m.

The City Manager read the notice and affidavit of publication setting the time and date for the public hearing.

Mr. Robert McDonald of the Planning Division read a letter addressed to Council from the Planning and Zoning Commission recommending the rezoning as petitioned. He gave the following reasons for this recommendation:

1) The property is not suited for residential use;

2) The property is contiguous with the existing commercial service district north of the site;

3) Existing land uses in the immediate area along Sweeten Creek Road are predominantly commercial; and

4) It is believed that in this case there is definite justification for amending the Comprehensive Development Plan.

Mr. Briggs spoke in favor of the rezoning stating that he had operated a business at this location for 15 years until his building was damaged by fire and due to flooding conditions it was not feasible to rebuild on the same lot. The adjoining lots for which he was requesting a rezoning would eliminate the flooding problem.

Mr. Chuck Williamson also spoke in favor of the petition.

Mayor Wood closed the public hearing at 3:10 o'clock p.m.

WHILE THE CITY'S USE OF THESE FUNDS THIS FISCAL YEAR DOES NOTHING MORE THAN HELP COVER PART OF THE OPERATING DEFICIT OF THE EXISTING TRANSIT OPERATION, IT IS MY HOPE THAT IN THE FOLLOWING FISCAL YEAR MORE INNOVATIVE USE OF THESE FUNDS WILL BE PROPOSED.

LET ME STRESS SOME POINTS THAT I HAVE MADE AT PUBLIC HEARINGS IN THE PAST IN OTHER CITIES:

THE CITY'S TRANSIT PROGRAM MUST BE FULLY UNDERSTOOD BY RESPONSIBLE LOCAL OFFICIALS, AND THE ROLE OF TRANSIT IN THE CITY'S TOTAL TRANSPORTATION SYSTEM MUST BE FULLY RECOGNIZED.

IT MUST BE UNDERSTOOD THAT THE SERVICE IMPROVEMENTS RESULT IN SUBSTANTIAL INCREASES IN OPERATING COSTS - COSTS WHICH ARE NOT IMMEDIATELY OFFSET BY INCREASES IN FAREBOX REVENUES. HOWEVER, ONE MEANS OF OFFSETTING THESE OPERATING COST INCREASES IS TO LAUNCH A VIGOROUS MARKETING, MONITORING, AND EVALUATION EFFORT WHICH WOULD BE AIMED AT INCREASING RIDERSHIP ON THE CITY BUSES. IF THIS ISN'T DONE, THE OPERATING DEFICITS CAN SPIRAL TO THE EXTENT THAT EVEN THE LOCAL FUNDS REQUIRED TO MATCH THE FEDERAL OPERATING ASSISTANCE GRANTS WOULD BE HARD TO JUSTIFY IN THE CITY'S BUDGET. THE POINT I'M TRYING TO MAKE IS THAT PURELY THE MAINTENANCE OF CURRENT BUS RIDERSHIP LEVELS SHOULD NOT, AND NEVER SHOULD BE, AN ACCEPTABLE STATE OF AFFAIRS.

THE TRANSIT AUTHORITY AND THE CITY COUNCIL MUST MAINTAIN AN AWARENESS OF THE INTER-RELATING IMPACTS OF LOCAL DECISIONS CONCERNING LAND USE, DOWNTOWN DEVELOPMENT, PARKING AND FUTURE URBAN GROWTH AND THE DESIRED OBJECTIVES OF THE TRANSIT PROGRAM.

IN SHORT, SMART TRANSIT MANAGEMENT COUPLED WITH A SOUND, COORDINATED POLICY-MAKING PROCESS ON THE LOCAL LEVEL WILL BE ESSENTIAL BEFORE THE TRANSIT SYSTEM'S FULL POTENTIAL IS EVER REALIZED.

LET ME CLOSE BY SAYING THAT THE SERVICES (THOUGH LIMITED) OF THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION'S MASS TRANSPORTATION DIVISION WILL ALWAYS BE AVAILABLE TO ASSIST THE CITY IN OVERCOMING THE NUMEROUS PROBLEMS THAT ARE BOUND TO ARISE AS THE VARIOUS ELEMENTS OF ITS TRANSIT PROGRAM IS BEING IMPLEMENTED.

THANK YOU.

Mr. Ernest Ward, City Manager, commented that Mr. Michalove had received a memorandum from Mr. David C. Robinson, Director of Mass Transit, North Carolina Department of Transportation and Highway Safety, asking that his statement be entered into the transcript of the public hearing since other business would prevent him from attending the hearing.

The Mayor asked Mr. Larry Ward to read the statement.

Mr. Larry Ward read the statement as follows:

MR. MAYOR, CITY COUNCIL MEMBERS:

THE PASSAGE OF THE NATIONAL MASS TRANSPORTATION ASSISTANCE ACT OF 1974 LAST NOVEMBER MADE AVAILABLE FOR THE FIRST TIME FEDERAL FUNDS TO ASSIST URBANIZED AREAS THROUGHOUT THE NATION IN PAYING THE OPERATING EXPENSES OF THEIR TRANSIT SYSTEMS. IN THE CASE OF THIS CITY AND THE OTHER NINE URBANIZED AREAS IN NORTH CAROLINA THAT ARE BETWEEN 50,000 AND 200,000 POPULATION, THE DESIGNATED RECIPIENT OF THE FUNDS IS THE GOVERNOR OF NORTH CAROLINA.

ACTING AS THE GOVERNOR'S DESIGNEE, THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION HAS WORKED WITH CITY STAFF IN PREPARING THE DOCUMENTATION REQUIRED BY THE URBAN MASS TRANSPORTATION ADMINISTRATION TO ENABLE THE GRANT TO BE AWARDED. I TRUST THAT THE COOPERATIVE SPIRIT THAT HAS BEEN SO PREVALENT THROUGHOUT THIS PROJECT, WILL OVERFLOW INTO OTHER CITY/STATE PROJECTS.

THE MAIN PURPOSE BEHIND THIS FEDERAL OPERATING ASSISTANCE PROGRAM IS TO PROVIDE FUNDS TO URBANIZED AREAS THAT EXISTING TRANSIT PROGRAMS CAN BE EXPANDED. THE URBAN MASS TRANSPORTATION ADMINISTRATION HAS ENCOURAGED THE INCLUSION OF PROJECTS WHICH ARE DESIGNED TO SUPPLEMENT REGULAR ROUTE SERVICE SUCH AS NEIGHBORHOOD AND COMMUNITY-LEVEL TRANSIT SERVICE. SUCH PROJECTS MAY INCLUDE DEMAND-RESPONSIVE TRANSPORTATION, JITNEYS AND SPECIAL SERVICES FOR THE ELDERLY, HANDICAPPED, AND TRANSPORTATION-DISADVANTAGED.

SALE OF DISPOSAL PARCEL 26 - CIVIC REDEVELOPMENT PROJECT N.C. R-13

6. Consideration was given to the approval of the sale of Disposal Parcel 26, Civic Redevelopment Project N. C. R-13.

Mr. W. C. King, Executive Director of the Asheville Housing Authority, recommended that Council consider the bid of $34,415.08 submitted by Thompson Builders, Inc. He said this company proposed to construct on the property an elevated structure of 12,500 square feet of office space at a cost of $263,000. He said the proposal called for the transfer of the deed before August 30, 1975 with construction to commence one month later.

Councilman Ochsenreiter moved to approve the bids of Thompson Builders, Inc. for $34,415.08. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

BIDS - CAST IRON PIPE FOR WATER AND SEWER DEPARTMENT

7. Consideration was given to bids received April 25, 1975 for the purchase of cast iron pipe for the Water and Sewer Department.

The City Manager presented the bids and read recommendations from the Purchasing Agent and the Director of the Water and Sewer Department to award the contracts to the following bidders:

Items 1 and 2 in the amount of $39,081.00 to the low bidder, Lynchburg Foundry.

Items 3 and 4 in the amount of $6,439.50 to Silverman Company.

Councilman Colton moved to award contract to low bidders Lynchburg Foundry, for $39,081.00 and Silverman Company for $6,439.50. This motion was seconded by Councilman Hoyle and carried unanimously.

A member of the City Council asked about the reduction in the bus rate for senior citizens.

Mr. Michalove explained that the Transit Authority would go to a half fare system for Senior Citizen and handicapped persons during off peak hours and if the HUD Community Development project for transportation was approved this would be extended to all hours.

Mr. Larry Ward explained that the City Council had previously passed a resolution to submit the grant application and no further formal action by the City Council was necessary.

The Mayor asked for comments by any citizens, there being none the public hearing was closed at 3:25 o'clock p. m. with instructions that the transcript be sent to the appropriate authority for inclusion with the application.

ORDINANCE NO. 842 - AN ORDINANCE AMENDING SECTIONS 28-81 AND 28-81.1 AND ADDING SECTIONS 28-81.2 AND 28-81.3 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

4. Consideration was given to the second reading of Ordinance No. 842, an ordinance amending Sections 28-81 and 28.81.1 and adding Sections 28-81.2 and 28-81.3 of the Code of Ordinances of the City of Asheville.

Mayor Wood announced that the ordinance dealing with establishing speed limits within the City Limits had already been read in its entirety and would not be re-read again unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 842 passed on the second reading.

RESOLUTION NO. 75-60 - RESOLUTION AUTHORIZING THE DEVELOPMENT OF AN ASHEVILLE CITY PARK BY THE ASHEVILLE CITY COUNCIL - MONTFORD COMMUNITY CENTER PROJECT

5. Consideration was given to a resolution authorizing the development of an Asheville City Park by the Asheville City Council - Montford Community Center Project.

The City Manager read the resolution.

Mr. Ray Kisiah, Director of Parks and Recreation, explained that the resolution would authorize the filing of an application with the Bureau of Outdoor Recreation for a grant of $145,000, which would represent 50% of the cost of $290,000 involved in the acquisition of land for the development of the Montford Community Center Project.

Council questioned whether the filing of the grant would obligate the City to construct a swimming pool in the project. In summary, Mr. Kisiah and Mr. Michalove explained that this was a land acquisition grant that would be matched with Model Cities and Community Development funds already appropriated, and that while the total plan for the area indicated a swimming pool, the City was not obligated to construct one. As such time as the City may apply to the federal government for a development grant there would then be an obligation to construct the pool. The matching funds for the development grant would also come from the Model Cities and Community Development Fund.

Councilman Ochsenreiter moved to adopt the resolution with the condition that additional information be furnished Council regarding its obligation to construct the swimming pool. Councilman Colton seconded the motion and it carried unanimously.

10. Consideration was given to a resolution authorizing the Mayor to execute a parking lot lease with Mrs. Dorothy J. Morgan and others.

Mr. Mike Smith advised Council that the present lease on this property, located at the corner of Rankin Avenue and Walnut Street, expired September 30, 1974 and that this was a re-negotiated lease to run until September 30, 1993, with an increase in the rental from $250.00 per month to $265.00 per month.

BIDS - CAST IRON MECHANICAL JOINT FITTINGS AND GATE VALVES

8. Consideration was given to bids received April 25, 1975 for Cast Iron Mechanical Joint Fittings and Gate Valves for the Water and Sewer Department.

The City Manager presented the bids and read a memorandum from the Purchasing Agent and the Director of the Water and Sewer Department recommending the following:

Items 1, 2, 4, and 5 award to low bidder Silverman Company in the amount of $3,615.04.

Items 6, 7, and 8 award to low bidder, Davis Meter and Supply Company in the amount of $419.21.

Items 3, 9, 10 and 11 award to Supply Specialties, Inc. in the amount of $705.60.

Total of all items $4,739.85.

Councilman Morris moved to award the contracts to the low bidders as recommended by the Purchasing Agent and the Director of Water and Sewer Department. This motion was seconded by Councilman Colton and carried unanimously.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Councilmen Henry E. Colton, Bill B. Horton, Ralph D. Morris, Jr., J. W. Hoyle, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/ City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Calvin W. Marshall and Councilman Eugene C. Ochsenreiter

1) Approval of minutes of May 1, 1975 meeting.

Councilman Horton noted that his and Councilman Colton's names were left out of the list of Council members present for the last meeting. The City Clerk advised that this was an error and would be corrected.

Upon motion of Councilman Horton, seconded by Councilman Hoyle, the minutes of the May 1, 1975 meeting were approved as amended.

ORDINANCE NO. 842 - ORDINANCE AMENDING SECTIONS 28-81, 28-81.1 AND ADDING SECTIONS 28-81.2 AND 28.81.3 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

2) Consideration was given to the third and final reading of Ordinance No. 842, an ordinance amending Sections 28-81, 28-81.1 and adding Sections 28-81.2 and 28-81.3 of the Code of Ordinances of the City of Asheville.

Mayor Wood announced that the ordinance dealing with establishing speed limits within the City Limits had already been read in its entirety and would not be re-read again unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 843 passed on its third and final reading.

ORDINANCE NO. 844 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1975 AND ENDING JUNE 30, 1976.

3) Consideration was given to an ordinance levying, assessing, imposing, and defining the license and privilege taxes of the City of Asheville for the fiscal year beginning July 1, 1975 and ending June 30, 1976.

The Corporation Counsel read the ordinance.

Councilman Colton moved for the adoption of the ordinance. This motion was seconded by Councilman Morris.

Upon inquiry of Mr. E. R. McCarthy relative to the low privilege tax paid by the local car race track, Councilman Morris explained that privilege tax rates are set by the North Carolina General Assembly and that any change would have to be initiated through legislation.

On a roll call vote of 4-0, Ordinance No. 844 passed on its first reading.

RESOLUTION NO. 75-62 - RESOLUTION AUTHORIZING APPLICATION TO THE UNITED STATES DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR A GRANT UNDER PROVISIONS OF SECTION 701 OF THE HOUSING ACT OF 1954, AS AMENDED

4) Consideration was given to a resolution authorizing application to the

Councilman Morris moved to approve the resolution authorizing the execution of the new lease. This motion was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 75-61 will be found in Resolution Book No. 8 at page 115.

AGREEMENT WITH CAROLINA POWER AND LIGHT COMPANY FOR LIGHTING ON THE ASHEVILLE EXPRESSWAY

The City Manager presented to Council an amended agreement between the City of Asheville and the Carolina Power and Light Company for lighting on the Asheville Expressway. He said the new agreement would increase the rates as allowed by the North Carolina Utilities Commission from $3.10 per month for 21,000 lumen units to $3.85 per month. He said the payment section of the present agreement was also revised to reflect an increase in the payable period from ten to fifteen days with the inclusion of a late payment charge as provided in the Commission's rule R12-9.

Councilman Morris moved to authorize the Mayor to execute the amended agreement. This motion was seconded by Councilman Colton and carried unanimously.

GEORGE MOOREFIELD - REQUEST FOR WARRANTS

Mr. George Moorefield, owner of two adult book stores inside the City and a local wrestling promoter, appeared before Council with the request that Mayor Wood issue warrants for three (3) Asheville policemen relative to an incident which occured at the Asheville Civic Center, in which he and his wife were involved. He said that he had been before all the judicial branches and was unable to secure the warrants. He said he was now appealing to the Mayor for the warrants. When Mayor Wood advised him that he did not have the authority to issue such warrants, Mr. Moorefield produced copies of the General Statutes, which he said, gave the Mayor this authority. Mayor Wood said he was not aware that he had such authority, but if he did he would deny the request to issue the warrants.

Adjournment.

Richard A. Wood, Jr.
MAYOR

Miriam D. Holcomb
CITY CLERK

Mr. John Ratliffe, of Sunset Drive, who with his partner, Mr. David McElyea have applied for the beer license for the "Graffitti Lounge" spoke in behalf of the application. He said that he and his partner were of good reputation; that they intended to operate a lawful business regulated by the State; that they had no connection with the former business and did not wish past problems to be held against their business enterprise. He said he realized that he had a parking problem but that he did not anticipate the level of business that was there before. He said the area was commercial in nature and did not prohibit this type of business. He said he recognized that some people objected to this type of business and it was proper that their objections should be noted, but that he did not think it was right to restrict the property indefinitely because of objection of the residents in the area. He said if there was a lawful objection, he was sure the ABC Board would recognize this fact and that if the license is refused they would abide by this decision. He said he felt that he and his partner were proposing to operate a legitimate and gainful business and it was their intention to pursue it until the matter was resolved through judicial channels.

Mr. Tom Muncie, 33 Maney Avenue, presented a petition to Council which he said was signed by 207 residents of the area, who opposed the issuance of the beer license for the "Graffitti Lounge". He said the petition would be presented to the ABC Board at the hearing on May 12, 1975.

Mr. Muncie proceeded to read the petition, after which Mayor Wood ordered that it be made part of the minutes of the meeting. The petition follows:

P E T I T I O N

"We the undersigned, do hereby request that the Alcoholic Beverage Control Board consider and act on the following petition:

That the granting of a license to serve beer and wine and that a brownbagging permit be DENIED to the owners and/or leasees of the Graffiti Lounge, which is located at 640 Merrimon Avenue in Asheville, N. C. This request for license denial is based on the following facts:

1) The Lounge is formerly known as the Office Lounge, an establishment which was a proven drug haven, hangout of undesirable elements of society, spawning ground for boisterous, obnoxious and indecent public behavior, and a general eyesore to the public for over two years. This lounge, and the adjacent property which contains a motel and a package store, were the source of outcry from the neighborhood for nearly two years. This included two petitions presented to the Asheville City Council, numerous arrests on the property for drug law violations, a mugging in the immediate area, an armed robbery at the adjacent package store, and finally the posting of a city policeman on the premises of the Office Lounge for approximately two months until the business closed.

2) There are already three businesses within 500 feet of the Graffiti Lounge that sell beer and wine.

3) The premises of the Graffiti Lounge do not offer enough space for adequate parking of customers, a problem that generated unwanted foot traffic throughout the neighborhood in the past.

4) We fear that the past reputation of this location will draw back the former unruly crowd and the problems associated with their behavior. Since the closing of the Office Lounge last fall, this neighborhood has returned to a quiet, respectable area where older people can walk to dine, shop and spend time for recreation. Should this lounge be allowed to re-open, these residents will once again be driven into the lonely confines of their homes, where they would spend many anxious hours worrying about the preservation of their property and person.

United States Department of Housing and Urban Development for a grant under provisions of Section 701 of the Housing Act of 1954, as amended.

The City Manager read the resolution.

Marvin Vierra, of the Planning Division, explained that this grant would continue the existing program of comprehensive planning for the City. He said the total program cost would amount to $52,500, with HUD providing $35,000. He then described the work program set out for the following year under the grant.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 75-62 was unanimously adopted.

Complete text of Resolution No. 75-62 will be found in Resolution Book No. 8 at page 116.

REPORT OF CHIEF J. C. HALL ON BEER PERMIT FOR "THE GRAFFITTI LOUNGE" - 640 MERRIMON AVENUE

5) Police Chief J. C. Hall reported to Council that Mr. John Ratliffe and Mr. David McElyea had applied for an on-premises beer license for the "Graffitti Lounge" formerly known as "The Office" located at the corner of Merrimon Avenue and Edgewood Road. He said he opposed the issuance of the license on the grounds of the close proximity of the location to the surrounding residential area, prior problems that were experienced when "The Office" was in operation and the lack of sufficient parking to accommodate a business of this type. He said at this point the N. C. Alcoholic Beverage Control Board had denied the application and that the appeal by the applicants was scheduled to be heard by the hearing officer on Monday, May 12, 1975 at 10:00 o'clock a. m. in the Buncombe County Court House.

At the request of Mayor Wood, City Manager Ernest Ward reviewed excerpts from the minutes of previous Council meetings of April 26, 1973, May 3, 1973, October 4, 1973, July 11, 1974, and July 18, 1974 relative to complaints and problems created by the operation of "The Office".

On inquiry from Councilman Morris, Chief Hall advised that it was a fact that at one time action was instigated to have the beer license for "The Office" revoked by the ABC Board, however, before this action could be completed "The Office" closed and voluntarily turned in its beer license.

Chief Hall also advised that on July 11, 1974, on Council's instruction, a police car was assigned to the area on the 3-11 shift. He said this continued until the middle of September when "The Office" closed. He said this was at the cost of some $700-$800 per month plus tying up the cruiser for this length of time. Councilman Horton said that he thought this was a significant factor to be considered.

At Mayor Wood's request, Corporation Counsel William C. Moore, gave his opinion that Council's only authority in the matter was to advise the ABC Board of the problems experienced in the past at this location and that in Council's opinion the health, welfare, and safety of community would be affected by the granting of the license. Further, Council could concur with the action taken by Chief Hall.

RESOLUTION NO. 75-64 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE, A CONTRACT WITH HOBSON CONSTRUCTION COMPANY, INC. FOR THE PROJECT KNOWN AS ORCHARD STREET - UTILITY RELOCATIONS AND STREET WIDENING

7) Consideration was given to bids received May 2, 1975 for the Orchard Street- Utility Relocations and Street Widening.

The City Manager read a memorandum from Gary R. McGill, from the Office of the City Engineer, which recommended the acceptance of the low bid submitted by Hobson Construction Company, Inc. in the amount of $54,095.00.

Gary McGill advised that this is a street reconstruction project on Orchard Street and that it is part of the Civic Redevelopment Project in that area and consists of the relocation of existing utilities; widening of the street with new curb and gutter; new drive entrances; new turn around; replacement of fence along the Expressway and the repaving of the entire new reconstructed street.

Councilman Morris moved to accept the low bid submitted by Hobson Construction Company in the amount of $54,095.00. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Hobson Construction Company, Inc.	$54,095.00
Paving Enterprise Company	55,942.50
Perry M. Alexander Construction Company	60,940.25

The City Manager then read the resolution authorizing the Mayor to execute a contract with Hobson Construction Company for the Orchard Street - Utility Relocation and Street Widening.

Upon motion of Councilman Colton, seconded by Councilman Morris, Resolution No. 75-64 was unanimously adopted.

Complete text of Resolution No. 75-64 will be found in Resolution Book No. 8 at page 118.

BIDS - ONE (1) CAB AND CHASSIS FOR POLICE DEPARTMENT

8) Consideration was given to bids received May 2, 1975 for one (1) cab and chassis for the Police Department.

The City Manager presented a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Apple Tree Chevrolet, Inc. in the amount of $4,036.65. He said this item was not budgeted for the current fiscal year, however, if it was Council's desire to accept the bid he was prepared to present an ordinance amending the budget for this purchase.

Councilman Hoyle moved to accept the low bid of Appletree Chevrolet, Inc. in the amount of $4,036.65. This motion was seconded by Councilman Horton and carried unanimously.

Bid Summary

Bidder	Bid
Carolina Truck and Body Company	$4,376.00
Dorato Motors, Inc.	4,162.61
Appletree Chevrolet, Inc.	4,036.65
Matthews Motors, Inc.	4,304.67

We do not want to see this beautiful area of north Asheville become infected again with an ugly cancer that nearly brought ruination to its residents. We would prefer to spend a quiet, peaceful summer, and not have to go through another hassle like those in the past."

Mrs. George Stewart, 95 Edgewood Road, said she was definitely opposed to the beer license application for the "Graffitti Lounge" and appealed to Council not to let the residents go through what they had been through before.

Mrs. L. A. Trumbo, 27 Maney Avenue, also spoke in opposition to the issuance of the license. She cited many past instances of undesirable behavior during the operation of "The Office" in the same location. She said that she was totally opposed to another operation of this type in this location and asked Council to send unfavorable recommendations to the ABC Board in their behalf.

Corporation Counsel Moore advised Council that they had the alternative to concurring with Chief Hall's recommendation, to go on record of being opposed to the recommendation, or take no action.

Councilman Horton stated that he would like to see Council pass a motion or resolution opposing the issuance of the license on similar grounds recommended by Chief Hall. He said he felt that Council should express an interest in this type of situation on behalf of all citizens of the City of Asheville and the general health, safety, and welfare of its citizens.

Councilman Morris moved that Council go on record as concurring with the Chief of Police's recommendation to the ABC Board that the application for an on-premises beer license for the Graffitti Lounge be denied. This motion was seconded by Councilman Hoyle and unanimously adopted by all Council members present.

Mayor Wood then directed the City Clerk to transmit to the hearing officer of the ABC Board, excerpts of the Council meeting relative to the action taken by Council in this matter. He further directed the City Clerk to transmit to the hearing officer excerpts of the minutes of previous Council meetings in which this matter was brought to Council's attention.

RESOLUTION NO. 75-63 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE A TIMBER SALE CONTRACT AMENDMENT FOR SALE NO. 8 WITH GENNETT LUMBER COMPANY

6) Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute a timber sale contract amendment for Sale No. 8 with Gennett Lumber Company.

The City Manager read the resolution and advised that this was a continuation of a contract with Gennett Lumber Company. He said the amount of $63,872.78 was less than the City had been receiving in the past several years due to the Forestry Consultant's recommendation that this amount be all the timber that is cut from the Asheville Municipal Watershed during the next fiscal year.

It was pointed out that the timber is cut primarily as a fire protection measure.

Upon motion of Councilman Colton, seconded by Councilman Morris, Resolution No. 75-63 was unanimously adopted.

Complete text of Resolution No. 75-63 will be found in Resolution Book No. 8 at page 117.

Councilman Morris moved for the adoption of Resolution No. 75-66 setting the public hearing date for May 29, 1975. This motion was seconded by Councilman Colton and carried unanimously.

Complete text of Resolution No. 75-66 will be found in Resolution Book No. 8 at page 120.

PETITION TO CLOSE PORTION OF SOUTHSIDE AVENUE AND RALPH STREET, AND ALL OF CURVE STREET, GRAHAM STREET, SOUTHERN STREET, THREE UNNAMED ALLEYS AND "DEATH" ALLEY - ASHEVILLE HOUSING AUTHORITY

11. The City Manager presented a petition from the Asheville Housing Authority requesting that a portion of Southside Avenue, and Ralph Street and all of Curve Street, Graham Street, Southern Street, Three Unnamed alleys and "Death" Alley be permanently closed. He advised Council that if they wished to consider the closing of these streets it would be necessary to pass a resolution setting a public hearing on the question and that if it was Council's wish he was prepared to present the resolution. On instructions from Mayor Wood he proceeded with the presentation of the following resolution.

RESOLUTION NO. 75-67 - RESOLUTION TO CLOSE A PORTION OF SOUTHSIDE AVENUE AND RALPH STREET, AND ALL OF CURVE STREET, GRAHAM STREET, SOUTHERN STREET, THREE UNNAMED ALLEYS AND "DEATH" ALLEY AND CALLING A PUBLIC HEARING ON THE QUESTION

Councilman Colton moved for the adoption of the resolution setting the date for the public hearing for June 5, 1975. This motion was seconded by Councilman Morris and carried unanimously.

Complete text of Resolution No. 75-67 will be found in Resolution Book No. 8 at page 121.

REQUEST FOR REZONING - JOHN WOODY - 9-1/2 EAST STARNES COVE

The City Manager read a letter from the Planning and Zoning Commission which recommended approval of Mr. John Woody's request to rezone Ward 15, Sheet 22, Lot 8-1/2 from CS Commercial Service District to R-3 Residential District.

Councilman Hoyle moved to schedule a public hearing on the rezoning request for June 5, 1975, to be advertised at the petitioner's expense. This motion was seconded by Councilman Horton and unanimously adopted.

GROUP DEVELOPMENT - AMENDMENT TO K-MART SHOPPING CENTER - PUBLIC HEARING SET

The City Manager read a letter from the Planning and Zoning Commission relative to the approval of an amended site plan of the K-Mart Shopping Center. The recommended approval was subject to the following conditions:

The developer shall agree and so state in writing that:

1. It is understood that access to Old Haw Creek Road is only granted on a temporary basis and that this access point will be closed upon the taking of Old Haw Creek Road by the N. C. Department of Transportation.

2. Any and all improvements necessary to make Old Haw Creek Road serviceable for traffic shall be borne by the developer; and

3. Access to Haw Creek Lane through the property currently owned by the Buncombe County School Board shall be approved in writing by the N. C. Department of Transportation and the Federal Highway Administration.

ORDINANCE NO. 845 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1974-75

The City Manager then presented an ordinance amending the 1974-75 Budget Ordinance by transferring $4,036.65 from the General Fund Contingency Account to the Police Department Capital Outlay Account for the purchase of one (1) cab and chassis for the Police Department.

Councilman Colton moved for the adoption of the ordinance. This motion was seconded by Councilman Horton.

On a roll call vote of 4-0, Ordinance No. 845 passed on its first reading.

Councilman Hoyle moved to suspend the rules and proceed to the second reading of Ordinance No. 845. This motion was seconded by Councilman Horton and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 845 passed on its second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 845. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 845 passed on its third and final reading.

Complete text of Ordinance No. 845 will be found in Ordinance Book No. 6 at page 282.

RESOLUTION NO. 75-65 - RESOLUTION APPOINTING A MEMBER TO THE ASHEVILLE-BUNCOMBE DRUG AND ALCOHOL ABUSE ADVISORY COMMISSION (Herbert F. Moore)

9. Consideration was given to a resolution appointing Mr. Herbert F. Moore a member of the Asheville-Buncombe Drug and Alcohol Abuse Advisory Commission.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 75-65 was unanimously adopted.

Complete text of Resolution No. 75-65 will be found in Resolution Book No. 8 at page 119.

RESOLUTION NO. 75-66 - RESOLUTION CALLING FOR A PUBLIC HEARING TO OBTAIN THE VIEWS OF CITIZENS ON THE PROPOSED CONSTRUCTION OF IMPROVEMENTS TO THE ASHEVILLE AIRPORT

10. Consideration was given to a resolution calling for a public hearing to obtain the views of citizens on the proposed construction of improvements to the Asheville Airport.

The City Manager read the resolution and advised that this hearing is part of the required federal procedure in the plans to extend the runway and other improvements at the Airport. He said the report would be presented by Talbert, Cox and Associates during the public hearing.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Henry E. Colton, Bill B. Horton, Ralph D. Morris, Jr., J. W. Hoyle, Acting Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Eugene C. Ochsenreiter, Jr. and Corporation Counsel William C. Moore

1) Approval of minutes of May 8, 1975 meeting.

Upon motion of Councilman Colton, seconded by Vice-Mayor Marshall, the minutes of the May 8, 1975 meeting were approved as submitted.

ORDINANCE NO. 844 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1975 AND ENDING JUNE 30, 1976

2) Consideration was given to the second reading of Ordinance No. 844, an ordinance levying, assessing, imposing and defining the license and privilege taxes of the City of Asheville for the fiscal year beginning July 1, 1975 and ending June 30, 1976.

Mayor Wood announced that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Acting Corporation Counsel Robert J. Robinson advised that Mr. Moore would give an opinion at next week's meeting before the third reading of the ordinance relative to the suggestion made by Mr. E. R. McCarthy that a $100 permit be required for all cars raced in an exhibition.

Upon inquiry of Councilman Horton, Mr. Bradley, Tax Collector, advised that the race track was classified under the Miscellaneous License Section and that Council has the authority to set rates for Miscellaneous License so long as they are consistent with similar businesses.

After discussion, Mayor Wood directed that the Corporation Counsel confer with the Tax Collector relative to amending the ordinance concerning miscellaneous licenses before the third and final reading of the Revenue Ordinance for 1975-76.

On a roll call vote of 5-0, Ordinance No. 844 passed on its second reading.

PUBLIC HEARING - AMENDMENTS TO ORDINANCE 813 (CITY OF ASHEVILLE EROSION CONTROL ORDINANCE)

ORDINANCE NO. 846 - AN ORDINANCE AMENDING SECTION 8-73E, SECTION 8-74, SECTION 8-75, SECTION 8-77, SECTION 8-79 AND SECTION 8-86 OF CHAPTER 8, ARTICLE V OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE KNOWN AS THE CITY OF ASHEVILLE EROSION CONTROL ORDINANCE.

Further, the Asheville Planning and Zoning Commission recommends that traffic on Old Haw Creek Road be one-way on all segments.

Councilman Hoyle moved to set a public hearing for the amended site plan of the K-Mart Shopping Center for June 5, 1975. This motion was seconded by Councilman Horton and carried unanimously.

PROCLAMATION - HOSPITAL WEEK - MAY 11 - 17, 1975

Mayor Wood proclaimed the week of May 11-17, 1975 as "Hospital Week".

MOTHER'S DAY - SUNDAY, MAY 11, 1975

Mayor Wood commended the observance of Mother's Day on Sunday, May 11, 1975.

CORPORATION COUNSEL'S REPORT - POWER OF MAYOR TO ISSUE WARRANTS

Corporation Counsel William C. Moore reported that since last weeks meeting when Mr. George Moorefield advised the Mayor that he had the authority to issue warrants, he had researched the matter and under North Carolina General Statutes 7A-274 entitled Powers of the Mayors and Law Enforcement Officers, Etc. to issue warrants and set bails is restricted. The power of mayors, law enforcement officers, and other persons not officers of the General Courts of Justice to issue, arrest, search or peace warrants or set bails is terminated in any District Court District upon the establishment of a District Court therein. Therefore, the Mayor does not have the authority to issue warrants.

E. R. McCARTHY - SUGGESTED REGULATIONS AND CONTROL OF RACE TRACKS

Mr. McCarthy suggested that Council consider the adoption of an ordinance which would require that anyone operating a motor vehicle in an exhibition or race without using a standard muffler in such a way as to reduce the noise of the equipment shall be required to obtain a permit to operate such a vehicle at a cost of $100 for each exhibition or race.

Mayor Wood instructed the Corporation Counsel to investigate the legality of such an ordinance proposed by Mr. McCarthy.

Adjournment.

Richard A. Wood Jr.
MAYOR

Marianne S. Barnett, Jr.
CITY CLERK

5) Consideration was given to a resolution for disposition of reprogrammable Asheville Model Cities funds for close out activities.

The City Manager read the resolution.

Logan Delany, Executive Director, stated that this resolution would take care of all of the reprogrammable funds.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 75-69 was unanimously adopted.

Complete text of Resolution No. 75-69 will be found in Resolution Book No. 8 at page 125.

COMMUNITY DEVELOPMENT APPROPRIATIONS

6) Ken Michalove, Assistant City Manager, reported that the City had received a letter from Housing and Urban Development regarding the City's Community Development application and that they had determined that the Transportation Project for the Elderly and Handicapped in the amount of $65,000 was ineligible and must be re-appropriated to one of the other approved projects. He said HUD felt that the City could accomplish the same purpose for the Transportation Project under the Mass Transit Subsidy funds available. He said in reviewing the appropriations made in the application it was determined that $6,000 too much was appropriated to the Contingency Fund, therefore, the total amount to be reallocated was $71,414.

Mr. Michalove recommended that funds be split between the Physical Improvement funds for Streets and Sidewalks in the Burton Street Area and the Montford Area Rehabilitation funds. He said that the Contingency Fund still carried $250,000 and this could be used for any of the areas that needed more in the future.

After discussion, Councilman Morris moved to accept the recommendation of Mr. Michalove and re-appropriate the $71,414 evenly between the Burton Stret Area and the Montford Rehabilitation Area. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

APPEAL OF KENNETH J. BISHOP - DISCHARGED FROM THE ASHEVILLE FIRE DEPARTMENT

The City Clerk reported that he had received correspondence from James G. Hugenschmidt relative to the dismissal of Kenneth J. Bishop from employment of the Asheville Fire Department. He said in summary the letter requested that the City Council approve or disapprove the report from the Civil Service Board filed with the City Clerk on May 5, 1975 relative to the employment of Kenneth J. Bishop.

Mayor Wood directed that the Civil Service Commission forward to Council the transcript of the hearing and their findings of fact and Council would then advise Mr. Hugenschmidt of the date set for the hearing on the matter.

3) A public hearing was held concerning the adoption of amendments to City of Asheville Ordinance 813 (City of Asheville Erosion Control Ordinance).

Mayor Wood opened the public hearing at 3:09 o'clock p. m.

The City Manager read the notice to the public and affidavit of publication setting the time and date for the public hearing.

J. E. Johnson, Building Inspector, said that after Ordinance 813 was adopted a copy was forwarded to the Sedimentation Division of the Natural Resources and Economics Department for review. After reviewing, recommendations for amendments were made by the Department in order to conform with State Statutes and these recommendations were included in the proposed ordinance.

At the Mayor's request, Mr. Johnson briefly reviewed the amendments.

The Corporation Counsel read the ordinance.

Mayor Wood closed the public hearing at 3:34 o'clock p. m.

Councilman Colton moved for the adoption of the ordinance. This motion was seconded by Councilman Morris.

On a roll call vote of 5-0, Ordinance No. 846 passed on its first reading.

PUBLIC HEARING - CLOSING OF JUNALUSKA STREET

RESOLUTION NO. 75-68 - RESOLUTION AND ORDER CLOSING AN ABANDONED PORTION OF JUNALUSKA STREET

4) A public hearing was held concerning a request by the Brooks-Howell Home that an abandoned portion of Junaluska Street be permanently closed.

Mayor Wood opened the public hearing at 3:38 o'clock p. m.

The City Manager read the resolution calling for a public hearing on the matter and the affidavit of publication setting the time and date for the public hearing.

Paul Smith, representing Brooks-Howell Home, said that the portion of Junaluska Street requested to be closed had been abandoned for many years. He presented a map showing the location proposed to be closed.

No one expressed opposition to the request that a portion of Junaluska Street be permanently closed.

Mayor Wood closed the public hearing at 3:43 o'clock p. m.

Upon motion of Councilman Horton, seconded by Councilman Hoyle, Resolution No. 75-68 was unanimously adopted.

Complete text of Resolution No. 75-68 will be found in Resolution Book No. 8 at page 123

RESOLUTION NO. 75-69 - RESOLUTION FOR DISPOSITION OF REPROGRAMMABLE ASHEVILLE MODEL CITIES FUNDS FOR CLOSE-OUT ACTIVITIES

Mayor Wood also instructed the City Manager to discuss with Mr. Johnson, the Building Inspector, the possibility of revising the heating inspection fees.

CARL JOHNSON - DRUG ABUSE IN THE HOUSING PROJECTS

Mr. Carl Johnson spoke to Council relative to the the open drug abuse being carried on in the Housing Projects. He suggested that at least two (2) uniformed officers be assigned to each of the Projects to deter the drug traffic. He also suggested using personnel from the Manpower Assistance Program.

Mayor Wood instructed Mr. Michalove to explore the possibility of securing personnel from the Manpower Assistance Program for this purpose.

Councilmen Colton and Horton commented that they felt the City should provide such security for these projects.

Adjournment.

Richard D. Wood Jr.
MAYOR

William J. Malcolm
CITY CLERK

BILTMORE COMPANY LEASE - BILTMORE PLAZA ON LODGE STREET

The City Manager advised that the lease for the property in Biltmore Plaza on Lodge Street occupied jointly by the Fire Station and the Biltmore Company had expired for the Biltmore Company. He said he needed direction from Council to give notice to the public that the Council will consider executing another lease for the property to the Biltmore Company at a meeting no earlier than May 29, 1975.

Councilman Morris moved to direct the City Clerk to publish a notice to the public that Council will consider executing such a lease with the Biltmore Company at the meeting on May 29, 1975. This motion was seconded by Councilman Horton and carried unanimously.

WNC AIR POLLUTION CONTROL BOARD - BUDGET APPROPRIATION

Mr. William L. Lovelace, Chairman of the Board, along with other members of the Board, appealed to Council for approval of an appropriation of $13,000 from the City of Asheville to the WNC Air Pollution Control Agency for fiscal year 1975-76. They also requested an additional $600 appropriation to complete the activities of the Agency for fiscal year 1974-75.

Mr. Ronald Boon, Director of the Agency, presented a break down of activities of the Agency which also showed revenue sources and expenditures. He reminded Council that the Air Pollution Control Agency made all heating inspections for the City of Asheville and therefore a portion of the funds allocated to them were returned to the City through heating inspection fees. He said an application had been submitted to the Environmental Protection Agency for a budget of $76,000 for fiscal year 1975-76 and he had received verbal approval of the application provided the Agency receives their local contributions, which is mandatory.

Councilman Morris said he still felt that funding for this project was "double taxation" on the part of the citizens of Asheville. He argued that other municipalities located in the County of Buncombe did not contribute to the Air Pollution Control Agency budget and they to received heating inspections from this agency.

Upon inquiry of Councilman Morris, Ken Michalove explained that every two years the City of Asheville is required to submit a Workable Program to Housing and Urban Development explaining what has been done and what has been projected for the next two years. He said in negotiating this application, for the past three years, HUD has encouraged the City to employ its own heating inspector.

Mr. Lovelace, Mr. Julian Woodcock, and Mr. Bill Stamey, members of the Board, encouraged Council to approve the Board's request and stated that this Agency had made tremendous progress since beginning its operation.

Councilman Morris said he felt it was Council's feeling that the two counties involved should totally fund the program, since Asheville was the only municipality who is requested to contribute.

Councilman Colton commented that he agreed with Councilman Morris, however he felt that this was a good program that needed to be continued.

After further discussion, Councilman Colton moved to instruct the City Manager to include in the proposed 1975-76 Budget an appropriation of $13,000 for the Air Pollution Control Board. This motion was seconded by Councilman Hoyle and carried unanimously.

He said a complete audit was not performed due to the length of time it would take and also due to the expense of going through a complete audit because several companies were involved.

Councilman Horton noted that in comparing 1973-74 the firm had "gained ground" from an increase granted on February 1, 1974 and that based on these projections the firm would be making a profit in 1975, without an increase.

Mr. Thoms commented that he did not feel that the firm would accomplish as much in 1975 as it did in 1974.

Councilman Ochsenreiter commented that it was his opinion that the subscribers bought this service feeling that there would not be an additional increase for at least three (3) years and he felt Council had an obligation to these citizens.

Mr. Thoms said that based on the rate of inflation, if Council waited three (3) years to grant an increase, that a possible 40% increase would be requested, which could possibly lead to the firm losing many subscribers. He said, if the increase was granted, he was willing to work out an arrangement for waiving the increase for one (1) year for anyone who was out of work or had been laid off from work and could not afford the increase. He also said, if the increase is granted, he was willing to waive the present charge of $2.00 per month for FM customers, after the initial FM connection charge of $10.00.

After a lengthy discussion, Councilman Morris moved to proceed to the second reading of the ordinance as presented, provided that before the third and final reading the ordinance would be amended to include the language providing for the City to receive 6% of connection charges derived from users outside the corporate limits, but served by the system within the City and to include the language the waiving of the firm's $2.00 monthly charge for FM service. This motion was seconded by Vice-Mayor Marshall.

On a roll call vote of 4-3, Ordinance No. 841 passed on its second reading with Councilmen Morris, and Hoyle, Vice-Mayor Marshall and Mayor Wood voting "aye" and Councilmen Ochsenreiter, Colton and Horton voting "no".

ORDINANCE NO. 844 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1975 AND ENDING JUNE 30, 1976

4. Consideration was given to the third and final reading of Ordinance No. 844, an ordinance levying, assessing, imposing and defining the license and privilege taxes of the City of Asheville for the fiscal year beginning July 1, 1975 and ending June 30, 1976.

Mayor Wood advised that the ordinance had been read in its entirety at a previous meeting and it would not be re-read unless there was a specific request to do so.

Mayor Wood asked Corporation Counsel William C. Moore for a report on the Miscellaneous License rates in response to a previous suggestion by Mr. E. R. McCarthy that a $100 permit be required for all cars raced in an exhibition. Mr. Moore reported that he had met with Mr. Fayne Bradley, Tax Collector, and they had contacted the Attorney General's Office for an opinion. He then read a letter from Mr. Guy of the Attorney General's Office into the record. Mr. Moore said that the City, by ordinance, could pass a higher tax for race tracks but it must be reasonable. He further stated that he thought Mr. McCarthy was talking about a "control" of the race track instead of a tax. He said that he would like to check with other cities to see

Thursday - May 23, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., J. W. Hoyle, Bill B. Horton, Ralph D. Morris, Jr., Henry E. Colton, Corporation Counsel William C. Moore, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: City Manager Ernest J. Ward

1. Approval of minutes of May 15, 1975 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, the minutes of the May 15, 1975 meeting were approved as submitted.

ORDINANCE NO. 846 - AN ORDINANCE AMENDING PORTIONS OF CHAPTER 8, ARTICLE V OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE KNOWN AS THE CITY OF ASHEVILLE EROSION CONTROL ORDINANCE

2. Consideration was given to the second reading of Ordinance No. 846, an ordinance amending portions of Chapter 8, Article V of the Code of Ordinances of the City of Asheville known as the City of Asheville Erosion Control Ordinance.

Mayor Wood advised that the ordinance had been read in its entirety at the May 15, 1975 meeting and would not be re-read unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 846 passed on its second reading.

ORDINANCE NO. 841 - AN ORDINANCE INCREASING CABLEVISION SERVICE CHARGES OF THOMS BROADCASTING COMPANIES, INC.

3. Consideration was given to the second reading of Ordinance No. 841, an ordinance increasing cablevision service charges of Thoms Broadcasting Companies, Inc.

Mayor Wood advised that the ordinance had been read in its entirety at a meeting held several weeks ago and members of Council had raised several questions relative to the financial conditions of Thoms Cablevision and the possibility of amending the language of the ordinance to provide for the City of Asheville to receive 6% of the connection charges derived from users outside the corporate limits, but served by the system within the City.

Mr. Max Cogburn, representing Thoms Cablevision, stated that they had retained Mr. J. Donald Williams, CPA, to prepare a financial statement and that he was available to answer any questions. He also commented that an amended ordinance had been prepared for Council's consideration which included the language providing for the City to receive 6% of the connection charges from users outside the corporate limits.

After presenting members of Council with copies of a financial statement of Thoms Cablevision, Mr. Williams advised that he did not audit the firm for 1974, however, he had prepared the financial statement from their books for internal use. He said he reviewed records, tax returns, and work papers and was satisfied with the financial statement.

Rev. Porter spoke briefly in support of the Brown Temple CME Church's interest.

Councilman Colton moved for the approval of the addition of Block 20, Parcel 1 to the Asheville Housing Authority's acquisition schedule. Councilman Hoyle seconded the motion and it carried unanimously.

RESOLUTION NO. 75-71 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A SUPPLEMENTAL MUNICIPAL AGREEMENT WITH NORTH CAROLINA BOARD OF TRANSPORTATION RELATIVE TO CONSTRUCTION OF US 70-74 CONNECTOR IN ASHEVILLE FROM SOUTH OF US-70 TO I-40 AND US-74 INTERCHANGE

8. Consideration was given to a resolution authorizing the Mayor to enter into a supplemental municipal agreement with North Carolina Board of Transportation relative to construction of US 70-74 Connector in Asheville from South of US 70 to I-40 and US-74 Interchange.

The Assistant City Manager read the resolution.

Mr. Gary McGill, of the Engineering Division, reported that the original agreement stated that the City would relocate utilities in the construction project and the Board of Transportation would reimburse the City for such costs. However, this proposed amendment would reverse the agreement by the Board of Transportation relocating the utilities and the City reimbursing them. He said he would recommend approval of the amendment.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, Resolution No. 75-71 was unanimously adopted.

Complete text of Resolution No. 75-71 will be found in Resolution Book No. 8 at page 127.

BIDS - OAK HILL PUMP STATION ADDITION

RESOLUTION NO. 75-72 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH MOUNTAIN SHORE CONSTRUCTION COMPANY, INC. FOR THE PROJECT KNOWN AS OAK HILL ROAD PUMP STATION ADDITION

9. The Assistant City Manager read a memorandum from Gary R. McGill, from the Office of the City Engineer, stating that the following bids were received on May 19, 1975:

Mountain Shore Construction Company	$4,970.00
M. B. Haynes Electric Corporation	5,774.00
Hobson Construction Company	6,230.00
Taylor and Murphy Construction Company	7,000.00

Mr. McGill recommended the acceptance of the low bid submitted by Mountain Shore Construction Company in the amount of $4,970.00

Upon inquiry of Vice-Mayor Marshall, Mr. McGill explained that this additional pump would supplement the existing pump helping to relieve some of the low water pressure problems in this area.

The Assistant City Manager read the resolution authorizing the Mayor to execute on behalf of the City, a contract with Mountain Shore Construction Company for said Oak Hill Pump Station Addition.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 75-72 was unanimously adopted.

how this was handled. He said Council could always pass an ordinance increasing the tax for the race track.

On a roll call vote of 6-0, Ordinance No. 844 passed on its third and final reading.

Complete text of Ordinance No. 844 will be found in Ordinance Book No. 6 at Page 278

RESOLUTION NO. 75-70 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT FOR LEGAL SERVICES IN CONNECTION WITH THE ACQUISITION OF LAND FOR MONTFORD RECREATION CENTER

5. Consideration was given to a resolution authorizing the Mayor to enter into a contract for legal services in connection with the acquisition of land for Montford Recreation Center.

The Assistant City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, Resolution No. 75-70 was unanimously adopted.

Complete text of Resolution No. 75-70 will be found in Resolution Book No. 8 at page 126.

SALE OF DISPOSAL PARCEL NO. 11, CIVIC REDEVELOPMENT PROJECT N. C. R-13

6. Mr. W. C. King, Executive Director of the Asheville Housing Authority, described Parcel No. 11 containing 42,930 square feet. He said the current value is $1.45 per square foot, totaling $62,300.00. He further stated that the First Baptist Church has submitted a bid on the parcel and they were interested in using the lot for parking and landscaping.

After discussion, Councilman Hoyle moved to approve the sale of Disposal Parcel No. 11, Civic Redevelopment Project N. C. R-13, as presented, conditional upon the deed being delivered to the First Baptist Church when the City completes the existing road construction in the area. This motion was seconded by Councilman Horton and carried unanimously.

AMENDMENT TO PROPERTY ACQUISITION SCHEDULE FOR EAST RIVERSIDE URBAN RENEWAL PROJECT N. C. R-48. - Purchase of Brown Temple CME Church

7. Mr. W. C. King, Executive Director of the Asheville Housing Authority, reported that the Housing Authority wished to amend its property acquisition schedule by adding the Brown Temple CME Church consisting of a sanctuary and parsonage located on the corner of Phifer and Blanton Streets. Mr. King further reported that the City Inspection and Fire Departments had recommended the action and the Department of Housing and Urban Development concurred in the proposed acquisition if acquisition money was available. Mr. King stated that the pastor of the church had indicated that he was in favor of the acquisition. He said the church would temporarily relocate and would be interested in repurchasing the property, along with any other public agency, when the land is for resale. Mr. King indicated that there were 937 parcels to be acquired, with 760 acquired to date and he felt there would be adequate money in the acquisition budget for this purchase.

This motion was seconded by Councilman Colton and carried unanimously.

RESOLUTION NO. 75-73 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE RIGHT OF WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER LINE EXTENDING ALONG S. R. 3185, S. R. 3184, S. R. 3181, AND U. S. 25 FOR A DISTANCE OF APPROXIMATELY 3,000 FEET

12. Consideration was given to a resolution authorizing the Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for water line extending along S. R. 3185, S. R. 3184, S. R. 3181, and U. S. 25 for a distance of approximately 3,000 feet.

The Assistant City Manager read the resolution and explained that this encroachment was necessary to install a 12" line to serve the new Clark Equipment Company.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Colton, Resolution No. 75-73 was unanimously adopted.

Complete text of Resolution No. 75-73 will be found in Resolution Book No. 8 at page 130.

PETITION - DRUID DRIVE AREA PROPERTY OWNERS - REQUEST FOR RELIEF FROM PERIODIC FLOODING

The Assistant City Manager presented a petition received from residents and property owners from the Druid Drive area requesting relief from periodic flooding. The petition requested that the following action be taken:

"FIRST, as an initial step, we request a survey by competent professionals on the City staff to assess the origins and severity of the problem, and make specific recommendations as to measures necessary for its elimination or control; and

SECOND, If that survey confirms our suspicions that a culvert installed behind the T & H Tire Company is a major contributing factor because of its inadequate size and improper location and installation, we petition Council to determine the responsibility and force appropriate corrective measures to meet the standards set by the City's engineers; and

BIDS - 2,800' CAST IRON PIPE FOR WATER AND SEWER DEPARTMENT

10. Consideration was given to bids received May 16, 1975 for 2,800' cast iron pipe for the Water and Sewer Department.

The Assistant City Manager read a memorandum from the Purchasing Agent recommending the acceptance of the low bid submitted by Lynchburg Foundry at $3.75 per foot, totaling $10,500.00. He advised that this pipe was inadvertently left off of a previous bid for cast iron pipe.

Councilman Ochsenreiter moved to accept the recommendation of the Purchasing Agent by awarding the bid to the low bidder, Lynchburg Foundry Company in the amount of $3.75 per foot, totaling $10,500.00. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary - 2,800' 6" cast iron water main pipe

Bidder	Bid	
Southern Meter and Supply Company	4.49/ft.	$12,572.00
Hajoca Corporation	4.00/ft.	11,200.00
Silverman Company	3.82/ft.	10,696.00
Lynchburg Foundry	3.75/ft.	10,500.00
Davis Meter and Supply Company	3.82/ft.	10,696.00

BIDS - PLAYGROUND EQUIPMENT FOR RIVERSIDE AND WEST ASHEVILLE PARKS

11. Consideration was given to bids received May 9, 1975 for playground equipment for Riverside and West Asheville Parks.

The Assistant City Manager read a memorandum from the Purchasing Agent which stated that Game Time, Inc. submitted the lowest bid for all three items, but met specifications on item 2 only. Therefore, it was recommended that the second low bidder, Miracle Recreation Equipment Company be awarded the bid for Item #1 (4- Slides) at $713.30 each totaling $2,853.20; that Miracle Recreation Equipment Company also be awarded the bid for Item #3 (4- Flying Pony Swing Sets) at $655.80 each totaling $2,623.20; and that Game Time, Inc be awarded the bid for Item #2 (4- Merry Flyers) at $299.00 each totaling $1,196.00. He said the purchase of this equipment was a part of the Park Improvement Program under Open Space Funding.

Mr. Kisiah, Parks and Recreation Director, advised that Game Time Inc. did not meet specifications on Items 1 and 3 due to the quality and durability of their equipment. He said the equipment would be stored until the new parks were completed. However, due to anticipated price increase it would be in the best interest to purchase the equipment now.

Councilman Morris moved to accept the recommendation of the Purchasing Agent by awarding the bids as follows:

Miracle Recreation Equipment Company
Item 1 @ $713.30 each - totaling $2,853.20
Item 3 @ $655.80 each - totaling $2,623.20

Game Time, Inc
Item 2 @ $299.00 each - totaling $1,196.00

that this home had been leased by the Blue Ridge Mental Health Center for a residential home for mentally handicapped adults which would be staffed 24 hours a day under supervision.

Mr. Johnson, Building Inspector, reported that his office had inspected the facilities and it was his opinion that the house would have to comply with code regulations the same as a rooming or boarding house.

Mr. Bob McDonald of the planning staff, reported that there was a possibility that this type of home could be classified as a conditional use under the R-3 District if they were proposing a hospital activity rather than a housing activity.

Corporation Counsel William Moore said that he thought more information was needed as to what type of home Blue Ridge Mental Health was proposing.

Mrs. Caulkins suggested that Council contact Mr. Tom Jones of the Blue Ridge Mental Health office and Mr. Bill Poplin of the Buncombe County Association for Retarded Citizens.

Mayor Wood instructed the Corporation Counsel to meet with representatives of Blue Ridge Mental Health and the planning staff to determine what was proposed and if they complied with zoning regulations.

PETITION - RESIDENTS OF RAVENSCROFT DRIVE - REQUESTING RELIEF OF NOISE AND POLLUTION FROM THE COLEMAN TIRE COMPANY

Mayor Wood presented a petition received from residents of Ravenscroft Drive requesting the control of the noise and pollution created by the Coleman Tire Company.

Mayor Wood instructed that copies of the petition be forwarded to the WNC Air Pollution Control Board and to the Coleman Tire Company.

PENSION LEGISLATION

Mayor Wood commented that he had discussed Asheville's Pension Plan with Representative DeBruhl and was advised that a copy of the proposed amendments would be forwarded to him in order that a review could be made of the amendments before being presented to legislators.

REPORT ON DRUG ABUSE - HOUSING PROJECT

Mr. Ken Michalove reported that, in view of Mr. Carl Johnson's request for more security personnel in the Housing Projects at last week's meeting, he had met with Chief Hall, Sheriff Morrissey, and the Housing Authority to determine how much personnel was needed. He said he felt the City had several alternatives: 1) put into effect an intensive security program for all projects - consisting of the hiring of 20 men - projected cost of $200,000; or 2) minimum security force for all projects consisting of 12 men - 2 shifts - projected cost of $148,000 for salaries and equipment. He said immediate action had been taken to instruct the Interagency Narcotics Squad to intensify their efforts in the Housing Projects. He said he was still exploring ways to fund security programs for housing projects through the County Manpower funds.

PROCLAMATION - DEAF AWARENESS WEEK

Mayor Wood proclaimed the week of May 25 - 30 as Deaf Awareness Week.

THIRD, at the same time, we petition for corrective measures to repair an apparent break in the sewer line serving this area which permits drainage from excessive rain and overflow from the neighboring creek to so load the sewer system as to "back up" the water in the line, overflowing into the street in an unsavory mess patently offensive to the eye and the nose, and posing an active threat to health and safety; and

FOURTH, we call upon the City Council to direct its professional staff to design an adequate drainage system for this area, and assign high priority to its immediate construction and installation."

Mayor Wood instructed that Mr. Edens, Water and Sewer Director, make a preliminary investigation of the matter and report his findings back to Council at next week's meeting.

COMPLAINT - FLOODING OF FRECK RADIO AND SUPPLY - VILLAGE HARDWARE - LOCATED ON PATTON AVENUE

Representatives of Freck Radio and Supply Company and Village Hardware, located on Patton Avenue, appealed to Council for relief of periodic flooding of their businesses. It was noted that a creek that flows behind these businesses overflows its banks and runs into the stores.

Mayor Wood instructed the Assistant City Manager to investigate the matter and report his findings back to Council at next week's meeting.

PETITION - RESIDENTS OF ST. DUNSTAN'S CIRCLE

The Assistant City Manager presented the following petition received from residents of St. Dunstan's Circle:

"WE, THE UNDERSIGNED, WOULD LIKE TO HAVE CONSIDERED AND CLARIFIED BY THE CITY COUNCIL THE FOLLOWING:

1. The property-owning residents and tax-paying members of St. Dunstan's Circle live in an area which has always been strictly residential.

2. What does the present zoning of our immediate area permit? (R-3)

3. We, the undersigned, are concerned because one of the larger land portions has recently been leased by Blue Ridge Mental Health Center for use as a "Group Home" for the mentally handicapped citizens. Are we zoned for this, and if so, under what provision of R-3 is this permitted?

4. We strongly object to any "Project" which might undermine the land values or the closely-knit, mutually-helpful neighborhood that now exists.

We request your immediate attention to this matter and an answer within fourteen (14) days."

Mrs. Caroline Caulkins, speaking on behalf of the residents of St. Dunstan's Circle, told Council that the residents were objecting to an institutional project of this type being located in their neighborhood. She said they felt that under the R-3 zoning, this type of "group home" would be prohibited. She said it was their opinion

1. Approval of minutes of May 22, 1975 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, the minutes of the May 22, 1975 meeting were approved as submitted.

PUBLIC HEARING - PROPOSED CONSTRUCTION OF IMPROVEMENTS TO THE ASHEVILLE AIRPORT

2. Corporation Counsel William C. Moore reported that some question had been raised relative to the notice to the public regarding the public hearing being published in the Asheville newspaper but not in the Hendersonville newspaper. He said contact had been made with the FAA office in Atlanta relative to the question and that they recommended that the hearing be postponed until the notice could be published in both newspapers.

Councilman Morris moved to re-schedule the public hearing relative to proposed construction of improvements to the Asheville Airport for June 16, 1975 at 2:00 o'clock p. m. in the Council Chambers. This motion was seconded by Councilman Colton and carried unanimously.

ORDINANCE NO. 846 - AN ORDINANCE AMENDING PORTIONS OF CHAPTER 8, ARTICLE V OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE KNOWN AS THE CITY OF ASHEVILLE EROSION CONTROL ORDINANCE

3. Consideration was given to the third and final reading of Ordinance No. 846, an ordinance amending portions of Chapter 8, Article V of the Code of Ordinances of the City of Asheville known as the City of Asheville Erosion Control Ordinance.

Mayor Wood advised that the ordinance had been read in its entirety at the May 15, 1975 meeting and would not be re-read unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 846 passed on its third and final reading.

Complete text of Ordinance No. 846 will be found in Ordinance Book No. 6 at page 283.

ORDINANCE NO. 841 - AN ORDINANCE INCREASING CABLEVISION SERVICE CHARGES OF THOMS BROADCASTING COMPANIES, INC.

4. Mayor Wood advised that the third and final reading of the proposed ordinance increasing cablevision service charges for Thoms Broadcasting Companies, Inc. would be postponed until next week's meeting at the request of Mr. Max Cogburn, attorney for Thoms Broadcasting Companies, Inc.

Councilman Morris suggested that the Corporation Counsel contact Mr. Cogburn and request that copies of the amended ordinance be forwarded to members of Council several days in advance of next week's meeting giving them an opportunity to review the

DRAINAGE PROBLEM - SULPHUR SPRINGS ROAD, DELAWARE, SAND HILL ROAD AND SHELBURNE ROAD

Councilman Hoyle requested that the Assistant City Manager investigate water drainage problems in the Sulphur Springs Road and Delaware Avenue area. He said the Sand Hill Road creek, left of Sulphur Springs Road, overflows and runs into Shelburne Road causing water problems

EMERGENCY JOBS PROGRAM

Mayor Wood requested that Mr. Michalove check into the number of employees who have been assigned jobs with the City under the Emergency Jobs Program and their tasks. He also requested that Mr. Michalove check to see if the City was getting the appropriate number of employees.

CITY CLERK

with construction to commence within six (6) months after that date. He said the plot plan indicated 128 parking spaces, which is 89 spaces short of the amount required in the Urban Renewal plan, however the bidder has met with the First Baptist Church, who will own Parcel No. 11 adjacent to this facility which contains 117 spaces, to negotiate a lease agreement for additional parking spaces to be provided by the First Baptist Church.

At the request of the Mayor, Mr. King read a letter from the Building and Properties Committee of the First Baptist Church which stated that they were willing to negotiate a lease agreement whereby the developer may lease from the church such space as they need to meet building codes. He also read favorable letters from E. H. Crump and Company, Insurance Real Estate and Mortgage Loans from Memphis, Tennessee and Pilot Life Company relative to construction loans for the developers.

Councilman Morris moved for the approval of the sale of Disposal Parcel 30 to One Oak Plaza. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

REPORT ON PETITION RECEIVED FROM RESIDENTS OF ST. DUNSTAN'S CIRCLE

Mr. Michalove, Assistant City Manager, reported that as instructed by Council at last weeks meeting, relative to a petition received from residents of St. Dunstan's Circle objecting to a proposed "group home" being located in their neighborhood, a conference was held with J. E. Johnson, Verl Emrick, Corporation Counsel William C. Moore, Larry Thompson of the Blue Ridge Mental Health Center and Tom Jones of the Buncombe County Group Homes for the Developmentally Disabled. He said the meeting was held to determine what kind of home was proposed for this area and if this type of home complied with zoning and building regulations. He said it was the overall opinion that under the zoning ordinance this type of home would be permitted in any residential area.

Corporation Counsel William C. Moore said that it was his opinion that the facility would be classified as a "public facility" rather than a "hospital facility" since it would serve a public purpose.

Verl Emrick reported that he had inspected this property and it would meet the specifications set forth in the zoning ordinance.

Mr. Tom Jones, Chairman of the Buncombe County Group Homes for the Developmentally Disabled, stated that his organization was formed for the express purpose of operating this facility; that this would be the first "group home" of this type in Asheville; that nine (9) mentally retarded persons between the ages of 18 and 40 would be selected and carefully screened; and that this would be an opportunity for them to have a living arrangement as close to real community life as possible. He said the residents would be supervised by two "house parents" and would work at Handi-Skills from 8:30 a. m. to 4:00 p. m. each day. He said transportation would be furnished by an eight (8) passenger van.

Councilman Horton commented that it was his opinion that the facility would be classified as institutional instead of a "public facility" since the home would be staffed by professionals.

After a lengthy discussion, Mayor Wood concluded that it appeared that all zoning and code regulations were being complied with by the organizations and he felt they would do everything possible to make the home a success and desirable for the neighborhood.

RESOLUTION NO. 75-74 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE LEASE TO THE BILTMORE COMPANY

5. Consideration was given to a resolution authorizing the Mayor to execute a lease with the Biltmore Company for property in Biltmore Plaza on Lodge Street occupied jointly by the Fire Station and the Biltmore Company.

The City Manager advised that notice was given, by publication in the Asheville Times, that Council would consider executing such lease during this meeting. He then read the resolution and explained that the lease, as described in the resolution, was for a period of five (5) years, beginning June 1, 1975, in the amount of $500 per month. He said this amount was arrived at by an appraisal prepared by an independent appraiser.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 75-74 was unanimously adopted.

Complete text of Resolution No. 75-74 will be found in Resolution Book No. 8 at page 132.

RESOLUTION NO. 75-75 - RESOLUTION AUTHORIZING THE MAYOR TO FILE AN APPLICATION FOR A FEDERAL GRANT WITH THE NORTH CAROLINA DIVISION OF LAW AND ORDER FOR THE ASHEVILLE RECORDS SYSTEM

6. Consideration was given to a resolution authorizing the Mayor to file an application for a federal grant with the North Carolina Division of Law and Order for the Asheville Records System.

The City Manager read the resolution.

Mr. Michalove, Assistant City Manager, explained that this grant would allow for improvements to the record keeping system in the Asheville Police Department by switching over to an automated system, thereby reducing errors by mis-filing and increase productivity. He said the total cost of the project would be $14,283.00 with the City providing a total cash matching contribution of $793.00.

Upon motion of Councilman Colton, seconded by Councilman Horton, Resolution No. 75-75 was unanimously adopted.

Complete text of Resolution No. 75-75 will be found in Resolution Book No. 8 at page 133.

SALE OF DISPOSAL PARCEL 30- CIVIC REDEVELOPMENT PROJECT N. C. R-13

7. Mr. W. C. King, Executive Director of the Asheville Housing Authority, described Disposal Parcel 30, formerly known as the old David Milliard High School Property, as containing 72,929.30 square feet with an updated appraised value, concurred in by HUD, of $1.80 per square foot, totaling $143,872.74. He said the Asheville Housing Authority received a bid from One Oak Plaza, a partnership consisting of Jack E. Bryant, Donald M. Blackwell, and Wallace N. Hyde, for Disposal Parcel 30 for a value of $143,900.00. He further stated that this partnership proposes to construct one building consisting of approximately 65,000 square feet of office space with a construction cost of improvements to be $1,300,000+. He said deeding would be on August 13, 1975,

The City Manager read the resolution.

Corporation Counsel said that negotiations were started for this encroachment in 1964 and that he was pleased to report that the City would not be paying any yearly fees nor assenting to a 60 day cancellation clause in the agreement.

Councilman Morris said he would like to express appreciation to the Southern Railway Company for removing the previous 60 day cancellation clause.

Upon motion of Councilman Hoyle, seconded by Councilman Colton, Resolution No. 75-78 was unanimously adopted.

Complete text of Resolution No. 75-78 will be found in Resolution Book No. 8 at page 137.

RESOLUTION NO. 75-79 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AMENDMENTS TO THE NORTH CAROLINA STATE BUILDING CODE, VOLUME I, GENERAL CONSTRUCTION, 1967 EDITION

13. Consideration was given to a resolution calling for a public hearing for the adoption of amendments to the North Carolina State Building Code, Volume I, General Construction, 1967 Edition.

The City Manager read the resolution.

Councilman Morris moved for the adoption of the resolution, setting the date for the public hearing for June 19, 1975. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Complete text of Resolution No. 75-79 will be found in Resolution Book No. 8 at page 138.

PETITION TO CLOSE A PORTION OF LANNING STREET AND RIDGELAWN ROAD - ASHEVILLE CITY BOARD OF EDUCATION

The City Manager advised Council that he had received a petition from Asheville City Board of Education requesting that a portion of Lanning Street and Ridgelawn Road be permanently closed. He told Council that if they wished to consider the closing of these streets it would be necessary to pass a resolution setting a public hearing on the question and that if it was Council's wish he was prepared to present the resolution at this time. On instructions from Mayor Wood he proceeded with the presentation of the following resolution.

RESOLUTION NO. 75-80 - RESOLUTION OF INTENT TO CLOSE A PORTION OF LANNING STREET AND RIDGELAWN ROAD AND CALLING A PUBLIC HEARING ON THE QUESTION

Vice-Mayor Marshall moved for the adoption of the resolution setting the date of the public hearing for June 26, 1975. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Complete text of Resolution No. 75-80 will be found in Resolution Book No. 8 at page 139.

PRESENTATION OF THE 1975-76 BUDGET

9. The City Manager read a prepared budget letter in submitting the 1975-76 budget to members of Council.

The City Manager issued special thanks and commendation to Larry Fisher, Director of Finance and Bob Wurst, Budget Officer for their efforts in putting the budget together. He said it is required that notice be given, by the City Clerk, that the budget has been presented to Council and that a public hearing would be held by Council prior to its adoption.

Councilman Morris moved to schedule a public hearing on the 1975-76 Budget for June 12, 1975. This motion was seconded by Vice-Mayor Calvin W. Marshall and carried unanimously.

Councilman Colton said it should be pointed out that, as requested by Council, the City Manager presented the budget without a tax rate increase which in his opinion was a difficult job.

RESOLUTION NO. 75-76 - RESOLUTION REGARDING AUDITING CONTRACT (Cherry, Bekaert & Holland)

10. Consideration was given to a resolution regarding auditing contract for fiscal year ending June 30, 1974.

The City Manager read the resolution.

Upon motion of Councilman Horton, seconded by Councilman Ochsenreiter, Resolution No. 75-76 was unanimously adopted.

Complete text of Resolution No. 75-76 will be found in Resolution Book No. 8 at page 135.

RESOLUTION NO. 75-77 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR A WATER LINE ALONG N. C. 694 (BEAVERDAM ROAD)

11. Consideration was given to a resolution authorizing Mayor to execute a right-of-way encroachment agreement with the North Carolina State Board of Transportation for a water line along N. C. 694 (Beaverdam Road).

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 75-77 was unanimously adopted.

Complete text of Resolution No. 75-77 will be found in Resolution Book No. 8 at page 136.

RESOLUTION NO. 75-78 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE SOUTHERN RAILWAY COMPANY CONCERNING A 12-INCH SANITARY SEWER LINE FROM MEADOW ROAD ACROSS THE RAILROAD FREIGHT YARDS AT BILTMORE, NORTH CAROLINA

12. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the Southern Railway Company concerning a 12-inch sanitary sewer line from Meadow Road across the railroad freight yards at Biltmore, North Carolina.

2. Secs. 5, 7 and 8 exempt events sponsored by veterans' organizations, civic clubs, fraternal organizations and eleemosynary organizations from paying the 5% license fee and from any regulation by the Commission. I certainly have no objection to the intent and spirit of this exemption. However, I can readily foresee that promoters of sporting events regulated by the Commission would very quickly find it a convenient and common practice to have their events "sponsored" by such organizations and give these organizations a token amount for their "sponsorship." As you know, this is very commonly the practice with traveling circuses and similar entertainment events. To insure that the purposes of the legislation and the Commission are not evaded by such arrangements, I would suggest that the exemption be deleted from Secs. 7 and 8, so that such events would be regulated by the Commission and that Sec. 5 be worded so that the license fee is rebated in proportion to the percentage of net revenues that the sponsoring charitable organization is to receive. In this manner, if a charitable organization were truly the promoter of the event, the organization would, under those circumstances, receive the entire net proceeds and would be exempted from payment of the license fee. However, if, on the other hand, the charitable organization were receiving only 10% of the net proceeds, 90% of the license fee would be collectible.

I am particularly concerned about the House amendments to Senate Bill 499, relating to a revision of the pension programs of the City of Asheville.

I certainly have no objection to requesting and obtaining a formal study by the Employee's Retirement and Health Benefits Division of the State Treasurer's Department to determine the feasibility of the City joining the Local Governmental Employee's Retirement System. In fact, our private study, which was made by the Raleigh consulting firm of H. Gray Hutchison and Associates, Inc., has given some analysis to the feasibility of Asheville participating in the Local Governmental Employee's Retirement System. However, it was at least preliminarily concluded that the State program was not feasible for the City of Asheville at this time. Among the reasons for this preliminary conclusion were the following:

1. The State program pays benefits equal to 1½% of salary up to $5,600.00 per annum and 1½% of compensation in excess of $5,600.00 per annum. Due to the long seniority of many of our non-uniformed personnel, the plan which we have been considering implementing for non-uniformed personnel would be based upon only 1% of compensation, due to the large amount of past service liability already built up in our employee group.

2. The State system permits retirement after 30 years of employment, regardless of age, whereas we had preferred to leave age 65 as the customary retirement date, again reducing the cost of the program to the City.

3. Under the State plan, policemen and firemen can retire at age 55, whereas under our existing plans for policemen and firemen, retirement age is 60. Again this reduces the long-term cost of the program to the City and the City's unfunded obligation with reference to the existing police and fire plans which is already a very substantial amount, due to the exceedingly large survivor benefits under our plan compared to plans of other systems.

Mayor Wood instructed the City Manager to have the Water and Sewer Department check out the water and sewer lines in this particular area and to get some understanding from the School Board as to who would be responsible for the expense of relocating the lines.

REPORT OF CITY MANAGER - SULPHUR SPRINGS ROAD-DELAWARE AVENUE-SAND HILL ROAD-SHELBURNE ROAD AND PETITION RECEIVED FROM RESIDENTS OF DRUID DRIVE

The City Manager said that at last weeks meeting a request was received from Councilman Hoyle and also a petition received from residents of Druid Drive for investigations relative to drainage problems in these areas. He said the Engineering Department was now working on both of these projects and a report would be made at next week's meeting.

REPORT OF STATUS OF LEGISLATION BILLS - PENSION AND BOXING AND WRESTLING COMMISSION

Mayor Wood reported that several weeks ago Council adopted a resolution requesting the General Assembly to adopt two local bills, one related to the City of Asheville Pension Program and the other relating to revisions in the local act establishing the Boxing and Wrestling Commission. He said Senator Crawford had the bills passed in the Senate and they were then sent to the House at which time Representative DeBruhl proposed certain amendments to both of the bills and at this time the matters are back to the Senate for their action on the amendments. He said after discussing the matter with Senator Crawford over the weekend, he wrote a letter to him objecting to the amendments. He then summarized the letter and instructed that the letter be made a part of the minutes.

The letter is as follows:

OFFICE OF MAYOR

May 26, 1975

Honorable I. C. Crawford
North Carolina Senate
Legislative Building
Raleigh, North Carolina

Dear I.C.:

I would like to share with you my concerns with reference to amendments made to Senate Bill 498 and Senate Bill 499 when passed by the House of Representatives.

The House amendments to Senate Bill 498 were essentially two in nature, as follows:

1. In Sec. 2, only one member of the Commission would be permitted to be compensated for attending events regulated by the Commission. As a practical matter, long-standing custom and practice is such that two members of the Commission usually are in attendance, one serving as secretary or other regulator of the business aspects of the event and another member serving as the physician. The result of the amendment would be to preclude more than one member from being compensated for these services. Therefore, I feel that the original language of Sec. 2, which permitted compensation of one or more members, is desirable from an administrative point of view.

Councilman Colton moved that Council concur in the contents of Mayor Wood's letter of May 26, 1975 to Honorable I. C. Crawford and that the City Clerk be instructed to write all members of the Senate and House delegation advising them of Council's unanimous concurrence. That a copy of Mayor Wood's letter be forwarded to each member of the delegation during their weekend recess. This motion was seconded by Councilman Morris and carried unanimously.

COUNCILMAN COLTON - FRENCH BROAD RIVER

Councilman Colton suggested that in light of the remarkable progress being made on cleaning up the pollution of the French Broad River, consideration should be given to plans for creating recreational areas along its banks.

COUNCILMAN OCHSENREITER - BASKETBALL COURTS- PARKING LOTS AT FIRST BAPTIST CHURCH

Councilman Ochsenreiter suggested that the developers, purchasing the old David Milliard High School property, work with the First Baptist Church to check into the feasibility of using the large parking areas for basketball courts during off hours. He also suggested that Ray Kisiah, Director of Parks and Recreation, work with these individuals to develop such a program.

Adjournment.

Richard D. Wood
MAYOR

Frances D. Mosser
CITY CLERK

4. The House amendment would contemplate the inclusion of employees of the local ABC system in the plan. I understand that a number of rulings from the Attorney General's Office through the years questions the propriety of including ABC employees under a pension plan with general local government employees, as opposed to having the ABC system establish its own plan or independently join the State system. More important from a practical point of view, however, is the fact that the City of Asheville does not receive all of the net profits of the local ABC system and it is, therefore, very inequitable to burden the City of Asheville with all of the retirement expense of employees of the local ABC system.

Finally, the House amendment requires that regardless of the conclusions arrived at as a result of a detailed study, City employees must be given the opportunity to elect as to whether they wish to join the State system. Admittedly, the new pension programs we are envisioning for non-uniformed personnel and future uniformed personnel is not as generous to employees or as expensive to the City as the State program, for the reasons outlined above, plus others. I feel that it should be the responsibility of the City Council to decide, after study of all feasible alternatives, which plan should be adopted for employees of the City. It would be contrary to this approach for the Legislature to dictate an election in which employees of the City could elect to participate in a program which the City Council did not feel was feasible.

Again, I emphasize that we are more than willing and prepared to undertake a full-scale study of the State plan should the delegation feel this is desirable, notwithstanding the cost of the study, the fact that preliminary analysis indicates that participation in the State plan is not feasible and such a study would delay the implementation of any new plan. Finally, I would emphasize that in no way does the legislation which you introduced jeopardize the pension benefits of existing police and fire personnel and the legislation which you introduced gives those personnel the right to join in any new pension plan, although I cannot perceive that they would wish to do so, since the new plan will not be as attractive as the existing police and fire plans.

I might add, in conclusion, that I had spoken by telephone last Thursday morning with Representative Claude DeBruhl and requested that he forward me copies of his amendments so that we could make comment upon them before final action in the House. He stated that he would mail me copies of his amendments (which he did and which I received on Friday morning) and that no action would be taken in the House until we had the opportunity to share our thoughts with him. However, both Bills were submitted to and passed by the House on Friday. Under these circumstances, it seemed most feasible and practical at this point to communicate the above views concerning the amendments to you.

Please advise if I can furnish you any additional information concerning the above.

With kindest regards.

Very sincerely yours,

Richard A. Wood, Jr.

PUBLIC HEARING - CLOSING OF A PORTION OF SOUTHSIDE AVENUE AND RALPH STREET, AND ALL OF CURVE STREET, GRAHAM STREET, SOUTHERN STREET, "DEATH" ALLEY, AND THREE UNNAMED ALLEYS

RESOLUTION NO. 75-81 - RESOLUTION TO CLOSE A PORTION OF SOUTHSIDE AVENUE AND RALPH STREET, AND ALL OF CURVE STREET, GRAHAM STREET, SOUTHERN STREET, THREE UNNAMED ALLEYS AND "DEATH" ALLEY

3. A public hearing was held concerning a request by the Asheville Housing Authority that a portion of Southside Avenue and Ralph Street, and all of Curve Street, Graham Street, Southern Street, "Death" Alley, and Three Unnamed Alleys be permanently closed.

Mayor Wood opened the public hearing at 3:10 o'clock p. m.

The City Manager read the resolution calling for a public hearing on the matter and the affidavit of publication setting the time and date for the public hearing. He also stated that he had received an affidavit stating that the proper notices were placed in accordance with the provisions of the resolution.

Mayor Wood instructed that the affidavit be put into the minutes of the meeting.

The affidavit is as follows:

STATE OF NORTH CAROLINA

COUNTY OF BUNCOMBE

A F F I D A V I T

RE: RESOLUTION NO. 75-81

LAWRENCE D. HOLT, being first duly sworn, deposes and says:

1.

That the Affiant, Lawrence D. Holt, is an employee of the Housing Authority of the City of Asheville.

2.

That the Affiant was directed to post notices along that portion of Southside Avenue and Ralph Street, and all of Curve Street, Graham Street, Southern Street, three unnamed alleys and "Death Alley", proposed to be closed in the East Riverside Renewal Project.

3.

That said notices of the closing and public hearing consisted of copies of the resolution of intent to close a portion of said streets and alleys and calling a public hearing on the question, said Resolution being numbered 75-67.

Thursday - June 5, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Eugene C. Ochsenreiter, Jr., Ralph D. Morris, Jr., J. W. Hoyle, Henry E. Colton, Bill B. Horton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of the May 29, 1975 meeting.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Marshall, the minutes of the May 29, 1975 meeting were approved as submitted.

PUBLIC HEARING - REZONING - 9-1/2 EAST STARNES COVE ROAD - MR. JOHN WOODY

ORDINANCE NO. 847 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED.

2. A public hearing was held relative to rezoning property at 9-1/2 East Starnes Cove Road, owned by Mr. John Woody, from CS Commercial Service District to R-3 Residential District.

Mayor Wood opened the public hearing at 3:01 o'clock p. m.

The City Manager read the notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Director of Planning, reviewed the report of the Planning and Zoning Commission which recommended that the request be approved for the following reasons:

1) The property is contiguous with the existing R-3 residential zoning;

2) Access to the property is from the residential section and not from the commercial strip along Highway 19-23; therefore, commercial development of the site is discouraged; and

3) In this case, it is the staff's opinion that a zoning amendment is justified.

It was noted that this property was located within the City's one mile zoning jurisdiction.

No one spoke in support of or in opposition to the petition.

Mayor Wood closed the public hearing at 3:07 o'clock p. m.

The City Manager was requested to read a prepared ordinance which would amend the Zoning Ordinance and rezone the property as petitioned.

Councilman Colton moved for the adoption of the ordinance. This motion was seconded by Councilman Horton.

On a roll call vote of 6-0, Ordinance No. 847 passed on its first reading.

Upon inquiry of Mayor Wood, Mr. Thoms said that although his statement made at the May 22, 1975 meeting relative to the waiving of the $2.00 monthly FM service charge to subscribers, after their paying of the initial $10.00 connection charge, was not included in the revised ordinance, that if the increase was granted, he would stand by his statement and that this would apply to old subscribers as well as new subscribers.

Mayor Wood suggested that a sentence be added to the paragraph entitled "Other Rates" which would read that the grantee will hereafter furnish to customers requesting the same FM service at no charge other than an initial installation fee of $10.00.

Councilman Colton said that this was an unusual franchise in that no member of Council moved for its adoption but was put on the books and adopted by the vote of the people. He questioned as to what authority Council has to amend the ordinance and change the rates.

In answer to Councilman Colton, Mr. Roberts cited Sections 212, 213, and 214 of Charter Appendix-Related Laws in the Code of Ordinances for the City of Asheville which stated that "All privileges and franchises and charters, whatsoever, granted by the Council of said City, and all ordinances thereof, conferring any such privileges, franchises, or charters, may be altered, amended, modified, repealed, or revoked by said Council from time to time, anything in such privileges, franchises, charters or ordinances contained to the contrary notwithstanding."

Councilman Colton reviewed that this ordinance was presented to the voters, by the provisions of Section 83 of the Charter for the City of Asheville, whereby Thoms Broadcasting Companies, Inc. presented a petition containing the sufficient number of signatures to require such an election. He said in researching he found that Minute Book 35, page 346 reflects that the ordinance was voted upon on July 28, 1967 and the Board of Elections certified the returns to Council that the ordinance was approved by a vote of 3,008 for the ordinance and 1,891 against the ordinance and that no member of Council ever moved for its adoption but only moved that the ordinance be put into the minutes of the meeting.

Councilman Colton also questioned whether Council had the right to reduce the voted upon 35-year franchise to a 17-year franchise. In answer to Councilman Colton, Mr. Roberts said he felt Council has this right. However, Corporation Counsel William C. Moore said it was his opinion that Council could not reduce or increase the number of years for the franchise since it was voted upon by the voters with such a stipulation.

Councilman Colton and Ochsenreiter agreed that the voters also voted upon the stipulation that the rates would not be changed for three year periods and these voters should be protected from any changes.

Councilman Horton said that in previous meetings he had made computations in which he stated that according to his figures and percentages, if Thoms Broadcastings Companies, Inc. progressed as much in 1975 over 1974 as they did in 1974 over 1973 the firm should realize an operating gain of $62,000. He said he would like to clarify this statement as he had inadvertently used the wrong percentages and in verifying his computations the firm would have a projected operating gain of $26,389., again emphasizing the fact that if the firm progressed as well as they did in 1974. He said he felt this would still be a pleasant increase.

That Affiant did in fact prominently post copies of said aforementioned Resolution to Close said streets and alleys and calling a public hearing on the question in two places along that portion of said streets and alleys proposed to be closed.

Mr. Larry Holt, of the Asheville Housing Authority, presented maps indicating the exact locations of the streets and alleys proposed to be closed. He described the streets to be closed and explained what would be placed upon the closed portions. He also stated that no one would be deprived of ingress or egress to their property by the closing of these streets.

No one expressed opposition to the request that these streets and alleys be permanently closed.

Mayor Wood closed the public hearing at 3:22 o'clock p. m.

The City Manager was requested to read a prepared resolution which would close the alleys and streets requested to be closed by the Asheville Housing Authority.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, Resolution No. 75-81 was unanimously adopted.

Complete text of Resolution No. 75-81 will be found in Resolution Book No. 8 at page 141.

ORDINANCE NO. 841 - AN ORDINANCE INCREASING CABLEVISION SERVICE CHARGES OF THOMS BROADCASTING COMPANIES, INC.

$. Consideration was given to the third and final reading of Ordinance No. 841, an ordinance increasing cablevision service charges of Thoms Broadcasting Companies, Inc.

Mayor Wood advised that the ordinance had carried on second reading, at the May 22, 1975 meeting, subject to several modifications prior to third reading of the ordinance. He then requested Mr. Landon Roberts, representing Thoms Broadcasting Companies, Inc., to read the proposed revised ordinance as it would be presented for the third and final reading.

provided for, the City Council shall upon satisfactory proof after hearing or on application of any customer, increase or decrease the rates to equal a nationwide average of rates as charged by CATV systems in cities and towns having approximately the same population as the City of Asheville; however, said decisions shall be for periods of at least three years." He said it was his opinion that this paragraph was the controlling factor in considering the approval of his request for an increase.

On a roll call vote of 3-4, Ordinance No. 841, as amended, failed on its third and final reading with Councilmen Morris and Hoyle and Vice-Mayor Marshall voting "aye" and Mayor Wood, Councilmen Ochsenreiter, Colton and Horton voting "no".

After the vote, Mr. Thoms made the following statement, which he said he would have preferred to make before the final vote by Council, but did not for fear of influencing the decision.

"To the members of Council who wisely voted for the small increase, I sincerely thank you. I'm sorry to say that no further expansion within the City of Asheville until the 3 year period has expired and we are assured of a just and reasonable return on our investment.

We will continute high quality service to the subscribers in Asheville wherever cable is located and continue a strong sales effort to saturate this market.

Our plans for the future, for the future Capital Cable Construction will proceed into the County areas where we are assured of a fair and satisfactory return on our investment. A further clarification will be forthcoming by a paid newspaper advertisement very shortly."

Mayor Wood directed the City Clerk to include Mr. Thoms statement in the minutes of the meeting and instructed the Corporation Counsel to give his opinion as to the implications of Mr. Thoms statement.

COUNCIL RECESS

Mayor Wood called for a five (5) minute recess at 4:27 o'clock p. m.

Council reconvened the meeting at 4:32 o'clock p. m.

PUBLIC HEARING - AMENDED SITE PLAN FOR K-MART SHOPPING CENTER

5. A public hearing was held to consider the approval of the amended site plan of the K-Mart Shopping Center.

Mayor Wood opened the public hearing at 4:32 o'clock p. m.

The City Manager read the notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Director of Planning, reported that the Asheville Planning and Zoning Commission unanimously recommended that the amended site plan of the K-Mart Shopping Center be approved subject to the following conditions:

Mr. Thoms said he still felt the start of 1975 was behind the progress made in 1974 and that he did not expect any changes.

Upon inquiry of Councilman Hoyle, Mr. Thoms quoted several price increases involved in the operation of his business.

After a lengthy discussion regarding the legality of Council's authority to amend the ordinance, it was the consensus that Council did have the authority to amend the ordinance and grant the increase.

Councilman Morris noted that since the beginning of the discussions relative to Mr. Thoms request for an increase, that at no meeting did any member of the public show an interest in opposing the increase. He said that he had had one phone call in opposition to the request.

Councilman Ochsenreiter commented that he had had several calls in opposition to the request.

Corporation Counsel William C. Moore said that from a legal standpoint it was his opinion that the last section of the revised ordinance dealing with the waiving of the increase for a 12 month period to anyone who would certify in writing that they could not afford an increase was unwieldy and should be expressed in some other language.

Councilman Morris moved to amend the ordinance as revised and by adding a sentence in the Section entitled "Other Rates" which would read that the grantee will hereafter furnish to customers requesting the same FM service at no charge other than an initial installation fee of $10.00. This motion was seconded by Vice-Mayor Marshall.

On a roll call vote of 5-1, the amendments to the ordinance carried, with Councilman Colton voting "no".

Councilman Horton said he felt there was a conflict of interest between Council's interest for Thoms Broadcasting Companies, Inc. request for a rate increase for valid reasons and Council's own personal obligations to the voters of Asheville who voted for the ordinance. He then requested permission to read Section 2 of the original ordinance which is as follows: "Section 2. This ordinance shall be effective as provided by law and the franchise granted shall be effective only after the same has been submitted at a special election to the qualified voters of the City and a majority of those voting upon the proposition have voted in favor of granting such franchise. This franchise shall be submitted to the qualified voters of the City of Asheville at a special election to be called and held according to law. Upon such approval and the certification of the City of Asheville of the returns from the election, and after the acceptance of this franchise by The Thoms Broadcasting Companies, Inc., said franchise shall continue in full force and effect for a period of thirty-five (35) years from the acceptance."

Mayor Wood then called for a roll call vote for the third and final reading of Ordinance No. 841, as amended.

Before the vote, Mr. Thoms read the following portion of Section 11 of the original ordinance "..... Provided, however, that subject to the provisions herein in this section set forth, the GRANTEE may voluntarily reduce its rates but that on the application of the GRANTEE for an increase of rates in order to fix a just and reasonable return to the GRANTEE to be charged customers for the services herein

Councilman Colton moved for the approval of the amended site plan of the K-Mart Shopping Center subject to the conditions set forth in the report from the Planning and Zoning Commission. This motion was seconded by Councilman Hoyle and carried unanimously.

BIDS - ONE (1) FOUR DOOR CAR FOR POLICE DEPARTMENT

6. Consideration was given to bids received May 30, 1975 for one (1) four door car for the Police Department.

The City Manager read a memorandum from the Purchasing Agent which stated that Apple Tree Chevrolet submitted the lowest bid in the amount of $3,760.47, however they failed to meet the bid specifications in regard to the following:

Electrical	80 Amp Battery	- 90 Amp not available
Tires	FR78-14/B Steel Belted Radials	- Rayon not available from Chevrolet
Seats	Full Foam	- Heavy Duty not available at this time.
Suspension	Radial Tuned Suspension	

Therefore, it was recommended that the second low bid submitted by Dorato Motors, Inc. in the amount of $3,874.29 be accepted.

Councilman Horton moved to approve the recommendations of the Purchasing Agent and award the bid to the second low bidder, Dorato Motors, Inc. in the amount of $3,874.29. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary - One (1) Four Door Car for Police Department

Bidder	Bid
Dorato Motors, Inc.	$3,874.29
Matthews Motors, Inc.	3,938.24

BIDS - FURNISH AND INSTALL AIR CONDITIONING EQUIPMENT IN BILLING AND COLLECTION DIVISION OF WATER DEPARTMENT

7. Consideration was given to bids received June 2, 1975 to furnish and install air conditioning equipment in Billing and Collection Division of the Water Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Asheville Heating and Cooling, Inc. in the amount of $6,400.00.

Councilman Morris moved to accept the recommendations of the Purchasing Agent and award the bid to the low bid submitted by Asheville Heating and Cooling, Inc. in the amount of $6,400.00. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

The developer shall agree and so state in writing that:

1) It is understood that access to Old Haw Creek Road is only granted on a temporary basis and that this access point will be closed upon the taking of Old Haw Creek Road by the N. C. Department of Transportation;

2) Any and all improvements necessary to make Old Haw Creek Road serviceable for traffic shall be borne by the developer; and

3) Access to Haw Creek Lane through the property currently owned by the Buncombe County School Board shall be approved in writing by the N. C. Department of Transportation and the Federal Highway Administration.

Further, the Asheville Planning and Zoning Commission recommends that traffic on Old Haw Creek Road be one-way on all segments.

In presenting the amended site plan and, at the request of Mayor Wood, Mr. Emrick reviewed in detail the conditions setforth in the report from the Planning and Zoning Commission which recommended approval.

Mr. Harold Bennett, attorney for K-Mart, answered general questions of Council relative to steps taken by the developer to meet the stipulations of the Planning and Zoning Commission.

After a lengthy discussion, Mr. Bennett pointed out that the recommended conditions would be met.

Mayor Wood instructed that the following letter, presented to Council, be put into the minutes of the meeting:

June 5, 1975

Mr. Verl Emrick
City Planning Director
City of Asheville
Asheville, N. C.

RE: K-Mart Plaza Development on South Tunnel Road

Dear Mr. Emrick:

I understand and hereby agree that access to Old Haw Creek Road is only granted on a temporary basis for K-Mart Plaza and that this access point will be closed upon the completion of the project along U. S. 70 by the North Carolina Department of Transportation and the erection of its fence along its right of way line.

I also understand and agree that it will be my responsibility to make any and all improvements necessary to make Old Haw Creek Road serviceable for traffic during the period that the access remains open.

Very truly yours,

/s/ Edward I. Greene

ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1975-76

8. Mayor Wood suggested that the ordinance be postposed until next week's meeting, at which time a public hearing will be held on the 1975-76 Budget.

RESOLUTION NO. 75-82 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER EXTENDING EASTERLY ALONG U. S. 70 APPROXIMATELY 530 FT. IN SWANNANOA, N. C.

9. Consideration was given to a resolution authorizing Mayor to execute right of way encroachment agreement with the North Carolina State Board of Transportation for water extending easterly along U. S. 70 approximately 530 ft. in Swannanoa, N. C.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 75-82 was unanimously adopted.

Complete text of Resolution No. 75-82 will be found in Resolution Book No. 8 at page 143

GROUP DEVELOPMENT - ASHEVILLE HOUSING AUTHORITY PROJECT NC 7-1 (A)

10. The City Manager read a letter from the Planning and Zoning Commission which recommended approval of the site plan for Project NC 7-1 (A) Office Structure to be located on South French Broad Avenue adjacent to Aston Park Towers, subject to the following conditions:

1) That the parking lot entrance on South French Broad be modified to reduce possible conflicting turning movements with service vehicles in route to Aston Towers; and

2) That the developer secure the following letters before final approval is granted:

   a) A statement of the adequacy of the water and sewer facilities to service the development;

   b) A statement from the Zoning Administrator approving all proposed curb cuts; and

   c) A statement of compliance with the Sedimentation Control Ordinance.

BIDS - RENTAL UNIFORM SERVICE FOR VARIOUS DEPARTMENTS OF THE CITY

8. Consideration was given to bids received June 3, 1975 for rental uniform service for various departments of the City.

The City Manager read a memorandum from the Purchasing Agent which stated that this bid request is to establish an agreement for rental uniform service to various departments of the City for a 24 month period commencing July 1, 1975 through June 30, 1977. He said award is on the basis of unit prices only, not total amount, which is based on estimated quantities. The unit prices are firm for the duration of the agreement. However, the City or the vendor may cancel agreement by giving written notice at least thirty (30) days prior to cancellation date. Payments are to be made monthly from each departments budget and will be based on actual quantities delivered. His recommendation was the acceptance of the low bid submitted for all items by Carolina Uniform Rental Company.

Vice-Mayor Marshall moved to accept the recommendation of the Purchasing Agent and award the bid to the low bid submitted by Carolina Uniform Rental Company. This motion was seconded by Councilman Morris and carried unanimously.

He said it was his opinion that to have a long term solution to this problem it would be necessary to severly restrict any further fill construction adjacent to Smith Mill Creek between the lower Patton Avenue crossing and the City Limits. He said furthermore, it was probably be necessary for the City or some other party to excavate an adequate channel for this creek to avoid periodic flooding of Druid Drive.

He said it was his opinion that it was very important for Council to consider legislating a policy on prohibiting or restricting encroachments on stream beds by property owners in the City Limits. He said that an amendment to the Erosion Control Ordinance could possibly cover this. He further said that it would take a considerable amount of money to correct this situation.

Mayor Wood requested that a further report be made relative to correcting the drainage problems on Druid Drive and he also requested that the Corporation Counsel check into the legal aspects of the responsibility for such action.

The City Manager also reported that the Engineering Department was still investigating the drainage problems in the Sand Hill Road-Shelburne Road-Delaware-Sulphur Springs Road area.

CERTIFICATE OF APPOINTMENT OF COMMISSIONER OF THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE

Mayor Wood reappointed Mrs. Earl L. Shook, Jr. as a Commissioner to the Housing Authority of the City of Asheville to serve for a term of five (5) years, ending June 16, 1980.

METER READING BY RADIO TRANSMISSION

Upon inquiry of Councilman Morris, Mr. Edens reported that a substantial percentage of the water meters were now being read by radio transmission and that the results have been encouraging both from the standpoint of accuracy and efficiency.

Adjournment.

Richard D. Wood, Jr.
MAYOR

Frances D. McGuire
CITY CLERK

Councilman Ochsenreiter moved to schedule a public hearing on the matter for June 26, 1975. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

GROUP DEVELOPMENT - ASHEVILLE HOUSING AUTHORITY NC 7-1 (B)

11. The City Manager read a letter from the Planning and Zoning Commission which recommended approval of the site plan for Project NC 7-1 (B) Housing for Elderly to be located at the intersection of Bartlett and Fagg Street in the East Riverside Urban Renewal Area, subject to the following conditions:

1) Improvement to internal traffic pattern to facilitate fire fighting equipment and turn-around of vehicles;

2) City Council waiving parking requirements to permit 21 spaces instead of the required 121 spaces; and

3) The developer securing the following letters before final approval is granted:

   a) A statement of the adequacy of water and sewer facilities to service the development; and

   b) A statement of compliance with the Sedimentation Control Ordinance.

Corporation Counsel William C. Moore reported that in regard to the condition that the City Council waive parking requirements to permit 21 spaces instead of the required 121 spaces, under the new zoning ordinance it requires that there be 2 parking spaces on the lot for each dwelling unit, except that in the case of apartments for the elderly or low income housing projects, the required parking may be reduced by one parking space on each lot for each dwelling unit. He said there is a question as to whether the Division of Planning, Zoning Board of Adjustments or City Council has the authority to waive the requirement. He said it was his opinion that the Zoning Ordinance must be amended to grant the Zoning Board of Adjustment or the City Council the authority to waive such parking requirements.

It was the consensus that the Zoning Board of Adjustment could request Council to waive the parking requirements.

Councilman Ochsenreiter moved to schedule a public hearing on the matter for June 26, 1975. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Mayor Wood requested that the Asheville Housing Authority make arrangements with the Asheville Transit Authority for the re-routing of bus schedules during the closing of the streets and construction in the East Riverside Urban Renewal Area.

REPORT ON PETITION FROM RESIDENTS OF DRUID DRIVE FOR RELIEF OF FLOODING

Mr. Bill Edens, Water and Sewer Department Director, stated that the pipe culvert behind the T and H Tire Company adjacent to Druid Drive is incapable of carrying flood waters, expected to occur once a year.

Councilman Colton took his seat at 3:12 o'clock p. m.

Councilman Horton expressed appreciation to the City Manager and his staff for their efforts in preparing the budget and for holding the tax rate at the present level. He said Council would be reviewing the budget in detail before the third and final reading.

Councilman Horton moved for the adoption of the ordinance. This motion was seconded by Councilman Colton.

On a roll call vote of 5-0, Ordinance No. 848 passed on its first reading.

ORDINANCE NO. 847 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (PROPERTY OF MR. JOHN WOODY - 9-1/2 EAST STARNES COVE ROAD)

3. Consideration was given to the second reading of Ordinance No. 847, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Property of Mr. John Woody - 9-1/2 East Starnes Cove Road).

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 847 passed on its second reading.

RESOLUTION NO. 75-83 - RESOLUTION AUTHORIZING AN APPROPRIATION OF $538.50 TO THE ASHEVILLE-BUNCOMBE COUNTY BUREAU OF INDENTIFICATION

4. Consideration was given to a resolution authorizing an appropriation of $538.50 to the Asheville-Buncombe County Bureau of Indentification.

The City Manager read the resolution.

Mr. Michalove, Assistant City Manager, explained that this grant would allow for improvements to the record keeping system of the Asheville-Buncombe County Bureau of Identification by switching to an automated system, thereby increasing productivity. He said the total cost of the project would be $21,540. He said the federal grant would cover $19,386; the State $1,077 and the City and County sharing the remaining $1,077. He said the County had already passed a resolution authorizing the Chairman to submit the grant application.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 75-83 was unanimously adopted.

Complete text of Resolution No. 75-83 will be found in Resolution Book No. 8 at page 144.

RESOLUTION NO. 75-84 - RESOLUTION AUTHORIZING THE EXTENSION AND/OR TERMINATION OF MODEL CITIES CONTRACTS

5. Consideration was given to a resolution authorizing the extension and/or termination of Model Cities Contracts.

Thursday - June 12, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Bill B. Horton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/ City Clerk William F. Wolcott, Jr.

Absent: Councilmen Eugene C. Ochsenreiter and Henry E. Colton

1. Approval of minutes of June 5, 1975 meeting.

Councilman Horton noted that in regard to his statement, recorded on page 262 of the minutes, relative to Thoms Cablevision's projected operating gain for 1975, the minutes reflects that he stated that "the firm would not have a projected operating gain of $26,389" and the minutes should read "that the firm would have a projected operating gain of $26,389." The City Clerk advised that this change would be made.

PUBLIC HEARING - 1975-76 BUDGET

ORDINANCE NO. 848 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1975-76

2. A public hearing was held on the presentation of the 1975-76 Budget.

Mayor Wood opened the public hearing at 3:03 o'clock p. m.

The City Manager read the notice to the public and affidavit of publication setting the time and date for the hearing. He also advised that all requirements for presenting the budget, under the Budget Control Act, has been complied with in accordance with the act.

Mr. Edward T. Vogel, Administrator for the Orthopedic Hospital and Rehabilation Center, Inc., read a letter requesting Council to consider appropriating $80,000 to the hospital Building Fund. He said the Board of Trustees had approved a $745,000 capital fund drive to expand the services of Orthopedic Hospital. This to include the following:

Handi-Skills Sheltered Workshop;
Speech and Hearing Building;
Indoor Hydrotherapy Pool; and
Gymnasium

He said at the height of their campaign, Buncombe County granted $200,000 for the construction of a school building, but that the drive was still $135,000 short of their goal. He said an early decision would be greatly appreciated.

Mr. E. R. McCarthy asked that any unnecessary frills in the budget be eliminated in order to leave a broader base to cover any inflationary costs.

There being no further comments from the public or Council, Mayor Wood closed the public hearing at 3:10 o'clock p. m.

At the request of Mayor Wood, the Corporation Counsel read the budget ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the fiscal year 1975-76.

After discussion, Councilman Colton moved that the City Council recommend that the General Assembly adopt the original proposal that the amount of the ad valorem tax on business inventories paid to local governments be a credit against the North Carolina Income Tax of the entities involved. This motion was seconded by Councilman Horton and unanimously adopted.

Mayor Wood directed that the City Clerk send telegrams to the members of the General Assembly advising them of Councilman Colton's motion which was unanimously adopted.

CHAMBER OF COMMERCE - REQUEST FOR LEASE OF CITY PROPERTY - ASHEVILLE AIRPORT

The City Manager presented a request from the Asheville Area Chamber of Commerce proposing to lease a booth at the Asheville Airport for an Information Center. He said he needed direction from Council to give notice to the public that the Council will consider executing such lease for property at the Asheville Airport to the Asheville Area Chamber of Commerce.

Councilman Morris moved to direct the City Clerk to publish a notice to the public that Council will consider executing such a lease with the Asheville Area Chamber of Commerce at the meeting of June 26, 1975. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

AMENDMENTS TO ZONING ORDINANCE REQUESTED

The City Manager read a letter from the Planning and Zoning Commission which recommended approval of the following:

(1) Petition submitted by Penland and Sons Funeral Home requesting that the wording of Ordinance #322 be amended to permit Funeral Homes as an allowed use in Commercial General District; and

(2) Recommendations suggesting several wording changes in Ordinance #322 submitted by the Zoning Administrator on behalf of the Board of Adjustments.

Further, the staff of the Planning and Zoning Commission recommends that in order to carry out the Commission's recommendations of granting a variance for parking requirements on Asheville Housing Authority Project NC 7-1 (B) that Ordinance #322 be amended to read as follows:

Page 16 - Paragraph G.

"Any residential use. Two (2) parking spaces on the lot for each dwelling unit, except that, in the case of any apartment complex for the elderly, or subsidized low income housing projects, parking requirements will be determined by the City Council after receiving recommendations from the Planning and Zoning Commission and its staff."

Councilman Morris moved to schedule a public hearing on the matter for July 10, 1975. This motion was seconded by Councilman Colton and carried unanimously.

The City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Morris, Resolution No. 75-84 was unanimously adopted.

Complete text of Resolution No. 75-84 will be found in Resolution Book No. 8 at page 145.

COUNCIL'S POSITION ON GENERAL ASSEMBLY HOUSE BILL 473 REDUCING PROPERTY TAX ON BUSINESS INVENTORIES

Mayor Wood explained that House Bill 473 would provide for a 50% reduction in the property tax on business inventories, phased in over the next five years. He said, originally the reason for this bill was to encourage industry to locate within the State.

At the request of Mayor Wood, the City Manager advised that he had obtained estimates from the Buncombe County Tax Supervisor's office as to the possible impact of such legislation. He said, based on the assumption of a 90% collection rate, the City would lose $56,000 in revenues the first year and by the end of the five year period, the revenue loss to the City was estimated to be $281,520 per year.

Councilman Morris said he felt the City would lose more revenue than estimated because the tax collection rate from businesses was higher than 90 per cent. He said he favored the inventory tax only if the State absorbed the revenue loss.

Councilman Horton said it appeared to him that the psychology of trying to induce industries to locate here was sound but that he did not favor the city paying the bill for the revenue loss.

Councilman Hoyle said he was in favor of the legislation and did not foresee any losses because if this encouraged industry into the area it would be well worth it. He said North Carolina is the only State in this part of the country with this type of tax and a lot of industry has declined from coming into North Carolina for this reason.

Vice-Mayor Marshall concurred in Councilman Hoyle's statement.

Mayor Wood said it was his opinion that the original design of the bill was to attract industry, however it was expanded to include not only industry inventories but also retail establishments for all merchants. He said if the motive or purpose was to attract industry, he felt extending the exemption to retail inventories did not contribute to the original purpose.

He said a suggestion had been made that the inventory tax be reduced to manufacturing concerns but not to business establishments of a non-manufacturing nature and this could still accomplish the original purpose.

Councilman Colton said he felt that all members of Council would agree that the original proposal was satisfactory, however he also felt Council had an obligation to represent the taxpayers of the City of Asheville and traditionally the sources of the city's revenues have been curtailed rather than extended and this would be just another curtailment.

APPEAL OF KENNETH BISHOP - DISMISSED FROM THE ASHEVILLE FIRE DEPARTMENT

Corporation Counsel William C. Moore reported, as information, that Mr. Kenneth Bishop had requested that his appeal from Civil Serice Rulings be dismissed and that he be reinstated. He said this would require concurrence by the Civil Service Board, the City Manager and the Corporation Counsel. He said concurrence by the Civil Service Board would be forthcoming at a later date.

AIRPORT IMPROVEMENTS HEARING

Corporation Counsel William C. Moore reported that on Tuesday, July 10, 1975, Verl Emrick,Gary Taylor, and himself met with Mr. Kenneth Youngblood and Mr. Albert Sneed, attorneys representing landowners of property in the vicinity of the Asheville Airport. The purpose of the meeting was to discuss the scheduled public hearing relative to the environmental impact of the proposed extension to the airport. During the conference Mr. Youngblood questioned the feasibility of determining the total environmental impact on the property in the area without also reviewing the zoning ordinance for the airport, now also under consideration by the FAA and City Council. Both attorneys requested additional time to review the proposed zoning ordinance as well as to confer with the city's airport consultants on other aspects of the project. Mr. Moore said he concurred with this request.

Councilman Morris moved to postpone indefinitely, the public hearing on the environmental impact of the proposed runway extension at the Asheville Airport, scheduled for June 16, 1975 at 2:00 o'clock p. m. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

REPORT OF CORPORATION COUNSEL ON STATEMENT MADE BY MR. HAROLD THOMS

Corporation Counsel William C. Moore requested that, as instructed by Council, he had looked into the statement made by Mr. Harold Thoms of Thoms Broadcasting Companies, Inc. at last weeks meeting, relative to his intentions of curtailing cablevision service within the City Limits of Asheville.

Mr. Moore said that according to Section 26 of the franchise, which reads as follows: "The grantee shall develop its system as herein provided and offer services wherever practicable to every resident of the City of Asheville served by the public utilities of the City of Asheville including city water, sewer facilities, Carolina Power and Light Company facilities, Southern Bell Telephone and Telegraph Company services and Publis Service Gas gacilities." He said if Mr. Thoms' statement is taken in context and if Mr. Thoms in fact does intend that there will be no further expansions in the City of Asheville, even where practical, then it would be his opinion that there would be a violation of the terms of the franchise held by Mr. Thoms. He said he would like a clarification of Mr. Thoms' intentions, at which time he would make a recommendation to the Council for further action.

Councilman Morris moved to instruct the Corporation Counsel to contact Mr. Thoms with reference to a clarification of the statement. This motion was seconded by Councilman Colton and carried unanimously.

MR. E. R. McCARTHY - COMMENTS RELATIVE TO ASHEVILLE CIVIC CENTER

Mr. E. R. McCarthy read a letter to Council, addressed to the editor of the Asheville Citizen-Times. In the letter he critized the operation of the Asheville Civic Center.

Adjournment.

Richard D. Woods, Jr.
MAYOR

Marian F. Rollins, CMC
CITY CLERK

REZONING REQUEST - MRS. NEVA A. HANCOCK - 16 AND 22 BROAD STREET

The City Manager read a letter from the Planning and Zoning Commission which recommended that the request of Mrs. Neva A. Hancock that Lots 12 and 13-1/2, Sheet 4, Ward 2 (16 and 22 Broad Street) be rezoned from R-3 Residential District to CH Commercial Highway, be denied and the property remain as it is now zoned. He advised that he had received a letter from James S. Howell, attorney for Mrs. Hancock, requesting that a public hearing be scheduled for the matter.

Councilman Morris moved to schedule the public hearing for July 10, 1975, to be advertised at the petitioners expense. This motion was seconded by Councilman Boyle and carried unanimously.

COMMUNITY DEVELOPMENT APPROVAL

Mr. Michalove, Assistant City Manager, advised that the City of Asheville had received a letter from the Department of Housing and Urban Development dated June 9, 1975 announcing that the Community Development entitlements in the amount of $2,779,000 had been approved. He said the program would get under way immediately, roughly 10 days.

Mayor Wood noted that Asheville was second in North Carolina, behind Charlotte, in receiving approval for the Community Development Program. He said the HUD office had been very complimentary about the thoroughness and the detailed application and he felt the efforts of the staff working on the program was commendable.

RESOLUTION NO. 75-85 - RESOLUTION APPOINTING MEMBERS TO THE BOXING AND WRESTLING COMMISSION FOR THE CITY OF ASHEVILLE (Robert B. Terrell, Leon H. Feldman, and Thomas E. Saunooke)

Consideration was given to a resolution appointing Robert B. Terrell, Leon H. Feldman, and Thomas E.Saunooke as members of the Boxing and Wrestling Commission.

The City Manager read the resolution.

Upon motion of Councilman Horton, seconded by Councilman Hoyle, Resolution No. 75-85 was unanimously adopted.

Complete text of Resolution No. 75-85 will be found in Resolution Book No. 8 at page 147.

CLAIM - WATER DAMAGE - THE MAD HATTER SHOPPE WAREHOUSE

Corporation Counsel William C. Moore reported that with reference to a claim for storm water damage to merchandise submitted by the Mad Hatter Shoppe Warehouse on Merrimon Avenue, that he had turned this claim over to the City's insurance carrier, Mr. G. M. Williams, Jr. An investigation was made by their adjustors and members of the City Staff and Mr. Williams now recommends that the claim be denied and that he concurred with this recommendation.

Councilman Morris moved to accept the recommendation of the Corporation Counsel and deny the claim submitted by the Mad Hatter Shoppe Warehouse. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Mayor Wood directed the City Clerk to notify Mr. J. Lawrence Smith that the claim had been denied.

The City Manager advised that during the past week Council had reviewed the budget in detail and that he was instructed to make several adjustments. He said that these adjustments had been made in the form of an amendment which had been prepared for Council's consideration.

ORDINANCE NO. 850 - AMENDMENT TO ORDINANCE NO. 848, "AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1975-76"

Councilman Colton presented the amendments and moved for its adoption. This motion was seconded by Councilman Horton.

On a roll call vote of 5-0, Ordinance No. 850 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 850. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 850 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 850. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 850 passed on its third and final reading.

Vice-Mayor Marshall then requested that the City Clerk call the roll on the second reading of Ordinance No. 848, as amended.

On a roll call vote of 5-0, Ordinance No. 848 passed on its second reading.

ORDINANCE NO. 847 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

4. Consideration was given to the third and final reading of Ordinance No. 847, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended.

Vice-Mayor Marshall advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 847 passed on its third and final reading.

BIDS - FIFTY (50) DRY TOP TRAFFIC MODEL FIRE HYDRANTS FOR THE WATER AND SEWER DEPARTMENT

5. Consideration was given to bids received June 16, 1975 for fifty (50) dry top traffic model fire hydrants.

The City Manager presented the bids by reading a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Silverman Company at $240.05 per unit, totaling $12,002.50.

Thursday - June 19, 1975 - 3:00 o'clock p. m.

Absent: Corporation Counsel William C. Moore

1. Approval of minutes of June 12, 1975 meeting.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Morris, the minutes of the June 12, 1975 meeting were approved as submitted.

PUBLIC HEARING - ADOPTION OF AMENDMENTS TO NORTH CAROLINA STATE BUILDING CODE

ORDINANCE NO. 849 - AN ORDINANCE AMENDING SECTION 8-1 OF CHAPTER 8, ARTICLE 1 OF THE CODE OF ORDINANCES, ENTITLED STATE BUILDING CODE ADOPTED

2. A public hearing was held concerning the adoption of amendments relating to the North Carolina State Building Code, Volume I, General Construction, 1967 Edition.

Mayor Wood opened the public hearing at 3:02 o'clock p. m.

The City Manager read the notice to the public and affidavit of publication setting the time and date for the public hearing.

Mr. J. E. Johnson, Building Inspector, explained that this ordinance would adopt all amendments made to the North Carolina State Building Code by the North Carolina Building Code Council through January 1, 1975.

Mayor Wood closed the public hearing at 3:04 o'clock p. m.

The City Manager read the ordinance.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 849 passed on its first reading.

Mayor Wood asked to be excused from the meeting and turned the meeting over to Vice-Mayor Marshall at 3:10 o'clock p. m.

ORDINANCE NO. 848 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1975-76

3. Consideration was given to the second reading of Ordinance No. 848, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the fiscal year 1975-76.

The City Manager read the resolution.

Mayor Wood rejoined the meeting at 3:25 o'clock p. m.

Mr. Edens, Water and Sewer Director, explained that the encroachments were necessary for the installation of telemetering facilities such as flow monitoring vaults, pressure tap vaults, service poles and necessary water line connections to telemeter information from various points in the Water Distribution System to the Water Treatment Facilities at North Fork Reservoir.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Colton, Resolution No. 75-85 was unanimously adopted.

Complete text of Resolution No. 75-85 will be found in Resolution Book No. 8 at page 148.

William C. Moore, Corporation Counsel, joined the meeting at 3:30 o'clock p. m. and Robert J. Robinson was excused from the meeting.

GRAFFITTI LOUNGE - DISCUSSION

Mayor Wood advised that it had been reported that the State ABC Board, at a meeting held on Monday, June 16, 1975, approved an on-premises beer license for the Graffitti Lounge on Merrimon Avenue. He said the license was approved eventhough the Chief of Police, City Council, and the State ABC Hearing Officer had gone on record as opposing the issuance of the license.

Chief Hall said he had talked with Mr. David McElyea, one of the proprietors, earlier in the day, and was informed that it was their intention to open the business sometime in the future, but that he would contact Chief Hall before doing so. He said it was his understanding that the applicants were highly recommended to the State ABC Board.

Councilman Morris commented that he did not understand why the State ABC Board asked for recommendations from the chief law enforcement officer in a municipality if they were not going to consider such recommendations. He said he felt there was no question about the character of the applicants, but there was a question about the location of the business with the background of prior difficulties.

Councilman Horton said it was his understanding that the same applicants had also obtained a license for and had opened a business on Swannanoa River Road known as "Dr. Feelgood's". He questioned whether or not there was a mix up by the Board on the issuance of licenses for both businesses, since the proprietors were the same.

Chief Hall stated that he was in favor of the issuance of a license for the business on Swannanoa River Road and it had been his understanding that if a license was granted for this location then the applicants would not consider opening the one on Merrimon Avneue. He said he had been assured by the State ABC Board that there was no misunderstanding in the two different licenses and the Board was aware of both locations.

Mayor Wood said that he had just concluded a telephone conversation with Mr. Hickman, a member of the State ABC Board, who confirmed that there was no misunderstanding and that the Board was aware of the prior difficulties of the location as well as the recommendations of the Chief of Police, City Council, and their Hearing Officer, but they had been impressed with the applicants.

Mr. Bill Edens, Water and Sewer Director, explained that most of these hydrants were being purchased to replace inoperable ones.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and to award the bid to the low bidder, Silverman Company at $240.05 per unit, totaling $12,002.50. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Bid Summary - Fifty (50) Dry top Traffic Model Fire Hydrants

BIDS - UNIFORMS FOR HILLCREST DRILL TEAM

6. Consideration was given to bids received June 16, 1975 for uniforms for Hillcrest Drill Team for the Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Stanbury and Company in the amount of $3,181.40.

Mr. Ray Kisiah, Director of Parks and Recreation, explained that the Hillcrest Drill Team Program had been very successful and they were now extending the program to include girls. He said this was the reason the new uniforms were needed.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Stanbury and Company, in the amount of $3,181.40. This motion was seconded by Councilman Horton and carried unanimously.

Bid Summary - Uniforms for Hillcrest Drill Team

RESOLUTION NO. 75-85 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR TELEMETERING FACILITIES TO BE INSTALLED AT VARIOUS LOCATIONS IN CONJUNCTION WITH THE WATER TREATMENT FACILITIES AT NORTH FORK RESERVOIR

7. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina State Board of Transportation for telemetering facilities to be installed at various locations in conjunction with the water treatment facilities at North Fork Reservoir.

and Air Conditioning Contract and the architect recommended that this bid be accepted.

Davis Electric Company submitted the low bid of $22,999 for the Electrical Contract, and the architect recommended the reduction of several light fixtures which reduced the total to $22,000.

The total of all contracts recommended by Mr. Traber was $343,150. In addition, fencing was added for fire station #2 at $2,800, plus a balance of $3,000 for architectural fees, making a total cost of $348,950 for both stations. Mr. Traber advised that he had met with Fire Chief P. M. Ball and Mr. Wolcott, Assistant City Manager and that all concurred with the deletions and recommendations.

Councilman Morris moved to accept the recommendation of the architect and award the Electrical Contract to Davis Electric Company in the amount of $22,000. This motion was seconded by Councilman Hoyle and carried unanimously.

Councilman Morris moved to accept the recommendation of the architect and award the Heating and Air Conditioning Contract to Twentieth Century Heating Company in the amount of $27,600. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Councilman Colton moved to accept the recommendation of the architect and award the Plumbing Contract to Moser, Inc. in the amount of $31,800. This motion was seconded by Councilman Morris and carried unanimously.

Councilman Morris moved to accept the recommendation of the architect and award the General Contract to Duyck Construction Company in the amount of $261,750. This motion was seconded by Councilman Hoyle and carried unanimously.

A complete bid tabulation will be on file in the Office of the City Clerk.

REPORT OF CORPORATION COUNSEL - THOMS BROADCASTING COMPANIES, INC.

Mr. William C. Moore, Corporation Counsel reported that as directed, he had been in contact with Mr. Max Cogburn, attorney for Thoms Broadcasting Company regarding the intentions of Thoms Broadcasting Company to expand their cablevision service. He read portions of a prepared statement submitted by Mr. Harold Thoms which indicated that it was the intention of Thoms Broadcasting Company to continue expansions of their service within the City Limits. Mr. Moore then advised that in light of the statement submitted by Thoms Broadcasting Company it was now his opinion that they would not be in violation of their franchise with the City of Asheville.

Mayor Wood instructed the City Clerk to insert Mr. Thoms statement into the minutes of the meeting.

The statement is as follows:

Upon inquiry of Councilman Horton as to whether or not the area residents had any recourse, Mayor Wood said it was his understanding that any issuance of a permit by the State ABC Board could not be appealed by any party and that the only step thereafter is to have a revocation of the permit for some violation of the law.

BIDS - RENOVATE LIVINGSTON STREET NEIGHBORHOOD FACILITY

Mr. Ray Kisiah, Director of Parks and Recreation, explained that bids were opened for the renovation of the Livingston Street Community Center on June 3, 1975 by the architects, Six Associates, Inc. He said the low bids were as follows:

General Contract	- Harkey Construction Company	-	$344,200
Plumbing Contract	- Rogers Plumbing & Hearing Company	-	$ 20,000
Heating & Air Cond.	- Moser, Inc.	-	$ 47,900
Electrical Contract	- M. B. Haynes Electric Corporation	-	$ 54,549
	Total		$466,649

Mr. Kisiah noted that the expenses to date from the original $610,000 appropriation for the project was $100,00 for the purchase of the property; estimated $44,000 in architectural fees; leaving a balance of $466,000. However, anticipated additional expenses include $6,000 inspection fees for HUD, which is a built-in cost; $25,000 for additional repair and renovation of the existing building and annex which is not included in the bids; and $25,000 for equipment. He said it appears that the total amount for the project would exceed the amount available by approximately $56,000. He said after meeting with the architects, it was noted that some reductions in the building costs could be made by change orders. He answered general questions of Council as to what could be deleted from the contract. He said it was the architects recommendations that the bids be awarded to the low bidders, subject to HUD review.

Councilman Morris moved to accept the recommendations and award the contracts to the low bidders. This motion was seconded by Councilman Colton and carried unanimously.

Mayor Wood said he felt Council had authorized the full project and that perhaps additional funds could be anticipated from surplus Model Cities funds. He said Council could also consider authorizing change orders at a later date.

A complete bid tabulation sheet will be on file in the Office of the City Clerk.

BIDS - FIRE DEPARTMENT SUB-STATIONS- HENDERSONVILLE ROAD AND SOUTH FRENCH BROAD AVENUE

The City Manager presented low bids received June 10, 1975 for the construction of two (2) fire department sub-stations to be located on Hendersonville Road and South French Board Avenue.

General Contract - Duyck Construction Company - $285,000.

Mr. Larry Traber, architect for the projects, recommended acceptance of this bid with alternate #2 to include the deletion of $13,200 for a skylight over the captain's office. He recommended other deletions in the amount of $11,050 for a total deduction of $23,250, making the final general contract $261,750.

Moser Plumbing submitted the low bid of $31,800 for the Plumbing Contract and the architect recommended that this bid be accepted.

Twentieth Century Heating Company submitted the low bid of $27,600 for the Heating

CITY OF ASHEVILLE WITH A VIABLE CATV SYSTEM SECOND TO NONE IN THIS COUNTRY.

THOMS CABLEVISION MADE SERVICE AVAILABLE TO 3,000 SUBSCRIBERS WITHIN THE FIRST TWO YEARS AND 4 MONTHS OF OPERATION. IN LESS THAN 7 YEARS WE HAVE COVERED OVER 70% OF THE CITY OF ASHEVILLE. WE DELAYED OUR FIRST RATE INCREASE FOR NEARLY THREE YEARS, WE HAVE PUSHED AHEAD CONSTANTLY AND CONSCIENTIOUSLY, DESPITE INFLATION, RECESSION AND LARGE OPERATING LOSSES.

GENTLEMEN, YOU WOULD HAVE TO BE ACTIVE IN THE CABLE INDUSTRY TO REALIZE THE MANY, MANY WAYS IT WOULD HAVE BEEN POSSIBLE TO ACHIEVE A SHORT-RANGE PROFIT PICTURE TO THE NEGLECT OF LONG-RANGE TECHNICAL EXCELLENCE. BECAUSE WE DID NOT PURSUE THIS COURSE WE NOW HAVE A CABLE SYSTEM IN WHICH WE CAN BE JUSTIFIABLY PROUD... 20 CHANNEL CAPABILITY ... TWICE AS MANY TV CHANNEL SELECTIONS AS THE NATIONAL AVERAGE ... SUPERVISED CONSTRUCTION OF 140 MILES OF CABLE THAT HAS ASSURED MAXIMUM QUALITY ... OVER 500 AMPLIFIERS WHICH ARE BEING BALANCED DAILY TO INSURE PICTURE CLARITY ... 2,175 FREE CUSTOMER CALLS IN 1974 ALONE ... PLUS 14 CHANNEL FM SERVICE. AND ... AS I ASSURED YOU IN MY STATEMENT ... WE WILL CONTINUE HIGH QUALITY SERVICE TO OUR SUBSCRIBERS AS WELL AS CONTINUING A STRONG SALES EFFORT.

WHEN I MADE THE STATEMENT THERE WOULD BE NO FURTHER EXPANSION WITHIN THE CITY OF ASHEVILLE UNTIL THE 3 YEAR PERIOD HAD EXPIRED, I DID NOT MEAN TO IMPLY THAT CURRENT CONSTRUCTION WOULD CEASE. THERE ARE TWO AREAS OF THE CITY NOW UNDER CON-

JUNE 16, 1975

DEAR MR. MAYOR AND MEMBERS OF THE CITY COUNCIL:

I CONSIDER IT UNFORTUNATE THAT MY STATEMENT BEFORE THIS COUNCIL JUNE 13TH WAS SO BRIEF AS TO BE MISUNDERSTOOD AND POSE ANY QUESTION IN YOUR MINDS THAT I WOULD CONCEIVABLY, OUT OF SOME SORT OF BITTERNESS OR "POOR-LOSER" TYPE OF VINDICTIVENESS, DEPRIVE THE CITY OF ASHEVILLE OF ANY FUTURE CABLE CONSTRUCTION. IT HAS BEEN MY INTENTION FROM THE VERY BEGINNING TO SERVE THIS CITY WITH THE FINEST, MOST UP-TO-DATE AND EXTENSIVE CABLE SYSTEM AVAILABLE ... AND I MIGHT ADD, USUALLY THE MOST EXPENSIVE! TO THIS END I HAVE LENT ALL OF MY EFFORT, KNOWLEDGE, EXPERIENCE AND APPROXIMATELY TWO MILLION DOLLARS OF MY PERSONAL FINANCES.

INDEED ... AS ONE MEMBER OF COUNCIL POINTED OUT ... HE DIDN'T SEE HOW A MAN WOULD WANT TO STAY IN BUSINESS AND BE IN THIS TYPE OF LOSS POSITION ... THAT HE WOULD BE VERY PERPLEXED TO KNOW THAT HIS OWN CAPITAL OUTLAY WASN'T BRINGING A GREATER RETURN.

WELL, GENTLEMEN, WHILE A POOR FINANCIAL SHOWING MAY BE PERPLEXING ... AND IS CERTAINLY DISAPPOINTING ... IT IS THE ULTIMATE GOAL THAT IS THE SUSTAINING FACTOR ... AND MY GOAL HAS BEEN ... AND WILL CONTINUE TO BE ... SERVING THE

MUST SLOW OUR PACE UNTIL SUCH TIME THAT THE GENERAL ECONOMY IMPROVES, INFLATION DECLINES OR A RATE INCREASE PERMITS US TO CROSS INTO THE BLACK.

I STATED EXPANSION WILL GO INTO THE COUNTY. THIS WE WILL DO WHERE IT IS A NATURAL EXTENSION OF OUR PRESENT LINES AND WHERE WE CAN BE ASSURED OF A RETURN ON OUR INVESTMENT THAT WILL BE REASONABLE AND HELP FACILITATE REACHING OUR OVER-ALL GOALS. MAJOR TRUNK LINE EXPANSION INTO THE COUNTY IS NOT IN OUR CURRENT PLANS.

MY INTENTIONS AND MY GOALS FOR FUTURE CONSTRUCTION IN THE CITY, HAVE BEEN, ARE, AND WILL CONTINUE TO BE ATTUNED TO THE ORDINANCE FRANCHISE AND THE SIMPLE ECONOMICS OF THE CABLE INDUSTRY. TOWARD THIS END WE SEEK THE COUNCIL'S COOPERATION.

ANOTHER AREA IS ALREADY MAPPED AND ENGINEERED FROM TUNNEL ROAD TO THE SAYLES BLEACHERIES VILLAGE AREA, WHICH WILL INCLUDE THE NEW JAYCEE HOUSING DEVELOPMENT AND SERVE 240 RESIDENTIAL UNITS. THIS TRUNK EXTENSION PUTS US ON THE THRESHOLD OF SERVING THE ENTIRE SOUTHERN PORTION OF ASHEVILLE. ALL OF THESE PROJECTS WILL CONTINUE AS PLANNED. FURTHERMORE, EXTENSION INTO SEVERAL OTHER AREAS IS NOW UNDER CONSIDERATION AND CONSTRUCTION WILL PROCEED WITHIN THOSE AREAS WHEN ECONOMIC CONDITIONS IMPROVE.

CABLE CONSTRUCTION IS NOT A CONTINUOUS PROCESS IN ANY CITY, EVEN IN THE MOST PROSPEROUS TIMES, AND WE FEEL IT IS TO OUR CREDIT THAT DURING THIS DEPRESSION, WHEN MANY OF THE GIANTS OF INDUSTRY ON THE NATIONAL, REGIONAL AND LOCAL SCENE HAVE BEEN CURTAILING BOTH CAPITAL INVESTMENT AND EMPLOYMENT, OUR CABLE OPERATION HAS MOVED STEADILY FORWARD, OUR EMPLOYMENT HAS REMAINED CONSTANT AND OUR PLANS FOR THE FUTURE HAVE NEVER WANED.

NOT ONLY DO WE INTEND TO PROVIDE CABLE SERVICE TO THE REMAINDER OF ASHEVILLE, WE ALSO WANT TO PROVIDE ADDITIONAL SERVICES FOR OUR SUBSCRIBERS ... SUCH AS A NEWS CHANNEL, FREE FM SERVICE, THE BROADCAST OF POLICE AND FIRE CALLS, STOCK MARKET, N.O.A.A. WEATHER UPDATES AND A SPORTS CHANNEL ... AS WELL AS ENCOURAGE THE CITY OF ASHEVILLE'S EDUCATIONAL SYSTEM TO MAKE USE OF THEIR ALLOCATED CHANNEL.

NOW, AS IN THE CASE OF MANY OTHER BUSINESSES, WE

He said Council has also made adjustments in the compensation for members of City Council. He presented a publication from the North Carolina League of Municipalities which surveys all salaries, and it was Council's feeling that the results of this analysis demonstrated the fact that the compensation of members of the Council and the Mayor were dramatically out of line. He said members of Council were presently compensated at the rate of $75 per month for members of Council and $150 per month for the Mayor. He said Council set a proposed increase for compensation for members of Council to take effect January 1, 1976 as follows: Mayor - $400 per month
Vice-Mayor - $200 per month
Councilmen - $150 per month

He said eventhough Council had made relatively few changes in the budget, it was a very difficult budget. He again commended the staff for the advance work in preparing the budget.

GROUND-BREAKING CEREMONIES - MOUNTAIN AREA HEALTH EDUCATION CENTER

Mayor Wood announced that next Thursday, June 26, 1975 at 3:00 o'clock p. m. ground-breaking ceremonies would be held for the new Mountain Area Health Education Center on the grounds of Memorial Mission Hospital. He said he felt this was a special occasion and that the Council meeting scheduled for 3:00 o'clock p. m. next Thursday would be delayed until after the ground-breaking ceremonies giving members of Council an opportunity to attend the ceremonies.

ORTHOPEDIC HOSPITAL AND REHABILITATION CENTER, INC.- REQUEST FOR FUNDS

Mr. Edward T. Vogel, Administrator for the Orthopedic Hospital and Rehabilitation Center, Inc. asked Council if a decision had been made on their request for Council to appropriate $80,000 to the hospital building fund.

Mayor Wood advised that the budget, as read on second reading, did not reflect an appropriation for their request. However, it was subject to change before the third and final reading.

Adjournment.

Richard D. Wood, Jr.
MAYOR

CITY CLERK

Mr. Carl Johnson again asked why cablevision service could not be extended to the Hillcrest Housing Project. He was advised that a survey was made in the area and the number of residents wanting the service did not warrant the installation of the cablevision.

Mr. Johnson said he did not feel Thoms Broadcasting Company made an adequate survey of all the residents.

Councilman Morris suggested that the Asheville Housing Authority correspond with Thoms Broadcasting Company in regard to the cost of installation of the main cablevision service line to the Housing Project. He said if the Housing Authority could help with the cost of the main line, this would defray the cost of individual lines.

Mayor Wood instructed the City Clerk to communicate with Mr. Harold Thoms, by letter, advising him that Council acknowledged receipt of his statement of June 16, 1975 and that in discussion it was requested by Mr. Carl Johnson that a door to door survey be made in the Hillcrest Apartments area and that Council commended this request to him.

Mr. Johnson also commented that, in federal contracts that were let, by the City, there were stipulations to provide apprenticeship training programs and affirmative action programs, however, he did not feel that these stipulations were being carried out. He said Council should encourage these programs to be carried out.

Councilman Horton suggested that a paragraph be added to the contracts that the contractor must furnish the City with a progress report relative to their affirmative action programs.

Mayor Wood instructed the City Manager to pursue Councilman Horton's suggestion and report his findings back to Council.

MR. E. R. McCARTHY - CABLEVISION

Mr. McCarthy commented that he found it to be ridiculous for Public Housing Projects to be demanding cablevision service when they could not even afford to pay for city services.

MRS. ROY ROGERS - DOWNTOWN GROCERY STORE

Mrs. Roy Rogers asked Council if they could encourage someone to open a downtown grocery store, especially for the benefit of the Senior Citizens who must walk to get their groceries.

REVIEW OF BUDGET CHANGES

Mayor Wood reviewed some of the budget adjustments made by Council during the past week. He said approval was given to a proposed dispensary, which would consist of a registered nurse and consultant physician to be established in the City Hall Building in order to minimize time loss in sending personnel to the hospital emergency room. He said this would be financed with Revenue Sharing. He said the various fees from the inspection division were increased due to the expansion of code enforcement into the one-mile perimeter. Also, the estimated revenues from the Civic Center were increased. He said Council also made more updated estimates of revenues from various state utility taxes, local option sales tax, etc. based upon experience from May, 1975.

Mr. W. C. King, Executive Director of the Asheville Housing Authority, explained that the two story facility would house the administrative offices of the Housing Authority, which would be connected to the Aston Park Towers by a breezeway. He said the property now occupied by the Authority would be used as a community facility for the senior citizens in the Aston Park Towers.

Mr. King noted that Wilkins-Hart Mortuary, the existing tenant of the property in question, has agreed with the plans to develop the parcel prior to their business being relocated. He presented a letter from Mr. Osborne Hart which stated that he was in agreement with the plans.

Mayor Wood instructed the City Clerk to include Mr. Hart's letter of May 8, 1975 in the minutes.

The letter is as follows:

Housing Authority of the City of Asheville
P. O. Box 1898
Asheville, North Carolina 28802

Re: Disposal Parcel No. 14
East Riverside Project
N. C. R-48

Dear Mr. King:

This is to advise that I am the tenant in possession of Wilkins-Hart Mortuary and that I am in agreement with your plans to develop subject parcel prior to my business being relocated. These plans being defined as follows:

(1) The Housing Authority is authorized to advertise for bids and construct an Administration Building in front of Wilkins-Hart Mortuary.

(2) The Housing Authority will provide a driveway exit between the new construction and Wilkins-Hart Mortuary tying into Timothy Street.

(3) The Housing Authority will adjust the monthly rental paid by Wilkins-Hart Mortuary to compensate for construction inconvenience at the time such construction commences.

Very truly yours,

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., Bill B. Horton, Eugene C. Ochsenreiter, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman J. W. Hoyle

Council convened the meeting at 3:28 o'clock p. m. Mayor Wood apologized for the Council meeting being delayed and said that Council members had attended the ground-breaking ceremonies of the Mountain Area Health Education Center on the grounds of the Memorial Mission Hospital. He said this was a significant event for the community.

1. Approval of minutes of June 19, 1975 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Ochsenreiter, the minutes of the June 19, 1975 meeting were approved as submitted.

PUBLIC HEARING - SITE PLAN FOR PROJECT NC 7-1 (A) OFFICE STRUCTURE ON SOUTH FRENCH BROAD FOR ASHEVILLE HOUSING AUTHORITY

2. A public hearing was held relative to the site plan for Project NC 7-1 (A) Office Structure on South French Broad Avenue for the Asheville Housing Authority.

Mayor Wood opened the public hearing at 3:30 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Director of Planning, reported that the Planning and Zoning Commission had recommended approval of the site plan subject to the following conditions:

1) That the parking lot entrance on South French Broad be modified to reduce possible conflicting turning movements with service vehicles in route to Aston Towers; and

2) That the developer secure the following letters before final approval is granted:

   a) A statement of the adequacy of the water and sewer facilities to service the development;

   b) A statement from the Zoning Administrator approving all proposed curb cuts; and

   c) A statement of compliance with the Sedimentation Control Ordinance.

He reviewed the site plan and the requirements for the non-residential structure.

Councilman Colton moved to approve the original site plan of Project NC 7-1 (B) subject to the conditions set forth by the Planning and Zoning Commission, also subject to the waiver of the parking requirements by the Zoning Board of Adjustments. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

BIDS - WATER QUALITY IMPROVEMENTS - PHASE II

4. Mr. Charles Willis, of O'Brien & Gere Engineers reviewed bids received on June 17, 1975 for Phase II of the Water Quality Improvements. He said Phase II involved the construction of a Basic Filtration Plant at North Fork Reservoir and a Water Quality Control Facility. He said upon completion of this project, this should fulfill all the obligations and technical requirements to make the water better in keeping with regulatory standards. He said the low bids were as follows:

General - Gilbert Engineering Company -	$5,177,398
Electrical - M. B. Haynes Electric Corp. -	105,669
Heating & Ventilating - 20th Century Heating Co. -	29,850

He said only one bid was received for the plumbing contract which was not opened and was being re-bid. He said there were several minor irregularities included for the bids, however it was their recommendation that Council waive all informalities, since none were of apparent consequences, and that Council award the contracts to the low bidders.

Mr. Edens, Water and Sewer Director, concurred with the engineers recommendation.

Councilman Morris moved to accept the recommendation of the engineer and award the contracts to the low bidders. This motion was seconded by Councilman Colton and carried unanimously.

A complete bid summary will be on file in the Office of the City Clerk.

PUBLIC HEARING - CLOSING OF A PORTION OF LANNING STREET AND RIDGELAWN ROAD

RESOLUTION NO. 75-87 - RESOLUTION TO CLOSE A PORTION OF LANNING STREET AND RIDGELAWN ROAD

5. A public hearing was held concerning a request by the Asheville City Board of Education that a portion of Lanning Street and Ridgelawn Road be permanently closed.

Mayor Wood opened the public hearing at 4:20 o'clock p. m.

The City Manager read the resolution calling for a public hearing on the matter and the affidavit of publication setting the time and date for the public hearing. He also stated that he had received an affidavit stating that the proper notices were placed in accordance with the provisions of the resolution.

Mayor Wood instructed that the affidavit be put into the minutes of the meeting.

The affidavit is as follows:

Mayor Wood closed the public hearing at 3:43 o'clock p. m.

Councilman Morris moved for the approval of the site plan for Project N C 7-1 (A) subject to the conditions set forth by the Planning and Zoning Commission. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

PUBLIC HEARING - SITE PLAN FOR PROJECT NC 7-1 (B) HOUSING FOR ELDERLY - BARTLETT AND FAGG STREET - EAST RIVERSIDE URBAN RENEWAL AREA

3. A public hearing was held relative to the site plan for Project NC 7-1 (B) Housing for Elderly to be located at the intersection of Bartlett and Fagg Street in the East Riverside Urban Renewal Area.

Mayor Wood opened the public hearing at 3:43 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Director of Planning, reported that the Planning and Zoning Commission had recommended approval of the site plan subject to the following conditions:

1) Improvement to internal traffic pattern to facilitate fire fighting equipment and turn-around of vehicles;

2) City Council waiving parking requirements to permit 21 spaces instead of the required 121 spaces; and

3) The developer securing the following letters before final approval is granted:

   a) A statement of the adequacy of water and sewer facilities to service the development; and

   b) A statement of compliance with the Sedimentation Control Ordinance.

He reviewed the site plan in detail and presented an alternate plan which would provide for a turn around for vehicles as well as additional parking spaces. He said the waiving of the parking requirements was still before the Zoning Board of Adjustments and a decision had not been made as of this date.

Mr. W. C. King, Executive Director of the Asheville Housing Authority, said if the alternate plan was accepted it would probably be necessary to delete several of the units in order to provide for the additional parking spaces. He said parking is not needed for the Elderly units. He also said he did not feel the Transit Authority could justify bus service on a turn around when a bus stop is only one-half block away.

Upon inquiry of Mayor Wood concerning better access for fire fighting equipment to the facility, Mr. Jan Weigman, architect, said that he would check into the possibility of adding fire fighting equipment to the interior courtyard. He said the plans were subject to approval of the North Carolina State Insurance Department, however he felt the building met all code requirements.

Mayor Wood closed the public hearing at 4:05 o'clock p. m.

7. That copies of the said Resolution to Close a Portion of Lanning Street and Ridgelawn Road and calling a public hearing on the question were in fact received by the individuals mentioned in Paragraph 4 as evidenced by the attached registry receipts, properly signed by said above named individuals and postmarked, which receipts are made a part hereof.

8. That the attached registry receipts are the genuine receipts showing delivery of said copies of Resolution of Intent to Close a Portion of Lanning Street and Ridgelawn Road and calling a public hearing on the question to the said named individuals in Paragraph 4 and that said receipts are attached hereto and made a part hereof.

9. That the following are the Certificates of Mailing by Certified Mail and the Registry Receipts referred to above.

10. That the Resolution numbered 75-80 was published once a week for four successive weeks, to wit: June 3, 10, 17 and 24, 1975, in the Asheville Citizen, as shown by clipping attached hereto.

This the 25th day of June, 1975.

STATE OF NORTH CAROLINA

COUNTY OF BUNCOMBE

RE: RESOLUTION 75-80 AFFIDAVIT

WILLIAM C. MORRIS, JR., being first duly sworn, deposes and says:

1. That the Affiant, William C. Morris, Jr., is the Attorney for the Asheville City Board of Education.

2. That a Resolution of Intent to Close a Portion of Lanning Street and Ridgelawn Road and calling a public hearing on the question was adopted by the Council of the City of Asheville on the 29th day of May, 1975, and said Resolution is numbered 75-80.

3. That North Carolina General Statute Section 160A-299 requires that a copy of said Resolution be sent by Registered or Certified mail "to all owners of property adjoining the street or alley as shown on the county tax records." That all of the property adjoining the portions of said Lanning Street and Ridgelawn Road proposed to be closed is owned by the Asheville City Board of Education.

4. That Mr. and Mrs. George W. Orr and Lois B. McNeil and Ruby F. (Mrs. H. E.) Buckner appear to be among the owners of property in the near vicinity of that portion of Ridgelawn and Lanning Street proposed to be closed as shown in the county tax records.

5. Those individuals mentioned in Paragraph 4 above were not among those parties signing a petition for the closing of a portion of Lanning Street and Ridgelawn Road.

6. That copies of the Resolution to Close a Portion of Lanning Street and Ridgelawn Road and calling a public hearing on the question were deposited enclosed in a post-paid properly addressed wrapper in the Courhouse Station Post Office in the City of Asheville, North Carolina, a post office under the exclusive care and custody of the United Postal Service for mailing by certified mail, return receipt requested, all of which is evidenced by the dated certificates of mailing by Certified Mail, attached to this affidavit and made a part hereof.

Mr. Bill Morris, attorney for the Asheville City Board of Education, presented maps indicating the exact locations of the streets proposed to be closed. He sated that no one would be deprived of ingress or egress of their property by the closing of these streets.

No one expressed opposition to the request that these streets be permanently closed.

Mayor Wood closed the public hearing at 4:28 o'clock p. m.

The City Manager was requested to read a prepared resolution which would close the streets requested to be closed by the Asheville City Board of Education.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Colton, Resolution No. 75-87 was unanimously adopted.

Complete text of Resolution No. 75-87 will be found in Resolution Book No. 8 at page 149.

ORDINANCE NO. 848 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1975-76, AS AMENDED BY ORDINANCE NO. 850

6. Consideration was given to the third and final reading of Ordinance No. 848, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the fiscal year 1975-76 as amended by Ordinance No. 850.

Mayor Wood explained that the ordinance had passed on second reading as amended at last weeks meeting and the ordinance would not be re-read unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 848 passed on its third and final reading.

Complete text of Ordinance No. 848 will be found in Ordinance Book No. 6 at page 297.

ORDINANCE NO. 849 - AN ORDINANCE AMENDING SECTION 8-1 OF CHAPTER 8, ARTICLE 1 OF THE CODE OF ORDINANCES, ENTITLED STATE BUILDING CODE ADOPTED

7. Consideration was given to the second reading of Ordinance No. 849, an ordinance amending Section 8-1 of Chapter 8, Article 1 of the Code of Ordinances, entitled State Building Code Adopted.

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 849 passed on its second reading.

Councilman Ochsenreiter moved to suspend the rules and proceed to the third and final reading of the ordinance. This motion was seconded by Councilman Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 849 passed on its third and final reading.

STATE OF NORTH CAROLINA

COUNTY OF BUNCOMBE

RE: RESOLUTION 75-80 AFFIDAVIT

JEFFERSON C. McCONNAUGHEY, being first duly sworn, deposes and says:

1. That the affiant is an employee of the law firm of Morris, Golding, Blue and Phillips, Asheville, North Carolina.

2. That a copy of a resolution entitled "Resolution of Intent to Close a Portion of Lanning Street and Ridgelawn Road and Calling a Public Hearing on the Question," and being numbered "Resolution 75-80" was posted by him in four places along Lanning Street and Ridgelawn Road, to wit, one on Ridgelawn Road as it intersects with Lanning Street and another on Ridgelawn Road along the area of the parking lot of the Hall Fletcher School; one at Lanning Street as it intersects with Wellington Street and the fourth copy on Lanning Street near the point where the road is proposed to be closed.

3. That copies of said resolution were posted by the undersigned under date of May 30, 1975.

This the 25th day of June, 1975.

Jefferson C. McConnaughey
Affiant

Sworn to and subscribed before me this the 25th day of June, 1975.

Connie R. Gunter
Notary Public

My commission expires:
Oct. 23, 1978

Corporation Counsel William C. Moore advised that he had contacted the Attorney General's Office and the Board of Elections and was informed that the present status of the law provides that filing fees for general elections shall be fixed by the governing body.

Councilman Morris commented that Council had set the fee as low as the law would allow.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, Resolution No. 75-89 was unanimously adopted.

Complete text of Resolution No. 75-89 will be found in Resolution Book No. 8 at page 153.

AMERICAN NATIONAL RED CROSS - COMMENDING CITY EMPLOYEES - BLOODMOBILE

The City Manager read a letter from Mr. Morris White of the American National Red Cross commending the city employees for their excellent response to the Bloodmobile visit on June 20, 1975. He said 127 city employees donated their blood.

The City Manager also commended the City employees for their response to this appeal for blood.

Mayor Wood concurred on behalf of the City Council on commending the City employees and directed that the letter be made a part of the minutes.

The letter is as follows:

June 23, 1975

The Honorable Richard A. Wood
Mayor of Asheville
Asheville, North Carolina 28801

Mayor Wood:

As you know, the employees of the City of Asheville accepted and sponsored a Bloodmobile visit on June 20, 1975. The operation, which was set up at the main Fire Station, was a tremendous success. You may remember that a similar operation was set up several years ago with little success. However, this time the response was excellent. A total of 127 city employees donated their blood.

The Blood Program is a community concern. We depend entirely on interested groups such as the city employees to participate in the program so that we are able to meet the blood needs of the 36 regional hospitals we serve. Therefore, we commend the employees of the City of Asheville for their concern and participation.

A special thanks should go to Harry Adams, Safety Officer, and Chief P. N. Ball, Asheville Fire Dept., for their help in making this possible. We hope this is just the first of many more successful Bloodmobiles for the City employees.

Again, our thanks for a job well done.

Sincerely,

Morris (bn)

BIDS - ONE (1) TRACTOR-LOADER FOR THE PARKS AND RECREATION DEPARTMENT

8. Mayor Wood said that consideration of the bids received for one (1) tractor-loader for the Parks and Recreation Department had been postponed.

RESOLUTION NO. 75-88 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE LEASE TO THE ASHEVILLE AREA CHAMBER OF COMMERCE FOR TRAVELER INFORMATION AND INSURANCE BOOTH AT THE ASHEVILLE AIRPORT

9. Consideration was given to a resolution authorizing Mayor to execute lease to the Asheville Area Chamber of Commerce for traveler information and insurance booth at the Asheville Airport.

The City Manager read the advertised notice to the public and affidavit of publication stating the intent of Council to execute such lease.

Mayor Wood pointed out that the lease was for a five (5) year period, however, either party may cancel on 30 days notice during the five (5) year period.

Mr. Jim Ellis of the Asheville Area Chamber of Commerce, explained that with over 160,000 travelers landing at the Airport, he felt it was very important for the Chamber to establish a branch office at the airport. He said travelers information would be available at the booth and it would be staffed and operated seven (7) days a week for a minimum of eight (8) hours a day. He said they were also proposing to be an authorized agent for selling travelers insurance.

Mayor Wood said the lease involved approximately 45 square feet and said he felt this was an effort of cooperation between the City of Asheville and the Asheville Area Chamber of Commerce in order to give better service to patrons of the Airport.

The City Manager read the resolution.

The City Manager said he had received two telephone calls opposing the term of the lease and the amount of revenue to be received from the lease.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 75-88 was unanimously adopted.

Complete text of Resolution No. 75-88 will be found in Resolution Book No. 8 at page 152 .

RESOLUTION NO. 75-89 - RESOLUTION ESTABLISHING FILING FEE FOR 1975 ASHEVILLE MUNICIPAL PRIMARY AND ELECTION

10. Consideration was given to a resolution establishing filing fee for 1975 Asheville Municipal Primary and Election.

The City Manager read the resolution.

Mr. E. R. McCarthy said he thought there was a recent court ruling that any setting of a filing fee for general elections was in violation of the rights of the poor.

ASHEVILLE CENTER OF PERFORMING ARTS

Mayor Wood noted that on June 28-29 the Asheville Center of Performing Arts will hold its first performance at the Allen Center at 7:30 o'clock p. m. He commended them on their first public performance.

DON FOX - DISCUSSION ON APPRENTICESHIP PROGRAMS

Mr. Carl Johnson asked Mr. Don Foxx, President of the Building and Construction Trades Advisory Council to comment on the apprenticeship programs in Western North Carolina.

Mr. Fox told Council that the apprenticeship programs in Western North Carolina were not being carried out by the contractors. He said Council should have the responsibility of seeing that the law is complied with as a contracting agency on federally funded projects. He said he had requested the state and federal labor boards to make a thorough investigation of the contractors who are required to carry out apprenticeship program.

Upon inquiry by Councilman Colton, Mr. Fox explained that when Mr. Ray Kisiah, Director of Parks and Recreation, appealed for help with the construction of the Children's Zoo, the union members offered their services. However, due to many unemployed persons working at the project, the union members decided to wait until skilled labor was needed. He said he had told Mr. Kisiah and Mr. Frank DeSaix, Director of the Zoo, to call when they needed help. He said up until today no one had communicated with him regarding the status of the project. However, someone had come to his office and told him that organized labor was holding up the project by not helping. Also, Mr. Kisiah had telephoned him today stating that organized labor was going to be critized if they did not start helping. He explained the situation again to Mr. Kisiah and told him that they did not intend to break their commitment however, there must be communication between them.

Mr. Fox commented that the union members who had offered "free gratis" work at the zoo were upset to find out that the City usually did not consider organized labor when awarding contracts that would pay union scale wages.

Adjournment.

MAYOR

CITY CLERK

CLAIM - MRS. MILDRED R. TAYLOR - 929 COUNTRY CLUB ROAD

The City Manager presented a claim received from Mrs. Mildred R. Taylor, 929 Country Club Road for damages to hemlock and white pine trees located on her property.

Mayor Wood referred the claim to the Corporation Counsel for investigation and recommendation.

APPRENTICESHIP PROGRAM - REPORT

The City Manager reported that at last weeks meeting he had been instructed to check into the possibility of the City monitoring contractors as it related to contracts that were funded with federal funds to determine what type of apprenticeship programs and/or training programs they might have. He said the City Staff was now investigating this possiblity.

312 REHABILITATION LOAN PROGRAM - REPORT

Mr. Michalove, Assistant City Manager, said that the publicity campaign was started about two weeks ago on the 312 Rehabilitation Loan Program. He said letters were mailed to all residents in the Community Development area and the inspectors were now starting to process the applications. He said he was pleased with the success thus far.

Councilman Morris said Mr. Michalove's staff should be commended for getting such a good response to the program considering the fact that the City only had three weeks to get the information through to the citizens.

Mr. Michalove also commented that the Department of Housing and Urban Development would probably fund the program to a greater extent if they were assured that the City could process more loans.

BUDGET - SUGGESTION BY COUNCILMAN HORTON

Councilman Horton suggested that the City Manager and the finance staff explore the possibility of a more comprehensive periodic budget review during the next fiscal year.

COUNCIL MEETING - JULY 3, 1975

Mayor Wood announced that Council would not have a meeting on July 3, 1975, due to the lack of scheduled agenda items.

MAC WHITE - BUNCOMBE COUNTY BICENTENNIAL COMMITTEE

Mr. Mac White of the Buncombe County Bicentennial Committee extended a personal invitation to each member of Council to attend a Dutch Treat Dinner and Program on Thursday, July 3, 1975 at Baileys Westgate Cafeteria. He said the program was to commemorate the bicentennial of American Uniform Services.

Upon inquiry of Councilman Colton, Mr. White commented on the status of the Smith-McDowell House. He said there had been quite a lot of work done at the House recently and it was his hope that the House would some day be a Historical Site.

Councilman Horton moved for the adoption of the ordinance. This motion was seconded by Councilman Morris.

Councilman Colton moved to amend the ordinance by deleting the rezoning of Lot 13 1/2. This motion was seconded by Councilman Hoyle and carried on a vote of 4-1, with Councilman Horton voting "no".

On a roll call vote of 4-1, Ordinance No. 851 passed on its first reading.

PUBLIC HEARING - AMENDMENTS TO ORDINANCE NO. 322 - ZONING ORDINANCE

ORDINANCE NO. 852 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED

3. A public hearing was held relative to wording amendments to Ordinance No. 322, known as "An Ordinance providing for the zoning of the City of Asheville", as amended.

Vice Mayor Marshall opened the public hearing at 3:20 o'clock p.m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Director of Planning, reported that the Planning and Zoning Commission recommended approval of the following amendments:

1) Petition submitted by Penland and Sons Funeral Home requesting that Section 30-5-8, Commercial General District, be amended to include the words "funeral homes" as one of those uses permitted under Paragraph A of Section 30-5-8.

He said the Commission recommended approval of this petition for the following reasons:

a) Funeral homes are permitted uses in all Commercial Districts except the Commercial General District;

b) Prior to adoption of the new Zoning Ordinance, the property was zoned "Neighborhood Trading Area" with funeral homes included as a permitted use;

c) It is believed that the inclusion of funeral homes in the Commercial General District would not create a nuisance to the surrounding residential area; and

d) The staff is of the opinion that this amendment to the City of Asheville Zoning Ordinance is in keeping with sound planning and zoning practices.

2) Recommendations suggesting the following wording changes in Ordinance No. 322 submitted by the Zoning Administrator on behalf of the Board of Adjustments:

That the following sections be added to Article 4. Establishment of Districts (pages 51 and 51a):

a) Section 30-4-5. Corner Lots and Through Lots

Corner Lots: In any residential zone, the second street side of a corner lot shall be considered a front yard, but shall be 50% of the front yard requirement in that particular zone, as shown in Appendix III.

Thursday - July 10, 1975 - 3:00 o'clock p.m.

Regular Meeting

Present: Vice-Mayor Calvin W. Marshall, Presiding; Councilmen Ralph D. Morris, Jr., Bill B. Horton, Eugene C. Ochsenreiter, Jr., Henry C. Colton, J. W. Hoyle, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Richard A. Wood, Jr.

1. Approval of minutes of June 26, 1975 meeting.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, the minutes of the June 26, 1975 meeting were approved as submitted.

PUBLIC HEARING - REZONING OF 16 and 22 BROAD STREET - MRS. NEVA A. HANCOCK

ORDINANCE NO. 851 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held relative to rezoning Lots 12 and 13 1/2, Sheet 4, Ward 2, from R-3 Residential District to CH Commercial Highway District.

Vice Mayor Marshall opened the public hearing at 3:02 o'clock p.m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Director of Planning, reported that the Planning and Zoning Commission had recommended that the request be denied and the property remain as it is now zoned for the following reasons:

1) The rezoning would permit encroachment of the Commercial Highway District into an established residential area;

2) The Commercial Highway District permits a wide variety of business and commercial uses, some of which could be offensive to the residential neighborhood; and

3) The rezoning is not in keeping with the Comprehensive Development Plan for this area.

Mrs. Neva Hancock said she owned Lot 12 and previously operated a watch repair shop in her home as a "home occupation" however, they are anticipating moving from this location but wanted to re-open the watch repair shop at the present location. She said the owners of Lot 13 1/2 had joined in with the request to have both lots rezoned to Commercial Highway District and she had a letter to this effect.

After discussion, Councilman Morris suggested that Lot 13 1/2 be deleted from the request since Mrs. Hancock's purpose would be served if Council rezoned only the property in question.

Vice Mayor Marshall closed the public hearing at 3:15 o'clock p.m.

The City Manager read the prepared ordinance which would rezone the property as requested.

two thousand, five hundred (2,500) square feet for each apartment or living unit in excess of one (1) contained therein.

3) Further, the staff of the Planning and Zoning Commission recommended that in order to carry out the Commission's recommendations of granting a variance for parking requirements on low and moderate income housing projects that Ordinance No. 322 be amended to read as follows:

a) That Section 30-3-11. Regulations of Off-Street Parking and Loading (G) Minimum Parking Requirements. be amended to read as follows:

Residential and Related Uses

"Any residential use.	Two (2) parking spaces on the lot for each dwelling unit, except that, in the case of any apartment complex for the elderly, or subsidized low or moderate income housing projects, parking requirements will be determined by the City Council after receiving recommendations from the Planning and Zoning Commission and its staff."

Mr. Emrick reviewed and explained the reasons for each amendment.

A discussion was held relative to corner lot setbacks, after which Councilman Morris suggested that before the third and final reading of the ordinance a clause be added that would provide that the side yard requirements on a corner lot would be 50% of the front yard requirement, but not closer than the average setback of the houses facing on the side street.

Vice Mayor Marshall closed the public hearing at 3:53 o'clock p.m.

The Corporation Counsel read the prepared ordinance which would amend Ordinance No. 322 as requested.

Council Colton moved for the adoption of the ordinance. This motion was seconded by Councilman Ochsenreiter.

On a roll call vote of 4-0, Ordinance No. 852 passed on its first reading.

BIDS - EQUIPMENT FOR TRAFFIC SIGNALIZATION FOR CITY OF ASHEVILLE CENTRAL BUSINESS DISTRICT

4. Consideration was given to bids received June 30, 1975 for equipment for traffic signalization for City of Asheville Central Business District.

The City Manager in presenting the bids read a memorandum from the Purchasing Agent which recommended the acceptance of the lowest bidder on a per item basis as follows:

Graybar Electric Supply Company - Items 1, and 6 through 13, totaling $7,521.45

Westinghouse Electric Supply Company - Items 2, 3, 4, 5, and 14, totaling $4,830.42

Total Recommended: $12,351.87

Through Lots: In any residential zone, both street sides of through lots shall be considered as front yard and shall conform to the front yard depth requirements or the established building lines in the area, as determined by the Zoning Administrator.

b) Section 30-4-6. Adjusting Building Lines

Where lots comprising twenty-five (25) per cent or more of the frontage on the same street within the block are developed with buildings having an average front yard with a variation in depth of not more than 10 feet, no building hereafter erected or structurally altered shall project beyond the average front yard so established provided this regulation shall not be so construed as to require a front yard depth of more than that stipulated in each zoning district. Provided further, no front yard depth need exceed the average provided for the two adjoining buildings, on either side thereof, if such two adjoining buildings are less than 200 feet apart.

Provided further, that when the geographic grade or contour of a lot is such that compliance with this section is impossible or will impose an undue hardship upon the property owner, the Board of Adjustments will establish a front yard depth suitable and practical for such lot.

c) Section 30-4-7. - Cantilevered Structures

Cantilevers on any structure shall not extend three (3) feet beyond the established building line on the lot or any portion of the lot on which the structure is located.

d) That Section 30-5-2 (C), (page 52) Development Standards be amended to reduce the front yard setbacks from 50' to 35' in R-1 Single Family Residential Districts.

e) That Section 30-5-3 (C), (page 53), Development Standards be amended to reduce the front yard setbacks from 50' to 35' in R-2 Low Density Residential District.

f) That Section 30-5-3 R-2 Low Density Residential District be amended to include the following paragraph:

** Provided however, that apartment houses shall, in addition to the above area requirement, increase the minimum building site area three thousand, five hundred (3,500) square feet for each apartment or living unit in excess of one (1) contained therein.

g) That Section 30-5-4 - R-3 Medium Density Residential District be amended to include the following paragraph:

** Provided however, that apartment houses shall, in addition to the above area requirement, increase the minimum building site area two thousand, five hundred (2,500) square feet for each apartment or living unit in excess of one (1) contained therein.

h) That Section 30-5-5 - R-4 High Density Residential District be amended to include the following paragraph:

** Provided however, that apartment houses shall, in addition to the above area requirement, increase the minimum building site area

PRESENTATION OF PRELIMINARY FLOODWAY MAPS

Verl Emrick, Director of Planning, advised, as information, that the preliminary floodway maps had been received from HUD which designated floodway areas. He said he had advised all the major banking and lending institutions that the maps were on file in his office and available for review. Specific recommendations would be forthcoming next week.

REPORT OF CORPORATION COUNSEL - ABSENTEE BALLOTS FOR MUNICIPAL PRIMARY AND ELECTION

Corporation Counsel William C. Moore advised that he had been notified by the State Board of Elections that if the City wishes to allow absentee ballots for the municipal election they could do so under certain conditions. Those being provided that the election be conducted by the County Board of Elections; provided that the governing body adopt a resolution allowing absentee ballots; and provided further that the governing body of the municipality adopt such a resolution no later than 50 days prior to the municipal election and files a copy with the State Board of Elections and the County Board of Elections.

Vice Mayor Marshall instructed the Corporation Counsel to prepare such a resolution for Council's consideration at next weeks meeting.

CLAIM - BEAVER LAKE GOLF COURSE

The City Manager presented a claim filed by the Beaver Lake Golf Club.

Vice Mayor Marshall referred the claim to the Corporation Counsel for investigation and recommendations.

REZONING REQUEST - THE BILTMORE COMPANY AND WESTERN CAROLINA DEVELOPMENT ASSOCIATION

The City Manager read a letter from the Planning and Zoning Commission recommending approval of a request from the Biltmore Company and WNC Development Association that a portion of Lot 1, Sheet 48, Lower Hominy Ward, be rezoned from R-1 Residential District to LI Light Industrial District for the following reasons:

1) The land is well suited for development of this type;

2) Access to the property is adequate by way of Interstate 40 and Brevard Road;

3) Property directly across Brevard Road is presently zoned Light Industrial; therefore, incompatible zoning would not be introduced to the area;

4) The development trend for the Brevard Road area between I-40 and I-26 is expected to become more commercially oriented in the near future. The construction and operation of the WNC Farmers Market will surely encourage and hasten this type of development within the area; and

5) In the staff's opinion, the rezoning is within the scope of sound planning and zoning practices and an amendment would be justified.

Councilman Morris moved to schedule a public hearing on the matter for July 31, 1975. This motion was seconded by Councilman Hoyle and carried unanimously.

The City Manager said these materials are to be used in conjunction with a project to put the wiring underground on Patton Avenue between Coxe Avenue and Pack Square and on Haywood Street from the Civic Center to Patton Avenue.

Mr. Paul Dutcher, Traffic Engineer, answered general questions of Council.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the contracts to Graybar Electric Supply Company for Items 1, and 6 through 13 totaling $7,521.45, and Westinghouse Electric Supply Company for Items 2, 3, 4, 5 and 14, totaling $4,830.42 for a grand total of $12,351.87. This motion was seconded by Councilman Hoyle and carried unanimously.

Councilman Colton commented that it had been brought to his attention rather forcifully that the State of North Carolina seems to be the only place that someone could have a beer license and have several shootings and killings and the licenses are never lifted. He said in other parts of the country the States greatest disciplinary action was the lifting of licenses. He said all the places of businesses on Broadway and College had had actual homicides at each one during the last twelve months and nothing has been done. He said these incidents should be forcefully brought to the attention of the State ABC Board.

Councilman Ochsenreiter asked that Chief Hall investigate and report the high rate of crime incidents that have occured at these places of business during the last several years.

Adjournment.

MAYOR

CITY CLERK

GROUP DEVELOPMENT REVIEW - HALL FLETCHER MIDDLE SCHOOL

The City Manager read a letter from the Planning and Zoning Commission recommending approval of the site plan of the proposed Hall Fletcher Middle School to be located at the intersection of Garden Circle and Ridgelawn Road in West Asheville, prepared for the Asheville City School Board, Developer, by Baber, Cort and Wood, architects, subject to the following conditions:

1) That adequate parking facilities be provided for both automobile and bus traffic;

2) Submission of completed Environmental Statement; and

3) Steps be taken to supply adequate water to the site for fire protection. At present there are only two six inch lines which serve the site; therefore, it is recommended that the City extend the two eight inch lines in the area to the site before the building is occupied. (These eight inch lines are located on Haywood Road and State Street).

Further, it is recommended that the City take the necessary steps to upgrade Ridgelawn Road and Garden Circle so that the necessary widths can be provided to adequately give access to Haywood Road for bus traffic. Sidewalks should also be constructed to provide a higher degree of safety for those children walking to school.

Councilman Morris moved to schedule a public hearing on the matter for July 31, 1975. This motion was seconded by Councilman Hoyle and carried unanimously.

PETITION - DRUID DRIVE AREA RESIDENTS - PERIODIC FLOODING

The City Manager reported that several weeks ago a petition was presented by the residents of Druid Drive relative to a request for relief from periodic flooding. He said a copy of that same petition was again submitted at this time. He said the Engineering Department, the Street Department and the attorneys are still working on the problem and a full report would be made at next weeks meeting.

BILL JONES - JONES PUBLISHING & PRINT SHOP OF ASHEVILLE - COMPLAINED RELATIVE TO POLICE DEPARTMENT RESPONSES

Mr. Bill Jones, of Jones Publishing Company and the Print Shop of Asheville, located on Broadway & College Streets, said that on several recent occasions he had called the Police Department to remove drunks in front of his place of business and for other assistance and had received much delayed responses. He said he had contacted Mr. Michalove, Assistant City Manager and some of the Councilmen about the matter but felt he needed to voice his complaint for himself as well as for all the other citizens of Asheville who might have had this problem.

At the request of Vice Mayor Marshall, Chief Hall said that the corner of Broadway and College had always been a problem with drunks,etc. and every effort had been made to clean up the area. He said when citizens do not receive responses to their calls he needed to be notified that particular day in order to check into the matter and pin point who is responsible for not responding.

Alternative No. 1

Corner Lots: In any Residential zone, the second street side of a corner lot shall be considered a front yard, but shall be fifty (50%) percent of the front yard requirement in that particular zone, as shown in Appendix III.

Alternative No. 2

Corner Lots: In any Residential zone, the second street side of a corner lot shall be considered a front yard and shall meet the front yard requirement in that particular zone as shown in Appendix III.

Alternative No. 3

Corner Lots: In any Residential Zone, the Board of Adjustment shall set all street line setbacks on corner lots.

Mr. Emrick stated that he preferred Alternative No. 2, however, Alternative No. 1 was the established practice and there was a precedence for using it. He said Alternative No. 3 would cause a lot of referrals to the Board of Adjustments.

After discussion it was the consensus of Council not to change the proposed wording for corner lots.

On a roll call vote of 6-0, Ordinance No. 852 passed on its second reading.

REVIEW OF FLOODWAY MAPS PREPARED BY THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR THE CITY OF ASHEVILLE IN CONNECTION WITH AREAS TO BE CONSIDERED FOR FUTURE FLOODWAY ZONING

4. Verl Emrick, Director of Planning, reviewed the floodway maps prepared by consultants for the Department of Housing and Urban Development. He advised Council that it was their responsibility to review the maps and make their recommendations for changes before returning them to HUD. He said after further review by HUD they would be dated and returned to the City. He said this area then would be designated as the Floodway Area and regulations would have to placed on these areas within one year after the maps were dated.

Upon inquiry of Mayor Wood, Mr. Emrick said the regulations would be drawn up as a joint effort; however, if the City is to enforce the regulations, it would be to their advantage to draft the regulations.

During a discussion which followed, Mr. Emrick pointed out that the bridges in Asheville created flooding problems and that funds were available from the North Carolina Department of Transportation for replacing these bridges, but it would be on a priority basis.

Mr. Michalove reported that the City and County anticipated receiving some $99,000 from the Tennessee Valley Authority for the purpose of cleaning up 13 miles of the French Broad River.

Councilman Morris questioned whether or nor the City would have the prerogative of amending the maps if and when the City made improvements to the rivers in the floodway areas.

Thursday - July 17, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., Bill B. Horton, Eugene C. Ochsenreiter, Jr., Henry E. Colton, J. W. Hoyle, Acting Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.,

Absent: Corporation Counsel William C. Moore

1. Approval of the minutes of July 10, 1975 meeting.

Councilman Horton noted that on page 304, relative to the roll call vote on Ordinance No. 852, the vote was shown as 4-0, and should be 5-0. The City Clerk advised that this change would be made.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton the minutes of the July 10, 1975 meeting were approved as amended.

ORDINANCE NO. 851 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Mrs. Neva A. Hancock on Broad Street)

2. Consideration was given to the second reading of Ordinance No. 851, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Property of Mrs. Neva Hancock on Broad Street).

Mayor Wood advised that at the first reading the ordinance was amended by deleting Lot 13-1/2 from the request. He also advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Mr. Joe Bell, representing the Grove Park Sunset Citizens Association, voiced opposition to the rezoning of the property in question stating that a commercial highway zone would threaten the existing residential neighborhood.

On a roll call vote of 6-0, Ordinance No. 851, as amended, passed on its second reading.

ORDINANCE NO. 852 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Wording changes)

3. Consideration was given to the second reading of Ordinance No. 852, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, as amended. (Wording changes).

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read unless there was a specific request to do so.

Verl Emrick, Director of Planning, said that at Council's request he now recommended the following suggested alternatives relative to "corner lots".

RESOLUTION NO. 75-92 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN CONTRACTS TO RENOVATE THE LIVINGSTON STREET NEIGHBORHOOD FACILITY

7. Consideration was given to a resolution authorizing the Mayor to sign contracts to renovate the Livingston Street Neighborhood Facility.

The City Manager read the resolution.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Colton, Resolution No. 75-92 was unanimously adopted.

Complete text of Resolution No. 75-92 will be found in Resolution Book No. 8 at page 156.

REQUEST FOR AUTHORIZATION TO PROCEED WITH THE ADVERTISING FOR BIDS FOR ENCLOSING PORTIONS OF THE COVERED WALKWAY AT THE ASHEVILLE AIRPORT

8. Mr. Gary Taylor, Director of Aviation, presented a sketch for a project to cover the concourse at the Asheville Airport. He said he had been advised by the FAA that enclosing these walkways would increase the security; cut out congestion in the area; and provide better provisions for searching. He said the total cost of the project would be approximately $11,000, which was budgeted in this years budget using Revenue Sharing funds.

After discussion, Councilman Colton moved to authorize the Purchasing Agent to proceed with the advertising for bids for enclosing portions of the walkways at the Asheville Airport. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

BIDS - 50 FIRE HYDRANTS FOR THE DEPARTMENT OF WATER AND SEWER SERVICES

9. Consideration was given to bids received July 14, 1975 for fifty (50) fire hydrants for the Department of Water and Sewer Services.

The City Manager read a memorandum from the Purchasing Agent which recommended the low bid submitted by American-Darling Valve & Manufacturing Company, Birmingham, Alabama in the amount of $12,272.20, be accepted.

Mr. Jesse Jayne , representing Supply Specialty Company, of Asheville, stated that his company was second low bidder and felt Council should give consideration to local distributors. He pointed out that their bid was only $102.08 higher than the low bid and that their delivery date was for a shorter period of time than the low bidder. He said for these reasons, he was appealing to Council to consider awarding the contract to a local distributor.

After discussion, Councilman Morris moved to award the contract to the Supply Specialty Company, second low bidder, in the amount of $12,374.28, based on a shorter delivery time. This motion was seconded by Councilman Horton and carried unanimously.

Bid Summary - Fifty (50) Dry Top Traffic Model, Mechanical Joint Fire Hydrants

In answering Councilman Morris, Mr. Emrick stated that approving the maps would show the City's intent to regulate floodway areas and they could insist on such a prerogative.

Mr. Peter Mallette, Asheville-Highlands Distributors, Inc., said he opposed the federal government proposing such designated floodway areas and controlling the regulations. He said he felt the City should have this responsibility and they should also do something about cleaning and re-channelling the river to prevent flooding.

Mayor Wood requested that the City Manager check into the possibility of Mr. Mallette's suggestions.

Councilman Morris moved to approve the preliminary floodway map and to reserve the right for Council to amend the map if and when the re-channelling and improvements are made which would decrease the area within the designated floodway area. This motion was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO. 75-90 - RESOLUTION TO PERMIT MUNICIPAL ABSENTEE BALLOTS

5. Consideration was given to a resolution to permit municipal absentee ballots.

The City Manager read the resolution.

Mayor Wood noted that the Corporation Counsel had reported on this matter at last weeks meeting and was instructed by Vice-Mayor Marshall to prepare the resolution for Council's consideration.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Ochsenreiter, Resolution No. 75-90 was unanimously adopted.

Complete text of Resolution No. 75-90 will be found in Resolution Book No. 8 at page 154.

RESOLUTION NO. 75-91 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT WITH THE BOY'S CLUB OF ASHEVILLE, INC. AND THE STATE OF NORTH CAROLINA, DEPARTMENT OF NATURAL AND ECONOMIC RESOURCES, DIVISION OF LAW AND ORDER

6. Consideration was given to a resolution authorizing the Mayor to sign a contract with the Boy's Club of Asheville, Inc. and the State of North Carolina, Department of Natural and Economic Resources, Division of Law and Order.

Ken Michalove, Assistant City Manager, reported that over a year ago Council agreed to co-sponsor this project and the grant application was submitted to the Department of LEAA, however the project did not receive the first year funding. He said the application was re-submitted about three months ago and was approved for funding for approximately $90,000. He said the City's share of the project would be approximately 5% for the next three years.

Upon motion of Councilman Horton, seconded by Councilman Morris, Resolution No. 75-91 was unanimously adopted.

Complete text of Resolution No. 75-91 will be found in Resolution Book No. 8 at page 155.

BIDS - 8, 10, AND 12 INCH POLYVINYL CHLORIDE (PVC) GRAVITY SEWER PIPE FOR THE DEPARTMENT OF WATER AND SEWER SERVICES

10. Consideration was given to bids received July 14, 1975 for 8, 10, and 12 inch Polyvinyl Chloride (PVC) Gravity Sewer Pipe for the Department of Water and Sewer Services.

The City Manager presented the bids by reading a memorandum from the Purchasing Agent which recommended acceptance of the low bid on all items submitted by Davis Meter and Supply Company.

Councilman Colton moved to accept the recommendation of the Purchasing Agent and award the contract to Davis Meter and Supply Company on all items. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

RESOLUTION NO. 75-93 - RESOLUTION APPOINTING CITY OF ASHEVILLE MEMBERS TO THE ASHEVILLE-BUNCOMBE LOCAL GOVERNMENT STUDY COMMISSION

14. Consideration was given to a resolution appointing City of Asheville members to the Asheville-Buncombe Local Government Study Commission.

The City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, Resolution No. 75-93 was unanimously adopted.

Mayor Wood said the Act establishing the Asheville-Buncombe Local Government Study Commission requires the City Clerk to certify to the Clerk of Superior Court that such resolution was adopted.

Complete text of Resolution No. 75-93 will be found in Resolution Book No. 8 at page 157.

REPORT ON DRUID DRIVE DRAINAGE PROBLEMS

15. Mr. Bill Edens, Director of Water and Sewer, reported on the petition received from residents of Druid Drive relative to drainage problems. He said, as previously reported, the pipe culvert behind the T and H Tire Company adjacent to Druid Drive is incapable of carrying flood waters and steps should be taken to remove this culvert. He also said that, in his opinion, the City street systems could receive damage from the periodic flooding resulting from the inadequate culvert. He said the aggradation of the stream bed between the upper Patton Avenue crossing and Louisiana Avenue has also decreased the flow capacity of the stream and would contribute to the flooding in the Druid Drive area.

After discussion, Councilman Morris requested that the Corporation Counsel investigate the matter and recommend to Council what kind of action should be taken. He also requested that the Street Superintendent investigate the matter and determine whether or not the City street systems had been damaged by the flooding.

GROUP DEVELOPMENT - CAR WASH FACILITY - MR. CHRISTOPHER CLEDARAS

The City Manager presented a letter from the Asheville Planning and Zoning Commission recommending approval of a site plan of a proposed car wash facility to be located on U. S. 70 at Oteen, prepared by Lyda Associates, Engineers, for Mr. Christopher Cledaras, Owner-Developer.

Councilman Colton moved to schedule a public hearing on the matter for August 7, 1975. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

CLAIM - S. R. KERLEY

The City Manager presented a claim received from S. R. Kerley relative to damage to white pine trees on his property.

Mayor Wood referred the claim to the Corporation Counsel for investigation and recommendation.

Councilman Morris questioned whether the Mobil Sweeper being traded in was still usable.

After discussion, Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the contract to North Carolina Equipment Company in the amount of $49,750.00 with instructions to the City Manager to check into the use of the present Mobil Sweeper in another division. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

BIDS - ONE (1) TRACTOR LOADER FOR THE PARKS AND RECREATION DEPARTMENT

12. Consideration was given to bids received for one (1) tractor loader for the Parks and Recreation Department.

The City Manager presented the bids by reading a memorandum from the Purchasing Agent which recommended acceptance of the low bid submitted by Arden Equipment Company in the amount of $9,795.17.

Vice-Mayor Marshall questioned whether or not the attachments on the present loader would be interchangeable with the new equipment.

After discussion, Councilman Colton moved to accept the recommendation of the Purchasing Agent and award the contract to Arden Equipment Company in the amount of $9,795.17. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Bid Summary - One (1) Tractor-Loader for Park and Recreation Department

Bidder	Bid
Farm Equipment Company	$9,987.00
Bruce Construction & Machinery Co.	10,848.79
Arden Equipment Company	9,795.17

REPORT ON FEDERAL 312 LOAN PROGRAM

13. Ken Michalove, Assistant City Manager, reported that as of July 1, 1975 the Housing Authority had ceased taking applications for the Federal 312 Loan Program. He said as of that date 350 applications had been received from people in the Community Development Area. He said five (5) inspectors from the Housing Division had been placed full time on this project along with three (3) full time people from the Housing Authority. He said to date they have placed approximately 20 loans, which amounted to approximately $150,000 in rehabilitation loans. He said all these were processed in about 15 days.

Mr. Michalove recognized and commended, individually, all the people working on the project for a successful effort thus far.

Mayor Wood also commended all the people involved and said it was his understanding that Asheville was the only City in the State who was undertaking such a program. He said there had been indications that the program would be extended beyond the August 21, 1975 deadline.

Thursday - July 24, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Councilmen Ralph D. Morris, Jr., Bill B. Horton, Eugene C. Ochsenreiter, Jr., Henry E. Colton, J. W. Hoyle, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Calvin W. Marshall

1. Approval of the minutes of July 17, 1975 meeting

Upon motion of Councilman Colton, seconded by Councilman Ochsenreiter, the minutes of the July 17, 1975 meeting were approved as submitted.

ORDINANCE NO. 851 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Mrs. Neva A. Hancock on Broad Street)

2. Consideration was given to the third and final reading of Ordinance No. 851, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Property of Mrs. Neva Hancock on Broad Street).

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0. Ordinance No. 851, as amended, passed on its third and final reading.

Complete text of Ordinance No. 851 will be found in Ordinance Book No. 6 at page 304.

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 852 passed on its third and final reading.

Complete text of Ordinance No. 852 will be found in Ordinance Book No. 6 at page 305

CLAIM - GREGORY PAUL LaVOY

The City Manager presented a claim received from Gregory Paul LaVoy, by Attorney Robert B. Long, Jr., relative to damage to his motorcycle from an unmarked hole in the pavement on McDowell Street.

Mayor Wood referred the claim to the Corporation Counsel for investigation and recommendation.

PETITION - INSPECTORS IN HOUSING DIVISION - MILEAGE INCREASE

The City Manager presented and read a petition received from the employees of the Inspection Division requesting that consideration be given to increasing their mileage allowance from 12¢ per mile to 20¢ per mile.

Mayor Wood instructed the City Manager to review mileage allowances paid by private industries and other governmental units and report his findings back to Council.

Adjournment.

Richard A. Wood, Jr.

SPRUCE HILL APARTMENT COMPLEX - REPORT

At the request of Mayor Wood relative to several inquiries, Mr. J. E. Johnson, Chief Building Inspector, gave a report on the status of the Spruce Hill Apartment Complex, under construction in the Haw Creek Area. He said the development was being constructed under conditions of an approved site plan subject to requirements of the old zoning ordinance. He said the development was not subject to the Sedimentation Control Ordinance, however, there had been a controversy relative to dirt and dust in the area but that matter had been abated.

Mayor Wood excused himself from the meeting at 3:05 o'clock p. m. and asked Councilman Morris to preside over the meeting.

BIDS - ONE (1) TRACTOR-LOADER WITH ROTARY CUTTER FOR THE INSPECTION AND DEMOLITION DIVISION

4. Consideration was given to bids received July 7, 1975 for one (1) tractor-loader with rotary cutter for the Inspection and Demolition Division.

The City Manager presented the bids and read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Farm Equipment Company in the amount of $11,499.00.

Mr. Ken Michalove, Assistant City Manager, explained that this equipment was being purchased for the Community Development Program and would be used by the Lot Restoration Crew in the Inspection and Demolition Division.

Councilman Ochsenreiter moved to accept the recommendation of the Purchasing Agent and award the contract to Farm Equipment Company in the amount of $11,499.00. This motion was seconded by Councilman Hoyle and carried unanimously.

ORDINANCE NO. 853 - AN ORDINANCE AUTHORIZING THE TRANSFER OF THE THOMAS WOLFE MEMORIAL FUND TO THE STATE OF NORTH CAROLINA

9. Consideration was given to an ordinance authorizing the transfer of the Thomas Wolfe Memorial Fund to the State of North Carolina.

The City Manager read the ordinance and explained that this fund represents donations that were made by those interested in the Thomas Wolfe Home; proceeds from the sale of books that were placed in the home by members of the Thomas Wolfe family; and includes money that was willed to the Thomas Wolfe Fund. He said this ordinance would provide for the proper transfer of these funds to the State of North Carolina. He said the fund amounts to approximately $11,000 and it was the understanding with the State that these funds would be released to them when they took over the title to the property.

Councilman Horton moved for the adoption of the ordinance. This motion was seconded by Councilman Ochsenreiter.

On a roll call vote of 5-0, Ordinance No. 853 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of the ordinance. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 853 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of the ordinance. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 853 passed on its third and final reading.

BIDS - ONE (1) FOUR-DOOR SEDAN FOR STREET DEPARTMENT

8. Consideration was given to bids received July 22, 1975 for one (1) four door sedan for the Street Department.

Mr. J. E. Johnson, Chief Building Inspector, said he had inspected the monument recently and concurred with the architect that repairs needed to be made to the monument. He said in his opinion the monument would have to be repaired or removed.

Mayor Wood instructed the City Manager to prepare the necessary documents for Council's consideration at next weeks meeting relative to the restoration of the Vance Monument.

RESOLUTION NO. 75-96 - RESOLUTION AUTHORIZING THE MAYOR TO OPTION LAND ADJACENT TO ASTON PARK

Consideration was given to a resolution authorizing the Mayor to option land adjacent to Aston Park.

The City Manager read the resolution.

Mr. Michalove, Assistant City Manager, explained that this property was being purchased in connection with the Community Development Program as it relates to Aston Park. He said the property would be purchased under the federal regulations for such acquisition. He said the terms of the option was that the purchase price would be $40,000; $500 deposit; two appraisals; 30 days within to complete the appraisal and another 60 days to complete the transaction on the property. He said the option could be cancelled if the appraisal was for more than $40,000 and the $500 deposit would be returned.

Upon motion of Councilman Colton, seconded by Councilman Ochsenreiter, Resolution No. 75-96 was unanimously adopted.

Complete text of Resolution No. 75-96 will be found in Resolution Book No. 8 at page 161 .

RESOLUTION NO. 75-97 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A SUPPLEMENTAL MUNICIPAL AGREEMENT WITH NORTH CAROLINA BOARD OF TRANSPORTATION RELATIVE TO CONSTRUCTION OF U. S. 70-74 CONNECTOR IN ASHEVILLE FROM SOUTH OF U. S. 70 TO I-40 AND U. S. 74 INTERCHANGE

Consideration was given to a resolution authorizing the Mayor to enter into a supplemental municipal agreement with North Carolina Board of Transportation relative to construction of U. S. 70-74 connector in Asheville from south of U. S. 70 to I-40 and U. S. 74 Interchange.

The City Manager read the resolution and explained that the amendments related only to the re-numbering of projects by the State.

Upon motion of Councilman Colton, seconded by Councilman Morris, Resolution No. 75-97 was unanimously adopted.

Complete text of Resolution No. 75-97 will be found in Resolution Book No. 8 at page 162 .

COMPLAINT - MRS. EDITH HODGE - CIVIC CENTER - ELVIS PRESLEY SHOW

Mrs. Edith Hodge of 141 Swannanoa Avenue told Council that she and many other people seated on the floor of the Asheville Civic Center's arena during the Elvis Presley concert were unable to see the stage due to the people seated in front of them. She suggested that the stage be raised about 5' allowing everyone to see.

Mayor Wood noted that there has been public interest in establishing a monument to Wolfe in honor of his 75th birthday this October. He said several suggestions had been made, however, favorable response from people he had talked with, had been given to naming the renovated City Auditorium the Thomas Wolfe Hall. He invited comments from the public on how the City could recognize Mr. Wolfe's 75th birthday.

RESOLUTION NO. 75-94 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT WITH BRUCE ALAN SMITH AND BETTY C. SMITH FOR THE EXTENSION OF A PUBLIC SEWER IN CISCO ROAD

10. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville an agreement with Bruce Alan Smith and Betty C. Smith for the extension of a public sewer in Cisco Road.

The City Manager read the resolution.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Colton, Resolution No. 75-94 was unanimously adopted.

Complete text of Resolution No. 75-94 will be found in Resolution Book No. 8 at page 159.

RESOLUTION NO. 75-95 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH CAROLINA POWER AND LIGHT COMPANY REGARDING UNDERGROUND WIRING

11. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Carolina Power and Light Company regarding underground wiring.

The City Manager read the resolution.

Mr. William F. Wolcott, Assistant City Manager, noted that this work would be done block by block rather than tearing up all of the downtown streets at one time.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 75-95 was unanimously adopted.

Complete text of Resolution No. 75-95 will be found in Resolution Book No. 8 at page 160.

VANCE MONUMENT - REPAIRS AND RESTORATION

The City Manager said that after several complaints relative to the condition of the Vance Monument on Pack Square he requested Mr. John Cort of Baber, Cort and Wood, architects to inspect the monument. He then read a letter from Mr. Cort which stated that quotations had been received from two companies for the cleaning and restoration of the Vance Monument. A bid of $3,700.00 was submitted by Skyland Waterproofing Company and a low bid of $3,500.00 was submitted by Brisk Waterproofing Company, the contractor presently engaged in the cleaning of the City Hall Building. In the letter Mr. Cort outlined the scope of the work to be done to the monument, and recommended that the low bid of Brisk Waterproofing Company in the amount of $3,500.00 be accepted.

The City Manager said that if it was Council's wish to proceed with the work, funds could be obtained from the Revenue Sharing Trust Fund.

PUBLIC HEARING - REZONING PORTION OF LOT 1, SHEET 48, LOWER HOMINY TOWNSHIP (BREVARD ROAD AND INTERSTATE 40) - WESTERN NORTH CAROLINA FARMERS MARKET

ORDINANCE NO. 854 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, AS AMENDED

2. A public hearing was held relative to rezoning portion of Lot 1, Sheet 48, Lower Hominy Township (Brevard Road and Interstate 40) from R-1 Residential District to Light Industrial for the development of the proposed Western North Carolina Farmers Market.

Mayor Wood opened the public hearing at 3:01 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Director of Planning, reported that the Planning and Zoning Commission had recommended approval of the rezoning for the following reasons:

1. The land is well suited for development of this type;

2. Access to the property is adequate by way of Interstate 40 and Brevard Road;

3. Property directly across Brevard Road is presently zoned Light Industrial; therefore, incompatible zoning would not be introduced to the area;

4. The development trend for the Brevard Road area between I-40 and I-26 is expected to become more commercially oriented in the near future. The construction and operation of the WNC Farmers Market will surely encourage and hasten this type of development within the area; and

5. In the staff's opinion, the rezoning is within the scope of sound planning and zoning practices and an amendment would be justified.

He also presented and read a letter from James A. Graham, Commissioner for the North Carolina Department of Agriculture, which endorsed approval of the rezoning request.

After discussion, Mayor Wood instructed the City Manager to consult with Mr. Jim Evans, Civic Center Manager, on the feasibility of raising the stage.

"HAIR" - ROCK MUSICAL PRODUCTION - COUNCILMAN HORTON

Councilman Horton asked if any correspondence had been received from the producer of the rock musical production "Hair" which is to perform at the Asheville Civic Center on July 29, 1975.

Corporation Counsel William C. Moore read the following telegram received July 24, 1975 from Joe Almand

> "We will comply with City Officials demands of no nudity on stage. It is to late to reroute to another auditorium. It is hope that same City Officials the ludicrousness of this situation and permit the full Broadway production."

Mr. Moore said that as a result of this telegram he was sending Chief J. C. Hall a copy of North Carolina General Statute 14.190.0 which relates to Indecent Exposure. He said as Chief of Police he expects him to see that the statutes will be complied with during this performance.

Councilman Horton then read the following prepared statement:

> "I am pleased to see the culmination of this situation in a documented agreement from the producers of "Hair" to delete full nudity, as has just been explained to Council.
>
> This gratifying prospect leads me to express publicly my personal appreciation to: Our City Manager- Mr. Ernest Ward; the City Attorney- Mr. Bill Moore; and Manager of the Civic Center - Mr. James Evans .... both individually and collectively... for their courage and integrity in insisting that the touring company in question comform to the standards of decency and propriety subscribed to by our community as a whole.
>
> These three gentlemen have - by their commendable actions - upheld and supported the clearly established posture of our community, which opposes and rejects obscenity and offensive displays in any shape or form.
>
> Thank you, Gentlemen, for your positive reaction in this situation. My expectation is that further commendations on this score will be forthcoming from the people themselves."

Mayor Wood pointed out that the statute makes it a misdeameanor for the owner of any building to permit indecent exposure in that particular building. He said he would expect the Chief of Police to see that the statute is complied with, as such is a legislating act.

Adjournment.

Richard D. Wood, Jr.
MAYOR

William F. Moore, Jr.
CITY CLERK

WESTERN NORTH CAROLINA DEVELOPMENT ASSOCIATION, INC.

420 CITY BUILDING PHONE (704) 252-4783
ASHEVILLE, NORTH CAROLINA 28801

July 30, 1975

The Honorable Richard A. Wood
Mayor, City of Asheville
City Building
Asheville, North Carolina 28801

Dear Mayor Wood:

The Western North Carolina Development Association, acting for and on behalf of the North Carolina Department of Agriculture and the State of North Carolina, respectfully requests that Asheville City Council approve the rezoning of the property bounded by Highway 191 and Interstate 40 to Light Industrial Classification.

The North Carolina Department of Agriculture plans to construct and operate a regional farmers market at this site.

This State-owned market facility will be a great asset to this entire community and area, both from an economic standpoint to producers and as a service to consumers.

We know this will be a facility of which we can all be proud. We urge early approval of the rezoning.

Sincerely,

S. E. Golson
President

SEG/pb

Mr. Patrick said the original R-1 Residential District was established for this area in a "holding capacity" until the Planning and Zoning Commission could determine the development trend for this particular area. He said there had been no opposition voiced at the Planning and Zoning Commission meeting.

Mr. Morris McGough, of the Western North Carolina Development Association, Inc. said that his office had petitioned for the rezoning on behalf of the North Carolina State Department of Agriculture. He then presented a letter from S. E. Golson, President of the Western North Carolina Development Association, Inc., supporting the approval of the rezoning.

Mr. McGough said that the North Carolina Department of Agriculture plans to construct and operate a regional farmers market at this site. He said the State-owned market facility would be a great asset to the entire community and area, both from a economic standpoint to producers and as a service to consumers. He urged approval of the rezoning and finalization as expeditious as possible. He said the State could not progress any further on the project until the property was rezoned.

Mr. McGough answered general questions relative to cost, capacity, etc. for the new market.

Mayor Wood instructed that the letters from James A. Graham and S. E. Golson be made a part of the minutes.

The letters are as follows:

JAMES A. GRAHAM
COMMISSIONER

State of North Carolina
Department of Agriculture
Raleigh

July 23, 1975

Mayor Richard A. Wood
Asheville, North Carolina

Dear Dick:

Re: Rezoning Request - The Biltmore Company and
Western North Carolina Development Association

I regret very much that I will be unable to attend the public hearing on Thursday, July 31 concerning the rezoning of the Farmers Market site in Asheville.

I do sincerely request that the City Council approve the rezoning of the property to Light Industrial Classification so that the NCDA can erect a farmers market and operate it in the best interest of the people of western North Carolina.

With all good wishes.

Cordially,

James A. Graham
Commissioner

Further, it is recommended that the City take the necessary steps to upgrade Ridgelawn Road and Garden Circle so that the necessary street widths can be provided to adequately give access to Haywood Road for bus traffic. Sidewalks should also be constructed to provide a higher degree of safety for those children walking to school.

Mr. Emrick presented a letter, addressed to the Mayor, from W. P. Griffin, of the Asheville City Board of Education, which concurred with the recommended conditions set forth, by the Planning and Zoning Commission, for the approval of the proposed site plan. In addition, the Asheville City Board of Education requested that the City consider extending the sidewalk on Wellington Street to State Street stating that this request would be a safety precaution for the number of students walking to and from school.

Mr. Emrick reviewed the proposed site plan for members of Council.

In discussing the recommended condition relative to supplying adequate water for fire protection, Mr. Edens, Water and Sewer Director, said that it would cost approximately $45,000 to close the existing gap between the two 8" lines, which would be for a distance of about 2,800'. He said the existing 6" lines would probably be adequate to supply the water for fire protection if the 6" lines were new. However, the lines are not new and he would not recommend using a 6" line for over 640' which would be dead end.

The City Manager also pointed out that the recommended upgrading of Ridgelawn Road and Garden Circle would cost approximately $8,000, which did not include curb and guttering nor the construction of a sidewalk on Ridgelawn and Garden Circle.

The City Manager said money for these projects were not appropriated for in this years budget.

After discussion, it was the consensus of Council that the City should not have to bear the full expense of extending the two eight-inch lines to provide adequate water supply nor the full expense of upgrading Ridgelawn Road and Garden Circle or providing larger sidewalks for the school. They felt that if these projects were necessary for the operation of the school, the School Board should share the costs.

Councilman Colton suggested that Council postpone approving the site plan for one week allowing the Water and Sewer Director to test the flow of the water in the existing water lines to see whether they are adequate for fire protection and to also negotiate the costs of upgrading the streets in the area with the Asheville City Board of Education.

Mayor Wood closed the public hearing at 3:50 o'clock p. m.

Mayor Wood asked if any member of Council wish to offer a motion for the approval or disapproval of the proposed site plan.

Not receiving a motion, Mayor Wood advised that Council would schedule the matter for further consideration at next weeks meeting.

BIDS - BEAVERDAM PUMP STATION

4. Consideration was given to bids received July 18, 1975 for construction of the Beaverdam Pump Station.

The City Manager read a letter from Mr. William Edens, Water and Sewer Director, advising that the bids were as follows:

Mayor Wood closed the public hearing at 3:13 o'clock p. m. and instructed the City Manager to read the prepared ordinance, which would rezone the property as petitioned.

Councilman Colton moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 854 passed on its first reading.

Councilman Ochsenreiter moved to suspend the rules and proceed to the second and third reading of the ordinance. This motion was seconded by Councilman Hoyle.

Councilman Colton offered an amendment to Councilman Ochsenreiter's motion that Council pass on the second reading at this meeting and postpone the third reading until next week's meeting. He said in his opinion rezoning is the touchiest thing Council deals with and he felt the citizens should be given an opportunity to be advised of the rezoning and to be given the opportunity to express their opinion if they wish to do so. He said holding three readings on a rezoning ordinance on one particular day would be setting a bad precedent.

Councilmen Ochsenreiter and Hoyle accepted Councilman Colton's amendment to the motion and it carried unanimously.

On a roll call vote of 5-0, Ordinance No. 854 passed on its second reading.

The third reading of Ordinance No. 854 was scheduled for the August 7, 1975 meeting.

PUBLIC HEARING - SITE PLAN FOR PROPOSED HALL FLETCHER MIDDLE SCHOOL

3. A public hearing was held to consider approval of the site plan of the proposed Hall Fletcher Middle School.

Mayor Wood opened the public hearing at 3:18 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Director of Planning, reported that the Planning and Zoning Commission recommended approval of the site plan subject to the following conditions:

1. That adequate parking facilities be provided for both automobile and bus traffic; and

2. That the required environmental statement be submitted before final review; and

3. Steps should be taken to supply an adequate water supply to the site for fire protection. At present there are only two six inch lines which serve the site. Therefore, it is recommended that the City extend the two 8" lines in the area to the site before the building is occupied. (These 8" lines are located on Haywood Road and State Street).

Upon motion of Vice-Mayor Marshall, seconded by Councilman Ochsenreiter, Resolution No. 75-99 was unanimously adopted.

Complete text of Resolution No. 75-99 will be found in Resolution Book No. 8 at page 164.

APPLICATION FOR CARNIVAL PERMIT FOR CHILDRESS SHOWS

The City Manager presented an application for a municipal carnival permit from Childress Shows to hold a carnival on Amboy Road from August 21 through August 30, 1975. He said the application was in order with respect to fees set forth in the Revenue Ordinance for licenses and cleaning fees.

Councilman Colton moved to approve the application for a carnival permit for Childress Shows for August 21 through August 30, 1975. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

RESOLUTION NO. 75-100 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE SOUTHERN RAILWAY COMPANY CONCERNING A 12-INCH WATER LINE IN SKYLAND, NORTH CAROLINA

Consideration was given to a resolution authorizing the Mayor to execute a right of way encroachment agreement with the Southern Railway Company concerning a 12-inch water line in Skyland, North Carolina.

The City Manager read the resolution and explained that this encroachment was necessary for the installation of the water line to serve the new Clark Equipment Company.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, Resolution No. 75-100 was unanimously adopted.

Complete text of Resolution No. 75-100 will be found in Resolution Book No. 8 at page 165.

PETITION - REQUESTING PATHWAY AT McCORMICK FIELD BE MADE PASSABLE

The City Manager presented the following petition:

STATE OF NORTH CAROLINA

COUNTY OF BUNCOMBE

PETITION

TO THE ASHEVILLE CITY COUNCIL AND DIRECTOR OF PARKS AND RECREATION OF THE CITY OF ASHEVILLE:

The undersigned residents of the City of Asheville hereby respectfully request that the generally used pathway on the north and northwest side of the McCormick Field fence used as an access to Valley Street and Biltmore Avenue be made passable. The pathway at present is in an almost impassable condition due to heavy rains and lack of maintenance. Since the Carroll Avenue bridge has been knocked out the residents of Hunt Hill Place and Edgehill Avenue must, without the use of this pathway, travel Edgehill Avenue, Sorrell Street and South Beaumont Street to get to Valley Street.

Huntley Construction Company	$32,857.00
Cooper Construction Company	39,000.00
Innoviated Construction Company	49,571.00

Mr. Edens said this project provided for a new building and two (2) new pumps with provisions being made for an additional pump in the future. He recommended acceptance of the low bid.

Councilman Colton moved to accept the low bid of Huntley Construction Company in the amount of $32,857.00. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

ORDINANCE NO. _____ - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1975-76 (Repairs to Vance Monument)

5. Consideration was given to an ordinance amending the operating budget of the City of Asheville for the fiscal year 1975-76. (Repairs to Vance Monument)

The City Manager read the ordinance and advised that this ordinance was prepared, by direction of Council, to provide funds for repairs and restoration of the Vance Monument. He said Mr. John Cort, of Baber, Cort and Wood, Architects, solicited for bids for this project and Brisk Waterproofing Company submitted the low bid of $3,500.00.

After discussion, Councilman Ochsenreiter moved that the bids for repairs and restoration of the Vance Monument be submitted to formal public bidding allowing local businesses an opportunity to bid on the project. This motion was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO. 75-98 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT TO PURCHASE LAND FROM THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE FOR CONSTRUCTION OF THE EAST RIVERSIDE FIRE STATION BRANCH

6. Consideration was given to a resolution authorizing the Mayor to sign a contract to purchase land from the Housing Authority of the City of Asheville for construction of the East Riverside Fire Station Branch.

The City Manager read the resolution and reported that this project had previously been approved by Council and this resolution merely authorizes the execution of the contract.

Upon motion of Councilman Horton, seconded by Councilman Colton, Resolution No. 75-98 was unanimously adopted.

Complete text of Resolution No. 75-98 will be found in Resolution Book No. 8 at page 163.

RESOLUTION NO. 75-99 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT FOR THE PURCHASE OF PROPERTY IN THE CIVIC REDEVELOPMENT AREA (Disposal Parcel No. 1)

7. Consideration was given to a resolution authorizing the Mayor to sign a contract for the purchase of property in the Civic Redevelopment Area. (Disposal Parcel No. 1).

The City Manager read the resolution and reported that this project had previously been approved by Council and this resolution merely authorizes the execution of the contract.

The City Manager said that Mr. Ray Kisiah, Director of Parks and Recreation, was now working on cutting a six to eight foot path in this area. However, he does not recommend paving the path at this time.

COMPLAINT - MRS. CARL W. LOFTIN - SPEEDING IN GROVE PARK AREA

Mayor Wood presented a letter received from Mrs. Carl W. Loftin regarding speeding in the Grove Park Area. He instructed that the letter be made a part of minutes.

The letter is as follows:

60 Lawrence Place
Asheville, NC 28804
July 31, 1975

Members of the City Council
c/o Richard A. Wood, Jr.
First Union National Bank Building
Asheville, NC 28801

Dear Members of the City Council:

On June 19, I heard a violent screeching of brakes in front of my home on the corner of Lawrence and Evelyn Place. I was so frightened that one of my children or someone else had been hurt that I rushed out and found it only to be two young people stopping to talk to each other. I was verbally insulted by a young man when I asked him why he was not driving more slowly in a residential neighborhood. I was so upset by his attitude and by the reckless way he must have been driving, to have left tire marks which I measured at over 60 feet, that I immediately memorized his license number, came in and called the police. As I was entering my house, I noticed at least 7 of my neighbors, who had been alarmed by the sound, coming to see what had happened. I called the police and found out that I could do nothing since I hadn't actually witnessed the reckless driving and that the police could do nothing.

Since this incident I have had many conversations with the police, particularly Captain Sloop and Paul Dutcher. Paul Dutcher suggested a study of the street to see if lowering the speed limits would be advisable and Captain Sloop told me that he could not enforce the speed limit unless signs were posted. Mr. Dutcher says that the signs may be available soon but would probably be stolen in short order. At such time as they are placed what we need is enforcement.

This past Monday night Carl observed two cars racing down the street exactly abreast. If another car had been coming in the opposite direction, someone would have certainly been killed.

I realize that we are not the only neighborhood served by the police. I feel, however, that the large nightly gatherings of teenagers in Grove Park has caused our neighborhood to get far more than its share of speeding and other unlawful and dangerous acts, including theft from our cars. The occasional police car in Grove Park does not help much but many of the neighbors have suggested, and I concur, that police cars with radar parked on side streets would go a long way to alleviate the speeding situation, as well as the littering situation.

I know that littering is a problem everywhere, but in what neighborhood can a person sit in his yard in daylight and see cans and bottles thrown into his yard in front of him. My husband has picked up not less than 8 to 10 broken bottles in the yard in the last 10 days. We cannot even let our children go barefooted in the front yard and, of course, they cannot use Grove Park because of the intolerable conditions there.

We respectfully suggest that the pathway be paved.

MR. E. R. McCARTHY - CRITICIZING FEDERAL PROGRAMS OFFICE

Mr. E. R. McCarthy read a letter he had sent to the Asheville Citizen "Backtalk" published in the Asheville Citizen on Thursday, July 31, 1975. In this letter he criticized the City for secretly setting up a Federal Programs Office.

Adjournment.

Richard A. Wood, Jr.
MAYOR

William S. Malcolm
CITY CLERK

While everyone has been extremely courteous over the telephone to those of us who have called, the fact remains that nothing has been done that has effectively changed the situation. Do we, as taxpayers, have to sit in our front yards and make citizens arrests or can something be done, as Martha Hoskins suggested, like closing off some of the streets in the park or even closing off the end of Evelyn at the stop light between Edwin and Kimberly Avenue?

Two lives have been lost in this area recently. I hope something will be done before more lives are lost; perhaps one of them being the life of a small, innocent child.

I have tried very hard, to no avail, to go through the correct channels, as have many of my neighbors. I am now asking you as one who worked very hard for your election to do something for me and my neighbors.

Very truly yours,

Celeste

Mrs. Carl W. Loftin

I fully agree with all of the above
Something must be done!

Carl W. Loftin

Chief Hall advised that officers have been instructed to concentrate in this area in an effort to control the speeding and congestion. He said he had talked with some of the residents in this area, during this week, and was informed that the situation had slightly improved.

A discussion followed relative to the control of speeders all over the city.

PROGRESS REPORT - HUD 312 LOAN PROGRAM

Ken Michalove, Assistant City Manager, gave the following progress report on the HUD 312 Loan Program,

Total Inspections Completed (includes disqualifications)	35
Fund Reservations sent to Greensboro	18
Inspections and Cost Estimates Currently being Processed	10
Applications declined by owner-occupants	3
Money in Reservation	$224,512.00

He said this test revealed that the flow of the fire hydrant in front of Hall Fletcher School was down, however, they would determine if a leak has occurred in the line that would reduce the flow and bring the flow back to its original capacity.

Mr. Edens said the Planning and Zoning Commission recommended that the 8-inch lines in Haywood Street and State Street be joined by an 8-inch main to provide better fire protection to the school. He said it would be his recommendation, that since the deficiency of water in the area is not great and there are so many other areas in the City that have no fire protection whatsoever, that the expenditure of extending the 8" lines is not justified.

The City Manager also read a memorandum from Chief P. N. Ball relative to the water survey of hydrants at the Hall Fletcher School.

The City Manager read a memorandum from Mr. Bostic, Street Superintendent, relative to the upgrading of Ridgelawn and Garden Circle. He said the total cost of materials to upgrade these streets would be $5,328.00, excluding labor and equipment rental of approximately $5,000.00.

The City Manager said these projects were not absolutely necessary at this time for the construction of the new school and suggested that Council approve the site plan and allow him to discuss, with the Asheville City School Board, the widening of adjoining streets at a later date.

Upon inquiry of Councilman Colton, John Cort, Architect for the new school, said that the City Board of Education was incurring the cost of widening Garden Circle and Ridgelawn on property bordering the school. He said this was included as part of the contract for the construction of the school.

After discussion, Vice-Mayor Marshall moved to approve the site plan of the proposed Hall Fletcher Middle School. This motion was seconded by Councilman Horton and carried unanimously.

Mayor Wood directed the City Manager to work with the Street Division and the Asheville City School Board on the proposal to widen the streets extending away from the school property.

ORDINANCE NO. 854 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Brevard Road -Interstate 40) - Western North Carolina Farmers Market

4. Consideration was given to the third reading of Ordinance No. 854, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Brevard Road -Interstate 40) Western North Carolina Farmers Market

Mayor Wood noted that the ordinance passed on first and second reading at the July 31, 1975 meeting and the ordinance would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 854 passed on its third and final reading.

Thursday - August 7, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., Bill B. Horton, Eugene C. Ochsenreiter, Jr., Henry E. Colton, J. W. Hoyle, Corporation Counsel William C. Moore, City Manager Ernest J. Ward.

Absent: Assistant City Manager/City Clerk William F. Wolcott, Jr.

1. Approval of minutes of July 31, 1975 meeting.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, the minutes of the July 31, 1975 meeting were approved as submitted.

PUBLIC HEARING - CAR WASH FACILITY - U. S. 70 AT OTEEN - CHRISTOPHER CLEDARAS

2. A public hearing was held relative to the site plan of a proposed car wash facility to be located on U. S. 70 at Oteen for Christopher Cledaras.

Mayor Wood opened the public hearing at 3:02 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Bob McDonald of the Planning Staff, reported that the Planning and Zoning Commission recommended approval of the site plan subject to the developer complying with all sections of the Sedimentation Ordinance (Ordinance No. 813) and providing ten (10) parking spaces on the lot. He said it was his understanding that these conditions had been complied with and that this project would not create any traffic or environmental problems.

No one voiced opposition to the approval of the site plan.

Mayor Wood closed the public hearing at 3:08 o'clock p. m.

Vice-Mayor Marshall moved to approve the site plan of the proposed car wash facility to be located on U. S. 70 at Oteen. This motion was seconded by Councilman Hoyle and carried unanimously.

PUBLIC HEARING - HALL FLETCHER MIDDLE SCHOOL - GROUP DEVELOPMENT

3. Further consideration was given to the site plan of the proposed Hall Fletcher Middle School.

Mayor Wood requested the City Manager to report on information requested by Council regarding fire protection-water supply to the Hall Fletcher Middle School and also on the upgrading of the surrounding streets.

The City Manager read a memorandum from W. E. Edens, Water and Sewer Director, which stated that pursuant to Council's direction, Chief Ball had fire flow tests made on three hydrants in the vicinity of the Hall Fletcher School on Monday, August 4, 1975.

Presently our firm is involved in the substantial rehabilitation of similar structures in several states. The Andrew Johnson Hotel Building in Knoxville is one of these.

We would propose to convert the Battery Park Hotel into efficiency units for low income elderly citizens of Asheville using the congregate dining concept to serve the residents. We believe this concept of housing affords many advantages to the elderly residents to obtain a living unit and a well-balanced food program at rates which can be afforded by them. The larger common spaces in the structure would be converted for resident use for such purposes as: conversation rooms, TV areas, library, chapel or assembly areas, laundry room, etc. We would also propose to have available a food service operation (probably cafeteria style) that would be available to serve the public.

In order to make this proposed project a reality, it will be necessary for the City of Asheville to determine it as the highest priority in providing housing for the elderly in the community. To that end, this priority would be structured in the City's Housing Assistance Plan naming the conversion of the Battery Park Building as the structure which the City wishes HUD to approve for 210 units for the elderly under the Section 8 Program. Also, the City would request HUD under Section 8 Regulations (881.203,d) to preapprove this site and to immediately begin negotiations with the developer to provide this housing development.

The present owner of this property and our development team would pledge our best efforts in determining the feasibility of this project in a relatively short period of time. We are confident that this fine old structure offers unusual opportunities for the purpose which we would propose for it. It also should be stated here that our approach would be to privately develop this property, and it would remain in the tax stream. Also, if a higher and better use became available at a later date, we would certainly be receptive to altering the use of this structure in cooperation with the City and the residents which we will serve.

We look forward to receiving your response to this matter. Please inform us if you need more detailed information concerning our proposal.

Sincerely yours,

F. Rodney Lawler

BIDS - PLUMBING CONTRACT FOR NORTH FORK FILTER PLANT

RESOLUTION NO. 75-101 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH PLEMMONS PLUMBING AND HEATING COMPANY, INC. FOR THE PROJECT KNOWN AS WATER FACILITIES, PHASE II

5. Consideration was given to bids received July 8, 1975 for the Plumbing Contract of the Water Facilities, Phase II Program.

The City Manager read a letter from C. A. Willis, O'Brien And Gere Engineers, which recommended the acceptance of the low bid submitted by Plemmons Plumbing and Heating Company in the amount of $19,000. He said there were several informalities and irregularities connected with the bid but since none were of apparent consequence they recommended that Council waive the irregularities and award the contract to Plemmons Plumbing and Heating Company, Inc.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, Resolution No. 75-101 was unanimously adopted.

ELDERLY APARTMENT PROJECT PROPOSAL - BATTERY PARK HOTEL

Mr. K. M. Michalove, Assistant City Manager, read the following letter from Lawler-Wood Associates, Inc. requesting that the City Council endorse as first priority the conversion of the Battery Park Hotel to an Elderly Apartment Project under Section 8 provisions of the 1974 Housing and Community Development Act.

Mayor Dick Wood
City Hall
Asheville, N.C.

Dear Mayor Wood:

As you know, our firm has been working with the owner of the Battery Park Hotel Building to determine its feasibility as a use for housing for the elderly. We would propose the conversion of this building for use for the elderly under Section 8 Provisions for the 1974 Housing and Community Development Act.

HUD also indicated that they will not push for Section 8 rehabilitiation projects during the first year. They did, however, indicate that elderly housing is high in national priorities.

There is, undoubtedly, a need for elderly housing in the city at this time. Although the Housing Authority states that there are about 280 elderly families on their waiting list at present, their records of February indicated that 377 were on the waiting list at that time. The Vanderbilt Apartments indicated full occupancy in February and 60 individuals on their waiting list.

Asheville contains a fairly high percentage of older people. According to the 1970 Census, 19.1 percent of all families living in the city have heads over 65 years of age. This compares with 10 percent in Greensboro, 12.3 percent for Winston-Salem, 9.9 percent in Raleigh, and 9.7 percent in Charlotte. These older citizens, needless to say, deserve special consideration in repayment for their contribution to society.

There is, however, strong concerns from people who work with the elderly about deficiencies in architectural design of high-rise apartments for the elderly by some developers. These deficiencies include the lack of proper railings along stairways, inadequate private bathroom facilities, safeguards for the handicapped, fire escape protection, sight and hearing provisions. Discussion with the North Carolina Council on Aging staff, Land of Sky Regional Council's Aging Coordinator, and the Easter Seal Society indicate that close scrutiny must be given to design plans of elderly high-rise buildings. All of these agencies have apprehensions about this type of housing for the elderly and prefer retirement village type of housing for the elderly. The village concept provides a much more healthful environment and added opportunities for outdoor leisure activities.

A telephone survey of existing rents for one bedroom apartments in the private market in Asheville revealed the following information:

(1)	Vanderbilt Apartments	$125.00/mo.	(utilities included)
(2)	Bear Creek	$148.00/mo.	(water furnished)
(3)	La Mancha	$155.00/mo.	(water furnished)
(4)	Biltmore Garden	$155.00/mo.	(Water furnished)
(5)	Turtle Creek	$165.00/mo.	(water furnished)
(6)	Oak Knoll	$94-143/mo.	(water furnished)

The Asheville Housing Authority during the previous year experienced an average utility cost per unit in their elderly high-rise apartments of $29.06 per month; $4.00 of which was for water. Carolina Power and Light Company will be raising the electric rate by twelve percent next month and possibly 22 percent next year. Therefore, an average utility cost figure of $36.00 per month is more realistic.

Mr. Donald Blackwell, owner of the Battery Park Hotel Building, asked Council to help him and the proposed developers obtain funds to convert the building to low-rent housing for the elderly. He said the developers plan to convert the building to 210 one-room units. He said plans would call for a congregate dining room with the residents paying about $2.00 per day for their meals. Other common areas in the hotel would include television room, library and chapel or assembly room. He said the building could be ready for use in nine months with help from the Department of Housing and Urban Development. He said the City would have to declare housing for the elderly at the Battery Park a priority need in order for HUD to negotiate with the owner and the developer.

Mr. Michalove also summarized the following memorandums from the Planning Division and the Asheville Housing Authority pointing out some of the problems that would arise.

MEMORANDUM

TO: Ken Michalove, Assistant City Manager - Planning and Development

FROM: Verl R. Emrick, Jr., Planning Director, and Marvin Vierra, Planner II

SUBJECT: Elderly Apartment Project Proposal

DATE: July 25, 1975

The City of Asheville has had very little experience in providing housing for low income families since this activity has been accomplished solely by the Housing Authority for the past several years.

The proposal which was recently presented to convert the Battery Park Hotel into an elderly housing project is predicated on the city being able to entice HUD to raise the Fair Market Rent limits for Asheville and to increase the city's allocation of number of units for Section 8.

Although it is possible for HUD to raise the Fair Market Rent by ten (10) percent through the field office and twenty (20) percent by the Assistant Secretary for Housing Production, a recent discussion with HUD officials in Greensboro indicated that HUD will be reluctant to raise the rent limits during the first year since the regulations provide for readjustments every two years. The next Fair Market Rent study for North Carolina will be conducted by HUD during the coming fiscal year. (Present rents were derived from a HUD study conducted during the previous fiscal year).

It is also doubtful that HUD will increase unit allocations at this point in time. If the total North Carolina allocation is not committed during the fall of this year, reprogramming will probably take place next spring.

HOUSING AUTHORITY OF THE CITY OF ASHEVILLE
ASTON PARK TOWERS
704 - 253-3806

July 28, 1975

Mr. Ken Michalove
Assistant City Manager
City of Asheville
P. O. Box 7148
Asheville, North Carolina 28807

Subject: Battery Park Hotel
Elderly Housing

Dear Mr. Michalove:

Careful consideration has been given to subject proposal and the following summation is a unanimous evaluation by Housing Authority staff and myself.

The Asheville Housing Authority has on file, 405 active applications from elderly, disabled and handicapped citizens. Within eighteen months, this Authority will be able to house 121 of this total in new Project N. C. 7-1B (Bartlette Street) and twenty-four in Project N. C. 7-8, East Riverside, leaving a balance of 260 to be housed.

The proposal for subject project directs intentions to house 200 elderly in zero-bedroom apartments. To be able to house 200 of our elderly, handicapped and disabled citizens in the proposed time period by subject developers (9 months) definitely has merit as to time and number. However, architectural barriers such as location and lack of land area presents serious environmental consideration.

Past and present experience indicates a strong desire on the part of elderly citizens to remain active in some fashion, in an outside environment such as vegetable gardening, flower gardening, strolling in open areas and an atmosphere to gather and chat. It is our opinion that subject site would limit these citizens to interior activities and side-walk strolling which places a restriction upon them as to the freedom and environment that they are entitled to.

Another objectionable feature of subject proposal is congregate dining. Past and present experience strongly indicates that our elderly citizens of low income would not accept this readily. Diets vary tremendously among this age and race groups; such as special foods of this generation and special ways of preparing, proposes a serious restriction upon the eating habits and freedom of choice.

The average rent for the six apartment establishments surveyed is $148 per month. After adding an inflated utility cost of $31 (excluding water which is provided), the average gross rent is $179.

In light of the above information it would be inadvisable for the City of Asheville to ask HUD to raise the Fair Market Rent ceiling for a rent subsidy program. It also would not be advisable at this time to ask HUD to increase the total unit allocation for Section 8 since this would put the city into a position of supporting a complicated federal program which has not been tested. If the program should fail or fall short of expectations, or come under scandalous abuse from private developers, the city could stand to lose some credibility with its constituency.

Since the Section 8 contract will be between HUD and the project owner, it should be the owner's responsibility to seek the requested changes from HUD, and the city's role should only be one of advising HUD of its concerns about the project at which time HUD should ask the city for comments on the project. Several firms could possibly be submitting proposals to HUD and the city would be in an awkward position if it favored one project over another before HUD received and reviewed all proposals.

The proposal to convert the apartment building into a hotel at which time as the economic demand for such a facility was high is not considered sound reasoning for city support since the city would be accountable for providing housing for the displaced persons.

The economic impact of the project on the downtown area would be insignificant since elderly people are generally not large spenders.

Considering all of the above information, it is recommended that the city withhold its support of this particular elderly apartment project proposal at this time.

Councilman Morris moved to schedule a public hearing on the matter for August 28, 1975. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

REZONING REQUEST - BUILDERS SAVINGS-LOAN COMPANY, INC. - WARD 8, SHEET 31, LOT 22

The City Manager read a letter from the Planning and Zoning Commission recommending approval of the rezoning request of Builders-Savings Loan Company, Inc. to rezone Ward 8, Sheet 31, Lot 22 from R-2 Residential District to CH Commercial Highway District.

Councilman Morris moved to schedule a public hearing on the matter for September 4, 1975 to be advertised at the expense of the petitioner. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

PROPOSED ASHEVILLE SIGN AND OUTDOOR ADVERTISING ORDINANCE

The City Manager read a letter from the Planning and Zoning Commission recommending to Council the proposed Asheville Sign and Outdoor Advertising Ordinance including certain wording changes recommended by the staff. He said, a second draft of the proposed ordinance with the amendments would be prepared and submitted to Council for consideration by August 21, 1975.

REPORT OF CHIEF OF POLICE - POLICE CALL TO HAZZARD STREET - AUGUST 2, 1975

Chief Police J. C. Hall reported that on Saturday night, August 2, 1975, the Police Department received a call from a lady on Hazzard Street stating that her house was being damaged by an individual; cars were dispatched to the scene; other calls came in stating that a gun was involved; and officers answering the call were faced with a young man holding a poker, with which they were threatened. He said, it was his understanding, that one of the officers was struck with the poker and the officer hit the young man with a stick to get the poker out of his hands. He said the young man was taken to the hospital and examined by Dr. Michaels. He said, as a result of this incident, after talking with Dr. Michaels and Mr. Ron McElrath with the Asheville Buncombe Community Relations Council, he had instructed Lt. Hensley and Patrolman Medford to work with Mr. McElrath on this investigation and to interview no one, regarding the incident, unless they were in the presence of Mr. McElrath. He said the investigation was still under way and it would be several days before a final determination would be made.

RESOLUTION NO. 75-102 - RESOLUTION IN MEMORIAM OF THOMAS WILLARD SIMPSON

Consideration was given to a resolution in memoriam of Thomas Willard Simpson.

The City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Ochsenreiter, Resolution No. 75-102 was unanimously adopted.

Complete text of Resolution No. 75-102 will be found in Resolution Book No. 8 at page 167.

After all consideration, we are of the opinion that our community can provide housing for our elderly, handicapped and disabled citizens in an area that would still provide most of the activities and environment that these citizens are entitled to.

Very truly yours,

W. C. King
Executive Director

WCK/jh

After discussion, Mayor Wood said that Council would not take any action on the matter at this meeting but it would be scheduled on next weeks agenda in order to give members of Council and the public an opportunity to consider the proposal further.

PETITION - 37 WHITE FAWN DRIVE

The City Manager presented a petition received from residents of White Fawn Drive requesting immediate demolition of 37 White Fawn Drive, stating that within the last month, the house has been on fire four times, thus becoming a fire hazard and placing the lives and property of two families in extreme jeopardy.

Mayor Wood referred the petition to the Inspection and Demolition Division for investigation and to report their findings to Council at next weeks meeting.

CLAIM - GIRMES OF AMERICA, INC.

The City Manager presented a claim received from Girmes of America, Inc. for damages resulting from the City cutting off the water supply to their plant, without notification.

Mayor Wood referred the claim to the Corporation Counsel for investigation and recommendation.

GROUP DEVELOPMENT - LIBRARY FACILITY ON HAYWOOD STREET

The City Manager read a letter from the Planning and Zoning Commission recommending approval of the site plan of the proposed library facility to be located on Haywood Street near the Vanderbilt Apartments and adjacent to the new parking garage presently under construction.

VANCE MONUMENT - DISCUSSION

Rabbi Samuel A. Friedman, representing several organizations plus the Daughters of the American Revolution; Mrs. Viola Stevens, president of the Asheville Chapter of the United Daughters of the Confederacy and Mack White, representing the WNC Historical Association, all spoke to Council relative to rumors suggesting that the Vance Monument be moved from Pack Square. They appealed to Council to restore and repair the monument as may be needed but not to remove it from Pack Square.

Mayor Wood commented that Council had no intentions of removing the monument but in fact decided at last weeks meeting to advertise for bids on repairing the monument of the late U. S. Senator and Governor and said the City plans to spend about $3,500 on the project. He said the monument would stand where it is now but in better condition.

DR. OTIS B. MICHAELS - REQUEST FOR FIRE HYDRANT ON COGSWOOD ROAD

Dr. Otis B. Michaels, 8 Cogswood Road, appeared before Council requesting that a fire hydrant be installed on Cogswood Road.

Mayor Wood instructed the City Manager to confer with Mr. W. E. Edens, Water and Sewer Director, on the total cost for installation of any necessary new lines and the cost of a fire hydrant for this location.

Adjournment.

Richard D. Wood
MAYOR

Marian F. Mahler
CITY CLERK

ENDORSEMENT OF REQUEST OF ASHEVILLE STAMP CLUB - ISSUANCE OF COMMEMORATIVE POSTAGE STAMP HONORING THOMAS WOLFE

Mayor Wood said that he had received a request from the Asheville Stamp Club, which is in the process, along with other citizens in the community, including Dr. Claude Frazier, to call upon the Citizens Stamp Advisory Committee to recommend the issuance of a postage stamp commemorating the seventy-fifth birthday of Thomas Wolfe this year. He said a number of organizations in our community had gone on record in support of such a project and the Asheville Stamp Club has requested that the Asheville City Council go on record as endorsing the effort.

Councilman Morris moved to endorse the issuance of a postage stamp commemorating Thomas Wolfe and to commend the same to the Citizens Stamp Advisory Committee. This motion was seconded by Councilman Hoyle and carried unanimously.

Mayor Wood directed that the City Clerk advise the Asheville Stamp Club and the Postmaster General of such action taken by the Asheville City Council.

PROGRESS REPORT - FEDERAL 312 LOAN PROGRAM

Mr. Michalove, Assistant City Manager gave the following progress report of the Federal 312 Loan Program:

August 6, 1975

Inspections were discontinued at 12:00 noon today.

Number of commitments in Greensboro.....19

Number being signed today for transmittal to Greensboro..... 4

Number of write-ups to be completed and transmitted to Greensboro by Monday..... 4

Number in Greensboro from Redevelopment Area..... 4

ANTICIPATED TOTAL.....31

APPROXIMATE DOLLAR VALUE.....$300,000

There will be a period of a week to ten days between next Monday and the time that the loans all come back from Greensboro.

During this interim period, our inspectors will be offered the opportunity to take vacation, if they desire it.

Upon return of the loans from Greensboro, each of the inspectors will be involved full time for approximately the next year finalizing the loan, taking bids, letting contracts and performing daily inspections of the construction work accomplished on each house. Each inspector will have full responsibility for each house upon which he performed the initial inspection.

These tasks will again be supplemented by additional inspections when fiscal year '76 loan money becomes available.

Mr. Lloyd Kirk, 886 Hendersonville Road, voiced opposition to the proposal stating that the redevelopment of housing in the downtown area is not appropriate and emphasis should be placed on convention hotels in relation to the Civic Center.

Henry Chapman, a resident of the Vanderbilt Apartments, spoke in favor of the proposal stating that in his opinion there is a need for a facility of this type especially for the elderly. He said the facility should have two or three room apartments with each having a kitchenette.

Mr. E. R. McCarthy also voiced opposition to the proposal as presented.

Mr. Verl Emrick, Director of Planning, noted that it was his understanding, that there were other developers making plans to submit proposals to HUD under the provisions of Section 8.

Mr. Jim Grey with the Advocate/Native Stone publication said he felt an intensive research should be made into the proposal and suggested that a committee be appointed with representatives of the City staff, Asheville Housing Authority, and the Asheville-Buncombe Community Relations Council to explore the study of such housing needs.

After discussion, Mayor Wood asked if any member of Council wished to make a motion regarding the request of Mr. Blackwell and Lawler-Wood Associates.

In the absence of a motion, Mayor Wood declared the request denied. He said this would not preclude the firm from submitting their proposal to HUD under the provisions of Section 8.

RESOLUTION NO. 75-103 - RESOLUTION PROVIDING FOR THE ISSUANCE OF $2,500,000 WATER BOND ANTICIPATION NOTES

Councilman Colton introduced the following resolution which was read:

RESOLUTION PROVIDING FOR THE ISSUANCE OF $2,500,000 WATER BOND ANTICIPATION NOTES

BE IT RESOLVED by the City Council of the City of Asheville:

Section 1. The City Council has determined and does hereby find and declare:

(a) That an order authorizing $8,250,000 Water Bonds was adopted by the City Council of the City of Asheville on February 19, 1974, which order was approved by a vote of a majority of the qualified voters of the City who voted thereon at a referendum duly called and held on April 6, 1974.

(b) That $3,075,000 of said bonds has been issued, which bonds are designated "Water Bonds, Series A", and are dated March 1, 1975, that no notes have been issued in anticipation of of the receipt of the proceeds of the balance of said bonds, and that it is necessary to issue at this time $2,500,000 notes in anticipation of the receipt of the proceeds of a like amount of said bonds.

2. In anticipation of the receipt of the proceeds of a like amount of said bonds, the issuance of $2,500,000 negotiable notes of the City of Asheville is hereby authorized, which notes

Thursday - August 14, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Bill B. Horton, Eugene C. Ochsenreiter, Jr., Henry E. Colton, Corporation Counsel William C. Moore, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilmen Ralph D. Morris, Jr. and J. W. Hoyle, City Manager Ernest J. Ward

1. Approval of minutes of August 7, 1975 meeting.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton, the minutes of the August 7, 1975 meeting were approved as submitted.

SENIOR HOUSING DEVELOPMENT - BATTERY PARK HOTEL - DISCUSSION

2. Further consideration was given to the request of Mr. Donald M. Blackwell, owner of the Battery Park Hotel, on behalf of Lawler-Wood Associates of Knoxville, Tenn. for the City's support of a proposed contract with the Department of Housing and Urban Development for a low-rent Senior Housing Development of the Battery Park Hotel.

Mr. Blackwell presented a brochure to members of Council outlining details of the proposal and the services it would provide. He said Lawler-Wood Associates is presently operating this kind of facility in several locations, including the Andrew Johnson in Knoxville, Tennessee. He said time was of essence since proposals under Section 8 of the 1974 Housing and Community Development Act had to be submitted by August 28, 1975. He said, as stated in a letter from Lawler-Wood Associates, dated August 1, 1975, the developer was requesting the City to designate the project as the highest priority in providing housing for the elderly and to request HUD to preapprove this project and to immediately begin negotiations with the developer to provide this housing development.

After discussion, Councilman Horton said he felt Council did not have enough information from the developer nor about the provisions of Section 8 to make an intelligent decision at this time or before the deadline of August 28, 1975.

Mr. Charles R. Kern said he was an operator of a business in the Asheville Central Business District and represented the Steering Committee of a group of Central Business District businessmen and civic leaders who were in the process of forming an association for the logical development and guidance for the downtown area development. He said this committee is working with the Asheville Area Chamber of Commerce, Center Asheville Association, and Quality '76 towards this end. He said they had developed a list of objectives, both short and long range, for the betterment of the area based on trends and logic to guard against expediency. He said on this list is the best utilization of the Battery Park Hotel and this location must be put to the best possible use if center Asheville is to realize its best and logical development. He said this committee seriously questioned whether the elderly housing project is the best use. He said it was the committee's opinion that the location should relate to the Civic Center such as; the conversion of the hotel into a resort/convention hotel, in-town condominiums or the property to be acquired by the City and held in escrow until it could become one of the above. He said if these priorities could not be met then the use of the Battery Park Hotel as presently proposed would be better than the building being vacant. However, he said, this proposal should not be acted on expeditiously and should receive further exploration.

the time of payment, is legal tender for the payment of public and private debts. For the prompt payment hereof, both principal and interest as the same become due, the full faith and credit of said City of Asheville are hereby irrevocably pledged.

This note is given for money borrowed in the amount of the face of this note in anticipation of the receipt of the proceeds of a like amount of Water Bonds duly authorized by an order adopted by the City Council of said City on February 19, 1974, which order was approved by the vote of a majority of the qualified voters of said City who voted thereon at a referendum duly called and held, and this note is issued pursuant to and in full compliance with The Local Government Bond Act, as amended, Article 9, as amended, of Chapter 159 of the General Statutes of North Carolina, and a resolution duly passed by the City Council of said City.

It is hereby certified and recited that all acts, conditions, and things required by the Constitution and laws of North Carolina to happen, exist, and be performed precedent to and in the issuance of this note have happened, exist, and have been performed in regular and due form and time as so required, and that the total indebtedness of said City, including this note, does not exceed any constitutional or statutory limitation thereon.

IN WITNESS WHEREOF, said City of Asheville has caused this note to be signed by its Mayor and its City Clerk and the corporate seal of the City to be affixed hereto, all as of the 8th day of September, 1975.

RESOLUTION NO. 75-104 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A LEASE CONTRACT WITH THE NORTH CAROLINA DEPARTMENT OF JUSTICE POLICE INFORMATION NETWORK

4. Consideration was given to a resolution authorizing the Mayor to sign a lease contract with the North Carolina Department of Justice Police Information Network.

The Assistant City Manager read the resolution and explained that this agreement would increase the maintenance and circuit costs of the Police Information Network System at the Asheville Police Department from $153.50 per month to $175.00 per month effective January 1, 1976.

Upon motion of Councilman Horton, seconded by Councilman Ochsenreiter, Resolution No. 75-104 was unanimously adopted.

Complete text of Resolution No. 75-104 will be found in Resolution Book No. 8 at page 171.

RESOLUTION NO. 75-105 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH THE STATE OF NORTH CAROLINA FOR AN ACTUARIAL PREVALUATION OF THE COSTS INVOLVED IN THE CITY PARTICIPATING IN THE NORTH CAROLINA LOCAL GOVERNMENT EMPLOYEES RETIREMENT SYSTEM

5. Consideration was given to a resolution authorizng the City Manager to enter into an agreement with the State of North Carolina for an actuarial prevaluation of the costs involved in the City participating in the North Carolina Local Government Employees Retirement System.

The Assistant City Manager read the resolution.

Mr. Mike Smith, Director of Central Services, said this prevaluation would be compared with the proposed plan prepared by H. Gray Hutchinson & Associates and a determination would be made from the data obtained as to which plan would be the most economical and put to the best use. He said the costs involved in this project would be approximately $2,000.00.

Upon motion of Councilman Colton, seconded by Councilman Horton, Resolution No. 75-105 was unanimously adopted.

Complete text of Resolution No. 75-105 will be found in Resolution Book No. 8 at page 172.

Mayor Wood instructed Mr. Smith to forward a copy of the resolution to the State in order for them to proceed with the prevaluation.

RESOLUTION NO. 75-106 - RESOLUTION APPOINTING MEMBERS OF BOARD OF ELECTRICAL EXAMINERS AND MEMBERS OF BOARD OF EXAMINERS OF MOTION PICTURE OPERATORS

Consideration was given to a resolution appointing members of Board of Electrical Examiners and members of Board of Examiners of Motion Picture Operators.

The Assistant City Manager read the resolution.

Thereupon Councilman Colton moved the passage of the foregoing resolution entitled: "RESOLUTION PROVIDING FOR THE ISSUANCE OF $2,500,000 WATER BOND ANTICIPATION NOTES", and Councilman Ochsenreiter seconded the motion and the resolution was passed by the following vote:

Ayes: Councilmen Eugene C. Ochsenreiter, Jr., Henry E. Colton, Bill B. Morton, and Vice-Mayor Calvin W. Marshall.

Nays: None.

Thereupon the foregoing resolution was authenticated by the signing thereof by the Mayor and the City Clerk, and the Corporation Counsel endorsed upon said resolution his approval as to the form thereof.

Mayor Wood instructed the City Manager to pursue this matter further and to inform Dr. Michaels, by forwarding to him a copy of Mr. Edens memorandum, that consideration is being given to his request.

FIRE HYDRANT - DEBRA LANE

Councilman Horton requested the City Manager to investigate the possibility of a fire hydrant being installed on Debra Lane.

JIM GREY - COMMENTS - BATTERY PARK HOTEL - INVESTIGATION INTO POLICE INCIDENT ON HAZZARD STREET

Mr. Jim Grey, of the The Advocate/Native Stone again suggested that Council appoint a committee to study the need for an elderly housing development in the downtown area.

Mayor Wood instructed the Planning Division and the Asheville Housing Authority to contact the Department of Housing and Urban Development and obtain further information regarding provisions of Section 8 of the 1974 Housing and Community Development Act as it relates to other cities and find out the intentions of the firms submitting proposals for this fiscal year's allocation by HUD.

Mr. Grey also asked if a report could be given on the investigation being made by the Asheville Police Department and the Asheville-Buncombe County Community Relations Council involving a police incident on Hazzard Street on August 2, 1975.

Assistant Chief Trulove advised that the investigation was still under way and a report should be ready next week.

REPORT ON PETITION RECEIVED FROM RESIDENTS OF WHITE FAWN DRIVE - 37 WHITE FAWN DRIVE

Mr. J. E. Johnson reported that, as instructed by Council, relative to a petition received from residents of White Fawn Drive requesting the immediate demolition of 37 White Fawn Drive, an inspection was made of the property in question and a Complaint and Notice of Hearing issued to all interested parties and a public hearing on the matter scheduled for August 29, 1975.

REPORT ON REQUEST FOR FIRE HYDRANT -COGSWOOD ROAD

The Assistant City Manager read the following memorandum from Mr. W. E. Edens, Water and Sewer Director relative to a request of Dr. Otis B. Michaels for a fire hydrant on Cogswood Road.

MEMORANDUM TO: Ernest J. Ward, Jr.
City Manager

FROM: William E. Edens
Director Water & Sewer Services

Re: Fire Hydrant Cogswood Road

In response to your memo of August 8 relative to Dr. Michael's request for a fire hydrant, I refer you to the attached map. The nearest water main of any consequence is the 12-inch line from Beaucatcher Reservoir to the Beaverdam Pump Station. In this vicinity pressures on it are extremely low, and it would be impracticable to extend this line upward to serve the Cogswood Area because of the elevation here.

It is my understanding that at the time the Cogswood Area was developed an attempt was made to obtain a right-of-way across other property from the 8-inch pump line on Patton Mountain in order to provide adequate fire protection and domestic service to this area. When it could not be obtained, the 1½-inch line was run for domestic service only. This is another incidence of where less than standard lines were permitted. The minimum expense of getting fire protection in this area probably will be $12,000 to $15,000, and it will require a right-of-way off the pump line. If an easement is unattainable, a line along the general alignment of the 1½-inch line down Town Mountain Road will cost in the neighborhood of $36,000 to $40,000. With the costs of these alternatives it is obvious that economically it might be advisable to condemn a right-of-way in order to get fire protection into his area.

REPORT OF INVESTIGATION TEAM REGARDING THE HAZZARD STREET INCIDENT ON AUGUST 2, 1975 ASHEVILLE POLICE DEPARTMENT

4. The City Manager presented a report of the investigation team regarding the Hazzard Street incident on August 2, 1975 involving the Asheville Police Department. He pointed out that after receiving the report the Chief of Police has the recommendations made by the Asheville Buncombe Community Relations Council under study and that Officer Calloway had been suspended for macing the young girl involved in the incident. He said the suspension was for five (5) days, without pay.

Mayor Wood instructed that the report be made a part of the minutes.

The report is as follows:

TO: Mr. Joseph C. Hall, Chief of Police
Mr. Otis B. Michael, M.D., Chairman - Law Enforcment Committee
Asheville Buncombe Community Relations Council

REPORT OF THE INVESTIGATION TEAM

1. Approval of minutes of August 14, 1975 meeting.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, the minutes of the August 14, 1975 meeting were approved as submitted.

PUBLIC HEARING - LIBRARY FACILITY ON HAYWOOD STREET

2. A public hearing was held relative to the site plan of the proposed library facility to be located on Haywood Street near the Vanderbilt Apartments and adjacent to the new parking garage presently under construction.

Mayor Wood opened the public hearing at 3:01 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the site plan. In presenting the site plan, Mr. Emrick reviewed the details of the plan. He said it would have a ground level, a main level and a mezzanine, totaling approximately 50,000 square feet of floor space, with entrances at both the front and the side. He said an enclosed passageway would extend from Haywood Street through the building on one side, terminating on the sixth floor of the parking garage.

Mayor Wood closed the public hearing at 3:08 o'clock p. m.

Councilman Colton moved for the approval of the proposed library facility to be located on Haywood Street. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

PETITION TO CLOSE A PORTION OF WATER STREET AND ALL OF BLACK STREET, GERVAIS STREET, "GREENS ROW" AND AN UNNAMED ALLEY

3. The City Manager presented a petition from the Asheville Housing Authority requesting that a portion of Water Street and all of Black Street, Gervais Street, "Greens Row" and an unnamed alley be permanently closed. He advised Council that if they wished to consider the closing of these streets it would be necessary to pass a resolution setting a public hearing on the question and that if it was Council's wish he was prepared to present the resolution. On instructions from Mayor Wood he proceeded with the presentation of the following resolution.

RESOLUTION NO. 75-108 - RESOLUTION TO CLOSE A PORTION OF WATER STREET AND ALL OF BLACK STREET, GERVAIS STREET, "GREENS ROW" AND AN UNNAMED ALLEY

Councilman Horton moved for the adoption of the resolution setting the date for the public hearing for September 25, 1975. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Complaint: Police macing of Katherine Reid:

Findings: (1) Practically all officers indicated they had no idea she was maced and did not see it.
(2) Officer Calloway stated she just kept getting in the way, but the other officers said she was not obstructing them.

Conclusions: We believe it to indicate a poor decision on the part of the officers in a tense situation as that one.

Recommendations: This is an internal problem that should be handled by the rules of the department. Public should know action taken, if any, and apology to the youth if the department agrees with our findings.

PERSPECTUS

Mrs. Thelma Reid came to the Asheville Buncombe Community Relations Council with a police brutality complaint on August 4, 1975 at 8:30 a.m.

We immediately contacted Chief J. C. Hall and Mrs. Reid agreed to give her statement to the Chief. Chief Hall assigned Lt. Fred Hensley and Officer Bobby Medford to work with me in investigating Mrs. Reid's complaints. (Beating of her son and the macing of her daughter)

There was also a charge that she felt she had been bribed by an officer William Wardlow. That is an internal problem that has to be investigated by the Police Department. It is not a human relations problem in regards to violating Mrs. Reid's rights through inhumane treatment or a violation of her civil rights. That is a criminal charge.

From the standpoint of our investigation, there is enough reasonable doubt to indicate that the officers exerted no more force than necessary in this altercation on Hazzard Street with Cloueese Reid. However, we certainly believe all of this could have been avoided if the Carrington family and the Reid family could have resolved their differences earlier before this situation erupted. There was evidence to indicate agitation by the families as a result of someone breaking into the Carrington residence and the Carrington's son accusing the Reid youth. The situation had been boiling several days before the explosion on Saturday, August 2nd. We also believe that at least one black officer should have been on the scene which could possibly have calmed some of the anxieties on the part of all persons involved.

In the case of the spraying of mace by Officer Calloway on and at Katherine Reid (fourteen year old suffering from heart disease), from the Community Relations Council standpoint of the investigation, we believe it to be unjustifiable and could and should have been avoided. No evidence from any officers or other witnesses indicated that Katherine physically attacked or resisted the arresting officers. Evidence reveals the macing occurred after the cuffing of the brother as the officers were walking away.

(7) Did the arrest have to be made at that time? What could have happened if the first cruiser went to the scene and took Mrs. Carrington to the Magistrate's office to swear out a warrant. Cooling off period could occur.

(8) Police academy set up in North Carolina for all police and Asheville Police department or arrange with institution of government.

(9) Evaluation of officers and training by N. C. Institute of Government.

List of Recommendations to Avoid Future such Situations:

TO THE COMMUNITY:

(1) Where there is hard feelings and problems brewing between neighbors; allot the local minister, community club, community leader or the Community Relations Council.

(2) Be sure you know the facts and state them correctly. Two persons called the police department and said there was shooting and a gun involved.

(3) Self control is most important.

TO THE POLICE DEPARTMENT:

(1) There should be more line sergeants or ranking officers to back up these types of situations and supervise so as to maintain proper discipline by officers.

(a) The ranking Lieutenant was late on the scene because of another disturbance in front of the Police Department.

(b) What if there were three simultaneous incidents at Hillcrest, Klondike and Kirkwood? How is the proper supervision and discipline going to occur.

(2) There are not enough black officers in proportion to the population and size of the force.

(3) There needs to be an internal affairs team to investigate all arrests resulting in an officer using any of his equipment such as pulling service revolver, shotguns, mace, and any other lethal weapons. (Make-up is important)

(4) The CRC be allowed to explain to all police officers what the role and function of its office is.

(5) There should not have been that many officers over at the scene. Group of officers said they decided to leave their beats on their own because they heard 10-32 call and officer in trouble.

(6) More discipline and training in dealing with abusive language in conflict and crowds is needed.

Findings (continued)

One witness (Mrs. Dimes) saw the boy go at the Police (in a rage) with a poker. Two others stated that Mrs. Reid wrestled the poker away from her son..

The Brown twins stated they took the poker from the Reid youth before the police altercation.

There are definite conflicts in these statements of the people closest to the Reid youth.

Weight is given to the fact that he had the poker at Mrs. Carringtons' and to the fact that the Brown boys had it and admitted going and giving it back to the Reid youth at one point. Several witnesses stated that the Reid youth was pushing his mother aside to go towards the police.

Conclusion:

The doctor's statements and our observations of the youth that Monday revealed no visible serious bruises to reveal police brutality as compared to Gary Muckelene and another case we previously investigated at CRC office.

Recommendations:

(1) The situation may have been better controlled if an experienced, well seasoned officer was at the scene earlier to supervise the operation and deploring of the officers. For example; in the military there is always at least a Sergeant available. In a 10-32 situation or a racial conflicting situation that could have blown up, there should be at least one additional roving Sergeant or ranking officer to supervise the situation.

Breakdown of Allegations

Complaint: Police Brutality in the arrest of Clouesse Reid:

(1) Mother and several youngsters allege that Cloueese was beaten by six officers and had a gun placed at his head after submission.
   a) Denied by all officers involved
   b) Several adult witnesses also denied seeing that occur.

Supportive Data:

Mrs. Roberta Dimes and Mrs. Higginbottom stated that they saw no such occurances. However, they did see Cloueese resisting and struggling with officers. The Police Department received several calls to Hazzard Street.

a) First call came from lady stating that there was a break in at another lady's house at 93 Hazzard Street.
b) Second call came from lady stating that a boy was going down the street with a gun to break in on a lady.
c) Third and fourth calls from Mrs. Carrington in fear of her life stating someone was breaking in her house.
d) Fifth call came from a man stating that there was a shooting up at 93 Hazzard Street.

Findings:

Police did exert force, but the situation and circumstances indicate the nature of the situation and the fact that Mrs. Reid alludes to the fact that Cloueese was out of his head and she was trying to slap him back to himself from the rage he felt for Mrs. Carrington; which further indicates that he was not under control. His mother stated he kept saying, " They are going to hit me with those sticks again." Mrs. Reid said that her son told her that Officer Foster was the man that had arrested and hit him before. Mrs. Reid refused to let us see her son's juvenile record; however, Officer Foster said he never remembered arresting the boy before but he had seen the boy in custody at the Post Office.

BIDS - TIRES AND TUBES AS REQUIRED THROUGH JUNE 30, 1976

11. Consideration was given to bids received August 1, 1975 for tires and tubes as required through June 30, 1976.

The Assistant City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bidder for each bid item.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bids to the low bidder for each bid item. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary is as follows:

REQUEST OF THOMS CABLEVISION FOR APPROVAL TO TRANSMIT CITY POLICE AND FIRE DEPARTMENT RADIO CALLS

5. The City Manager presented a request from Thoms Cablevision requesting City Council to approve the transmitting of City Police and Fire Department radio calls on the cable system. He said Thoms Cablevision is also seeking permission to transmit radio calls of the Sheriff's Department, State Police, and Buncombe County Rescue Squad. He said as a result of this request, he had requested and received recommendations from the various departments and agencies. He said that all the recommendations were favorable to the request.

Mayor Wood instructed that members of Council be furnished with copies of the recommendations and that the matter be scheduled for consideration on next weeks agenda.

CONFIRMATION OF SALE OF WATER BOND ANTICIPATION NOTES

6. The City Manager reported that he had received a confirmation of sale of $2,500,000 Water Bond Anticipation Notes. He said the best bid received was from North Carolina National Bank with a interest cost of 4.2364%. He commented that this interest rate was better than anticipated.

The City Manager read the resolution.

Corporation Counsel William C. Moore noted that it was anticipated that the hearing would not be completed in one meeting and that the notice to the public advising of the public hearing should note that the public hearing would probably be continued without further legal advertisement of the hearing.

Councilman Ochsenreiter moved for the adoption of the resolution, setting the public hearing for September 18, 1975. This motion was seconded by Councilman Morris and carried unanimously.

BIDS - BITUMINOUS CONCRETE SURFACING, BITUMINOUS CONCRETE BASE COURSE, AND PORTLAND CEMENT CONCRETE CURBS AND GUTTERS FOR THE STREET DEPARTMENT

17. Consideration was given to bids received August 20, 1975 for bituminous concrete surfacing, bituminous concrete base course, and Portland Cement Concrete Curbs and gutters for the Street Department.

The Assistant City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the lowest overall bid submitted by Asheville Paving Company, Inc. and Warren Brothers Construction Company, a joint venture, totaling $307,900.00 based on estimated quantities. The memorandum stated that subject bid request provided for paving or resurfacing of any designated public street or parking lot in the City of Asheville for fiscal year 1975-76. All bids for bituminous concrete surfacing and bituminous concrete base are quoted on a unit ton in place (finished surface) on the street. Bid price includes all necessary labor, material, equipment, transportation, and services to deliver finished bituminous concrete surface and provides for maintenance of traffic control, any cleaning of existing pavement as deemed necessary by the engineer, and any hand placement of material at intersections and aprons as deemed necessary by the engineer. Quantities used in this bid are approximate, based on street and parking lot paving requirements through June 30, 1976. Recommended unit prices, firm through current fiscal year, will apply to City of Asheville purchase orders to be issued on an as-needed basis.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to the lowest overall bid submitted by Asheville Paving Company, Inc. and Warren Brothers Construction Company, a joint venture, totaling $307,900.00 based on estimated quantities. This motion was seconded by Councilman Horton and carried unanimously.

Councilman Morris moved to schedule a public hearing to amend the zoning map of the City of Asheville to include extraterritorial zoning jurisdiction for September 25, 1975. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

REPORT - 37 WHITE FAWN DRIVE

20. Upon inquiry of Councilman Horton, J. E. Johnson, Chief Building Inspector, reported that as a result of a petition received from residents of White Fawn Drive requesting the immediate demolition of 37 White Fawn Drive, a hearing was held regarding the demolition on August 27, 1975 and the Findings of Fact and Order would be issued to the owner/owners in the next several days.

BUDGET - SUGGESTION BY COUNCILMAN HORTON

21. Councilman Horton presented members of Council and the City Manager a suggested format to use in preparing a monthly financial report giving consideration to a more comprehensive periodic budget review. He said the proposed format would give a better comparison of expenditures and revenues on a monthly basis.

Mayor Wood instructed that the Director of Finance and the City Manager take the suggested format into consideration and to pursue the possibility of its use in preparing financial reports.

FRANK R. FUSCO - WATER SUPPLY AND PRESSURE - MONTE VISTA TERRACE

Mr. Frank R. Fusco read and presented a petition requesting that action be taken regarding inadequate water supply and pressure on Monte Vista Terrace.

Mayor Wood instructed that the petition be referred to the Water and Sewer Director for investigation.

SCHOLARSHIP PROGRAM - MRS. LYNCH

Mrs. Lynch, a Model Cities resident, asked Council if there was any monies available that could be supplemented into the Model Cities Scholarship Program. She said her daughter was receiving funds from the program, however the cost of tuition had increased and those students receiving these funds would probably need extra funding to continue their education.

Mayor Wood instructed that Mr. Michalove, Assistant City Manager, meet with Mrs. Lynch and explain the Program to Mrs. Lynch and explore the possibility of whether any more monies would be available.

RICHARD STERNBERG - NEWFOUND SCHOOL

Mr. Richard Sternberg, a student at Newfound School, read a letter to members of Council thanking them for their concerns and efforts in improving the downtown area.

Adjournment.

Richard A. Wood, Mayor Frances J. Hoenstine

BIDS - TWO (2) TRAILER MOUNTED ENGINE DRIVE SUCTION UNITS FOR VACUUM COLLECTION AND MULCHING OF LEAVES

18. Consideration was given to bids received August 25, 1975 for two (2) trailer mounted engine drive suction units for vacuum collection and mulching of leaves.

The Assistant City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the only responsive bid received from North Carolina Equipment Company in the amount of $17,180.00. It was noted that two other bids were received but they did not meet specifications.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to North Carolina Equipment Company in the amount of $17,180.00. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid

ZONING JURISDICTION - AMENDMENT TO INCLUDE PORTION OF TOWN OF BILTMORE FOREST

19. Mr. Verl Emrick, Planning Director, advised that he had met with the Town Council of Biltmore Forest to present a proposal which would allow the City of Asheville to extend its extraterritorial zoning jurisdiction further southward into the area controlled by the Town of Biltmore Forest.

He said the Town Council reviewed the proposal and unanimously passed the agreement whereby they would cede to the City of Asheville that portion of their extraterritorial zoning jurisdiction east of U. S. 25 which is coterminous with the existing boundary between Asheville and Biltmore Forest.

He said it is now up to the Asheville City Council to accomplish the following in order to complete the agreement:

1. Authorize the Mayor to sign the agreement;

2. Schedule a public hearing for the amendment to the zoning map of the City of Asheville to include this extraterritorial jurisdiction.

Mr. Emrick reviewed for Council a map showing the territory and proposed zoning for the extraterritorial jurisdiction.

After discussion, Councilman Morris moved to authorize the Mayor to sign the agreement with the Town of Biltmore Forest allowing the City of Asheville to extend its extraterritorial zoning jurisdiction southward into the area controlled by the Town of Biltmore Forest. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Mr. McDonald also noted that Lot 118 on Sheet 31 was joined by the property in question on three sides and it was the Planning Staff's opinion that this small lot (50 x 50) should be included in the rezoning request. He said, in his opinion, Lot 118 was not suitable for residential use.

After discussion, Mayor Wood closed the public hearing at 3:18 o'clock p. m. and instructed the City Manager to read the prepared ordinance which would rezone the property as petitioned.

Councilman Colton moved for the adoption of the ordinance. This motion was seconded by Councilman Ochsenreiter.

On a roll call vote of 5-0, Ordinance No. 855 passed on its first reading.

Mayor Wood instructed the City Clerk to advise the owners of Ward 8, Sheet 31, Lots 118 and 154 that, during the second reading of the ordinance, Council would also consider adding these lots to the ordinance, thereby rezoning them from R-2 Residential District to CH Commercial Highway District.

RESOLUTION NO. 75-111 - RESOLUTION AUTHORIZING THE MAYOR TO SUBMIT AN APPLICATION FOR A FEDERAL GRANT TO SUPPORT THE YMCA PROJECT YOUTH OUTREACH PROGRAM

3. Consideration was given to a resolution authorizing the Mayor to submit an application for a federal grant to support the YMCA Project Youth Outreach Program.

The City Manager read the resolution.

Mr. Bill Fesperman, with the YMCA explained that this grant would provide funds for the operation of a Project Youth Outreach Program. He said the YMCA was requesting the City to apply for the grant and to strongly recommend its approval.

He said the $28,000 one-year funding by LEAA would require a five per cent match, which the YMCA would provide in personnel. IN succeeding years, the LEAA funding will amount to 70 per cent of the total in 1976 and 30 per cent of the total in 1977. He said the YMCA would be responsible for raising the additional funds. However, he pointed out that this program would not require expenditures of any city funds.

He said a feature of the program would be the use of Japanese-made minibikes which will be used as the "carrot" of the program to keep the youths interested in the rehabilitation aspects of the program.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Morris, Resolution No. 75-111 was unanimously adopted.

Mayor Wood instructed the Corporation Counsel to review the application to be submitted to LEAA.

Complete text of Resolution No. 75-111 will be found in Resolution Book No. 8 at page 178.

Thursday, September 4, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Bill B. Horton, Eugene C. Ochsenreiter, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Calvin W. Marshall

1. Approval of minutes of August 28, 1975 meeting.

Upon motion of Councilman Hoyle, seconded by Councilman Horton, the minutes of the August 28, 1975 meeting were approved as submitted.

PUBLIC HEARING - REZONING - GOVERNOR'S VIEW ROAD AND HIGHWAY 70 - BUILDERS SAVINGS AND LOAN COMPANY, INC.

ORDINANCE NO. 855 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held relative to rezoning property located at Governor's View Road and Highway 70 (Ward 8, Sheet 31, Lot 22) from R-2 Residential District to Commercial Highway District, owned by Builders Savings-Loan Company, Inc.

Mayor Wood opened the public hearing at 3:03 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Mr. Bob McDonald, of the Planning Staff, reported that the Planning and Zoning Commission had recommended that the request for rezoning be approved for the following reasons:

1. The property is contiguous with the existing Commercial Highway District on Tunnel Road (Highway 70);

2. Access to the property is adequate by way of Tunnel Road (Highway 70) and Governor's View Road;

3. This portion of Tunnel Road (Highway 70) is primarily commercial and the rezoning would not introduce an incompatible use into the area;

4. The site is not well suited for residential development for which it is now zoned; and

5. For the above reasons, it is the staff's opinion that the rezoning is in keeping with established planning and zoning practices; therefore, the amendment would be justified.

Mr. McDonald noted that this same request had been considered by the Planning and Zoning Commission in December, 1963 and February, 1964. He said both requests had previously been denied. However in February, 1964 the Commission recognized that this property was not suitable for residential purposes and that in the future it was hoped that the problem could be solved by the adoption of a comprehensive zoning plan.

2. Service and Maintenance Experience - The City has approximately 270 Rhodes meters and 200 Rockwell meters in service at this time. The following service and maintenance statistics have been noted.

   a. Timer failure - approximately 35% failure on Rhodes meter timers annually at a cost of $3.85 per meter plus labor. During the two (2) year period the manual Rockwell meters have been in service, they have functioned without significant cost to the City; maintenance has been nominal, mostly as result of unauthorized objects being inserted into the meters. The failure rate on the timers in the Rockwell meters has been nil.

   b. Service from manufacturer - during the past two (2) years no service representative from the M. H. Rhodes, Inc. has called on the City. During the same period of time the Rockwell International Corporation serviceman has visited the City at least once every two months.

3. Standardization of Parking Meters- because of reasons cited above, Central Services Department plans to standardize the use of parking meters from Rockwell International Corporation in the City's on and off street parking operations.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to Rockwell International Corporation totaling $18,361.44. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary	Item # 1 80 Twin Meters (160 spaces)		Item # 2 168 Single Meters	
Bidder	unit	extension	unit	extension
Rockwell International Corp.	$111.96	$8,956.80	$ 55.98	$9,404.64
M. H. Rhodes, Inc.	116.00	9,280.00	52.00	8,736.00

BIDS - NINE (9) FOUR DOOR SEDANS FOR VARIOUS DEPARTMENTS

6. Consideration was given to bids received August 29, 1975 for nine (9) four door sedans for various departments of the City.

The City Manager read a memorandum from the Purchasing Agent which recommended the low bid submitted by Apple Tree Chevrolet, Inc. totaling $29,931.36.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to Apple Tree Chevrolet, Inc. in the amount of $29,931.36. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Bid Summary

Bidder	Bid
Matthews Motors, Inc.	$31,188.52
Apple Tree Chevrolet	29,931.36
Dorato Motors, Inc.	33,373.09

REQUEST OF THOMS CABLEVISION FOR CABLE TELEVISION TRANSMISSION OF PUBLIC SAFETY CALLS

4. The City Manager presented a letter of request from Thomas Cablevision for approval of the cable system to transmit public safety radio calls from the Asheville Police and Fire Departments, Sheriff's Department, State Police and Buncombe County Rescue Squad. He said, after receiving the request, he had obtained recommendations from the various departments and agencies which had no objections for approval of the transmission of the radio calls.

Councilman Horton suggested that if Council approved the request that the City Manager be given the authority to terminate the agreement at any time, halting the broadcasts, when in his opinion the public knowledge of the messages may hinder efforts of the public safety officers.

After discussion, Councilman Morris moved to approve the request of Thoms Cablevision to transmit public safety radio calls on the cable system conditional upon the City Manager or his appointee be given authority to terminate the agreement at any time when in his opinion the public knowledge of the messages may hinder the efforts of the public safety officers. This motion was seconded by Councilman Horton and carried unanimously.

The City Manager advised that he had received communications, by telephone, that Thoms Cablevision was in agreement with the condition placed on the motion.

BIDS - MANUAL PARKING METERS FOR 328 SPACES

5. Consideration was given to bids received August 25, 1975 for manual parking meters for 328 spaces.

The City Manager read a memorandum from the Purchasing Agent which stated the following:

Rockwell International Corporation submitted the lowest bid for Item 1 @ $111.96 per unit and M. H. Rhodes, Inc. submitted the lowest bid for Item 2 @ $52.00 per unit.

Mike Smith, Director of Central Services and the Purchasing Agent reviewed the bids and recommended both bid items 1 and 2 be awarded for the fully responsive bid submitted by Rockwell International Corporation totaling $18,361.44 for the following reasons:

1. Compliance with Specifications

   a. M. H. Rhodes, Inc. cannot meet specifications with regard to field conversion kit for converting the meters to automatic operation as specified.

   b. Specifications require that a means of wiping remaining time off the meter without opening the case must be available to enforcement or service personnel. M. H. Rhodes, Inc. bid does not meet this requirement.

PROCLAMATION - EXECUTIVE HOUSEKEEPERS WEEK - SEPTEMBER 7 - 14

Mayor Wood proclaimed the week of September 7 - 14 as Executive Housekeepers Week.

Adjournment.

Richard A. Wood
MAYOR

William D. Haggett
CITY CLERK

RESOLUTION NO. 75-112 - RESOLUTION AUTHORIZING THE CITY OF ASHEVILLE TO ENTER INTO A CONTRACT WITH THE NORTH CAROLINA CRIMINAL JUSTICE TRAINING AND STANDARDS COUNCIL

7. Consideration was given to a resolution authorizing the City of Asheville to enter into a contract with the North Carolina Criminal Justice Training and Standards Council.

The City Manager read the resolution and explained that this was in accordance with an act of legislation wherein the City of Asheville is eligible to receive salary supplements for certain law enforcement personnel. He said the salaries of two (2) animal control officers and three (3) meter maids would be supplemented through this contract with the North Carolina Criminal Justice Training and Standards Council.

Upon motion of Councilman Horton, seconded by Councilman Hoyle, Resolution No. 75-115 was unanimously adopted.

Complete text of Resolution No. 75-112 will be found in Resolution Book No. 8 at page 179.

LUTHER HALL - REQUEST FOR FIRE HYDRANT - 25 OLD WEST CHAPEL ROAD

The City Manager advised that some time ago Mr. Luther Hall of 25 Old West Chapel Road had requested that a fire hydrant be installed closer to his home. He said Mr. Hall has again made that request and that the matter would be investigated and a report given to Council at next weeks meeting.

CIVIC CENTER - COMMENTS BY JIM GRAY

Mr. Jim Gray, of The Advocate/Native Stone, said he was representing Mr. Don Fox, President of the Asheville Building and Construction Trades Council and he read a letter addressed to Mayor Wood from Mr. Fox, dated January 2, 1975, in which Mr. Fox called upon the City to impose and collect the full penalty due the City, maintaining that Ranger's performance on the job was not such as to merit any "forgiveness" of penalty. He said, at that time, when the issue was raised at a City Council meeting, the Mayor advised Fox that the question of whether or not the penalty should be imposed, and to what degree or beginning from what date, were matters that would be addressed by the architect as agent for the City, and a determination would be made when the project was substantially complete and had reached "punch list" stage.

Mr. Gray said that Mr. Fox had sought access to the "punch list" and an answer to his questions about the penalty. He said, Architect John Cort, of Baber, Cort and Wood, declined to discuss the penalty and would not give Fox access to the "punch list". He said Mr. Cort had said "as a matter of policy, we will not give records out without the written permission of the owners."

Mr. Gray said that on September 1, Mr. Fox had sent a telegram to Attorney General Rufus Edministen requesting a ruling by his office on two questions:

1) Whether the "punch list" prepared by the architect on this project falls within the class of material to which access is mandated by the "Freedom of Information" act; and

2) whether there is any discretionary authority under the act under which the City could refuse access to the "punch list".

He said when this opinion is received, the City would be furnished a copy of same.

The 1250 GPM Pumper exceeds the specifications in eight different areas. In a letter from Mr. Boyce L. Ford, President of Boyce L. Ford Company, Inc. states the 1250 unit has been on order for the past year and can be delivered within three to four months at a considerable savings to the City of Asheville, due to the fact it was ordered and has not increased in price since that time. Therefore, it was recommended by the Purchasing Agent and Chief Powell Ball that the alternate bid for the 1250 GPM Pumper at $55,600.00 be accepted.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid for the alternate bid for the 1250 GPM Pumper at $55,600.00 to Boyce L. Ford Company, Inc. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Boyce L. Ford Company	Base Bid:	$54,407.00
	Alternate Bid:	$55,600.00
Triad Fire & Equipment Co.	No Bid	
Burgess Fire Equipment	No Bid	

BIDS - CAB AND CHASSIS WITH UTILITY BED FOR FIRE DEPARTMENT

4. Consideration was given to bids received September 8, 1975 for cab and chassis with Utility Bed for Asheville Fire Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid sumbitted by Dorato Motors, Inc. in the amount of $7,114.83.

Councilman Horton moved to accept the recommendation of the Purchasing Agent and award the bid to Dorato Motors, Inc. in the amount of $7,114.83. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Bid Summary

Bidder	Bid
Apple Tree Chevrolet	$7,956.56
Dorato Motors, Inc.	7,614.83
Matthews Motors, Inc.	7,675.00
Asheville International Truck Sales	No Bid
Carolina Truck & Body	No Reply

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING THE PURCHASE OF A TRACT IN THE BEAVERDAM VALLEY FOR FUTURE RESERVOIR SITE

5. Consideration was given to a resolution authorizing the purchase of a tract in the Beaverdam Valley for future reservoir site.

The City Manager read the resolution.

Thursday, September 11, 1975 - 3:00 p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Bill B. Horton, Eugene C. Ochsenreiter, Jr., Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Henry E. Colton

1. Approval of minutes of September 4, 1975 meeting.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Hoyle, the minutes of the September 4, 1975 meeting were approved as submitted.

ORDINANCE NO. 855 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Ward 8, Sheet 31, Lot 22 and 118)

2. Second reading of Ordinance No. 855, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended.

Mayor Wood advised that members of Council had been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Mayor Wood noted that the City Clerk, as instructed by Council, had attempted to notify the property owners of Lots 118 and 154, Sheet 31, Ward 8, advising them that Council would also consider adding these lots to the proposed rezoning ordinance, thereby rezoning them from R-2 Residential District to CH Commercial Highway District.

Councilman Morris moved to amend the ordinance by including Lot 118, Sheet 31, Ward 8, in the ordinance rezoning the lot from R-2 Residential District to CH Commercial Highway District. This motion was seconded by Councilman Horton and the amendment carried unanimously.

On a roll call vote of 5-0, Ordinance No. 855, as amended, passed on its second reading.

BIDS - CUSTOM BUILT PUMPER FOR THE FIRE DEPARTMENT

3. Consideration was given to bids received August 25, 1975 for one custom built pumper for the Asheville Fire Department.

The City Manager read a memorandum from the Purchasing Agent which stated that one bid meeting specifications and an alternate bid exceeding specifications were submitted by the same bidder, and two "no bids" were received. The two bids were submitted by Boyce L. Ford Company, Inc. as follows:

Base Bid, per specifications

(1) - 1000 GPM Custom Pioneer Pumping Engine @ $54,407.00
Delivery: 14 months

Alternate Bid, exceeding specifications

(1) - 1250 GPM Custom Pioneer [illegible] Engine @ $55,600.00
Delivery: 3 to 4 Months

GROUP DEVELOPMENT REVIEW AND REZONING REQUEST - ASHEVILLE HOUSING AUTHORITY - PROJECT NC 7-8

The City Manager presented a letter from the Asheville Planning and Zoning Commission relative to the site plan of the proposed Housing Project NC 7-8 to be located on scattered sites in the East Riverside Urban Renewal Area. The Commission voted to recommend the site plan for approval subject to the following:

1) Approval of sedimentation plan for site grading in excess of one acre.

2) Approval of driveway construction.

3) Rezoning of lots on Site #3 from HI Heavy Industrial District to R-3 Residential District.

Vice-Mayor Marshall moved to schedule a public hearing on the rezoning request and the group development review of the Asheville Housing Authority Project NC 7-8 for October 9, 1975. This motion was seconded by Councilman Horton and carried unanimously.

REZONING REQUEST - CAROLINA POWER AND LIGHT COMPANY -HAYWOOD ROAD AND RIVERVIEW DRIVE

The City Manager presented a letter from the Asheville Planning and Zoning Commission relative to a request of Carolina Power and Light Company by James W. Smith that Ward 5, Sheet 1, portion of Lot 1, be rezoned from R-3 Residential District to HI Heavy Industrial District. The Commission recommended that the property be rezoned as requested.

Vice-Mayor Marshall moved to schedule a public hearing on the rezoning request of the Carolina Power and Light Company for October 9, 1975. This motion was seconded by Councilman Horton and carried unanimously.

REZONING REQUEST - WAYNE KINSER, AGENT FOR MRS. GEORGE M. DIXON - VANCE GAP ROAD

The City Manager presented a letter from the Asheville Planning and Zoning Commission relative to the request of Mr. Wayne Kinser, Agent, for Mrs. George M. Dixon that Ward 8, Sheet 25, Lot 50-1/4, and Ward 2, Sheet 19, Lot 1, be rezoned from R-3 Residential District to CH Commercial Highway District. The Commission recommended that the property be rezoned from R-3 Residential District to Office Institutional District.

Vice-Mayor Marshall moved to schedule a public hearing on the rezoning request of Mr. Wayne Kinser, Agent, for Mrs. George M. Dixon for October 9, 1975. This motion was seconded by Councilman Horton and carried unanimously.

GROUP DEVELOPMENT REVIEW- BRUCE RAMSEY - EMMA ROAD

The City Manager presented a letter from the Asheville Planning and Zoning Commission relative to the site plan for a proposed garage building to be constructed by Mr. Bruce Ramsey on Emma Road. This plan was submitted in accordance with Article 6. Group Developments of the Asheville Zoning Ordinance #322, as amended, because it involves the construction of more than one main building on a lot. The Commission recommended the site plan to Council for approval.

Vice-Mayor Marshall moved to schedule a public hearing on the group development review for Mr. Bruce Ramsey for October 2, 1975. This motion was seconded by Councilman Horton and carried unanimously.

Mr. Edens, Water and Sewer Director, answered general questions from members of Council relative to the resolution.

After discussion regarding the language of the resolution relative to the City's obligation of installing the pipe line before construction of the tank, Mayor Wood referred the resolution to the City Attorney for review and possible revision.

RESOLUTION NO. 75- 113 - RESOLUTION ACCEPTING PROPERTY AT THE CORNER OF MIMOSA DRIVE AND U. S. 19-23

6. Consideration was given to a resolution accepting property at the corner of Mimosa Drive and U. S. 19-23.

The City Manager read the resolution and explained that this deed was being conveyed to the City of Asheville at no cost to the City but would be enhanced by the cleaning up and maintenance of the property.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Ochsenreiter, Resolution No. 75-113 was unanimously adopted.

Complete text of Resolution No. 75-113 will be found in Resolution Book No. 8 at page 180.

FIRE HYDRANT - WEST CHAPEL ROAD - LUTHER HALL

Mr. Edens, Water and Sewer Director, reported that installation of an 8-inch line in Crayton Road would begin in about sixty (60) days. He said with the installation of this line it would be possible to install a fire hydrant in West Chapel Road as requested by Mr. Luther Hall. He said he had advised Mr. Hall of this installation.

MONTE VISTA TERRACE - REPORT ON WATER SUPPLY AND PRESSURE

Mr. Edens, Water and Sewer Director, reported that as a result of a petition presented to Council, relative to inadequate water supply and pressure on Monte Vista Terrace, a strong leak in the line had been repaired. However, there might be other reasons for the inadequacy and he would make a thorough investigation into the matter in the near future.

CIVIC CENTER - COMMENTS BY DON FOX - BUILDING AND CONSTRUCTION TRADES COUNCIL

Mr. Don Fox, President of the Asheville Building and Construction Trades Council, presented to members of Council a list of questions relative to the construction of the Asheville Civic Center. He said he hoped Council or their agents may be in a position to respond to these questions at the September 18, 1975 Council meeting.

Mayor Wood instructed that the City Manager and the Corporation Counsel review the questions posed by Mr. Fox and possibly be in a position to respond to the questions at the next Council meeting.

Mayor Wood also instructed that Mr. Evans, Civic Center Manager, be furnished with a copy of the questions since some deals with "bookings."

JOB SECURITY

Policy and Procedures, Rules and Regulations

(1) Manual for each man
  (a) Statements against another officer to be posted on the bulletin board
  (b) That when an officer has a complaint against him, and there has been an arrest made, there will be no action taken against him until the subject has been found not guilty
  (c) No more Investigations made by the Human Relations Council
  (d) Officers no longer have to write letters to the Chief when force had to be used in an arrest but supervisors on duty should be aware of this.

(2) Review Board
  (a) Made up of Asheville Policemen

(3) Line Sgts.
  (a) Made up of Senior Patrolman

(4) Up-date Civil Service laws
  (a) Abolish 5 point system

EQUIPMENT

(1) Leather gear and shoes furnished
(2) Cleaning of Uniforms
(3) Better clothing allowance
(4) Safety Features:
  (a) Shotguns placed upright
  (b) When cruisers are wrecked, have fixed right away.

He reviewed each proposal in detail. He said the morale of the Asheville policemen was the lowest it has ever been.

Sgt. Dillingham requested that Council give them an answer relative to the request for an immediate 25% raise by Friday morning, September 12, 1975. He said he felt most of the other proposals could be worked out.

Mayor Wood pointed out that a five per cent (5%) salary increase has already been budgeted beginning January 1, 1975 for both the Police and Fire Department.

Attorney Bruce Elmore, representing the Fraternal Order of Firefighters, strongly appealed to Council for a thirty per cent (30%) pay adjustment for the Asheville Firemen. He said this requested increase is based upon the cost of living increase in the past four years. He said they were also proposing longevity pay rather than merit increases. He also concurred with the requests of the Asheville Police Department. He said the firemen would like an answer to their request by Friday, September 12, 1975 at 3:00 p. m.

Ray Stepp, of the Asheville Central Labor Union, spoke to Council concurring with the request of the city policemen and firemen. He said as a taxpayer and union member, he urged Council to consider the requests for increases.

CLAIM - MRS. WHITESIDE AND MRS. JOHNSON

The City Manager presented a claim against the City filed by Ervin L. Ball, Jr. on behalf of Mrs. Whiteside and Mrs. Johnson.

Mayor Wood referred the claim to the Corporation Counsel for investigation and recommendation.

PETITION - RESIDENTS OF MONTFORD AVENUE - SPEEDING

The City Manager presented a petition received from residents of Montford Avenue requesting that more patrol cars - marked or unmarked - be put in the Montford Avenue section, particularly in front of Randolph School to control speeders in the area.

The City Manager reported that the Police Department had made a preliminary investigation into the matter and would continue checking into the matter.

PETITION - RESIDENTS OF RASH ROAD AND AMERICAN WAY - SEWER LINE

The City Manager presented a petition from residents of Rash Road and American Way requesting that a sewer line be installed in back of their residences.

Mayor Wood referred the petition to Mr. Edens, Water and Sewer Director, for investigation and recommendation.

PETITION - ASHEVILLE MALL MECHANTS' ASSOCIATION - TRAFFIC CONGESTION ON HIGHWAY 74

Mayor Wood presented a petition received from the Asheville Mall Merchants' Association relative to the safety problems created with the overflowing traffic congestion on Highway 74. They requested increased safety measures such as a traffic light, painted line dividers or whatever else would be necessary to assure the traffic flow and safety of the community.

Mayor Wood instructed that a copy of the petition be forward to the Planning and Zoning Commission and also to the Department of Transportation for investigation.

PROCLAMATION - CONSTITUTION WEEK - SEPTEMBER 17 - 23

Mayor Wood proclaimed the week of September 17-23 as Constitution Week in the City of Asheville.

POLICE AND FIRE DEPARTMENT - DISCUSSION ON SALARIES AND GRIEVANCES

Sgt. W. L. Dillingham, President of the local chapter of the Fraternal Order of Police, stated that he was representing the majority of the Asheville Police Department. He presented the following list of proposals and grievances requested by the majority of the Asheville Police Department:

MONEY

(1) 25% Raise immediately
(2) Cost of Living raise immediately
(3) Pension matched by the City of Asheville
(4) Longevity pay
(5) Insurance made available for the retired Police Officers
(6) Paid insurance for dependents
(7) Off duty Court pay - Minimum of 2 hours
(8) All overtime be accounted for and paid back

but both felt it would be impossible to respond or "give an answer" in the time specified by the Police Department or the Fire Department.

Mayor Wood said he hoped these individuals understood the impossibility of responding to a request of this nature in the time specified and that they would accept the proposals of Council to give their request top priority.

Adjournment.

Richard A. Wood Jr.
MAYOR

Miriam J. Holcomb
CITY CLERK

Councilman Morris commented that no one in town had a higher respect for the officers of the police and fire department than himself. He said he had received computations of the economic impact if all city employees were upgraded by twenty-five per cent (25%) and the total bill amounted to approximately $1,600,000 and there just is not that much money available. He said Council needs some time to consider what can be done and an ultimatum of tommorrow morning is unfair on the part of the Police Department. He noted that even if Council could find the money a budget amendment requires three weeks. He said he felt this request should have been presented before the budget was adopted.

Upon inquiry of Mr. Elmore relative to what time limit Council would reasonably need to respond to the firemen's request, Mayor Wood noted that a municipality in North Carolina can not appropriate money that it does not have. He said, under the State constitution, a municipality can not engage in what is called "deficit financing" that unless the City has money in hand it can not be appropriated or committed. He said the budget and tax rate was adopted in June and the City can not raise property taxes for any reason until next July. He said, in his opinion, there is no way to generate the amount needed to respond to the requests of the police and fire departments. He said for the police and fire departments alone the requested increase would amount to approximately $750,000 for a 12 month period.

Councilman Horton commented that, in his opinion, it would be impossible to respond to the request by in the morning. He said Council should not ignore the fact that all city employees were faced with a cost of living increase and he felt they should not just consider the request of the police and fire departments.

Corporation Counsel William C. Moore quoted sections of N. C. General Statutes 95-97 and 95-98 which prohibits municipal employees from joining collective bargaining unions or organizations and prohibits the City from collective bargaining or entering into a contract for such purposes.

Mr. Elmore said in his opinion the group was not appearing before Council for collective bargaining but were merely asking for help.

Councilman Morris said he wished the policemen and firemen would trust the Council to do its best to look into the details and study their requests without establishing a dead line for such. He said he felt Council would give their request top priority.

Councilman Hoyle also commented that he felt the policemen and firemen should work with the Council on their problems.

Sgt. Dillingham stated that he was sure Council was aware that the majority of the Police Department was planning a "slow down" tommorrow if Council did not give their request reasonable consideration.

Corporation Counsel William C. Moore quoted the civil service regulations on insubordination which requires suspension of those guilty or accused of the offense.

Mayor Wood said the officers should be aware of the fact than any work slow down would cause more damage to public respect of police officers than it would cause to Council. He said if it ever happened it would take a long time to restore that respect.

Don Poore, retired policeman, also appealed to Council to consider the requests made of the policemen and firemen.

Councilmen Ochsenreiter and Morris proposed to give the requests top priority

Mr. Ward and Chief Hall further reported that present departmental procedures relating to field supervision and safety matters were being reviewed and that any modifications deemed appropriate in the best interests of public safety and departmental efficiency would be made and implemented at the department level, as is proper.

At the request of Council, the City staff is already assembling and furnishing to the Council extensive information relating to the comparability of present compensation levels of all City employees with levels prevailing in other municipalities in North Carolina. In addition, in those instances where job responsibilities are similiar to those found in private business and industry, information will be gathered as to prevailing compensation policies in such industries and businesses. Moreover, this information will be supplemented by the gathering of information concerning employee fringe benefits practices.

Top priority will be given by the City staff to the assembling of all of these types of information and the furnishing of this information to Council. The Council pledges to review diligently and thoroughly all such information, as well as several proposals presently pending with reference to modifications in the Civil Service rules, including the 5-point preferential system in effect since 1969 under which city residents are given a 5-point preference on Civil Service employment and promotional examinations.

Determinations on all of these matters by the Council will require consideration of many factors, including the present and future ability of the City to meet the service demands placed upon the City within the practical limitations of funds available to meet all of those needs. Council does not feel it is appropriate or proper to make such decisions at any time when efforts have been made by any group or organization to establish ultimatums and deadlines for such decisions.

Councilman Morris moved that this report be ratified and placed in the minutes as reflecting the results of a meeting held by Council on September 16, 1975. Councilman Horton seconded the motion and it carried unanimously.

Mayor Wood then opened the floor for discussion.

John Young, Vice President of the Fraternal Order of Fire Fighters and a member of the Asheville Fire Department expressed continued interest in the requests of the Police and Fire Departments made to City Council last week.

PUBLIC HEARING - SIGN AND OUTDOOR ADVERTISING ORDINANCE

3. A public hearing was held relative to the adoption of an ordinance to be known as the City of Asheville Sign and Outdoor Advertising Ordinance.

Mayor Wood opened the public hearing at 3:12 o'clock p.m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Mayor Wood stated that before the City Council began its review of the ordinance, he would like to read letters supporting the proposed ordinance and have them placed in the minutes as follows:

Thursday, September 18, 1975
3:00 o'clock p.m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Bill B. Horton, Eugene C. Ochsenreiter, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of September 11, 1975 meeting.

Upon motion of Councilman Marshall, seconded by Councilman Ochsenreiter, the minutes of the September 11, 1975 meeting were approved as submitted.

POLICE AND FIRE DEPARTMENT - REPORT OF MEETING TO DISCUSS SALARIES AND GRIEVANCES

2. Mayor Wood reported that City Council met in a closed meeting Tuesday, September 16, 1975, at 2:00 o'clock p.m. to consider the request of the Police and Fire Departments regarding salaries and grievances made at the last council meeting. Mayor Wood then read the following report to the public and asked that it be entered in the minutes.

At 2:00 P.M. on September 16, 1975, the Asheville City Council met in closed session with members of the City staff and the City Attorney. This closed session was held upon the advice of the City Attorney that the subject matter of the meeting, which related to personnel and public safety matters, was properly the subject of a closed meeting of the Council under State law.

During the meeting, City Manager Ernest Ward and Police Chief J. C. Hall reported to the Council concerning various personnel matters which had been brought to the public attention of the Council at its meeting of September 11.

The Council was advised that, after recent review of policies presently in effect in other North Carolina cities, drafts were being prepared of a proposed procedure for investigation of citizen complaints relating to the conduct of City police officers. The procedure presently under consideration includes the establishment of peer and supervisory review boards within the Police Department to make recommendations concerning such investigations to the Chief of Police. The proposed procedures would, in addition, include an opportunity for representatives of the Community Relations Council to review investigative files, make recommendations concerning the scope of the investigation and make any further recommendations to the Chief of Police which might be deemed appropriate. Under the proposed procedure, the recommendations from each of these reviewing groups would be utilized by the Chief of Police in making his determination as to the appropriateness of any disciplinary action. As currently provided under the Civil Service laws, all determinations by the Chief of Police are subject to review by the Civil Service Board, the City Council and further judicial process.

Mr. Ward advised the Council that suggestions relating to the furnishing of leather gear (i.e., belts and holsters) to employees of the Police Department in the future and modifications in the present policies relating to clothing allowances could be accommodated within the 1975-76 budget already adopted and in effect.

John Stevens, Lums, thinks ordinance should allow for existing nonconforming uses. He also stated that something should be done about widening Tunnel Road and then do something about signs.

Samuel Bingham, 394 Vanderbilt Road, read a letter supporting the ordinance. He stated that he thought sign companies should pay for having a captive audience.

Mrs. Samuel Bingham, French Broad River Garden Club, stated that the Club was excited that something was being done on such a large scale to beautify Asheville. They approve ordinance as it is now written.

Jack Kiser, 111 Bear Creek Lane, believes it is a tough ordinance, but we have some tough problems to solve. He stated that the city especially needs control against portable signs that are blinding and confusing.

Joe Bell, 87 Woodlawn Avenue, supports adoption of sign control. Feels that tourists will seek us out even with smaller signs.

Mrs. Peggy Shook, 170 Kimberly Avenue, supports adoption of the ordinance as it is now written. She does not think we should be dictated to by franchises.

Mrs. Norma Price, 26 Zepher Drive, supports adoption of the ordinance. She cited places such as Williamsburg, Virginia, where signs conform to the setting.

Randall Thomson, private citizen, believes it to be a valuable document which would control, size and location of signs.

Albert Sneed, Attorney for Summey Sign Company, stated that 99.9% of property owners are protected under the grandfather clause of the existing zoning ordinance. Only four or five property owners who have existing nonconforming uses, junk yards and the race track, are not protected. The proposed sign ordinance would not give the sign companies the protection of the grandfather clause. He further said that if the ordinance was passed, the total number of signs on Tunnel Road would not decrease that much. The tendency would be to build a larger sign because of the set back. He said that the Zoning Ordinance passed in March covers signs. It is not being enforced. There are signs with only half a face of them that are left standing.

David Quinn, 38 Imperial Court, supports the ordinance and feels that the signs should conform to the area and not vice versa.

Jim Ellis, Executive Vice President of Asheville Area Chamber of Commerce, stated that he would like to clarify the Chambers involvement. He said they were in favor and have appointed a task force to study the ordinance. It has met three times and Mr. Emrick has met with it each time. Their concern is businesses that would have nonconforming signs, i.e., the Northwestern Bank which would have to lower its sign. We feel the ordinance is complicated and needs closer study.

Daryl Unruh, Pizza Huts, stated that he was for beautification. He said they had tried to meet the codes. Two months ago they erected a new sign on Patton Avenue. Under the proposed code, it would be nonconforming and would have to come down to such a level that it could not be seen for the hill. They feel the logo on the Pizza Huts is a part of the buildings and has met the State Building Code.

Mr. William Moore reported that he and Mr. Emrick had requested the outdoor advertising people to provide certain information in regard to determining a fair and reasonable period of amortizing billboards (location, term of lease, etc.) in

Listed below is a list of letters received in support of the proposed Sign and Outdoor Advertising Ordinance:

Quality '76 Board of Directors
The League of Women Voters of Asheville-Buncombe County
Asheville Council of Architects
Mountain Laurel Garden Club
The Asheville Council of Garden Clubs
Asheville Women's Civic Club
Grove Park - Sunset Summit Association

All correspondence relating to this proposed ordinance can be found on file in the Office of the City Clerk.

Herbert Hyde, Attorney, representing Lamar Dean Advertising Company, submitted suggested changes which were not used. He has submitted at Corporation Counsel's request a list of their signs and their cost. They have no objection to the set back requirements, but he had the following suggestions:

a) Height - In respect to height, measure from bottom of sign 25' from road to which it is oriented;

b) Spacing - Base only in one direction which sign is visible;

c) Size - Permit standard national size sign of 672 square feet; and

d) Adopt "grandfather clause" into ordinance and let sign live out its useful life.

Discussion indicated that the life of a sign is 15-20 years, but it is a custom to lease space for only 3 to 5 years at a time.

James Daniels, Vice President of Asheville Chamber of Commerce, reported that he was a member of a task force which had held three meetings and studied the ordinance very closely. They support the ordinance, but feel it is too strict. They request two additional weeks to study and make recommendations.

Bill Morris, Attorney, representing Holiday Inns, stated that the ordinance would make all Holiday Inn signs here nonconforming due to their size. He asked that consideration be given to permitting them as an existing nonconforming use or permitting advertising for lodging, etc. for visitors to the area.

Mayor Wood then opened the floor to others who wished to speak.

Bill Fass, Kentucky Fried Chicken and Iron Gate Restaurants, stated that he had just remodeled his Kentucky Fried Chicken buildings to conform with the national franchise and if the roofs are considered a sign, they will all be nonconforming.

Ms. Robin Daniel, League of Women Voters, urged adoption of the ordinance as it is now drafted.

Lloyd Kirk, Forest Manor Motor Lodge, Hendersonville Road, urged City Council to go back to sign control in present Zoning Ordinance and strengthen it. He feels the proposed document is too lengthy, detailed and confusing, and that existing businesses would be penalized.

Parcel	Established Price	Amount of Bid
42	$ 1,613.00	$ 1,650.00
43	1,609.00	1,650.00
67	1,349.00	1,400.00

Mr. Milton A. Shuford and H. T. Atkins are bidders on Parcels 42, 43 & 67. Mr. and Mrs. Sherman D. Logan are bidders on Parcel 88.

Councilman Morris moved approval of the sales.

Councilman Hoyle seconded the motion and it carried unanimously.

CLAIM - Attorney BRUCE ELMORE FOR LEONARD M. PEGG

The City Manager read a letter dated September 16, 1975 from Bruce A. Elmore, Attorney, filing a claim for Leonard M. Pegg who incurred an injury on July 22, 1975 when a Sanitation Department truck backed into him.

Mayor Wood referred the claim to Corporation Counsel William Moore.

YOUTH OUTREACH PROGRAM - Y. M. C. A.

The City Manager read a letter of thanks from the Y,M.C.A. dated September 15, 1975. Mayor Wood requested that it be placed in the minutes as follows:

THE YOUNG MEN'S CHRISTIAN ASSOCIATION
of Metropolitan Asheville
and Buncombe County, Inc.

CHARLES F. WRIGHT-President
GEORGE M. TISDALE-Vice President

CLIFFORD EDINGTON-Secretary
FRED PEARLMAN-Treasurer

The Honorable Richard A. Wood, Jr.
202 City Hall
70 Court Plaza
Asheville, NC 28807

Dear Mayor Wood:

This letter is to express the appreciation of the Y.M.C.A. for the excellent co-operation of the number of city departments making possible the "youth outreach" program of the Y.M.C.A. this summer.

order that we might draft an amended section on amortization that ties more closely with the depreciable life of a sign. He said the present amortization section is not likely to be the one that will be adopted. He said he would make information available to all parties.

Councilman Morris moved that the public hearing be adjourned until two weeks from today (September 18, 1975) without further advertising. Councilman Ochsenreiter seconded the motion and it carried unanimously.

ORDINANCE NO. 855 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Ward 8, Sheet 31, Lot 22 & 118)

4. Third reading of Ordinance No. 855, an ordinance amending Ordinance No. 322, known as "An Ordinance providing for the zoning of the City of Asheville," as amended.

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Mayor Wood advised that the ordinance had been amended on its second reading to include Lot 118. He then asked the status of the triangular lot (Lot #154). Mr. Wolcott advised that he had attempted to notify the property owners that City Council would consider adding this lot to the proposed rezoning request and the letter had been returned and could not be delivered.

On a roll call vote of 6-0, Ordinance No. 855, as amended, passed on its third and final reading.

Complete text of Ordinance No. 855 will be found in Ordinance Book No. 6 at Page 310.

RESOLUTION NO. 75-114 - RESOLUTION AUTHORIZING THE PURCHASE OF A TRACT IN THE BEAVERDAM VALLEY FOR FUTURE RESERVOIR SITE

5. Consideration was given to a resolution authorizing the purchase of a tract in the Beaverdam Valley for future reservoir site.

The City Manager read the resolution.

Mayor Wood noted that property owners were aware that they would not be served until everyone is.

Upon motion of Vice Mayor Marshall, seconded by Councilman Colton, Resolution No. 75-114 was unanimously adopted.

Complete text of Resolution No. 75-114 will be found in Resolution Book No. 8 at Page 169.

SALE OF RESIDENTIAL LOTS - EAST RIVERSIDE URBAN RENEWAL PROJECT N. C. R-48

6. The City Manager read a letter from Lawrence D. Holt, Director of Field Services for the Asheville Housing Authority dated September 15, 1975, requesting approval to sell the following property:

1. The fee paid for the performance bond was included in the original contract and was purchased by Ranger Construction Company and furnished to the City of Asheville, as required under the contract. As is customary, the performance bond is in any amount sufficient to complete the project, even though the cost of the project might exceed the original contract amount. No penalties are to be assessed by the architect until the project is completed. The completion date of the arena was to be November 15, 1974 and on the auditorium the set date was to be January 1, 1975.

2. The fee paid by the City of Asheville for architectural services was 5.5% of the construction cost and 99% of this fee has been paid.

3. In answer to the question posed in Paragraph 3 of your letter I would refer you to the contract terms and conditions of the agreement between the architect and owner, Article 1.1.14 which reads as follows: "The architect shall make periodic visits to the site to familarize himself generally with the progress and quality of the work and to determine in general if the work is proceeding in accordance with the contract documents. On the basis of his on site observations as an architect, he shall endeavor to guard the owner against defects and deficiencies in the work of the contractor. The architect shall not be required to make exhaustive or continuous on site inspections to check the quality or quanity of the work. The architect shall not be responsible for construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the work, and he shall not be responsible for the contractors failure to carry out the work in accordance with the contract documents."

4. A. At the present time we have been advised by the architect that he cannot as of this date give a percentage of completion of the punch list.

   B. In order to ascertain the projected correction date for the remainder of the punch list contact would have to be made with the contractor since the contractor is responsible for scheduling of work.

   C. The punch list for the exterior construction is now being prepared and any time span projection must be obtained from the contractor.

   D. 1. Since the contractor is in charge of scheduling any information regarding the punch list stage of completion must be obtained from Ranger Construction Company.

furnished us with equipment and manpower where needed, and Bill Eaton gave us every co-operation. Basically, the program involved recreation and instruction with the highlight of a "water sprinkler" connected to the fire plug for the enjoyment of the youth in Deaverview, Kirkwood, Hillcrest, Bingham Heights, Lee Walker Heights, Mountainside Area and Klondike. We hit each of these places once and sometimes twice weekly during the summer with a total attendance exceeding 7,000 and reaching approximately 1,000 different youth. The program apparently met a real need particularly for those youth that are "land-locked" to an apartment complex because of age and lack of transportation.

There would have been no possible way that our Market Street Executive, Jesse Adams, could have conducted this program without the complete co-operation of the city.

Thank you for making it possible for us to be of service to this community.

With Kindest Personal Regards--

Sincerely,

CIVIC CENTER CONSTRUCTION - DISCUSSION WITH LABOR UNION REPRESENTATIVES

Corporation Counsel William C. Moore reported that at the September 11, 1975 Council meeting a request was presented by W. D. Fox, President of the Building and Construction Trades Council for responses to several questions regarding the construction of the Asheville Civic Center. He said as a result, he had responded to the questions, by letter addressed to Mr. Fox and dated September 16, 1975.

Mayor Wood instructed that Mr. Moore's response be made a part of the minutes. Mr. Moore's response is as follows:

Mr. W. Don Fox, President
Asheville Building and Construction
Trades Council
11 South French Broad Avenue
Asheville, North Carolina 28801

Dear Mr. Fox:

In that certain correspondence hand delivered to the Asheville City Council the September 11, 1975 meeting certain questions were directed to the Council. I will attempt to answer these questions in the order presented in the above referred to correspondence.

Jim Gray, of the Advocate/Native Stone, stated in his opinion the response was not an answer to the questions directed by Mr. Fox and that he had recommended to Mr. Fox that the response not be deemed acceptable and that he should forward another request for more specific answers to his questions.

Mr. Gray also pointed out that the 96-page "punch list" made available to Mr. Fox covered only the interior of the building and excluded the subcontractors. He requested that a copy of the "punch list" made for M. B. Haynes Electrical Company and Moser Plumbing and and Heating Company be made available.

Corporation Counsel William C. Moore told Mr. Gray that copies of the "punch list" for the subcontractors would be on file in the Office of the City Clerk for public inspection.

Mr. W. D. Fox, President of the Building and Construction Trades Council, commented that after reviewing the 96 page "punch list" he had found many items listed and repeated statements of "workmanship unsatisfactory". He said, in his opinion, the Civic Center is being built by people that are being picked up off the street and questioned whether they had any skilled craftsmen working on the job. He said the mistakes made by the contractor should have been corrected at the beginning of the job, rather than at the end when the finished areas will have to be torn off in order to repair or replace the unfinished areas.

Mr. Fox reviewed excerpts of the "punch list" stating that he sincerely doubted whether the general contractor would finish the job complete. He said the contractor would probably declare the center complete soon and the City would have a choice of accepting a poorly constructed building or forcing the contractor to do a great deal of the work over again.

Mr. Fox urged Council to use "skilled laborers" on future construction projects. He said young craftsmen in this area are being forced to go out of the state to find acceptable wages.

Mayor Wood commented that his main concern was that the "punch list" shows that the architect is not and has not accepted substandard work on the building.

Adjournment.

Richard D. Wood
MAYOR

Miriam F. Stevenson
CITY CLERK

2. The prime contractors of the job for which punch lists will be prepared include M. B. Haynes Company and Moser Plumbing Company.

3. Punch lists have been prepared for Moser, Haynes and Ranger and were provided to the City on May 23, 1975. In order to determine punch list stage in completion it will be necessary for you to contact the contractor in order to obtain this information.

5. A. The architect is not the person having custody of public records but said records would be in the custody of the City administration.

B. I cannot answer by what authority the architect refused access to the punch lists and that matter would have to be taken up directly with him.

C. Any documents which are determined to be "public records" will be made available for review to any member of the public.

6. A. Scheduling is exclusively in the control of the contractor, however, weekly meetings have been held every week since September 1974 to discuss expediting the completion of all portions of the contract.

B. Here again, any date projected as a target date for completion must be obtained from the contractor.

C. In answer to Question 6C it will be necessary for you again to contact the contractor in order to determine whether or not any occupancy dates can or cannot be set.

D. To my knowledge Ranger does not have any contract with the agencies you have specified and neither does the City of Asheville.

7. You have been provided with a Ranger punch list and since you have the entire list, any summary that will be made can be made by you.

If you have any further questions regarding this matter please do not hesitate to contact me.

Very truly yours,

William C. Moore

Mayor Wood asked if there was any opposition to the closing of these streets or if any one would be deprived of ingress or egress. No one spoke in opposition.

Mayor Wood closed the public hearing at 3:10 o'clock p.m.

The City Manager read the prepared resolution.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 75-115 was unanimously adopted.

Complete text of Resolution No. 75-115 will be found in Resolution Book 8 at Page 170.

PUBLIC HEARING - AMEND ASHEVILLE ZONING ORDINANCE #322, AS AMENDED, BY EXTENDING THE CITY OF ASHEVILLE'S EXTRA TERRITORIAL ZONING JURISDICTION INTO THE TOWN OF BILTMORE FOREST'S JURISDICTION

3. Mayor Wood reported that the Planning Division has requested that the public hearing be postponed.

Acting Corporation Counsel Robinson said that the published notice did not contain certain lots in the area to be zoned.

Robert McDonald of the Planning Division said that they had found that three lots were omitted, plus the Planning staff has suggestions for deleting some lots. McDonald reported that he had contacted Biltmore Forest officials and they have suggested that a new agreement be prepared and they will be happy to sign it.

Mayor Wood said that City Council would wait until the new agreement is received and then readvertise the public hearing.

RESOLUTION NO. 75-116 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE EASEMENT IN FAVOR OF THE CAROLINA POWER AND LIGHT COMPANY

Consideration was given to a resolution authorizing the Mayor to execute an easement with Carolina Power and Light Company for the purpose of installing a power line.

The City Manager read the resolution. He noted that this was for underground wiring at the new parking garage at the corner of Rankin Avenue and Walnut Street.

Absent: Corporation Counsel William C. Moore and City Clerk William F. Wolcott, Jr.

1. Approval of minutes of September 18, 1975.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, the minutes of the September 18, 1975 meeting were approved as submitted.

PUBLIC HEARING - CLOSING OF CERTAIN STREETS IN EAST RIVERSIDE URBAN RENEWAL AREA - RESOLUTION NO. 75-115 - RESOLUTION CLOSING CERTAIN STREETS IN EAST RIVERSIDE URBAN RENEWAL AREA

2. A public hearing was held relative to the closing of a portion of Water Street, and all of Black Street, Gervais Street, "Greens Row" and an unnamed alley located in the East Riverside Urban Renewal Area.

Mayor Wood opened the public hearing at 3:05 o'clock p.m.

The City Manager read Resolution 75-108 which describes these streets and the City Council's intent to hold a public hearing to permanently close these streets.

The City Manager then read the Affidavit of Publication and reported that he had received an affidavit from Mr. Lawrence Holt stating that the proper notices were placed in accordance with the provisions of the resolution.

Mr. Lawrence Holt, Director of Field Services for the Asheville Housing Authority, reported that the Authority owned all but one lot. It is owned by the New Bethel Missionary Baptist Church and they have submitted a letter concurring in the closing of the street behind their church. Mayor Wood requested that the letter be placed in the minutes as follows:

ABSTRACT OF VOTES - PRIMARY ELECTION FOR CITY COUNCIL

City Manager Ernest Ward submitted as a matter of information the Abstract of Votes, cast at the primary election for City Council members on September 23, 1975, which was transmitted to him from the Buncombe County Board of Elections.

Mayor requested that the abstract be placed in the minutes as follows:

See Page 406

The Buncombe County Board of Commissioners have agreed to underwrite an amount of $12,000 less any monies obtained from other sources.

On the basis of this information, the Council of the City of Asheville is requested to make available immediately the sum of $20,000 for continued operation of the Oak Street Clinic.

Very sincerely yours,

James B. Tenney

PROPOSAL FOR PRIMARY MEDICAL CARE CLINIC

The Buncombe County Health Department, with the consent of the Buncombe County Board of Commissioners and Board of Health, proposes to sponsor a primary medical care clinic now operating at the First Baptist Church under the guidance of Dr. Theodore Stevenson with funds provided by the City of Asheville.

This clinic, to be known in the future as the Oak Street Clinic, is serving some 2500 - 3000 patient visits per year, chiefly older and poorer citizens of Asheville and Buncombe County. Thereby it provides a valuable function, making medical care more easily available, relieving the hospital emergency rooms to this extent, and opening access to the medical system for many of these people.

The Buncombe County Health Department proposes to enter into a contract with the City of Asheville to act as agent to receive and disburse $20,000 of Community Development funds from the City of Asheville. The Health Department has asked the County of Buncombe to underwrite the remaining portion of a proposed budget of $32,000 not secured from other sources. These monies will afford primary medical care to patrons of the Senior Opportunity Center of Asheville, and, in so doing, will benefit other medically needy and those seeking to enter the medical system.

The Buncombe County Health Department will also act as provider, as soon as approved, to make Medicaid, Medicare and other third-party reimbursement available for support of the clinic. Administration will be made available, and the present level of supportive services of the Health Department will continue. The First Baptist Church agrees to provide space and utilities for the clinic as a community service without charge.

POLICE AND FIRE DEPARTMENT - SALARIES AND GRIEVANCES

Mr. Ward reported that at the last City Council meeting the staff, in response to the police and firemen's requests, was instructed to make a study relative to salaries, comparison with other cities, private industries, budgeting, etc. He reported that this study is continuing and the staff expects to complete it very soon.

RESOLUTION NO. 75-119 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE BUNCOMBE COUNTY HEALTH DEPARTMENT

Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the Buncombe County Health Department.

The City Manager read the resolution.

Assistant City Manager Ken Michalove said that through the Community Development funding process, City Council had set aside money for a health care program at the Senior Opportunity Center. He said that the current minimal health care program at the First Baptist Church utilizing Model Cities funds was being phased out. He said he had met with Dr. Theodore Stevenson, Rev. Cecil Sherman and others and it was felt that if we could obtain the help of the Buncombe County Health Department, a permanent primary care program for senior citizens could be established at the First Baptist Church. Mr. Michalove then read portions of a letter from Dr. James B. Tenney, Director of the Buncombe County Health Department, indicating that the Buncombe County Board of Commissioners and Board of Health have approved the stated participation of the Health Department.

Mayor Wood requested that Dr. Tenney's letter and the attached statement be placed in the minutes as follows:

The Honorable Richard A. Wood
Mayor, City of Asheville
City Hall Building
Asheville, North Carolina 28807

Dear Mayor Wood:

Attached is a restatement and additional information concerning the primary health care clinic about which you were written on on September 16.

The Buncombe County Board of Commissioners and Board of Health have approved the stated participation of the Health Department. Negotiations for additional funds sources have not been completed, but remain tentatively viable. These will continue to be pursued.

STATEMENT by Bill B. Horton:

It is with real satisfaction and some degree of pride that I note the positive action toward community well-being taken by our law enforcement personnel in their democratic expression of yesterday, and I firmly believe that this feeling is shared by the citizens of Asheville.

All along, I have been aware and sympathetic to the need for a pay adjustment for our police and fire personnel, as well as for all city employees....and it is my hope that some equitable adjustment may be found in our current budget and present property tax structure.

It is my further sincere belief that this problem can best be dealt with in a climate of good faith and mutual trust -- on both sides — and not under pressure of a deadline, which has now been made possible.

Bill B. Horton

In conference on September 17, 1975, representatives of the Buncombe County Medical Society (1), Memorial Mission Hospital (2), Mountain Area Health Education Center (3), and the Buncombe County Health Department (4), agreed that this Oak Street Clinic would be supported only through June 30, 1976. The conferees further agreed that a suitable replacement for this clinic will be developed by July 1, 1976, with the specific direction of a named member of the Buncombe County Medical Society (5), and the cooperative effort of the conferees. Continued Health Department support and sponsorship of the Oak Street Clinic is contingent on tangible and substantive evidence of this development of a working and acceptable substitute.

(2) Mr. Ralph E. Jennings

(3) Dr. Henry M. S. Uhl

(4) Dr. James B. Tenney

(5) Dr. Cedric W. Porter

The Mayor noted that Councilman Ochsenreiter had to leave the meeting and asked that the minutes reflect this. He left at 3:30 o'clock p.m.

Upon motion of Councilman Horton, seconded by Councilman Hoyle, Resolution No. 75-119 was unanimously adopted.

RECOGNITION - THOMAS WOLFE 75TH ANNIVERSARY OF BIRTH

Mayor Wood noted that Asheville will celebrate the 75th Anniversary of the birth of Thomas Wolfe on October 2-5, 1975 and the Civic Arts Council of Asheville and the University of North Carolina at Asheville have scheduled special events for the occasion.

RECOGNITION - MOUNTAIN HERITAGE FAIR

Mayor Wood noted that the Western North Carolina Historical Association and the Asheville-Buncombe Technical Institute were sponsoring a Mountain Heritage Fair on Saturday, October 4, 1975. He commended the institutions responsible for these events and invited the public's participation.

STATEMENT BY COUNCILMAN HORTON - COMMENDING LAW ENFORCEMENT PERSONNEL

Councilman Horton read a prepared statement and asked that it be placed in the minutes as follows:

See text of statement on page 410

Rev. Fred D. Taylor, a representative of the Southern Christian Leadership Conference headquartered in Atlanta, Georgia, said he was here because of some complaints on police brutality which was brought to their attention. He said he had talked with the Community Relations Council, the City Manager, the Police Chief, the Personnel Director and others. He realizes that there are several sides to a matter. They feel police brutality has occurred frequently in this community and they hope City Council will have the courage and wisdom to deal with the matter. He stated the need for a citizen or independent investigation of complaints (The Community Relations Council is independent with corporation papers, but it is budgeted through the City of Asheville and the County of Buncombe). They feel a committee could consist of a representative of the ministry, legal profession, police and persons from the community representing both black and white persons. He also stated there is a need for more adequate training of police officers although our police come under the umbrella of the state training program.

Several persons spoke on this matter and emphasized need for experienced and well trained officers, the need for more black officers, better qualifications for police and that officers should know more about city and traffic regulations, laws, use of weapons, how to use judo instead of night sticks, first aid and how to better deal with people with reason, and that police officers need closer supervision.

Councilman Morris stated that the policemen recognize they they need more supervision and have listed this among their grievances before City Council now. They make thousands of arrests each year and the few that make the errors get all of the publicity. He said many of these men are young and that they are trying hard.

Mrs. Thelma Reid said that she was the lady whose girl was abused and that she had seen what happened to her son and daughter. She felt undue force was used in the arrest of her son and that also, she felt she should have been allowed to accompany him to jail. She believes her rights and her children's rights were taken. She stated that she was glad it was going to court to see that justice is done.

Rev. Taylor stated that the report from the Community Relations Council made specific recommendations regarding the Police Department and he wondered what action had been taken. Mayor Wood answered that the City Council had received the report. He said that the City Manager, Chief Hall and police officials were looking into these recommendations as well as the recommendations from the policement themselves. He said he thought they were making progress and would be upgrading the training.

Robert L. Jenkins spoke and stated that he was a victim of police brutality eight years ago and still has the scars from the wounds and that justice was never done in his case.

Carl Johnson emphasized a need for psychological screening for new policemen.

GRIEVANCES ON POLICE BRUTALITY

Mr. James Smith distributed literature to those present and then read a prepared statement. Mayor Wood asked that the statement be placed in the minutes as follows:

POLICE BRUTALITY

We the concerned citizens of Asheville and Buncombe County had a meeting on the 24th day of September 1975. The purpose of this meeting was to express the grievences of the community people on Police Brutality and bring about some possible solutions to this problem. A problem which has plagued our community for many years.

We the poeple of Asheville,North Carolina and of Buncombe County..... we as a people want to see something done about this problem. For we feel that the complaints have either fallen upon deaf ears OR dismissed as untruth.

We will no longer tolerate the duel injustice system.

Since we are in the midst of the Campaign Season we feel that this is the time to submit our demands to this body.

All of the cases that have been discussed where Police Brutality has taken place... the so call CRIMES have only been misdemeanors for example: public drunkedness, shoplifting, property damage and other minor offenses. We do not condone any wrong doing; we are simply saying that the victims were innocent of any presentation of threat to the officers . NO THREAT such as a weapon that would endanger the lives of these officers.

One who has been encased by native action might ask" Why would the police department wish to eliminate a man who volunteered for such an obviously dangerous job? POWER, my friend ! Power is the simple fact that this man will be armed for good or evil. He now has a license to take another man's life, deprive a man of liberty, arbitrate civil disputes, guide or hinder, preserve tranquility, and seek and give justice. Perhaps in seeking and giving justice, no other agent is called upon more. In absolute terms he can make the dicision to perserve or take life.

It is time for a change. Society has changed, but police departments have stood still in the midst of these changes. Police departments, out of necessity, must be made aware of the shifting of power. No longer must the Power rest in the hands of a few, but rather in the hands of the community, THE PEOPLE. Police departments must now become sensitive to this shifting of power and realize that they must become agents and representatives. Community representatives as opposed to their old allegiance to the few that control wealth. Police departments must also depart from the concept that puts a high stress on property value at the expense of human lives. It is our duty to fight for our freedom .. It is our duty to win! We must love each other and support each other. We have nothing to lose but our CHAINS!
